**INFORMATION CIRCULAR
MANAGEMENT SOLICITATION**

SOLICITATION OF PROXIES

This Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by and on behalf of the management (the “Management”) of Eskay Mining Corp. (the “Corporation”) for use at the Annual General and Special Meeting of Shareholders (the “Meeting”) to be held at the offices of Gardiner Roberts LLP, Bay-Adelaide Centre- East Tower, 22 Adelaide Street West, Suite 3600, Toronto, Ontario, M5H 4E3, in the Island Boardroom, at the hour of 11:00 o'clock in the morning (Toronto time), on Wednesday, the 11th day of October, 2017, for the purposes set out in the accompanying Notice of Meeting. The cost of solicitation will be borne by the Corporation.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally by the Directors and/or officers of the Corporation at nominal cost. Arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares (“**Common Shares**”) held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

NOTICE-AND-ACCESS

The Corporation has elected to use the “notice-and-access” process under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations*, for distribution of this Circular and other meeting materials to registered Shareholders of the Corporation and non-registered Shareholders of the Corporation as set out in the “Advice to Non-Registered Shareholders” section below.

Notice-and-access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to Shareholders. Notice-and-access may be used by issuers in respect of meetings that occur on or after March 1, 2013. The Corporation anticipates that utilizing the notice-and-access process will substantially reduce both postage and printing costs.

The Corporation has posted the Circular, the Corporation’s audited financial statements for the years ended February 28, 2017 and February 29, 2016 (the “**Annual Financial Statements**”) and the Corporation’s management discussion and analysis for the year ended February 28, 2017 (the “**Annual MD&A**”) on the website, <http://eskaymining.com>.

Although the Circular, Annual Financial Statements and Annual MD&A (collectively, the “**Meeting Materials**”) will be posted electronically online, as noted above, the registered and non-registered Shareholders (subject to the provisions set out below under the heading “Advice to Non-Registered Shareholders”) (collectively the “**Notice-and-Access Shareholders**”) will receive a “notice package” (the “**Notice-and-Access Notification**”), by prepaid mail, which includes the information prescribed by NI 54-101, and a proxy form or voting instruction form from their respective intermediaries. Notice-and-Access Shareholders should follow the instructions for completion and delivery contained in the proxy or voting instruction form. Notice-and-Access Shareholders are reminded to review the Circular before voting.

Notice-and-Access Shareholders who are registered shareholders will not receive a paper copy of the Meeting Materials unless they contact Computershare Investor Services Inc. in which case Computershare Investor Services

Inc. will mail the requested materials within three business days of any request provided the request is made prior to the Meeting. Notice-and-Access Shareholders who are registered shareholders can request a copy of the Meeting Materials **without charge** by contacting Computershare Investor Services Inc. at 1-866-962-0498 within North America or at 514-982-8716 outside of North America up to the date of the Meeting, or any adjournment thereof, or thereafter by contacting the Corporation at 416-907-6151 or by email at info@eskaymining.com. **Requests for paper copies of the Meeting Materials must be received at least six (6) business days in advance of the proxy deposit date and time set out below, being 11:00 a.m. on, Thursday, September 28, 2017, in order to receive the Meeting Materials in advance of the proxy deposit date and Meeting.** Notice-and-Access Shareholders with questions about notice-and-access may contact Computershare Investor Services Inc. at 1-866-964-0492 up to the date of the Meeting, or any adjournment thereof, and thereafter may contact the Corporation at 416-907-6151 or by email at info@eskaymining.com. Notice-and-Access Shareholders who are non-registered shareholders should refer to the heading “Advice to Non-Registered Shareholders” below.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the form of proxy or voting instruction form are officers or Directors of the Corporation (the “**Management Designees**”). **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO** by inserting such other person’s name in the blank space provided in the form of proxy and depositing the completed proxy with the Transfer Agent of the Corporation, **Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1**. A proxy can be executed by the Shareholder or his attorney duly authorized in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized.

In addition to any other manner permitted by law, the proxy may be revoked before it is exercised by instrument in writing executed and delivered in the same manner as the proxy at any time up to and including the second last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used or delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting and upon either such occurrence, the proxy is revoked.

Please note that Shareholders who receive their Notice-and-Access Notification from Broadridge Investor Communication Solutions, Canada (“**Broadridge**”) or an Intermediary (as defined in the “Advice to Non-Registered Shareholders” section below) must return the proxy forms, once voted, to Broadridge or their Intermediary, as applicable, for the proxy to be dealt with.

DEPOSIT OF PROXY

By resolution of the Directors duly passed, **ALL PROXIES TO BE USED AT THE MEETING MUST BE DEPOSITED BY 11:00 A.M. (TORONTO TIME) ON FRIDAY, OCTOBER 6, 2017, BEING NOT LESS THAN 48 HOURS EXCLUDING SATURDAYS, SUNDAYS AND STATUTORY HOLIDAYS PRECEDING THE DATE OF THE MEETING, OR ANY ADJOURNMENT THEREOF, WITH THE CORPORATION’S AGENT, COMPUTERSHARE INVESTOR SERVICES INC.**, provided that a proxy may be delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time for voting to revoke a proxy previously delivered in accordance with the foregoing.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares owned by a person are registered either (a) in the name of an intermediary (an “**Intermediary**”) that the non-registered holder (a “**Non-Registered Holder**”) deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant.

The Corporation has decided to use Notice-and-Access in accordance with the requirement of NI 54-101 to deliver the Meeting Materials to Shareholders by posting the Meeting Materials on its website <http://eskaymining.com>. The Meeting Materials will be available on the Corporation's website on or before **September 5, 2017**, and will remain on the website for a full year thereafter. The Meeting Materials will also be available on the Corporation's profile on SEDAR at www.sedar.com. The Corporation will only be mailing the Notice-and-Access Notification to Non-Registered Holders as set out below.

Non-Registered Holders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (“**Objecting Beneficial Owners**” or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries via their transfer agent. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly to such NOBOs.

If you are a Non-Objecting Beneficial Owner and the Corporation or its agent has sent the Notice-and-Access Notification directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you, and (ii) executing your proper voting instructions as specified in the request for voting instructions.

The Corporation's decision to deliver proxy-related materials directly to its NOBOs will result in all NOBOs receiving a Voting Instruction Form (“**VIF**”) from Broadridge. Please complete and return the VIF to Broadridge in the envelope provided or by facsimile. In addition, instructions in respect of the procedure for internet voting can be found in the VIF. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs received by Broadridge. For purposes of the Meeting, NOBOs who deliver VIFs in accordance with the instructions on the VIF will be otherwise treated the same as registered Shareholders.

Non-Registered Shareholders who are NOBOs may make their request for paper copies of the Meeting Materials without charge by calling Broadridge Investor Communication Solutions, Canada's toll free number at 1-877-907-7643 on or before the day of the Meeting, or any adjournment thereof, or thereafter contact the Corporation at 416-907-6151 or by email at info@eskaymining.com.

Requests for paper copies of the Meeting Materials must be received at least six (6) business days in advance of the proxy deposit date and time set out above, being 11:00 a.m. on Thursday, September 28, 2017, in order to receive the Meeting Materials in advance of the proxy deposit date and Meeting.

OBOs may expect to receive their materials related to the Meeting from Broadridge or other Intermediaries. If a reporting issuer does not intend to pay for an Intermediary to deliver materials to OBOs, OBOs will not receive the materials unless their Intermediary assumes the cost of delivery. The Corporation does not intend to pay for Intermediaries to deliver the proxy-related materials to OBOs.

Intermediaries are required to forward the Notice-and-Access Notification to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies such as Broadridge to forward the Notice-and-Access Notification to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Notice-and-Access Notification will either:

- a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number and class of securities beneficially owned by the Non-Registered Holder but which is not otherwise completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when

submitting the proxy. In this case, the Non-Registered Holder who wishes to vote by proxy should otherwise properly complete the form of proxy and deliver it as specified; or

- b) be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**Voting Instruction Form**”) which the Intermediary must follow. Typically the Non-Registered Holder will also be given a page of instructions which contains a removable label containing a bar code and other information. In order for the form of proxy to validly constitute a Voting Instruction Form, the Non-Registered Holder must remove the label from the instructions and affix it to the Voting Instruction Form, properly complete and sign the Voting Instruction Form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In any case, the purpose of this procedure is to permit Non-Registered Holders including NOBOs to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives a form of proxy, VIF or Voting Instruction Form wish to vote at the Meeting in person, the Non-Registered Holder should strike out the persons named in such form of proxy and insert the Non-Registered Holder’s name in the blank space provided. Non-Registered Holders should carefully follow the instructions on the VIF or the instructions received from their Intermediary including those regarding when and where the form of proxy, VIF or Voting Instruction Form is to be delivered.

All references to Shareholders in this Circular, the accompanying Notice of Meeting and any proxy or voting instruction form sent to Shareholders with the Notice-and-Access Notification are to Shareholders of record unless specifically stated otherwise.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the form of proxy or voting instruction form for use at the Meeting will vote the Common Shares in respect of which they are appointed in accordance with the directions of the shareholders appointing them. **IN THE ABSENCE OF SUCH DIRECTIONS, SUCH SHARES SHALL BE VOTED "FOR":**

- (a) election of the Board of Directors as nominated by Management;
- (b) appointment of McGovern, Hurley, Cunningham, LLP as auditors of the Corporation for the ensuing year and authorizing the directors to fix their remuneration;
- (c) ratification of the 2016 Stock Option Plan; and
- (d) to transact such further and other business as may properly come before the said Meeting or any adjournment or adjournments thereof.

ALL AS MORE PARTICULARLY DESCRIBED IN THIS CIRCULAR.

The form of proxy or voting instruction form confers discretionary authority upon the persons named therein with respect to any amendment, variation or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. **HOWEVER, IF ANY SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH ARE NOT NOW KNOWN TO THE MANAGEMENT DESIGNEES SHOULD PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXIES HEREBY SOLICITED WILL BE VOTED THEREON IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSON OR PERSONS VOTING SUCH PROXIES.**

However, if a holder of Common Shares of the Corporation has transferred any shares after the Record Date and the transferee of such shares establishes ownership thereof and makes a written demand, not later than 10 days before the Meeting, to be included in the list of shareholders entitle to vote at the Meeting, the transferee will be entitled to vote such shares.

REQUIRED ANNUAL DISCLOSURE CONCERNING THE CORPORATION

EXECUTIVE COMPENSATION

The information contained below is provided as required under Form 51-102F6 for Venture Issuers (the “**Form**”), as such term is defined in National Instrument 51-102.

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides information about the Corporation’s executive compensation objectives and processes and discusses compensation decisions relating to its named executive officers (“**Named Executive Officers**”) listed in the Summary Compensation Table that follows. During its fiscal year ended February 28, 2017, the following individuals were Named Executive Officers (as determined by applicable securities legislation) of the Corporation:

- Hugh M. (Mac) Balkam, President and Chief Executive Officer; and
- Carmelo Marrelli, Chief Financial Officer.

The Corporation does not employ or retain any other individuals who would qualify as a “Named Executive Officer” because no executive officer or employee of the Corporation received total compensation (including without limitation salary and bonus) in excess of \$150,000.

Compensation Objectives and Principles

The Corporation is a mineral exploration company with property interests located in British Columbia. The Corporation has no revenues from operations and often operates with limited financial resources. As a result, to ensure that funds are available to complete scheduled programs, the Compensation Committee has to consider not only the financial situation of the Corporation at the time of the determination of executive compensation, but also the estimated financial condition of the Corporation in the future.

Since the preservation of cash is an important goal of the Corporation, an important element of the compensation awarded to the Named Executive Officers is the granting of stock options, which do not require cash disbursement by the Corporation. The granting of stock options also helps to align the interests of the Named Executive Officers with the interests of the Corporation. The other two elements of the compensation the Corporation awards to its Named Executive Officers are: (i) base cash consulting fees; and (ii) in applicable circumstances, cash bonus payments for achievement of stated milestones or benchmarks. The Corporation does not provide its Named Executive Officers with perquisites or personal benefits that are not otherwise available to all of our employees.

Compensation Processes and Goals

The deliberations of the Compensation Committee are conducted in a special session from which management is absent. These deliberations are intended to advance the key objectives of the compensation program for the Corporation's Named Executive Officers. At the request of the Compensation Committee, the Named Executive Officers may, from time to time, provide advice to the Compensation Committee with respect to the compensation program for the Corporation's Named Executive Officers. The Committee makes recommendations regarding the compensation to be awarded to the Named Executive Officers to the full Board of Directors (either on its own volition or based upon the advice it receives from the Named Executive Officers).

The Corporation relies on its Compensation Committee and its Board of Directors, through discussion without any formal objectives, targets, criteria or analysis, in determining the compensation of its Named Executive Officers. The Board of Directors is responsible for determining all forms of compensation, including the provision of long-term incentives through the granting of stock options to the Named Executive Officers of the Corporation, and to others, including, without limitation, to the Corporation's directors, and for reviewing the Compensation Committee's recommendations regarding the compensation to be awarded to any other officers of the Corporation from time to time, to ensure such arrangements reflect the responsibilities and risks associated with each such officer's position. The Board of Directors incorporates the following goals when it makes its compensation decisions with respect to the Corporation's Named Executive Officers: (i) the recruiting and retaining of executives who are critical both to the success of the Corporation and to the enhancement of shareholder value; (ii) the provision of fair and competitive compensation; (iii) the balancing of the interests of management with the interests of the Corporation's Shareholders; (iv) the rewarding of performance, both on an individual basis and with respect to the operations of the Corporation as a whole; and (v) the preservation of available financial resources.

The Implementation of the Corporation's Compensation Policies

During the year ended February 28, 2017, the Corporation was contractually obligated to pay the Chief Executive Officer a salary of \$36,000 per annum directly with a further consulting fee of \$84,000 per annum payable to a company controlled by the Chief Executive Officer. The Chief Executive Officer was owed a total of \$120,000 for fiscal 2017 (\$36,000 directly and \$84,000 through his company). These amounts were agreed upon between the Chief Executive Officer and the Corporation taking into account the following consideration:

Salary and Consulting Fees

- the Chief Executive Officer's familiarity with and involvement in the resource sector.

The payment of salary and consulting fees was not dependent on the Chief Executive Officer's fulfillment of any specific performance goals or similar criteria.

During the year ended February 28, 2017, the Corporation paid a company controlled by Carmelo Marrelli, Chief Financial Officer, a consulting fee of \$48,552 pursuant to a consulting agreement with that company to pay \$3,750 per month for the services of Mr. Marrelli. These amounts were agreed upon between Mr. Marrelli and the Corporation taking into account the following consideration:

- the Chief Financial Officer's experience as a Certified Public Accountant during which time he supervised finance, accounting and operations departments.

The payment of these consulting fees was not dependent on the Chief Financial Officer's fulfillment of any specific performance goals or similar criteria.

Stock Options

The granting of options to the Named Executive Officers under the Corporation's Stock Option Plan provides an appropriate long-term incentive to management to create shareholder value. The number of options the Corporation grants to each Named Executive Officer reasonably reflects the Named Executive Officer's specific contribution to the Corporation in the execution of such person's responsibilities. However, the number of options granted does not depend upon nor does it reflect the fulfillment of any specific performance goals or similar conditions. Previous grants of options to Named Executive Officers are taken into consideration by the Compensation Committee in developing its recommendations with respect to the granting of new options. The Named Executive Officers were granted an aggregate of 200,000 options during the year ended February 28, 2017.

The granting of options to the other directors of the Corporation under the Corporation's Stock Option Plan provides an appropriate long-term incentive to these directors to provide proper independent oversight to the Corporation with a view to maximizing shareholder value. The number of options the Corporation grants to each of these directors reasonably reflects each director's contributions to the Corporation in his capacity as a director and as a member of one or more committees of the Board (if applicable), including without limitation the Compensation Committee and the Audit Committee. Previous grants of options awarded to the independent directors of the Corporation are taken into consideration when the Corporation considers the granting of new options to the independent directors. The Corporation's independent directors were granted an aggregate of 1,400,000 options during the year ended February 28, 2017.

The compensation of independent directors and the granting of options under the Corporation's Stock Option Plan, is determined by the full Board. No fees were paid to the independent directors in fiscal 2017.

Summary Compensation Table

The following table contains information about the compensation paid to, earned by and payable to, the Corporation's Chief Executive Officer, Hugh M. (Mac) Balkam, and the Chief Financial Officers, Carmelo Marrelli, for the years ending February 28, 2017, February 29, 2016 and February 28, 2015. In accordance with the Form, the Corporation does not have any other "Named Executive Officers" given that no executive officer receives total salary and bonus in excess of \$150,000. Specific aspects of compensation payable to the Named Executive Officers of the Corporation are dealt with in further detail in subsequent tables.

The consulting agreement has a term ending February 28, 2017. The consulting agreement can be terminated on the payment of one year's annual compensation.

Subsequent to the year end, on July 27, 2017, the Corporation entered into a new employment contract with the Chief Executive Officer commencing March 1, 2017 pursuant to which the Chief Executive Officer continues to receive the sum of \$3,000 per month and the employment contract can be terminated on the payment of one year's annual compensation. A Change of Control is defined as: (i) a change of more than half of the directors of the Corporation unless approved by a majority of the Board; (ii) the sale or disposition of all or substantially all of the Corporation's assets (or any transaction having similar effect) is consummated; (iii) any "person" (as such term is defined in Section 1 of the *Business Corporations Act* (Ontario) ("OBCA")) acquires the "beneficial ownership" (as defined in Section 1 of the OBCA), directly or indirectly, of the securities of the Corporation representing more than thirty percent (30%) of (a) the outstanding voting securities of the Corporation; or (b) the combined voting power of the Corporation's then-outstanding securities; or (iv) the Corporation is party to a merger or consolidation that results in the holders of voting securities of the Corporation outstanding immediately prior thereto failing to continue to represent (either by remaining outstanding or by being converted into voting

securities of the surviving entity) more than thirty percent (30%) of the combined voting power of the voting securities of the Corporation or such surviving entity outstanding immediately after such merger or consolidation; or (v) the dissolution or liquidation of the Corporation.

Other than as noted above, the Corporation has no compensatory plan or arrangement with respect to the Named Executive Officers that results or will result from the resignation, retirement or any other termination of employment of any such officer's employment with the Corporation, from a change of control of the Corporation or a change in the responsibilities of a Named Executive Officer following a change in control.

Compensation of Directors

The following table contains information about the compensation awarded to, earned by, paid to or payable to, the Corporation's directors, other than its Named Executive Officers, the compensation of whom is detailed above under "Summary Compensation Table", for the fiscal year ended February 28, 2017.

STOCK OPTION PLAN

In 2016, the directors of the Corporation adopted a new 2016 Stock Option Plan (the “**2016 Plan**”), which was approved by the Shareholders of the Corporation on November 2, 2016, to encourage common stock ownership in the Corporation for directors, executive officers, employees and consultants who are primarily responsible for the management and profitable growth of its business, to provide additional incentive for superior performance by such persons and to enable the Corporation to attract and retain valued directors, officers and employees by granting stock options to such persons.

The 2016 Plan provides that eligible persons thereunder include any director, employee (full-time or part-time), executive officer or consultant of the Corporation or any subsidiary thereof. A consultant means an individual (including an individual whose services are contracted through a personal holding company) with whom the Corporation or a subsidiary has a contract for substantial services.

The 2016 Plan is administered by the Board of Directors of the Corporation. The Board of Directors has the authority to determine, among other things, subject to the terms and conditions of the 2016 Plan, the terms, limitations, restrictions and conditions respecting the grant of stock options under the 2016 Plan.

The total number of shares which may be reserved and set aside for issuance to eligible persons may not exceed 10% of the issued and outstanding Common Shares from time to time. Investor Relations persons may not be granted options exceeding 2% of outstanding capital and such options must vest over 1 year with no more than 25% vesting in each quarter.

Pursuant to the 2016 Plan, the options will not be transferable other than by will or the laws of descent and distribution, the option price to be such price as is to be fixed by the 2016 Plan’s administrator but shall not be less than the fair market value of the shares at the time the option is granted and payment thereof shall be made in full on the exercise of the options. The terms of the options may not exceed 5 years and shall be subject to earlier redemption upon the termination of employment. If an optionee ceases to be an eligible person for any reason whatsoever other than death, each option held by such optionee will cease to be exercisable in a period not exceeding 6 months following the termination of the optionee’s position with the Corporation but only up to and including the original option expiry date. If an optionee dies, the legal representative of the optionee may exercise the optionee’s options for a period not exceeding 1 year after the date of the optionee’s death but only up to and including the original option expiry date. The 2016 Plan also contains anti-dilution provisions usual to plans of this type.

The Corporation will not provide any optionee with financial assistance in order to enable such optionee to exercise stock options granted under the 2016 Plan. The Corporation has no other compensation plans or arrangements in place and none are currently contemplated.

As of the date of this Circular, there are 9,907,144 stock options outstanding under the Plan and 960,342 options available for grant as follows:

ELECTION OF THE BOARD OF DIRECTORS

The Board of Directors currently consists of three (3) directors. The directors have passed a resolution fixing the number of directors to be elected at three (3). The persons named in the enclosed form of proxy intend to vote for the election as directors of each of the three (3) nominees of management whose names are set forth in the table below. The Board of Directors has adopted a majority voting policy in order to promote enhanced director accountability. Each Shareholder is entitled to cast their votes for, or withhold their votes from, the election of each director. If the number of shares “withheld” for any nominee exceeds the number of shares voted “for” the nominee, then, notwithstanding that such director was duly elected as a matter of corporate law, he shall tender his written resignation to the Corporation. The Board will consider such offer of resignation and the director’s suitability to continue to serve as a Board member after considering, among other things, the stated reasons, if any, why certain shareholders “withheld” votes for the director, the qualifications of the director and whether the director’s resignation from the Board would be in the best interests of the Corporation.

These nominees have consented to being named in this Circular and to serve if elected. The Corporation’s management does not contemplate that any of the nominees will be unable or unwilling to serve as a director, but if that should occur for any reason prior to the Meeting, the Common Shares represented by properly submitted proxies

given in favour of such nominee(s) may be voted by the persons whose names are printed in the form of proxy, in their discretion, in favour of another nominee.

The following table and notes thereto state the names of all the persons proposed to be nominated for election as directors, all of the positions and offices with the Corporation now held by them, their present principal occupations or employments for the last five (5) years and the number of shares of the Corporation beneficially owned, directly or indirectly, or over which control or direction is exercised, by each of them as of August 28, 2017. The information as to shares beneficially owned has been furnished to the Board of Directors by the respective nominees.

The Shareholders are urged by Management to appoint McGovern, Hurley, Cunningham, LLP, as the Corporation's auditors and to authorize the Board of Directors to fix their remuneration.

Purpose of the Audit Committee

The purpose of the Audit Committee (the “**Committee**”) of the Board of Directors (the “**Board**”) of the Corporation is to assist the Board in fulfilling its responsibility for the oversight of the financial reporting process. The purpose of this Charter is to ensure that the Corporation maintains a strong, effective and independent audit committee, to enhance the quality of financial disclosure made by the Corporation and to foster increased investor confidence in both the Corporation and Canada’s capital markets. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Corporation’s Management to ensure that the independent auditors serve the interests of shareholders rather than the interests of Management of the Corporation. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will review financial reports or other financial information provided by the Corporation to regulatory authorities and shareholders and review the integrity, adequacy and timeliness of the financial reporting and disclosure practices of the Corporation. The Committee will monitor the independence and performance of the Corporation’s independent auditors.

Composition and Procedures of the Audit Committee

The Committee shall consist of at least three (3) directors. Members of the Committee shall be appointed by the Board and may be removed by the Board in its discretion. The Committee shall establish procedures for quorum, notice and timing of meetings subject to the proviso that a quorum shall be no less than two (2) Committee members. Meetings shall be held no less regularly than once per quarter to review the audited financial statements and interim financial statements of the Corporation. At least one (1) member of the Committee shall be independent and the Board and the Committee shall endeavor to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members’ independent judgment. At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Corporation. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements.

Specific duties and responsibilities of the Audit Committee

- (1) The Committee shall recommend to the Board:
 - (a) the external auditors to be nominated for the purpose of preparing or issuing an auditors’ report or performing other audit, review or attest services for the Corporation; and
 - (b) the compensation of the external auditors.
- (2) The Committee shall be directly responsible for overseeing the work of the external auditors engaged for the purpose of preparing or issuing an auditors’ report or performing other audit, review or attest services for the Corporation, including the resolution of disagreements between Management and the external auditors regarding financial reporting.
- (3) The Committee shall pre-approve all non-audit services to be provided to the Corporation or its subsidiary entities by the Corporation’s external auditors.

- (4) The Committee satisfies the pre-approval requirement in subsection (3) if:
 - (a) the aggregate amount of all the non-audit services that were not pre-approved is reasonably expected to constitute no more than five per cent of the total amount of fees paid by the Corporation and its subsidiary entities to the Corporation's external auditors during the fiscal year in which the services are provided;
 - (b) the Corporation or the subsidiary entity of the Corporation, as the case may be, did not recognize the services as non-audit services at the time of the engagement; and
 - (c) the services are promptly brought to the attention of the Committee and approved, prior to the completion of the audit, by the Committee or by one or more of its members to whom authority to grant such approvals has been delegated by the Committee.
- (5)
 - (a) The Committee may delegate to one or more independent members the authority to pre-approve non-audit services in satisfaction of the requirement in subsection (3).
 - (b) The pre-approval of non-audit services by any member to whom authority has been delegated pursuant to subsection (5)(a) must be presented to the Committee at its first scheduled meeting following such pre-approval.
- (6) The Committee satisfies the pre-approval requirement in subsection (3) if it adopts specific policies and procedures for the engagement of the non-audit services, if:
 - (a) the pre-approval policies and procedures are detailed as to the particular service;
