PART 4 CLOSING

Closing Date

4.1 Closing of the Purchase and Sale will take place at 10:00 a.m. Vancouver time on Closing Date, or at such other time and date as may be agreed by the Parties.

PART 5 PUBLICITY

5.1 No disclosure or announcement, public or otherwise, in respect of this Agreement or the transactions contemplated herein or therein will be made by any Party hereto without the prior written agreement of the other Party as to timing, content and method, providing that the obligations herein will not prevent any Party from making, after consultation with the other Party, such disclosure as its counsel advises is required by applicable law or the rules and policies of the Exchange.

5.2 Unless and until the transactions contemplated in this Agreement will have been completed, except with the prior written consent of the other Party, each of the Parties and its respective employees, officers, directors, shareholders, agents, advisors and other representatives will hold all information received from the other Party in strictest confidence, except such information and documents available to the public or as are required to be disclosed by applicable law.

PART 6

APPROVALS, CHANGE OF CONTROL AND EXCHANGE TRADING HALTS

6.1 The Purchaser and the Vendors will agree to use their best efforts to carry out such reasonable acts and deeds as well as reasonable amendments to this Agreement, as may be necessary to avoid the Purchaser's shares being halted for trading for an extended period of time as a result of this Agreement. Such period of time for a trading halt not to be more than seven (7) trading sessions.

6.2 The Parties agree to undertake the following principal actions under Exchange policy so as to make commercially reasonable efforts to avoid a trading halt of more than seven (7) trading sessions of the securities of the Purchaser:

(i) The Purchaser shall make public news release disclosure of the Agreement, any change of control, and a description of the Property by a Qualified Person (a "QP") selected and remunerated by the Purchaser (the "**Announcement News Release**"), and the Purchaser shall use all commercially reasonable means to obtain Exchange consent for the Announcement News Release prior to dissemination of same.

(ii) Upon the earlier of Closing or direction of the Exchange, any shareholder of the Catharine Gold that would own 10% or more of the Purchaser upon Closing will either (a) confirm the good-standing existence of a Personal Information Form (a "**PIF**") with the Exchange, or (b) otherwise cause to be delivered with the Exchange a new or updated PIF, as circumstances require.

(iii) In the event that any single person or individual will directly or indirectly control 20% or greater of the voting shares of the Purchaser, after giving effect to the issuance of the RTM Shares by the Purchaser pursuant to the transactions contemplated by this Agreement, then such shares of more than nineteen percent (19%) of the Purchaser controlled by such party will be non-voting shares of the Purchaser until such time that future dilution of the Purchaser results in such non-voting shares representing 19% or less of the shares of the Purchaser or, in the alternate, disinterested shareholders of the Purchaser approve the creation of a new Control Person as that term of defined by the policies of the Exchange.

(ii) The Purchaser shall use its best efforts to obtain shareholder consent for the acquisition of the transaction contemplated herein and any potential resulting change of control, by letter of consent, or by a shareholders meeting to be held within sixty (60) calendar days of the date

hereof, during such time the listed securities of the Purchaser will continue to trade on the Exchange.

(iii) Subject to any necessary approvals by the Exchange or shareholders of the Purchaser, but forthwith after Closing, the Purchaser shall appoint Ryan Kalt to its board of directors.

(iv) In the event that the Exchange will not provide approval for the transaction contemplated herein or, in the alternate, will not allow the shares of the Purchaser to trade during the above actions and events, then the Parties agree to a ten (10) calendar day period, as may be extended by mutual consent of the Parties, to amend this Agreement to conform to an Exchange policy that does not require a trading halt beyond seven (7) trading sessions.

(v) If necessary, and as may be extended by mutual consent of the Parties, the Vendors shall grant to the Purchaser a period of sixty (60) calendar days from the date first written above, at the Purchaser's option, to use its best efforts to list on another recognized stock exchange to effect the purchase and sale transaction contemplated herein.

(vii) Upon written notice to the Vendors, the Purchaser may terminate this Agreement without liability to the Vendors in such circumstance where the Exchange provides notice to the Purchaser that the Purchaser's listed securities would, because of the transactions contemplated herein, be subject to a continuous halt period in excess of seven (7) trading sessions provided that, in all cases, such termination by the Purchaser is done prior to the issuance of the Announcement News Release.
