Description of Business

The Company was incorporated under the Business Corporations Act (British Columbia) on March 25, 2011. On, June 28, 2011, the Company completed an Initial Public Offering (“IPO”) to be classified as a Capital Pool Company as defined in the TSX Venture Exchange (“TSX-V”) Policy 2.4. The principal business of the Company is the identification and evaluation of assets or a business and, once identified or evaluated, to negotiate an acquisition or participation in a business subject to receipt of shareholder approval, if required, and acceptance by regulatory authorities of its qualifying transaction (“QT”).

On July 5, 2011, the Company’s shares began trading on the TSX-V under the symbol “CCT.P”.

October 7, 2013, the Company announced the transfer of its listing to the NEX Board of the Exchange (“NEX”) effective October 8, 2013. In connection with the transfer to NEX, a total of 1,100,000 “seed shares” of Credent have been cancelled pursuant to the Exchange policies so that the average cost of the remaining 1,100,000 seed shares is equal to Credent’s initial public offering price of \$0.10 per share.

Until the completion of a QT, the Company will not carry on any business other than the identification and evaluation of assets or businesses in connection with a potential QT.

On December 30, 2013, the Company signed a non-binding letter of intent (the “Hydro LOI”) with Hydro Power Technologies Inc. (“Hydro Power” or “HPT”), a corporation existing under the laws of Ontario, Canada, which outlines the general terms and conditions pursuant to which the Company and Hydro Power will be willing to complete a transaction that will result in a reverse take-over of the Company by the shareholders

of Hydro Power. The Hydro LOI was negotiated at arm's length and is effective as of December 30, 2013 (the "Transaction").

As part of the qualifying transaction process, the Company entered into a sponsorship agreement with a qualified sponsor. Per this agreement, the Company is required to pay \$25,000 in sponsorship fees, pay additional related legal fees and issue 50,000 shares of the resulting issuer. During the fiscal 2014, \$22,500 was paid as financing and legal fees. The balance of the sponsorship fees of \$12,500 and the issuance of the common shares are payable upon submission of the final sponsor report.

In January 2018 the Company submitted a draft filing statement (the "Filing Statement") to the TSX-V in connection with the Transaction with Hydro Power. Subject to the approval of the TSX-V, the acquisition of HPT is intended to serve as Credent's qualifying transaction.

At August 21, 2019, the Company received a notice from the TSX-V that the Company's file in connection with the proposed QT has been closed. The Company must provide a new complete initial submission in order to reactivate a QT submission.

Initial Public Offering

On June 28, 2011, the Company completed its IPO of 3,000,000 common shares at \$0.10 per share for gross proceeds of \$300,000 pursuant to Policy 2.4 "Capital Pool Companies" of the TSX-V. A cash commission of 10% of the gross proceeds of the IPO was paid to the Agent. The Agent was also paid a corporate finance fee of \$10,000 and will be reimbursed by the Company for its expenses and legal fees plus disbursements. The Agent was also granted agent's warrants to purchase 300,000 common shares at a price of \$0.10 per common share, exercisable for a period of 24 months from the date of listing of the common shares on the TSX-V, being July 5, 2011.
