MANAGEMENT INFORMATION CIRCULAR

GENERAL PROXY INFORMATION

Solicitation of Proxies

This management information circular (this “Circular”) is furnished in connection with the solicitation by management of Mink Ventures Corporation (“Mink” or the “Corporation”) of proxies to be used at the annual meeting (the “Meeting”) of the shareholders of the Corporation to be held at the Offices of WeirFoulds LLP located at Suite 4100, 66 Wellington Street West, TD Bank Tower, Toronto, Ontario M5K 1B7 on June 6, 2024 at 10:30 am Toronto time (EST) and at all postponements or adjournments thereof, for the purposes set forth in the notice of the Meeting that accompanies this Circular (the “Notice of Meeting”). It is expected that the solicitation will be made primarily by mail but proxies may also be solicited personally by directors, officers or regular employees of the Corporation. Such persons will not receive any extra compensation for such activities. The Corporation may also retain, and pay a fee to, one or more proxy solicitation firms to solicit proxies from the shareholders of the Corporation in favour of the matters set forth in the Notice of Meeting. The total cost of the solicitation will be borne directly by the Corporation.

Appointment and Revocation of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A shareholder has the right to appoint a person (who need not be a shareholder of the Corporation) other than the persons specified in such form of proxy to attend and act on behalf of such shareholder at the Meeting.** Such right may be exercised by striking out the names of the persons specified in the form of proxy, inserting the name of the person to be appointed in the blank space provided in the form of proxy, signing the form of proxy and returning it in the manner set forth in the form of proxy.

A shareholder who has given a proxy may revoke it (i) by depositing an instrument in writing, including another completed form of proxy, executed by such shareholder or shareholder’s attorney authorized in writing either at the registered office of the Corporation at any time up to and including the last business day preceding the date of the Meeting or any adjournment or postponement thereof, or with the chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment or postponement thereof, or (ii) in any other manner permitted by law.

Exercise of Discretion

The persons named in the enclosed form of proxy will vote the shares in respect of which they are appointed by proxy on any ballot that may be called for in accordance with the instructions contained therein. If the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. **In the absence of such specifications, such shares will be voted FOR each of the matters referred to herein.**

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments to or variations of matters identified in the Notice of Meeting and with respect to other matters, if any, which may properly come before the Meeting. At the date of the Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

However, if any other matters that are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxy.

The time limit for the deposit of proxies may be waived or extended by the chairman of the Meeting at his discretion, without notice.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many holders of common shares, as a substantial number of shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those common shares will not be registered in the shareholder’s name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. More particularly, a person is a Beneficial Shareholder in respect of common shares which are held on behalf of that person but which are registered either: (a) in the name of an intermediary that the Beneficial Shareholder deals with in respect of the common shares (intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“**CDS**”)), of which the intermediary is a participant. In Canada, the vast majority of such shares are registered under the name of CDS, which acts as nominee for many Canadian brokerage firms. Common shares held by brokers or their nominees can only be voted upon the instructions of the Beneficial Shareholder. Without specific voting instructions, brokers and their nominees are prohibited from voting common shares held for Beneficial Shareholders. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person or that the common shares are duly registered in their name.

Applicable Canadian securities regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting.

In Canada, the majority of brokers now delegate responsibility for obtaining voting instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions (“**Broadridge**”). Broadridge typically supplies a voting instruction form and asks Beneficial Shareholders to return the completed forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder receiving such a form from Broadridge cannot use that form to vote common shares directly at the Meeting. The form must be returned to Broadridge well in advance of the Meeting in order to have the common shares voted.**

In addition, the Corporation has decided to take advantage of certain provisions of applicable securities regulatory requirements that permit it to deliver meeting materials directly to non-objecting beneficial owners. These materials are being sent to both registered and non-registered owners of common shares. If you are a Beneficial Shareholder, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you,

and (ii) executing your proper voting instructions. As a result, you can expect to receive a scannable voting instruction form (“VIF”) from the Corporation’s transfer agent, Odyssey Trust Company (the “Transfer Agent”). These VIFs are to be completed and returned to the Transfer Agent in the envelope provided. In addition, the Transfer Agent provides both telephone voting and Internet voting as described on the VIF. The Transfer Agent will tabulate the results of the VIFs received and will provide appropriate instructions at the Meeting with respect to the common shares represented by the VIFs they receive.

Record Date

The directors have fixed May 2, 2024, as the record date for the determination of shareholders entitled to receive notice of the Meeting. Only shareholders of record on such record date are entitled to vote at the Meeting.

Voting Securities and Principal Holders Thereof

The Corporation is authorized to issue an unlimited number of common shares and an unlimited number of preferred shares. As of the date of this Circular, there were 18,810,534 common shares and nil preferred shares of the Corporation issued and outstanding. Each holder of common shares as of the record date is entitled to one vote in respect of each common share held by such holder.

To the knowledge of the directors and executive officers of the Corporation, based on publicly available information as of the date of this Circular, no person beneficially owns, or controls or directs, directly or indirectly, common shares carrying 10% or more of the voting rights attached to common shares of the Corporation other than as set out below.

Approval of the Stock Option Plan

Pursuant to the policies of the TSX Venture Exchange, the Corporation is required to obtain shareholder approval of the Stock Option Plan each year because the Stock Option Plan is a “rolling” option plan whereby the maximum number of Common Shares that may be reserved for issuance and which can be purchased upon the exercise of all options granted under the Stock Option Plan is fixed at 10% of the outstanding Common Shares from time to time.

The following is a summary of the key provisions of the Stock Option Plan. The following summary is qualified in all respects by the full text of the Stock Option Plan, a copy of which is attached hereto as Appendix A.

Summary of the Stock Option Plan

The purpose of the Plan is to provide the Corporation with a share-related mechanism to attract, retain and motivate qualified directors, employees and consultants, to reward such of those directors, employees and consultants as may be granted Options under the Stock Option Plan by the Board from time to time for their contributions toward the long term goals and success of the Corporation and to enable and encourage such directors, employees and consultants to acquire Common Shares as long term investments and proprietary interests in the Corporation.

Eligibility

The Stock Option Plan provides for the grant of non-transferable options for the purchase of Common Shares (“**Options**”) to eligible participants. Under the Stock Option Plan, eligible participants include the directors, officers, and employees of the Corporation, and any person or company engaged to provide ongoing management or consulting services for the Corporation (or any employee of such person or company). Subject to the provisions of the Stock Option Plan, the Board has the authority to select those persons to whom Options will be granted, the number of Common Shares subject to Options which may be granted and the price at which Common Shares may be purchased pursuant to the exercise of Options.

Price

The exercise price of any Option may not be less than the Discounted Market Price (as defined in section 1.2 of Policy 1.1 – *Interpretation* in the Corporate Finance Manual of the TSX Venture Exchange). Each Option, unless sooner terminated pursuant to the provisions of the Stock Option Plan, will expire on a date so fixed by the Board at the time of the grant, provided that such date will be no later than the tenth anniversary of the date the Option is granted.

Term

An Option may be exercised during the term of the Option only in accordance with the vesting schedule, if any, determined by the Board at the time of the grant of the Option. In the event the Corporation proposes to amalgamate, merge or consolidate with any other corporation (other than a wholly-owned subsidiary) or to liquidate, dissolve or wind-up, or in the event an offer to purchase or repurchase the Common Shares of the Corporation or any part thereof shall be made to all or substantially all holders of Common Shares of the Corporation, the Corporation shall have the right, upon written notice thereof to each Option holder holding Options under the Stock Option Plan, to permit the exercise of all such Options within the 20 day period next following the date of such notice and to determine that upon the expiration of such 20 day period, all rights of the Option holder to such Options or to exercise same (to the extent not theretofore exercised) shall *ipso facto* terminate and cease to have further force or effect whatsoever

Termination

If a participant (i) ceases to be a director of the Corporation and of the designated affiliates of the Corporation (and is not or does not continue to be an employee thereof) for any reason, or (ii) ceases to be employed by, or provide services to, the Corporation or the designated affiliates of the Corporation (and is not or does not continue to be a director or officer thereof), or any company engaged to provide services to the Corporation or the designated affiliates of the Corporation, for any reason (other than death) or receives notice from the Corporation or any designated affiliate of the Corporation of the termination of his or her employment contract, except as otherwise provided in any employment contract or the terms and conditions of any Option, in situations of termination not for cause, such participant may exercise his or her Options until the earlier of: (i) 12 months from the date of termination; and (ii) the expiration of the respective terms

of such Options to the extent that such participant was entitled to exercise such Options at the date of termination.

At the Meeting, shareholders of the Corporation will be asked to consider and, if deemed advisable, to pass, with or without variation, a resolution (the “**Stock Option Plan Resolution**”) confirming and approving the Stock Option Plan. The full text of the Stock Option Plan Resolution is set out below.

“BE IT RESOLVED THAT:

1. the stock option plan of the Corporation attached as Appendix A to the management information circular dated April 26, 2024 of the Corporation be, and the same hereby is, confirmed and approved as the Stock Option Plan of the Corporation; and
2. any one or more of the directors or officers of the Corporation is authorized and directed, upon the Board resolving to give effect to this resolution, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things that may be necessary or desirable to give effect to the resolution.”

In order to be passed, the Stock Option Resolution requires the approval of a majority of the votes cast thereon by shareholders of the Corporation present in person or represented by proxy at the Meeting. The directors of the Corporation unanimously recommend that shareholders vote in favour of the Stock Option Plan Resolution. **The persons named in the form of proxy accompanying this Circular intend to vote FOR the Stock Option Plan Resolution, unless the shareholder of the Corporation who has given such proxy has directed that the Common Shares represented by such proxy be voted against the Stock Option Plan Resolution.**

in which case the Expiry Date will be the Termination Date.

(e) Bankruptcy

In the event that an Option Holder commits an act of bankruptcy or any proceeding is commenced against the Option Holder under the *Bankruptcy and Insolvency Act* (Canada) or other applicable bankruptcy or insolvency legislation in force at the time of such bankruptcy or insolvency and such proceeding remains undismissed for a period of thirty (30) days, no Option held by such Option Holder may be exercised following the date on which such Option Holder commits such act of bankruptcy or such proceeding remains undismissed, as the case may be.

Notwithstanding anything contained in this Plan, in no case will an Option be exercisable after the tenth (10th) anniversary of the Grant Date of the Option.

3.5 Exercise Price. The price at which an Option Holder may purchase a Share upon the exercise of an Option (the “**Exercise Price**”) will be determined by the Board and set forth in the Option Agreement issued in respect of such Option and, in any event, will not be less than the Discounted Market Price of the Corporation’s Shares as of the Grant Date. Notwithstanding anything else contained in this Plan, in no case will the Discounted Market Price be less than the minimum prescribed by each of the organized trading facilities as would apply to the Grant Date in question.

3.6 Additional Terms. Subject to all applicable Securities Laws of all applicable Regulatory Authorities, the Board may attach other terms and conditions to the grant of a particular Option, such terms and conditions to be referred to in the Option Agreement at the time of grant. These terms and conditions may include, but are not necessarily limited to, the following:

- (a) providing that an Option expires on a date other than as provided for herein;
- (b) providing that a portion or portions of an Option vest after certain periods of time or upon the occurrence of certain events, or expire after certain periods of time or upon the occurrence of certain events;
- (c) providing that an Option be exercisable immediately, in full, notwithstanding that it has vesting provisions, upon the occurrence of certain events, such as a friendly or hostile take-over bid for the Corporation;
- (d) providing that an Option issued to, held by or exercised by an Option Holder who is a citizen or resident of the United States of America, and otherwise meeting the statutory requirements, be treated as an “**Incentive Stock Option**” as that term is defined for purposes of the United States of America Internal Revenue Code of 1986, as amended; and
- (e) providing that the provisions of Section 4.4 of this Plan have been complied with to the Board’s satisfaction as a condition to the exercise of an Option.

3.7 Non-Transferability of Options. The Options are not assignable, transferable or negotiable (whether by operation of law or otherwise) and may not be assigned or transferred, provided however that the Personal Representative of an Option Holder may, to the extent

permitted by **Section 4.1** of this Plan, exercise the Option within the Exercise Period. Upon any attempt to assign, transfer, negotiate, pledge, hypothecate or otherwise dispose of or transfer an Option contrary to this **Section 3.7** of this Plan, or upon the levy of any attachment or similar process upon an Option, the Option and all rights, benefits and privileges arising thereunder or therefrom, at the sole discretion and election of the Corporation, shall cease and terminate and be of no further force or affect whatsoever.

3.8 Adjustments. If prior to the complete exercise of an Option the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively, a “**Re-Organization Event**”), an Option, to the extent that it has not been exercised, will be adjusted by the Board in accordance with such Re-Organization Event in the manner the Board deems appropriate. No fractional Shares will be issued upon the exercise of the Options and accordingly, if as a result of the Re-Organization Event, an Option Holder would become entitled to a fractional Share, such Option Holder will have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

3.9 Vesting Requirement for Investor Relation Activities. Notwithstanding any other provision hereof, Options granted to Persons engaged to provide Investor Relations Activities shall vest in stages over a period of 12 months from the Grant Date with no more than ¼ of any such Options granted vesting in any three-month period.

3.10 Hold Periods. In addition to any resale restrictions under Securities Laws, any Option granted under this Plan and any Shares issued upon the due exercise of any such Option so granted will be subject to a four-month TSX-V hold period commencing from the Grant Date of the Option if the Exercise Price of the Option is granted at less than the Market Price, in which case the Option, and the Shares issued upon due exercise of the Option, if applicable, will bear the following legend:

“Without prior written approval of the TSX Venture Exchange and compliance with all applicable securities legislation, the securities represented by this certificate may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of the TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until [four months and one day from the Grant Date].”

3.11 No Rights as Shareholders. An Option Holder shall not have any rights as a shareholder of the Corporation with respect to any of the Shares covered by such Option until the date of issuance of a certificate for Shares upon the due exercise of such Option, in full or in part, and then only with respect to the Shares represented by such certificate or certificates. Without in any way limiting the generality of the foregoing, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such share certificate is issued.

3.12 Capital Pool Company Restrictions. As long as the Corporation is classified as a Capital Pool Company (a “CPC”) under Policy 2.4 of the TSX-V, the terms and conditions of this Plan will remain subject to the following specific restrictions as per Section 6 of Policy 2.4 of the TSX-

V (all capitalized terms herein below will have the meaning ascribed to such terms in Policy 2.4 of the TSX-V):

- (a) Options granted by a CPC may only entitle the Option Holder to acquire Shares of the CPC. Options may only be granted to a director or senior officer of the CPC, and where permitted by Securities Laws, a technical consultant whose particular industry expertise in relation to the business of the Vendor(s) or the Target Company, as the case may be, is required to evaluate the proposed Qualifying Transaction, or a Company, all of whose securities are owned by such a director, senior officer or technical consultant, or to an Eligible Charitable Organization as defined in Policy 4.4. of the TSX-V. The total number of Shares reserved under option for issuance may not exceed 10% of the Shares outstanding as at the date of grant of any Option.
- (b) The number of Shares reserved under option for issuance to any individual director or senior officer may not exceed 5% of the Shares outstanding as at the date of grant of any Option. The number of Shares reserved under option for issuance to all technical consultants may not exceed 2% of the Shares outstanding as at the date of grant of any Option. The number Shares reserved under option for issuance to all Eligible Charitable Organizations may not exceed 1% of the Shares outstanding as at the date of grant of any Option. Options granted by a CPC are subject to the percentage limitations set forth in Policy 4.4 of the TSX-V.
- (c) CPCs are prohibited from granting Options to any Person providing Investor Relations Activities, promotional or market-making services.
- (d) The exercise price per Share under any Option granted by a CPC prior to the closing the CPC's IPO cannot be less than the lowest price at which Seed Shares were issued by the CPC.
- (e) All Options granted by the CPC must be granted in compliance with Policy 2.4 and Policy 4.4 of the TSX-V.
- (f) No Option may be granted by a CPC unless the optionee first enters into a CPC Escrow Agreement agreeing to deposit the Option, and the Shares acquired pursuant to the exercise of such Option, into escrow as described in Part 10 of Policy 2.4 of the TSX-V.
- (g) The term of an Option must expire not later than 12 months after the optionee ceases to be a director, senior officer or technical consultant of the CPC, or of the Resulting Issuer, as the case may be, subject to any earlier expiry date of such Option.

ARTICLE 4 EXERCISE OF OPTION

4.1 Exercise of Option. An Option may be exercised only by the Option Holder or the Personal Representative of the Option Holder. Subject to the provisions of this Plan, an Option Holder or the Personal Representative of an Option Holder may exercise an Option in whole or in

part at any time or from time to time during the Exercise Period up to 5:00 p.m. (Toronto time) on the Expiry Date by (i) delivering to the Administrator an Exercise Notice and the applicable Option Agreement; (ii) delivering to the Administrator a certified cheque or bank draft payable to “**Mink Ventures Corporation**” in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option; and (iii) making suitable arrangements with the Corporation, in accordance with section 4.4 of the Plan, for the receipt by the Corporation of an amount sufficient to satisfy any withholding tax requirements under applicable tax legislation in respect of the exercise of an Option (the “**Withholding Obligations**”).

4.2 **Issue of Share Certificates.** As soon as practicable following the receipt of the Exercise Notice, the Administrator will cause to be delivered to the Option Holder a certificate for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Agreement, the Option Holder will surrender the Option Agreement and the Administrator will forward a new Option Agreement to the Option Holder concurrently with delivery of the Share certificate for the balance of Shares available under the Option.

4.3 **Condition of Issue.** The Options and the issue of Shares by the Corporation pursuant to the exercise of Options are subject to the terms and conditions of this Plan and compliance with the rules and policies of all applicable Regulatory Authorities to the granting of such Options and to the issuance and distribution of such Shares, and to all applicable Securities Laws. The Option Holder agrees to comply with all such laws, regulations, rules and policies and agrees to furnish to the Corporation any information, reports or undertakings required to comply with and to fully cooperate with, the Corporation in complying with such laws, regulations, rules and policies. Notwithstanding any of the provisions contained in the Plan or in any Option, the Corporation’s obligation to issue Shares to an Option Holder pursuant to the exercise of any Option granted under the Plan shall be subject to:

- (a) completion of such registration or other qualification of such Shares or obtaining approval of such Regulatory Authority as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
- (b) the admission of such Shares to listing on any stock exchange on which the Shares may then be listed;
- (c) the receipt from the Option Holder of such representations, warranties, agreements and undertakings, as the Corporation determines to be necessary or advisable in order to safeguard against the violation of the Securities Laws of any jurisdiction;
- (d) the satisfaction of any conditions on exercise prescribed pursuant to **Section 3.6** and **Article 5** of this Plan; and
- (e) the provisions of section 4.4 of the Plan having been complied with to the Board’s satisfaction as a condition to the exercise of an Option.

4.4 **Withholding Obligations.** Upon the exercise of an Option by an Option Holder, the Corporation shall have the right to require the Option Holder to remit to the Corporation an amount sufficient to satisfy any Withholding Obligations relating thereto under applicable tax legislation.

Unless otherwise prohibited by the Board or by applicable law, satisfaction of the amount of the Withholding Obligations (the “**Withholding Amount**”) may be accomplished by any of the following methods or by a combination of such methods as determined by the Corporation in its sole discretion:

- (a) the tendering by the Option Holder of cash payment to the Corporation in an amount less than or equal to the Withholding Amount; or
- (b) the withholding by the Corporation from the Shares otherwise due to the Option Holder such number of Shares as it determines are required to be sold by the Corporation, as trustee, to satisfy the Withholding Amount (net of selling costs). By executing and delivering the Exercise Notice, the Option Holder shall be deemed to have consented to such sale and have granted to the Corporation an irrevocable power of attorney to effect the sale of such Shares and to have acknowledged and agreed that the Corporation does not accept responsibility for the price obtained on the sale of such Shares; or
- (c) the withholding by the Corporation from any cash payment otherwise due by the Corporation to the Option Holder, including salaries, directors fees, consulting fees and any other forms of remuneration, such amount of cash as is required to pay and satisfy the Withholding Amount;

provided, however, in all cases, that the sum of any cash so paid or withheld and the fair market value of any Shares so withheld is sufficient to satisfy the Withholding Amount.

The provisions of the Option Agreement shall provide that the Option Holder (or their beneficiaries) shall be responsible for all taxes with respect to any Options granted under the Plan and an acknowledgement that neither the Board nor the Corporation shall make any representations or warranties of any nature or kind whatsoever to any person regarding the tax treatment of Options or payments on account of the Withholding Amount made under the Plan and none of the Board, the Corporation, nor any of its employees or representatives shall have any liability to an Option Holder (or its beneficiaries) with respect thereto.

ARTICLE 5 ADMINISTRATION

5.1 **Administration.** This Plan will be administered by the Administrator on the instructions of the Board. The Board may make, amend and repeal at any time and from time to time such regulations not inconsistent with this Plan as it may deem necessary or advisable for the proper administration and operation of this Plan and such regulations will form part of this Plan. The Board may delegate to the Administrator or any director or other senior officer or employee of the Corporation such administrative duties and powers as it may see fit.

5.2 **Board Powers.** The Board shall have the power, where consistent with the general purpose and intent of the Plan and subject to the specific provisions of the Plan:

- (g) to prescribe the form of the instruments and certificates relating to the grant, exercise and other terms of Options.

5.3 **Board Discretion.** The Board may, in its discretion, require as conditions to the grant or exercise of any Option that the Option Holder shall have:

- (a) represented, warranted and agreed in form and substance satisfactory to the Corporation that the Option Holder is acquiring and will acquire such Option and the Shares to be issued upon the exercise thereof or, as the case may be, is acquiring such Shares, for his, her or its own account, for investment and not with a view to or in connection with any distribution, that the Option Holder has had access to such information as is necessary to enable him, her or it to evaluate the merits and risks of such investment and that the Option Holder is able to bear the economic risk of holding such Shares for an indefinite period;

- (c) agreed to indemnify the Corporation in connection with the foregoing.

5.4 **Board Requirements.** Any Option granted under the Plan shall be subject to the requirement that, if at any time counsel to the Corporation shall determine that the listing, registration or qualification of the Shares issuable upon due exercise of such Option upon any securities exchange or under any Securities Laws of any jurisdiction, or the consent or approval of Regulatory Authority, is necessary as a condition of, or in connection with, the grant or exercise of such Option or the issuance or purchase of Shares thereunder, such Option may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval.

5.5 **Interpretation.** The interpretation by the Board of any of the provisions of this Plan and any determination by it pursuant thereto will be final and conclusive and will not be subject to any dispute by any Option Holder. No member of the Board or any person acting pursuant to authority

delegated by it hereunder will be liable for any action or determination in connection with this Plan made or taken in good faith and each member of the Board and each such person will be entitled to indemnification with respect to any such action or determination in the manner provided for by the Corporation.

ARTICLE 6 AMENDMENT AND TERMINATION

6.1 Prospective Amendment. The Board may from time to time amend this Plan and the terms and conditions of any Option thereafter to be granted and, without limiting the generality of the foregoing, may make such amendment for the purpose of meeting any changes in any relevant Securities Laws applicable to this Plan, any Option or the Shares, or for any other purpose which may be permitted by all relevant Securities Laws provided always that any such amendment will not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option granted prior to such amendment.

6.2 Retrospective Amendment. The Board may from time to time retrospectively amend this Plan and, with the consent of the affected Option Holders, retrospectively amend the terms and conditions of any Options that have been previously granted.

6.3 Sale of Corporation, Extension of Expiration Date, Non-Applicability of Termination of Employment Provisions. Notwithstanding anything contained to the contrary in this Plan or in any resolution of the Board in implementation thereof:

- (a) in the event the Corporation proposes to amalgamate, merge or consolidate with any other corporation (other than a wholly-owned subsidiary) or to liquidate, dissolve or wind-up, or in the event an offer to purchase or repurchase the Shares of the Corporation or any part thereof shall be made to all or substantially all holders of Shares of the Corporation, the Corporation shall have the right, upon written notice thereof to each Option Holder holding Options under the Plan, to permit the exercise of all such Options within the 20 day period next following the date of such notice and to determine that upon the expiration of such 20 day period, all rights of the Option Holder to such Options or to exercise same (to the extent not theretofore exercised) shall *ipso facto* terminate and cease to have further force or effect whatsoever;
- (b) in the event of the sale by the Corporation of all or substantially all of the assets of the Corporation as an entirety or substantially as an entirety so that the Corporation shall cease to operate as an active business, any outstanding Option may be exercised as to all or any part of the Optioned Shares in respect of which the Option Holder would have been entitled to exercise the Option in accordance with the provisions of the Plan at the date of completion of any such sale at any time up to and including, but not after the earlier of: (i) the close of business on that date which is thirty (30) days following the date of completion of such sale; and (ii) the close of business on the Expiry Date of the Option; but the Option Holder shall not be entitled to exercise the Option with respect to any other Shares;

- (c) subject to the rules of any relevant Regulatory Authority, the Board may, by resolution, extend the expiration date of any Option. Notwithstanding the provisions of this section, should changes be required to the Plan by any Regulatory Authority of any jurisdiction to which the Plan or the Corporation now is or hereafter becomes subject, such changes shall be made to the Plan as are necessary to conform with such requirements and, if such changes are approved by the Board, the Plan, as amended, shall be filed with the records of the Corporation and shall remain in full force and effect in its amended form as of and from the date of its adoption by the Board.

6.4 Regulatory Authority Approval. This Plan and any amendments hereto are subject to all necessary approvals of the applicable Regulatory Authorities.

6.5 Disinterested Shareholder Approval. Disinterested Shareholder Approval must be obtained for any reduction in the Exercise Price if the Option Holder is an Insider of the Corporation at the time of the proposed reduction. Furthermore, Disinterested Shareholder Approval must be obtained if the number of Shares reserved for issuance under the Plan to be granted to Insiders exceeds 10% of the issued and outstanding Shares and if the grant of Options to Insiders, within any 12-month period, exceeds 10% of the Corporation's issued and outstanding Shares.

6.6 Termination. The Board may terminate this Plan at any time provided that such termination will not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option granted prior to the date of such termination, which will continue to be governed by the provisions of this Plan.

6.7 Agreement. The Corporation and every Option granted hereunder will be bound by and subject to the terms and conditions of this Plan. By accepting an Option granted hereunder, the Option Holder has expressly agreed with the Corporation to be bound by the terms and conditions of this Plan.

4. **No Assignment**

4.1 The Option is personal to the Optionee and non-assignable (whether by operation of law or otherwise). Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of the Option contrary to the provisions of this Agreement, or upon the levy of any attachment or similar process upon the Option, the Option shall, at the election of the Corporation, cease and terminate and be of no further force or effect whatsoever.

In no event, however, shall the Option be exercisable after the Expiry Time.

6.3 In the event that the Optionee commits an act of bankruptcy or any proceeding is commenced against the Optionee under the *Bankruptcy and Insolvency Act* (Canada) or other applicable bankruptcy or insolvency legislation in force at the time of such bankruptcy and such proceeding remains undismissed for a period of thirty (30) days, the Option may not be exercised following the date on which the Optionee commits such act of bankruptcy or such proceeding remains undismissed, as the case may be.

7. **Rights as a Shareholder**

7.1 An Optionee shall not have any rights as a shareholder of the Corporation with respect to any of the Shares subject to the Option until the date of issuance of a certificate for such Shares upon the exercise of the Option, in full or in part, and then only with respect to the Shares represented by such certificate or certificates. 8. **Inconsistency with Plan**

8.1 The parties hereto agree that in the event this Agreement is inconsistent with the Plan the Plan shall prevail.

9. **Certain Adjustments**

9.1 In the event that the Shares are at any time changed or affected as a result of the declaration of a stock dividend thereon or their subdivision or consolidation, the number of Shares reserved for the Option shall be adjusted accordingly by the Board or the Committee to such extent as they deem proper in their discretion. In such event, the number of, and the price payable for, the Shares that are then subject to the Option may also be adjusted by the Board or the Committee to such extent, if any, as they deem proper in their discretion.

9.2 If at any time after the date of this Agreement and prior to the expiration of the term of the Option, the Shares shall be reclassified, reorganized or otherwise changed, otherwise than as specified in **Section 9.1** of this Agreement or, subject to the provisions of **subsection 10.1(a)** of this Agreement, the Corporation shall consolidate, merge or amalgamate with or into another corporation (the corporation resulting or continuing from such consolidation, merger or amalgamation being herein called the “**Successor Corporation**”), the Optionee shall be entitled to receive upon the subsequent exercise of the Option in accordance with the terms of this Agreement and shall accept in lieu of the number of Shares to which he was theretofore entitled upon such exercise but for the same aggregate consideration payable therefor, the aggregate number of shares of the appropriate class and/or other securities of the Corporation or the Successor Corporation (as the case may be) and/or other consideration from the Corporation or the Successor Corporation (as the case may be) that the Optionee would have been entitled to receive as a result of such reclassification, reorganization or other change or, subject to the provisions of **subsection 10.1(a)** of this Agreement, as a result of such consolidation, merger or amalgamation, if on the record date of such reclassification, reorganization or other change or the effective date of such consolidation, merger or amalgamation, as the case may be, he had been the registered holder of the number of Shares to which he was theretofore entitled upon such exercise.

10. **Amendments to the Option**

APPENDIX B CORPORATE GOVERNANCE POLICY

CORPORATE GOVERNANCE DISCLOSURE (FORM 58-101F2)

The Board and senior management of the Corporation consider good corporate governance to be central to the effective operation of the Corporation and are committed to maintaining a high standard of corporate governance.

The Board has assumed the responsibility for the development of certain governance practices and mechanisms. Responsibilities with respect to corporate governance practices include: (i) establishing and reviewing member characteristics for the Board; (ii) evaluating, identifying and recommending nominees to the Board; (iii) monitoring and reviewing the education and development of members of the Board; (iv) recommending directors to serve as committee members and chairs; (v) reviewing and developing corporate governance guidelines, policies and procedures for the Board; (vi) establishing and implementing evaluation processes for the Board, committees and chairs; (vii) establishing procedures for the engagement of independent counsel by a director; (viii) reviewing disclosure by the Corporation; and (ix) reviewing and evaluating the Board's charter and efficiency.

The Board and the Corporation are devoting attention and resources to reviewing the Corporation's corporate governance practices and ensuring that the Corporation's system of corporate governance meets applicable legal requirements. The Board created the charter of the Audit Committee.

The Board consists of four directors who have significant experience in, and an understanding of the role and responsibilities of acting as a director.

Directorships

The Board currently consists of four directors, all of whom are proposed for election at the Meeting. The Board has concluded that three of the four directors are independent. Natasha Dixon is not considered to be independent by virtue of her executive position with the Corporation.

The Board and committees hold regularly scheduled meetings with a view to facilitating regular open and candid discussion among the directors, including an entitlement for the directors to hold in camera sessions without management present at the meetings of the Board, as deemed necessary, which ensures that adequate structures and processes are in place to permit the Board to function independently of management.

Orientation and Continuing Education

The Corporation also provides directors with continuous opportunities to increase their knowledge and understanding of the Corporation's business. Briefings on strategic issues are conducted regularly, and typically include reviews of the competitive environment, the Corporation's performance relative to its peers, and any other developments that could materially affect the Corporation's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have

been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction.

The Board has considered the adoption of the following corporate governance policies with respect to maintaining the highest standards of integrity and ethical behaviour in the conduct of its business: (i) Whistleblower Policy (ii) Code of Conduct Policy; (iii) Insider Trading and Blackout Policy; and (iv) Corporate Disclosure Policy and Practices

Nomination of Directors

The Board is responsible for identifying new candidates for Board nomination.

Compensation

The Board is responsible for determining the compensation of the directors and executive officers. The Board uses market data for comparable industry sectors in order to set compensation levels.

Other Board Committees

The Corporation has a Compensation Committee as well as an Audit Committee.

Board Assessments

The Board has not implemented a formal process for assessing its effectiveness or the effectiveness of individual members or committees. Due to the Corporation's size, its stage of development and the limited number of directors, the Board considers a formal assessment process to be unnecessary at this time. The Board continues to evaluate its own effectiveness on an ad hoc basis.

APPENDIX C
AUDIT COMMITTEE CHARTER

(see attached)

AUDIT COMMITTEE CHARTER

I. CONSTITUTION AND PURPOSE

The audit committee (the “**Committee**”) has been established by resolution of the board of directors (the “**Board**”) of Mink Ventures Corporation (the “**Company**”) for the purpose of assisting the Board in fulfilling its oversight responsibilities in relation to the accounting and financial reporting processes of the Company, audits of the financial statements of the Company, review of the Company’s systems of internal controls and in relation to risk management matters including:

- (a) the review of the annual and interim financial statements of the Company;
- (b) the integrity and quality of the Company’s financial reporting and systems of internal control, and financial risk management;
- (c) the Company’s compliance with legal and regulatory requirements;
- (d) the qualifications, independence, engagement, compensation and performance of the Company’s external auditors (the “**Company’s Auditors**”); and
- (e) the exercise of the responsibilities and duties set out in this charter (the “**Charter**”).

II. COMPOSITION

The members of the Committee shall be appointed by the Board from amongst the directors of the Company (the “**Directors**”) and shall be comprised of not less than three members. A majority of the members of the Committee shall be “independent”, as that term is defined in National Instrument 52-110 – Audit Committees (“**NI 52-110**”).

All members of the Committee shall be “financially literate”, as such term is defined in NI 52-110 or shall acquire within a reasonable time following appointment to the Committee, the ability to read and understand a set of financial statements that present the breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements.

Each member of the Committee shall serve at the pleasure of the Board until the member resigns, is removed or ceases to be a member of the Board. The Board shall fill vacancies in the Committee by appointment from among the members of the Board. If a vacancy exists on the Committee, the remaining members shall exercise all its powers so long as a quorum remains in office. The Board shall appoint a chair for the Committee from its members (the “**Chair**”). If the Chair of the Committee is not present at any meeting of the Committee, one of the other members of the Committee who is present at the meeting shall be chosen by the Committee to preside at the meeting.

No Director who serves as board member of any other company shall be eligible to serve as a member of the Committee unless the Board has determined that such simultaneous service would not impair the ability of such member to effectively serve on the Committee. Determinations as to whether a particular Director satisfies the requirements for membership on the Committee shall be made by the

corporate governance committee of the Board. No member of the Committee shall receive from the Company or any of its affiliates any compensation other than the fees to which he or she is entitled as a Director of the Company or a member of a committee of the Board.

Such fees may be paid in cash and/or shares, options or other in-kind consideration ordinarily available to Directors.

III. MEETING PROTOCOLS

The Committee shall meet at least once every quarter and shall meet at such other times during each year as the Chair of the Committee deems appropriate. The Chair of the Committee, any member of the Committee, the Company's Auditors, the Chairman of the Board, the Chief Executive Officer ("CEO") or the Chief Financial Officer ("CFO") may call a meeting of the Committee by notifying the Company's corporate secretary, who will notify the members of the Committee. A majority of members of the Committee shall constitute a quorum.

At least five days' notice of any meeting of the Committee shall be given in writing to each member of the Committee by any means of transmitted or recorded communication that produces a written copy, including by email. Notice may be waived or shortened with the consent of all the members of the Committee. Attendance by a member at a meeting notwithstanding any failure to give notice in accordance with this Charter shall be deemed to constitute waiver of notice of such meeting by such member. Notice of each meeting of the Committee shall also be given to the Chairman of the Board, the CEO, and CFO of the Company, and the Company's Auditors.

The Chairman of the Board, the CEO and CFO of the Company, if invited by the Chair of the Committee, attend and speak at meetings of the Committee. Other Board members shall also, if invited by the Chair of the Committee, have the right of attendance. A representative of the Company's Auditors shall have the right to attend and speak at any meeting of the Committee, and may attend if invited by the Chair of the Committee, in either case at the expense of the Company.

The Committee may also invite any other officers or employees of the Company, legal counsel, the Company's financial advisors and any other persons to attend meetings and give presentations with respect to their area of responsibility, as considered necessary by the Committee.

At least quarterly, representatives of the Company's Auditors shall meet the Committee without any of the executive Directors or other members of management in attendance, except by invitation of the Committee.

The Committee shall at each meeting appoint one of its members or any other attendee to be the secretary of the Committee.

Every question at a Committee meeting shall, if necessary, be decided by a majority of the votes cast.

Subject to any statutory or regulatory requirements or the articles and by-laws of the Company, the Committee shall fix its own procedures at meetings, maintain minutes or other records of its proceedings in sufficient detail to convey the substance of all discussions held and report to the Board

at the next meeting of the Board. The minutes of the Committee's meetings shall be tabled at the next meeting of the Board.

The Committee shall prepare a report to shareholders or others, concerning the Committee's activities in the discharge of its responsibilities, when and as required by the by-laws of the Company or applicable laws or regulations.

The Chair of the Committee shall be available at the annual general meeting of the Company to respond to any shareholder questions on the activities and responsibilities of the Committee.

IV. AUTHORITY
