## **INFORMATION ON MINING PROPERTIES**

### **Galloway Project**

The Galloway Project includes the following mining properties: Hurd, Ogima North, Sandborn, Perron, Francoeur, Cadillac Rang III, Renault Bay and Lac Fortune Ouest, all located in Dasserat Township, Abitibi. This Project, according to historical data, has excellent potential for the development of large-tonnage open-pit gold deposits.

The Company holds a 100% interest in the Sandborn, Cadillac Rang III, Francoeur and Perron properties, Hurd and Ogima North properties. These interests were acquired in return for payments totaling \$282,500 and the issuance of 484,680 common shares from 2009 to 2011. The original owners retained a 2% NSR royalty (see press release of February 9, 2011),

except for the Perron Property which royalty is \$1 per ounce of gold. In January 2013, Vantex bought back 20% of the 2% NSR royalty on the Hurd Property, in return for a payment of \$50,000.

In March 2016, the Company signed an amended option agreement with Vanstar Mining Resources (“Vanstar”) concerning certain mining blocks of the Galloway Project located in the Rouyn-Noranda area, Abitibi. Under this agreement, the Company grants Vanstar the option to acquire a 50% interest in the Perron, Renault Bay and part of the Hurd blocks over a period of five years in return of the following work commitments: \$100,000 for each of the first two years, \$300,000 for the third year, \$500,000 for the fourth year and \$1,000,000 for the fifth year. Vanstar will acquire a 2.5% interest for each tranche of \$100,000 invested. In the original agreement, Vanstar had to invest \$400,000 each year in works.

On September 13, 2016, the Company has entered into an agreement to terminate its existing option agreement with Vanstar Mining Resources Inc. pursuant to which Vanstar acquired the right to purchase up to a 50% interest in certain mining claims, specifically in the Perron, Renault Bay and Hurd blocks (PRH gold project), situated in Dasserat Township, Abitibi, and referred to as the Galloway Property, located in the Rouyn-Noranda area of Quebec, Canada. According to final agreement on January 9, 2017, the Company agreed to a cash payment of \$50,000, the issuance of 50,000 shares at a value of \$50,000 and a royalty of 0.5% NSR on those claims. Also, the Company has subscribed for 1,428,571 shares by way of private placement from Vanstar at unit share price of \$0.07.

In October 2020, the Company still holds the mining rights of the property Ogima Nord, Sandborn, Francoeur and Cadillac Rang III, but the management has determined in October 2018 that an impairment loss of 100% should be recorded.

In December 2019, the Company renewed the mining rights of the property in Perron, Sandborn, and Cadillac Rang III, capitalized as exploration expenses.

On September 2, 2020, the Company closed the option agreement entered on July 15, 2020, with Fokus Mining Corporation (previously Fieldex Exploration Inc.) (“Fokus”), pursuant to the agreement Fokus acquired a 100% interest in the Galloway Project for cash consideration of \$1,000,000 and issuance of 3,000,000 shares as follows:

- Cash payment of \$250,000 upon approval of the agreement by the TSX-V (received);
- Additional cash payment of \$750,000 payable in three tranches of \$250,000 each over period of nine months from the effective date (received); and
- Issue 3,000,000 common shares of Fokus within 10 days of the effective date (received; with a fair value of \$1,170,000).

Pursuant to the agreement, the Company will also be entitled to be paid by Fokus \$500,000 in cash upon the first declaration of a minimum 500,000 ounces of gold in a qualifying National Instrument 43-101 indicated mineral resources and an additional \$500,000 in cash upon the first declaration of a minimum 1,000,000 ounces of gold in a qualifying NI 43-101 indicated mineral resources.

During the year ended October 31, 2021, the Company recognized an impairment loss on exploration and evaluation assets of \$Nil (2020 - \$3,252,209) on profit or loss.

On June 4, 2021, the Company received the fourth and final cash payment of \$250,000 pursuant to the above option agreement. Fokus now owns 100% interest in the Galloway Project.

On August 25, 2022, Fokus closed an agreement with the Company entered on August 22, 2022, pursuant to which it sell additional payments right according to option agreement on

July 15, 2020 concerning the minimum ounces of gold in qualifying 43-101 indicated mineral resources.

Fokus paid the Company a consideration of \$250,000, comprised of (i) \$100,000 in cash (\$50,000 received on August 25, 2022 and the remaining \$50,000 received on January 27, 2023) and (ii) \$150,000 through the issuance of 1,764,706 common shares. In relation to this, a total of \$250,000 was recognized as other income in the statement of loss and comprehensive loss during the year ended October 31, 2022.

### **Cléricy Property**

In January 2015, the Company acquired 16 mining titles in the Cléricy Township by map staking. The Company is looking to join a partner in order to develop this project.

In February 2016, the Company acquired ten contiguous lots in Cléricy project in consideration of 30,000 common shares for a value of \$15,000 to consolidate its position in this highly favorable geological sector due to its proximity to the Destor-Porcupine fault and the presence of numerous gold occurrences in this sector.

In March 2022, the Company renewed the mining rights of these claims, capitalized \$9,821 as exploration expenses.

During the year ended October 31, 2023, the Company did not renew 16 mining titles and recognized impairment loss of \$44,563 (2022 - \$Nil) in the statement of loss and comprehensive loss.

During the year ended October 31, 2024, the Company did not renew all remaining 10 mining titles and recognized a write-off of \$27,851 (2023 - \$Nil) in the statement of loss and comprehensive loss. As a result, the Company no longer holds any mining titles in the Cléricy property.

### **MANAGEMENT CHANGES**

On March 5, 2024, the Company appointed Kenneth Tollstam to the board of directors and as interim chief executive officer following the resignation of Anthony Jackson.

On February 28, 2025, Simran Gill resigned from his role as director.

As at June 26, 2025, the board consists of Kenneth Tollstam, Quinn Field-Dyte, and Usama Chaudhry.

### **OVERALL PERFORMANCE**

Comprehensive loss for the nine months ended July 31, 2025 was \$160,136 compared with a loss of \$479,745 for the nine months ended July 31, 2024. The decrease in loss is mainly due to decrease in operating expenses and increase in realized gain on sale of investments, offset by increase in unrealized loss on investments and increase in loss on termination of lease that were recognized during the current period.

No exploration work was carried out during the nine months ended July 31, 2025 and 2024.

## **OFF-BALANCE SHEET ARRANGEMENTS**

As of July 31, 2025, the Company had no off-balance sheet arrangements.

## **ACCOUNTING POLICIES**

For a description of the Company's material accounting policies, see Note 5 to the interim financial statements as at July 31, 2025.

## **SUBSEQUENT EVENT**

No subsequent event.

## **RISKS AND UNCERTAINTIES**

The following statements involve a number of risks which, according to Management, could materially affect the Company's activities.

### Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company manages liquidity risk through the management of its capital structure and financial leverage as described in Note 15 of the interim financial statements as at July 31, 2025.

The Company monitors its ability to meet its short-term exploration and administrative expenditures by raising additional funds through share issuance when required. All of the Company's financial liabilities have contractual maturities of 30 days or due on demand and are subject to normal trade terms. The Company have no investments in any asset-backed deposits.

### Financing risk

The Company's properties are at the exploration stage. It has no history of earnings or return on investment and, in the future, there is no assurance that it will generate income or operate profitably.

Eventually, the Company will require additional funds to finance exploration or development work, continue its operations and meet its obligations. The sources of future funds are either the issuance of additional capital stock or the borrowing of funds. There is no assurance that such financing will be available to the Company.

### Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The Company is exposed to credit risk arising from cash and cash equivalents. The Company manages credit risk by investing cash and cash equivalent with major Canadian financial institutions.

### Market price risk

The Company is exposed to risks from changes in interest rates (not significant), currency (not significant) and other price that affect its future cash flows which will fluctuate because of changes in market prices.

### Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or foreign exchange risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The company is exposed to other price risk through its investments in quoted shares for which the value fluctuates with the quoted market price.

### Risks related to property title

Although the Company has obtained title opinions with respect to some of its properties and has taken reasonable measures to ensure proper title to its properties, there is no guarantee that title to any of its properties will not be challenged or impugned. Third parties may have valid claims underlying portions of the Company's interests.

### Risk related to government regulations

The Company's activities must comply with a variety of legislation governing exploration and development, environmental protection and the overall approval of mining operations. The Company is of the opinion that it is in compliance with the material aspects of such legislation. Any changes in legislation could have an adverse effect on its activities.

### Risk related to taxation

There can be no assurance that Canadian or Quebec taxation authorities will agree that the Company's expenditures qualify as Canadian Exploration Expenses.

### Risks related to mineral exploration

Mineral exploration involves a high degree of risk. Few properties explored are put into production. The proposed exploration program is an exploratory search for ore and these operations may require permits from various government authorities.

There can be no assurance that the Company will obtain all the permits and licenses that may be required for exploration and development of its projects.

## **MANAGEMENT'S RESPONSIBILITY**

As an emerging company, the Company's management is composed of a limited number of key people, creating a situation where the division of labor is limited and must be compensated by more effective supervision by the CEO and CFO. Management will continue to closely monitor all the Company's financial activities and will continue its oversight in key areas.

The issuer's certifying officers are responsible for ensuring that processes are in place to provide them with sufficient knowledge to support the representations in the certification of disclosure in the annual and interim filings.

The Company's management is responsible for the interim financial statements as of July 31, 2025, and other information in this report. They were prepared in accordance with IFRS and

were approved by the Board of Directors. These interim financial statements include certain amounts based on the use of estimates and judgments. Management has established these amounts in a reasonable manner, in order to ensure that the interim financial statements are presented fairly in all material respects.
