Ladies and Gentlemen:

Re: Encana Corporation – Short Form Base Shelf Prospectus dated August 27, 2018

We refer to the short form base shelf prospectus of Encana Corporation (the “**Corporation**”) dated August 27, 2018 (the “**Prospectus**”) relating to the issue and sale of debt securities and equity and equity-based securities from time to time in an aggregate principal amount of up to US\$6,000,000,000 or its equivalency in other currencies.

We are a firm of independent petroleum engineering consultants and have prepared the following reports:

- i. reports dated February 13, 2018 auditing a portion of the Corporation’s petroleum and natural gas reserves using forecast prices and costs as at December 31, 2017;
- ii. reports dated February 13, 2018 auditing a portion of the Corporation’s petroleum and natural gas reserves using constant pricing and costs as at December 31, 2017; and
- iii. reports dated February 13, 2018 auditing a portion of the Corporation’s estimated economic contingent resources as at December 31, 2017;

(collectively, the “**Reports**”).

Information concerning the Corporation’s reserves and economic contingent resources derived from the Reports is included in the Form 51-101F1 of the Corporation dated February 26, 2018 and the Supplemental Disclosure Document dated February 26, 2018, as applicable, both of which are incorporated by reference in the Prospectus of the Corporation.

We hereby consent to the use and reference to our name and Reports and the inclusion of information derived from our Reports in the Prospectus. We also confirm that we have read the Prospectus and that we have no reason to believe that there are any misrepresentations in the information contained in it that are derived from the Reports or that are within our knowledge as a result of the services we performed in connection with the Reports.

Yours truly,

McDANIEL & ASSOCIATES CONSULTANTS LTD.
