The costs of solicitation will be borne by the Corporation. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), arrangements have been made with brokerage houses and other intermediaries to forward solicitation materials to the beneficial owners of common shares of the Corporation held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so.

Unless otherwise specified, information contained in this Circular is given as of August 11, 2022, and, unless otherwise specified, all amounts shown represent Canadian dollars.

APPOINTMENT, REVOCATION AND DEPOSIT OF PROXIES

The persons named in the enclosed instrument of proxy are officers and directors of the Corporation who have been selected by the directors of the Corporation and have indicated their willingness to represent as proxies the Shareholders who appoint them.

A SHAREHOLDER HAS THE RIGHT TO DESIGNATE OR APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM OR HER AND ON HIS OR HER BEHALF AT THE MEETING OTHER THAN THE PERSONS DESIGNATED IN THE FORM OF PROXY.

Such right may be exercised by striking out the names of the persons designated in the instrument of proxy and by inserting in the blank space provided for that purpose the name of the desired person or company or by completing another proper form of proxy (“**Form of Proxy**”) and, in either case, depositing the completed and executed proxy with the registrar and transfer agent of the Corporation, Endeavor Trust Corporation (the “**Transfer Agent**”) located at 777 Hornby Street, Suite 702, Vancouver, BC V6Z 1S4, at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment(s) or postponement(s) thereof.

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The shares represented by the proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the proxy.

A Shareholder who has given a proxy may revoke it at any time in so far as it has not been exercised. A proxy may be revoked, as to any matter on which a vote shall not already have been cast pursuant to

the authority conferred by such proxy, by instrument in writing executed by the Shareholder or by his attorney authorized in writing or, if the Shareholder is a body corporate, by a duly authorized officer, attorney or representative thereof and deposited with the Transfer Agent located at 777 Hornby Street, Suite 702, Vancouver, BC V6Z 1S4 at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment(s) or postponement(s) thereof, at the registered office of the Corporation at any time prior to 5:00 p.m. (Toronto time) on the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof or with the Chairman of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof, and upon any of such deposits the proxy is revoked. A proxy may also be revoked in any other manner permitted by law. The Corporation's registered office is located at 93 Ridley Blvd, Toronto, ON M5M 3L6.

NOTICE-AND-ACCESS

The Corporation has elected to deliver the materials in respect of the Meeting pursuant to the notice-and-access provisions (the "**Notice-and-Access Provisions**") concerning the delivery of proxy-related materials to Shareholders, found in section 9.1.1 of National Instrument 51-102 – *Continuous Disclosure Obligations* ("**NI 51-102**"), in the case of registered Shareholders, and section 2.7.1 of NI 54-101, in the case of beneficial Shareholders. The Notice-and-Access Provisions are a set of rules that reduce the volume of proxy-related materials that must be physically mailed to shareholders by allowing issuers to deliver meeting materials to shareholders electronically by providing shareholders with access to these materials online.

The use of the Notice-and-Access Provisions reduces paper waste and mailing costs to the Corporation. In order for the Corporation to utilize the Notice-and-Access Provisions to deliver proxy-related materials by posting this Circular (and if applicable, other materials) electronically on a website that is not the System for Electronic Document Analysis and Retrieval ("**SEDAR**"), the Corporation must send the Notice to Shareholders, including beneficial Shareholders, indicating that the proxy-related materials have been posted and explaining how a Shareholder can access them or obtain a paper copy of those materials from the Corporation.

In accordance with the Notice-and-Access Provisions, the Notice and a Form of Proxy or voting instruction form (the "**VIF**"), as applicable, have been sent to all Shareholders informing them that this Circular is available online and explaining how this Circular may be accessed, in addition to outlining relevant dates and matters to be discussed at the Meeting. This Circular has been posted in full under the Corporation's SEDAR profile as well as its website at <https://www.westernmetallicacorp.com/investors>

The Corporation will cause its Transfer Agent to deliver copies of the proxy-related materials to the Non-Objecting Beneficial Owners at their own cost. The Corporation does not intend to pay for the Intermediaries to deliver to Objecting Beneficial Owners the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* of NI 54-101.

MANNER OF VOTING AND EXERCISE OF DISCRETION BY PROXIES

The persons named in the enclosed Form of Proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them and if the Shareholder specifies a choice with respect to any matter to be acted upon, the common shares shall be voted accordingly.

WHERE NO CHOICE IS SPECIFIED, THE PROXY WILL CONFER DISCRETIONARY AUTHORITY AND WILL BE VOTED FOR EACH OF THE MATTERS IDENTIFIED IN THE NOTICE AND DESCRIBED IN THIS CIRCULAR. THE ENCLOSED FORM OF PROXY ALSO CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE WITH RESPECT TO ANY AMENDMENTS OR VARIATIONS TO THE MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING IN SUCH MANNER AS SUCH NOMINEE IN THEIR JUDGMENT MAY DETERMINE.

AS OF THE DATE OF THIS CIRCULAR, MANAGEMENT OF THE CORPORATION KNOWS OF NO SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS TO COME BEFORE THE MEETING OTHER THAN THE MATTERS REFERRED TO IN THE NOTICE.

ADVICE TO BENEFICIAL SHAREHOLDERS

The Shareholder materials are being sent to both registered and non-registered owners of the Common Shares. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. **The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name.** Shareholders who hold their Common Shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their Common Shares in their own name (referred to in this Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders who appear on the records maintained by the Corporation’s registrar and transfer agent as registered holders of Common Shares will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those Common Shares will, in all likelihood, *not* be registered in the Shareholder’s name. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Instrument of Proxy provided directly to registered Shareholder by the Corporation. However, its purpose is limited to instructing the registered Shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable VIF, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote Common Shares directly at the Meeting. The VIFs must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions**

respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the VIF provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to shareholders in this Circular and the accompanying Form of Proxy and Notice of Meeting are to registered Shareholders unless specifically stated otherwise.

APPROVAL OF MATTERS

Unless otherwise noted, approval of matters to be placed before the Meeting is by an "ordinary resolution", which is a resolution passed by a simple majority (50% plus 1) of the votes cast by Shareholders of the Corporation entitled to vote and present in person or represented by proxy at the Meeting.

INTERESTS OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Management is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any director or executive officer or any associate or affiliate of any of the foregoing in any matter to be acted on at the Meeting other than the election of directors, appointment of auditors, or the re-approval of the stock option plan.

QUORUM

The by-laws of the Corporation provide that a quorum of Shareholders is present at a meeting of Shareholders if two (2) or more persons present in person or represented by proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of an unlimited number of Common Shares. As of the Record Date, the Corporation has 50,941,998 Common Shares issued and outstanding.

To the knowledge of the directors and the executive officers of the Corporation, as at the Record Date, no person or company beneficially owns, directly or indirectly, or controls or directs, carrying ten percent (10%) or more of the voting rights attached to any class of voting securities of the Corporation other than as indicated below:

BUSINESS OF THE MEETING

Other than in respect of the election of directors and approval of the Stock Option Plan and as otherwise disclosed herein, no informed person (as such term is defined under applicable securities laws) of the Corporation or Nominee (and each of their associates or affiliates) has had any direct or indirect material interest in any transaction involving the Corporation since April 1, 2022 or in any proposed transaction which has materially affected or would materially affect the Corporation or its subsidiaries.

1. Financial Statements

The (i) financial statements for the financial year ended March 31, 2022, together with the auditor's report thereon, will be presented to Shareholders for review at the Meeting and were mailed to Shareholders with the Notice of Meeting and this Circular. The Board currently consists of five (5) directors. The Corporation has nominated five (5) persons (the "Nominees") for election as directors of the Corporation, who will hold office until the next annual meeting of the Corporation or until his or her successor is elected or appointed. At the Meeting, Shareholders will be asked to elect these Nominees as directors of the Corporation. **The persons named in the enclosed form of proxy intend to vote for the election of the Nominees. Management does not contemplate that any of the Nominees will be unable to serve as a director.**

As the Corporation has adopted a Majority Voting Policy, the process for voting for election of each director will be by individual voting and not by slate. The Shareholders can vote for or withhold from voting on the election of each director on an individual basis. See "About the Board" for more information on our Majority Voting Policy.

- (i) was subject to a cease trade or similar order or an order that denied the company access to any exemption under securities legislation and which was in effect for a period of more than thirty (30) consecutive days (an “**Order**”) that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer;

4. Omnibus Incentive Plan

The Board has determined that it is advisable to adopt an omnibus incentive plan (the “**Omnibus Plan**”), which it believes is in the best interests of the Corporation. The Corporation will repeal and replace the Corporation’s Existing Option Plan dated May 7, 2021, to adopt the Omnibus Plan to allow for, among other things, the issuance of restricted share units (“**RSUs**”). Stock options (“**Options**”, and together with the RSUs, collectively, the “**Awards**”) granted under the Existing Option Plan will remain outstanding and be governed by the terms of the Omnibus Plan if the Omnibus Plan is approved by the Shareholders, subject to the acceptance of the TSX Venture Exchange (“**TSXV**”). As of the Record Date, there is an aggregate of 4,380,000 Options outstanding pursuant to the Existing Option Plan which represents approximately 8.60% of the total issued and outstanding Common Shares.

The Board is of the view that the Omnibus Plan is required in order to provide additional incentive to, and attract and retain, the Service Providers (as such term is defined in the Omnibus Plan) necessary for the Corporation’s long-term success, to encourage executives and/or employees and consultants to further the development of the Corporation and its operations, and to motivate Service Providers.

Pursuant to the policies of the TSXV, the Corporation is required to obtain disinterested Shareholder approval of the Omnibus Plan in connection with the implementation thereof. Accordingly, at the Meeting, the disinterested Shareholders will be asked to pass an ordinary resolution to approve the Omnibus Plan. For this purpose, disinterested Shareholders will include all Shareholders other than insiders of the Corporation to whom Awards may be granted under the Omnibus Plan and each of their respective associates. A copy of the Omnibus Plan is attached hereto as Schedule “A”. Set forth below is a summary of the Omnibus Plan. The following summary is qualified in all respects by the provisions of the Omnibus Plan. Reference should be made to the Omnibus Plan for the complete provisions thereof.

The maximum aggregate number of Common Shares that may be reserved for issuance under the Omnibus Plan pursuant to the exercise of RSUs at any point in time is 5,094,199, unless this Omnibus Plan is amended pursuant to the policies of the TSXV.

Any Common Share which was reserved for issuance pursuant to an Award which Award has been cancelled or terminated in accordance with the terms of the Plan without being paid out as provided for in the Omnibus Plan shall be returned to the Corporation pursuant to the terms of the Omnibus Plan.

Only a Service Provider (as such term is defined in the Omnibus Plan) are eligible to participate in the Omnibus Plan and receive Awards thereunder.

Unless disinterested Shareholder approval is obtained (or unless permitted otherwise by the rules of the TSXV:

- (a) the maximum number of Common Shares which may be reserved for issuance to insiders (as a group) under the Omnibus Plan, together with all other Common Shares issuable under any other equity compensation arrangements then in place, shall not exceed ten percent (10%) of the issued and outstanding Common Shares calculated as of the date of grant of the Award;
- (b) the maximum number of Common Shares that may be made issuable to insiders (as a group), together with all other Common Shares issuable under any other equity compensation arrangements then in place, within a twelve (12) month period, may not exceed ten percent (10%) of the issued and outstanding Common Shares calculated as of the date of grant of the Award; and
- (c) subject to (b) above, the maximum number of Common Shares issuable pursuant to Awards or issued to any one Service Provider (as such term is defined in the Omnibus Plan), together with all other Common Shares issuable under any other equity compensation arrangements then in place, within a twelve (12) month period, shall not exceed five percent (5%) of the issued and outstanding Common Shares calculated on the date of grant of the Award;

The maximum number of Common Shares which may be made issuable to any one Consultant (as such term is defined in the Omnibus Plan), together with all other Common Shares issuable under any other equity compensation arrangements then in place, within a twelve (12) month period, shall not exceed two percent (2%) of the number of issued and outstanding Common Shares as of the date of the grant of the Award.

The following limitations apply to the grant of Awards to Investor Relations Service Providers (as such term is defined in the Omnibus Plan):

- (a) the only Awards that may be granted to Investor Relations Service Providers are Options;
- (b) Options granted to Investor Relations Service Providers will vest:
 - (i) at a minimum over a period of not less than twelve (12) months as to twenty-five percent (25%) on the date that is three months from the date of grant, and a further twenty-five percent (25%) on each successive date that is three (3) months from the date of the previous vesting; or
 - (ii) such longer vesting period as the Board may determine; and
- (c) the maximum number of Common Shares that may be made issuable pursuant to Options granted to Investor Relations Service Providers shall not exceed two percent (2%) of the issued and outstanding Common Shares.

RSU Grants under the Omnibus Plan

The Board may, in its discretion, at any time, and from time to time, grant RSUs to Service Providers as it determines is appropriate, subject to the limitations set out in the Omnibus Plan.

At the time a grant of a RSU is made, the Board may, in its sole discretion, establish performance conditions for the vesting of an RSU (the “**Performance Conditions**”). The Board may use such business criteria and other measures of performance as it may deem appropriate in establishing any Performance Conditions, and may exercise its discretion to reduce the amounts payable under any Award subject to Performance Conditions. The Board may determine that an Award shall vest in whole or in part upon achievement of any one performance condition or that two or more Performance Conditions must be achieved prior to the vesting of an Award. Performance Conditions may differ for Awards granted to any one recipient of RSUs.

Except as provided in the Omnibus Plan, RSUs issued pursuant thereto will vest on the later of:

- (a) the Trigger Date (as such term is defined in the Omnibus Plan);
- (b) the date that is one year from the date of grant; and
- (c) the date upon which the relevant Performance Condition or other vesting condition set out in the Award has been satisfied.

RSUs which do not vest on or before the expiry date of such RSU due to failure to meet Performance Conditions or the cessation of employment will be automatically cancelled, without further act or formality on the part of the Corporation and without compensation by the Corporation. In addition, the Board may, at any time after a grant of a RSU, accelerate the Trigger Date of such RSU.

Subject to the terms of the Omnibus Plan, the Corporation, in its discretion and as may be determined by the Board, will pay out vested RSUs issued under the Omnibus Plan and credited to the account of a recipient of an RSU by paying or issuing (net of any applicable withholding tax) to such recipient, on or subsequent to the Trigger Date but no later than the expiry date of such vested RSU:

- (a) Subject to regulatory approval, one (1) Common Share for such whole vested RSU. Fractional Common Shares shall not be issued and where a RSU recipient would be entitled to receive a fractional Common Share in respect of any fractional vested RSU, the Corporation shall pay to such RSU recipient, in lieu of such fractional Share, cash equal to the Vesting Date Value as at the Trigger Date of such fractional Common Share. Each Common Share issued by the Corporation pursuant to this Plan shall be issued as fully paid and non-assessable, or
- (b) a cash amount equal to the Vesting Date Value as at the Trigger Date of such vested Restricted Share Unit; and
- (c) notwithstanding the foregoing, the Vesting Date Value must not be less than the Discounted Market Price as at the Restricted Share Unit Grant Date.

Pursuant to the terms of the Omnibus Plan, the Corporation shall not issue Awards to any Service Provider who is an insider of the Corporation where such issuance would result in:

- (a) the total number of Common Shares issuable at any time under the Omnibus Plan to insiders, or when combined with all other Common Shares issuable to insiders under any other equity compensation arrangements then in place, exceeding the maximum grants set forth herein, or ten percent (10%) of the total number of issued and outstanding Common Shares of the Corporation on a non-diluted basis; and

- (b) the total number of Common Shares that may be issued to insiders during any one (1) year, or when combined with all other Common Shares issued to insiders under any other equity compensation arrangements then in place, exceeding the maximum grants set forth herein, or ten percent (10%) of the total number of issued and outstanding Common Shares of the Corporation on a non-diluted basis.

Where the Corporation is precluded from issuing Common Shares to an insider of the Corporation, the Corporation will pay to the relevant insider a cash amount equal to the Vesting Date Value (as such term is defined in the Omnibus Plan) as at the Trigger Date of the RSU.

Unless the Board at any time otherwise determines, all unvested RSUs held by any recipient thereof and all rights in respect thereof will be automatically cancelled, without any further act or formality on the part of the Corporation and without compensation, immediately in the event of termination of employment or removal from service by the Corporation for cause, the retirement and/or resignation of the RSU recipient.

Unless the Board at any time otherwise determines, unvested RSUs will immediately vest on the date the RSU recipient ceases to be a Service Provider if an RSU recipient ceases to be a Service Provider for any of the following reasons,:

- (a) death or disability;
- (b) the termination of employment or removal from service by the Corporation without cause; and
- (c) the termination of employment by the RSU recipient other than by way of retirement and/or voluntary resignation by the RSU recipient.

In the event of a Change of Control (as such term is defined in the Omnibus Plan), all RSUs credited to an account of a recipient that have not otherwise previously been cancelled pursuant to the terms of the Omnibus Plan shall vest on the date on which the Change of Control occurs (the “**Change of Control Date**”). Within thirty (30) days after the Change of Control Date, but in no event later than the expiry date, the RSU recipient shall, at the discretion of the Board, receive either:

- (a) Common Shares, or
- (b) a cash payment equal in amount to: (i) the number of RSUs that vested on the Change of Control Date; multiplied by (b) the Fair Market Value (as such term is defined in the Omnibus Plan) on the Change of Control Date, net of any withholding taxes and other source deductions required by law to be withheld by the Corporation.

Option Awards under the Omnibus Plan

No Options shall be granted after the expiration of ten (10) years from the earlier of the date of the adoption of the Omnibus Plan by the Corporation or the approval of the Omnibus Plan by Shareholders.

Employees of the Corporation are the only class of persons eligible to receive Options under the omnibus Plan.

Without limiting the powers of the Board hereunder, the Board has the power to:

- (a) allot Common Shares for issuance in connection with the exercise of Options;
- (b) grant Options hereunder;

- (c) subject to any necessary regulatory approval, amend, suspend, terminate or discontinue the Omnibus Plan, or revoke or alter any action taken in connection therewith, except that no general amendment or suspension of the Omnibus Plan will, without the prior written consent of all optionholder, alter or impair any Option previously granted under the Omnibus Plan unless the alteration or impairment occurred as a result of a change in the policies of the TSXV or the Corporation's tier classification thereunder; and
- (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do.

Subject to the policies of the TSXV and the prior receipt of any necessary regulatory approval, the Board may in its absolute discretion, amend or modify the Omnibus Plan or any Option granted as follows:

- (a) it may make amendments which are of a typographical, grammatical or clerical nature only;
- (b) amendments of a housekeeping nature;
- (c) it may change the vesting provisions of an Award granted hereunder, subject to prior written approval of the TSXV, if applicable;
- (d) it may change the termination provision of an Award granted hereunder which does not entail an extension beyond the lesser of the original expiry date or twelve (12) months from termination;
- (e) it may make amendments necessary as a result in changes in securities laws applicable to the Corporation or any requested changes by the TSXV;
- (f) if the Corporation becomes listed or quoted on a stock exchange or stock market senior to the TSXV, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (g) it may make such amendments as reduce, and do not increase, the benefits of the Omnibus Plan to Service Providers.

Subject to the Plan, the exercise price of an Option may be amended only if at least six (6) months have elapsed since the later of: (i) the date of commencement of the term of the Option, (ii) the date the Common Shares commenced trading on the TSXV, or the (iii) date of the last amendment of the exercise price of the respective Options.

An Option must be outstanding for at least one year before the Corporation may extend its term.

Any proposed amendment to the terms of an Option must be approved by the TSXV prior to the exercise of such Option.

Subject to any other provision of the Omnibus Plan, the vesting of Options shall be at the discretion of the Board and, with respect to any particular Options granted under the Omnibus Plan, in the absence of a vesting schedule being specified at the time of grant, all such Options shall vest immediately. Where applicable, vesting of Options will generally be subject to:

- (a) the Service Provider remaining employed by or continuing to provide services to the Corporation as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Corporation during the vesting period; or
- (b) the Service Provider remaining as a director of the Corporation during the vesting period.

In the event of a Change of Control occurring, Options granted and outstanding, which are subject to vesting provisions, shall be deemed to have immediately vested upon the occurrence of the Change of Control, excluding Options granted to a person engaged in Investor Relations Activities (as defined in the terms of the Omnibus Plan).

Options may be exercised after the Service Provider has left his/her employ/office or has been advised by the Corporation that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:

- (a) in the case of the death of an optionholder, any vested Option held by him at the date of death will become exercisable by the optionholder's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such optionholder and the date of expiration of the term otherwise applicable to such Option;
- (b) an Option granted to (i) director and/or officer of the Corporation will expire ninety (90) days and (ii) to all others including, but not limited to, employees and/or consultants of the Corporation will expire thirty (30) days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the optionholder at any time prior to expiry of the Option) after the date the optionholder ceases to be employed by or provide services to the Corporation, and only to the extent that such Option was vested at the date the optionholder ceased to be so employed by or to provide services to the Corporation; and
- (c) in the case of an optionholder being dismissed from employment or service for cause, such optionholder's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

Subject to terms of the Omnibus Plan, all Options will be exercisable only by the optionholder to whom they are granted and will not be assignable or transferable.

The Corporation is required to obtain the approval of its Shareholders with respect to any security compensation plan at the Corporation's annual meeting of Shareholders. The Board recommends that disinterested Shareholders vote **FOR** the Omnibus Plan Resolution. To be effective, the Omnibus Plan Resolution requires the approval of a majority of the votes cast thereon by disinterested Shareholders present or represented by proxy at the Meeting, excluding the votes attaching to Common Shares beneficially owned by insiders of the Corporation to whom Awards may be granted under the Omnibus Plan and each of their respective associates. In determining whether such approval has been obtained, the votes attaching to the approximately 12,260,978 Common Shares collectively held, directly or indirectly, by the insiders of the Corporation to whom Awards may be granted under the Omnibus Plan, and each of their respective associates, will be excluded. **Unless the disinterested Shareholder directs that his or her Common Shares are to be voted against the Omnibus Plan Resolution, the persons named in the Form of Proxy intend to vote FOR the Omnibus Plan Resolution.**

The text of the Omnibus Plan Resolution to be submitted to Shareholders at the Meeting is set forth below:

"BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS OF WESTERN METALLICA RESOURCES CORP. (THE "CORPORATION") THAT:

- 1) the omnibus incentive plan of the Corporation in the form attached as Schedule "A" to the management information circular dated August 11, 2022, with such amendments thereto as may be made from time to time by the board of directors of the Corporation, without further approval of the shareholders of the Corporation, in order to conform with the policies or requirements of the TSX Venture Exchange or any other stock exchange on which the Corporation's common shares are listed at such applicable time, be and is hereby ratified, confirmed and approved; and
- 2) any director and/or officer of the Corporation be and such director or officer of the Corporation is hereby authorized and empowered, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise, and to deliver or cause to be delivered any and all such documents and instruments and to do or to cause to be done all such other acts and things as, in the opinion of such director or officer, may be necessary or desirable in order to fulfil the intent of this resolution."

5. Ratification of Existing Option Plan

Should the Omnibus Plan as described above not receive the required Shareholder approval at the Meeting, the Proposed Stock Option Plan will not be implemented and the Existing Option Plan will remain in place. In the event this occurs, Shareholders will be asked at the Meeting to consider and, if deemed appropriate, to pass an ordinary resolution ratifying, confirming and approving the Existing Option Plan, so that the Corporation can continue to avail itself of this important compensation mechanism.

The Existing Option Plan is a "rolling" stock option plan, whereby the aggregate number of Common Shares reserved for issuance, together with any other Common Shares reserved for issuance under any other plan or agreement of the Corporation, shall not exceed ten (10%) percent of the total number of issued and outstanding Common Shares (calculated on a non-diluted basis) at the time adoption is granted.

A summary of the material terms of the Existing Option Plan is included in the Corporation's Filing Statement, dated March 31, 2022, a copy of which, upon request, could be made available to a Shareholder free of charge. The Existing Option Plan must be approved by a majority of the votes cast by Shareholders. As such, at the Meeting, Shareholders will be asked to consider and, if deemed appropriate, to pass the following resolution:

"BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS OF THE CORPORATION THAT:

- 1) the stock option plan of the Corporation dated May 7, 2021, and described in the Filing Statement of the Corporation dated March 31, 2022, be and is hereby ratified, confirmed, and approved; and
- 2) any director and/or officer of the Corporation be and such director or officer of the Corporation is hereby authorized and empowered, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise, and to deliver or cause to be delivered any and all such documents and instruments and to do or to cause to be done all such other acts and things as, in the opinion of such director or officer, may be necessary or desirable in order to fulfil the intent of this resolution."

6. Continuance to the Province of Ontario

Shareholders are being asked to consider and, if thought advisable, to approve a special resolution, the form of which is set out below, (the "**Continuance Resolution**") to continue the Corporation to the

Province of Ontario (the “**Continuance**”). The purpose of the Continuance is to reduce the Corporation’s administrative burden. If the Shareholders pass the Continuance Resolution by way of a special resolution at the Meeting, the Corporation will apply to the registrar in the Province of British Columbia for authorization to continue into the Province of Ontario. Subsequently, the Corporation will apply to the Director under the *Business Corporations Act* (Ontario) for a certificate of continuance. To be effective, the Continuance Resolution must be approved by at least two-thirds of the votes cast by the Shareholders in person or represented at the Meeting by proxy, in accordance with the provisions of Section 308(2) of the *Business Corporations Act* (British Columbia) and the articles of the Corporation. If the holders of Common Shares do not approve the special resolution, the Continuance may not proceed. Shareholders are urged to vote in favour of this special resolution.

The Board recommends that Shareholders vote **FOR** the Continuance Resolution. To be effective, the Continuance Resolution requires the approval of sixty-six and two-thirds percent (66 and 2/3%) of the Shareholders. **Unless the Shareholder directs that his or her Common Shares are to be voted against the Continuance Resolution, the persons named in the Form of Proxy intend to vote FOR the Continuance Resolution.**

The text of the Continuance Resolution to be submitted to Shareholders at the Meeting is set forth below:

“BE IT RESOLVED AS A SPECIAL RESOLUTION OF THE SHAREHOLDERS OF THE CORPORATION THAT:

- 1) the Corporation is authorized to make an application to the registrar pursuant to Section 308(2) of the *Business Corporations Act* (British Columbia) for its authorization to continue the Corporation to the Province of Ontario under the *Business Corporations Act* (Ontario) (the “**OBCA**”);
- 2) the Corporation is authorized to prepare and file with the Director pursuant to Section 180 of the OBCA a certificate of continuance to continue the Corporation to the Province of Ontario;
- 3) the Corporation is hereby authorized to prepare and file articles of continuance (the “**Articles of Continuance**”) substantially in the form of the Corporation’s current articles of incorporation (the “**Articles**”) subject to any amendments necessary to comply with the provisions of the OBCA, and upon the issuance of a certificate of continuance continuing the Corporation under the OBCA, the Articles shall be replaced in their entirety by the Articles of Continuance;
- 4) any one director or officer of the Corporation is authorized and directed on behalf of the Corporation, to take all necessary steps and proceedings, and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things as may be necessary or desirable to give effect to this special resolution; and
- 5) notwithstanding approval of the shareholders of the Corporation as herein provided, the board of directors may, in its sole discretion, revoke this resolution before it is acted upon with out further approval of the shareholders of the Corporation.”

7. Other Business

While there is no other business other than that business mentioned in the Notice to be presented for action by the Shareholders at the Meeting, it is intended that the proxies hereby solicited will be exercised upon any other matters and proposals that may properly come before the Meeting or any adjournment or adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder. The enclosed Form of Proxy confers discretionary authority upon the persons authorized to

act thereunder to vote on any modifications or amendments concerning the businesses mentioned in the Notice or any other business in accordance with his best judgment.

CORPORATE GOVERNANCE

The Corporation and the Board recognize the importance of corporate governance in effectively managing the Corporation, protecting employees and shareholders, and enhancing shareholder value.

The Board fulfills its mandate directly at regularly scheduled meetings or as required. The directors are kept informed regarding the Corporation's operations at regular meetings and through reports and discussions with management on matters within their particular areas of expertise. Frequency of meetings may be increased and the nature of the agenda items may be changed depending upon the state of the Corporation's affairs and in light of opportunities or risks that the Corporation faces.

The Corporation believes that its corporate governance practices are in compliance with applicable Canadian requirements for TSXV listed issuers. The Corporation is committed to monitoring governance developments to ensure its practices remain current and appropriate.

Ethical Business Conduct

The Board is apprised of the activities of the Corporation and ensures that it conducts such activities in an ethical manner. The Board had not adopted a written code of business conduct and ethics, however, the Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of open communication, honesty and accountability; and ensuring awareness of disciplinary actions for violations of ethical business conduct. In particular, the Board ensure that directors exercise independent judgement in considering transactions and certain activities of the Corporation by holding in camera sessions of independent directors, when applicable, and by having each director declare his or her interest in a particular transaction and abstaining from voting on such matters, where applicable.

Code of Conduct

The Board has adopted a Code of Business Conduct and Ethics (the "**Code**") for its directors, officers, consultants and employees. The Board has responsibility for monitoring compliance with the Code by ensuring all directors, officers, consultants and employees receive and become thoroughly familiar with the Code and acknowledge their support and understanding of the Code. Any non-compliance with the Code is to be reported to the Corporation's legal counsel or chair of the Corporation's audit committee (the "**Audit Committee**").

The Board takes steps to ensure that directors, officers, consultants and employees exercise independent judgment in considering transactions and agreements in respect of which a director, officer, consultant or employee of the Corporation has a material interest, which include ensuring that directors, officers, consultants and employees are thoroughly familiar with the Code and, in particular, the rules concerning reporting conflicts of interest and obtaining direction from the Corporation's directors, Chair and Chief Executive Officer ("**CEO**") regarding any potential conflicts of interest.

Whistleblower Policy

The Corporation has adopted a Whistleblower Policy that allows its directors, officers, consultants and employees who feel that a violation of the Code has occurred, or who have concerns regarding financial statement disclosure issues, accounting, internal accounting controls or auditing matters, to report such violations or concerns on a confidential and anonymous basis. Reporting a violation of the Code is done by informing a member of the Audit Committee on an anonymous basis, who then investigates each matter so reported and takes corrective and disciplinary action, if appropriate. Reporting concerns

regarding financial statement disclosure or other appropriate issues are to be forwarded in a sealed envelope to the Chairman of the Audit Committee who then investigates each matter reported and takes corrective and disciplinary action, if appropriate.

Anti-Bribery and Anti-Corruption Policy

The Corporation has adopted an Anti-Bribery and Anti-Corruption Policy that outlines the requirements that must be fulfilled by all employees, consultants, officers, and directors of the Corporation, as well as any third party working for or acting on behalf of the Corporation. These requirements include the prohibition of bribing government officials and making facilitation payments. The Anti-Bribery and Anti-Corruption Policy also provides the Corporation's employees with further clarity regarding books and records transparency, as well as the conditions with respect to gift giving to government officials, political contributions, charitable contributions, third party oversight and due diligence, internal controls and management's responsibility to promote and create awareness of the Anti-Bribery and Anti-Corruption Policy.

A copy of the Corporation's governance policies may be found under the governance tab of the Corporation's website and upon request to the Corporation by contacting Tara Asfour, the Corporation's manager of investor relations, by email to tasfour@westernmetallica.com or by calling toll-free at 1-888-787-0888.

ABOUT THE BOARD

Independence of the Board

The Board is currently comprised of five members; their independence is as follows:

Director	Independent	Reason for Non-Independence
Greg Duras	No	CEO, Corporate Secretary and Director of the Corporation
Joaquin Merino	No	Managing Director, Spain of the Corporation
Deepak Varshney	Yes	N/A
James Walker	Yes	N/A
Peter Imhof	No	Executive Chair of the Corporation

To facilitate the functioning of the Board independently of management, the following structures and processes are in place:

- a majority of the directors are not management of the Corporation;
- under the by-laws of the Corporation, any two directors may call a meeting of the Board; and
- the Board practice is to hold in-camera meetings with the independent directors at the end of each Board or committee of the Board meeting to the extent required.

Nomination of Directors

The Board is solely responsible for identifying new candidates for nomination to the Board. The process by which candidates are identified is through recommendations presented to the Board, which establishes and discusses qualifications based on corporate law and regulatory requirements as well as education and experience related to the business of the Corporation.

Compensation

The process for determining executive compensation is relatively informal, in view of the size and stage of the Corporation and its operations. The Corporation does not maintain specific performance goals or use benchmarks in determining the compensation of executive officers. Upon the recommendation of senior management, the Board of Directors may at its discretion award either a cash bonus or security compensation for high achievement or for accomplishments that the Board of Directors deem as worthy of recognition.

The Board considers and discusses proposals received from its members and the CEO and/or Chair of the Corporation regarding the compensation of management and the directors.

Board Assessments

The Board and its individual directors are assessed on an informal basis continually as to their effectiveness and contribution. The Chairman of the Board encourages discussion amongst the Board as to evaluation of the effectiveness of the Board as a whole and of each individual director. All directors are free to make suggestions for improvement of the practice of the Board at any time and are encouraged to do so.

Majority Voting Policy

The Corporation has adopted a Majority Voting Policy to provide a meaningful way for the Corporation's shareholders to hold individual directors accountable and to require the Corporation to closely examine directors that do not have the support of a majority of Shareholders. The policy provides that forms of proxy for the election of directors will permit a Shareholder to vote in favour of, or to withhold from voting, separately for each director nominee and that where a director nominee has more votes withheld than are voted in favour of him or her, the nominee will be considered not to have received the support of the Shareholders, even though duly elected as a matter of corporate law. Pursuant to the policy, such a nominee will forthwith submit his or her resignation to the Board, such resignation to be effective on acceptance by the Board. The Board will then establish an advisory committee (the "**Committee**") to which it shall refer the resignation for consideration. In such circumstances, the Committee will make a recommendation to the Board as to the director's suitability to continue to serve as a director after reviewing, among other things, the results of the voting for the nominee and the Board will consider such recommendation. This policy does not apply where an election involves a proxy battle (i.e., where proxy material is circulated in support of one or more nominees who are not part of the director nominees supported by the Board).

Orientation and Continuing Education

The Board will be responsible for ensuring that new directors are provided with an orientation and education program, which will include written information about the duties and obligations of directors, the business and operations of the Corporation, documents from recent Board meetings, and opportunities for meetings and discussion with senior management and other directors. Directors are expected to attend all meetings of the Board and are also expected to prepare thoroughly in advance of each meeting in order to actively participate in the deliberations and decisions.

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Board notes that it has benefited from the experience

and knowledge of individual members of the Board in respect of the evolving governance regime and principles. The Board ensures that all directors are apprised of changes in the Corporation's operations and business.

DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

Compensation of Directors

The Board determines the compensation payable to the directors of the Corporation and reviews such compensation periodically throughout the year. For their role as directors of the Corporation, each director of the Corporation who is not a Named Executive Officer (as defined herein) may, from time to time, be awarded stock options under the provisions of the Stock Option Plan. There are no other arrangements under which the directors of the Corporation who are not Named Executive Officers were compensated by the Corporation or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Corporation.

Compensation of Named Executive Officers

For the financial year ended March 31, 2022, the objectives of the Corporation's compensation strategy was to ensure that compensation for its NEOs (as defined below) is sufficiently attractive to recruit, retain and motivate high performing individuals to assist the Corporation in achieving its goals.

The process for determining executive compensation is relatively informal, in view of the size and stage of the Corporation and its operations. Executive officers are involved in the process and make recommendations to the Board which considers approves the discretionary components (e.g. cash bonuses) of the annual compensation of senior management. Except as otherwise described below, the Corporation does not maintain specific performance goals or use benchmarks in determining the compensation of executive officers. The Board may at its discretion award either a cash bonus or stock options for high achievement or for accomplishments that the Board deem as worthy of recognition.

Compensation for the NEOs is composed primarily of three components: base fees, performance bonuses and stock based compensation. In establishing the levels of base fees, performance bonuses and the award of stock options, the Board takes into consideration a variety of factors, including the financial and operating performance of the Corporation, and each NEO's individual performance and contribution towards meeting corporate objectives, responsibilities and length of service.

Salary

Amounts paid to executive officers as base salary, including merit salary increases, are determined in accordance with an individual's performance and salaries in the marketplace for comparable positions. However, certain of the NEOs provide their services in similar capacities to other reporting issuers, in addition to the Corporation. There is no mandatory framework that determines which of these factors may be more or less important and the emphasis placed on any of these factors may vary among the executive officers. The determination of base salaries relies principally on negotiations between the respective NEO and the Corporation and is therefore heavily discretionary.

Bonus

The Corporation's cash bonus awards are designed to reward an executive for the direct contribution which he or she can make to the Corporation. NEOs are entitled to receive discretionary bonuses from time to time as determined or approved by the Board, upon the recommendation of the Chief Executive Officer, as applicable. The Corporation does not currently prescribe a set of formal objective measures to determine discretionary bonus entitlements. Rather the Corporation uses informal goals which may include an assessment of an individual's current and expected future performance, level of responsibilities and the importance of his/her position and contribution to the Corporation. Precise goals or milestones are not pre-set by the Board.

Security Compensation

As of the Record date the Corporation's Stock Option Plan (as defined below) provides for the granting of stock options to directors, officers and employees. The purpose of the Stock Option Plan is to attract, retain and motivate individuals with the requisite training, experience and leadership to carry out key roles with the Corporation, to advance the interests of the Corporation by providing such individuals with appropriate compensation and to strengthen the alignment of the option holders' interest with the interests of Shareholders.

Indebtedness of Directors and Officers

As at the date of this Circular, and during the financial year ended March 31, 2022, no director or executive officer of the Corporation or Nominee (as defined herein) (and each of their associates and/or affiliates) was indebted, including under any securities purchase or other program, to (i) the Corporation or its subsidiaries, or (ii) any other entity which is, or was at any time during the financial year ended March 31, 2022 the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Corporation or its subsidiaries.

Directors' and Officers' Insurance and Indemnification

The Corporation maintains insurance for the benefit of its directors and officers against liability in their respective capacities as directors and officers. The Corporation has purchased in respect of directors and officers an aggregate of \$5,000,000 in coverage. The approximate amount of premiums paid by the Corporation during the financial year ended March 31, 2022, in respect of such insurance was \$19,980.

The Corporation has not, as yet, adopted a policy restricting its Named Executive Officers or directors from purchasing instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officers or directors.

In light of the Corporation's size, the Board does not deem it necessary to consider at this time the implications of the risks associated with its compensation policies and practices.

Summary Compensation Table

The following table summarizes the compensation paid during the two most recently completed financial years in respect of the individuals who were carrying out the role of the CEO and Chief Financial Officer ("CFO") of the Corporation (collectively, the "Named Executive Officers" or "NEOs") and each of the directors of the Corporation. The CEO and CFO are the only NEOs of the Corporation as the Corporation does not employ any other individuals whose total compensation is greater than \$150,000.

Stock Option Plans and Other Incentive Plans

As of the Record Date, Options have been granted pursuant to the Corporation's Stock Option Plan and in accordance with the rules of the TSX Venture Exchange. The Stock Option Plan is administered by the Board, upon the recommendations of the CEO and Executive Chair. At the Meeting Shareholders are being asked to replace the existing Stock Option Plan with Plan (as further detailed under "Business of the Meeting - Omnibus Incentive Plan" above).

The following is a summary of the terms of the Stock Option Plan, which summary is qualified in its entirety by the full terms of the Stock Option Plan attached as Schedule "C".

The Stock Option Plan is a "rolling" Stock Option Plan under the policies of the TSX Venture Exchange as under the Stock Option Plan the Corporation is authorized to grant stock options of up to 10% of its issued and outstanding Common Shares at the time of the stock option grant, from time to time, with or without vesting provisions. As of the Record Date, there is an aggregate of 4,380,000 stock options outstanding which represents approximately 8.60% of the total issued and outstanding Common Shares.

Directors, officers, employees and certain consultants are eligible to receive stock options under the Stock Option Plan. Upon the termination of an optionholder's engagement with the Corporation, the stock options held by such optionholder will be cancelled 90 days following such optionholder's termination from the Corporation. Stock options granted under the Stock Option Plan are not assignable.

The terms and conditions of each option granted under the Existing Option Plan and/or Omnibus Plan will be determined by the Board upon the recommendation of the CEO and/or Chair. Stock options will be priced in the context of the market and in compliance with applicable securities laws and policies of the TSXV. Vesting terms will be determined at the discretion of the Board on the recommendation of the CEO and/or Chair. The Board shall also determine the term of stock options granted under the Stock Option Plan, provided that no stock option shall be outstanding for a period greater than five years.

The Board believes that except for certain material changes to the Stock Option Plan it is important that the Board has the flexibility to make changes to the Stock Option Plan without shareholder approval, include appropriate adjustments to outstanding options in the event of certain corporate transactions, the addition of provisions requiring forfeiture of options in certain circumstances, specifying practices with respect to applicable tax withholdings and changes to enhance clarity or correct ambiguous provisions.

The Stock Option Plan does not provide for the transformation of stock options granted under the Stock Option Plan into stock appreciation right involving the issuance of securities from the treasury of the Corporation.

The Corporation will not provide financial assistance to any optionholder to facilitate the exercise of options under the Stock Option Plan.

The table below sets out the outstanding options under the Stock Option Plan, being the Corporation's only compensation plan under which Common Shares are authorized for issuance, as of March 31, 2022.

- (vv) **Awards to Insiders** - All Awards issued to Insiders will include a legend stipulating that the Award is subject to a four-month hold period as required by the TSX Venture.
- (ww) **Non-Transferability** – All Awards and all other rights, benefits or interests in this Plan are non-transferable and may not be pledged or assigned or encumbered in any way and are not subject to attachment or garnishment, except that if a Restricted Share Unit Recipient dies the legal representatives of the Restricted Share Unit Recipient will be entitled to receive the amount of any payment otherwise payable to the Restricted Share Unit Recipient hereunder in accordance with the provisions hereof.
- (xx) **No Right to Service** - Neither participation in this Plan nor any action under this Plan will be construed to give any Service Provider or Restricted Share Unit Recipient a right to be retained in the service or to continue in the employment of the Company or any Related Entity, or affect in any way the right of the Company or any Related Entity to terminate his or her employment at any time.
- (yy) **Plan Amendment** - Subject to all necessary approvals of the TSX Venture, the Board may amend this Plan as it deems necessary or appropriate, subject to the requirements of applicable laws, but no amendment will, without the consent of the Restricted Share Unit

Recipient or unless required by law, adversely affect the rights of a Restricted Share Unit Recipient with respect to Restricted Share Units to which the Restricted Share Unit Recipient is then entitled under this Plan.

- (zz) **Plan Termination** - The Board may terminate this Plan at any time, but no termination will, without the consent of the Restricted Share Unit Recipient or unless required by law, adversely affect the rights of a Restricted Share Unit Recipient with respect to Restricted Share Units to which the Restricted Share Unit Recipient is then entitled under this Plan. In no event will a termination of this Plan accelerate the vesting of Restricted Share Units or the time at which a Restricted Share Unit Recipient would otherwise be entitled to receive any payment in respect of Restricted Share Units hereunder.
- (aaa) **Reorganization of the Company** - The existence of this Plan or Restricted Share Units will not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or to create or issue any bonds, debentures, Shares or other securities of the Company or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company, or any amalgamation, combination, merger or consolidation involving the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.
- (bbb) **No Shareholder Rights** - Restricted Share Units are not considered to be Shares or securities of the Company, and a Restricted Share Unit Recipient who is issued Restricted Share Units will not, as such, be entitled to receive notice of or to attend any shareholders' meeting of the Company, nor entitled to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Company, and will not be considered the owner of Shares by virtue of such issuance of Restricted Share Units.
- (ccc) **No Other Benefit** - No amount will be paid to, or in respect of, a Restricted Share Unit Recipient under this Plan to compensate for a downward fluctuation in the Fair Market Value or price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Restricted Share Unit Recipient for such purpose.
- (ddd) **Unfunded Plan** - For greater certainty, this Plan will be an unfunded plan, including for tax purposes and for purposes of the *Employee Retirement Income Security Act* (United States). Any Restricted Share Unit Recipient to which Restricted Share Units are credited to his or her account or holding Restricted Share Units or related accruals under this Plan will have the status of a general unsecured creditor of the Company with respect to any relevant rights that may arise thereunder.

General Conditions Applicable to Options

- (eee) **Employment and Services** - Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.
- (fff) **No Representation or Warranty** - The Company makes no representation or warranty as to the future market value of Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Shares issuable thereunder or the tax consequences to a Service Provider. Compliance with applicable securities laws as to the disclosure and resale obligations of each Participant is the responsibility of each Participant and not the Company.

- (ggg) **Plan Amendment** - The Board reserves the right, in its absolute discretion, to at any time amend, modify or terminate the Plan with respect to all Shares in respect of Options which have not yet been granted hereunder. Any amendment to any provision of the Plan will be subject to any necessary Regulatory Approvals unless the effect of such amendment is intended to reduce (but not to increase) the benefits of this Plan to Service Providers.
- (hhh) **Savings Clause** - This Plan is intended to comply in all respects with applicable law and regulations, including Section 409A of the Code. In case any one or more provisions of this Plan shall be held invalid, illegal, or unenforceable in any respect under applicable law and regulation (including Section 409A of the Code), the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and the invalid, illegal, or unenforceable provision shall be deemed null and void; however, to the extent permitted by law, any provision that could be deemed null and void shall first be construed, interpreted, or revised retroactively to permit this Plan to be construed in compliance with all applicable law (including Section 409A of the Code) so as to foster the intent of this Plan.

All Options and any Shares issued on the exercise of Options may be subject to resale restrictions and may be subject to and legended with a four month hold period commencing on the date the Options were granted pursuant to the rules of the Exchange and applicable securities laws. The Options hereby granted are subject to the approval of the Exchange.

This Certificate and the Option evidenced hereby is not assignable, transferable or negotiable and is subject to the detailed terms and conditions contained in the Plan, the terms and conditions of which the Optionee hereby expressly agrees with the Company to be bound by. This Certificate is issued for convenience only and in the case of any dispute with regard to any matter in respect hereof, the provisions of the Plan and the records of the Company shall prevail.

If the Optionee is a U.S. person or is located in the United States, the Optionee acknowledges and agrees as follows:

- (a) The Option and the Shares (collectively, the “**Securities**”) have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”), or the securities laws of any state of the United States, and the Option is being granted to the Optionee in reliance on an exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws.
- (b) The Securities will be “restricted securities”, as defined in Rule 144 under the U.S. Securities Act, and the rules of the United States Securities and Exchange Commission provide in substance that the Optionee may dispose of the Securities only pursuant to an effective registration statement under the U.S. Securities Act or an exemption therefrom, and the Company has no obligation to register any of the Securities or to take action so as to permit sales pursuant to the U.S. Securities Act (including Rule 144 thereunder, if available).
- (c) The Optionee understands that (i) if the Company is deemed to be an issuer that is, or that has been at any time previously, an issuer with no or nominal operations and no or nominal assets other than cash and cash equivalents (a “**Shell Company**”), Rule 144 under the U.S. Securities Act may not be available for resales of the Securities and (ii) the Company is not obligated to make Rule 144 under the U.S. Securities Act available for resales of the Securities;
- (d) If the Optionee decides to offer, sell or otherwise transfer any of the Shares, the Optionee will not offer, sell or otherwise transfer any of the Shares directly or indirectly, unless:
 - (i) the sale is to the Company;
 - (ii) the sale is made outside the United States in a transaction meeting the requirements of Rule 904 of Regulation S under the U.S. Securities Act (“**Regulation S**”) and in compliance with applicable local laws and regulations;
 - (iii) the sale is made pursuant to the exemption from the registration requirements under the U.S. Securities Act provided by Rule 144 thereunder, if available, and in accordance with any applicable state securities or “blue sky” laws; or
 - (iv) the Shares are sold in a transaction that does not require registration under the U.S. Securities Act or any applicable state laws and regulations governing the offer and sale of securities;

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS

AMENDED, (THE "U.S. SECURITIES ACT"), OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES. THE HOLDER HEREOF, BY PURCHASING SUCH SECURITIES, AGREES FOR THE BENEFIT OF THE CORPORATION, THAT SUCH SECURITIES MAY BE OFFERED, SOLD OR OTHERWISE TRANSFERRED ONLY (A) TO THE CORPORATION; (B) OUTSIDE THE UNITED STATES IN ACCORDANCE WITH RULE 904 OF REGULATION S UNDER THE U.S. SECURITIES ACT; (C) IN ACCORDANCE WITH THE EXEMPTION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT PROVIDED BY RULE 144 THEREUNDER, IF AVAILABLE, AND IN COMPLIANCE WITH ANY APPLICABLE STATE SECURITIES LAWS; OR (D) IN A TRANSACTION THAT DOES NOT REQUIRE REGISTRATION UNDER THE U.S. SECURITIES ACT AND ANY APPLICABLE STATE SECURITIES LAWS, AND, IN THE CASE OF CLAUSE (C) OR (D), THE SELLER FURNISHES TO THE CORPORATION AN OPINION OF COUNSEL OF RECOGNIZED STANDING IN FORM AND SUBSTANCE SATISFACTORY TO THE CORPORATION TO SUCH EFFECT. THE PRESENCE OF THIS LEGEND MAY IMPAIR THE ABILITY OF THE HOLDER HEREOF TO EFFECT "GOOD DELIVERY" OF THE SECURITIES REPRESENTED HEREBY ON A CANADIAN STOCK EXCHANGE."

provided, that if the Shares are being sold outside the United States in compliance with the requirements of Rule 904 of Regulation S and such Shares were acquired at a time when the Company is a "foreign issuer" as defined in Regulation S, the legend set forth above may be removed by providing an executed declaration to the registrar and transfer agent of the Company, in substantially the form set forth as Appendix "II" hereto (or in such other form as the Company may prescribe from time to time) and, if requested by the Company or the transfer agent, an opinion of counsel of recognized standing in form and substance satisfactory to the Company and the transfer agent to the effect that such sale is being made in compliance with Rule 904 of Regulation S; and provided, further, that, if any Shares are being sold otherwise than in accordance with Regulation S and other than to the Company, the legend may be removed by delivery to the registrar and transfer agent and the Company of an opinion of counsel, of recognized standing reasonably satisfactory to the Company, that such legend is no longer required under applicable requirements of the U.S. Securities Act or state securities laws.

- (e) Rule 905 of Regulation S provides in substance that any "restricted securities" that are equity securities of a "domestic issuer" (including an issuer that no longer qualifies as a "foreign issuer") will continue to be deemed to be restricted securities notwithstanding that they were acquired in a resale transaction pursuant to Rule 901 or 904 of Regulation S; that Rule 905 of Regulation S will apply in respect of Shares if the Company is not a "foreign issuer" at the time of exercise of the related Options; and that the Company is not obligated to remain a "foreign issuer".
- (f) "Domestic issuer", "foreign issuer", "United States" and "U.S. person" are as defined in Regulation S.
- (g) If the Optionee is resident in the State of California on the effective date of the grant of the Option, then, in addition to the terms and conditions contained in the Plan and in this Certificate, the Optionee acknowledges that the Company, as a reporting issuer under the securities legislation in the Provinces of British Columbia, Alberta and Ontario, is required to publicly file with the securities regulators in those jurisdictions continuous disclosure documents, including audited annual financial statements and unaudited quarterly financial statements (collectively, the "**Financial Statements**"). Such filings are available on the System for Electronic Document Analysis and Retrieval (SEDAR), and documents filed on SEDAR may be viewed under the Company's profile at the following website address:

www.sedar.com. Copies of Financial Statements will be made available to the Optionee by the Company upon the Optionee's request.

All terms not otherwise defined in this Certificate shall have the meanings given to them under the Plan.

Audit Committee Charter

The following Audit Committee Charter was adopted by the Audit Committee of the Board of Directors and the Board of Directors of **Western Metallica Resources Corp.** (the "**Company**"):

Mandate

The primary function of the audit committee (the "**Committee**") is to assist the Company's Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements;

- provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

Composition

The Committee shall be comprised of a minimum of three directors as determined by the Board of Directors. If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 52-110 ("**NI 52-110**")), then all of the members of the Committee shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

If the Company ceases to be a "venture issuer" (as that term is defined in NI 52-110), then all members of the Committee shall have accounting or related financial management expertise. For the purposes of the Company's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

- (a) the termination date specified for such Option in the Option Agreement;
- (b) where the Optionee's position as an Employee, a Consultant, a director or a senior officer of the Company or any Subsidiary Company, or an individual providing Investor Relations Activities for the Company, is terminated for cause, the date of such termination for cause;
- (c) where the Optionee's position as an Employee, a Consultant, a director or a senior officer of the Company or any Subsidiary Company or an individual providing Investor Relations Activities for the Company terminates for a reason other than the Optionee's Disability or death or for cause, not more than 90 days after such date of termination or, if the Shares are listed only on the TSXVE and if the Company is designated as a "Tier 2" listed company by the TSXVE, then in the case of a person employed to provide Investor Relations Activities, not more than 30 days after such person ceases to be employed to provide Investor Relations Activities; PROVIDED that if an Optionee's position changes from one of the said categories to another category, such change shall not constitute termination or cessation for the purpose of this Subsection 9.1(c); and
- (d) the date of any sale, transfer, assignment or hypothecation, or any attempted sale, transfer, assignment or hypothecation, of such Option in violation of Section 8.1.

9.2 **Lapsed Options** – If Options are surrendered, terminate or expire without being exercised in whole or in part, new Options may be granted covering the Shares not purchased under such lapsed Options. If an Option has been surrendered in connection with the regranting of a new Option to the same Optionee on different terms than the original Option granted to such Optionee, then, if required, the new Option is subject to approval of the Exchange.

9.3 **Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement** – If the Optionee retires, resigns or is terminated from employment or engagement with the Company or any Subsidiary Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not vested at that time or which, if vested, were cancelled,

shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

10. **ADJUSTMENTS TO OPTIONS**

10.1 **Alteration in Capital Structure** – If there is any change in the Shares through or by means of a declaration of stock dividends of the Shares or consolidations, subdivisions or reclassifications of the Shares, or otherwise, the number of Shares available under the Plan, the Shares subject to any Option and the Option Price therefor shall be adjusted proportionately by the Board and, if required, approved by the Exchange, and such adjustment shall be effective and binding for all purposes of the Plan.

10.2 **Effect of Amalgamation, Merger or Arrangement** – If the Company amalgamates, merges or enters into a plan of arrangement with or into another corporation, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Optionee would have received upon such amalgamation, merger or arrangement if the Optionee had exercised the Option immediately prior to the record date applicable to such amalgamation, merger or arrangement, and the exercise price shall be adjusted proportionately by the Board and such adjustment shall be binding for all purposes of the Plan.

10.3 **Acceleration on Change in Control** – Upon a Change in Control, all Options shall become immediately exercisable, notwithstanding any contingent vesting provisions to which such Options may have otherwise been subject.

10.4 **Acceleration of Date of Exercise** – Subject to the approval of the Exchange, if required, the Board shall have the right to accelerate the date of vesting of any portion of any Option which remains unvested.

10.5 **Determinations to be Binding** – If any questions arise at any time with respect to the Option Price or exercise price or number of Option Shares or other property deliverable upon exercise of an Option following an event referred to in this Section 10, such questions shall be conclusively determined by the Board, whose decisions shall be final and binding.

10.6 **Effect of a Take-Over** – If a *bona fide* offer (the “Offer”) for Shares is made to an Optionee or to shareholders generally or to a class of shareholders which includes the Optionee, which Offer constitutes a take-over bid within the meaning of the Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon any Option held by an Optionee may be exercised in whole or in part, notwithstanding any contingent vesting provisions to which such Options may have otherwise been subject, by the Optionee so as to permit the Optionee to tender the Shares received upon such exercise (the “Optioned Shares”) to the Offer. If:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Optioned Shares tendered by the Optionee pursuant to the Offer are not taken up and paid for by the offeror pursuant thereto;

the Optioned Shares or, in the case of clause (b) above, the Optioned Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Optioned Shares, the Option shall be reinstated as if it had not been exercised. If any Optioned Shares are returned to the Company under this Section, the Company shall refund to the Optionee any Option Price paid for such Optioned Shares.

11. **APPROVAL, TERMINATION AND AMENDMENT OF PLAN**

11.1 **Shareholder Approval** – This Plan, if the Shares are listed only on the TSXVE, is subject to shareholder approval on a yearly basis at the Company’s next ensuing annual general meeting.

11.2 **Power of Board to Terminate or Amend Plan** – Subject to the approval of the Exchange, if required, the Board may terminate, suspend or discontinue the Plan at any time or amend or revise the terms of the Plan; provided, however, that, except as provided in Section 10, the Board may not do any of the following without obtaining, within 12 months either before or after the Board's adoption of a resolution authorizing such action, approval by the Company's shareholders at a meeting duly held in accordance with the applicable corporate laws:

- (a) increase the maximum number of Shares which may be issued under the Plan;
- (b) materially modify the requirements as to eligibility for participation in the Plan; or
- (c) materially increase the benefits accruing to participants under the Plan;

however, the Board may amend the terms of the Plan to comply with the requirements of any applicable regulatory authority, or as a result of changes in the policies of the Exchange relating to director, officer and employee stock options, without obtaining the approval of the Company's shareholders.

11.3 **No Grant During Suspension of Plan** – No Option may be granted during any suspension, or after termination, of the Plan. Amendment, suspension or termination of the Plan shall not, without the consent of the Optionee, alter or impair any rights or obligations under any Option previously granted.

12. **CONDITIONS PRECEDENT TO ISSUANCE OF SHARES**

12.1 **Compliance with Laws** – Shares shall not be issued with respect to an Option unless the exercise of such Option and the issuance and delivery of such shares shall comply with all relevant provisions of law, including, without limitation, any applicable United States' state securities laws, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations thereunder and the requirements of any Exchange or automated interdealer quotation system of a registered national securities association upon which such Shares may then be listed or quoted, and such issuance shall be further subject to the approval of counsel for the Company with respect to such compliance, including the availability of an exemption from registration for the issuance and sale of such Shares. The inability of the Company to obtain from any regulatory body the authority deemed by the Company to be necessary for the lawful issuance and sale of any Shares under this Plan, or the unavailability of an exemption from registration for the issuance and sale of any Shares under this Plan, shall relieve the Company of any liability with respect to the non-issuance or sale of such Shares other than with respect to a refund of any Option Price paid.

13. **USE OF PROCEEDS**

13.1 **Use of Proceeds** – Proceeds from the sale of Shares pursuant to the Options granted and exercised under the Plan shall constitute general funds of the Company and shall be used for general corporate purposes, or as the Board otherwise determines.

14. **NOTICES**

14.1 **Notices** – All notices, requests, demands and other communications required or permitted to be given under this Plan and the Options granted under this Plan shall be in writing and shall be either delivered personally to the party to whom notice is to be given, in which case notice shall be deemed to have been duly given on the date of such personal delivery; telecopied, in which case notice shall be deemed to have been duly given on the date the telecopy is sent; or mailed to the party to whom notice is to be given, by first class mail, registered or certified, return receipt requested, postage prepaid, and addressed to the party at his or its most recent known address, in which case such notice shall be deemed to have been duly given on the tenth postal delivery day following the date of such mailing.

15. MISCELLANEOUS PROVISIONS

15.1 **No Obligations to Exercise** – Optionees shall be under no obligation to exercise Options granted under this Plan.

15.2 **No Obligation to Retain Optionee** – Nothing contained in this Plan shall obligate the Company or any Subsidiary Company to retain an Optionee as an employee, officer, director or consultant for any period, nor shall this Plan interfere in any way with the right of the Company or any Subsidiary Company to reduce such Optionee's compensation.

15.3 **Binding Agreement** – The provisions of this Plan and of each Option Agreement with an Optionee shall be binding upon such Optionee and the Qualified Successor or Guardian of such Optionee.

15.4 **Use of Terms** – Where the context so requires, references herein to the singular shall include the plural, and vice versa, and references to a particular gender shall include either or both genders.

15.5 **Headings** – The headings used in this Plan are for convenience of reference only and shall not in any way affect or be used in interpreting any of the provisions of this Plan.

15.6 **No Representation or Warranty** – The Company makes no representation or warranty as to the future value of any Shares issued in accordance with the provisions of this Plan.

15.7 **Income Taxes** – Upon the exercise of an Option by an Optionee, the Company shall have the right to require the Optionee to remit to the Company an amount sufficient to satisfy any Withholding Obligations relating thereto under applicable tax legislation. Unless otherwise prohibited by the Board or by applicable law, satisfaction of the amount of the Withholding Obligations (the "**Withholding Amount**") may be accomplished by any of the following methods or by a combination of such methods as determined by the Company in its sole discretion:

- (a) the tendering by the Optionee of cash payment to the Company in an amount less than or equal to the Withholding Amount; or
- (b) the withholding by the Company from the Shares otherwise due to the Optionee such number of Shares as it determines are required to be sold by the Company, as trustee, to satisfy the Withholding Amount (net of selling costs). By executing and delivering the Option Agreement, the Optionee shall be deemed to have consented to such sale and have granted to the Company an irrevocable power of attorney to effect the sale of such Shares and to have acknowledged and agreed that the Company does not accept responsibility for the price obtained on the sale of such Shares; or
- (c) the withholding by the Company from any cash payment otherwise due by the Company to the Optionee, including salaries, directors fees, consulting fees and any other forms of remuneration, such amount of cash as is required to pay and satisfy the Withholding Amount;

provided, however, in all cases, that the sum of any cash so paid or withheld and the fair market value of any Shares so withheld is sufficient to satisfy the Withholding Amount.

The provisions of the Option Agreement shall provide that the Optionee (or their beneficiaries) shall be responsible for all taxes with respect to any Options granted under the Option Plan and an acknowledgement that neither the Board nor the Company shall make any representations or warranties of any nature or kind whatsoever to any person regarding the tax treatment of Options or payments on account of the Withholding Amount made under the Option Plan and none of the Board, the Company, nor any of its employees or representatives shall have any liability to an Optionee (or its beneficiaries) with respect thereto.

15.8 **Compliance with Applicable Law** – If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or stock exchange or over the counter market having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

15.9 **Conflict** – In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

15.10 **Governing Law** – This Plan and each Option Agreement issued pursuant to this Plan shall be governed by the laws of the Province of Ontario.

15.11 **Time of Essence** – Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be, or to operate as, a waiver of the essentiality of time.

15.12 **Entire Agreement** – This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.

16. **EFFECTIVE DATE OF PLAN**

16.1 **Effective Date of Plan** – This Plan shall be effective on the day of its approval by the directors provided that where applicable, this Plan shall be effective the later of the day of its approval by the shareholders of the Company given by way of ordinary resolution and the day of its acceptance for filing by the Exchange.
