### **Cautionary Statement Regarding Forward-Looking Information**

*Statements in this material change report may contain forward-looking information. Any statements that are contained in this material change report that are not statements of historical fact may be deemed to be forward looking statements. Forward-looking statements are often identified by terms such as "may", "should", "anticipate", "expects" and similar expressions. Forward-looking information in this material change report includes statements with respect to the expected use of proceeds from the Offering. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Corporation. The reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this material change report are expressly qualified by this cautionary statement.*

*The forward-looking statements contained in this material change report are made as of the date of this material change report, and the Corporation does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by securities law.*

### **IDC Announces Relocation**

**Calgary, Alberta – November 27th, 2020** - Imaging Dynamics Company Ltd. ("IDC" or the "Company") will move its Office from Calgary to Great Toronto Area (GTA) on December 1st, 2020. The new location is at 110 Macintosh Blvd U2, Vaughan, ON L4K 4P3.

The move stems from the requirement for the Company's growth and will enable the Company to maintain closer contact with its customers. GTA is the health care centre of Canada and have close connections to east coast of United States. There are also more high-tech talents in GTA.

#### **About Imaging Dynamics Company (IDC):**

IDC is a global medical imaging technology provider and innovative force in the high technology growth field of digital radiography (DR). Digital Radiography is a form of X-ray imaging which replaces conventional film-based diagnostic imaging and provides a cost-effective solution for medical facilities of all sizes to provide high quality diagnostic X-ray images with the use of Flat Panel detectors to enhance the digital image quality and improve the level of healthcare for their patients.

Statements in this release which describe IDC's intentions, expectations or predictions, or which relate to matters that are not historical facts are forward-looking statements. These forward-looking statements involve known and unknown risks and uncertainties which may cause the actual results, performances or achievements of IDC to be materially different from any future results, performances or achievements expressed in or implied by such forward-looking statements. IDC may update or revise any forward-looking statements, whether as a result of new information, future events or changing market and business conditions. Known and unknown risks and uncertainties include: IDC's ability to manufacture its products with a sufficient level of quality and in volumes which satisfy market demand; the ability of IDC to establish direct and indirect

sales channels; the ability of IDC to establish industry partnerships; IDC's ability to attract and retain key personnel; the strength and breadth of IDC's patents; and other factors relating to general economic conditions, specific industry conditions and IDC's particular situation.

**Neither TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.**
