MANAGEMENT INFORMATION CIRCULAR
SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR (“MANAGEMENT INFORMATION CIRCULAR”) IS PROVIDED IN CONNECTION WITH THE SOLICITATION BY MANAGEMENT OF BESSOR MINERALS INC. (THE “CORPORATION”) of proxies from the holders of common shares (the “**Common Shares**”) for the annual general and special meeting of the shareholders of the Corporation (the “**Meeting**”) to be held on Monday, February 22, 2021 at 9:30 a.m. at the offices of DLA Piper (Canada) LLP, 10th Floor, Livingston Place, West Tower, 250 2nd Street S.W., Calgary, AB, or at any adjournment thereof for the purposes set out in the accompanying notice of meeting (“**Notice of Meeting**”).

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

COVID 19 NOTICE

At the Meeting, the Corporation may adopt screening or other measures for identifying COVID-19 symptoms or risk factors as may be recommended or required by applicable health authorities. These measures may include requiring registered shareholders or duly appointed proxy holders still wishing to attend the Meeting in person to sign a confirmation letter at the Meeting that they are not a confirmed case of COVID-19 or a close contact of a confirmed case of COVID-19, they are not experiencing cold or flu-like systems, including fever, cough, difficulty breathing, muscle aches, fatigue, headache, sore throat or runny nose, and that they have not travelled outside of Canada for a period of two weeks preceding the Meeting date. The Corporation reserves the right to refuse admission to a shareholder or proxyholder seeking to attend the Meeting if the Corporation believes the shareholder or proxyholder poses a health risk to attendees at the Meeting or that admission to the Meeting would otherwise breach public health restrictions. **THE CORPORATION WILL LIMIT ATTENDEES AS REQUIRED BY THE MASS GATHERING RESTRICTIONS IMPLEMENTED BY THE GOVERNMENT OF ALBERTA AT THE TIME OF THE MEETING.** In addition, any attendees will be required to practice social distancing at the Meeting and wear face masks.

Any such changes will be communicated by news release which will be made available under the Corporation’s profile on SEDAR at www.sedar.com.

WE STRONGLY ENCOURAGE ALL SHAREHOLDERS TO VOTE BY PROXY RATHER THAN ATTENDING THE MEETING IN PERSON.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named (the “Management Designees”) in the enclosed instrument of proxy (“Instrument of Proxy”) have been selected by the directors of the Corporation and have indicated their willingness to represent as proxy the shareholder who appoints them. A shareholder has the right to designate a person (whom need not be a shareholder) other than the Management Designees to represent him or her at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the Instrument of Proxy the name of the person to be designated and by deleting therefrom the names of the Management Designees, or by completing another proper form of proxy and delivering the same to the transfer agent of the Corporation. Such shareholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxy and should provide instructions on how the shareholder's shares are to be voted. The nominee should bring personal identification with him to the Meeting. In any case, the form of proxy should be dated and executed by the shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy form). In addition, a proxy may be revoked by a shareholder personally attending at the Meeting and voting his shares.

A form of proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and delivered to the Corporation's transfer agent, Computershare Trust Company of Canada, 9th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, at least forty-eight (48) hours, excluding Saturdays, Sundays and holidays, before the Meeting or any adjournment thereof. Late proxies may be accepted or rejected by the Chairman of the Meeting in his discretion, and the Chairman is under no obligation to accept or reject any particular late proxy.

A shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. In addition to revocation in any other manner permitted by law, a proxy may be revoked by depositing an instrument in writing executed by the shareholder or by his authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, either at the registered office of the Corporation or with Computershare Trust Company of Canada, 9th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the proxy is to be used, or by depositing the instrument in writing with the Chairman of such Meeting on the day of the Meeting, or at any adjournment thereof. In addition, a proxy may be revoked by the shareholder personally attending the Meeting and voting his shares.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold Common Shares in their own name. Shareholders who hold their Common Shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their Common Shares in their own name (referred to in this Management Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders who appear on the records maintained by the Corporation's registrar and transfer agent as registered holders of Common Shares will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those Common Shares will, in all likelihood, not be registered in the shareholder's name. Such Common Shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific

instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Instrument of Proxy provided directly to registered shareholders by the Corporation. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to shareholders in this Management Information Circular and the accompanying Instrument of Proxy and Notice of Meeting are to registered shareholders unless specifically stated otherwise.

This Management Information Circular and the accompanying Instrument of Proxy and Notice of Meeting may have been sent directly by the Corporation, rather than through an intermediary, to non-objecting beneficial owners under National Instrument 54-101. These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING OF PROXIES

Each shareholder may instruct his proxy how to vote his Common Shares by completing the blanks on the Instrument of Proxy. All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting (including the voting on any ballot), and where a choice with respect to any matter to be acted upon has been specified in the Instrument of Proxy, the Common Shares represented by the proxy will be voted in accordance with such specification. **In the absence of any such specification as to voting on the Instrument of Proxy, the Management Designees, if named as proxy, will vote in**

favour of the matters set out therein. In the absence of any specification as to voting on any other form of proxy, the Common Shares represented by such form of proxy will be voted in favour of the matters set out therein.

The enclosed Instrument of Proxy confers discretionary authority upon the Management Designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Corporation is not aware of any amendments to, variations of or other matters which may come before the Meeting. In the event that other matters come before the Meeting, then the Management Designees intend to vote in accordance with the judgment of management of the Corporation.

QUORUM

The by-laws of the Corporation provide that a quorum of shareholders is present at a meeting of shareholders of the Corporation if at least two persons holding or representing by proxy not less than five (5%) percent of the outstanding shares of the Corporation entitled to vote at the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares and an unlimited number of preferred shares, issuable in series. As at the effective date of this Information Circular (the “**Effective Date**”), which is January 13, 2021, 19,985,623 Common Shares are issued and outstanding as fully paid and non-assessable. No other shares of any other class are issued or outstanding. The Common Shares are the only shares entitled to be voted at the Meeting and holders of Common Shares are entitled to one vote for each Common Share held.

Holders of Common Shares of record at the close of business on January 13, 2021 (the “**Record Date**”) are entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share held except to the extent that, (a) the holder has transferred the ownership of any of his Common Shares after the Record Date, and (b) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he owns the Common Shares, and demands not later than ten (10) days before the day of the Meeting that his name be included in the list of persons entitled to vote at the Meeting, in which case the transferee will be entitled to vote his Common Shares at the Meeting.

To the knowledge of the directors and the executive officers of the Corporation, as at the Effective Date, no person or company beneficially owns, directly or indirectly, or controls or directs, voting securities carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The compensation program of the Corporation is designed to attract, motivate, reward and retain knowledgeable and skilled executives required to achieve the Corporation’s corporate objectives and increase shareholder value. The main objective of the compensation program is to recognize the contribution of the executive officers to the overall success and strategic growth of the Corporation. The compensation program is designed to reward management performance by aligning a component of the compensation with the Corporation’s business performance and share value. The philosophy of the Corporation is to pay the management a total compensation amount that is competitive with other Canadian junior resource companies and is consistent with the experience and responsibility level of the management. The purpose of executive compensation is to reward the executives for their contributions to the achievements of the Corporation on both an annual and long term basis.

The compensation program provides incentives to its management and directors to achieve long term objectives through grants of stock options under the Corporation's stock option plan. Increasing the value of the Corporation's Common Shares increases the value of the stock options. This incentive closely links the interests of the Named Executive Officers and directors to shareholders of the Corporation.

The Board of Directors is satisfied that there were not any identified risks arising from the Corporation's compensation plans or policies that would have had any negative or material impact on the Corporation. The Corporation does not have any policy in place to permit an executive officer or director to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the executive officer or director.

The Corporation entered into a management agreement (the "**Tristia Management Agreement**") effective August 1, 2007, as amended, with Tristia Ventures Corporation ("**Tristia**"), a company controlled by Kieran Downes, the President and CEO of the Corporation, which provides that Tristia will cause Mr. Downes to act in the capacity of President and CEO of the Corporation. Pursuant to the Tristia Management Agreement, the Corporation is required to pay \$8,000 per month to Tristia for the services performed on behalf of the Corporation by Mr. Downes. In the event of termination of the Tristia Management Agreement by the Corporation without just cause, or in the event of a merger, amalgamation, acquisition of the Corporation by another person, acquisition of substantially all the assets of the Corporation, or a change in control of the Corporation, Tristia is entitled to a termination payment of 24 times the monthly fee. The Tristia Management Agreement has a term of 12 months, and is automatically renewed for further 12 month terms unless a party gives the other party 30 days notice of termination in writing.

The Tristia Management Agreement was suspended during the financial year ended October 31, 2019. The Corporation and Tristia mutually agreed to \$4,000 compensation during the financial year ended October 31, 2019 and \$NIL compensation during the financial year ended October 31, 2020.

The Corporation entered into a consulting services contract (the "**Meagher Consulting Agreement**") effective May 31, 2014, with Joseph Meagher, which provided that Joseph Meagher would act as the Chief Financial Officer of the Corporation. Pursuant to the Meagher Consulting Agreement, the Corporation paid \$2,000 per month for the services performed on behalf of the Corporation by Mr. Meagher. In addition, pursuant to the Meagher Consulting Agreement, Mr. Meagher would also be paid \$100 per hour for assistance with evaluating potential acquisitions and corporate transactions. The Meagher Consulting Agreement was replaced by a subsequent consulting services contract (the "**November Meagher Consulting Agreement**") effective November 30, 2014, with Joseph Meagher, which also provided that Joseph Meagher would act as the Chief Financial Officer of the Corporation. Pursuant to the November Meagher Consulting Agreement, the Corporation paid \$2,000 per month for the services performed on behalf of the Corporation by Mr. Meagher. The November Meagher Consulting Agreement has an initial term of one year and may be earlier terminated by either party, by providing the other party with 30 days' notice of termination in writing.

Option-based Awards

The Board of Directors determined that it was not necessary to grant any stock options to management during the financial year ended October 31, 2020. The Corporation took into account the number of outstanding options in determining not to grant further options in the financial year ended October 31, 2020.

When granted, the allocation of the number of options granted among the directors and officers of the Corporation is determined by the entire Board of Directors. See "*Incentive Plan Awards*" below and "*DIRECTOR COMPENSATION - Incentive Plan Awards*" below.

Compensation Governance

The Board of Directors has not appointed a Compensation Committee. The Board of Directors is responsible for matters related to human resources and compensation, including equity compensation, and the establishment of a plan of continuity and development for senior management of the Corporation. The Board reviews and approves all new executive employment, consulting, retirement and severance agreements and arrangements proposed for the Corporation's executives, and evaluates existing agreements with the Corporation's executives.

Summary Compensation Table

The following table sets forth all annual and long term compensation for the three most recently completed financial years for services in all capacities to the Corporation and its subsidiaries, if any, in respect of individual(s) who were acting as, or were acting in a capacity similar to, a chief executive officer or chief financial officer and the three most highly compensated executive officers whose total compensation exceeded \$150,000 per annum (the "**Named Executive Officers**").

Notes:

- (1) "**Share-Based Award**" means an award under an equity incentive plan of equity-based instruments that do not have option-like features, including, for greater certainty, common shares, restricted shares, restricted share units, deferred share units, phantom shares, phantom share units, common share equivalent units and stock.
- (2) "**Option-Based Award**" means an award under an equity incentive plan of options, including, for greater certainty, share options, share appreciation rights and similar instruments that have option-like features. The "grant date fair value" has been determined by using the Black-Scholes option pricing model. See discussion below.
- (3) Mr. Downes did not receive any additional compensation for serving as a director of the Corporation.

Narrative Discussion

During the financial year ended October 31, 2020, the Corporation paid cash fees in the amount of \$NIL to Tristia pursuant to the Tristia Management Agreement. During the financial year ended October 31, 2020, the Corporation paid cash fees of \$24,000 per annum to Mr. Meagher pursuant to the November Meagher Consulting Agreement.

Calculating the value of stock options using the Black-Scholes option pricing model is very different from a simple "in-the-money" value calculation. In fact, stock options that are well out-of-the-money can still have a significant "grant date fair value" based on a Black-Scholes option pricing model, especially where, as in the case of the Corporation, the price of the share underlying the option is highly volatile.

Accordingly, caution must be exercised in comparing grant date fair value amounts with cash compensation or an in-the-money option value calculation.

Incentive Plan Awards

Outstanding Share-Based Awards and Option-Based Awards

The following table sets forth details of all awards outstanding for each Named Executive Officer of the Corporation as of the most recent financial year end, including awards granted before the most recently completed financial year.

AUDIT COMMITTEE

Audit Committee Terms of Reference

The text of the Corporation's Audit Committee charter is set out under the heading "*Audit Committee Terms of Reference*" in the Corporation's Management Information Circular dated December 9, 2011 and filed on SEDAR at www.sedar.com on December 21, 2011, which is incorporated by reference herein.

Audit Committee Composition

The following are the members of the Audit Committee, as at the date hereof:

David Billard	Independent ⁽¹⁾	Financially literate ⁽¹⁾
Richard Kusmirski	Independent ⁽¹⁾	Financially literate ⁽¹⁾
Kieran Downes	Not Independent ^{(1) (2)}	Financially literate ⁽¹⁾

Notes:

- (1) As defined by National Instrument 52-110 ("NI 52-110").
- (2) Chairman of the Audit Committee.

Relevant Education and Experience

Kieran Downes has been involved in the financing, administration and operation of the Corporation and has been directly involved in the preparation of the financial statements, filing of the quarterly and annual financial statements and dealing with the auditors, both as management and as a member of the audit committee.

Until January 31, 2013, Richard Kusmirski was the President and Chief Executive Officer of JNR Resources Inc. (TSX Venture) and is or has acted as a director for several other TSX Venture issuers.

Until January 31, 2013, David Billard was Vice-President Exploration, Chief Operating Officer and a Director of JNR Resources Inc. (TSX Venture). Mr. Billard is also a professional geologist with 36 years experience in mineral exploration.

All of the members of the Audit Committee have been either directly or indirectly involved in the preparation of the financial statements, filing of quarterly and annual financial statements, dealing with auditors, or as a member of the Audit Committee. All members of the Audit Committee have the ability to read, analyze and understand the complexities surrounding the issuance of financial statements.

Audit Committee Oversight

At no time since the commencement of the Corporation's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board of Directors.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation's most recently completed financial year has the Corporation relied on the exemption in Section 2.4 of NI 52-110 (De Minimis Non-audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110 (securities regulatory authority exemption).

Pre-Approval Policies and Procedures

The Audit Committee had adopted specific policies and procedures for the engagement of non-audit services as described above under the heading "*Audit Committee Terms of Reference - External Auditors*".

External Auditor Service Fees

The aggregate fees billed by the Corporation's external auditors in each of the last two fiscal years for audit and other fees are as follows:

Financial Year Ending October 31	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
2018	\$12,750	Nil	Nil	Nil
2019	\$15,300	Nil	\$1,550	Nil

Exemption

The Corporation is relying upon the exemption in section 6.1 of NI 52-110, the exemption for Venture issuers in relation to the requirement that every audit committee member be independent.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day to day management of the Corporation. The Board of Directors is committed to sound corporate governance practices which are both in the interest of its shareholders and contribute to effective and efficient decision making. To achieve this goal, the Corporation has implemented an Audit Committee Terms of Reference, a Whistle Blower Policy, an Insider Trading and Reporting Policy, and a Disclosure and Confidentiality Policy.

Pursuant to National Instrument 58-101 Disclosure of Corporate Governance Practices (“NI 58-101”), the Corporation is required to disclose its corporate governance practices as summarized below.

Board of Directors

The Board of Directors is currently comprised of five members. All of these individuals are nominated for re-election at the Meeting. Mr. Richard Kusmirski, Mr. David Billard, Dr. Ronald Hugh McMillan and Mr. Jason Riley are the independent directors of the Corporation.

Mr. Kieran M. J. Downes, the Chief Executive Officer and President of the Corporation, is a current member of management and, as a result, not an independent director.

NI 58-101 suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as “independent” directors. An “independent” director is a director who has no direct or indirect material relationship with the Corporation. A material relationship is a relationship which could, in the view of the board of directors, reasonably interfere with the exercise of a director’s independent judgement. As disclosed above, the Board of Directors is comprised of a majority of independent directors. The independent judgement of the Board of Directors in carrying out its responsibilities is the responsibility of all directors. The Board of Directors of the Corporation facilitates independent supervision of management through meetings of the Board of Directors and through frequent informal discussions among independent members of the Board of Directors and management. In addition, the Board of Directors have free access to the Corporation’s external auditors, legal counsel and to any of the Corporation’s officers.

Directorships

The following directors of the Corporation are presently directors of other reporting issuers:

Name	Name of Reporting Issuer	Name of Exchange or Market (if applicable)
Richard Kusmirski	Skyharbour Resources Ltd.	TSX Venture
Jason Riley	ExGen Resources Inc.	TSX Venture
	Phoenix Global Mining Ltd.	AIM London

Orientation and Continuing Education

Each new director is given an outline of the nature of the Corporation’s business, its corporate strategy and current issues with the Corporation. New directors are also expected to meet with management of the Corporation to discuss and better understand the Corporation’s business and are advised by counsel to the Corporation of their legal obligations as directors of the Corporation. New directors are also given copies of the Corporation’s policies.

The introduction and education process will be reviewed on an annual basis by the Board of Directors and will be revised as necessary.

Ethical Business Conduct

The Board of Directors has considered adopting a written code of business conduct and ethics and has decided that it is not necessary to adopt such a code at the present time.

The Board of Directors has established a Whistle Blower Policy, which establishes the complaint procedure for concerns about any aspect of the Corporation's activities and operations. The Corporation has also adopted an Insider Trading and Reporting Policy which establishes procedures for when insiders may trade securities of the Corporation. The Corporation has also adopted a Disclosure and Confidentiality Policy which establishes procedures for ensuring adequate disclosure and compliance with disclosure requirements as well as procedures for maintaining confidentiality.

The Board of Directors has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board of Directors in which the director has an interest have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Corporation.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In addition, as the directors of the Corporation also serve as directors and officers of other companies engaged in similar business activities, directors must comply with the conflict of interest provisions of the *Business Corporations Act* (Alberta), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke such a conflict.

Nomination of Directors

The Board of Directors have not appointed a nominating committee. The Board of Directors determine new nominees to the Board of Directors although no formal process has been adopted. The nominees are generally the result of recruitment efforts by the Board of Directors members including both formal and informal discussions among the Board of Directors members and officers.

Compensation

The Board of Directors has not appointed a Compensation Committee. See "*EXECUTIVE COMPENSATION - Compensation Governance*" above.

Other Board of Directors Committees

The Corporation has no standing Committees at this time other than the Audit Committee, as discussed above.

Assessments

The Board of Directors have not implemented a formal process for assessing its effectiveness or the effectiveness of its individual members or its committees. As a result of the Corporation's size, its stage of development and the limited number of individuals on the Board of Directors, the Board of Directors consider a formal assessment process to be unnecessary at this time. The Board of Directors plans to continue evaluating its own effectiveness on an ad hoc basis.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Board of Directors of the Corporation, the only matters to be brought before the meeting are those matters set forth in the accompanying Notice of Meeting.

1. Report and Financial Statements

The Board of Directors of the Corporation has approved all of the information in the audited financial statements of the Corporation for the year ended October 31, 2019 and the report of the auditor thereon, and the unaudited interim financial statements for the period ending July 31, 2020, copies of which are delivered herewith.

2. Fix Number of Directors to be Elected at the Meeting

Shareholders of the Corporation will be asked to consider and, if thought appropriate, to approve and adopt an ordinary resolution fixing the number of directors to be elected at the Meeting. In order to be effective, an ordinary resolution requires the approval of a majority of the votes cast by shareholders who vote in respect of the resolution.

At the Meeting, it will be proposed that five (5) directors be elected to hold office until the next annual general meeting or until their successors are elected or appointed. **Unless otherwise directed, it is the intention of the Management Designees, if named as proxy, to vote in favour of the ordinary resolution fixing the number of directors to be elected at the Meeting at five (5).**

3. Election of Directors

The Corporation currently has five (5) directors and all of these directors are being nominated for re-election. The following table sets forth the name of each of the persons proposed to be nominated for election as a director, all positions and offices in the Corporation presently held by such nominee, the nominee's municipality of residence, principal occupation at the present and during the preceding five years, the period during which the nominee has served as a director, and the number and percentage of Common Shares of the Corporation that the nominee has advised are beneficially owned by the nominee, directly or indirectly, or over which control or direction is exercised, as of the Effective Date.

Unless otherwise directed, it is the intention of the Management Designees, if named as proxy, to vote for the election of the persons named in the following table to the Board of Directors. Management does not contemplate that any of such nominees will be unable to serve as directors; however, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, **proxies held by Management Designees will be voted for another nominee in their discretion unless the shareholder has specified in his form of proxy that his Common Shares are to be withheld from voting in the election of directors.** Each director elected will hold office until the next annual general meeting of shareholders or until his successor is duly elected, unless his office is earlier vacated in accordance with the by-laws of the Corporation or the provisions of the Business Corporations Act to which the Corporation is subject.

other than a settlement agreement entered into before December 31, 2000 that would likely not be important to a reasonable securityholder in deciding whether to vote for a proposed director.

4. Appointment of Auditor

The shareholders of the Corporation will be asked to vote for the appointment of Dale Matheson Carr-Hilton LaBonte LLP as auditor of the Corporation. Unless directed otherwise by a proxy holder, or such authority is withheld, the Management Designees, if named as proxy, intend to vote the Common Shares represented by any such proxy in favour of a resolution appointing Dale Matheson Carr-Hilton LaBonte LLP, as auditor of the Corporation, to hold office until the close of the next annual general meeting of shareholders or until Dale Matheson Carr-Hilton LaBonte LLP is removed from office or resigns as provided by the Corporation's by-laws, and the Management Designees also intend to vote the Common Shares represented by any such proxy in favour of a resolution authorizing the Board of Directors to fix the compensation of the auditor.

Crowe Mackay LLP, the former auditor, resigned as auditor effective January 8 2021, at the request of the Corporation. The change of auditor was made due to the Corporation's desire to move to a different audit firm. Dale Matheson Carr-Hilton LaBonte LLP, the current auditor of the Corporation, was appointed auditor of the Corporation effective January 8, 2021, by the Board of Directors.

In accordance with Part 4.11 of National Instrument 51-102, the "Reporting Package", which includes the notice of change of auditor, letter from the former auditor, and the letter from the successor auditor, was filed on January 8, 2021, with the necessary securities commissions and on SEDAR, and copies of these documents are attached hereto and made a part hereof as Exhibit I.

5. Re-approval of Stock Option Plan

The Corporation has a stock option plan (the "**Plan**") previously approved by the shareholders of the Corporation on May 15, 2019. A copy of the Plan is attached as Exhibit I to the Corporation's Management Information Circular dated December 9, 2011 and filed on SEDAR at www.sedar.com on December 21, 2011. The Plan is incorporated herein by reference.

The Plan shall be administered by the Board of Directors of the Corporation, or if appointed, by a special committee of directors appointed from time to time by the Board of Directors (the "**Board**"). The aggregate number of Common Shares which may be reserved for issuance under the Plan shall not exceed 10% of the Corporation's issued and outstanding Common Shares. The number of Common Shares subject to an option to a participant shall be determined by the Board, but no participant shall be granted an option which exceeds the maximum number of shares permitted by any stock exchange on which the Common Shares are then listed, or other regulatory body having jurisdiction. The exercise price of the Common Shares covered by each option shall be determined by the Board, provided however, that the exercise price shall not be less than the price permitted by any stock exchange on which the Common Shares are then listed, or other regulatory body having jurisdiction. The maximum length any option shall be ten (10) years from the date the option is granted, provided that participant's options expire ninety (90) days after a participant ceases to act for the Corporation, subject to extension at the discretion of the Board, except upon the death of a participant, in which case the participant's estate shall have twelve (12) months in which to exercise the outstanding options. The Plan includes a provision that should an option expiration date fall within a blackout period or immediately following a blackout period, the expiration date will automatically be extended for ten (10) business days following the end of the blackout period. The Board of Directors have the absolute discretion to amend or terminate the Plan.

Policy 4.4 of the TSX Venture Exchange Inc. (the "**Exchange**") requires that rolling stock option plans must receive shareholder approval yearly, at an issuer's annual general meeting. In accordance with Policy 4.4, shareholders will be asked to consider and if thought fit, approve an ordinary resolution re-approving, adopting and ratifying the Plan as the Corporation's stock option plan.

The text of the ordinary resolution to be considered at the Meeting will be substantially as follows:

"Be it resolved as an ordinary resolution of the Corporation that:

- 1. the stock option plan of the Corporation be approved substantially in the form attached as Exhibit I to the 2011 Management Information Circular of the Corporation dated December 9, 2011 (the "Plan") and the Plan be and is hereby ratified, approved and adopted as the stock option plan of the Corporation;**
- 2. the form of the Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Corporation;**
- 3. the issued and outstanding stock options previously granted shall be continued under and governed by the Plan;**

4. **the shareholders of the Corporation hereby expressly authorize the board of directors to revoke this resolution before it is acted upon without requiring further approval of the shareholders in that regard; and**
5. **any one (or more) director or officer of the Corporation is authorized and directed, on behalf of the Corporation, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under corporate seal of the Corporation or otherwise) that may be necessary or desirable to give effect to this ordinary resolution.”**

Unless otherwise directed, it is the intention of the Management Designees to vote proxies in favour of the resolution re-approving the Plan. In order to be effective, an ordinary resolution requires approval of a majority of the votes cast by shareholders who vote in respect to the resolution.

OTHER BUSINESS

While there is no other business other than that business mentioned in the Notice of Meeting to be presented for action by the shareholders at the Meeting, **it is intended that the proxies hereby solicited will be exercised upon any other matters and proposals that may properly come before the Meeting or any adjournment or adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder.**

GENERAL

Unless otherwise directed, it is management’s intention to vote proxies in favour of the resolutions set forth herein. All special resolutions to be brought before the Meeting require, for the passing of the same, a two-thirds majority of the votes cast at the Meeting by the holders of Common Shares. All ordinary resolutions require, for the passing of the same, a simple majority of the votes cast at the Meeting by the holders of Common Shares. All approvals by disinterested shareholders require the approval of the shareholders not affected by, or interested in, the matter to be approved.
