

MINK VENTURES GRANTS STOCK OPTIONS

Toronto, Ontario, November 10, 2025 – Mink Ventures Corporation (TSXV:MINK) ("**MINK**" or the "**Company**") today announced that the Board of Directors has approved the grant of an aggregate number of 1,050,000 incentive stock options to its officers, directors, and consultants. The exercise price of the stock options granted is \$0.13 per common share. Subject to the rules of the TSX Venture Exchange, including the four month plus one day exchange hold period, and the Company's Stock Option Plan, the options have a term of ten years and will expire on November 10, 2035.

About Mink Ventures Corporation:

Mink Ventures Corporation (TSXV:MINK) is a Canadian mineral exploration company exploring for critical minerals in Ontario, Canada. It has a highly prospective, nickel copper cobalt exploration portfolio, with its Montcalm project, which now covers ~100 km² adjacent to Glencore's former Montcalm Mine with historical production of 3.93 million tonnes of ore grading 1.25% Ni, 0.67% Cu and 0.051% Co (Ontario Geological Survey, Atkinson, 2010), as well as its expanded Warren Project. These complementary nickel copper cobalt projects have excellent access and infrastructure and are in close proximity to the Timmins Mining Camp. The Company has 33,606,719 common shares outstanding.

Forward Looking Statements

This press release includes certain "forward-looking information", including, but not limited to, statements with respect to the prospectivity of the Company's projects. Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of MINK to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Factors that could affect the outcome include, among others: future prices and the supply of metals; the results of exploration work; inability to raise the money necessary to incur the expenditures required to retain and advance the Montcalm Project; environmental liabilities (known and unknown); general business, economic, competitive, political and social uncertainties; accidents, labour disputes and other risks of the mining industry; political instability, or delays in obtaining governmental and stock exchange approvals. For a more detailed discussion of such risks and other factors that could cause actual results to differ materially from those expressed or implied by such forward-looking statements, refer to MINK's filings with Canadian securities regulators available on SEDAR. These forward-looking statements are made as of the date hereof and MINK disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise, except as required by applicable securities laws.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
