GENERAL PROXY MATERIALS

FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS OF THE CORPORATION FOR THE FINANCIAL YEAR ENDED DECEMBER 31, 2018 TO BE HELD ON JANUARY 14, 2020.

SOLICITATION OF PROXIES

This Information Circular is provided in connection with the solicitation of proxies by the management of Regent for use at the Meeting and at any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting. In addition to solicitation by mail, proxies may be solicited in person, by telephone or other means of communication, by directors, officers and employees of Regent, who will not be specifically remunerated therefor. **Except as otherwise stated, the information herein is given as of December 10, 2019.**

APPOINTMENT OF PROXYHOLDERS AND REVOCATION OF PROXIES

The persons named in the enclosed forms of proxy are directors and officers of Regent. A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons designated in the forms of proxy provided by Regent to represent the Shareholder at the Meeting. To exercise this right, the Shareholder should insert the name of the desired representative in the blank space provided in the form of proxy or submit another appropriate form of proxy. In order to be effective, a holder of Shares must return a completed, dated and signed proxy form to Computershare Trust Company of Canada, Proxy Dept. at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 or by facsimile within North America to 1-866-249-7775 or outside North America to 1-416-263-9524. All proxies must be received not later than 48 hours (excluding Saturdays, Sundays and holidays) preceding the Meeting, or any adjournment or adjournments thereof, as applicable. In addition, Shareholder may bring the proxy to the Meeting and deliver it to the Chairman of the Meeting prior to commencement of the Meeting. The proxy shall be in writing and executed by the Shareholder or such Shareholder's attorney authorized in writing, or if such Shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney, as applicable.

A proxy is revocable. The giving of a proxy will not affect a Shareholder's right to attend and vote in person at the Meeting. In addition to revocation in any other manner permitted by law, a Shareholder may revoke a proxy by instrument in writing executed by the Shareholder or such Shareholder's attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof, duly authorized, and deposited either at the registered office of Regent at any time up to and including the last business day preceding the day of the applicable Meeting, or any adjournment or adjournments thereof at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting, or any adjournment or adjournments thereof.

PERSONS MAKING THE SOLICITATION

THE SOLICITATION IS MADE ON BEHALF OF THE MANAGEMENT OF THE CORPORATION. The costs incurred in the preparation and mailing of the form of proxy, the Notice of Meeting and this Information Circular will be paid by the Corporation. In addition to the mailing of these materials, proxies may be solicited by personal interviews, telephone or telegraph by Directors and officers of the Corporation, who will not be remunerated therefor.

EXERCISE OF DISCRETION BY PROXY

The Shares represented by a valid proxy will be voted in accordance with the instructions specified therein. **In the absence of such specification, Shares will be voted in favour of the proposed resolution. The person appointed under the form of proxy furnished by the Corporation is conferred with discretionary authority with respect to amendments or variations of those matters specified in the form of proxy and Notice of Meeting. At the time of mailing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter.**

VOTING OF SHARES - ADVICE TO BENEFICIAL HOLDERS OF SECURITIES

The information set forth in this section is of significant importance to many Shareholders as a substantial number of the Shareholders hold their shares through intermediaries such as brokers and their agents or nominees and not in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of Regent as the registered holders of the Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered under the name of the Shareholder on the records of Regent. Such Shares will more likely be registered under the name of the Shareholder’s broker or an agent or nominee of that broker. Shares held by brokers or their agents or nominees can only be voted for, or withheld from voting, or voted against any resolution upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers, their agents or nominees are prohibited from voting Shares for their clients.

Applicable regulatory policy requires intermediaries and brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary and broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or agent or nominee thereof) is identical to the form of the proxy provided to registered Shareholders; however, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”). Broadridge typically applies a special sticker to the proxy forms, mails those forms to the beneficial Shareholders and asks beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote Shares directly at the Meeting. The proxy must be returned to Broadridge well in advance of the Meeting in order to have the Shares voted.

All references to Shareholders in this Information Circular and the accompanying instrument of proxy and Notice of Meeting are to Shareholders of record, unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Management of the Corporation is not aware of any material interest, whether direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, of any Director or executive officer of the Corporation who has held that position at any time since the beginning of the Corporation’s last financial year, or of any proposed nominee for election as Director

of the Corporation or any associate or affiliate of any of the foregoing, other than the election of Directors or the appointment of auditors as disclosed in the section entitled “Particulars of Matters to be Acted Upon”.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Corporation is authorized to issue an unlimited number of Shares. As of December 10, 2019, 40,039,000 Shares were issued and outstanding, each such Share carrying the right to one vote on a ballot at the Meeting.

Computershare Trust Company of Canada will prepare, as of the Record Date, a list of holders of Shares entitled to receive the Notice of Meeting and showing the number of Shares held by each such Shareholder. Each person named in the list of holders of Shares will be entitled to notice of, to attend and to vote the Shares shown opposite such Shareholder’s name, at the Meeting in respect of all matters to be voted on at the Meeting.

The Shareholders of record at the close of business on the Record Date are entitled to vote their Shares at the Meeting on the basis of one vote for each Share held, except to the extent that:

- a) such person transfers his Shares after the Record Date; and
- b) the transferee of those Shares produces properly endorsed share certificates or otherwise establishes his ownership to the Shares and makes a demand to the Registrar and Transfer Agent, not later than 10 days before the Meeting, that his or her name be included on the Shareholders’ list.

The by-laws of the Corporation provide that business may be transacted at the Meeting if not less than two persons are present in person, each being a Shareholder entitled to vote thereat or a duly appointed proxy or representative representing not less than 5% of the outstanding Shares carrying voting rights at the meeting.

To the knowledge of the directors and senior officers of the Corporation as at the close of business on December 10, 2019, the only persons who beneficially own, directly or indirectly, Shares carrying more than 10% of the voting rights of the outstanding Shares are as follows:

Shareholder Name and Municipality of Residence	Number of Shares	Percentage of issued Shares
Eddie W.W. Yu Edmonton, Alberta	30,355,988 ⁽¹⁾	75.82%

Notes:

- (1) Of these Shares, 12,315,059 Shares are held directly by Mr. Eddie W.W. Yu, 10,000,000 are held by Cassel Properties Ltd, of which Mr. Yu holds 100% of the voting shares and 8,040,929 Shares are held by Cassel Developments Ltd., a company of which Mr. Yu owns, directly or indirectly 50% of the voting shares.

Stock Option Plans and Other Incentives

The Corporation has in place a stock option plan (the "Option Plan"). The objective of the Option Plan is to reward NEOs', employees' and directors' individual performance. The criteria used to determine eligibility for granting option-based awards, including the term of each option and the vesting of each option is at the discretion of the Board, or the President if duly authorized by the Board, based upon the individual's level of responsibility, performance and comparative levels of compensation and previous grants awarded.

The Option Plan was approved by the Shareholders at the most recent meeting of the Shareholders and will be put before the Shareholders for approval at this Meeting. A copy of the form of Option Plan is attached hereto as Schedule C and the highlights are as follows:

- options may be granted to directors, employees, management company employees and consultants;

Notes:

- (1) Audit fees were for professional services rendered for the audit of the Corporation's annual financial statements.
- (2) Audit-related fees were for assurance and related services rendered which reasonably related to the performance of the audit of the annual consolidated financial statements and are not reported under "Audit Fees" above. These services consisted of accounting consultations for quarterly reporting requirements.
- (3) Tax fees include tax compliance, tax advice and tax planning professional services.
- (4) Fees disclosed in the table above under the item "All Other Fees" relate to products and services other than the audit fees, audit-related fees and tax fees.

Exemption

As a venture issuer within the meaning of NI 52-110, the Corporation is relying upon the exemption provided by section 6.1 of NI 52-110, which exempts venture issuers from the requirements of Part 3, *Composition of the Audit Committee* and Part 5, *Reporting Obligations* of NI 52-110.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day to day management of the Corporation. The Board of Directors is committed to sound corporate governance practices which are both in the interest of its shareholders and contribute to effective and efficient decision making. To achieve this goal, the Corporation has implemented an Audit Committee Terms of Reference, a Whistle Blower Policy, an Insider Trading and Reporting Policy, and a Disclosure and Confidentiality Policy.

Pursuant to National Instrument 58-101 Disclosure of Corporate Governance Practices (“NI 58-101”), the Corporation is required to disclose its corporate governance practices as summarized below.

Board of Directors

The Board of Directors is currently comprised of five members. All of these individuals are nominated for re-election at the Meeting. Mr. Edward (Ted) Power, Mr. C.H. William (Bill) Cheung and Mr. David S. Tam are the independent directors of the Corporation.

Mr. Eddie W.W. Yu, the Chief Executive Officer and the President of the Corporation, and Mr. David Yu, the Chief Financial Officer of the Corporation, are members of management and, as a result, are not considered independent directors.

NI 58-101 suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as “independent” directors. An “independent” director is a director who has no direct or indirect material relationship with the Corporation. A material relationship is a relationship which could, in the view of the board of directors, reasonably interfere with the exercise of a director’s independent judgement. As disclosed above, the Board of Directors is comprised of a majority of independent directors. In addition, the independent judgment of the Board of Directors in carrying out its responsibilities is the responsibility of all directors. The Board of Directors of the Corporation facilitates independent supervision of management through meetings of the Board of Directors and through frequent informal discussions among independent members of the Board of Directors and management. In addition, the Board of Directors has free access to the Corporation’s external auditors, legal counsel and to any of the Corporation’s officers.

Directorships

None of the directors are presently a director of any other issuer that is a reporting issuer (or the equivalent) in a domestic or foreign jurisdiction other than as follows:

Name	Company
David S. Tam	Innovotech Inc.
C.H. William (Bill) Cheung	BioNeutra Global Corporation
Edward (Ted) Power	TrustBIX Inc.

Orientation and Continuing Education

At present, each new director is given an outline of the nature of the Corporation’s business, its corporate strategy and current issues with the Corporation. New directors are also expected to meet with management of the Corporation to discuss and better understand the Corporation’s business and will be advised by counsel to the Corporation of their legal obligations as directors of the Corporation. New directors are also given copies of the Corporation’s policies.

The introduction and education process will be reviewed on an annual basis by the Board of Directors and will be revised as necessary.

Ethical Business Conduct

The Board of Directors has considered adopting a written code of business conduct and ethics and has decided it is not necessary to adopt such a code at the present time due to the current activity level of the Corporation.

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In addition, as some of the directors of the Corporation also serve as directors and officers of other companies engaged in similar business activities, directors must comply with the conflict of interest provisions of the *Business Corporations Act* (Alberta), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors that evoke such a conflict.

Nomination of Directors

The Board of Directors has not appointed a nominating committee. The Board of Directors determines new nominees to the Board of Directors although no formal process has been adopted. The nominees are generally the result of recruitment efforts by the Board of Directors members including both formal and informal discussions among the Board of Directors members and officers.

Compensation

The Board of Directors has not appointed a Compensation Committee.

Other Board of Directors Committees

Other than the Audit Committee discussed above, the Corporation has no standing Committees at this time.

Assessments

The Board of Directors has not implemented a process for assessing its effectiveness. As a result of the Corporation's size, its stage of development and the limited number of individuals on the Board of Directors, the Board of Directors consider a formal assessment process to be inappropriate at this time. The Board of Directors plans to continue evaluating its own effectiveness on an ad hoc basis.

The Board of Directors does not formally assess the performance or contribution of individual Board of Directors members or committee members.

AUDIT COMMITTEE CHARTER

I. Purpose

The audit committee is established by and among the board of directors for the primary purpose of assisting the board in:

- Overseeing the integrity of the company's financial statements and the company's accounting and financial reporting processes and financial statement audits.
- Overseeing the company's compliance with legal and regulatory requirements.
- Overseeing the registered public accounting firm's (independent auditor's) qualifications and independence.
- Overseeing the performance of the company's independent auditor.
- Overseeing the company's systems of disclosure controls and procedures, internal controls over financial reporting, and compliance with ethical standards adopted by the company.

Consistent with this function, the audit committee should encourage continuous improvement of, and should foster adherence to, the company's policies, procedures, and practices at all levels. The audit committee should also provide for open communication among the independent auditor, financial and senior management and the board of directors.

The audit committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisors as necessary to perform its duties and responsibilities.

The company will provide appropriate funding, as determined by the audit committee, for compensation to the independent auditor, to any advisors that the audit committee chooses to engage, and for payment of ordinary administrative expenses of the audit committee that are necessary or appropriate in carrying out its duties.

The audit committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section III of this charter. The audit committee will report regularly to the board of directors regarding the execution of its duties and responsibilities.

II. Composition and Meetings

The audit committee will comprise three or more directors as determined by the board. Each audit committee member will meet the applicable standards of independence and the determination of independence will be made by the board.

At least two (2) members of the committee shall have accounting or related financial management expertise. All members of the committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the company. For the purposes of this charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the company's financial statements.

The members of the committee will be appointed by the board at the annual organizational meeting of the board to serve until their successors are elected. Unless a chairperson is elected by the full board, the members of the committee may designate a chairperson by majority vote.

The committee will meet at least quarterly, or more frequently as circumstances dictate. The committee chairperson will approve the agenda for the committee's meetings and any member may suggest items for consideration. Briefing materials will be provided to the committee as far in advance of meetings as practicable. Each regularly scheduled meeting will conclude with an executive session of the committee absent members of management. As part of its responsibility to foster open communication, the committee will meet periodically with management, and the independent auditor in separate executive sessions. In addition, the committee will meet with the independent auditor and management to discuss the annual audited financial statements and quarterly financial statements, including the company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations".

III. Responsibilities and Duties

To fulfill its responsibilities and duties, the audit committee will:

Documents/Reports/Accounting Information Review

1. Review this charter at least annually and recommend to the board of directors any necessary amendments.
2. Meet with management and the independent auditor to review and discuss the company's annual financial statements, quarterly financial statements, MD&A and earnings press releases (prior to the company's quarterly filings or release of earnings), as well as all internal control reports (or summaries thereof). Review other relevant reports or financial information submitted by the company to any governmental body or the public.
3. Recommend to the board: a) the external auditor to be nominated for the purpose of preparing or issuing an auditor's report, b) the compensation of the external auditor, c) whether the financial statements should be included in the annual report.
4. Discuss earnings press releases, including the type and presentation of information, paying particular attention to any pro forma or adjusted non-GAAP information. Such discussions may be in general terms (i.e., discussion of the types of information to be disclosed and the type of presentations to be made).
5. The committee must be satisfied that adequate procedures are in place for the review of the issuer's public disclosure of financial information extracted from the issuer's financial statements, other than the public disclosure referred to in subsection (2) above, and must periodically assess the adequacy of those procedures. Discuss financial information and earnings guidance provided to analysts and ratings agencies. Such discussions may be in general terms (i.e., discussion of the types of information to be disclosed and the type of presentations to be made).

Independent Auditor

6. Appoint, compensate, retain, and oversee the work performed by the independent auditor for the purpose of preparing or issuing an audit report or related work. Review the performance and independence of the independent auditor and remove the independent auditor if circumstances

warrant. The independent auditor will report directly to the audit committee and the audit committee will oversee the resolution of disagreements between management and the independent auditor if they arise.

7. Review with the independent auditor any problems or difficulties and management's response.

8. Review the independent auditor's attestation and report on management's assessment of internal control over financial reporting (when required).

9. Hold timely discussions with the independent auditor regarding the following:

- All critical accounting policies and practices.
- All alternative treatments of financial information within generally accepted accounting principles related to material items that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor.
- Other material written communications between the independent auditor and management, including, but not limited to, the management letter and schedule of unadjusted differences.

10. At least annually, obtain and review a report by the independent auditor describing:

- The independent auditor's internal quality-control procedures.
- Any material issues raised by the most recent internal quality-control review or peer review, or by any inquiry or investigation conducted by governmental or professional authorities during the preceding five years with respect to independent audits carried out by the independent auditor, and any steps taken to deal with such issues.
- All relationships between the independent auditor and the company.

This report should be used to evaluate the independent auditor's qualifications, performance, and independence. Further, the committee will review the experience and qualifications of the lead partner each year and determine that all partner rotation requirements, as promulgated by applicable rules and regulations, are executed. The committee will also consider whether there should be rotation of the independent auditor itself.

11. Actively engage in dialogue with the independent auditor with respect to any disclosed relationships or services that may affect the independence and objectivity of the auditor and take appropriate actions to oversee the independence of the outside auditor.

12. Review and preapprove (which may be pursuant to preapproval policies and procedures) both audit and nonaudit services to be provided by the independent auditor. The authority to grant preapprovals may be delegated to one or more designated members of the audit committee, whose decisions will be presented to the full audit committee at its next regularly scheduled meeting.

13. Review and approve the issuer's hiring policies regarding partners, employees, and former partners and employees of the present and former external 'auditor of the issuer.

Financial Reporting Processes, Accounting Policies, and Internal Control Structure

14. In consultation with the independent auditor, review the integrity of the company's financial reporting processes (both internal and external), and the internal control structure (including disclosure controls and procedures and internal control over financial reporting).

15. Receive and review any disclosure from the company's CEO or CFO made in connection with the certification of the company's quarterly and annual reports filed with the government agencies of: a) significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the company's ability to record, process, summarize, and report financial data; and b) any fraud, whether or not material, that involves management or other employees who have a significant role in the company's internal controls.

16. Review major issues regarding accounting principles and financial statement presentations, including any significant changes in the company's selection or application of accounting principles; major issues as to the adequacy of the company's internal controls; and any special audit steps adopted in light of material control deficiencies.

17. Review analyses prepared by management (and the independent auditor as noted in item 10 above) setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements.

18. Review the effect of regulatory and accounting initiatives, as well as off-balance-sheet structures, on the financial statements of the company.

19. Establish and oversee procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls, or auditing matters, including procedures for confidential, anonymous submissions by company employees regarding questionable accounting or auditing matters.

Ethical Compliance, Legal Compliance, and Risk Management

20. Review, with the company's counsel, legal compliance and legal matters that could have a significant impact on the company's financial statements.

21. Discuss policies with respect to risk assessment and risk management, including appropriate guidelines and policies to govern the process, as well as the company's major financial risk exposures and the steps management has undertaken to control them.

Other Responsibilities

22. Review, with the independent auditor, and management, the extent to which changes or improvements in financial or accounting practices have been implemented.

23. Conduct an annual performance assessment relative to the audit committee's purpose, duties, and responsibilities outlined herein.

24. Perform any other activities consistent with this charter, the company's bylaws, and governing law that the board or audit committee determines are necessary or appropriate.

PART 2 - STOCK OPTION PLAN

2.1 Participation

Options shall be granted only to Eligible Participants.

2.2 Determination of Option Recipients

The Board, or the President, if duly authorized by the Board, shall make all necessary or desirable determinations regarding the granting of Options to Eligible Participants and may take into consideration the present and potential contributions of a particular Eligible Participant to the success of the Corporation and any other factors which it may deem proper and relevant.

2.3 Price

The exercise price per Share shall be determined from time to time by the Board but, in any event, shall not be lower than the lowest exercise price permitted by any Exchange, if applicable.

Disinterested Shareholder approval will be obtained for any reduction in the exercise price if the Optionee is an insider of the Corporation at the time of the proposed amendment to reduce the exercise price.

2.4 Grant of Options

The Board, or the President, if duly authorized by the Board, may at any time authorize the granting of Options to Eligible Participants as it may select for the number of Shares that it shall designate, subject to the provisions of the Plan. The Board, or the President, if duly authorized by the Board, at its or his discretion, may grant options on such terms and conditions as it or he considers appropriate provided that such terms and conditions are not inconsistent with the Plan and the policies of the Exchange, if applicable.

Each Option granted to an Eligible Participant shall be evidenced by an Option Agreement with terms and conditions consistent with the Plan and as approved by the Board or the President if duly authorized (which terms and conditions need not be the same in each case and may be changed from time to time).

2.5 Terms of Options and Vesting

The Option Period shall be of such length as is determined by the Board but in any event shall not be greater than a period of ten (10) years after the date such Option is granted and may be reduced with respect to any such Option as provided in Section 2.8 hereof.

Subject to the other terms and conditions of this Plan, Options shall have such equitable vesting provisions as determined by the Board from time to time, provided that Options granted to Optionees who perform Investor Relations Activities must vest in stages over twelve (12) months with no more than one-quarter (1/4) of the options vesting in any three (3) month period.

Any Options remaining unexercised after they became eligible for exercise may be exercised in whole or in part at any time during the remainder of the Option Period.

Except as set forth in Section 2.8 hereof, no Option may be exercised unless the Options have been vested and the Optionee is at the time of such exercise a bona fide Eligible Participant.

No Option may be granted to an Eligible Employee, Eligible Consultant or an Eligible Management Company Employee unless such person is a bona fide Eligible Employee, Eligible Consultant or an Eligible Management Company Employee.

The exercise of any Option will be contingent upon receipt by the Corporation of payment of the full purchase price for the Shares being purchased in cash or in some other manner acceptable to the Corporation and in compliance

with applicable laws. No Optionee or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any Shares subject to an Option, unless and until certificates for such Shares are issued to him or them under the terms of the Plan.

2.6 Lapsed Option

If Options are surrendered, terminated or expire without being exercised in whole or in part, new Options may be granted covering the Shares not purchased under such lapsed Options to the extent permitted by the Exchange, if applicable.

2.7 Black-Out Period

If the Corporation self-imposes a blackout period (i.e., preceding the release of financial results) preventing an Optionee from exercising his/her Options before the end of the Option Period, the Option Period shall automatically be extended for ten (10) days following the last day of a blackout period.

2.8 Effect of Termination of Employment or Death

- 2.8.1 If an Optionee shall die while an Eligible Employee, Eligible Director, Eligible Consultant (if an individual), Eligible Member of Management or Eligible Management Company Employee, any vested Option held by him at the date of death shall be exercisable, but only by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or the laws of descent and distribution. All such Options shall be exercisable only for a period of one (1) year after the date of death or prior to the expiration of the Option Period in respect thereof, whichever is sooner.
- 2.8.2 If an Optionee ceased to be an Eligible Participant for cause, no Option held by such Optionee may be exercised following the date on which such Optionee ceases to be an Eligible Participant.
- 2.8.3 If the Eligible Participant is an Eligible Director, then any vested Options held by such director may be exercised until the end of the Option Period in accordance with the Option Agreement entered into with the Eligible Director.
- 2.8.4 If an Optionee who is an Eligible Consultant ceased to be retained by the Corporation by virtue of a breach of the consulting agreement, no Option held by such Eligible Consultant may be exercised following such breach.

2.9 Effect of Takeover Bid

If a bona fide offer:

- (a) is made to all shareholders of the Corporation for the Shares, which offer, if accepted in whole or part, would result in the offeror exercising control over the Corporation within the meaning of the Securities Act (Alberta);
 - (b) is made for all or substantially all of the assets of the Corporation (as such concept is interpreted under the Business Corporations Act (Alberta)); or
 - (c) is made for a proposed transaction which a majority of the Board determines is reasonably likely to have a similar effect as either of the transactions referred to in Sections 2.9(a) or (b) hereof,
- (collectively, the "Offer"),

then the Corporation shall, immediately upon receipt of notice of the Offer, notify each Optionee currently holding an Option of the Offer, with full particulars thereof; whereupon, notwithstanding that such Option may not be fully vested at such time in accordance with Section 2.5 hereof, such Option may be exercised in whole or in part by the

Optionee so as to permit the Optionee to tender or to vote, as applicable, the Shares received upon such exercise (the "Optioned Shares") pursuant to the Offer. If:

- 2.9.1 the Offer is withdrawn by the offeror;
- 2.9.2 the Optionee does not tender the Optioned Shares pursuant to the Offer, if applicable;
- 2.9.3 all of the Optioned Shares tendered by the Optionee pursuant to the Offer are not taken up and paid for by the offeror in respect thereof, if applicable; or
- 2.9.4 the sale or reorganization does not close in accordance with its terms,

then the Optioned Shares or, in the case of Section 2.9.3 hereof, the Optioned Shares that are not taken up and paid for, shall be returned by the Optionee to the Corporation and reinstated as authorized but unissued Shares and the terms of the Option as set forth in Section 2.5 hereof shall again apply to the Option. If any Optioned Shares are returned to the Corporation under this Section, the Corporation shall refund the exercise price to the Optionee for such Optioned Shares. In no event shall the Optionee be entitled to sell the Optioned Shares otherwise than pursuant to the Offer (in the case of an Offer pursuant to Section 2.9(a) hereof) or to sell the Optioned Shares prior to the closing of any transaction (in the case of an Offer pursuant to Section 2.9(b) or (c) hereof).

2.10 Effect of Amalgamation, Consolidation or Merger

If the Corporation amalgamates, consolidates or merges with or into another corporation, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Participant would have received upon such amalgamation, consolidation or merger if the Participant had exercised his Option immediately prior to the record date applicable to such amalgamation, consolidation or merger, and the Option price shall be adjusted appropriately by the Board and such adjustment shall be binding for all purposes of the Plan.

2.11 Adjustment in Shares Subject to the Plan

If there is any change in the Shares through a consolidation, subdivision or reclassification of Shares, or otherwise, the number of Shares available under the Plan, the Shares subject to any Option, and the purchase price thereof shall be adjusted appropriately by the Board and such adjustment shall be effective and binding for all purposes of the Plan.

2.12 Approval

The terms of the Options granted from time to time hereunder, and the Optionees to whom Options are granted, are subject, if applicable, to any Exchange accepting notice of such terms and proposed Optionees.

PART 3 - GENERAL

3.1 Number of Shares

The aggregate number of Shares that may be available for issuance, from time to time, under the Plan shall not exceed 10% of the issued and outstanding shares of the Corporation at the time of grant of the Options. Should the number of issued shares increase at any time after shareholder approval of this Plan, 10% of the additional shares shall be available for issuance, from time to time, under the Plan. In addition, the aggregate number of Shares so available for issuance under the Plan to any one person in any 12 month period shall not exceed five (5%) percent of the issued Shares calculated at the time of grant of the Option, unless the Corporation has obtained disinterested shareholder approval. The aggregate number of Shares so available for issuance under the Plan to any one Eligible Consultant in any 12 month period shall not exceed two (2%) percent of all issued shares calculated at the time of the grant of any Option. The aggregate number of Options so available for issuance under the Plan in any 12 month period to all Eligible Employees conducting Investor Relations Activities shall not exceed two (2%) percent of all issued shares calculated at the time of the grant of the Option.

3.2 Transferability

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be assignable or transferable unless specifically provided herein. During the lifetime of a Participant all such benefits, rights and options may only be exercised by the Participant.

3.3 Employment

Nothing contained in the Plan shall confer upon any Participant any right with respect to employment or continuance of employment or any retainer with the Corporation or interfere in any way with the right of the Corporation to terminate the Participant's employment or retainer at any time.

Participation in the Plan by a Participant is voluntary.

3.4 Record Keeping

The Corporation shall maintain a register in which shall be recorded:

- 3.4.1 the name and address of each Participant; and
- 3.4.2 the number of Options granted to a Participant and the number of Options outstanding.

3.5 Necessary Approvals

The obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to the approval of any regulatory body having jurisdiction, which may be required in connection with the authorization or issuance of such Shares by the Corporation. If any Shares cannot be issued to any Participant for any reason including, without limitation, the failure to obtain such approval, then the obligation of the Corporation to issue such Shares shall terminate and any Option price paid to the Corporation shall be returned to the Participant.

3.6 Administration of the Plan

The Board is authorized to interpret the Plan from time to time and to adopt, amend and rescind rules and regulations for carrying out the Plan. The interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate directors and/or officers of the Corporation and all costs in respect thereof shall be paid by the Corporation.

3.7 Income Taxes

As a condition of the Plan, the Corporation will withhold from any remuneration otherwise payable to such Participant any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of such participation in the Plan.

3.8 Amendments to Plan

The Board reserves the right to amend, modify or terminate the Plan at any time if and when it is advisable in the absolute discretion of the Board. Any amendment to any provision of the Plan shall be subject to approval, if applicable and if required, by any regulatory body having jurisdiction over the securities of the Corporation and, if required, by the shareholders of the Corporation in the manner prescribed by any regulatory body having jurisdiction from time to time.

Any reduction to the exercise price of an Option held by an Insider shall require such approvals as may be required by any regulatory body having jurisdiction.

3.9 Representation or Warranty

The Corporation makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

3.10 Governing Law

Except as otherwise set forth herein, the Plan shall be governed by the laws of the Province of Alberta excluding any conflicts of law, rule or principle which might refer such construction to the laws of another jurisdiction.

3.11 Interpretation

Words used herein importing the singular number include the plural and vice versa and words importing the masculine gender include the feminine and neuter genders.

3.12 Compliance with Applicable Laws

If any provision of the Plan or any agreement entered into pursuant to the Plan contravenes any law or any order, policy, by law or regulation of any Exchange, if applicable, or any regulatory body having authority over the Corporation or the Plan then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.
