MANAGEMENT INFORMATION CIRCULAR

as at October 25, 2021

SOLICITATION OF PROXIES

This management information circular (“Circular”) is provided in connection with the solicitation of proxies by management of Defense Metals Corp. (the “Company”) for use at an annual general and special meeting (the “Meeting”) of the holders (“Shareholders”) of common shares (“Common Shares”) in the capital of the Company. The Meeting will be held on Friday, December 3, 2021 at 11:00 AM (Vancouver time) at 605-815 Hornby Street, Vancouver, B.C., Canada V6Z 2E6 or at such other time or place to which the Meeting may be adjourned, for the purposes set forth in the notice of annual general and special meeting accompanying this Circular (the “Notice”).

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other means of electronic communication. In accordance with National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by such persons and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Company.

These securityholder materials are being sent to both registered and non-registered owners of Common Shares. If you are a non-registered owner of Common Shares, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary (“**Intermediary**”) holding Common Shares on your behalf.

Accompanying this Circular (and filed with applicable securities regulatory authorities) is a form of proxy for use at the Meeting (a “**Proxy**”). Each Shareholder who is entitled to attend at meetings of Shareholders is encouraged to participate in the Meeting and all Shareholders are urged to vote on matters to be considered in person or by proxy.

All time references in this Circular are references to Vancouver, British Columbia, Canada time.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of a Proxy

Those Shareholders who wish to be represented at the Meeting by proxy must complete and deliver a proper Proxy to Computershare Investor Services Inc. (the “Transfer Agent”), at Proxy Department, 100 University Avenue, 8th Floor, Toronto, ON, M5J 2Y1.

The persons named as proxyholders in the Proxy accompanying this Circular are directors or officers of the Company, or persons designated by management of the Company, and are representatives of the Company’s management for the Meeting. A Shareholder who wishes to appoint some other person (who need not be a Shareholder) to attend and act for him, her or it and on his, her or its behalf at the Meeting other than the management nominee designated in the Proxy may do so by either: (i) crossing out the names of the management nominees AND legibly printing the other person’s name in the blank space provided in the accompanying Proxy; or (ii) completing another valid form of proxy. In either case, the completed form of proxy must be delivered to the Transfer Agent, at the place and within the time specified herein for the deposit of proxies. A Shareholder who appoints a proxy who is someone other than the management representatives named in the Proxy should notify such alternative nominee of the appointment, obtain the nominee’s consent to act as proxy, and provide instructions on how the Common Shares are to be voted. The nominee should bring personal identification to the Meeting. In any case, the Proxy should be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the Proxy).

In order to validly appoint a proxy, Proxies must be received by the Transfer Agent, at 100 University Avenue, 8th Floor, Toronto, ON, M5J 2Y1, at least 48 hours, excluding Saturdays, Sundays and holidays, prior to the Meeting or any adjournment or postponement thereof. After such time, the chairman of the Meeting may accept or reject a Proxy delivered to him in his discretion but is under no obligation to accept or reject any particular late Proxy.

Revoking a Proxy

A registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. A Shareholder who has validly given a proxy may revoke it for any matter upon which a vote has not already been cast by the proxyholder appointed therein. In addition to revocation in any other manner permitted by law, a proxy may be revoked with an instrument in writing signed and delivered to either the registered office of the Company or the Transfer Agent at 100 University Avenue, 8th Floor, Toronto, ON, M5J 2Y1, at any time up to and including the last business day preceding the date of the Meeting, or any postponement or adjournment thereof at which the proxy is to be used, or deposited with the chairman of such Meeting on the day of the Meeting, or any postponement or adjournment thereof. The document used to revoke a proxy must be in writing and completed and signed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

Also, a Shareholder who has given a proxy may attend the Meeting in person (or where the Shareholder is a corporation, its authorized representative may attend), revoke the proxy (by indicating such intention to the chairman before the proxy is exercised) and vote in person (or withhold from voting).

Only registered shareholders have the right to revoke a proxy. Non-registered shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their Intermediary to revoke the proxy on their behalf. Intermediaries may have different rules and procedures relating to proxy instructions and non-registered shareholders should contact their Intermediary for additional information.

Signature on Proxies

The Proxy must be executed by the Shareholder or his or her duly appointed attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer whose title must be indicated. A Proxy signed by a person acting as attorney or in some other representative capacity should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has been previously filed with the Company).

Voting of Proxies

Each Shareholder may instruct his, her or its proxy how to vote his, her or its Common Shares by completing the blanks on the Proxy. Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting.

The Common Shares represented by the enclosed Proxy will be voted or withheld from voting on any motion, by ballot or otherwise, in accordance with any indicated instructions. If a Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. In the absence of such direction, such Common Shares will be voted FOR THE RESOLUTIONS DESCRIBED IN THE PROXY AND BELOW. If any amendment or variation to the matters identified in the Notice is proposed at the Meeting or any adjournment or postponement thereof, or if any other matters properly come before the Meeting or any adjournment or postponement thereof, the accompanying Proxy confers discretionary authority to vote on such amendments or variations or such other matters according to the best judgment of the appointed proxyholder. Unless otherwise stated, the Common Shares represented by a valid Proxy will be voted in favour of the election of nominees set forth in this Circular except where a vacancy among such nominees occurs prior to the Meeting, in which case, such Common Shares may be voted in favour of another nominee in the proxyholder's discretion. As at the date of this Circular, management of the Company knows of no such amendments or variations or other matters to come before the Meeting.

Advice to Beneficial Shareholders

The information set forth in this section is of significant importance to a substantial number of the Shareholders who do not hold their Common Shares in their own names. Shareholders who do not hold their Common Shares in their own names (referred to in this Circular as "**Beneficial Shareholders**") should note that only proxies deposited

by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominees for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. **Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. The Company does not know for whose benefit the Common Shares registered in the name of CDS & Co. or other brokers/agents are held.** Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

Non-registered holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners ("NOBOs"). Those non-registered holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("OBOs").

The Company does not intend to pay for Intermediaries to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Intermediary assumes the costs of delivery.

Generally, non-registered shareholders who have not waived the right to receive Meeting materials will receive either a voting instruction form or a form of proxy. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically provides a scannable voting instruction form in lieu of the Instrument of Proxy, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the voting instruction forms to Broadridge. Alternatively, Beneficial Shareholders sometimes are provided with a toll-free telephone number or website information to deliver the Beneficial Shareholder's voting instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Common Shares voted. Accordingly, it is strongly suggested that Beneficial Shareholders return their completed voting instruction form as directed by Broadridge well in advance of the Meeting.**

All references to Shareholders in this Circular, the Instrument of Proxy and the Notice are to Shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be made available upon request to registered Shareholders who produce proof of their identity.

NOTICE-AND-ACCESS

The Company is not sending the Meeting materials to Shareholders using "notice-and-access", as defined under NI 54-101—*Communication with Beneficial Owners of Securities of a Reporting Issuer*.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors and as set out herein. For the purpose of this paragraph, "person" shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company's last fiscal year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person included in subparagraphs (a) or (b). Certain of the directors and officers may be considered as having an interest in the affirmation, ratification and approval of the Stock Option Plan given their eligibility for stock options grants thereunder.

RECORD DATE AND QUORUM

The board of directors (the “**Board**”) of the Company has fixed the record date for the Meeting as the close of business on October 25, 2021 (the “**Record Date**”). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting.

Under the Company’s articles, the quorum for the transaction of business at a meeting of shareholders is one or more persons, present in person or by proxy, holding not less than one voting share of the Company entitled to be voted at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date, there were 80,953,939 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by Proxy at the Meeting or any adjournment thereof. The outstanding Common Shares are listed on the TSX Venture Exchange (the “**Exchange**”) under the symbol “DEFN”.

If, prior to the Meeting, any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the Proxy as nominee to vote the Common Shares represented by Proxy for the election of any other person or persons as directors. All of the nominees have expressed their willingness to serve on the board of directors of the Company.

Corporate Cease Trade Orders, Bankruptcies, and Sanctions

Except as disclosed below, to the knowledge of the Company, no proposed director of the Company is, or has been, within the 10 years prior to the date of this Circular, a director or executive officer of any company that:

- (a) was subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days, that was issued while that person was acting in that capacity;
- (b) was subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days, that was issued after the proposed director ceased to act in that capacity, and which resulted from an event that occurred while that person was acting in that capacity; or
- (c) while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. Ryan Cheung, while acting as chief financial officer of DMG Blockchain Solutions Inc. (“**DMG**”), DMG was subject to a failure-to-file financial statements cease trade order (“**FFCTO**”) issued by the regulator in each of British Columbia and Ontario on February 1, 2019. The FFCTO was revoked on August 28, 2019.

Mr. Ryan Cheung was also formerly the chief financial officer, chief executive officer and a director of Xemplar Energy Corp. (“**Xemplar**”) which is subject to a cease trade order issued by the Alberta Securities Commission on August 7, 2015 relating to the failure to file Xemplar’s audited annual financial statements, the annual management’s discussion and analysis and the certification of annual filings for the year ended December 31, 2014 and, the failure to file Xemplar’s interim unaudited financial statements, interim management’s discussion and analysis and certification of interim filings for the period ended March 31, 2015. The cease trade order has not been revoked as of the date of this Prospectus. Mr. Cheung resigned as chief financial officer on April 30, 2013 and resigned as chief executive officer and director on April 28, 2015.

Mr. Burgess was the Chief Financial officer of Goldnev Resources Inc. when in August 2011 it was subject of an order that halted the trading of its common shares for failure to file financial statements which order was not revoked within 30 days of its issuance. Goldnev could not complete its audited financial statements because it did not have sufficient resources to pay its auditors. The common shares of Goldnev were subsequently cease traded. Mr. Burgess was required to attend the Venture Filings Fundamentals seminar sponsored by the Exchange with respect to certain deficiencies in reporting to the Exchange by Goldnev.

Mr. Burgess was a director of Trius Investments Inc. in 2016 when the Exchange completed a review which resulted in a Notice to Comply by the Exchange citing contraventions of Exchange policies with respect to related party transactions. Subsequently, the directors of the company were required and complied to reimburse Trius for certain losses incurred with respect to these transactions.

To the knowledge of the Company, no proposed director of the Company is, or has been, within the 10 years prior to the date of this Circular, has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

Advance Notice Policy

The Company’s Advance Notice Policy sets forth procedures for Shareholders to nominate a person for election as a Director of the Company and stipulates a deadline by which Shareholders must notify the Company of their intention to nominate Directors and information that must be provided in respect of the nominating Shareholder and their Director nominee(s). As of the date of this Information Circular, the Company has not received any Director nominations pursuant to the Advance Notice Policy.

Appointment of Auditor

Management is recommending that Shareholders vote to re-appoint Smythe LLP Chartered Professional Accountants, of Vancouver, British Columbia, as auditors of the Company until the next annual meeting of Shareholders and to authorize the directors to fix their remuneration. Smythe LLP Chartered Professional Accountants was first appointed as the independent auditor of the Company effective October 24, 2018.

Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted for the re-appointment of Smythe LLP as auditors of the Company to hold office for the ensuing year at a remuneration to be fixed by the directors.

Re-Approval of Stock Option Plan

Under the policies of the Exchange, a “rolling” stock option plan must be re-approved on a yearly basis by shareholders. Accordingly, the shareholders will be asked to pass an ordinary resolution approving the Company’s 10% rolling stock option plan (the “**Plan**” or “**Option Plan**”). The details of the Plan are set forth below. Management recommends, and the persons named in the enclosed form of proxy intend to vote in favour of, the re-approval of the Plan. The purpose of the Plan is to provide an incentive to employees, directors, officers, management companies and consultants who provide services to the Company, and to reduce the cash compensation the Company would otherwise have to pay.

The Plan will also assist the Company in attracting, retaining and motivating employees, directors, officers, management companies and consultants.

The following summary of the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan. A full copy of the Plan will be available at the Meeting for review by Shareholders. Shareholders may also obtain copies of the Plan from the Company prior to the Meeting on written request.

Eligible Participants. Options may be granted under the Plan to directors and senior officers of the Company or its subsidiaries, management company employees (collectively, the “**Directors**”), employees of the Company or its subsidiaries (collectively, the “**Employees**”) or consultants of the Company or its subsidiaries (collectively, the “**Consultants**”). The Board, in its discretion, determines which of the Directors, Employees or Consultants will be awarded options under the Plan.

Number of Shares Reserved. The number of Common Shares which may be issued pursuant to options granted under the Plan may not exceed 10% of the issued and outstanding Common Shares at the date of granting of options.

Limitations. Under the Plan, the aggregate number of options granted to any one person (including companies wholly-owned by that person) in a 12-month period must not exceed 5% of the issued and outstanding Common Shares of the Company, calculated on the date the option is granted. The aggregate number of options granted to any one Consultant in a 12-month period must not exceed 2% of the issued and outstanding Common Shares of the Company, calculated at the date the option is granted. The aggregate number of options granted to all persons retained to provide investor relations services to the Company (including Consultants and Employees or Directors whose role and duties primarily consist of providing investor relations services) must not exceed 2% of the issued and outstanding Common Shares of the Company in any 12-month period, calculated at the date an option is granted to any such person.

Exercise Price. The exercise price of options granted under the Plan is determined by the Board, provided that it is not less than the Discounted Market Price, as that term is defined in the Exchange policy manual or such other minimum price as is permitted by the Exchange in accordance with the policies in effect at the time of the grant, or, if the Common Shares are no longer listed on the Exchange, then such other exchange or quotation system on which the Common Shares are listed or quoted for trading. The exercise price of stock options granted to insiders may not be decreased without disinterested Shareholder approval at the time of the proposed amendment.

Term of Options. Subject to the termination and change of control provisions noted below, the term of any options granted under the Plan is determined by the Board and may not exceed ten years from the date of grant.

Vesting. All options granted pursuant to the Plan will be subject to such vesting requirements as may be prescribed by the Exchange, if applicable, or as may be imposed by the Board. Options issued to persons retained to provide Investor Relations Activities must vest in stages over 12 months with no more than one-quarter of the options vesting in any three month period.

Termination. An option may expire on such earlier date or dates as may be fixed by the Board, subject to earlier termination in the event the optionee ceases to be eligible under the Plan by reason of death, retirement or otherwise. If an optionee ceases to be eligible under the Plan by reason of being dismissed for cause from any such position, all unexercised option rights will be immediately terminated. If an optionee ceases to be eligible under the Plan by any reason other than termination for cause or as a result of death, the optionee will have a right for a period of the earlier of: (a) 90 days from the date of the optionee ceasing to be eligible and (b) the normal expiry date of the options, to exercise the options under the Plan, with all unexercised options terminating immediately upon expiration of such period. If an optionee engaged in providing Investor Relations Activities, as that term is defined in the Exchange policy manual, to the Company ceases to be employed in providing such Investor Relations Activities, such optionee shall have the right for a period of 30 days (or until the normal expiry date of the option rights of such optionee if earlier) from the date of ceasing to provide such Investor Relations Activities to exercise the option under the Plan with respect to all optioned Common Shares of such optionee to the extent they were exercisable on the date of ceasing to provide such Investor Relations Activities. Upon the expiration of such 30-day period all unexercised option rights of that optionee shall immediately become terminated and shall lapse notwithstanding the original term of the option granted to such optionee under the Plan.

Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution:

“BE IT RESOLVED THAT:

- (a) the Company’s Stock Option Plan be approved, and that in connection therewith a maximum of 10% of the issued and outstanding Common Shares at the time of each grant be approved for granting as options; and
- (b) any director or officer of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to this resolution.”

A copy of the Plan is available on request from the Company.

Management of the Company believes the re-approval of the Plan as described above is in the best interests of the Company and recommends that shareholders vote in favour of the ordinary resolution re-approving the Plan.

OTHER MATTERS

As of the date of this Circular, the management of the Company knows of no other matters to be acted upon at the Meeting. However, should any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Common Shares represented by the Proxy.

There are no written employment contracts between the Company and any Named Executive Officer or director.

576112 B.C. Ltd. (a company owned and controlled by Craig Taylor) entered into a consulting agreement with the Company dated as of July 1, 2021, (the "CEO Agreement"). Pursuant to the CEO Agreement, Mr. Taylor has agreed to provide his services as Chief Executive Officer at a base remuneration of \$25,000 per month. Additional remuneration or compensation (whether a bonus or other form of additional remuneration, including stock options, equity or other compensation) rests in the sole discretion of the Company. The term of the CEO Agreement continues until terminated in accordance with termination provisions therein. The Company may terminate the CEO Agreement at any time, for material breach of any of the terms and conditions of the CEO Agreement (a "material breach" includes, but is not limited to, the failure or refusal of Mr. Taylor to perform the services required at an acceptable level or standard, provided that he has been provided written notice of such failure and has not corrected its behaviour within 20 days of receiving such notice and provided further that he shall only be entitled to correct its behaviour pursuant to the notification on a one-time basis). If Mr. Taylor is prevented by reason of illness, or mental or physical disability or incapacity from carrying out services for 365 consecutive days or more than 182 days in aggregate, the Company may terminate the CEO Agreement by providing notice in writing and the CEO Agreement automatically terminates, without notice or payment in lieu thereof, upon death, any material dishonesty on part of Mr. Taylor affecting the Company, conviction of Mr. Taylor for an indictable offence or for any crime involving fraud or misrepresentation, a material conflict of interest as described in the CEO Agreement, wilful and intentional act on the part of Mr. Taylor (as described in the CEO Agreement) and any other cause or reason which would entitle Mr. Taylor to terminate Mr. Taylor's engagement without notice or compensation in lieu of notice. Notwithstanding the foregoing, if the Company terminates this Agreement pursuant to due to the death or permanent disability of Mr. Taylor and such death or permanent disability occurred during or resulted directly from Mr. Taylor's performance of the services required under the CEO Agreement, then the Company shall pay to Mr. Taylor a lump sum termination payment equal to three (3) times the annual base fee in effect as of the termination date and the average of the annual bonuses or other cash incentive payments paid by the Company to Mr. Taylor for the two calendar years immediately preceding the year in which the termination occurred.

The Company may terminate the CEO Agreement by giving at least sixty (60) days advance notice in writing to Mr. Taylor, provided that on receipt of such notice of termination, Mr. Taylor may elect to accept such notice of termination effective immediately in which case Mr. Taylor's engagement will terminate immediately upon such acceptance by Mr. Taylor. The provided notice under this section must be supported by the majority of the Board.

Mr. Taylor may terminate this Agreement upon the happening of any one or more triggering events (a "triggering

event” includes, but is not limited to, a substantial change to the nature of the services to be performed, a material breach by the Company of any provision of the CEO Agreement that is not remedied, requirement for Mr. Taylor to relocate to another city, the Company ceasing to operate as a going concern, a material reduction in the base fee payable under the CEO Agreement, or the incumbent directors ceasing to constitute a majority of the Board) by providing written notice to the Company and the Company shall pay to Mr. Taylor a lump sum termination payment equal to two (2) times the annual base fee in effect as of the termination date and the average of the annual bonuses or other cash incentive payments paid by the Company to Mr. Taylor for the two (2) calendar years immediately preceding the year in which the termination occurred.

If a change of control in the Company occurs at any time after July 1, 2021 and if, in respect of Mr. Taylor, a triggering event subsequently occurs within one (1) year of the change of control, Mr. Taylor shall be entitled to elect to terminate its engagement with the Company and receive a lump sum termination payment equal to two (2) times the annual base fee in effect as of the termination date and the average of the annual bonuses or other cash incentive payments paid by the Company to Mr. Taylor for the two (2) calendar years immediately preceding the year in which the termination occurred.

Termination and Change of Control Benefits

Other than as disclosed herein, the Company does not have any plan or arrangement to pay or otherwise compensate any NEO if their employment is terminated as a result of resignation, retirement, change of control, or if their responsibilities change following a change of control. See “Employment, Consulting and Management Agreements”.

Oversight and description of director and named executive officer compensation

The objective of the Company’s compensation program is to compensate the executive officers and directors for their services to the Company at a level that is both in line with the Company’s fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers and directors based on their skill, qualifications, experience level, past performance, level of involvement, level of responsibility involved in their position, the existing stage of development of the Company, the Company’s resources, industry practice and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the executive officers with those of the Shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in Shareholder value. The Company may provide medical and dental benefits but it does not provide pension or other benefits to the executive officers. The Board members may also be paid a monthly consulting fee or other bonuses based on the criteria set forth herein.

The base compensation of the executive officers is reviewed and set annually by the Board. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and Board from time to time determine the stock option grants to be made pursuant to the Company’s stock option plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company’s financial resources and prospects.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only compensation plan under which equity securities are authorized for issuance as at the fiscal year ended March 31, 2021 is the Company's Option Plan. The following table sets forth securities of the Company that are authorized for issuance under equity compensation plans as at the end of the Company’s most recently completed financial year (March 31, 2021).

As at March 31, 2021, the Company had 64,647,939 common shares issued and outstanding.

MANAGEMENT CONTRACTS

Except as disclosed herein, management functions of the Company are not to any substantial degree performed by anyone other than by the directors or executive officers of the Company.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day to day management of the Company. The Canadian Securities Administrators (“**CSA**”) have adopted National Policy 58-201 Corporate Governance Guidelines, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The composition of the Board currently consists of the following six members: Craig Taylor, Ryan Cheung, Craig Taylor, Kris Raffle, Andrew Burgess and Luisa Moreno. It is proposed that all six individuals will be nominated at the Meeting.

A director is independent if he or she has no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director’s independent judgment. Max Sali is not independent as he was previously the CEO of the Company. Craig Taylor is not independent as he is currently the CEO of the Company, Ryan Cheung is not independent as he is CFO and Corporate Secretary of the Company and Kris Raffle is not independent as he has received, directly or indirectly, consulting fees from the Company other than as remuneration for acting in his capacity as a member of the Board. Andrew Burgess is not independent as he is the chief financial officer and shareholder of Spectrum Mining Corporation.

The following table sets forth the directors of the Company who are directors of other reporting issuers as at the date of this Circular:

Orientation and Continuing Education

Orientation of new members of the Board is conducted informally by Management and members of the Board. The Company has not adopted formal policies respecting continuing education for Board members.

Ethical Business Conduct

Some of the directors of the Company also serve as directors and officers of other companies engaged in similar business activities. As such, the Board must comply with the conflict of interest provisions of the British Columbia *Business Corporations Act*, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote at meetings of directors which evoke any such conflict.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual general meeting. The Board takes into account the number of directors required to carry out the Board’s duties effectively and to maintain diversity of views and experience. The Board has not established a nominating committee and this function is currently performed by the Board as a whole.

Compensation

To determine compensation payable, the board will review compensation paid for directors and executive officers of companies of similar size and stage of development in the mineral exploration industry and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. In setting the compensation, the board intends to annually review the performance of the senior officers in light of the Company's objectives and consider other factors that may have impacted the success of the Company in achieving its objectives.

Board Committees

The Board currently has no standing committees other than the Audit Committee. The Audit Committee is appointed by the Board to assist in monitoring: (i) the integrity of the financial statements of the Company; (ii) the compliance by the Company with the legal and regulatory requirements; and (iii) the qualification, appointment, independence and performance of the Company's external auditors and senior financial executives.

Assessments

Neither the Company nor the Board has determined formal means or methods to regularly assess the Board, its Audit Committee, or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director is informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

AUDIT COMMITTEE

Audit Committee Disclosure

Pursuant to Section 224(1) of the *Business Corporations Act* (British Columbia) and National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") the Company is required to have an audit committee (the "Committee") comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. NI 52-110 requires the Company, as a venture issuer, to disclose annually in its Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

The primary function of the Committee is to assist the Board in fulfilling its financial oversight responsibilities by: (i) reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders; (ii) reviewing the systems for internal corporate controls which have been established by the Board and management; and (iii) overseeing the Company's financial reporting processes generally. In meeting these responsibilities the Committee monitors the financial reporting process and internal control system; reviews and appraises the work of external auditors and provides an avenue of communication between the external auditors, senior management and the Board. The Committee is also mandated to review and approve all material related party transactions.

Composition of the Audit Committee

The Committee is comprised of the following members: Kris Raffle, Andrew Burgess, and Craig Taylor. Kris Raffle, Craig Taylor, and Andrew Burgess are considered not to be independent. Each member of the Committee is considered to be financially literate, as defined by NI 52-110, in that they have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee are elected by the Board at its first meeting following the annual shareholders' meeting. Unless a chair is elected by the full Board, the members of the Committee designate a chair by a majority vote of the full Committee membership.

Relevant Education and Experience

All three Committee members have the ability to read and understand financial statements that present a breadth and

level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and are therefore considered "financially literate".

Craig Taylor: Mr. Taylor is a self-employed consultant with several years of experience as an officer and director of public companies and has extensive knowledge and financial skills regarding publicly listed exploration companies.

Kris Raffle: Mr. Raffle has over 18 years of exploration experience working mostly with Exchange listed companies, including project management and budgeting where he has gained the knowledge and financial skills required for an exploration company including analyzing and consulting on financial statements in the exploration industry. Mr. Raffle is also a director of other publicly listed resource companies.

Andrew Burgess: Mr. Burgess, C.A., C.P.A., is currently the chief financial officer and minority shareholder of Spectrum Mining Corporation and an experienced professional with more than 35 years accounting, finance and financial reporting experience with listed companies. Mr. Burgess has a broad base of experience with natural resource, service and industrial companies in the areas of general management, financial and management reporting, taxation, corporate reorganizations, investments, acquisitions, divestitures, equity and debenture financing, budgeting, investor relations and administration. He has extensive public company and initial public offering experience.

The Audit Committee's Charter

The Company has adopted a Charter of the Audit Committee, a copy of which is attached hereto as Schedule "A".

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, the Board has not failed to adopt a recommendation of the Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the effective date of NI 52-110, the Company has not relied on the exemptions contained in sections 2.4, 6.1.1(4), 6.1.1(5), 6.1.1(6) or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Sections 6.1.1(4) to 6.1.1(6) relate to the composition of the Committee. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval Policies and Procedures

The Committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Board, and where applicable the Committee, on a case-by-case basis.

External Auditor Service Fees

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in the two most recently completed financial years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
March 31, 2021	\$25,305	Nil	Nil	Nil
March 31, 2020	\$19,738	Nil	Nil	Nil

Exemption

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

If requested by a member of the Committee, the Company's auditor shall attend every meeting of the Committee held during the term of office of the Company's auditor.

A majority of the Committee shall constitute a quorum. No business may be transacted by the Committee except at a meeting of its members at which a quorum of the Committee is present in person or by means of such telephonic, electronic or other communications facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously. Business may also be transacted by the unanimous written consent resolutions of the members of the Committee, which when so approved shall be deemed to be resolutions passed at a duly called and constituted meeting of the Committee.

The Committee may invite such directors, officers and employees of the Company and advisors as it sees fit from time to time to attend meetings of the Committee.

The Committee shall meet without management present whenever the Committee deems it appropriate.

The Committee shall appoint a Secretary who need not be a director or officer of the Company. Minutes of the meetings of the Committee shall be recorded and maintained by the Secretary and shall be subsequently presented to the Committee for review and approval.

5. Committee and Charter Review

The Committee shall conduct an annual review and assessment of its performance, effectiveness and contribution, including a review of its compliance with this Charter. The Committee shall conduct such review and assessment in such manner as it deems appropriate and report the results thereof to the Board.

- (iv) discussing with management any significant variances between comparative reporting periods; and

The Company's auditor reports directly to the Committee. The Committee is directly responsible for overseeing the work of the Company's auditor engaged for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services for the Company, including the resolution of disagreements between management and the Company's auditor regarding financial reporting.

(e) Risk and Uncertainty

The Committee is responsible for reviewing, as part of its approval of the financial statements:

- (i) uncertainty notes and disclosures; and

The Committee, in consultation with management, will identify the principal business risks and decide on the Company's "appetite" for risk. The Committee is responsible for reviewing related risk management policies and recommending such policies for approval by the Board. The Committee is then responsible for communicating and assigning to the applicable Board committee such policies for implementation and ongoing monitoring.

The Committee is responsible for requesting the auditor's opinion of management's assessment of significant risks facing the Company and how effectively they are managed or controlled.

(f) Controls and Control Deviations

The Committee is responsible for reviewing:

- (iii) environmental protection laws; and
- (iv) other matters for which directors face liability exposure.

(h) **Related Party Transactions**

All transactions between the Company and a related party (each a "related party transaction"), other than transactions entered into in the ordinary course of business, shall be presented to the Committee for consideration.

The term "related party" includes (i) all directors, officers, employees, consultants and their associates (as that term is defined in the *Securities Act* (British Columbia)), as well as all entities with common directors, officers, employees and consultants (each "general related parties"), and (ii) all other individuals and entities having beneficial ownership of, or control or direction over, directly or indirectly securities of the Company carrying more than 10% of the voting rights attached to all of the Company's outstanding voting securities (each "10% shareholders").

Related party transactions involving general related parties which are not material to the Company require review and approval by the Committee. Related party transactions that are material to the Company or that involve 10% shareholders require approval by the Board, following review thereof by the Committee and the Committee providing its recommendation thereon to the Board.

8. Non-Audit Services

All non-audit services to be provided to the Company or its subsidiary entities by the Company's auditor must be pre-approved by the Committee.

The Committee is responsible for reviewing complaints and concerns that are brought to the attention of the Chair of the Audit Committee and for ensuring that any such complaints and concerns are appropriately addressed. The Committee shall report quarterly to the Board on the status of any complaints or concerns received by the Committee.

10. Procedure For Reporting Of Fraud Or Control Weaknesses

Each employee is expected to report situations in which he or she suspects fraud or is aware of any internal control weaknesses. An employee should treat suspected fraud seriously, and ensure that the situation is brought to the attention of the Committee. In addition, weaknesses in the internal control procedures of the Company that may result in errors or omissions in financial information, or that create a risk of potential fraud or loss of the Company's assets, should be brought to the attention of both management and the Committee.

To facilitate the reporting of suspected fraud, it is the policy of Company that the employee (the "whistleblower") has anonymous and direct access to the Chair of the Audit Committee. Should a new Chair be appointed prior to the updating of this document, current Chair will ensure that the whistleblower is able to reach the new Chair in a timely manner. In the event that the Chair of the Audit Committee cannot be reached, the whistleblower should contact the Chair of the Board of Directors. Access to the names and place of employment of the Company's Directors can be found in the Company's website.

In addition, it is the policy of the Company that employees concerned about reporting internal control weaknesses directly to management are able to report such weaknesses to the Committee anonymously. In this case, the employee should follow the same procedure detailed above for reporting suspected fraud.

11. Hiring Policies

The Committee is responsible for reviewing and approving the Company's hiring policies regarding partners, employees and former partners and employees of the present and former auditor of the Company.
