

FORT ST. JAMES NICKEL CORP.

MANAGEMENT INFORMATION CIRCULAR

(Containing information as of February 3, 2022, unless indicated otherwise)

This Information Circular is being mailed by the management of Fort St. James Nickel Corp. (“**Fort St. James**” or the “**Company**”) to everyone who was a shareholder of record of Fort St. James on February 3, 2022, which is the date that has been fixed by the directors of Fort St. James as the record date to determine the shareholders who are entitled to receive notice of the meeting.

We are mailing this Information Circular in connection with the solicitation of proxies by and on behalf of our management for use at the annual general meeting of the shareholders of Fort St. James that is to be held on **Thursday March 10, 2022, at 11:00 a.m.** Vancouver time) at **1100-1111 Melville Street Vancouver BC V6E3V6**. The solicitation of proxies will be primarily by mail. Certain employees, officers or directors of Fort St. James may also solicit proxies by or in person. The cost of solicitation will be borne by Fort St. James.

Under Fort St. James’ Bylaws, at least two persons must be present in person or represented by proxy, each being a shareholder entitled to vote at the Meeting, before any action may validly be taken at the Meeting. If such a quorum is not present in person or by proxy, we will reschedule the meeting.

PART 1 – VOTING

HOW A VOTE IS PASSED

All of the matters that will come to a vote at the Meeting as described in the attached Notice of the meeting are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favour, then the resolution is approved.

See Part 3 – The Business of the Meeting for more details on the proposed resolutions to be put to shareholders at the Meeting.

WHO CAN VOTE?

If you are a registered shareholder of Fort St. James as of February 3, 2022, you are entitled to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the meeting in person, you can appoint someone who will attend the meeting and act as your proxyholder to vote in accordance with your instructions. See Part 1 – Voting – Voting by Proxy. If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, or other financial institution) you should refer to the section entitled “Non-registered Shareholders” set out below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote, or you can let him or her decide for you. You can do this by completing a form of proxy. In order to be valid, you must return the completed form of proxy at least 48 hours (excluding Saturday, Sunday, and holidays) before the time of the meeting to our transfer agent, Computershare Trust Company of Canada at 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1. Instructions on the form of proxy included with this Information Circular

What is a proxy?

A form of proxy is a document that authorizes someone to attend the meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy are directors and/or officers of Fort St. James. You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder of Fort St. James. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON TO REPRESENT HIM/HER AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES OR BY COMPLETING ANOTHER FORM OF PROXY.** To be valid, a proxy must be in writing and executed by the shareholder or its attorney authorized in writing. Completed proxies must be received by Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the time for holding the Meeting or delivered to the Chairman of the Meeting prior to the commencement of the Meeting.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of Fort St. James at 888 Dunsmuir Street, Suite 888, Vancouver, British Columbia, V6C 3K4, at any time up to and including the last business day preceding the day of the Meeting or to the Chairman of the Meeting on the day of the Meeting or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

Instructing your proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares at the Meeting as follows:

- ✓ **FOR the election of the proposed nominees as directors;**
- ✓ **FOR the appointment of WDM Chartered Professional Accountants as auditors of the Company and to fix their remuneration; and**
- ✓ **FOR the approval of continuance of the Company's 10% rolling Share Option Plan;**

For more information about these matters, see Part 3 – The Business of the Meeting. The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting. At the time of printing this Information Circular, management of Fort St. James is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing your mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which clearly indicates that you want to revoke your proxy and delivering this signed written statement to the head office of Fort St. James at 888 Dunsmuir Street, Suite 888, Vancouver, British Columbia, V6C 3K4; or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 in the afternoon (Vancouver time) on the last business day before the day of the meeting or delivered to the person presiding at the Meeting before it commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the meeting in person.

NON-REGISTERED SHAREHOLDERS

If your shares are not registered in your own name, they will be held in the name of a “nominee,” usually a bank, trust company, securities dealer, or other financial institution and, as such, your nominee will be the entity legally entitled to vote your common shares and must seek your instructions as to how to vote your shares. Accordingly, unless you have previously informed your nominee that you do not wish to receive material relating to shareholders’ meetings, you will have received this Information Circular from your nominee, together with a form of proxy or a request for voting instruction form. If that is the case, **it is most important that you comply strictly with the instructions that have been given to you by your nominee on the voting instruction form.** If you have voted and wish to change your voting instructions, you should contact your nominee to discuss whether this is possible and what procedures you must follow.

If your shares are not registered in your own name, Fort St. James’ transfer agent will not have a record of your name and, as a result, unless your nominee has appointed you as a proxyholder, will have no knowledge of your entitlement to vote. If you wish to vote in person at the Meeting, therefore, please insert your own name in the space provided on the form of proxy or voting instruction form that you have received from your nominee. If you do this, you will be instructing your nominee to appoint you as proxyholder. Please adhere strictly to the signature and return instructions provided by your nominee. It is not necessary to complete the form in any other respect since you will be voting at the Meeting in person. Please register with the scrutineer, who will be a representative of our transfer agent, Computershare Trust Company of Canada, upon arrival at the Meeting.

The Notice of Meeting and this Information Circular, together with Fort St. James’ audited consolidated financial statements and related Management’s Discussion and Analysis for the year ended April 30, 2019, are being sent to both registered and non-registered owners of our common shares. If you are a non-registered owner and we have sent these materials to you directly, your name and address and information about your holdings of common shares of Fort St. James have been obtained in accordance with applicable securities regulatory requirements from the nominee holding the securities on your behalf. By choosing to send these materials to you directly, Fort St. James (and not your nominee) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions form, which is included with this Information Circular.

In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) of the Canadian Securities Administrators, Fort St. James has elected to send proxy-related materials directly to non-objecting beneficial owners of its common shares. As Fort St. James is unable to send proxy-related materials directly to the objecting beneficial owners (“OBOs”) of its common shares (because OBOs are beneficial shareholders who have objected to the release of security ownership details to issuers), proxy related materials for the meeting to which this Information Circular relates will be sent to OBOs indirectly through the intermediaries who hold securities on behalf of the OBOs. The intermediaries/brokers (or their service companies) are responsible for forwarding the proxy related materials to their OBO clients. Management of Fort St. James does not intend to pay for intermediaries to forward to their OBO clients the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* under NI 54-101 and, as such, OBOs will not receive the proxy-related materials in connection with the meeting unless such OBO’s intermediary assumes the cost of delivery.

Fort St. James has chosen to not use the notice-and-access delivery procedures provided by NI 54-101.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Fort St. James has authorized voting capital of an unlimited number of common shares. Each shareholder is entitled to one vote for each common share registered in his or her name at the close of business on October 30, 2020, the date fixed by our directors as the record date for determining who is entitled to receive notice of and to vote at the Meeting.

At the close of business on February 3, 2022, there were 22,748,262 common shares were issued and outstanding. To the knowledge of our directors and officers, the only persons, or companies who or which beneficially owned, directly or indirectly, or exercised control or direction over 10% or more of our common shares on that date were:

Name ⁽¹⁾	Number of common shares ⁽¹⁾	Percentage of issued shares
Gerald Mitton	7,230,338 ⁽²⁾	31.8%

(1) Information as to ownership of shares has been extracted from insider reports filed by the individual and available through the Internet on the System for Electronic Disclosure by Insiders (SEDI) or has been provided by the individual.

(2) 2,747,963 of these common shares are held by Gerald Mitton indirectly through Darroch Holdings Ltd., a private company controlled by Gerald Mitton.

PART 3 - THE BUSINESS OF THE MEETING

A. FINANCIAL STATEMENTS

The audited financial statements of Fort St. James for the year ended April 30, 2021, and the report of the auditor on those financial statements, will be placed before you at the Meeting. A copy of Fort St. James' audited consolidated financial statements and Management's Discussion and Analysis for the year ended April 30, 2021, have been mailed to shareholders with the Notice of Annual Meeting and this Information Circular. No formal action will be taken at the Meeting to approve the financial statements.

B. Fix Number of Directors to be Elected at the Meeting

Shareholders of the Corporation will be asked to consider and, if thought appropriate, to approve and adopt an ordinary resolution fixing the number of directors to be elected at the Meeting. In order to be effective, an ordinary resolution requires the approval of a majority of the votes cast by shareholders who vote in respect of the resolution.

At the Meeting, it will be proposed that Three (3) directors be elected to hold office until the next annual general meeting or until their successors are elected or appointed. Unless otherwise directed, it is the intention of the Management Designees, if named as proxy, to vote in favour of the ordinary resolution fixing the number of directors to be elected at the Meeting at Three (3).

C. ELECTION OF DIRECTORS

Directors of Fort St. James are elected for a term of one year. The term of office of each of the current directors will expire at the Meeting and the nominees for election as directors at the Meeting to which this Information Circular relates, if elected, will serve until the close of the next annual meeting unless he resigns or otherwise vacates office before that time. Under our Articles, Fort St. James shall have a minimum of three and a maximum of 12 directors, the number of directors to be determined from time to time by resolution of the Board of Directors. We currently have three directors and, pursuant to Fort St. James' By-Laws, the directors have set the number of directors to be elected at the Meeting at three.

Nominees for Election

The following are the nominees proposed for election as directors of Fort St. James, together with the number of common shares that are beneficially owned, directly or indirectly, or over which control or direction is exercised by each nominee as of February 3, 2022, the record date for the meeting to which this Information Circular relates. All of the nominees are currently serving as directors of Fort St. James, having been elected by shareholders as directors. If, however, one or more of them should become unable to stand for election, it is likely that one or more other persons would be nominated at the Meeting for election and, in that event, the persons designated in the form of proxy will vote in their discretion for a substitute nominee.

Fort St. James has not, as yet, adopted a majority voting policy for election of directors at uncontested shareholder meetings at which directors are to be elected. See Part 7 – Corporate Governance – Nomination and Election of Directors.

Voting for election of directors of Fort St. James is by individual voting and not by slate voting. You can vote your shares for the election of all of these nominees as directors of Fort St. James; or you can vote for some of these nominees for election as directors and withhold your votes for others; or you can withhold all of the votes attaching to the shares you own and, thus, not vote for the election of any of these nominees as directors of Fort St. James.

Fort St. James' management recommends that shareholders vote in favour of the nominees for election as directors.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote **FOR** the election of the three nominees as directors of Fort St. James for the ensuing year.

WDM Chartered Professional Accountants, of Suite 420, 1501 West Broadway, Vancouver, British Columbia, have served as Fort St. James' auditor since June 19, 2017.

Management recommends that shareholders vote in favour of the appointment of WDM Chartered Professional Accountants, as Fort St. James' auditor for the ensuing year and in favour of granting the Board of Directors the authority to determine the remuneration to be paid to the auditor.

E. APPROVAL OF STOCK OPTION PLAN

Pursuant to the TSX Venture Exchange Policy 4.4 – Incentive Stock Options, all listed companies are required to adopt a stock option plan. The Board of Directors of Fort St. James adopted a rolling option plan on September 29, 2009, and implemented it upon receipt of shareholder and TSX Venture Exchange approvals (the “**2009 Plan**”). Subsequently, the 2009 Plan was amended and restated in January 2011, upon adoption by the Board of Directors of provisions relating to Fort St. James' tax withholding and remittance obligations on exercise of options, as a result of changes to the *Income Tax Act* (Canada).

The TSX Venture Exchange policies require that the 2009 Plan be approved by shareholder annually, at the Company's Annual General Meeting. Continuation of the Plan will be subject to the approval of the shareholders of the Company and review and acceptance by the TSX Venture Exchange.

A copy of the 2009 Plan is available for viewing by shareholders at Fort St. James' head office located at 888 Dunsmuir Street, Suite 888, Vancouver, British Columbia, during normal business hours at any time up to and including the day prior to the Meeting as well as at the Meeting to which this Information Circular relates.

Summary of the 2009 Plan

The aggregate number of common shares reserved for issuance under the 2009 Plan, and common shares reserved for issuance under any other share compensation arrangement granted or made available by Fort St. James from time to time, may not exceed 10% of Fort St. James' issued and outstanding common shares at the time of grant. As at the date of this Information Circular, there are incentive stock options outstanding and governed by the 2009 Plan entitling employees, officers, and directors of, and consultants to, Fort St. James to purchase an aggregate of 2,274,826 common shares. The number of common shares available for future issuance pursuant to option yet to be granted under the 2009 Plan, of the date of this Information Circular, is 1,624,826.

The 2009 Plan is administered by the Board of Directors and provides for grants of options to directors, executive officers and employees or management company employees of, and consultants to, Fort St. James at the discretion of the Board. The exercise price of options granted under the 2009 Plan will be determined by the Board of Directors, but the exercise price must not be less than the lowest price permitted by the TSX Venture Exchange.

Pursuant to the terms of the 2009 Plan, options to acquire more than 2% of the issued and outstanding common shares of Fort St. James may not be granted to any one consultant in any 12-month period and options to acquire more than an aggregate 2% of the issued and outstanding common shares of Fort St. James may not be granted to persons employed to provide Investor Relations Activities (as such term is defined by the policies of the TSX Venture Exchange) in any 12-month period. The grant or grants of options to any one individual in any 12-month period entitling that person to acquire common shares of Fort St. James exceeding 5% of the issued and outstanding common shares of Fort St. James requires Disinterested Shareholder approval (as required by the policies of the TSX Venture Exchange). "Disinterested Shareholders" are those shareholders of Fort St. James who are not insiders of Fort St. James eligible to participate in the 2009 Plan or associates of such insiders.

The term of any options granted under the 2009 Plan will be fixed by the Board of Directors and may not exceed ten years. Should a director, officer, employee or management company employee of, or consultant to, Fort St. James or any affiliate of Fort St. James cease to act in such capacity prior to expiry of the term of their respective options, those options will terminate at the end of the period of time permitted for exercise of the option (such period of time to not be in excess of six months to be determined by the Board in each instance at the time of the grant of the option) after the option holder ceases to so act for any reason other than death, disability or cause. If such cessation is on account of disability or death, the options terminate on the first anniversary of such cessation, and if it is on account of termination of employment with cause, the options terminate immediately. If an option holder providing Investor Relations Activities ceases to provide such Investor Relations Activities to Fort St. James, options granted to such option holder will expire within 30 days of such cessation. The 2009 Plan also provides for adjustments to outstanding options in the event of any disposition of substantially all of the assets of Fort St. James, dissolution or any merger, amalgamation, or consolidation of Fort St. James with or into any other company, or the merger, amalgamation, or consolidation of any other company with or into Fort St. James.

The directors of Fort St. James may, at their discretion at the time of any grant, impose a schedule over which period of time options will vest and become exercisable by the optionee; however, for so long as the common shares of Fort St. James are listed on the TSX Venture Exchange, options granted to persons performing Investor Relations Activities must vest in stages over 12 months with no more than ¼ of the options vesting in any three-month period.

Subject to the approval of the TSX Venture Exchange, the Board may terminate, suspend, or amend the terms of the 2009 Plan, provided that the Board may not do any of the following without obtaining, within 12 months either before or after the Board's adoption of a resolution authorizing such action, shareholder approval and, where required, Disinterested Shareholder approval, or by the written consent of the holders of a majority of the securities of Fort St. James entitled to vote:

1. increase the aggregate number of common shares which may be issued under the 2009 Plan;
2. materially modify the requirements as to the eligibility for participation in the 2009 Plan that would have the potential of broadening or increasing insider participation; and
3. materially increase the benefits accruing to participants under the 2009 Plan.

However, the Board may amend the terms of the 2009 Plan to comply with the requirements of any applicable regulatory authority without obtaining shareholder approval.

Recommendation

We believe the 2009 Plan enables Fort St. James to better align the interests of its directors, management, and employees with those of its shareholders and reduce the cash compensation that Fort St. James would otherwise have to pay. **We recommend that shareholders vote FOR the resolution giving annual approval of the 2009 Plan. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the resolution approving and ratifying the 2009 Plan.**

Accordingly, Shareholders will be requested at the Meeting to pass an ordinary resolution in the following form:

“RESOLVED THAT:

1. the Company 10% rolling stock option plan (the "2009 Plan"), as described in the management information circular dated February 3, 2022, be and is hereby ratified, confirmed, and approved, subject to acceptance by the TSX Venture Exchange;
2. the form of the Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Corporation;
3. the number of common shares of the Corporation issuable pursuant to the Stock Option Plan shall continue to be set at 10% of the number of common shares of the Corporation issued and outstanding from time to time, subject to any limitations imposed by applicable regulations, laws, rules, and policies; and
4. any one director or officer of the Corporation is authorized, on behalf of the Corporation, to execute and deliver all documents and do all things as such person may determine to be necessary or advisable to give effect to this resolution.”

PART 4 – EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this Compensation Discussion and Analysis is to provide information about Fort St. James’ executive compensation objectives and processes and to discuss compensation decisions relating to its named executive officers (“**Named Executive Officers**”) listed in the Summary Compensation Table that follows. During our fiscal year ended April 30, 2021, the following individuals were Named Executive Officers (as determined by applicable securities legislation) of Fort St. James:

- Barry Brown, President and Chief Executive Officer (from March 9, 2016, to Present); and
- Nicolette Keith, Chief Financial Officer (from April 11, 2018, to Present).

Fort St. James is a junior mineral exploration company engaged in the acquisition, exploration, and evaluation of mineral properties. Fort St. James Nickel Corp. has signed an option agreement with Great Atlantic Resources Corp., a company listed on the TSX Venture Exchange, under which Fort St. James may acquire 100 per cent of Great Atlantic's Porcupine property located in New Brunswick. Fort St. James is also conducting exploration on its Kilometre 26 Property in the Omineca Mining Division, British Columbia, and we continue to evaluate other mineral exploration property acquisition opportunities. Fort St. James has no significant revenues from operations, and we often operate with limited financial resources to ensure that funds are available to complete scheduled exploration programs. As a result, the Board of Directors has to consider not only the financial situation of Fort St. James at the time of determination of executive compensation, but also the estimated financial situation of Fort St. James in the mid- and long-term. An important element of executive compensation is that of stock options, which do not require cash disbursement by Fort St. James. Additional information about Fort St. James and its operations is available in its audited financial statements and Management’s Discussion & Analysis for the year ended April 30, 2021, and 2020, copies of which have been electronically filed with regulators and are available for viewing through the Internet at the Canadian System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com.

Compensation Objectives and Principles

The primary goal of Fort St. James’ executive compensation process is to attract and retain the key executives necessary for Fort St. James’ long term success, to encourage executives to further the development of Fort St. James and its operations, and to motivate qualified and experienced executives. The key elements of executive compensation awarded by Fort St. James are: (i) base salary; (ii) potential annual incentive awards; and (iii) incentive stock options. The directors are of the view that all such elements should be considered when determining executive compensation, rather than any single element.

Compensation Process

Fort St. James relies solely on its Board of Directors, through discussion without any formal objectives, criteria, or analysis, in determining the compensation of its executive officers. The Board of Directors is responsible for determining all forms of compensation, including long-term incentives in the form of stock options to be granted to the Named Executive Officers of Fort St. James, and to its directors, and for reviewing the recommendations respecting compensation for any other officers of Fort St. James from time to time, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of Fort St. James’ executive officers, the Board of Directors considers: (i) recruiting and retaining executives critical to the success of Fort St. James and the enhancement of shareholder value; (ii) providing fair and competitive

compensation; (iii) balancing the interests of management and Fort St. James' shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general.

Base Salary and/or Consulting Fees

As an exploratory stage mining company, Fort St. James does not anticipate generating revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Board of Directors to be appropriate in the evaluation of corporate or Named Executive Officer performance. The compensation of our executive officers is based, in substantial part, on industry compensation practices, trends in the mining industry, as well as achievement of Fort St. James' business plans and objectives.

Fort St. James provides the Named Executive Officers with base salaries and/or consulting fees, which represent their minimum compensation for services rendered during the fiscal year. Named Executive Officers' base salaries or consulting fees depend on the scope of their experience, responsibilities, leadership skills and performance. Base salaries and/or consulting fees are reviewed annually by the Board of Directors. In addition to the above factors, decisions regarding salary or consulting fee amounts are impacted by each Named Executive Officer's current salary or fee, general industry trends and practices competitiveness, and Fort St. James' existing financial resources.

Share-Based and Option-Based Awards

Options to purchase common shares of Fort St. James are intended to align the interests of Fort St. James' directors and executive officers with those of its shareholders, to provide a long-term incentive that rewards these individuals for their contribution to the creation of shareholder value, and to reduce the cash compensation Fort St. James would otherwise have to pay. Fort St. James' Stock Option Incentive Plan is administered by the Board of Directors. In establishing the number of the incentive stock options to be granted to the Named Executive Officers, the Board of Directors considers previous grants of options and the overall number of options that are outstanding relative to the number of outstanding common shares in determining whether to make any new grants of options, and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the executive officer in determining the level of incentive stock option compensation. See "*Incentive Plan Awards – Outstanding Option-Based Awards*" below, "*Part 3 – The Business of the Meeting – Annual Approval of Stock Option Plan*", as well as "*Part 5 – Securities Authorized for Issuance Under Equity Compensation Plans*".

Benefits and Perquisites

Fort St. James does not, as of the date of this Information Circular, offer any benefits or perquisites to its Named Executive Officers other than entitlement to incentive stock options as otherwise disclosed and discussed herein.

Risks Associated with Compensation Practises

At the time of preparation of this Information Circular, the directors of Fort St. James had not considered the implications of any risks to Fort St. James associated with decisions regarding compensation of its executive officers.

Hedging by Named Executive Officers or Directors

Fort St. James has not, to date, adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, which are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by executive officers or directors. As of the date of this Information Circular, entitlement to grants of incentive stock options under the Fort St. James Stock Option Incentive Plan is the only equity security element awarded by Fort St. James to its executive officers and directors (see Part 3 – The Business of the Meeting – Annual Approval of Stock Option Plan and Part 5 – Securities Authorized for Issuance Under Equity Compensation Plans).

SUMMARY COMPENSATION TABLES

The following table provides a summary of the compensation earned by, paid to, or accrued and payable to, each Named Executive Officer during the last two fiscal years ended April 30, 2021. Amounts reported in the table below are in Canadian dollars.

The policies of the TSX Venture Exchange limit the granting of stock options to employees, officers, directors, and consultants of the Company and provide limits on the length of term, number, and exercise price of such options. The TSX Venture Exchange also requires annual approval of rolling stock option plans by shareholders.

RELIANCE ON EXEMPTIONS

As Fort St. James is a "Venture Issuer" pursuant to relevant securities legislation, Fort St. James is relying on the exemption in Section 6.1 of National Instrument 52-110 - Audit Committees ("NI 52-110") from the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

Fort St. James has not, since the commencement of its most recently completed financial year, relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis* Non-Audit Services) or on an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

PART 7 – CORPORATE GOVERNANCE

COMPOSITION OF THE BOARD OF DIRECTORS

The Board of Directors of Fort St. James facilitates its exercise of independent supervision over management by ensuring there are directors on the Board who are independent of management. In determining whether a director is independent, the Board considers whether the director has a relationship which could, or could be, perceived to interfere with the director's ability to objectively assess the performance of management. The Board, at present, is comprised of three directors, two of whom, Quinn Field-Dyte and Scott Kent, are considered to be independent of management applying the guidelines included in and required by securities legislation for determining independence. Barry Brown is not considered to be independent by reason of his office as President and Chief Executive Officer (see Part 4 – Executive Compensation).

The directors believe that, at this stage of Fort St. James' development, the current composition of the Board of Directors adequately facilitates its exercise of independent supervision over management. The Board anticipates that, as Fort St. James matures as a business enterprise, with projects advancing to the development stage, it will identify additional qualified candidates as directors, who have experience relevant to Fort St. James' needs, who are independent of management and who are considered to be independent under applicable corporate governance legislation and guidelines.

ORIENTATION AND EDUCATION OF DIRECTORS

Fort St. James has not yet developed an official orientation or training program for new directors. New directors will be provided, through discussions and meetings with other directors, officers, and employees, with a thorough overview of Fort St. James' business. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

Our management endeavours to provide a continuous flow of information to the directors for continuing education purposes relating to Fort St. James' business and operations, as well as information and other initiatives intended to keep the Board abreast of new developments and challenges that Fort St. James may face.

ETHICAL BUSINESS CONDUCT

Fort St. James' Board of Directors has not yet adopted a written code of business conduct and ethics. The Board's mandate includes satisfying itself as to the integrity of Fort St. James' executive officers and, in all dealings, endeavours to reflect a culture of integrity and ethical business conduct. As its corporate governance practices evolve, it is the Board's intention to adopt a code of business conduct and ethics which will address issues such as conflicts of interest; protection and proper use of corporate assets and opportunities; confidentiality of corporate information; fair dealing with shareholders, partners, suppliers, competitors and employees; compliance with laws, rules and regulations and reporting of any illegal or unethical behaviour; as well as monitoring compliance with such a code. In the meantime, the Board strives to promote integrity and at all times encourages directors to exercise independent judgment in considering transactions or agreements in respect of which a director or officer has a material interest, and all such transactions or agreements must be approved by the Board of Directors.

NOMINATION AND ELECTION OF DIRECTORS

Fort St. James has not yet appointed a nominating committee. The Board of Directors, as a whole, is responsible for considering the Board's size and the number of directors to recommend to Fort St. James' shareholders for election at annual meetings, considering the number of directors required to carry out the Board's duties effectively and to maintain representation by independent directors and a diversity of view and experience.

We have not yet considered adopting an advance notice policy requiring that a shareholder proposing to nominate a person for election as a director at a meeting of shareholders must provide Fort St. James with advance notice of, and prescribed details concerning, the proposed nominee.

Voting for election of directors of Fort St. James is by individual voting and not by slate voting. Fort St. James has not, as yet, adopted a majority voting policy for election of directors at uncontested shareholder meetings at which directors are to be elected.

COMPENSATION

The Board of Directors is responsible for determining all forms of compensation to be granted to the Chief Executive Officer and Chief Financial Officer of Fort St. James, as well as to its directors, and for reviewing the Chief Executive Officer's recommendations respecting compensation of the other officers of Fort St. James, to ensure such arrangements reflect the responsibilities and risks associated with each position. See Part 4 – Executive Compensation – Compensation Discussion and Analysis.

BOARD COMMITTEES

The Board of Directors of Fort St. James has, to date, established only one committee, the Audit Committee. See Part 6 – Audit Committee.

ASSESSMENTS

The Board does not yet formally review the contributions of individual directors. The directors believe that the Board's current size facilitates informal discussion and evaluation of members' contributions within that framework.
