

Acquisition of Shares and Warrants of RT Minerals Corp.

Vancouver, BC – This news release is issued by Donald M. Clark (“Clark”) pursuant to the early warning requirements of National Instrument 62-104 and National Instrument 62-103 with respect to common shares and warrants of RT Minerals Corp. (the “Issuer”).

On August 31, 2018 Clark acquired 1,575,000 units of the Issuer (the “Unit”) by way of private placement at a price of \$0.06 per Unit. Each Unit is comprised of one share (a “Share”) and one warrant (a “Warrant”) exercisable at \$0.08 for a period of two years.

Following issuance of the Shares and Warrants, Clark has control over 1,575,100 Shares and 1,575,000 Warrants, being 30.25% of the outstanding shares of the Issuer, assuming exercise of the Warrants.

Depending on economic or market conditions, or matters relating to the Issuer, Clark may in the future choose to either acquire additional securities of the Issuer or dispose of securities of the Issuer, however he has no current plans to do either.

For further information and to obtain a copy of the early warning report filed under applicable securities legislation in connection with the transactions hereunder please go to the Issuer’s profile on the SEDAR website www.sedar.com, or contact Sandra Wong at (604) 681-3170.
