SERENGETI
RESOURCES INC.

INFORMATION CIRCULAR

SOLICITATION OF PROXIES BY MANAGEMENT

This management information circular (the “Information Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of Serengeti Resources Inc. (the “Company”) for use at the annual and special general meeting (the “Meeting”) of the shareholders of the Company (the “Shareholders”) to be held at the Company’s offices located at Suite 520 – 800 West Pender Street, Vancouver, British Columbia on **Thursday, the 31st day of August, 2017 at 10:30 a.m. (Vancouver time)** and at any adjournments thereof for the purposes set out in the accompanying Notice of Meeting. Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally, electronically, or by telephone by directors or officers of the Company. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of common shares of the Company (“**Common Shares**”) pursuant to the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*. The cost of any such solicitation will be borne by the Company.

The Company is not relying on the notice-and-access provisions of National Instrument 54-101 to send proxy related materials to registered shareholders or beneficial owners of shares in connection with the Meeting. Unless otherwise stated, the information contained in this Information Circular is given as at July 27, 2017.

APPOINTMENT OF PROXYHOLDERS AND COMPLETION AND REVOCATION OF PROXIES

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder’s behalf in accordance with the instructions given by the Shareholder in the proxy. The persons named in the enclosed proxy (the “**Management Designees**”) have been selected by the directors of the Company.

A Shareholder has the right to designate a person (who need not be a Shareholder), other than the Management Designees to represent the Shareholder at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the proxy the name of the person to be designated, and by deleting from the proxy the names of the Management Designees, or by completing another proper form of proxy and delivering the same to the transfer agent of the Company. Such Shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxyholder and attend the Meeting, and provide instructions on how the Shareholder’s shares are to be voted. The nominee should bring personal identification with them to the Meeting. To be valid, the proxy must be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy). The proxy must then be delivered to the Company’s registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775, and outside North America to (416) 263-9524, at least 48 hours, excluding Saturdays, Sundays and holidays, before the time of the Meeting or any adjournment thereof. Proxies received after that time may be accepted by the Chairman of the Meeting in the Chairman’s discretion, but the Chairman is under no obligation to accept late proxies.

Any registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. A proxy may be revoked by a registered Shareholder personally attending at the Meeting and voting their shares. A Shareholder may also revoke their proxy in respect of any matter upon which a vote has not already been cast by depositing an instrument in writing, including a proxy bearing a later date executed by the registered Shareholder or by their authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, either at the office of the Company's registrar and transfer agent at the foregoing address or the head office of the Company, at Suite 520 – 800 West Pender Street, Vancouver, British Columbia, V6C 2V6, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the proxy is to be used, or by depositing the instrument in writing with the Chairman of such Meeting, or any adjournment thereof. **Only registered Shareholders have the right to revoke a proxy. Non-registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective nominees to revoke the proxy on their behalf.**

VOTING OF PROXIES

Voting at the Meeting will be by a show of hands, each registered Shareholder and each proxyholder (representing a registered or unregistered Shareholder) having one vote, unless a poll is required or requested, whereupon each such Shareholder and proxyholder is entitled to one vote for each Common Share held or represented, respectively. Each Shareholder may instruct their proxyholder how to vote their Common Shares by completing the blanks on the proxy. All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting when a poll is required or requested and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Common Shares represented by the proxy will be voted in accordance with such specification. **In the absence of any such specification as to voting on the proxy, the Management Designees, if named as proxyholder, will vote in favour of the matters set out therein.**

The enclosed proxy confers discretionary authority upon the Management Designees, or other person named as proxyholder, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Company is not aware of any amendments to, variations of or other matters which may come before the Meeting. If other matters properly come before the Meeting, then the Management Designees intend to vote in a manner which in their judgment is in the best interests of the Company.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “**ordinary resolution**”), unless the motion requires a “**special resolution**” in which case a majority of 66 ²/₃% of the votes cast will be required.

BENEFICIAL HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” or “beneficial” shareholders because the shares they own are not registered in their names, but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “Beneficial Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Beneficial Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIF's, RESP's and similar plans); or (b) in the name

of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to Beneficial Holders.

Intermediaries are required to forward the Meeting Materials to Beneficial Holders unless a Beneficial Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Beneficial Holders. Generally, Beneficial Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Beneficial Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Beneficial Holder when submitting the proxy. In this case, the Beneficial Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and **deposit it with the Company's transfer agent as provided above; or**
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Beneficial Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Beneficial Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Beneficial Holders to direct the voting of the shares which they beneficially own. Should a Beneficial Holder who receives one of the above forms wish to vote at the Meeting in person, the Beneficial Holder should strike out the names of the Management Designees named in the form and insert the Beneficial Holder's name in the blank space provided. **In either case, Beneficial Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth herein, management of the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or senior officer of the Company since the commencement of the Company's last completed financial year, or of any nominee for election as a director, or of any associate or affiliate of any of such persons, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares, without nominal or par value, of which as at the date hereof **85,240,821** common shares are issued and outstanding.

The holders of common shares of record at the close of business on the record date, set by the directors of the Company to be **July 27, 2017**, are entitled to receive notice of and vote such common shares at the Meeting on the basis of one vote for each common share held. Those shareholders so desiring may be represented by proxy at the Meeting.

The Articles of the Company provide that a quorum for the transaction of business at the Meeting is one (1) Shareholder, or one proxyholder representing one Shareholder.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the outstanding voting rights of the Company except as follows:

Shareholder	Number of Shares	Percentage of Issued Capital
Richard Collier Atkinson ⁽¹⁾	9,310,550	10.9%

- (1) Held personally beneficially through Challenge Capital Management, Les Entreprises de Richard Atkinson Ltee and his spouse.

PARTICULARS OF MATTERS TO BE ACTED UPON

TO THE KNOWLEDGE OF THE COMPANY'S DIRECTORS, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.

Additional detail regarding each of the matters to be acted upon at the Meeting is set forth below.

I. Financial Statements

The audited financial statements of the Company for the financial year ended February 28, 2017 (the "Financial Statements"), together with the Auditors' Report thereon, will be presented to the shareholders at the Meeting. The Financial Statements, together with the Auditors' Report thereon, are available for review on SEDAR at www.sedar.com.

II. Election of Directors

The board of directors of the Company (the "**Board**" or the "**Board of Directors**") currently consists of four (4) directors, all of whom are elected annually. The term of office for each of the present directors of the Company expires at the Meeting. All of the current directors of the Company will be standing for re-election.

It is proposed that the number of directors for the ensuing year be fixed at four (4), subject to such increases as may be permitted by the Articles of the Company. At the Meeting, the Shareholders will be asked to consider and, if thought fit, approve an ordinary resolution fixing the number of directors to be elected at the Meeting at four (4).

It is proposed that the persons named below will be nominated at the Meeting. Each director elected will hold office until the next Annual General Meeting of the Company or until his successor is duly elected or appointed pursuant to the Articles of the Company unless his office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) or the Company's Articles.

It is the intention of the management designees, if named as proxy, to vote for the election of the said persons to the Board of Directors, unless the Shareholder has specified in its proxy that its Common Shares are to be withheld from voting on the election of directors. Management does not contemplate that any of the nominees will be unable to serve as a director.

The following information relating to the nominees for election to the Board of Directors is based on information received by the Company from said nominees.

Such options will be exercisable for a period of up to five years from the date of grant. There currently are no vesting provisions attached to any options granted, other than options issued to Investor Relations consultants and from time to time imposed on certain grants at the discretion of the board. The Company’s most recent SOP was approved by the Company’s shareholders at its Annual and Special General Meeting held August 25, 2016.

Employment, Consulting and Management Agreements

The Company employs the President to provide his services pursuant to one to two year renewable employment agreements. In February, 2017, the Company entered into a renewed contract with the President at an agreed rate of \$14,000 per month.

If the agreement is terminated without cause, the Company will be required to provide severance payment equal to twenty four times the average monthly salary payable to the President and the monthly billing due to his consulting company in the prior five years, plus any deferred compensation owing, plus any bonus due and payable pursuant to the Agreement.

In the event of a Change of Control of the Company, the President shall have the right to cancel the Agreement, within ninety days from the date of the Change of Control, upon written notice to the Company and within thirty days from the date of delivery of such notice, the Company shall forward to the President:

Oversight and Description of Director and Named Executive Officer Compensation

As set out in the Corporate Governance section set out below, the Company has a Compensation and Corporate Governance Committee (the “CCGC”) which, among other matters, is responsible for determining compensation for the Chief Executive Officer and directors of the Company to provide compensation which reflects the responsibilities and risks of public company oversight and management. The CCGC is made up of George D. Tikkanen (Chair) and Ian Brown. Messrs Tikkanen and Brown are independent directors. See: “Corporate Governance – Compensation and Corporate Governance Committee” below.

Pension Disclosure

The Company does not provide any pensions to its directors or Named Executive Officers.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the directors or senior officers of the Company, no proposed nominee for election as a director of the Company, and no associates or affiliates of any of them, is or has been indebted to the Company or its subsidiaries at any time since the beginning of the Company's last completed financial year.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No Insider of the Company, no proposed nominee for election as a director of the Company and no associate or affiliate of any of the foregoing, has any material interest, direct or indirect, in any transaction since the commencement of the Company's last financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Company or any of its subsidiaries.

CORPORATE GOVERNANCE

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - Corporate Governance Guidelines provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 - Disclosure of Corporate Governance Practices ("NI 58-101") prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

The Board is comprised of four (4) directors, of whom each of Lewis V. Lawrick, Ian Brown and George D. Tikkanen are independent for the purposes of NI 58-101. David W. Moore is not independent since he serves as the President and Chief Executive Officer of the Company.

Directorships

Certain of the directors and proposed directors are also directors of other reporting issuers, as follows:

DIRECTOR	OTHER REPORTING ISSUERS
Lewis V. Lawrick	Anaconda Mining Inc. Magna Terra Minerals Inc. (formerly Brionor Resources Inc.)

Orientation and Continuing Education

New Board members receive an orientation package which includes reports on operations and results, and public disclosure filings by the Company. Board meetings are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Company's management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation and Corporate Governance Committee

The Company has established a Compensation and Corporate Governance Committee (the “CCGC”) which, among other matters, is responsible for determining compensation for the Chief Executive Officer and directors of the Company to provide compensation which reflects the responsibilities and risks of public company oversight and management. The CCGC is made up of George D. Tikkanen (Chair) and Ian Brown. Messrs Tikkanen and Brown are independent directors.

In its role as a compensation committee, the CCGC meets as required, and at least once annually, to (1) review terms and conditions of the employment contract between the Company and the CEO and recommend alterations if considered appropriate to the Board as a whole; (2) review terms and conditions of the fees paid to directors of the Company for their services as directors and on committees of the Board; (3) consider periodic grants of incentive stock options to the CEO, senior officers and to directors; and (4) consider the grounds for the awarding of bonuses, if any, to the CEO and to other senior officers of the Company. The members of the CCGC all have many years of experience in administering the affairs of junior exploration companies and in participating at the board of director level for such companies, and they rely on their experience, their business judgment and their collaboration in arriving at their determinations in these matters. The CCGC has not established formal criteria for the awarding of bonuses.

The Board does not have a pre-determined compensation plan. A peer group is not used by the CCGC to determine compensation. The Company does not engage in benchmarking practices and the process for determining executive compensation is at the discretion of the Board. For further discussion, see “Director and Named Executive Officer Compensation” above.

The CCGC has not engaged the services of independent compensation consultants to assist it by making recommendations to the Board with respect to director and executive officer compensation.

Other Board Committees

The Board has no committees other than the Audit Committee and the Compensation and Corporate Governance Committee.

Assessments

Annually the Compensation and Corporate Governance Committee meets with the specific purpose of carrying out a structured self-review of the effectiveness of the performance of the board, its committees and the individual directors. Among other reference sources, and to the degree applicable, the CCGC uses as one of its standards of evaluation National Policy 58-201 *Corporate Governance Guidelines*.

8. Review with management and the independent auditors significant related party transactions and potential conflicts of interest.
9. Pre-approve all non-audit services to be provided to the Corporation by the independent auditors.
