INFORMATION CIRCULAR

(as at December 15, 2020 except as otherwise indicated)

INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting (the “Notice”) and is furnished to shareholders holding common shares in the capital of Searchlight Resources Inc. (the “Company”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “Meeting”) of the shareholders to be held at 10:00 a.m. (Pacific Standard time) on Wednesday, January 21, 2021 at Suite 408, 1199 West Pender Street, Vancouver, BC or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is December 15, 2020. Unless otherwise stated, all amounts herein are in Canadian dollars.

MANAGEMENT SOLICITATION OF PROXIES

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made, without special compensation, by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company may reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The Company will bear the cost of the solicitation.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT AND REVOCATION OF PROXY

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of December 15, 2020 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “Designated Persons”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, TSX Trust Company (the "Transfer Agent") at their offices located at 301 – 100 Adelaide Street West, Toronto, ON M5H 4H1 by mail or fax, no later than 10:00 am (Pacific Standard Time) on January 17, 2020.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarial certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

VOTING BY PROXY

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the common shares represented will be voted or withheld from the vote on that matter accordingly. **The common shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may**

be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the common shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE COMPANY'S BOARD OF DIRECTORS FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder's name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name of CDS & Co., being the registration name for The Canadian Depository for Securities Limited (which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co., as nominee for The Depository Trust Company (which acts a depository for many U.S. brokerage firms and custodian banks). **Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person well in advance of the Meeting.**

Regulatory policies require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Beneficial Shareholders have the option of not objecting to their Intermediary disclosing certain ownership information about themselves to the Company (such Beneficial Shareholders are designated as non-objecting beneficial owners, or "NOBOs") or objecting to their Intermediary disclosing ownership information about themselves to the Company (such Beneficial Shareholders are designated as objecting beneficial owners, or "OBOs").

In accordance with the requirements of National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer, the Company has elected to send the notice of meeting, this Information Circular and a request for voting instructions (a "VIF"), instead of a proxy (the notice of Meeting, Information Circular and VIF or proxy are collectively referred to as the "Meeting Materials") directly to the NOBOs. The Company will not be paying to send the Meeting Materials to OBOs. OBOs will not receive a copy of the Meeting Materials unless their Intermediaries (or their service companies)

assume the cost of delivery. A VIF enables a Beneficial Shareholder to provide instructions to the registered holder of its common shares as to how those shares are to be voted at the Meeting and allow the registered holder to provide a Proxy voting the common shares in accordance with those instructions. A VIF should be completed and returned in accordance with its instructions. The results of the VIFs received from NOBOs will be tabulated and appropriate instructions respecting voting of common shares to be represented at the Meeting will be provided to the registered shareholders.

Intermediaries are required to seek voting instructions from OBOs in advance of the Meeting. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by OBOs to ensure that their common shares are voted at the Meeting. Most brokers now delegate responsibility for obtaining voting instructions from clients to Broadridge Investor Communications Solutions, in Canada, and Broadridge Financial Solutions, Inc., in the United States, (collectively, "Broadridge"), which mails the materials for the Meeting to OBOs and asks them to return a VIF to Broadridge. An OBO receiving a VIF from Broadridge may use that VIF to vote common shares directly at the Meeting if the OBO inserts their name as the name of the person to represent them at the Meeting. The VIF must be returned to Broadridge well in advance of the meeting in order to have the common shares voted.

In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the shares which they beneficially own. A Beneficial Shareholder receiving a VIF cannot use that form to vote common shares directly at the Meeting. Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder will need to write their name (or their nominee's name) in the space provided in the VIF and return it in accordance with the instructions of the VIF.

Only registered shareholders have the right to revoke a proxy. A Beneficial Shareholder who wishes to change its vote must, at least seven days before the Meeting, arrange for its Intermediary to revoke its VIF on its behalf.

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of common shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value (the "shares"), of which 75,362,027 shares are issued and outstanding. Persons who are registered shareholders

At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at seven (7). The number of directors will be approved if the affirmative vote of the majority of common shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at seven (7).

Management recommends the approval of the resolution to set the number of directors of the Company at seven (7).

ELECTION OF DIRECTORS

At present the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting of the shareholders or until their successors are elected or appointed in accordance with the Company's Articles or until such directors' earlier death, resignation or removal. In the absence of instructions to the contrary, the enclosed proxy and VIF will be voted for the nominees listed in the proxy and VIF, all of whom are presently members of the Board of Directors.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This discussion describes the Company's compensation program for each person who has acted as Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO") and the three most highly compensated executive officers (or three most highly compensated individuals acting in a similar capacity), other than the CEO and CFO, whose compensation was more than \$150,000 during the financial year ended June 30, 2020 (each a "Named Executive Officer").

Significant Elements

The significant elements of compensation awarded to the Named Executive Officers are management fees and stock options. The Company does not presently have a long-term incentive plan for its Named Executive Officers. There is no policy or target regarding allocation between cash and non-cash elements of the Company's compensation program. The Board of Directors is solely responsible for determining compensation to be paid to the Company's Named Executive Officers. In addition, the Board of Directors reviews annually the total compensation package of each of the Company's executives on an individual basis.

Management Fees

In setting compensation rates for Named Executive Officers, the Company compares the amounts paid to them with the amounts paid to executives in comparable positions at other comparable corporations. The Company's compensation payable to the Named Executive Officers is based upon, among other things, the responsibility, skills and experience required to carry out the functions of each position held by each Named Executive Officer and varies with the amount of time spent by each Named Executive Officer in carrying out his or her functions on behalf of the Company.

Option-Based Awards

The Company's stock option plan is intended to emphasize management's commitment to the growth of the Company. The grant of stock options, as a key component of the executive compensation package, enables the Company to attract and retain qualified executives. Stock option grants are based on the total of stock options available under the Stock Option Plan. In granting stock options, the board of directors reviews the total of stock options available under the Stock Option Plan and recommends grants to newly retained executive officers at the time of their appointment, and considers recommending further grants to executive officers from time to time thereafter. The amount and terms of outstanding options held by an executive are taken into account when determining whether and how new option grants should be made to

the executive. The exercise periods are to be set at the date of grant. The stock option grants may contain vesting provisions in accordance to the Company's Stock Option Plan.

CORPORATE GOVERNANCE DISCLOSURE

Pursuant to National Instrument 58-101, Disclosure of Corporate Governance Practices, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company’s approach to corporate governance is set out below.

Board of Directors

The Board of Directors is currently comprised of five (5) members. Securities legislation recommends that the Board of Directors of a public company be constituted with a majority of individuals who qualify as “independent” directors. An “independent” director is a director who has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board of Directors, reasonably interfere with the exercise of a director’s independent judgment. John R. Kerr, Peter Dueck and Peter Ball are independent directors of the Company, aside from common shares or stock options of the Company held by them, they have no ongoing interest or relationship with the Company other than serving as a director. New director candidates have free access to any of the Company’s records, employees or senior management in order to conduct their own due diligence and will be briefed on the strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing policies of the Company. The directors are encouraged to update their skills and knowledge by taking courses and attending professional seminars.

Ethical Business Conduct

The Board of Directors has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate

legislation on an individual director's participation in decisions of the Board of Directors in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Certain directors may also be directors and officers of other companies, and conflicts of interest may arise between their duties. Such conflicts must be disclosed in accordance with and are subject to such other procedures and remedies as applicable under the *Business Corporations Act* (British Columbia).

Nomination of Directors

The Board of Directors is responsible for identifying qualified individuals to become new directors and recommending new director nominees for the next annual meeting of shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation

The Board of Directors conducts reviews with regard to the compensation of the directors and the Chief Executive Officer once a year. To make its recommendations on such compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies.

Other Board Committees

The Board of Directors has no other committees other than the Audit Committee.

Assessments

The Board of Directors regularly monitors the adequacy of information given to directors, communication between Board and Management and the strategic direction and processes of the Board and its committees.

PARTICULARS OF MATTERS TO BE ACTED UPON

1. Confirming Stock Option Plan

The Company received shareholder approval on January 23, 2019 of its "rolling" stock option plan (the "Stock Option Plan") whereby 10% of the number of issued and outstanding shares of the Company at any given time may be reserved for issuance pursuant to the exercise of options. The TSX Venture Exchange requires that the Stock Option Plan be submitted for approval by the shareholders at the annual general meeting of the Company. Accordingly, management is seeking ratification and approval of the Stock Option Plan by the shareholders. The board of directors of the Company has approved the Stock Option Plan and recommends shareholders vote in favour of approving and ratifying the Stock Option Plan.

The Stock Option Plan was established to provide incentive to directors, officers, employees, management company employees and consultants who provide services to the Company. The intention of management in proposing the Stock Option Plan is to increase the proprietary interest of such persons in the Company and thereby aid the Company in attracting, retaining and encouraging the continued involvement of such persons with the Company.

The Stock Option Plan provides for a floating maximum limit of 10% of the outstanding common shares, as permitted by the policies of the Exchange. As of the date of this Information Circular, the Company was eligible

to grant up to 3,106,291 options under its Stock Option Plan. There are presently 1,900,000 options outstanding and 1,206,291 are reserved and available under the Stock Option Plan.

Terms of the Stock Option Plan

Options may be granted under the Stock Option Plan to such service providers of the Company and its affiliates, if any, as the Board of Directors may from time to time designate. The exercise price of option grants will be determined by the Board of Directors but cannot be lower than the price permitted by the TSX Venture Exchange. The Stock Option Plan provides that the number of common shares that may be reserved for issuance to any one individual upon exercise of all stock options held by such individual may not exceed 5% of the issued common shares, if the individual is a director or officer, or 2% of the issued common shares, if the individual is a consultant or engaged in providing investor relations services, on a yearly basis. Subject to earlier termination, all options granted under the Stock Option Plan will expire not later than the date that is five years from the date that such options are granted. In the event that an optionee ceases to be a director, officer, employee or consultant, the option will terminate within ninety days. In the event of the death of an optionee, the options will only be exercisable within 12 months of such death. Options granted under the Stock Option Plan are not transferable or assignable other than by will or other testamentary instrument or pursuant to the laws of succession.

Disinterested Shareholder Approval

Under the policies of the TSX Venture Exchange, if the grant of options under the proposed Stock Option Plan to insiders of the Company, together with all of the Company's outstanding stock options, could result at any time in:

- (a) the number of shares reserved for issuance pursuant to stock options granted to insiders of the Company exceeding 10% of the issued common shares of the Company;
- (b) the grant to insiders of the Company, within a 12-month period, of a number of options exceeding 10% of the issued common shares of the Company; or
- (c) the issuance to any one optionee, within a 12-month period, of a number of shares exceeding 5% of the issued common shares of the Company,

the Company must obtain disinterested shareholder approval. The policies of the TSX Venture Exchange and the terms of the proposed Stock Option Plan also provide that disinterested shareholder approval will be required for any agreement to decrease the exercise price of options previously granted to insiders of the Company. The term disinterested shareholder approval means approval by a majority of the votes cast at the Meeting other than votes attaching to shares of the Company beneficially owned by insiders of the Company to whom options may be granted under the proposed Stock Option Plan.

A copy of the Stock Option Plan is available for review at the registered offices of the Company, located at Suite 408, 1199 West Pender Street, Vancouver, British Columbia, during normal business hours up to and including the date of the Meeting.

Management recommends the ratification and approval of the Stock Option Plan.

Under the TSX Venture Exchange policy, all such rolling stock option plans which set the number of common shares issuable under the plan at a maximum of 10% of the issued and outstanding common shares must be approved and ratified by shareholders on an annual basis. Therefore at the Meeting shareholders will be asked to pass an ordinary resolution in the following form:

BE IT RESOLVED that:

- (1) the Company approve and ratify the Plan pursuant to which the directors may, from time to time, authorize the issuance of options to directors, officers, employees and consultants of the Company and its subsidiaries to a maximum of 10% of the issued and outstanding common shares of the Company at the time of grant, with a maximum of 5% of the Company's issued and outstanding common shares being reserved to any one person on a yearly basis; and
- (2) any one officer or director of the Company is hereby authorized to execute and deliver all such documents and do all such acts and things as may be deemed advisable in such individual's discretion for the purpose of giving effect to this resolution."

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED FOR SUCH RESOLUTION.

2. Approval of Conversion of Debt to Equity

The Company in the normal course of business has incurred expenditures which remain unpaid as of the date hereof. The unpaid amounts are payable to arm's-length creditors of the Company in the amount of \$97,500. The board of directors of the Company have authorized management to approach creditors of the Company to negotiate the conversion of some or all of amounts owing to the creditors be exchanged for Common Shares of the Company.

The text of the ordinary resolution regarding this matter is as follows:

BE IT RESOLVED THAT:

1. Management of the Company is authorized to negotiate with creditors of the Company to implement the conversion of some or all amounts owing to the creditors of the Company, to common shares of the Company; and
2. Any one director or officer of the Company is authorized, on behalf of the Company, to execute and deliver all documents and do all things as such person may determine to be necessary or advisable to give effect to this resolution.
