INFORMATION CIRCULAR as of April 3, 2024, *except as otherwise indicated*

This Information Circular is furnished in connection with the solicitation of proxies by the management of RT Minerals Corp. (the “Company”) for use at the annual general meeting (the “Meeting”) of the Company’s shareholders to be held on May 3, 2024, at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “the Company”, “we” and “our” refer to RT Minerals Corp. “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. The Company has arranged for intermediaries to forward the meeting materials to beneficial owners of Common Shares held as of record by those intermediaries and may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on **any** ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders who choose to submit a proxy may do so by one of the following methods:

- (a) complete, date and sign the enclosed form of Proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("Computershare"), by fax within North America to 1-866-249-7775, by fax outside North America to 416-263-9524, by mail or by hand to the 8th Floor, 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1, or by hand delivery to the 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada, V6C 3B9; or
- (b) use a touch-tone phone to transmit voting choices to a toll free number. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy form for the toll free number, the holder's account number and the proxy access number; or
- (c) log onto the internet website of Computershare at www.investorvote.com. Registered Shareholders must follow the instructions provided and refer to the enclosed Proxy form for the holder's account number and the proxy access number.

Registered Shareholders must ensure the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment thereof.

Beneficial Shareholders (Unregistered Shareholders)

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States (the "U.S."), under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in Canada and in the United States. Broadridge mails a voting instruction form (a "VIF") in lieu of a Proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be you), in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with Broadridge's instructions, well in advance of the Meeting in order to have the**

Common Shares voted at the Meeting, or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares.

This information circular and related material is being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act* of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the “BCA”), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder’s authorized attorney in writing, or, if the Registered Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or at the address of the registered office of the Company at Suite 1100, 1199 West Hastings Street, Vancouver, British Columbia, V6E 3T5 at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the Registered Shareholder’s Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, and the approval of the share option plan, as described herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the “**Board**”) of the Company has fixed April 3, 2024, as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally

or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares. As of the Record Date, there were 30,554,464 Common Shares issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors and there are no cumulative or similar voting rights attached to the Common Shares. The Company is also authorized to issue an unlimited number of Preferred Shares, without par value, with special rights and restrictions attached. As of April 3, 2024, and to the date of mailing of this Information Circular, there are no Preferred Shares of the Company issued and outstanding.

To the knowledge of the directors and executive officers of the Company, no persons or corporations beneficially owned, directly or indirectly, or exercised control or direction over, Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company as at the Record Date.

The following documents filed with the securities commissions or similar regulatory authority in each of the Provinces of British Columbia, Alberta and Ontario, are specifically incorporated by reference into, and form an integral part of, this information circular:

- The audited annual financial statements of the Company for the financial year ended November 30, 2023 together with the reports of the auditor thereon and the related management discussion and analyses, both of which have been filed under the Company's SEDAR profile on March 30, 2024 and March 30, 2023 respectively.

Copies of any documents referred to and incorporated herein by reference may be obtained by a shareholder upon request without charge from the Corporate Secretary of the Company at Tel: 604-725-0604, Fax: 604-684-0642, or at the address of the Company at Suite 1500, 1055 W. Georgia Street, Vancouver, British Columbia, V6E 4N7, Canada. The documents are also available through the internet on SEDAR, which can be accessed at www.sedarplus.ca.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

ELECTION OF DIRECTORS

Pursuant to the Company's Articles, the Board has determined that three (3) directors are to be elected to the Board at the Meeting. Therefore, at the Meeting shareholders will elect three (3) directors to the Board.

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is vacated earlier in accordance with the provisions of the BCA, each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

The Board adopted an advance notice policy (the "Advance Notice Policy") on February 20, 2014 with effect as of such date. The Advance Notice Policy was ratified and approved by the shareholders on April 24, 2014 and consequently, it continues to be in full force and effect. The Advance Notice Policy provides for advance notice to the Company in circumstances where nominations of persons for election to the Board are made by shareholders of the Company other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the BCA or (ii) a shareholder proposal made pursuant to the provisions of the BCA.

Among other things, the Advance Notice Policy fixes a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual general or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Company for

the notice to be in proper written form. The foregoing is merely a summary of the Advance Notice Policy, is not comprehensive and is qualified by the full text of such policy which is available under the Company's SEDAR profile at www.sedarplus.ca.

If, as of the date of the Meeting, the Company has not received notice of a nomination in compliance with the Advance Notice Policy, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

The following table sets out the names of management's nominees for election as directors, all major offices and positions with the Company and any of its significant affiliates each now holds, each nominee's principal occupation, business or employment (for the five preceding years for each new director nominee), the period of time during which each has been a director of the Company and the number of Common Shares of the Company beneficially owned by each, directly or indirectly, or over which each exercised control or direction, as of April 3, 2024.

Exemption

The Company is a “venture issuer” as defined in NI 52-110 and is relying upon the exemption in s. 6.1 of NI 52-110 concerning Parts 3 (*Composition of Audit Committee*) and 5 (*Reporting Obligations*).

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and accountable to shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices*.

Board of Directors

In order to identify and manage risks, the Board requires management to provide complete and accurate information with respect to the Company’s activities and to provide relevant information concerning the industry in which the Company operates. The Board is responsible for monitoring the Company’s officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in view of the Company’s Board of Directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Mark Lofthouse and William Elston are the independent members of the Board. Douglas J. Andrews is considered non-independent by virtue of his role as President and Chief Executive Officer of the Company.

The operations of the Company do not support a large board of directors and the Board has determined that the current constitution of the Board is appropriate for the Company’s current stage of development. Similarly, given the size of the Company, all the Company’s operations are conducted by a small management team which is also represented on the Board. Individual directors are encouraged to engage an outside advisor at the expense of the Company in appropriate circumstances, and the independent directors have retained independent advice on occasion.

The directors do not hold meetings at which non-independent directors and members of management are not in attendance. However, the Board considers that management is effectively supervised by the independent directors on an informal basis as the independent directors are actively and regularly involved in reviewing

and supervising the operations of the Company and are able to meet at any time without the non-independent director being present. At the present time, the Board facilitates the exercise of independent judgment in carrying out its responsibilities by carefully examining all material issues and relying heavily on the advice of outside counsel and other advisors in all appropriate circumstances.

Directorships

None of the directors are currently serving on boards of other reporting companies.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and on the responsibilities of directors. Directors are also encouraged to take part in training courses or information sessions provided by regulatory bodies to keep abreast of current developments in corporate governance requirements.

Board meetings are always commenced with an update and/or presentation by the Company's management team to give the directors additional insight into the Company's business and progress.

Ethical Business Conduct

Each member of the Board has been made aware of the fiduciary duties placed on individual directors by the governing corporate legislation and the common law applicable to the Company and the restrictions on an individual director's participation in decisions of the Board in which the director has an interest. The Board finds that the knowledge of its members of these legal restrictions is sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Where a Board member has an interest in a transaction involving the Company, that director must declare his interest in advance of its consideration by the Board and must refrain from voting on any resolution approving the transaction. Further, the Company's auditors have full and unrestricted access to the audit committee at all times to discuss their audit and their related findings as to the integrity of the financial reporting process.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to nominate for election at the annual general meeting of shareholders, taking into account the size of the Company, its asset base and the number of members required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

Except as disclosed under "*Director Compensation*" below, the directors receive no cash compensation for acting in their capacity as directors of the Company. The compensation for senior management of the Company is determined by and at the discretion of the Board. The Board determines compensation for the directors, the Chief Executive Officer and the Chief Financial Officer. See "*Statement of Executive Compensation*" below.

Other Board Committees

The Board has no committees other than the audit committee.

Assessments

The Board has not developed written descriptions or objectives for its executives and looks to generally accepted industry standards as adequately delineating the roles and responsibilities of such persons. There is no formal process for regular assessment of the Board, its committees and individual directors. Rather the Board informally assesses performance through ongoing dialogue amongst Board members.

10% Rolling Stock Option Plan (Option-Based Awards)

The Company's current share option plan dated for reference April 29, 2011 (the "**2011 Option Plan**"), which was last approved by Shareholders on June 22, 2021, is a "rolling" share option plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares reserved for issuance under any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted. The 2011 Option Plan provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Company and its subsidiaries or affiliates, options to purchase shares of the Company.

To align with the current TSXV policies, the Board approved the adoption of a new 10% rolling share option plan (the "**New Option Plan**") on September 19, 2023 to replace the 2011 Option Plan.

See PARTICULARS OF MATTERS TO BE ACTED UPON – *Ratification of New Share Option Plan* for a summary of the material terms of the New Option Plan.

However, should the expiry date for an option fall within a trading Blackout Period (as defined in the Plan, generally meaning circumstances where sensitive negotiations or other like information is not yet public), within 9 business days following the expiration of a Blackout Period;
- (c) For options granted to Service Providers, the Company must ensure that the proposed Optionee is a bona fide Service Provider of the Company or its affiliates;
- (d) An Option granted to any Service Provider will expire within 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option), after the date the Optionee ceases to be employed by or provide services to the Company, but only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company;
- (e) If an Optionee dies, any vested option held by him or her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;
- (f) In the case of an Optionee being dismissed from employment or service for cause, such Optionee's options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;
- (g) The exercise price of each option will be set by the Board on the effective date of the option and will not be less than the Discounted Market Price (as defined in the Plan);
- (h) Vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Company or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Company or its affiliates during the vesting period;
- (i) In the event of a Take Over Bid being made to the shareholders generally, immediately upon receipt of the notice of the Take Over Bid, the Company shall notify each Optionee currently holding any Options, of the full particulars of the Take Over Bid, and all outstanding Options may, notwithstanding the vesting terms contained in the Plan or any vesting requirements set out in the Option Commitment, be immediately exercised in whole or in part by the Optionee, subject to approval of the TSXV (or NEX, as the case may be); and

Oversight and Description of Director and Named Executive Officer Compensation

Elements of the Compensation Program

The responsibilities relating to executive and director compensation, including reviewing and recommending compensation of the Company’s officers and employees and overseeing the Company’s base compensation structure and equity-based compensation program is performed by the Board as a whole. The Board also assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Company’s senior management. The Board generally reviews the compensation of senior management on an annual basis taking into account compensation paid by other issuers of similar size and activity and the performance of officers generally and in light of the Company’s goals and objectives.

The Company is a small junior resource company with limited resources. The compensation for senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including: (a) attracting and retaining talented, qualified and effective executives; (b) motivating the short and long-term performance of executives; and (c) better aligning the interests of executive officers with those of the Company’s shareholders. In the Board’s view, paying salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on comparable companies is compiled from a variety of sources, including national and international publications.

The Board determines the compensation for the CEO. The compensation of the Company’s executives is determined by the Board after the recommendation of the CEO. In each case, the Board takes into consideration the prior experience of the executive, industry standards, competitive salary information on comparable companies of similar size and stage of development, the degree of responsibility and participation of the executive in the day-to-day affairs of the Company, and the Company’s available cash resources.

In the Board’s view, to attract and retain qualified and effective executives, the Company must pay base salaries which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates.

The Board has assessed the Company’s compensation plans and programs for its executive officers to ensure alignment with the Company’s business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

Executive Compensation

Except for the grant of incentive share options to the NEOs and any compensation payable pursuant to an executive compensation agreement between the CEO or CFO and the Company, there are no arrangements under which NEOs were compensated by the Company during the two most recently completed financial years for their services in their capacity as NEOs, directors or consultants.

Director Compensation

The directors receive no cash compensation for acting in their capacity as directors of the Company except as disclosed below.

Except for the grant to directors of share options, there are no arrangements under which directors were compensated by the Company during the most recently completed financial year for their services in their capacity as directors.

In 2023, Board members (with the exception of the President and CEO) were compensated with a monthly fee of \$1,000.

Option-Based Awards

The Company has a share option plan in place, which was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. Management proposes share option grants to the Board based on such criteria as performance, previous grants, and hiring incentives. The Board administers the Company's share option plan and all option grants require Board approval. The Option Plan allows options to be issued to directors, officers, employees or consultants of the Company.

In compensating its senior management, the Company employs a combination of salary and equity participation. The Board is of the view that encouraging its executives and employees to hold shares of the Company is the best way to align their interests with those of the Company's shareholders. Equity participation is accomplished through the Company's share option plan. See "Securities Authorized for Issuance under Equity Compensation Plans" above.

Share options are granted to executives and employees taking into account a number of factors, including the amount and term of options previously granted, base salary and competitive factors. The amounts and terms of options granted are determined by the Board based on recommendations put forward by the CEO. Due to the Company's limited financial resources, option grants are an important part of executive compensation to assist in maintaining executive motivation.

Given the evolving nature of the Company's business, the Board continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

Material Terms of Option Plan

The material terms of the Option Plan are set forth below. Capitalized terms used but not otherwise defined below shall have the meanings ascribed to such terms in the Option Plan.

1. 3. Limitations on Issue - The following restrictions on issuances of Options are applicable under the Option Plan, together with all other Share Compensation Arrangements:
 - (a) no Service Provider can be granted an Option if that Option would result in the total number of Options, together with all other Share Compensation Arrangements granted to such Service Provider in the previous 12 months, exceeding 5% of the Outstanding Shares, unless the Company has obtained “Disinterested Shareholder Approval” (as defined in the Option Plan to mean approval evidenced by a majority of the votes cast by all the Shareholders at a duly constituted Shareholders’ meeting, excluding votes attached to Common Shares beneficially owned by Insiders of the Company who are Service Providers or their Associates);
 - (b) the aggregate number of Options, together with any other Share Compensation Arrangement, granted to all Investor Relations Service Providers in any 12-month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSXV (or NEX, as the case may be);

Vesting of Options - Vesting of Options shall be at the discretion of the Board and, with respect to any Options granted under the Plan, in the absence of a vesting schedule being specified at the time of grant, Options shall vest immediately. Where applicable, vesting of Options will generally be subject to:
 - (a) the Service Provider remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or

 - (d) the remainder of the Options vest no sooner than 12 months after the Options were granted.
9. Term of Option – The term of an Option will be set by the Board at the time such Option is allocated under the Option Plan. An Option can be exercisable for a maximum of 10 years from the Effective Date.
10. Optionee Ceasing to be a Director, Employee or Service Provider – Options may be exercised after the Service Provider has left his/her employ/office or has been advised by the Company that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:
 - (a) in the case of the death of an Optionee, any vested Option held by him/her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
 - (b) an Option granted to any Service Provider (excluding Service Providers conducting Investor Relations Activities) will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the date the Optionee ceases to be employed by or provide services to the Company, and only to the extent that such Option was vested on the date the Optionee ceased to be so employed by or to provide services to the Company; and
 - (c) in the case of an Optionee being dismissed from employment or service for Cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.
11. Non-Assignability of Options – Except in the case of death of an Optionee, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

12. Amendment of the Option Plan by the Board of Directors - Subject to the requirements of the TSXV Policies and the prior receipt of any necessary Regulatory Approval, the Board may in its absolute discretion amend, or modify the Option Plan or any Option granted as follows:
 - (a) amendments which are of a typographical, grammatical, clerical nature only;
 - (b) amendments of a housekeeping nature;
 - (c) amendments necessary as a result in changes in securities laws applicable to the Company or any requested changes by the TSX Venture; and;
 - (d) if the Company becomes listed or quoted on a stock exchange or stock market senior to the TSX Venture, amendments as may be required by the policies of such senior stock exchange or stock market.
13. Amendments Requiring Disinterested Shareholder Approval - The Company will be required to obtain Disinterested Shareholder Approval prior to any of the following actions becoming effective:
 - (a) the Option Plan, together with all of the Company's other previous Share Compensation Arrangements, could result at any time in:
 - (i) the aggregate number of Common Shares reserved for issuance to Insiders exceeding 10% of the Outstanding Shares;
 - (ii) the aggregate number of Common Shares reserved for issuance to Insiders within a 12-month period exceeding 10% of the Outstanding Shares; or
 - (iii) the aggregate number of Common Shares reserved for issuance to any one Optionee within a 12-month period exceeding 5% of the Outstanding Shares; or
 - (b) any reduction in the Exercise Price of an Option, or extension to the Expiry Date of an Option held by an Insider at the time of the proposed amendment, is subject to Disinterested Shareholder Approval in accordance with the policies of the TSX Venture.
14. Take Over Bid - If a Take Over Bid is made to the Shareholders generally then the Company shall immediately upon receipt of notice of the Take Over Bid, notify each Optionee currently holding an Option of the Take Over Bid, with full particulars thereof whereupon such Option may, notwithstanding other applicable vesting requirements or any vesting requirements set out in the Option Commitment, be immediately exercised in whole or in part by the Optionee, subject to approval of the TSXV (or the NEX, as the case may be) for vesting requirements imposed by the TSXV Policies.
15. Acceleration of Vesting on Change of Control - In the event of a Change of Control occurring, Options granted and outstanding, which are subject to vesting provisions, shall be deemed to have immediately vested upon the occurrence of the Change of Control, excluding Options granted to a Person engaged in Investor Relations Activities. Notwithstanding the foregoing, no acceleration to the vesting schedule of one or more Options granted to an Investor Relations Service Provider can be made without the prior written acceptance of the TSXV.
16. Black-out Period - The Option Plan also contains provision for a "Black-out Period". Should the Expiry Date for an Option fall within a Black-out Period, such Expiry Date shall, subject to approval of the TSXV (or the NEX, as the case may be), be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Black-out Period, such tenth (10th) Business Day to be considered the Expiry Date for such Option for all purposes under the Option Plan. The tenth (10th) Business Day period referred to herein may not be extended by the Board. "**Black-out Period**" is defined in the Option Plan to mean an interval of time during which the Company has determined that one or more Participants may not trade any securities of the Company because they may be in possession of undisclosed material information pertaining to the Company, or when in anticipation of the release of quarterly or annual financials, to avoid potential conflicts associated with a company's insider-trading policy or applicable securities legislation, (which, for greater certainty, does not include the period during which a cease trade order is in effect to which the Company or in respect of an Insider, that Insider, is subject).
17. Cashless Exercise - The Option Plan also contains a "cashless exercise" or "net exercise" basis. "Cashless exercise" is a method of exercising stock options in which a securities dealer loans funds to the option holder or sells the same shares as those underlying the option, prior to or in conjunction

with the exercise of options, to allow the option holder to fund the exercise of some or all of their options. "Net exercise" is a method of option exercise under which the option holder does not make any payment to the issuer for the exercise of their options and receives on exercise a number of shares equal to the intrinsic value (current market price less the exercise price) of the option valued at the current market price. The current market price must be the 5-day volume weighted average trading price prior to option exercise. "Net exercise" may not be utilized by persons performing investor relations services.

Shareholder Approval

At the Meeting, shareholders will be asked to consider, and if thought fit, re-approve an ordinary resolution to approve the Company's Current Option Plan, (the "**Option Plan Resolution**"). The full text of the Option Plan Resolution is set out below.

"RESOLVED as an ordinary resolution that:

1. the Option Plan dated for reference September 19, 2023, be ratified, confirmed and approved until the next annual general meeting of the Company;
2. the number of Common Shares of the Company reserved for issuance under the New Option Plan shall not exceed 10% of the Company's issued and outstanding share capital as set out in the New Option Plan;
3. to the extent permitted by law, the Company be authorized to abandon all or any part of the New Option Plan if the Board deems it appropriate and in the best interests of the Company to do so; and
4. any one or more directors and officers of the Company be authorized to perform all such acts, deeds and things and execute, under seal of the Company or otherwise, all such documents as may be required to give effect to this resolution."

An ordinary resolution is a resolution passed by the shareholders of the Company at a general meeting by simple majority of the votes cast in person or by proxy.

In the absence of a contrary instruction, the persons named in the enclosed form of proxy intend to vote in favour of the above ordinary resolution. A copy of the New Option Plan is attached hereto as Schedule "A" and will be available for inspection at the Meeting.

B.) Approval of Share Consolidation

It is the opinion of the directors that future equity financing will be required in order for the Company to meet its working capital requirements and to fund any further acquisitions. It is the directors' further opinion, that the structure of the Company's existing issued and outstanding share capital may not be conducive to completing such additional equity financing and that a consolidation of the Company's share capital may be required in order facilitate attracting new equity investment in the Company. Pursuant to the applicable corporate law, shareholder approval for a share consolidation is not required as one can be given effect by a resolution of the directors; however, Exchange policies require that a share consolidation be approved by: (a) the applicable regulatory authorities; and (b) an ordinary resolution of the shareholders.

The directors have determined a consolidation ratio of up to 1:20 - (1) new post-consolidation common share for every twenty (20) pre-consolidation common shares (the "Consolidation") such that upon completion of the Consolidation all of the 30,554,464 issued and outstanding shares of the Company will be consolidated into up to 1,527,723 issued and outstanding shares. Outstanding warrants and options will similarly be adjusted by the consolidation ratio.

Upon completion of the Consolidation a letter of transmittal, as and if required, may be mailed to the Company's registered shareholders.

The Consolidation is subject to acceptance by the Exchange. In particular, the Company will be required to meet the Exchange's Continued Listing Requirements upon completion of the Consolidation.

Therefore, at the Meeting, shareholders will be asked to consider, and if thought fit, to approve an ordinary resolution in the following form:

“IT IS HEREBY RESOLVED, AS A SPECIAL RESOLUTION THAT:

1. the board of directors of the Company be and is hereby authorized, subject to approval of the applicable regulatory authorities, to take such actions as are necessary to consolidate, at any time following the date of this resolution, all of the issued and outstanding common shares of the Company on the basis of one (1) new post-consolidation common share for every twenty (20) pre-consolidation common shares, or such lesser whole number of pre-consolidation common shares that the directors in their discretion may determine, subject to the approval of the applicable regulatory authorities;
2. any one or more directors and officers of the Company be authorized to perform all such acts, deeds and things and execute, under seal of the Company or otherwise, all such documents and other writings, including the Notice of Alteration, as may be required to give effect to the true intent of these resolutions; and
3. despite the foregoing authorization, the board of directors of the Company may, at its discretion, determine when such consolidation will take place and may further, at its discretion, determine not to effect a consolidation of all of the issued and outstanding common shares of the Company, in each case without requirement for further approval, ratification or confirmation by the shareholders of the Company.”

The foregoing resolution permits the directors, without further approval by the shareholders, to select the final consolidation ratio and proceed with the Consolidation at any time following the date of this Meeting. Alternatively, the directors may choose not to proceed with the share consolidation if the directors, in their discretion, deem that it is no longer desirable to do so.

Management recommends that shareholders vote for the approval of this ordinary resolution in order to facilitate any future financing and reorganize the Company’s share structure.

In order to pass the above resolution, a simple majority of the votes cast by holders of shares, present in person or by proxy at the Meeting, is required.

- (b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;
