It is expected that the solicitation of proxies will be primarily by mail; however, proxies may also be solicited by the officers, directors and employees of the Company by telephone, electronic mail, facsimile or personally. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The cost of soliciting proxies in connection with the Meeting will be borne directly by the Company.

The contents and the mailing of the Information Circular have been approved by the Company's board of directors (the "**Board**").

INFORMATION CONTAINED IN THIS INFORMATION CIRCULAR

The information contained in this Information Circular, unless otherwise indicated, is given as of May 25th, 2018.

In this Information Circular, unless otherwise indicated, all references to "\$" refer to Canadian dollars.

No person is authorized by the Company to give any information (including any representations) in connection with the matters to be considered at the Meeting other than the information contained in this Information Circular. Information contained in this Information Circular should not be construed as legal, tax or financial advice, and shareholders of the Company should consult their own professional advisors if they are in doubt as to how to deal with these materials or the matters they describe.

GENERAL PROXY MATTERS

Appointment of Proxy

The persons named in the enclosed Proxy are directors and/or officers of the Company. **Each shareholder has the right to appoint a person or entity, other than the persons designated by management in the Proxy, to represent the shareholder at the Meeting. A shareholder giving a proxy may do so by striking out the names of the management designees printed in the Proxy and by inserting the name of another designated person or entity in the blank space provided. A proxy designee need not be a shareholder of the Company.**

Those shareholders who wish to be represented at the Meeting by proxy must complete and deliver a Proxy to Computershare Investor Services Inc. ("**Computershare**"), Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, by 12:00 p.m. (Toronto time) by Thursday, June 21, 2018, or if the Meeting is adjourned or postponed, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays preceding the time and date of reconvening such adjourned or postponed shareholder meeting at which the Proxy is to be used.

Revocation of Proxy

A Proxy given by a shareholder for use at the Meeting may be revoked at any time prior to its use. In addition to revocation in any other manner permitted by law, the Proxy may be revoked by:

- (a) signing a proxy with a later date and delivering it at the time and place noted above;
- (b) signing and dating a written notice of revocation and delivering it to Computershare, or by transmitting a revocation by telephonic or electronic means to Computershare, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment or postponement of it, at which the Proxy is to be used, or delivering a written notice of revocation and delivering it to the Chairman of the Meeting on the day of the Meeting or adjournment or postponement thereof; or
- (c) attending the Meeting or any adjournment or postponement thereof and registering with the scrutineer as a shareholder present in person.

Voting of Proxies

The common shares of the Company (the "**Common Shares**") represented by proxy in the enclosed form will be voted or withheld from voting by the designated holder in accordance with the direction of the registered shareholder appointing such person. In the absence of instructions, such Common Shares will be voted in favour of each of the matters referred to in the Notice of Meeting.

The enclosed Proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters identified in the Notice of Meeting and on other matters, if any, which may properly be brought before the Meeting or any adjournment thereof. At the date hereof, management of the Company knows of no such amendments or variations or other matters to be brought before the Meeting. However, if any other matters which are not now known to management of the Company should properly be brought before the Meeting, or any adjournment thereof, the Common Shares represented by such proxy will be voted on such matters in accordance with the judgment of the person named as proxy thereon.

Voting by Non-Registered Holders

Only shareholders whose names have been entered in the Company's register of shareholders as of the close of business on the Record Date (as defined herein) will be entitled to receive notice of, and to vote at, the Meeting. Most shareholders are "**non-registered**" shareholders because the Common Shares they own are not registered in their name but instead registered in the name of an intermediary (an "**Intermediary**" or "**Intermediaries**") with whom the non-registered shareholder deals with in respect of the Common Shares (including, among others, a broker, a financial institution, a participant, a trustee or administrator of a self-administered retirement savings plan, retirement income fund, education savings plan or other similar self-administered savings or investment plan registered under the *Income Tax Act* (Canada), or a nominee of

any of the foregoing that holds such Common Shares on behalf of non-registered shareholders). If you purchased Common Shares through a broker, you are likely a non-registered holder.

Non-registered holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as "**NOBOs**". Those non-registered holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as "**OBOs**".

The Company has elected to send the Notice of Meeting, this Information Circular and the Proxy (collectively, the "**Meeting Materials**") indirectly to NOBOs through Intermediaries. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each NOBO.

Intermediaries are required to forward the Meeting Materials to NOBOs to seek their voting instructions in advance of the Meeting. Common Shares held by Intermediaries can only be voted in accordance with the instructions of the non-registered holder. Intermediaries often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Intermediary to ensure that your Common Shares are voted at the Meeting. If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Intermediary and return the form to the Intermediary in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Intermediaries are required to forward the Meeting Materials to each OBO unless the OBO has waived the right to receive them. The Company does not intend to pay for Intermediaries to deliver to OBOs the Meeting Materials under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") and Form 54-101F7 – *Request for Voting Instructions Made by an Intermediary*.

The Company is not sending the Meeting Materials to registered shareholders or non-registered shareholders using notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102 – *Continuous Disclosure Obligations*.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

As at the date of this Information Circular, except as described elsewhere in this Information Circular, to the knowledge of the Company's directors and executive officers, there are no material interests, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year, or of any associate or affiliate of any such persons, in any matter to be acted upon at the Meeting.

Holders of record of Common Shares at the close of business on Tuesday, May 22, 2018 will be entitled to vote at the Meeting and at all adjournments or postponements thereof.

Election of Directors

At the Meeting, the following four persons named hereunder will be proposed for election as directors of the Company. Management does not contemplate that any of the nominees will be unable to serve as a director, but if that should occur for any reason prior to the Meeting, it is intended that discretionary authority shall be exercised by the persons named in the Proxy to vote the proxy for the election of any other person or persons in place of any nominee or nominees unable to serve.

Each director elected will hold office until the close of the next annual meeting of shareholders, or until his successor is duly elected unless prior thereto he resigns or his office becomes vacant by reason of death or

Stock Option Plan

Shareholders first approved the rolling stock option plan (the "**Stock Option Plan**") at the Company's Annual General Meeting of November 28, 2014. TSX Venture Exchange approval was received February 19, 2015. Pursuant to the policies of the TSX Venture Exchange (the "**TSXV**"), the Company is required to obtain shareholder approval of the Stock Option Plan each year because the Stock Option Plan is a rolling-maximum option plan whereby the maximum number of Common Shares that may be reserved for issuance and which can be purchased upon the exercise of all options granted under the Stock Option Plan is fixed at 10% of the outstanding Common Shares from time to time. The Company approved the Stock Option Plan at the Company's last annual and special meeting, on May 29, 2017.

A copy of the Stock Option Plan, effective February 20, 2015, is attached hereto as Schedule "A". Set forth below is a summary of the Stock Option Plan. The following summary is qualified in all respects by the provisions of the Stock Option Plan. Reference should be made to the Stock Option Plan for the complete provisions thereof.

Summary of the Stock Option Plan

The purpose of the Stock Option Plan is to allow the Company to provide an incentive to directors, employees and consultants of the Company or any affiliate of the Company or any Management Company Employee, as defined in the Stock Option Plan, (collectively, "**Eligible Persons**") to acquire an equity interest in the Company, to continue their participation in the affairs of the Company and to increase their efforts on behalf of the Company. The Stock Option Plan is effective until February 19, 2025 (or until such earlier date as the Board may determine).

Pursuant to the Stock Option Plan, the Board may from time to time authorize the issue of options to Eligible Persons (once an option is granted, "**Optionees**"). Options will be exercisable over periods of up to ten (10) years, as determined by the Board, and are required to have an exercise price no less than the closing market price of the Company's Common Shares prevailing on the market trading day immediately prior to the date of grant less a discount of up to 25% the amount of the discount varying with market price in accordance with the policies of the TSXV. All rights to exercise options shall terminate upon the earliest of:

- the expiration date of the option;
- the date on which the Optionee ceases to be an Eligible Person by reason of termination for cause (or termination for any reason in the case of a Management Company Employee);
- any date determined by the Board, acting reasonably, within a maximum of twelve (12) months from the date the Optionee ceases to be an Eligible Person by reason of termination of the Eligible Person as an employee or consultant of the Company other than for cause; or
- if any option is exercisable by the heirs or administrators of an Optionee who ceases to be an Eligible Person by reason of the Eligible Person's death, the first anniversary of the date of death of the Eligible Person.

The aggregate number of Common Shares reserved for issuance under the Stock Option Plan and under any other share compensation arrangement granted or made available by the Company from time to time may not exceed, in aggregate, 10% of the Company's Common Shares issued and outstanding at the time of grant. In addition, for as long as the Common Shares of the Company are listed on the TSXV, the Stock Option Plan will be subject to the following requirements (among others):

- options to acquire more than 2% of the issued Common Shares of the Company may not be granted to any one consultant in any twelve (12) month period;
- options to acquire more than 2% of the issued Common Shares of the Company may not be granted to any or all persons conducting Investor Relations Activities (as defined in the Stock Option Plan) in any twelve (12) month period;
- options issued to consultants conducting Investor Relations Activities must vest in stages over twelve (12) months with no more than one-quarter ($\frac{1}{4}$) of the options vesting in any three (3) month period;
- the approval of a majority of shareholders voting at a meeting of shareholders who are not Insiders (as defined in the Stock Option Plan) of the Company that qualify as Eligible Persons under the Stock Option Plan and associates of such Insiders or holders of non-voting and subordinate voting shares of the Company shall be obtained:

- if Common Shares reserved for issuance upon the exercise of options granted to Insiders pursuant to the Stock Option Plan and any previously established and outstanding stock option plans or grants of the Company, exceed 10% of the issued Common Shares of the Company at the time of such the grant;
- if options are granted to any one Optionee to acquire more than 5% of the issued and outstanding Common Shares of the Company at the time of such the grant in any twelve (12) month period;
- if options are granted to Insiders to acquire more than 10% of the issued and outstanding Common Shares of the Company at the time of such the grant in any twelve (12) month period;
- any decrease of the option price of options granted to Insiders pursuant to the Stock Option Plan or any previously established and outstanding stock option plans or grants of the Company.

Re-approval of Stock Option Plan

At the Meeting, shareholders of the Company will be asked to consider, and if thought fit, to pass, with or without variation the following ordinary resolution (the "**Option Plan Resolution**") confirming and approving the Stock Option Plan:

***"BE IT RESOLVED BY ORDINARY RESOLUTION THAT:** the Company's Stock Option Plan be and is hereby confirmed and approved as the Stock Option Plan of the Company until the next annual and special meeting of the Company."*

The Board is of the view that the Stock Option Plan provides the Company with the flexibility to attract and maintain the services of executives, employees and other services providers in competition with other companies in the industry. Stock options issued under the Stock Option Plan help align the interests of the Company's directors, officers, employees and consultants with the long-term interests of the Company's shareholders while allowing the Company to reduce the cash component of its compensation programs and thus preserve capital.

In order to be passed, the Option Plan Resolution requires the approval of a majority of the votes cast thereon by shareholders of the Company present in person or represented by proxy at the Meeting. The Board unanimously recommends that shareholders vote in favour of the Option Plan Resolution. **Unless otherwise directed, the persons named in the accompanying Proxy intend to vote FOR the Option Plan Resolution.**

Debt Settlement

The Company is indebted to certain of its officers and/or directors in respect of management salaries, director's fees, consulting fees and related expenses payable by the Company, which have been accrued since January 2017. Recognizing the need to conserve capital and in order to utilize available cash on hand for research & development, on January 30, 2018, the Company issued a news release announcing its intention to settle \$363,900 of indebtedness by issuing an aggregate of up to 3,639,000 Common Shares at a deemed price of \$0.10 per Common Share, subject to the approval of the TSXV.

The TSXV has accepted for filing the Company's proposal to settle an aggregate of \$184,000 of indebtedness (the "**Debt Settlement**"), conditional upon the Company obtaining disinterested shareholder approval with respect to the issuance up to 1,840,000 Common Shares, representing aggregate amounts

owed directly or indirectly to Isaac Maresky, the Chairman, Chief Executive Officer and a director of the Company, and Gadi Levin, a director and Chief Financial Officer of the Company for deferred and unpaid compensation.

The following table sets out the details of the Common Shares proposed to be issued to officers and/or directors of the Company (each, a "**Related Party**" and together, the "**Related Parties**") pursuant to the Debt Settlement, assuming that the Common Shares are issued at a deemed price of \$0.10 per Common Share, which issuances require disinterested shareholder approval:

Related Party	Indebtedness to be settled by issuance of Common Shares
<i>Isaac Maresky</i> <i>Director, Chief Executive Officer</i>	\$96,000 960,000 Common Shares
<i>Gadi Levin</i> <i>Director, Chief Financial Officer</i>	\$88,000 880,000 Common Shares
Total	\$184,000 1,840,000 Common Shares

The participation in the Debt Settlement by the Related Parties constitutes a "related party transaction" for the purposes of Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("**MI 61-101**"). The Company is exempt from the requirements to obtain a formal valuation and minority shareholder approval in connection with the Debt Settlement in reliance on sections 5.5(a) and 5.7(a), respectively, of MI 61-101, as neither the fair market value of the securities to be received by such parties nor the fair market value of the debt to be settled exceeds 25% of the Company's market capitalization as calculated in accordance with MI 61-101.

At the Meeting, disinterested shareholders of the Company will be asked to consider and, if deemed advisable, to pass, with or without variation, a resolution approving the issuance of up to an aggregate of 1,840,000 Common Shares, at a deemed price of \$0.10 per Common Share, to Isaac Maresky, the Chairman, Chief Executive Officer and a director of the Company, and Gadi Levin, a director and the Chief Financial Officer of the Company, in settlement of up to an aggregate of \$184,000 of indebtedness (the "**Debt Settlement Resolution**"). The full text of the Debt Settlement Resolution is set out in Schedule "B" attached hereto.

In order to be passed, the Debt Settlement Resolution must be approved at the Meeting by a majority of votes cast with respect to the Debt Settlement Resolution by shareholders of the Company present in person or represented by proxy at the Meeting, excluding votes cast by Messrs. Maresky and Levin, and each of their respective associates and affiliates.

The disinterested members of the Board have concluded that the Debt Settlement is in the best interests of and is fair to the Company, and unanimously recommends that the shareholders of the Company vote FOR the Debt Settlement Resolution.

The persons named in the form of proxy accompanying this Information Circular intend to vote FOR the Debt Settlement Resolution, unless the shareholder of the Company who has given such proxy has directed that the Common Shares represented by such proxy be voted against the Debt Settlement Resolution.

2. completion of a licensing, M&A, or partnership transaction valued at \$5,000,000, or more, in respect of the Company's lead cancer immunotherapy product, ImMucin, or any other product developed by the Company.

The Company also wishes to implement executive compensation that is reflective of the contributions and profile provide by the Company's Chief Executive Officer, Mr. Isaac Maresky. In further effort to preserve capital to be utilized in clinical science research and development and better align the Company's executive compensation program with its medium and long term operational performance, the Company has entered into an executive compensation agreement with Mr. Isaac Maresky (the "**Equity Based CEO Agreement**", and together with the Equity Based Director Compensation Agreements, the "**Equity Based Compensation Agreements**").

Pursuant to the terms of the Equity Based CEO Compensation Agreement, Mr. Isaac Maresky would be issued: (i) 3,200,000 Common Shares upon completion of the first Board Milestone to occur; and (ii) provided Mr. Maresky is the Chief Executive Officer of the Company, or is serving in a similar role which fulfills duties related to operationalizing the Company's strategic plan, directing financial and personnel management, and attending to investor-related activities, at the applicable year-end, (A) 1,600,000 Common Shares on December 31, 2018, and (B) 1,600,000 Common Shares on December 31, 2019 (the "**CEO Milestones**" and together with the Board Milestones, the "**Milestones**").

The Equity Based Compensation Agreements are conditional upon the Company obtaining shareholder and TSXV approval. At the Meeting, disinterested shareholders of the Company will be asked to consider and, if deemed advisable, to pass, with or without variation, a resolution approving the issuance of up to an aggregate of 21,199,996 Common Shares to the Chairman and CEO, Mr. Isaac Maresky, and directors, Dr. Shawn Langer and Dr. Ari Kellen, if the Company attains the relevant Milestone(s) (the "**Equity Based Compensation Agreement Resolution**"). The full text of the Equity Based Compensation Agreement Resolution is set out in Schedule "C" attached hereto. In order to be passed, the Equity Based Compensation Agreement Resolution must be approved at the Meeting by a majority of votes cast with respect to the Equity Based Compensation Agreement Resolution by disinterested shareholders of the Company present in person or represented by proxy at the Meeting, excluding votes cast by Mr. Maresky and Drs. Kellen and Langer, and each of their respective associates and affiliates.

The independent member of the Board has concluded that the Equity Based Compensation Agreements are in the best interests of and are fair to the Company, and unanimously recommends

Oversight and Description of Director and NEO Compensation

Compensation of Directors

The Company provides a modest cash retainer to its non-executive directors. Executive directors do not receive any cash compensation in their capacity as directors. Long term incentives (stock options) are granted from time to time, based on an existing complement of long term incentives, corporate performance and to be competitive with other companies of similar size and scope.

Compensation of Named Executive Officers

The Company's Compensation Committee (as defined herein) is responsible for, among other things, evaluating the performance of the Company's executive officers, determining or making recommendations to the Board with respect to the compensation of the Company's executive officers, making recommendations to the Board with respect to director compensation, incentive compensation plans and equity-based plans, making recommendations to the Board with respect to the compensation policy for the employees of the Company and ensuring that the Company is in compliance with all legal requirements with respect to compensation disclosure. In performing its duties, the Compensation Committee has the authority to engage such advisors, including executive compensation consultants, as it considers necessary.

Philosophy and Objectives

The compensation program for senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining talented, highly-qualified executives;
- (b) motivating the short and long term performances of executives; and
- (c) creating a corporate environment which aligns their interests with those of the shareholders.

The compensation program is designed to provide competitive levels of compensation. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Company's NEOs may receive compensation that is comprised of three components: (a) a base salary; (b) bonus compensation; and (c) equity participation through the Company's Stock Option Plan or all such forms of compensation.

Base Salary

In the view of Company, paying base salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on companies earning comparative revenues in a similar industry is compiled from a variety of sources, including surveys conducted by independent consultants and national and international publications.

Bonus Compensation

The Company's primary objective is to achieve certain strategic objectives and milestones. The Company may approve executive bonus compensation dependent upon the Company meeting those strategic objectives and milestones and sufficient cash resources being available for the granting of bonuses. Bonuses paid to the NEOs are allocated on an individual basis. Bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments. There were no bonuses paid to any of the NEOs during the most recently completed financial year.

Equity Participation through Stock Option Plan

The Company has, as a part of its long-term incentive, adopted a Stock Option Plan. The Stock Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Compensation Committee believes that the Stock Option Plan aligns the interests of the NEOs with shareholders by linking a component of executive compensation to the longer term performance of the Company's Common Shares.

In monitoring or adjusting the option allotments, the Compensation Committee takes into account the level of options granted for similar levels of responsibility and considers each NEO or employee based on reports received from management, its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous options grants and the objectives set for the NEOs. The scale of options will generally be commensurate to the appropriate level of base compensation for each level of responsibility.

In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Compensation Committee also makes the following determinations:

- the NEOs and others who are entitled to participate in the Stock Option Plan;
- the exercise price for each stock option granted, subject to the provision that the exercise price cannot be lower than the market price on the date of grant;
- the date on which each option is granted;
- the vesting period, if any, for each stock option; and

- the other material terms and conditions of each stock option grant.

Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, although the level of reward provided by a particular stock option grant is dependent upon the volatility of the stock market.

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through Stock Option Plan. Stock options are granted to senior executives taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors. Options are generally granted to senior executives which vest immediately.

All of the NEOs are entitled to participate in the Stock Option Plan.

This Oversight and Description of Director and NEO Compensation was completed by the Company's Compensation Committee.

Pension Plan Benefits

The Company does not have a pension plan in place and therefore there were no pension plan benefit awards made to a director or NEO during the financial year ended December 31, 2017.

8. GRANTS, TERMS AND CONDITIONS OF OPTIONS

Options may be granted by the Board at any time and from time to time prior to the termination of the Plan. Options granted pursuant to the Plan shall be contained in an Option Agreement and, except as hereinafter provided, shall be subject to the following terms and conditions:

The Option Price shall be determined by the Board, provided that such price shall not be lower than the Discounted Market Price of the Option Shares on the date of grant of the Option.

(b) Duration and Exercise of Options

Except as otherwise provided elsewhere in this Plan, the Options shall be exercisable for a period to be determined in each instance by the Board, not exceeding ten years from the Option Date. The Options must be exercised in accordance with this Plan and the Option Agreement.

Except as contemplated in (c) below, no Option may be exercised by an Optionee who was an Eligible Person at the time of grant of such Option unless the Optionee shall have been an Eligible Person continuously since the Option Date. Absence on leave, with the approval of the Company, shall not be considered an interruption of employment for the purpose of the Plan. Notwithstanding anything else contained herein, each Eligible Person shall be responsible for the payment of all applicable taxes, including, but not limited to, income taxes payable in connection with the exercise of any Options under the Plan and the Company shall bear no liability in connection with the payment of such taxes. If the Company is required under the *Income Tax Act* (Canada) or any other applicable law to make source deductions in respect of employee stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of Option Shares on exercise of Options, then the Optionee shall:

- (i) pay to the Company, in addition to the exercise price for the Options, sufficient cash as is reasonably determined by the Company to be the amount necessary to permit the required tax remittance;
- (ii) authorize the Company, on behalf of the Optionee, to sell in the market on such terms and at such time or times as the Company determines a portion of the Common Shares being issued upon exercise of the Options to realize cash proceeds to be used to satisfy the required tax remittance; or
- (iii) make other arrangements acceptable to the Company to fund the required tax remittance.

(c) Termination

All rights to exercise Options shall terminate upon the earliest of:

- (i) the expiration date of the Option;
- (ii) the date on which the Optionee ceases to be an Eligible Person by reason of termination of the Eligible Person as an Employee, Consultant of the Company for cause (which, in the case of a Consultant, includes any breach of an agreement between the Company and the Consultant or the Consultant Company), or termination, for any reason, of a Management Company Employee by a person providing management services to the Company;

- (iii) any date determined by the Board, acting reasonably, within a maximum of twelve (12) months from the date the Optionee ceases to be an Eligible Person by reason of termination of the Eligible Person as an Employee or Consultant of the Company other than for cause; or
- (iv) if any Option is exercisable by the heirs or administrators of an Optionee who ceases to be an Eligible Person by reason of the Eligible Person's death, the first anniversary of the date of death of the Eligible Person.

(d) Re-issuance of Options

Options which are cancelled or expire prior to exercise may be re-issued under the Plan without Shareholder Approval.

(e) Transferability of Option

Options are non-transferable and non-assignable.

(f) Other Terms and Conditions

The Option Agreement may contain such other provisions as the Board deems appropriate, provided such provisions are not inconsistent with the Plan and the requirements of an Exchange.

In addition, for as long as the Common Shares of the Company are listed on the TSX Venture Exchange, the Company shall comply with the following requirements:

- (i) Options to acquire more than 2% of the issued Common Shares of the Company, calculated on the date of grant, may not be granted to any one Consultant in any twelve (12) month period;
- (ii) Options to acquire more than 2% of the issued Common Shares of the Company, calculated on the date of grant, may not be granted to any or all persons conducting Investor Relations Activities in any twelve (12) month period;
- (iii) Options issued to Consultants conducting Investor Relations Activities must vest in stages over twelve (12) months with no more than one-quarter ($\frac{1}{4}$) of the Options vesting in any three month period;
- (iv) the approval of the disinterested shareholders shall be obtained:
 - (A) if Common Shares reserved for issuance upon the exercise of Options granted to Insiders pursuant to this Plan and any previously established and outstanding stock option plans or grants of the Company, exceed 10% of the issued Common Shares of the Company at the time of such the grant;
 - (B) if Options are granted to any one Optionee to acquire more than 5% of the issued and outstanding Common Shares of the Company at the time of such the grant in any twelve (12) month period;

- (C) if Options are granted to Insiders to acquire more than 10% of the issued and outstanding Common Shares of the Company at the time of such the grant in any twelve (12) month period;
- (D) any decrease of the Option Price of Options granted to Insiders pursuant to this Plan or any previously established and outstanding stock option plans or grants of the Company; and
- (v) for Options granted to Employees, Consultants or Management Company Employees of the Company, the Company will represent that the Optionee is a bona fide Employee, Consultant or Management Company Employee of the Company, as the case may be.

9. ADJUSTMENT OF AND CHANGES IN THE OPTION SHARES

- (a) If the Option Shares, as presently constituted, are changed into or exchanged for a different number or kind of shares or other securities of the Company or of another Company (whether by reason of merger, consolidation, amalgamation, recapitalization, reclassification, split, reverse split, combination of shares, or otherwise) or if the number of such Option Shares are increased through the payment of a stock dividend, then there shall be substituted for or added to each Option Share subject to or which may become subject to an Option under this Plan, the number and kind of shares or other securities into which each outstanding Option Share is so changed, or for which each such Option Share is exchanged, or to which each such Option Share is entitled, as the case may be. Outstanding Options under the Option Agreements shall also be appropriately amended as to price and other terms as may be necessary to reflect the foregoing events. In the event that there is any other change in the number or kind of the outstanding Option Shares or of any shares or other securities into which such Option Shares are changed, or for which they have been exchanged, then, if the Board shall, in its sole discretion, determine that such change equitably requires an adjustment in any Option theretofore granted or which may be granted under the Plan, such adjustment shall be made in accordance with such determination. Subject to the requirements of an Exchange, any such amendment shall be effective upon receipt of Board approval of it, and the approval of any of the shareholders of the Company or any Optionee is not required to give effect to such amendment.
- (b) Fractional shares resulting from any adjustment in Options pursuant to this Section 9 will be cancelled. Notice of any adjustment shall be given by the Company to each holder of an Option which has been so adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

10. PAYMENT

Subject as hereinafter provided, the full purchase price for each of the Option Shares shall be paid by cash, bank draft, certified cheque or electronic transfer of immediately available funds in favour of the Company upon exercise thereof. An Optionee shall have none of the rights of a shareholder in respect of the Option Shares until the Option Shares are issued to such Optionee as fully paid.

11. SECURITIES LAW REQUIREMENTS

No Option shall be exercisable in whole or in part, nor shall the Company be obligated to issue any Option Shares pursuant to the exercise of any such Option, if such exercise and issuance would, in the opinion of

counsel for the Company, constitute a breach of any applicable laws from time to time, or the rules from time to time of the Exchange. Each Option shall be subject to the further requirement that if at any time the Board determines that the listing or qualification of the Option Shares under any securities legislation or other applicable law, or the consent or approval of any governmental or other regulatory body (including the Exchange), is necessary as a condition of, or in connection with, the issue of the Option Shares hereunder, such Option may not be exercised in whole or in part unless such listing, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Board.

12. AMENDMENT OF THE PLAN OR OPTIONS

- (a) The Board may, subject to the requirements of any applicable securities regulation or law of any applicable governmental or regulatory body (including the applicable policies of an Exchange), amend, suspend or terminate the Plan or any portion thereof or any outstanding Options or Option Agreements related thereto, at any time, including:
- (i) an increase the aggregate number of Shares which may be issued under the Plan;
 - (ii) materially modifying the requirements as to the eligibility for participation in the Plan which would have the potential of broadening or increasing Insider participation;
 - (iii) the addition of any form of financial assistance or any amendment to a financial assistance provision which is more favourable to participants under the Plan;
 - (iv) the addition of a cashless exercise feature, payable in cash or securities, which does not provide for a full deduction of the number of underlying securities from the Plan reserve; or
 - (v) materially increasing the benefits accruing to participants under the Plan;

provided that if required by applicable securities regulation or law of any applicable governmental or regulatory body (including the applicable policies of an Exchange) the Board shall obtain within twelve (12) months either before or after the Board's adoption of a resolution authorizing such amendment, suspension or termination, Shareholder Approval, and, where required, approval of Disinterested Shareholder Approval.

However, notwithstanding the foregoing, the Board may amend the terms of the Plan to comply with the requirements of any applicable regulatory authority without obtaining Shareholder Approval, including:

- (vi) amendments of a housekeeping nature to the Plan;
- (vii) a change to the vesting provisions of a security or the Plan;
- (viii) a change to the termination provisions of a security or the Plan which does not entail an extension beyond the original expiry date; or
- (ix) the addition of a cashless exercise feature, payable in cash or securities, which provides for a full deduction of the number of underlying securities from the Plan reserve.

- (b) If required by any Exchange on which Common Shares or any Option Shares are at any time to be listed or quoted, to the extent that there are any Options which are outstanding and unexercised at the time of such application for such listing or quotation, the Option Price, the aggregate number of Option Shares, the exercise period, and any other relevant terms of such Options and the Option Agreements related thereto, shall be amended in accordance with the requirements of the applicable rules and policies of any Exchange on which such Common Shares or Option Shares are listed and quoted and any Exchange for which listing or quotation of such Common Shares or Option Shares has been applied for. Subject to the requirements of an Exchange, any such amendment shall be effective upon receipt of Board approval of it, and the approval of any shareholders of the Company or Optionee is not required to give effect to such amendment.
- (c) The Board shall have the power, in the event of:
- (i) any disposition of substantially all of the assets of the Company, dissolution or any merger, amalgamation or consolidation of the Company, with or into any other Company, or the merger, amalgamation or consolidation of any other Company with or into the Company; or
 - (ii) any acquisition pursuant to a public tender offer of a majority of the then issued and outstanding Common Shares;

but subject to applicable securities regulation or law of any applicable governmental or regulatory body (including the applicable rule and policies of an Exchange), to amend any outstanding Options to permit the exercise of all such Options prior to the effectiveness of any such transaction, and to terminate such Options as of such effectiveness in the case of transactions referred to in subsection (i) above, and as of the effectiveness of such tender offer or such later date as the Board may determine in the case of any transaction described in subsection (ii) above. If the Board exercises such power, all Options then outstanding and subject to such requirements shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Board prior to the effectiveness of such transaction, and such Options shall also be deemed to have terminated as provided above.

13. APPROVAL & RATIFICATION

If required by applicable securities regulation or law of any applicable governmental or regulatory body (including the applicable policies of an Exchange), this Plan is initially subject to:

- (a) the approval of the Board;
- (b) the approval or acceptance of any Exchange;
- (c) Shareholder Approval; and
- (d) if applicable, Disinterested Shareholder Approval.

Thereafter, if required by applicable securities regulation or law of any applicable governmental or regulatory body (including the applicable policies of an Exchange), this Plan shall be subject to the annual approval or acceptance of any Exchange and Shareholder Approval obtained any at each annual meeting of
