INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting of Shareholders (the “**Notice**”) and is furnished to the shareholders (the “**Shareholders**”) holding common shares (each, a “**Common Share**”) in the capital of Strikewell Energy Corp. (the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “**Meeting**”) of the Shareholders to be held on Wednesday, July 26, 2017 at 11:00 a.m. (Vancouver time) at the offices of Clark Wilson LLP, 9th Floor, 885 West Georgia Street, Vancouver, British Columbia, Canada or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is June 23, 2017. Unless otherwise stated, all amounts herein are in Canadian Dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, regular officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for the costs incurred in obtaining, from the principals of such persons, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this Information Circular and related proxy materials to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Only registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Common Share that such Shareholder holds on June 21, 2017 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy (the “**Form of Proxy**”) were designated by the directors of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR CORPORATION (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR AND ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS IN THE ENCLOSED FORM OF PROXY.

THE SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S COMMON SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed Form of Proxy must be received by the Company’s registrar and transfer agent, Computershare Investor Services Inc. (the “**Transfer Agent**”), at their office’s Proxy Department located at 100 University Avenue, 8th Floor, Toronto, Ontario, Canada, M5J 2Y1 or by fax: 1-866-249-7775 (within North America) or 416-263-9524 (outside North America), at least forty-eight (48) hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the time of the Meeting, or any adjournment or postponement thereof. Shareholders can also vote by telephone or the Internet by following the instructions set out in the Form of Proxy. Alternatively, the completed Form of Proxy may be deposited with the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A Form of Proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer, or attorney-in-fact for, the corporation. If a Form of Proxy is executed by an attorney-in-fact for an individual Shareholder, joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarial copy thereof, should accompany the Form of Proxy.

Revocability of Proxies

A Shareholder who has given a proxy may revoke it at any time, before it is exercised, by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where that Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at RPO Box 60610 Granville Park, Vancouver, British Columbia, Canada V6H 4B9 (Attention: David Hislop) at any time up to and including the last business day preceding the day of the Meeting (as defined herein) or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures within the requisite time period. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Common Shares represented will be voted or withheld from the vote on that matter accordingly. **The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY, INCLUDING THE VOTE FOR THE ELECTION OF THE NOMINEES TO THE COMPANY'S BOARD OF DIRECTORS (THE "BOARD") AND FOR THE APPOINTMENT OF THE AUDITORS.

The enclosed Form of Proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters, which may properly come before the Meeting. At the date of this Information Circular, management of the Company knew of no such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from or withholding of the voting of Common Shares on any matter, the Common Shares which are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information set out in this section is of significant importance to those of our Shareholders who do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Information Circular as "Non-Registered Holders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares, or their duly appointed proxies, will be permitted to vote at the Meeting. Most Shareholders are Non-Registered Holders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. More particularly, a Non-Registered Holder's Shares are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators or self-administered RRSP's, RRIF's, RESP's and similar plans); or (b) in the name of a clearing agency (such as CDS Clearing and Depositary Services Inc. ("**CDS**")) of which the Intermediary

is a participant. In accordance with the requirements set out in National Instrument 54-101 of the Canadian Securities Administrators (“**NI 54-101**”), the Company has distributed copies of the Notice, this Information Circular and the Form of Proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a Form of Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the Form of Proxy, this Form of Proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the Form of Proxy and deposit it with the Transfer Agent as provided above; or
- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**proxy authorization form**”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of a one page pre-printed form, the proxy authorization will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar-code and other information. In order for the Form of Proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the Form of Proxy, properly complete and sign the Form of Proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the Designated Persons named in the form and insert the Non-Registered Holder’s name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered. **Non-Registered Holders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.**

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to NI 54-101, issuers can obtain a list of their NOBOs from Intermediaries for distribution of proxy-related materials directly to NOBOs.

These Meeting materials are being sent to both registered Shareholders and Non-Registered Holders. If you are a Non-Registered Holder, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these Meeting materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Company is sending proxy-related materials directly to NOBOs. Management of the Company does not intend to pay for intermediaries to forward proxy-related materials to OBOs under NI 54-101, the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*. In the case of an OBO, the OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as discussed elsewhere in this Information Circular, none of the following persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon, other than the election of directors, the appointment of auditors or the approval of the 2017 Option Plan (as defined and described herein):

Compensation Discussion and Analysis

All tasks related to developing and monitoring the Company’s approach to the compensation of officers of the Company and to developing and monitoring the Company’s approach to the nomination of directors to the Board are performed by the members of the Company’s Compensation and Nominating Committee (as defined herein). The compensation of the NEOs and the Company’s employees is reviewed and recommended for Board approval by the Compensation and Nominating Committee.

The overall purpose of the compensation and nominating committee (the “**Compensation and Nominating Committee**”) is to develop and monitor the Company’s approach to the compensation of officers of the Company and to develop and monitor the Company’s approach to the nomination of directors to the Board.

The objectives of the Company’s compensation policies and procedures are to align the interests of the Company’s employees with the interests of the Shareholders. As such, a significant portion of total compensation paid by the Company is based upon overall corporate performance. The Company’s compensation strategy is to offer short-term, medium-term and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest caliber and a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Company currently has short-term compensation components in place, and will develop medium-term and long-term compensation components. The Company has not granted any stock options.

Compensation to NEOs is comprised of a base salary, except for David Hislop who is not getting paid at all. The Company chooses to pay a base salary to its NEOs and employees to satisfy the short-term compensation component. In the future, the Company may consider paying discretionary annual cash bonuses to satisfy the medium-term compensation component and may grant options to purchase Common Shares of the Company with longer future vesting dates to satisfy the long-term compensation component. During the most recently completed fiscal year, the Company did not pay any bonuses, commissions or grant any stock options to its directors and officers, nor is the Company currently considering the payment of bonuses, commissions and the granting of stock options.

Annual Base Salaries

Each NEO will be paid an annual salary that also takes into account his or her existing professional qualifications and experience. The NEOs’ performances and salaries are to be reviewed periodically on the anniversary of their employment with the Company. Increases in salary are to be evaluated on an individual basis and are performance and market-based.

Risk Management Disclosure

The Compensation and Nominating Committee reviewed the elements of compensation of the Company to identify any risks arising from the Company’s compensation policies and practices that could reasonably be expected to have a material adverse effect on the Company as well as the practices used to mitigate any such risks. The Compensation and Nominating Committee concluded that the compensation program and policies of the Company did not encourage its executives to take inappropriate or excessive risks. This assessment was based on a number of considerations, including, without limitation, the following: (i) the Company’s compensation policies and practices are generally uniform throughout the organization; (ii) in exercising its discretion under its compensation policies the Compensation and Nominating Committee reviews individual and corporate performance taking into account the long-term interests of the Company; and (iii) results of annual assessments of executives’ goals, objectives and performance are reviewed and considered in awarding compensation.

Restrictions on Purchase of Financial Instruments

Although the Company has not adopted a formal policy forbidding a NEO or director from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director, the Company is not aware of any NEO or director having entered into this type of transaction.

Share Based and Option-Based Awards

Executive officers of the Company, as well as directors, employees and consultants, are eligible to participate in the Company's 2016 stock option plan (the "**2016 Option Plan**") to receive grants of stock options. Although the Company does not have any currently issued and outstanding stock options, it regards the strategic use of incentive stock options as a cornerstone of the Company's compensation plan. It applies to employees at all levels and continues to be one of the Company's primary tools for attracting, motivating and retaining qualified employees, which is critical to the Company's success. The Company is committed to long-term incentive programs that promote the continuity of an excellent management team and, therefore, the long-term success of the Company. The Company established the 2016 Option Plan as an incentive to serve the Company in attaining its goal of improved shareholder value. The Board is responsible for administering the 2016 Option Plan. The Compensation and Nominating Committee is charged with responsibility to determine the type and amount of compensation to be paid to directors, officers, employees and consultants of the Company including the awards of any stock options under the 2016 Option Plan.

All grants of stock options to the NEOs are reviewed and approved by both the Compensation and Nominating Committee and the Board. In evaluating option grants to a NEO, the Compensation and Nominating Committee and the Board evaluate a number of factors including, but not limited to: (i) the number of options already held by such NEO; (ii) a fair balance between the number of options held by the NEO concerned and the other executives of the Company, in light of their responsibilities and objectives; and (iii) the value of the options (generally determined using a Black-Scholes analysis) as a component in the NEO's overall compensation package.

Compensation Governance

The policies and practices used by the Company to determine compensation of directors and officers, as described under "Compensation Discussion and Analysis" are developed and monitored by the members of the Company's Compensation and Nominating Committee.

The overall purpose of the Compensation and Nominating Committee with respect to director and officer compensation is to develop and monitor the Company's approach to the compensation of directors and officers of the Company. In particular, the mandate of the Compensation and Nominating Committee with respect to compensation is to:

- develop and monitor the Company's overall approach to compensation issues subject to approval by the Board;
- implement and administer a system of compensation which reflects superior standards of compensation practices and to continue to develop the Company's approach to compensation issues;
- undertake an annual review of compensation issues and practices as they affect the Company and make a comprehensive set of recommendations to the Board during each calendar year;

- advise the Board, or any committees of the Board, of compensation issues which the Compensation and Nominating Committee determines ought to be considered by the Board or any such committee; and
- report annually to the Shareholders, through the Company’s annual management information circular, the Company’s approach to compensation, and to review executive compensation disclosure before the Company publically discloses such information.

The members of the Compensation and Nominating Committee are David Hislop, Peter Bryant and Alistair Palmer. As defined in NI 52-110, David Hislop is not “independent” and Peter Bryant and Alistair Palmer are “independent”.

The responsibilities and powers of the Compensation and Nominating Committee with respect to director and officer compensation are to review the compensation of the Company’s directors and officers and make recommendations for Board approval.

Audit Committee

The Audit Committee's role is to act in an objective, independent capacity as a liaison between the auditors, management and the Board and to ensure the auditors have the ability to consider and discuss governance and audit issues with parties not directly responsible for operations. Applicable securities laws require the Company, as a venture issuer, to disclose certain information relating to the Company's audit committee and its relationship with the Company's independent auditors.

Audit Committee Charter

The Company's Audit Committee is governed by an audit committee charter, the text of which is attached as Schedule "A" to this Information Circular.

For purposes of performing their duties, the members of the Audit Committee have the right at all times, to inspect all the books and financial records of the Company and its subsidiary and to discuss with management and the external auditors of the Company any accounts, records and matters relating to the financial statements of the Company. The Audit Committee members meet periodically with management and annually with the external auditors.

Since the commencement of the Company's most recently completed financial year, the Company's Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions in Sections 2.4, 6.1.1(4), 6.1.1(5), or 6.1.1(6) or Part 8 of NI 52-110. Section 2.4 (De Minimis Non-audit Services) provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Sections 6.1.1(4) (Circumstance Affecting the Business or Operations of the Venture Issuer), 6.1.1(5) (Events Outside Control of Member) and 6.1.1(6) (Death, Incapacity or Resignation) provide exemptions from the requirement that a majority of the members of the Company's audit committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company. Part 8 (Exemptions) permits a company to apply to a securities regulatory authority or regulator for an exemption from the requirements of National Instrument 52-110 in whole or in part.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Board, and, where applicable, by the Audit Committee, on a case-by-case basis.

External Auditor Service Fees

In the following table, "Audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

December 31, 2016	21,000	420 ⁽¹⁾	Nil	Nil
December 31, 2015	21,000	420 ⁽¹⁾	2,500	Nil

(1) Canadian Public Accountability Board fees.

Exemption

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Company’s approach to corporate governance is set out below.

Board of Directors

Management is nominating three (3) individuals, David Hislop, Peter Bryant and Alistair Palmer, all of whom are currently directors of the Company, to the Company’s Board of directors.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship, which could, in the view of the Company’s board of directors be reasonably expected to interfere with the exercise of a member’s independent judgment.

Of the Company’s current directors, Peter Bryant and Alistair Palmer are considered to be independent directors, as they have no direct or indirect material relationship with the Company.

David Hislop is not considered to be an independent director as he is also an executive officer of the Company.

As the majority of the Company’s directors are independent, the Board has put in place a Code of Business Conduct with formal procedures designed to facilitate the exercise of independent supervision over management, which relies on the integrity of the individual members of its management team to act in the best interests of the Company and the Shareholders. The independent directors do not regularly hold meetings at which the non-independent director is not present. Open and candid discussion among the independent directors is facilitated through informal emails and telephone conversations. In the event a director has a conflict of interest, the director must disclose his interest to the Board and abstain from voting.

Other Directorships

The following directors and proposed nominees for election or re-election as directors of the Company are also directors of other reporting issuers, as set forth below:

Alistair Palmer	XXL Energy Corp., a public company listed on the TSX Venture Exchange.
-----------------	--

Board Orientation and Continuing Education

Due to the size of the Company’s current board of directors, the Board does not have a formal process of orientation or education program for the new members of the Board. However, any new directors will be given the opportunity to (a) familiarize themselves with the Company, the current directors and members of management; (b) review copies of recent publicly filed documents of the Company, technical reports and the Company’s internal financial information; (c) have access to technical experts and consultants; and (d) review a summary of significant corporate and securities legislation. Directors are also given the

opportunity for continuing education.

The Company does not have a formal process of continuing education for directors. Generally, the Company expects that existing and new Board members will have a familiarity with the business of oil and gas exploration, development and production. Each Board member is responsible for maintaining the skill and knowledge necessary to meet their obligations as directors. Board meetings may also include presentations by the Company's management and consultants to give directors additional insight into the Company's business.

Ethical Business Conduct

The Board currently has a written Code of Business Conduct for its directors, officers and employees and views good corporate governance as an integral component to the success of the Company. Additionally, the Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by the applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

In considering a transaction in which a director or executive officer has a material interest, the director or executive officer is required to disclose the nature and extent of his interest to the Board and abstain from voting on any resolution pertaining to the transaction.

The Board may establish an independent committee from time to time to consider transactions or agreements in respect of which a director or executive officer has a material interest.

Compensation and Nominating of Directors

The Board's Compensation and Nominating Committee is currently comprised of David Hislop, Peter Bryant and Alistair Palmer, the majority of which are independent directors of the Company.

Potential candidates for appointment to the Board are considered by the Compensation and Nominating Committee, in reliance on the recommendations, qualifications and experience of its members and the potential candidates are then recommended to the Board.

While no specific procedures have been established to ensure an objective process for determining compensation, the Company believes its levels of compensation to be fair and appropriate. The Board has not engaged an outside consultant or advisor to assist in determining compensation for any of the Company's directors or officers.

The Compensation and Nominating Committee has a written charter that includes the following powers and responsibilities:

- to develop and monitor the Company's overall approach to compensation issues subject to approval by the Board;
- to implement and administer a system of compensation which reflects superior standards of compensation practices and to continue to develop the Company's approach to compensation issues;

- to undertake an annual review of compensation issues and practices as they affect the Company and make a comprehensive set of recommendations to the Board during each calendar year;
- to advise the Board, or any committees of the Board, of compensation issues which the Compensation and Nominating Committee determines ought to be considered by the Board or any such committee;
- to ensure that the Company has in place programs to attract and develop management of the highest caliber and a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendation of the CEO in this regard;
- to identify and recommend qualified individuals to become new members of the Board;
- to report annually to the Shareholders, through the Company's annual management information circular, the Company's approach to compensation, and to review executive compensation disclosure before the Company publically discloses such information; and
- to recommend the slate of directors to be nominated for election at the annual meeting of Shareholders.

Advance Notice Provision

On July 23, 2014, the Shareholders adopted an advance notice provision (the "**Advance Notice Provision**") to the Company's Articles to provide Shareholders, directors and management of the Company with direction on the procedure for shareholder nomination of directors. The Advance Notice Provision is the framework by which the Company seeks to fix a deadline by which Shareholders of the Company must submit director nominations to the Company prior to any annual or special meeting of Shareholders and sets forth the information that a Shareholder must include in the notice to the Company for the notice to be in proper written form. Please see the Company's information circular dated June 23, 2014 for further information about the Advance Notice Provision.

Assessments

The Board has procedures for regularly assessing the effectiveness and contribution of the Board, its committees or individual directors. With respect to the Board as a whole, the Board monitors its performance on an ongoing basis, and as part of that process considers the overall performance of the Company and input from the Shareholders.

PARTICULARS OF MATTERS TO BE ACTED UPON

1. Approval of the Stock Option Plan

At the Company's 2016 Annual General Meeting, the Shareholders approved the 2016 Option Plan, which enabled the board of directors to grant stock options, including options granted prior to the implementation of the 2016 Option Plan, to directors, officers and other qualified persons, on a rolling number of shares equivalent to 10% of the Company's outstanding shares at the time of grant. The policies of the TSX Venture Exchange (the "**Exchange**") state that rolling plans, such as the 2016 Option Plan, must receive shareholder approval yearly, at the Company's annual general meeting. Accordingly, the Shareholders will be asked to approve, at the Meeting, the Company's 2017 Stock Option Plan (the "**2017 Option Plan**"), conditional upon receipt of all necessary regulatory approvals. The 2017 Plan complies with the policies of the Exchange regarding share incentive arrangements, and will again enable the Board to grant options, including options granted prior to implementation of the 2017 Plan, to directors, officers and other qualified persons on a rolling number of shares equivalent to 10% of the Company's outstanding shares from time to time. Options granted prior to the implementation of the 2017 Option Plan will remain outstanding in accordance with their terms, however, any new options granted must be granted pursuant to the 2017 Option Plan.

The purpose of the 2017 Option Plan is to attract, retain and motivate management, staff, consultants and other qualified individuals by providing them with the opportunity, through share options, to acquire a proprietary interest in the Company and benefit from its growth. The options are non-assignable and may be granted for a term not exceeding that permitted by the Exchange, currently ten years.

A copy of the 2017 Option Plan is available for review at the offices of Clark Wilson LLP, the registered offices of the Company, at #900 – 885 West Georgia Street, Vancouver, British Columbia, Canada V6C 3H1 during normal business hours up to and including the date of the Meeting.

The Company is asking Shareholders to approve the following resolution as an ordinary resolution:

“Resolved that, subject to regulatory approval:

1. the Company’s 2017 Stock Option Plan (the “**Plan**”) be and is hereby approved;
2. the Board be and are authorized to grant options under and subject to the terms and conditions of the Plan, which may be exercised to purchase up to 10% of the issued Common Shares of the Company as at the time of grant;
3. the outstanding stock options which have been granted prior to the implementation of the Plan shall, for the purpose of calculating the number of stock options that may be granted under the Plan, be treated as options granted under the Plan; and
4. the directors and officers of the Company be and are authorized and directed to perform such acts and deeds and things and execute all such documents, agreements and other writings as may be required to give effect to the true intent of these resolutions.”

An ordinary resolution is a resolution passed by a majority of the votes cast by those Shareholders, who being entitled to do so, vote in person or by proxy in respect to that resolution at the Meeting.

Management of the Company recommends that Shareholders vote in favour of the foregoing resolution, and the persons named in the enclosed Proxy intend to vote for the approval of the foregoing resolution at the Meeting unless otherwise directed by the Shareholders appointing them.

Other Matters

Other than: (a) the receipt of financial statements; (b) appointing the auditor and authorizing the directors to determine the auditor’s remuneration; (c) electing the directors as nominated; and (d) approving the 2017 Option Plan, management of the Company is not aware of any other matter to come before the Meeting other than as set out in the Notice. **If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed Form of Proxy to vote the Common Shares represented thereby in accordance with their best judgement on such matter.**
