

INFORMATION CIRCULAR FOR THE 2019 ANNUAL GENERAL MEETING

This information is given as of **June 18, 2019**, unless otherwise noted.

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of **CYPRESS DEVELOPMENT CORP.** (the "**Company**") for use at the Annual General Meeting (the "**Meeting**") of the shareholders of the Company, to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address, and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed instrument of proxy is solicited by management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the instrument of proxy. None of the directors of the Company (the "**Board**" or the "**Directors**") have advised management in writing that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying instrument of proxy are directors or officers of the Company. **A shareholder has the right to appoint a person to attend and act for him on his behalf at the Meeting other than the persons named in the enclosed instrument of proxy. To exercise this right, a shareholder shall strike out the names of the persons named in the instrument of proxy and insert the name of his nominee in the blank space provided, or complete another instrument of proxy.**

The completed instrument of proxy must be dated and signed and the duly completed instrument of proxy must be deposited at the Company's transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1 at least 48 hours (Vancouver Time) before the time of the Meeting or any adjournment thereof, excluding Saturdays, Sundays and holidays, which is on or before 11:00 am Pacific Standard Time on July 11, 2019.

The instrument of proxy must be signed by the shareholder or by his duly authorized attorney. If signed by a duly authorized attorney, the instrument of proxy must be accompanied by the original power of attorney or a notarially certified copy thereof. If the shareholder is a corporation, the instrument of proxy must be signed by a duly authorized attorney, officer, or corporate representative, and must be accompanied by the original power of attorney or document whereby the duly authorized officer or corporate representative derives his power, as the case may be, or a notarially certified copy thereof. The Chairman of the Meeting has discretionary authority to accept proxies which do not strictly conform to the foregoing requirements.

In addition to revocation in any other manner permitted by law, a shareholder may revoke a proxy by (a) signing a proxy bearing a later date and depositing it at the place and within the time aforesaid, (b) signing and dating a written notice of revocation (in the same manner as the instrument of proxy is required to be executed as set out in the notes to the instrument of proxy) and either depositing it at the place and within the time aforesaid or with the Chairman of the Meeting on the day of the Meeting or on the day of any adjournment thereof, or (c) registering with the scrutineer at the Meeting as a shareholder present in person, whereupon such proxy shall be deemed to have been revoked.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed instrument of proxy will vote the shares in respect of which they are appointed and, where directions are given by the shareholder in respect of voting for or against any resolution, will do so in accordance with such direction.

In the absence of any direction in the instrument of proxy, it is intended that such shares will be voted in favour of the resolutions placed before the Meeting by management and for the election of the management nominees for directors and auditor, as stated under the headings in this Information Circular. The instrument of proxy enclosed, when properly completed and deposited, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may be properly brought before the Meeting. At the time of printing of this Information Circular, the management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any such amendments, variations or other matters should properly come before the Meeting, the proxies hereby solicited will be voted thereon in accordance with the best judgement of the nominee.

Registered Shareholders

As stated above, registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9; or
- (b) using a touch-tone phone to transmit voting choices to the toll free number given in the enclosed Proxy. Registered shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll free number, the holder's account number and the proxy access number;
- (c) using the internet at Computershare's website, www.computershare.com/ca/proxy. Registered shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy for the holder's account number and the proxy access number,

in all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment thereof at which the Proxy is to be used.

Non-Registered Shareholders

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most of the Company's shareholders are "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the name of a nominee (a "**Nominee**") such as: (a) a brokerage firm through which they purchased the shares; (b) a bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan; or (c) a clearing agency such as The Canadian Depository for Securities Limited (a "**Nominee**"). If you purchased your shares through a broker, you are likely a NON-registered holder. Non-

registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as non-objecting beneficial owners or “**NOBOs**”. Those non-registered holders who have objected to disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners or “**OBOs**”.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting Materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting Materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

Meeting Materials sent to non-registered holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “**VIF**”). This form is used instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered shareholder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIFs, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

In either case, the purpose of this procedure is to permit non-registered shareholders to direct the voting of the shares which they beneficially own. If a non-registered holder who receives a VIF wishes to attend the Meeting or have someone else attend on his, her or its behalf, the non-registered shareholder may appoint a legal proxy as set forth in the VIF, which will give the non-registered shareholder or his, her or its nominee the right to attend and vote at the Meeting. Non-registered shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

In addition, Canadian securities legislation now permits the Company to forward Meeting Materials directly to NOBOs. If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions.

Notice to Shareholders in the United States

The solicitation of proxies in this Information Circular involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and the securities laws of certain provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the applicable provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the Business Corporations Act (British Columbia), as amended (the “**BCBCA**”), the majority of its directors and executive officers are residents of Canada and a substantial portion of the assets of such persons are located outside of the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Under the Company's Articles, the quorum for the transaction of business at the Meeting consists of one person present in person or by proxy. Under the Business Corporations Act (British Columbia) and the Company's Articles, a simple majority of the votes cast at the Meeting (in person or by proxy) is required in order to pass the resolutions referred to in the accompanying Notice of Meeting.

Oversight and Description of Director and Named Executive Officer Compensation

The Company's Compensation Committee is comprised of two Directors, Donald Myers and Amanda Chow. The compensation of Directors and NEOs is reviewed and approved periodically by the Compensation Committee. In setting compensation levels, the Compensation Committee relies primarily on the experience, skills and education of its members.

The Company's compensation practices are designed to attract, motivate and retain highly qualified consultants to manage the business of the Company by rewarding individual and corporate performance and aligning the interests of the Directors and NEOs with the Company's shareholders. Compensation is designed to achieve both current and long term goals of the Company and to maximize returns to shareholders. Accordingly, a significant portion of executive compensation is tied to achieving the Company's goals. Compensation decisions are intended to be transparent, and the Company's practices are intended to be simple in design and competitive within the mineral exploration industry. Any compensation paid to the Directors and NEOs is dependent upon the Company's finances as well as the performance of each of the Directors and NEOs.

At present, the Board does not evaluate the implications of the risks associated with the Company's current compensation policies and practices, as the Company is still a venture issuer developing its business.

Pension Disclosure

The Company does not provide any pension, retirement plan or other remuneration for its Directors or officers that constitutes an expense to the Company.

Board of Directors

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board. Donald G. Myers and Amanda B. Chow who, apart from receiving director's remuneration, do not have any other material relationship to the Company that would interfere with their ability to act in the best interests of the Company, are considered to be independent directors. William W. Willoughby is the CEO, James G. Pettit is the CFO and Donald C. Huston is the Chairman and President of the Company, and, therefore, they are not considered to be independent directors.

Other Directorships

Certain directors of the Company currently serve as directors of other public companies. Some of the directors may be engaged in the search for additional business opportunities on behalf of other companies, and situations may arise where these directors may be serving another company with interests that could be in conflict with those of the Company. Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

The Board of Directors is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, show support for the Company's mission and strategic objectives, and a willingness to serve.
