Magnum Goldcorp Inc. Closes Non-Brokered Private Placement

West Vancouver, British Columbia – June 13, 2023 – Magnum Goldcorp Inc. (the “Company” or “Magnum”) announces that further to its news release of May 1, 2023, the Company has now closed its private placement. The Company has raised a total of \$60,000 through the issuance of 2,000,000 units (the “Units”) at \$0.03 per Unit. Each Unit consists of one common share and one share purchase warrant, with each warrant entitling the holder to purchase an additional common share for a period of 2 years at an exercise price of \$0.05 in the first 12 months, and at an exercise price of \$0.10 in the second 12 months. No finders’ fees were paid in connection with the private placement.

The Company intends to use the proceeds from this private placement for general working capital purposes.

Certain insiders of the Company purchased an aggregate of 2,000,000 Units under the private placement, constituting, to that extent, a “related party transaction” within the meaning of Exchange Policy 5.9 and Multilateral Instrument 61-101 (“MI 61-101”). The Company has relied on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 (and Policy 5.9) contained in sections 5.5(b) and 5.7(1)(b) of MI 61-101 in respect of such insider participation. The Company did not file a material change report more than 21 days before the expected closing of the private placements, as the details and amounts of the insider participation were not finalized until closer to the closing and the Company wished to close the transaction as soon as practicable for sound business reasons.
