

Montfort Capital Announces Quarterly Cash Dividends for Series A Class A Preferred Shares and Series 1 Class C Preferred Shares

VANCOUVER, BC, Nov. 27, 2024 /CNW/ - **Montfort Capital Corp. ("Montfort" or the "Company")** (TSXV: MONT), a trusted provider of focused private credit strategies for institutional investors, family wealth offices, and wealth managers, today announced that the Company's board of directors has declared a quarterly cash dividend (the "Class A Quarterly Dividend") of \$0.02 per Series A Class A Preferred Shares (each, a "Class A Preferred Share"), payable on December 31, 2024 to holders of Class A Preferred Shares of record as at December 17, 2024. The Class A Quarterly Dividend qualifies as an 'eligible dividend' for Canadian income tax purposes.

Holders of the Class A Preferred Shares are entitled to receive fixed non-cumulative preferential cash dividends, if, as and when declared by the board of directors of the Company (the "Board"). Under the Company's dividend policy, the annual dividend rate for the Class A Preferred Shares is targeted to be \$0.08 per Class A Preferred Share and dividends, if declared, will be payable on the last day of December, March, June and September in each year, or if such day is not a business day, on the next business day, at a quarterly rate of \$0.02 per Class A Preferred Share. The amount and distribution dates of future dividends remain at the discretion of the Company's board of directors.

The Company's board of directors has also declared a quarterly cash dividend (the "Class C Quarterly Dividend") of \$0.4971 per Series 1 Class C Preferred Shares (each, a "Class C Preferred Share"), payable on December 31, 2024, to holders of Class C Preferred Shares of record as at December 17, 2024. The Class C Quarterly Dividend qualifies as an 'eligible dividend' for Canadian income tax purposes.

Holders of the Class C Preferred Shares are entitled to receive fixed non-cumulative preferential cash dividends, if, as and when declared by the board of directors of the Company. Under the terms of the Class C Preferred Shares, holders of each Class C Preferred Share shall be entitled to receive, if declared, an amount determined by multiplying the Floating Quarterly Dividend Rate as calculated on the applicable Floating Rate Calculation Date by \$25.00 and multiplying that product by a fraction, the numerator of which is the actual number of days in the Quarterly Floating Rate Period and the denominator of which is 365 or 366, depending on the actual number of days in the applicable year, payable on the last day of the Quarterly Floating Rate Period. The amount and distribution dates of future dividends remain at the discretion of the Company's board of directors.

"Floating Quarterly Dividend Rate" means, the annual rate of interest (expressed as a percentage rounded to the nearest one hundred-thousandth of one percent (with 0.00005% being rounded up)) equal to the sum of the Government of Canada Yield on the applicable Floating Rate Calculation Date and 5.00%; provided that, if: (i) the Government of Canada Yield on the Floating Rate Calculation Date is less than 1.00%, the Company will deem the Government of Canada Yield to be 1.00% for the purposes of calculating the Floating Quarterly Dividend Rate on each Floating Rate Calculation Date; and (ii) the Government of Canada Yield on the Floating Rate Calculation Date exceeds 7.00%, the Company will deem the Government of Canada Yield to be 7.00% for the purposes of calculating the Floating Quarterly Dividend Rate on each Floating Rate Calculation Date.

"Floating Rate Calculation Date" means, for any Quarterly Floating Rate Period, the last day of the prior fiscal quarter to the Quarterly Floating Rate Period.

"Quarterly Floating Rate Period" means the period from and including the beginning of a fiscal quarter and ending on the last day of such fiscal quarter, with the fiscal quarters of Montfort commencing on January 1, April 1, July 1 and October 1.

The description of the terms of the Class A Preferred Shares and the Class C Preferred Shares disclosed in this press release are qualified in their entirety by the articles of Montfort posted to its SEDAR+ profile, which can be accessed at www.sedarplus.ca.
