

Hispania Resources Announces Opening of the Stock Market with the TSX Venture Exchange

Toronto, Ontario--(Newsfile Corp. - December 14, 2022) - Hispania Resources Inc. (TSXV: ESPN) ("**Hispania**" or the "**Company**") is pleased to announce that it will be ringing the opening bell to open the stock market at the TSX Venture Exchange at 9:30am EST today.

To mark the occasion key stakeholders and members of Hispania's team in Toronto will be present at the TSX's presentation centre in Toronto, as well as stakeholders in Spain virtually. "We are proud to mark this significant occasion for our investors and partners today at the TSX Venture Exchange," said Norm Brewster, CEO of Hispania. "This is another key step for us as a public company and we look forward to many more opportunities to grow and celebrate the developments of Hispania. We would also like to thank the Exchange and its staff for its continued support."

About Hispania Resources Inc.

Hispania Resources Inc is a mineral exploration company focused on mining opportunities in Spain. Hispania is currently focused on developing the long-term mining potential of its core asset, the Zinc, Copper, Lead enriched Puebla de la Reina ("**PBR**") property in the low-risk and historic mining district of Extremadura in Southwest Spain. The PBR property covers an area of 90 km². Hispania, through its subsidiary, La Joya, has entered into a purchase agreement with Auplata S.A. to acquire a 100% interest in the PBR property. The management of Hispania contains industry veterans who have more than 120 years of mineral exploration and production experience in multiple jurisdictions and have successfully managed multiple international mining companies. This includes in Spain, where some of the team was responsible for the founding and building of Iberian Resources, with the continued support of the local and regional governments, including the well developed and sophisticated transportation and mining infrastructure.
