MANAGEMENT INFORMATION CIRCULAR
AS AT AND DATED AUGUST 6, 2025
(unless otherwise noted)

This Management Information Circular (“Information Circular”) accompanies the Notice of the Annual General Meeting (“Notice of Meeting”) of holders of common shares (“shareholders”) of Paradigm Gold Corporation (the “Company”) scheduled to be held on Wednesday, September 17, 2025 (the “Meeting”), and is furnished in connection with a solicitation of proxies for use at that Meeting and at any adjournment or postponement thereof.

PERSONS OR COMPANIES MAKING THE SOLICITATION

THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR
IS BEING SOLICITED BY MANAGEMENT OF THE COMPANY

Solicitations will be made by mail and possibly supplemented by telephone, electronic means or other personal contact to be made without special compensation by directors, officers and employees of the Company. The Company may reimburse shareholders’ nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy. It is not anticipated that any solicitation will be made by specially engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the Information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT OF PROXYHOLDER

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Those shareholders so desiring may be represented by proxy at the Meeting. The persons named in the form of proxy accompanying this Information Circular are directors and/or officers of the Company (“Management Appointees”). **A shareholder has the right to appoint a person or company (who need not be a shareholder) to attend and act on the shareholder’s behalf at the Meeting other than the Management Appointees.** To exercise this right, the shareholder must either insert the name of the desired person in the blank space provided in the form of proxy accompanying this Information Circular and strike out the names of the Management Appointees or submit another proper form of proxy.

NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on the records of the Company (“registered shareholders”) or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are not registered shareholders because the shares they own are not registered in their names. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “Non-Registered Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the shares including, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In accordance with current securities regulatory policy, the Company has distributed copies of the Notice of Meeting, this Information Circular and the form of proxy accompanying this Information Circular (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries.

Current securities regulatory policy requires Intermediaries to forward the Meeting Materials to, and to seek voting instructions from, Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries will often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete this form of proxy and **submit it to the Company, c/o**

Computershare Investor Services Inc., Proxy Department, 320 Bay Street, 14th Floor, Toronto, Ontario, M5H 4A6, fax number: (416) 263-9261; or

- (b) more typically, be given a voting instruction or proxy authorization form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, (such as Broadridge Financial Solutions Inc.), will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one-page pre-printed form. Sometimes, instead of the one-page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for this proxy form to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the proxy form, properly complete and sign the proxy form and return it to the Intermediary or its service company, or otherwise communicate voting instructions to the Intermediary or its service company (by way of telephone or Internet, for example) in accordance with the instructions of the Intermediary or its service company. **A Non-Registered Holder cannot use a proxy authorization form to vote shares directly at the Meeting.**

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own.

The Meeting Materials are being sent to both registered and non-registered owners of shares. If you are a Non-Registered Holder and the Company or its agent has sent the Meeting Materials directly to you as a non-objecting beneficial owner under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding shares on your behalf. By choosing to send the Meeting Materials to you directly, the Company (and not the Intermediary holding shares on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Management of the Company does not intend to pay for Intermediaries to forward to objecting beneficial owners under NI 54-101 the Meeting Materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and in the case of an objecting beneficial owner, the objecting beneficial owner will not receive the Meeting Materials unless the Intermediary holding shares on behalf of the objecting beneficial owner assumes the cost of delivery.

Non-Registered Holders cannot be recognized at the Meeting for purposes of voting their shares in person or by way of depositing a form of proxy. If you are a Non-Registered Holder and wish to vote in person at the Meeting, please see the voting instructions you received or contact your Intermediary well in advance of the Meeting to determine how you can do so.

Non-Registered Holders should carefully follow the voting instructions they receive, including those on how and when voting instructions are to be provided, in order to have their shares voted at the Meeting.

DEPOSIT AND VOTING OF PROXIES

To be effective, the instrument of proxy must be dated and signed and, together with the power of attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, deposited either at the office of Computershare Investor Services Inc., Proxy Department, 320 Bay Street, 14th Floor, Toronto, Ontario, M5H 4A6, or at the Head Office of the Company at Suite 1100 - 1199 West Hastings Street, Vancouver, British Columbia, V6E 3T5 not less than 48 hours, Saturdays, Sundays and holidays excepted, prior to the time of the holding of the Meeting or any adjournment or postponement thereof. Late proxies may be accepted or rejected by the Chairman of the Meeting in the Chairman’s discretion, and the Chairman is under no obligation to accept or reject any particular late proxy.

THE SHARES REPRESENTED BY A PROPERLY EXECUTED AND DEPOSITED PROXY WILL BE VOTED OR WITHHELD FROM VOTING ON EACH MATTER REFERRED TO IN THE NOTICE OF MEETING IN ACCORDANCE WITH THE INSTRUCTIONS GIVEN (provided such instructions are certain) ON ANY BALLOT THAT MAY BE CALLED FOR AND, IF A CHOICE IS SPECIFIED WITH RESPECT TO ANY MATTER TO BE ACTED UPON AT THE MEETING, THE SHARES SHALL BE VOTED OR WITHHELD FROM VOTING ACCORDINGLY. **WHERE NO CHOICE IS SPECIFIED IN RESPECT OF ANY MATTER TO BE ACTED UPON AND ONE OF THE MANAGEMENT APPOINTEES IS NAMED IN THE FORM OF PROXY TO ACT AS THE SHAREHOLDER’S PROXYHOLDER, THE SHARES REPRESENTED BY THE PROXY WILL BE VOTED IN FAVOUR OF ALL SUCH MATTERS.** THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR GIVES THE PERSON OR COMPANY NAMED AS PROXYHOLDER DISCRETIONARY AUTHORITY REGARDING AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND OTHER MATTERS THAT MAY PROPERLY COME BEFORE THE MEETING. IN THE EVENT THAT AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF MEETING ARE PROPERLY BROUGHT BEFORE THE MEETING OR ANY OTHER BUSINESS IS PROPERLY BROUGHT BEFORE THE MEETING, IT IS THE INTENTION OF THE MANAGEMENT APPOINTEES TO VOTE IN ACCORDANCE WITH THEIR BEST JUDGMENT ON SUCH MATTERS OR BUSINESS ON ANY BALLOT THAT MAY BE CALLED FOR. AT THE TIME OF PRINTING THIS INFORMATION CIRCULAR, MANAGEMENT KNOWS OF NO SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH MAY BE BROUGHT BEFORE THE MEETING.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the registered shareholder or the registered shareholder's attorney authorized in writing, or if the registered shareholder is a corporation, by a duly authorized officer or attorney thereof, and deposited either at the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting, or any adjournment or postponement thereof, or, as to any matter in respect of which a vote shall not already have been cast pursuant to such proxy, with the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof, and upon either of such deposits the proxy is revoked.

Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must arrange for their Intermediaries to revoke the proxy on their behalf.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common Shares without par value and an unlimited number of Preferred Shares without par value, issuable in a series. There are 9,020,308 Common Shares and no Preferred Shares issued and outstanding. The directors have determined that all shareholders of record as of August 6, 2025 will be entitled to receive notice of and to vote at the Meeting.

At a General Meeting of the Company, on a show of hands, every registered shareholder present in person and entitled to vote and every proxyholder duly appointed by a registered shareholder who would have been entitled to vote shall have one vote and, on a poll, every registered shareholder present in person or represented by proxy or other proper authority and entitled to vote shall have one vote for each share of which such shareholder is the registered holder. Shares represented by proxy will only be voted as to the number of shares represented if a poll or ballot is called for. A poll or ballot may be requested by a registered shareholder or proxyholder present and entitled to vote at the Meeting or required because the number of votes attached to shares represented by proxies that are to be voted against a matter is greater than 5% of the votes attached to all shares that are entitled to be voted and to be represented at the Meeting.

To the knowledge of the directors and executive officers of the Company, as at the date of this Information Circular, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the outstanding voting rights of the Company.

ELECTION OF DIRECTORS

Each director of the Company is elected annually and holds office until the next Annual General Meeting of the shareholders unless that person ceases to be a director before then. **Unless such authority is withheld, the Management Appointees intend to vote the shares represented by proxy for the election of the nominees herein listed on any poll or ballot that may be called for.**

MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF THE NOMINEES HEREIN LISTED WILL BE UNABLE TO SERVE AS A DIRECTOR. IN THE EVENT THAT PRIOR TO THE MEETING ANY VACANCIES OCCUR IN THE SLATE OF NOMINEES HEREIN LISTED, IT IS INTENDED THAT DISCRETIONARY AUTHORITY SHALL BE EXERCISED BY THE MANAGEMENT APPOINTEES, IF NAMED IN THE PROXY, TO VOTE THE SHARES REPRESENTED BY PROXY FOR THE ELECTION OF ANY OTHER PERSON OR PERSONS AS DIRECTORS UNLESS THE SHAREHOLDER HAS SPECIFIED THAT THE SHARES REPRESENTED BY PROXY ARE TO BE WITHHELD FROM VOTING IN THE ELECTION OF DIRECTORS.

Management proposes that the number of directors for the Company be determined at five (5) for the ensuing year, subject to such increases as may be permitted by the Articles of the Company, and that each of the following persons be nominated for election as a director of the Company for the ensuing year. Information concerning these persons, as furnished by the individual nominees, is as follows:

Stock Option Plans and Other Incentive Plans

The Company has adopted an incentive stock option plan (the "Stock Option Plan") for the purpose of attracting and motivating directors, officers, employees and consultants of the Company and advancing the interests of the Company by affording such persons the opportunity to acquire an equity interest in the Company through rights granted under the Stock Option Plan. "Rolling" stock option plans must receive annual shareholder approval in accordance with the policies of the TSX Venture Exchange. The Stock Option Plan was approved by shareholders at the Company's last annual general meeting held on December 18, 2023. A summary of the Stock Option Plan is included under "*Particulars of Other Matters to be Acted Upon – Stock Option Plan*" herein.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed by anyone other than by directors or NEOs of the Company.

The Company is party to a service agreement with Manex (the "Manex Agreement") pursuant to which Manex provides the Company with accounting services (including Matthew Anderson's activities as CFO) as well as geological, administrative, corporate, consulting and corporate development services charged at an hourly rate. The Manex Agreement may be terminated by either party on 30 days' written notice to the other party.

Graham Thatcher provided the Company with the services of CFO for a monthly fee of \$1,000 plus applicable taxes pursuant to an amended and restated consulting agreement effective May 23, 2017. The consulting agreement provided that either party may terminate with 30 days prior written notice, and, on April 1, 2024, Mr. Thatcher gave notice of termination of the agreement effective April 30, 2024.

The Company has no agreement or arrangement in place that provides for payments to an NEO or director that are triggered by, or result from, a change of control, severance, termination or constructive dismissal.

Oversight and Description of Director and Named Executive Officer Compensation

The recently constituted Corporate Governance and Compensation Committee will meet as necessary to determine compensation payable to the directors and officers. The Committee assesses the compensation of directors and officers on an ongoing basis considering the responsibilities and obligations involved with such positions as well as the financial status of the Company.

The Company is an exploration stage company engaged in the acquisition and exploration of mineral natural resource properties. The Company has no revenues from operations and often operates with limited financial resources to ensure that funds are available to complete scheduled programs. Accordingly, the granting of stock options is an important element of executive compensation which does not require cash disbursement by the Company. In determining compensation with respect to stock option grants, however, the Company is cognizant of the Exchange statement in its Policy 4.4 that: "Incentive stock options are a means of rewarding optionees for future services provided to the Issuer. They are not intended as a substitute for salaries or wages, or as a means of compensation for past services rendered." The Board, taking into consideration previous grants of stock options, determines the compensation in the form of stock options to its NEOs, as well as to its directors.

Pension Disclosure

The Company does not have any defined benefit plans, defined contribution plans, deferred compensation plans or any other benefit plans in place that provide for payments or benefits at, following, or in connection with retirement.

The following table sets out the number of the Company's shares to be issued and remaining available for future issuance under the Company's Stock Option Plan at the end of the Company's most recently completed financial year ended December 31, 2024:

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the current or former directors, executive officers or employees of the Company or any of its subsidiaries, no proposed nominee for election as a director of the Company, and no associate or affiliate of any of them is or has been indebted to the Company or any of its subsidiaries at any time since the beginning of the Company's last completed financial year nor has any such person been indebted to any other entity where such indebtedness is the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding provided by the Company.

CORPORATE GOVERNANCE

National Instrument 58-101 – Disclosure of Corporate Governance Practices ("NI 58-101"), adopted by the Canadian Securities Administrators, requires issuers to disclose their governance practices in accordance with that instrument. The Company is a "venture issuer" within the meaning of NI 58-101. A discussion of the Company's governance practices within the context of NI 58-101 is set out below.

Board of Directors

The Board of Directors of the Company (the "Board") facilitates its exercise of independent supervision over management by ensuring that a majority of its members are independent of the Company. Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Company's Board, be reasonably expected to interfere with the exercise of a director's independent judgment. The independent members of the Board are Brian McGrath, Joseph A. Kizis, Jr. and Alfred Stewart, although Mr. Stewart is not standing for re-election to the Board. John Kerr is a non-independent director as he is the President of the Company and Lawrence Page is non-independent as the Chairman of the Company. Killian Ruby may be considered non-independent as he is the President of a company providing administrative services and office accommodation to the Company.

Directorships

Certain of the Company's directors proposed for re-election are also directors of other reporting issuers (or equivalent), as disclosed in the following table:

Name of Director	Directorship(s) held in other Reporting Issuers	
Lawrence Page	Bravada Gold Corporation Southern Silver Exploration Corp.	Equity Metals Corporation

John Kerr	Bravada Gold Corporation NV Gold Corporation	Equity Metals Corporation Searchlight Resources Inc.
Brian McGrath	Nil	
Joseph A. Kizis, Jr.	Bravada Gold Corporation	Equity Metals Corporation
Killian Ruby	Equity Metals Corporation Nexe Innovations Inc.	Fraser Big Sky Capital Corp.

Orientation and Continuing Education

The Company does not provide formal continuing education to its Board members, but does encourage them to communicate with management, auditors and technical consultants. Board members have full access to Company policies, corporate governance documents, technical data and financial information.

Ethical Business Conduct

The Company has adopted a Code of Business Conduct and Ethics (the “Code”) which addresses compliance with laws, conflicts of interest, honesty and integrity, fair dealing, discrimination and harassment, safety and health, honest and accurate record keeping, and specifically ethical conduct for financial managers. A copy of the Code has been provided to the Company’s directors, officers and employees. Company personnel are encouraged to speak with their supervisors or other management to obtain guidance in complying with the Code or to report any violations of the Code.

The Company has also established a whistleblower policy to provide Company personnel with a channel to report serious concerns relating to financial reporting or unethical or illegal conduct.

The Board takes steps to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest. The Board ensures that the directors are familiar with the Code as well as their obligations to disclose any material interest in a transaction or contract and to abstain from voting on any resolution to approve such transaction or contract.

Nomination of Directors

When a Board vacancy occurs or is contemplated, any director may make recommendations to the Board as to qualified individuals for nomination to the Board. In identifying new candidates, the directors will take into account the mix of director characteristics and diverse experiences, perspectives and skills appropriate for the Company at that time.

Compensation

The Company’s Corporate Governance and Compensation Committee (“Compensation Committee”) assesses the compensation of directors and officers on an ongoing basis taking into account the responsibilities and obligations involved with such positions as well as the financial status of the Company and makes recommendations to the Board in this regard.

The Compensation Committee also determines compensation in the form of stock option grants to its directors and officers, although such options are considered a means of rewarding optionees for future services provided to the Company rather than as compensation for past services. No compensation is currently paid to the directors, other than by way of stock option grants.

The members of the Governance Committee are Lawrence Page (Chair), Killian Ruby and Joseph Kizis.

Other Board Committees

Other than the Audit Committee and the Governance Committee, the Board has no other standing committees.

Assessments

The Company does not have a formal process to review the performance of the Board, its committees and individual directors. The Board conducts ongoing informal assessments and evaluations, including considering the skills and experiences of each director individually and as part of a team.

AUDIT COMMITTEE

The Audit Committee of the Board of Directors of the Company is comprised of Brian McGrath, Killian Ruby and Alfred Stewart. All members are considered to be “financially literate” and the majority are considered to be “independent”, as those terms are defined in National Instrument 52-110 *Audit Committees*. The education and experience of each member relevant to the performance of such member’s responsibilities as an Audit Committee member are as follows:

Brian McGrath attained his Bachelor's degree in Earth Sciences from Memorial University in Newfoundland in 1992. He's dedicated over 30 years to the mineral exploration industry through geosciences, education and sustainability. His position as a director of the Company has provided him with an understanding of accounting principles and the ability to analyze and evaluate financial statements.

Killian Ruby is a Canadian CPA, CA and an Irish Chartered Accountant. He is the President & CEO of Malaspina Consultants Inc. in Vancouver and focuses on clients in the resource and junior public sector. PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Stock Option Plan

At the Meeting, shareholders will be asked to approve the Company's proposed 2025 10% rolling incentive stock option plan (the "Plan").

The purpose of the proposed Plan is to provide the Company's directors, officers, employees and management company employees of, or consultants to, the Company and its subsidiaries with an opportunity to purchase shares of the Company and benefit from any appreciation in the value of the Company's shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of the Company's shares for the benefit of all the shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company.

The following is a description of the key terms of the Plan, which is qualified in its entirety by reference to the full text of the Plan, a copy of which will be available for inspection at the Meeting:

- (a) **Eligible Persons:** Directors, officers, employees, management company employees of, or consultants to, the Company and its subsidiaries are eligible to participate in the Plan. The Board of Directors, in its discretion, determines when and whether to grant options under the Plan to eligible persons.
- (b) **Number of Shares Reserved:** The Plan is a "rolling" plan that provides that the aggregate number of shares reserved for issuance under it, and all of the Company's other previously established and outstanding security based compensation plans, is 10% of the Company's issued common shares at the time of the grant of a stock option under the Plan. As at the date of this Information Circular, the Company has 890,000 options granted with a remaining balance of 12,031 options eligible for future grants under the Plan. Options that expire or terminate without being exercised will again be available under the Plan.
- (c) **Limitations:** The maximum aggregate number of shares issuable pursuant to all of the Company's security based compensation, including the Plan, in any 12 month period to any one consultant must not exceed 2% of the issued shares of the Company, calculated as at the date any security based compensation is granted or issued to the consultant. The aggregate number of options granted to investor relations service providers in any 12 month period must not exceed 2% of the issued shares of the Company, calculated at the time of grant of the stock option.
- (d) **Disinterested Shareholder Approval:** Disinterested Shareholder Approval (as defined in the Plan) is required for any amendment to options held by insiders that would have the effect of decreasing the exercise price of such options or that results in a benefit to an insider. Unless Disinterested Shareholder Approval is obtained, the maximum aggregate number of shares issuable pursuant to all of the Company's security based compensation, including this Plan, granted or issued to:
 - (i) any one optionee in any 12 month period must not exceed 5% of the issued shares, calculated as at the date any security based compensation is granted or issued;
 - (ii) insiders (as a group) must not exceed 10% of the issued shares at any point in time; and
 - (iii) insiders (as a group) in any 12 month period must not exceed 10% of the issued shares, calculated as at the date any security based compensation is granted or issued.

- (e) Exercise Price: The Plan provides that the option exercise price, as determined by the Board of Directors, must not be less than the last closing price of the Company's common shares on the TSX Venture Exchange ("Exchange") before the date of grant, less the applicable discount permitted by the policies of the Exchange.
- (f) Term: The term of any option granted under the Plan will be determined by the Board of Directors and, subject to any applicable blackout extension as noted below, shall not be greater than 10 years from the date of grant.
- (g) Vesting: The vesting of options is at the discretion of the Board of Directors. Options granted to any investor relations service providers shall vest in 4 stages over 12 months with no more than one-quarter of such options vesting no sooner than 3 months after the date of grant and, thereafter, no more than one-quarter of such options vesting no sooner than on each of the 6, 9, and 12 month anniversaries of the date of grant. Subject to the approval of the Exchange, if required, the Board of Directors shall have the right to accelerate the date of vesting of any portion of any option which remains unvested. Upon a Change in Control, as defined in the Plan, all options shall become immediately exercisable, notwithstanding any contingent vesting provisions.
- (h) Expiry and Termination: An option shall terminate at the earliest of the following dates:
 - (i) the expiry date specified in the option agreement, subject to any applicable blackout extension;
 - (ii) in the event of death, any options held by the deceased optionee shall pass to a qualified successor and be exercisable until the earlier of 12 months following the date of death and the expiry of the option term;
 - (iii) upon an optionee's employment or engagement as a service provider being terminated for cause, or if an optionee is a director or officer and is removed from office, any options not then exercised shall terminate immediately. If an optionee becomes permanently disabled, any options shall be exercisable until the earlier of 6 months after the date of disability and the expiry of the option term. If an optionee's employment, office, term as a director, or engagement as a service provider is ended or expires otherwise than by reason of termination for cause or by removal, such optionee's option shall be exercisable until the earlier of 90 days after such termination and the expiry of the option term;
 - (iv) in the event the Company proposes to amalgamate, merge, or consolidate or to liquidate, dissolve or wind up, or in the event an offer to purchase shares of the Company is made to all shareholders, the Company shall have the right to provide written notification to all optionees of the expiry of all options within 30 days; and
 - (v) the date of any sale, transfer, assignment or hypothecation, or any attempted sale, transfer, assignment or hypothecation, of such option in violation of the terms of the stock option plan.
- (i) Blackout Extension: If an option expires during a formal blackout period self-imposed by the Company pursuant to its internal trading policies, then the option shall expire 10 days after the blackout period is lifted by the Company; provided that, such automatic extension is not applicable if the Company or optionee is subject to a cease trade order or similar trading restriction.
- (j) Cashless Exercise: The Plan allows for "cashless exercise" which is an arrangement that the Company has with a brokerage firm pursuant to which the brokerage firm will loan money to the optionee to purchase the common shares that are subject to the option. The brokerage firm then sells a sufficient number of shares to cover the option price in order to repay the loan made to the optionee. The brokerage firm receives an equivalent number of shares from the exercise of the option and the optionee then receives the balance of shares, or the cash proceeds from the balance of such shares, from the exercise of the option.
- (k) Amendments: Subject to approval of the Exchange, if required, the Board may terminate, suspend or discontinue the Plan, or amend or revise the terms of the Plan or an outstanding option, provided that for certain amendments, the Board of Directors must obtain shareholder approval.

The Exchange requires that this Plan be approved by the Company's shareholders every year at the Company's annual general meeting. If shareholder approval of the proposed Plan or a modified version thereof is not obtained, the Company will not proceed to implement the proposed Plan nor grant options under it. Even if approved, the directors may determine not to proceed with the proposed Plan.

The directors recommend that the shareholders approve the proposed Plan. The Management Appointees named in the accompanying Instrument of Proxy intend (in the absence of direction to the contrary) to vote FOR the above resolution at the Meeting.

MANAGEMENT IS NOT AWARE OF ANY OTHER MATTER TO COME BEFORE THE MEETING OTHER THAN AS SET FORTH IN THE NOTICE OF MEETING. IF ANY OTHER MATTER PROPERLY COMES BEFORE THE MEETING, IT IS THE INTENTION OF THE MANAGEMENT APPOINTEES TO VOTE THE SHARES REPRESENTED BY THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR ON ANY BALLOT THAT MAY BE CALLED FOR IN ACCORDANCE WITH THEIR BEST JUDGMENT ON SUCH MATTER.

AUDIT COMMITTEE CHARTER

A. PURPOSE

An audit committee is a committee of a board of directors to which the board delegates its responsibility for oversight of the financial reporting process. Traditionally, the audit committee has performed a number of roles, including:

- (a) helping directors meet their responsibilities;
- (b) providing better communication between directors and the external auditors;
- (c) enhancing the independence of the external auditor;
- (d) increasing the credibility and objectivity of financial reports; and
- (e) strengthening the role of the directors by facilitating in-depth discussions among directors, management and the external auditor.

Multilateral Instrument 52-110 *Audit Committees* ("MI 52-110") requires that the audit committee also be responsible for managing, on behalf of the shareholders, the relationship between the issuer and its external auditors. In particular, it provides that an audit committee must have responsibility for:

- (a) overseeing the work of the external auditors engaged for the purpose of preparing or issuing an auditors' report or related work; and
- (b) recommending to the board of directors the nomination and compensation of the external auditors.

Although under corporate law, an issuer's external auditors are responsible to the shareholders, in practice, shareholders have often been too dispersed to effectively exercise meaningful oversight of the external auditors. As a result, management has typically assumed this oversight role. However, the auditing process may be compromised if the external auditors view their main responsibility as serving management rather than the shareholders. By assigning these responsibilities to an independent audit committee, MI 52-110 ensures that the external audit will be conducted independently of the issuer's management.

MI 52-110 provides that an audit committee must be directly responsible for overseeing the work of the external auditors engaged for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services for the issuer, including the resolution of disagreements between management and the external auditors regarding financial reporting. Notwithstanding this responsibility, the external auditors are retained by, and are ultimately accountable to, the shareholders. As a result, MI 52-110 does not detract from the external auditors' right and responsibility to also provide their views directly to the shareholders if they disagree with an approach being taken by the audit committee.

The Board of Directors (the "Board") of Paradigm Gold Corporation (the "Company") is responsible for the management of the business and affairs of the Company. The Audit Committee (the "Committee") is appointed by the Board as an independent and objective party to assist in fulfilling the Board's responsibility for oversight of the Company's financial reporting process.

The Company must comply with the applicable requirements of MI 52-110 which includes having a written charter that sets out the Committee's mandate and responsibilities. As of the date above, the Company is a Venture Issuer as that term is defined under MI 52-110. Accordingly, it is exempt from the requirements of Part 3: Composition of the Audit Committee and Part 5: Reporting Obligations of MI 52-110. The Board may, at any time, amend or rescind any of the provisions hereof, or cancel them entirely, with or without substitution.

B. AUTHORITY

1. The Committee, through its Chair, may directly contact any officer or employee of the Company as it deems necessary or advisable to fulfill its duties and responsibilities, and any officer or employee may bring before the Committee any matter involving questionable, illegal or improper financial practices or transactions;
2. The external auditors will report directly to the Committee. The external auditors shall have a direct line of communication to the Committee through its Chair and may bypass management if deemed necessary; and

Actions of the Committee may be taken by an instrument or instruments in writing signed by all of the members of the Committee, and such actions shall be effective as though they had been decided by a majority of votes cast at a Committee meeting called for such purpose. All decisions or recommendations of the Committee shall require the approval of the Board prior to implementation;
6. The time and place at which a Committee meeting shall be held, and procedures at such meetings shall be determined from time to time by the Committee. A Committee meeting may be called by email, telephone, facsimile, letter or other communication means, by giving at least 48 hours notice. Notice of a Committee meeting shall not be necessary if all of the members are present either in person or by telephone or other telecommunication device or if those absent have waived notice or otherwise signified their consent to the holding of such meeting;
