

Acquisition of Common Shares of RT Minerals Corp.

Vancouver, B.C. – December 23, 2019 – This news release is issued by Donald M. Clark (“Clark”) pursuant to the early warning requirements of National Instrument 62-104 and National Instrument 62-103 with respect to the common shares of RT Minerals Corp. (the “Issuer”).

On December 19, 2019, Clark acquire 2,907,300 units of the Issuer by way of private placement at a price of \$0.03 per unit (the “**Units**”). Each Unit is comprised of one common share of the Issuer and one-half of a warrant, each whole warrant entitling the holder to acquire a further share of the Issuer at a price of \$0.05 for a period of one year.

Following purchase of the Units, Clark has beneficial ownership of 19.88% of the Issuer’s issued and outstanding common shares.

Depending on economic or market conditions, or matters relating to the Issuer, Clark may in the future choose to either acquire additional securities of the Issuer or dispose of securities of the Issuer.

For further information and to obtain a copy of the early warning report filed under applicable securities legislation in connection with the transactions hereunder, please go to the Issuer’s profile on the SEDAR website at www.sedar.com, or contact Sandra Wong, Chief Financial Officer and Corporate Secretary of the Issuer, at (604) 681-3170.
