### **1. Nature of Operations and Continuance of Business**

Searchlight Resources Inc. (formerly Canyon Copper Corp.), (the “Company”), was incorporated in the State of Nevada, U.S.A. on January 21, 2000 under the name Aberdene Mines Limited. On August 7, 2006, the Company changed its name to Canyon Copper Corp. On May 31, 2013, the Company changed its incorporation jurisdiction to be British Columbia, Canada. On July 25, 2018, the Company changed its name to Searchlight Resources Inc. The Company’s principal business plan is to acquire, explore and develop mineral properties and ultimately seek earnings by exploiting mineral claims. The Company’s registered office is Suite 408, 1199 West Pender Street, Vancouver, British Columbia, V6E 2R1.

These interim consolidated financial statements have been prepared on a going concern basis which assumes that the Company will realize the carrying value of its assets and discharge its liabilities in the normal course of business. As at September 30, 2018, the Company has not generated any revenue and has accumulated losses of \$30,140,940 since inception. There is no guarantee that the Company will be able to complete any of the above objectives. These factors indicate the existence of a material uncertainty that may cast substantial doubt on the Company’s ability to continue as a going concern. These interim consolidated financial statements do not include any adjustments to the recoverability and classification of recorded asset amounts and classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

### **2. Summary of Significant Accounting Policies**

#### **(a) Statement of Compliance and Basis of Presentation**

These interim consolidated financial statements, including comparatives, have been prepared in accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board (“IASB”) applicable to the preparation of interim financial statements, including IAS 34, “*Interim Financial Reporting*”.

These interim consolidated financial statements include the accounts of the Company and its wholly owned subsidiary, Canyon Copper (USA) Ltd., a company incorporated in the state of Nevada. All inter-company balances and transactions have been eliminated on consolidation.

These interim consolidated financial statements have been prepared on a historical cost basis. These interim consolidated financial statements are presented in Canadian dollars, which is the Company’s functional currency.

#### **(b) Accounting Standards Issued But Not Yet Effective**

A number of new standards, and amendments to standards and interpretations, are not yet effective for the period ended September 30, 2018, and have not been applied in preparing these interim consolidated financial statements.

##### **New standard IFRS 16, “Leases”**

The Company has not early adopted this new standard and does not expect it to have a material impact on the interim consolidated financial statements.

Other accounting standards or amendments to existing accounting standards that have been issued but have future effective dates are either not applicable or are not expected to have a significant impact on the Company’s interim consolidated financial statements.

#### (a) New York Canyon Property, Nevada, USA

The New York Canyon Project consists of 60 unpatented mineral claims covering approximately 1,200 acres and 21 patented mineral claims covering an area of approximately 780 acres, including the Jaycor claims as described below, located within the vicinity of the New York Canyon Claims area, Mineral County, Nevada. The New York Canyon Project is approximately five miles east of Luning and 30 miles east of Hawthorne, in the sparsely populated west central part of Nevada.

On March 6, 2014, the Company entered into a purchase agreement with the lessor of the Jaycor claims, which were leased by Canyon pursuant to the terms of a lease agreement with Jaycor dated July 21, 2004. The Company acquired a 100% interest in the 18 mineral claims described above for consideration of 200,000 common shares (issued) and the lease agreement was terminated. This agreement will continue to be subject to a 1.75% net smelter return royalty, which is payable up to US\$2,000,000.

### 4. Mineral Properties (continued)

#### (b) Moonlight Property, California, USA – Metamin Agreement

On November 25, 2011, the Company entered into an Assignment Agreement with Metamin Enterprises Inc., a company controlled by the President of the Company, (the “Assignor”) and Metamin Enterprises USA Inc. (“Assignor Sub”), a wholly-owned subsidiary of the Assignor, to acquire the Assignor’s interest in an option agreement between the Assignor and Lester Storey (the “Optionor”), in respect of certain mineral claims, known as the Moonlight property, located in Plumas County, California. On January 19, 2012, the Company closed the Assignment Agreement with the Assignor and Assignor Sub. The Company has made all the required payments under the Assignment Agreement.

The Assignor will retain a 1% net smelter return on metals extracted from the property, which can be repurchased for US\$1,000,000, and a gross overriding royalty of 2.5% on receipts from the sale of industrial minerals.

Upon closing of the Assignment Agreement, the Company assumed all of the Assignor’s rights and obligations under the option agreement. The Optionor will retain a 1% net smelter return on the metals extracted from the Moonlight property, which can be repurchased for US\$1,000,000, and a gross overriding royalty of 2.5% on receipts from the sale of industrial minerals.

On August 20, 2014, the Company had made all of the required payments under the option agreement and exercised its option to acquire a 100% interest in the Moonlight Property pursuant to the terms of an Assignment Agreement with Metamin Enterprises Inc.

#### (c) Moonlight Property, California, USA – Crown Mining Corp. Agreement

On February 28, 2016, the Company entered into an option agreement (“Option Agreement”) with Crown Mining Corp. (“Crown”), whereby the Company agreed to option a 100% interest in the Moonlight Property to Crown. Under the terms of the Option Agreement, Crown may acquire a 100% interest in the Moonlight property by making the following payments:

##### (i) Cash payments:

- \$5,000 on execution of the option agreement (received);
- \$20,000 on or before June 1, 2016 (received); and
- \$350,000 on or before the third anniversary of the TSX Venture Exchange (“TSXV”) acceptance date (March 4, 2019) (received).

##### (ii) Share payments:

- 2,000,000 common shares within five days of the TSXV acceptance date (received);
- 750,000 common shares if the \$350,000 option payment is not paid in full before the first anniversary of the TSXV acceptance date (March 4, 2017) (received); and
- 1,000,000 common shares if the \$350,000 option payment is not paid in full before the second anniversary of the TSXV acceptance date (March 4, 2018).

In connection with the Option Agreement, the Company and the advance royalty holders agreed to eliminate the advanced royalty payments, increase each of the advance royalty holder’s net smelter returns from 1.0% to 1.25%, and Crown agreed to issue a total of 600,000 common shares to the advance royalty holders (issued).

On March 13, 2018, Crown completed the option payments and acquired a 100% interest in the Moonlight property.

#### (d) Samuels Lake Property, Ontario, Canada

On September 21, 2016, the Company entered into an option agreement with ProAm Exploration Corporation (“ProAm”) to earn a 71% interest in the Samuels Lake Property consisting of five claims located in Beaverhouse Lake and Factor Lake Areas of northwestern Ontario. Under the terms of the option agreement, the Company will exercise the option to acquire a 71% interest in Samuels Lake Property by making the following cash payments, share issuances and exploration expenditures:

##### Cash payments:

- \$50,000 within ten days from the date of Exchange acceptance on October 7, 2016 (paid);
- \$50,000 on or before September 21, 2018; and
- \$100,000 on or before September 21, 2019.

##### Share payments:

- 66,667 common shares within ten days from the date of Exchange acceptance on October 7, 2016 (issued);
- 66,667 common shares on or before September 21, 2018; and
- 66,667 common shares on or before September 21, 2019.

##### Exploration expenditures:

- \$500,000 before September 21, 2018;
- an additional \$500,000 on or before September 21, 2019; and
- an additional \$1,500,000 on or before September 21, 2022.

Under the terms of the option agreement, the Company will pay a 2.5% net smelter return to ProAm on commencement of commercial production. The Company will have the right, at any time, to purchase 1% of the net smelter return for \$1,500,000.

During the period, the Company terminated the option agreement and returned the property to ProAm. As a result, the Company recorded an impairment of \$57,000 as at June 30, 2018.

#### (e) Bootleg Lake Gold Property, Saskatchewan, Canada

On May 10, 2017, the Company entered into an option agreement (“Option Agreement”) with New Moon Minerals Corp. ## 9. Financial Instruments

### (a) Fair Values

Assets and liabilities measured at fair value on a recurring basis were presented on the Company's statement of financial position as at September 30, 2018, as follows:

	Fair Value Measurements Using			Balance, September 30, 2018 \$
	Quoted prices in active markets for identical instruments (Level 1) \$	Significant other observable inputs (Level 2) \$	Significant unobservable inputs (Level 3) \$	
Cash	305,035	-	-	305,035
Marketable securities	14,160	-	-	14,160
	319,915	-	-	319,915

The fair values of other financial instruments, which include amounts receivable, accounts payable and accrued liabilities, amounts due to related parties, accrued interest on loans payable to related parties, and loans payable to related parties approximate their carrying values due to the relatively short-term maturity of these instruments.

### (b) Credit Risk

Financial instruments that potentially subject the Company to a concentration of credit risk consist primarily of cash and amounts receivable. The Company limits its exposure to credit loss by placing its cash with high credit quality financial institutions. Amounts receivable consists of GST refunds due from the Government of Canada. The carrying amount of financial assets represents the maximum credit exposure.

(c) Foreign Exchange Rate Risk

The Company operates in Canada and United States. Future exploration programs and option payments may be denominated in U.S. dollars. Foreign exchange risk arises from purchase transactions as well as financial assets and liabilities denominated in these foreign currencies. The Company does not use derivative instruments to hedge exposure to foreign exchange rate risk. However, management of the Company believes there is no significant exposure to foreign currency fluctuations.

(d) Interest Rate Risk

The Company's cash may contain highly liquid investments that earn interest at market rates. The Company manages its interest rate risk by maximizing the interest earned on excess funds while maintaining the liquidity necessary to fund daily operations. Fluctuations in market interest rates do not have a significant impact on the Company's results of operations due to the short term to maturity of the investments held.

(e) Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company currently settles its financial obligations out of cash. The ability to do this relies on the Company raising debt or equity financing in a timely manner and by maintaining sufficient cash in excess of anticipated needs.

(f) Price Risk

The Company is exposed to price risk with respect to commodity prices. The Company's ability to raise capital to fund exploration and development activities is subject to risks associated with fluctuations in the market price of commodities. The Company is exposed to price risk with the marketable securities held in publicly-traded companies. The Company's marketable securities are subject to risks associated with fluctuations in the market price of the marketable securities.

### **10. Capital Management**

The Company manages its capital to maintain its ability to continue as a going concern and to provide returns to shareholders and benefits to other stakeholders. The capital structure of the Company consists of cash and equity comprised of issued share capital and contributed surplus.

The Company manages its capital structure and makes adjustments to it in light of economic conditions. The Company, upon approval from its Board of Directors, will balance its overall capital structure through new share issues or by undertaking other activities as deemed appropriate under the specific circumstances.

The Company is not subject to externally imposed capital requirements and the Company's overall strategy with respect to capital risk management remains unchanged from the year ended June 30, 2018.
