

28. Authors' Certificate

I, Bruce G. Kienlen, P. Geol. do hereby certify that:

- I am Vice President Exploration for ePower Metals. of 1507 - 1030 Georgia Street, Vancouver, British Columbia, V6E 2Y3
- I graduated with the degree of Bachelor of Science in Geology from the University of Alberta in 1996.
- I am a member of the Association of Professional Engineers and Geoscientists of Alberta.
- I have worked as a geologist since my graduation from university.
- I have read the definition of "Qualified Person" set out in National Instrument 43-101 ("NI 43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a "Qualified Person" for the purposes of NI 43-101.
- I am responsible for the preparation of this report titled "National Instrument 43-101 Technical Report on the Panther Creek Property, Lemhi County, Idaho, USA", dated May 9, 2018 (the "Technical Report") relating to the Panther Creek Property. I personally visited the Panther Creek Property between Feb 8 and 9, 2018.
- I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading.
- I am not independent of the issuer applying all of the tests in section 1.5 of National Instrument 43-101 as I am currently an employee of ePower Metals Inc. in the capacity of Vice President, Exploration.
- I have read National Instrument 43-101 and Form 43-101F1, and the Technical Report has been prepared in compliance with that instrument and form.
- I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.

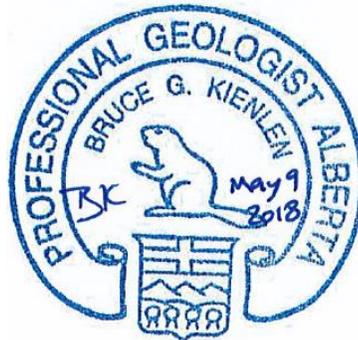

Signed in accordance with section 5.2 of National Instrument 43-101.

Effective May 9, 2018.

Respectfully Submitted.

Bruce G. Kienlen, BSc, P. Geo.

SIGNED & DATED at Vancouver, British Columbia, this 9th day of May 2018
