

## Fintech Select Provides Corporate Update

TORONTO, Sept. 20, 2021 (GLOBE NEWSWIRE) -- Fintech Select Ltd. ("**Fintech Select**" or the "**Company**") (TSX-V: FTEC) while the Company keeps moving forward with its strategic growth initiatives, it is pleased to update shareholders on its trademark's registration of TWIFTY; the Company's white-labeled online payment platform ("TWIFTY" or the "Solution"). The registration of TWIFTY trademark has been filed after a thorough search was completed. The Company still in testing stage of its white-labeled version and hoping to be completed soon. Once the testing is completed, the dedicated website of this Solution will be [www.twifty.com](http://www.twifty.com).

The trademark registration is a second strategic step for the Company to launch its online payment platform and to offer diverse value-added financial payment services to its customers.

The Company is also pleased to update the public on its POS solution project with Raseed, the Company's JV partner in Libya ("Raseed"). As of September 16<sup>th</sup>, 2021, Sawf Aljin bank, Raseed's first customer, completed the activation of 986 cards for its clients who have performed 21,463 transactions, including activation, POS, card load, query, and set pin transactions. The Company generates its revenue from a percentage of the transaction fees applied to clients, as fees are shared between Raseed, Sawf Aljin bank, and the Company.

The Company is also pleased to provide an update on its Cryptocurrency POS Selectcoin platform. The Company has been communicating with a large cryptocurrency exchange service provider to back up its POS Selectcoin business.

The Company intends to provide a further update on details and availability pertaining to the Solution and POS Selectcoin platform in due time.
