MANAGEMENT PROXY CIRCULAR
as at April 18, 2023 *(except as otherwise indicated)*

This Management Proxy Circular is furnished in connection with the solicitation of proxies by the management of Vantex Resources Ltd. (the “Corporation”) for use at the annual and special meeting (the “Meeting”) of its shareholders to be held on May 23, 2023 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Management Proxy Circular, references to “the Corporation”, “we” and “our” refer to Vantex Resources Ltd. “Common Shares” means common shares without par value in the capital of the Corporation. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The Corporation will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are directors of the Corporation. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders who wish to submit a proxy may choose one of the following methods:

- (a) complete, date and sign the enclosed form of proxy and return it to the Corporation's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 264-9525, or by mail, or by hand delivery to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by hand delivery to the 2nd Floor, 510 Burrard Street, Vancouver, BC V6C 3B9; or
- (b) use a touch-tone phone to transmit voting choices to a toll free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy form for the toll free number, the Proxy access number; or
- (c) log onto Computershare's internet website for proxy voting at www.investorvote.com. Registered shareholders must follow the instructions provided on the website and refer to the enclosed Proxy form for the proxy access number.

Regardless of the method a Registered Shareholder uses to vote, they must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit a proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the Corporation's board of directors (the "**Board**") at its discretion without notice.

Beneficial Shareholders

The information in this section is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Corporation as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "**intermediary**"). In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States of America (the "**United States**" or the "**U.S.**"), under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy that will be supplied by your broker will be similar to the Proxy provided to registered shareholders by the Corporation. However, its purpose is limited to instructing the intermediary how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada and in the United States. Broadridge mails a voting instruction form (a "**VIF**") in lieu of the Proxy provided by the Corporation. The VIF will name the same persons as the Corporation's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Corporation) other than the persons designated in the VIF to represent your Common Shares at the Meeting, and that person may be you. **To exercise this right, insert the name of your desired representative (which may be you), in the blank space provided in the VIF.** The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Common Shares to be represented

at the Meeting. **If you receive a VIF from Broadridge, you cannot use it to vote Common Shares directly at the Meeting - the VIF must be returned to Broadridge, in accordance with its instructions, well in advance of the Meeting, in order to have your Common Shares voted or to have an alternate representative duly appointed to attend and vote your Common Shares at the Meeting.**

If you wish to vote your Common Shares in person at the Meeting, please complete the enclosed VIF and insert your own name as the Appointee on the VIF. Be sure to send your completed and signed VIF to Broadridge well before Broadridge's deadline. When you attend the Meeting, be sure to confirm with the Scrutineer before the start of the Meeting that you are appointed to vote your own Common Shares and that you will be voting those Common Shares in person at the Meeting.

In the January 2019 decision, the Panel extended the Amended First Order and the Second Order until April 2019. Following a hearing in April 2019, the Commission Panel further extended the Amended First Order and the Second Order until May 27, 2020. PARTICULARS OF MATTERS TO BE ACTED UPON

STOCK OPTION PLAN

During the financial year ended October 31, 2021 and 2022, the shareholders will review a rolling stock option plan (the “**Plan**”) enabling the directors to grant options to employees, directors and officers of the Corporation and persons providing ongoing services to the Corporation for approval. The policies of the TSX Venture Exchange (the “**Exchange**”) state that rolling plans must receive shareholder approval upon initial adoption and thereafter yearly, at the Corporation's Annual General Meeting. Accordingly, the shareholders will be asked to approve the Plan at the Meeting. The Plan complies with the policies of the Exchange regarding share incentive arrangements.

The purpose of the Plan is to attract, retain and motivate management, staff, consultants and other qualified individuals by providing them with the opportunity, through share options, to acquire a proprietary interest in the Corporation and benefit from its growth. The options are non-assignable and may be granted for a term not exceeding that permitted by the Exchange, currently ten years. Other material aspects of the Plan are as follows:

1. the Plan is administered by the Corporation's Board of Directors or, if the Board so designates, a Committee of the Board appointed in accordance with the plan to administer the plan;

2. the maximum number of shares in respect of which options may be outstanding under the Plan at any given time is equivalent to 10% of the issued and outstanding shares of the Corporation (the “**Outstanding Shares**”) at that time;
3. upon an optionee ceasing to hold any position with the Corporation which would qualify a person to receive an option under the terms of the Plan, the optionee’s option shall terminate upon the expiry of such reasonable period of time following termination, not to exceed twelve months, as has been fixed by the Plan administrator. Also, an option granted under the Plan will terminate one year following the death of the optionee. These provisions do not have the effect of extending the term of an option which would have expired earlier in accordance with its terms, and do not apply to any portion of an option which had not vested at the time of death or other termination;
4. as long as required by Exchange policy, no one individual may receive options on more than 5% of the Outstanding Shares in any 12 month period, the insiders as a group may not receive options on a number of shares exceeding 10% of the Outstanding Shares in any 12 month period, no one consultant may receive options on more than 2% of the Outstanding Shares in any 12 month period, and options granted to persons employed to provide investor relations services may not exceed, in the aggregate, 2% of the Outstanding Shares in any 12 month period and must vest in stages over a minimum period of 12 months;
5. the exercise price of options is subject to the discretion of the Plan administrator, provided however that options may not be granted at prices that are less than the Discounted Market Price as defined in Exchange policy. Discounted Market Price generally means, subject to certain exceptions, the most recent closing price of the Corporation's shares on the Exchange, less a discount of from 15% to 25% depending on the trading value of the Corporation's shares;
6. any amendment of the terms of an option shall be subject to any required regulatory and shareholder approvals; and
7. options granted under the Plan are not assignable, negotiable or otherwise transferable other than by will or the laws of descent and distribution and, subject to the terms of the Plan, are exercisable only by the optionee and his legal heirs or personal representatives.

The Plan does not provide for any financial assistance or support to be provided to optionees by the Corporation or any affiliated entity of the Corporation to facilitate the purchase of shares under the plan.

The full text of the Plan will be presented to the shareholders at the Meeting. Shareholders may also view the Plan in advance of the Meeting at the Corporation's head office, 400-837 West Hastings Street, Vancouver, BC, V6C 3N6, or by requesting a copy of the Plan from the Corporation by email: info@vantexresources.ca.

In connection with shareholder approval of the Plan, management will place the following proposed Resolution below before the shareholders for their consideration:

Ordinary Resolution

Shareholders will be asked at the Meeting to consider, and if deemed advisable, to pass an ordinary resolution re-approving the Plan in its current form, such resolution substantially in the following form:

“WHEREAS:

- A. the shareholders of the Corporation have ratified and adopted the stock option plan of the Corporation (the “**Plan**”); and

- B. the rules of the TXV Venture Exchange provide that all unallocated options, rights or other entitlements under a security-based compensation arrangement that does not have a fixed number of maximum securities issuable be approved by the shareholders of the Corporation every year.

BE IT RESOLVED as an ordinary resolution of the shareholders of the Corporation that:

1. the current Plan of the Corporation is hereby approved; and
2. any director or officer of the Corporation is hereby authorized to execute (whether under the corporate seal of the Corporation or otherwise) and deliver all such documents and to do all such other acts and things as such director or officer may determine to be necessary or advisable to give effect to the true intent of these resolutions.”

The resolutions must be approved by a simple majority approval of the votes cast by the Shareholders at the Meeting, excluding any admissible persons under the Plan. If the Plan is not approved by the Shareholders, the Corporation will have to consider other methods of compensating and providing incentives to directors, officers, employees and consultants.

Management recommends that Shareholders vote FOR the adoption of the ordinary resolution approving the Plan.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE STOCK OPTION PLAN UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT THE COMMON SHARES ARE TO BE VOTED AGAINST SUCH ORDINARY RESOLUTION.
