

MINAURUM GOLD INC.

INFORMATION CIRCULAR

FOR THE ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD ON MONDAY, DECEMBER 17, 2018

(as at November 9, 2018, except as indicated)

This Information Circular is furnished in connection with the solicitation of proxies by the Management of **MINAURUM GOLD INC.** (the “Company”) for use at the Annual General Meeting (the “Meeting”) of the shareholders of the Company (“Shareholders”), to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

PERSONS OR COMPANIES MAKING THE SOLICITATION

THE ENCLOSED PROXY IS BEING SOLICITED BY MANAGEMENT OF THE COMPANY. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse Shareholders’ nominees or agents (including brokers holding common shares of the Company (“Shares”) on behalf of clients) for the cost incurred in obtaining from their principals authorization to execute forms of proxy. The cost of solicitation will be borne by the Company. None of the directors of the Company have advised that they intend to oppose any action intended to be taken by Management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying Instrument of Proxy are directors or officers of the Company. **A Shareholder has the right to appoint a person other than the persons named in the enclosed Instrument of Proxy to attend and act for him on his behalf at the Meeting. To exercise this right, a Shareholder shall strike out the names of the persons named in the Instrument of Proxy and insert the name of his nominee in the blank space provided, or complete another Instrument of Proxy. The completed Instrument of Proxy should be deposited with the Company's Registrar and Transfer Agent, TSX Trust Company, 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1 at least 48 hours before the time of the Meeting or any adjournment thereof, excluding Saturdays and holidays.**

The Instrument of Proxy must be signed by the Shareholder or by his duly authorized attorney. If signed by a duly authorized attorney, the Instrument of Proxy must be accompanied by the original power of attorney or a notarially certified copy thereof. If the Shareholder is a corporation, the Instrument of Proxy must be signed by a duly authorized attorney, officer, or corporate representative, and must be accompanied by the original power of attorney or document whereby the duly authorized officer or corporate representative derives his power, as the case may be, or a notarially certified copy thereof. The Chairman of the Meeting has discretionary authority to accept proxies which do not strictly conform to the foregoing requirements.

In addition to revocation in any other manner permitted by law, a Shareholder may revoke a Proxy either by (a) signing a Proxy bearing a later date and depositing it at the place and within the time aforesaid, or (b) signing and dating a written notice of revocation (in the same manner as the Instrument of Proxy is required to be executed as set out in the notes to the Instrument of Proxy) and either depositing it at the place and within the time aforesaid or with the Chairman of the Meeting on the day of the Meeting or on the day of any adjournment thereof, or (c) registering with the Scrutineer at the Meeting as a Shareholder present in person, whereupon such Proxy shall be deemed to have been revoked. Only registered shareholders have the right to revoke a proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their nominees to revoke the proxy on their behalf.

A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

NON-REGISTERED HOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are “non-registered Shareholders” because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. More particularly, a person is not a registered Shareholder in respect of Shares which are held on behalf of that person (the “Non-Registered Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIAs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant (the clearing agencies and the Intermediaries are together the “Nominees”).

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the “Meeting Materials”) to the Nominees for distribution to Non-Registered Holders.

Nominees are required to forward the Meeting Materials to Non-Registered Holders to seek their voting instructions in advance of the Meeting unless a Non-Registered Holder has waived the right to receive the Meeting Materials. Very often, Nominees will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Nominee** (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Nominee has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deliver it to **TSX Trust Company** as provided above; or
- (b) more typically, be given a voting instruction form **which is not signed by the Nominee**, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Nominee or its service company**, will constitute voting instructions (often called a “proxy authorization form”) which the Nominee must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Shares, which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the meeting in person, the Non-Registered Holder should strike out the names of the Management Proxyholders and insert the Non-Registered Holder’s name in the blank space provided. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

In accordance with the requirements of National Instrument 54-101 (“NI 54-101”), the Company has elected to send Meeting Materials directly to “non objecting beneficial owners”. If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name, address and

information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these Meeting Materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Company does not intend to pay for intermediaries to deliver the Meeting Materials and Form 54-101F7 *Request For Voting Instructions Made By Intermediary* to objecting beneficial owners. The objecting beneficial owners will not receive the Meeting Materials unless the objecting beneficial owner's intermediary assumes the cost of delivery of the Meeting Materials.

NOTICE AND ACCESS

The Company is not sending the Meeting Materials to shareholders using "notice and access" as defined in NI 54-101.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

Shares represented by a properly executed proxy will be voted or withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

In the absence of any direction in the Instrument of Proxy, it is intended that such Shares will be voted in favour of the motions proposed to be made at the Meeting as stated under the headings in this Information Circular. The Instrument of Proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to any matters which may properly be brought before the Meeting. The enclosed Instrument of Proxy does not confer authority to vote for the election of any person as a Director of the Company other than for those persons named in this Information Circular. At the time of printing of this Information Circular, the Management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value. On November 9, 2018, 270,846,546 common shares were issued and outstanding. Persons who are registered Shareholders at the close of business on November 9, 2018 will be entitled to receive notice of and vote and the Meeting and will be entitled to one vote for each Share held. At the Meeting, on a show of hands, every Shareholder present in person shall have one vote and, on a poll, every Shareholder shall have one vote for each Share of which he is the holder.

Only Shareholders of record on the close of business on November 9, 2018 who either personally attend the Meeting or who complete and deliver an Instrument of Proxy in the manner and subject to the provisions set out under the heading "Appointment and Revocation of Proxies" will be entitled to have his or her Shares voted at the Meeting or any adjournment thereof.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, to the knowledge of management of the Company, none of the directors or executive officers of the Company, no proposed nominee for election as a Director of the Company, none of the persons who have been directors or executive officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors and the approval of the Company's stock option plan

- (d) the Company if it has purchased, redeemed or otherwise acquired any of its own securities, for so long as it holds any of its securities.

Except as otherwise disclosed, no informed person, no proposed director of the Company and no associate or affiliate of any such informed person or proposed director, has or has had any material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Company or any of its subsidiaries.

Stock Option Plans and Other Incentive Plans

The Company's current stock option plan (the "**Plan**"), which it original adopted in May, 2008 and most recently re-approved in December, 2017, is a "rolling" stock option plan, whereby the aggregate number of Common Shares reserved for issuance, together with any other Common Shares reserved for issuance under any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of issued Common Shares (calculated on a non-diluted basis) at the time an option is granted. The Plan provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Company and its subsidiaries or affiliates, options to purchase shares of the Company. As at the date hereof, there are 7,920,000 options outstanding under the Plan.

A copy of the Plan is available for review on the Company's profile at www.sedar.com and at the office of the Company at Suite 2300 – 1177 West Hastings Street, Vancouver, British Columbia, V6E 2K3 or at the registered offices of the Company, at 10th Floor – 595 Howe Street, Vancouver, British Columbia, V6C 2T5 during normal business hours up to and including the date of the Meeting. See "Particulars of Matters to Be Acted Upon – *Approval and Ratification of Stock Option Plan*".

Employment, Consulting and Management Agreements

Except as disclosed below, the Company or any subsidiary thereof has not entered into any agreement or arrangement under which compensation was provided during the most recently completed financial year or is payable in respect of services provided to the Company or any of its subsidiaries that were (a) performed by a director or NEO, or (b) performed by any other party but are services typically provided by a director or a NEO.

On March 1, 2010, the Company entered into a management agreement (the "Agreement") with 0872599 B.C. Ltd. (the "Executive Corporation"), a company controlled by Darrell Rader, for monthly management fees in the amount of \$11,000. The Agreement states that:

Resignation or Termination After a Change of Control: Notwithstanding any other provision in the Agreement, if within 12 months following a Change of Control of the Company (as defined below), the

Executive Corporation's engagement is terminated by the Company without Good Cause or, the Executive Corporation terminates the Agreement with or without Good Cause at any time within 12 months after a Change of Control, in either case, it will receive as severance an amount equal to 24 months Annual Compensation as at that date. As at April 30, 2017, the severance amount would be \$264,000.

Termination Without Cause and Resignation for Good Cause: The Company may terminate the Agreement and the engagement of the Executive Corporation without cause at any time by notice in writing stating the last day of employment (the "Termination Date"), and the Executive Corporation may terminate the Agreement on two weeks' written notice (the end of such notice also being the "Termination Date") for "Good Cause" (as defined below), in which either event the Company shall be obligated to pay the Executive Corporation, on the Termination Date, an amount equal to 12 months Annual Compensation as at that date (As at April 30, 2017, the severance amount would be \$132,000). The Executive Corporation may direct the Company to pay such amount in a lump sum or in installments on regular paydays of the Company. However, all Benefits will cease as of the Termination Date.

"Good Cause" is defined as the occurrence of one of the following events without the Executive Corporation's express written consent:

- (a) the assignment by the Company to the Executive Corporation of any substantially new or different duties inconsistent with the Executive Corporation's positions, duties, responsibilities and status with the Company immediately prior to such change in assigned duties;
- (b) a material reduction in the Executive Corporation's responsibilities, except as a result of the Executive Corporation's death, disability or retirement;
- (c) a reduction by the Company in the Annual Compensation not agreed to by the Executive Corporation;
- (d) a change in the principal executive office of the Company to a location more than 50 kilometers from the then-current location of the principal executive office of the Company;
- (e) the requirement by the Company that the Executive Corporation be based anywhere other than within a 50 kilometer radius of the Executive Corporation's then current location;
- (f) the failure by the Company to continue in effect, or a material change in the terms of the Executive Corporation's participation in benefits under any Incentive Plan or Benefits plan (collectively, the "Existing Plans"), the effect of which would be to materially reduce the total value, in the aggregate, of the benefit to the Executive Corporation under the Existing Plans;
- (g) any other events or circumstances which would constitute a constructive dismissal at common law.

Change of Control Defined: For *all* purposes of the Agreement, "Change of Control" means:

- (a) the acquisition, directly or indirectly, by any person or group of persons acting jointly or in concert, as such terms are defined in the *Securities Act*, British Columbia, of common shares of the Company which, when added to all other common shares of the Company at the time held directly or indirectly by such person or persons acting jointly or in concert, constitutes for the first time in the aggregate 25% or more of the outstanding common shares of the Company and such shareholding exceeds the

collective shareholding of the current directors of the Company, excluding any directors acting in concert with the acquiring party; or

- (b) the removal, by extraordinary resolution of the shareholders of the Company, of more than 51% of the then incumbent Board members of the Company, or the election of a majority of Board members to the Company's Board who were not nominees of the Company's incumbent Board at the time immediately preceding such election; or
- (c) consummation of a sale of all or substantially all of the assets of the Company; or
- (d) the consummation of a reorganization, plan of arrangement, merger, amalgamation or other transaction which has substantially the same effect as (a) (b) or (c) above.

During the most recently completed financial year, the Company did not provide compensation, monetary or otherwise, to any person who now acts or previously acted as a NEO of the Company, in connection with or related to the retirement, termination or resignation of such person, or as a result of a change of control of the Company.

Oversight and Description of Director and NEO Compensation

During the year ended April 30, 2018, fees paid to directors for their services as directors were determined by the directors of the Company.

The Board has not created or appointed a compensation committee given the Company's current size and stage of development. All tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria.

Executive officers' compensation is currently composed of two major components: base salary or fees and stock options. Interested executives do not participate in reviews, discussions or decisions of the Board regarding this remuneration. In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation.

Base salaries or fees primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time.

The second component of the executive officers' compensation is stock options. The Company may from time to time grant stock options to executive officers under the stock option plan. Grants of stock options are intended to align the interests of the executive officers with those of the shareholders over the longer term.

The NEOs' performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. Compensation is not tied to performance criteria or goals such as milestones, agreements or transactions, and the Company does not use a "peer group" to determine compensation.

There were no significant changes to the Company's compensation policies that were made during or after the financial year ended April 30, 2018 that could or will have an effect on director or executive officer compensation.

Pension Plan Benefits

The Company has no pension, defined benefit or defined contribution plans in place.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The following table sets forth details of the Company's compensation plans under which equity securities of the Company were authorized for issuance at the end of the Company's most recently completed financial year.

Equity compensation plans not approved by securityholders	Nil	Nil	Nil
Total	61,112,500	\$0.08	17,489,655

The Company's equity compensation plan consists of stock options only. Details regarding the Company's stock option plan are under the heading "Approval and Ratification of Stock Option Plan".

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

As at November 9, 2018 there was no indebtedness outstanding of any current or former Director, executive officer or employee of the Company or its subsidiaries which is owing to the Company or its subsidiaries, or which is owing to another entity which indebtedness is the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or its subsidiaries, entered into in connection with a purchase of securities or otherwise.

No individual who is, or at any time during the most recently completed financial year was, a Director or executive officer of the Company, no proposed nominee for election as a Director of the Company and no associate of such persons:

- (i) is or at any time since the beginning of the most recently completed financial year has been, indebted to the Company or its subsidiaries; or

CORPORATE GOVERNANCE DISCLOSURE

National Policy 58-201 ("NP 58-201") establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board

considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

INDEPENDENCE OF MEMBERS OF THE BOARD

The Company's Board consists of six directors, four of whom the directors consider to be independent based upon the tests for independence set forth in National Instrument 52-110. David Baker, Peter Megaw, Lawrence Talbot and Michael Williams are considered to be independent. Darrell Rader is not considered to be independent as he is the President and CEO of the Company. David Jones is not considered to be independent as he is the partial owner of many properties optioned to the Company

MANAGEMENT SUPERVISION BY BOARD

The size of the Company is such that all the Company's operations are conducted by a small management team which is also represented on the Board. The Board considers that management is effectively supervised by the independent directors on an informal basis as the independent directors are actively and regularly involved in reviewing the operations of the Company and have regular and full access to management. The independent directors are able to meet at any time without any members of management including the non-independent directors, being present. Further supervision is performed through the audit committee which is composed of a majority of independent directors who meet with the Company's auditors.

PARTICIPATION OF DIRECTORS IN OTHER REPORTING ISSUERS

The participation of the directors in other reporting issuers is described in the table provided under "Particulars of Matters to be Acted Upon – Elections of Directors" in this Information Circular.

ORIENTATION AND CONTINUING EDUCATION

While the Company does not have formal orientation and training programs, new Board members are provided with:

1. information respecting the functioning of the Board of Directors and committees;
2. access to recent, publicly filed documents of the Company, technical reports in respect of the Company's mineral properties and the Company's internal financial information;
3. access to management and technical experts and consultants; and
4. a summary of significant corporate and social responsibilities.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

ETHICAL BUSINESS CONDUCT

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to Shareholders. The board has not adopted a formal code of business conduct and ethics. The board is of the view that the fiduciary duties placed on individual directors, officers, employees and consultants by the Company's governing legislation and the common law together with corporate statutory restrictions on an individual director's participation in board decisions in which the director has an interest are sufficient to ensure the board operates independently of management and in the best interests of the Company.

NOMINATION OF DIRECTORS

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mining exploration industry are consulted for possible candidates.

BOARD COMMITTEES

The Company has an Audit Committee. The Board has determined that additional committees are not necessary at this stage of the Company's development.

ASSESSMENTS

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board periodically conducts informal assessments of the Board's effectiveness, the individual directors and each of its committees.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Schedule "A" to this Information Circular.

The Company's audit committee is comprised of three directors: Peter Megaw, David Baker and Lawrence W.E. Talbot. As defined in NI 52-110, all committee members are considered "independent" directors for audit committee purposes and all three directors are considered "financially literate".

The educational background or experience of the following audit committee members has enabled each to perform his responsibilities as an audit committee member and has provided the member with an understanding of the accounting principles used by the Company to prepare its financial statements, the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves as well as experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more individuals engaged in such activities and an understanding of internal controls and procedures for financial reporting:

David J. Baker, is a chartered accountant and MBA with over 20 years of financial management experience, predominantly in mining. Experienced in all aspects of exploration, development, construction and operations, David is currently the Chief Financial Officer of VRB Energy Inc, manufacturer and distributor of vanadium redox flow batteries for energy storage. He has previously held senior positions with Turquoise Hill Resources, Ivanhoe Mines, Savage River and Pasminco and is currently Chairman of the Company's Audit Committee.

Peter Megaw was an audit committee member for Candente Resources from 2005-2007. As a director of various public companies, Dr. Megaw has become familiar with public company financial statements and the accounting principles used in reading and preparing financial statements.

Lawrence W.E. Talbot is a mining lawyer with over 29 years of experience representing a wide range of clients in the mining industry, from individual prospectors and junior and mid-size explorers and producers through to major mining companies, in both the hard-rock and industrial mineral fields. He has extensive experience acting for public natural resource companies and providing advice on all aspects of their

businesses, including corporate finance, securities and regulatory matters, corporate governance and shareholder issues, and all aspects of corporate acquisitions, takeovers, divestitures and reorganizations. Mr. Talbot has been a director, and member of the audit committee, of a number of public companies similar to the Company and, in such roles, he has had experience with the review and understanding of the accounting principles relevant to public natural resource companies and interpreting and assessing the financial statements of public natural resource companies, and has been involved in the development and analysis of internal controls and procedures for financial reporting.

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions contained in section 2.4 of NI 52-110 or an exemption from NI 52-110 in whole or in part, granted under Part 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
April 30, 2018	\$30,090	Nil	\$2,750	Nil
April 30, 2017	\$29,580	Nil	\$2,750	Nil

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

APPROVAL AND RATIFICATION OF STOCK OPTION PLAN

Pursuant to the Company's Stock Option Plan, the number of Shares which may be issued pursuant to options previously granted and those authorized to be granted under the Stock Option Plan is a maximum of 10% of the issued and outstanding Shares of the Company at the time of the grant. In addition, the number of Shares which may be reserved for issuance to any one individual may not exceed 5% of the issued Shares on a yearly basis or 2% if the optionee is engaged in investor relations activities, or, is a consultant. Based on the issued and outstanding common Shares of the Company as at November 9, 2018, options exercisable to acquire an aggregate of 27,084,655 Shares of the Company are currently authorized to be granted under the Stock Option Plan, of which options exercisable to acquire an aggregate of 7,920,000 Shares of the Company have been granted.

Under TSX Venture Exchange policy, all such rolling stock option plans which set the number of Shares issuable under the plan at a maximum of 10% of the issued and outstanding Shares must be approved and ratified by Shareholders on an annual basis. Therefore, at the Meeting, Shareholders will be asked to pass a resolution in substantially the following form:

"RESOLVED that the shareholders approve and ratify, subject to regulatory acceptance, the stock option plan of the Company pursuant to which the directors may, from time to time, authorize the issuance of options to directors, officers, employees and consultants of the Company to a maximum of 10% of the issued and outstanding common Shares at the time of the grant, with a maximum of 5% of the Company's issued and outstanding Shares being reserved to any one person on a yearly basis."

RATIFICATION AND APPROVAL OF ADVANCE NOTICE POLICY

On October 16, 2018, the Board adopted an advance notice policy (the "**Advance Notice Policy**") for the purpose of providing shareholders, directors and management of the Company with a clear framework for nominating directors of the Company in connection with any annual or special meeting of shareholders.

The purpose of the Advance Notice Policy is to (i) ensure that all shareholders receive adequate notice of director nominations and sufficient time and information with respect to all nominees to make appropriate deliberations and register an informed vote; and (ii) facilitate an orderly and efficient process for annual or, where the need arises, special meetings of shareholders of the Company. The Advance Notice Policy fixes

the deadlines by which shareholders of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in a written notice to the Company for any director nominee to be eligible for election at such annual or special meeting of shareholders.

A copy of the Company's Advance Notice Policy is attached to this Information Circular as Schedule "B". In order to remain effective following the Meeting, the Advance Notice Policy must be ratified, confirmed and approved by the shareholders of the Company at the Meeting.

The following is a brief summary of certain provisions of the Advance Notice Policy and is qualified in its entirety by the full text of the Advance Notice Policy.

1. Other than pursuant to (i) a proposal made in accordance with the *Business Corporations Act* (British Columbia) (the "**Act**"), or (ii) a requisition of the shareholders made in accordance with the provisions of the Act, shareholders of the Company must give advance written notice to the Company of any nominees for election to the board of directors.
2. The Advance Notice Policy fixes a deadline by which shareholders of the Company must submit, in writing, nominations for directors to the Corporate Secretary of the Company prior to any annual or special meeting of shareholders and sets forth the specific information that such shareholders must include with their nominations in order to be effective. Only persons who are nominated in accordance with the Advance Notice Policy are eligible for election as directors of the Company.
3. For an annual meeting of shareholders, notice to the Company must be not less than 30 days and not more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date less than 50 days after the date on which the first public announcement of the date of such annual meeting was made, notice may be given not later than the close of business on the 10th day following such public announcement.
4. For a special meeting of shareholders (that is not also an annual meeting), notice to the Company must be given not later than the close of business on the 15th day following the day on which the first public announcement of the date of such special meeting was made.
5. The time periods for giving notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting and/or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders, or the reconvening of any adjourned or postponed meeting of shareholders, or the announcement thereof, commence a new time period for the giving of notice as described above.

For the purposes of the Advance Notice Policy, "public announcement" means disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on SEDAR at www.sedar.com.

The Board may, in its sole discretion, waive any provision or requirement of the Advance Notice Policy.

If approved at the Meeting, the Advance Notice Policy will continue to be effective in accordance with its terms. The Advance Notice Policy will be subject to annual review by the Board and will be updated from time to time to reflect changes required by securities regulatory agencies or stock exchange, or to conform to industry standards, as determined by the Board.

If not approved at the Meeting, the Advance Notice Policy will terminate and be of no further force and effect from and after the termination of the Meeting.

Accordingly, at the Meeting, shareholders will be asked to approve the following ordinary resolution approving the Advance Notice Policy in the following form:

"UPON MOTION IT WAS RESOLVED that:

1. the Company's Advance Notice Policy (the "**Advance Notice Policy**") as set forth in the Company's Information Circular dated November 9, 2018 be and is hereby ratified, confirmed, authorized and approved;
2. the board of directors of the Company be and is hereby authorized, in its sole discretion, to administer the Advance Notice Policy and amend or modify the same from time to time in accordance with the provisions thereof, without further shareholder approval, to reflect the changes required by securities regulatory agencies or stock exchanges, to conform to industry standards, or as otherwise determined to be in the best interests of the Company and its shareholders; and
3. any one director or officer of the Company is hereby authorized and directed to carry out any act for and on behalf of the Company and to execute and deliver such deeds, documents and other instruments in writing as he or she in his or her discretion may consider necessary for the purpose of giving effect to these resolutions and to do all such other acts and things as such director or officer may determine to be necessary or advisable to give effect to the intent of these resolutions."

The persons named as proxies in the enclosed form of proxy intend to cast the votes represented by proxy in favour of the foregoing resolution unless the holder of Shares who has given such proxy has directed that the votes be otherwise cast.

OTHER MATTERS

Management knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. Should any other matters properly come before the Meeting, the Shares represented by the Instrument of Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting by proxy.

The primary function of the audit committee (the "Committee") is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting, and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Company's financial reporting and internal control systems and review the Company's financial statements;
- review and appraise the performance of the Company's external auditors; and
- provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

Composition

The Committee shall be comprised of three directors as determined by the Board of Directors, the majority of whom shall be free from any relationship that, in the opinion of the Board of Directors, would reasonably interfere with the exercise of his or her independent judgment as a member of the Committee. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Audit Committee's Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements. The members of the Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders' meeting.

Meetings

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

Documents/Reports Review

- (a) Review and update this Charter annually.

- (b) Review the Company's financial statements, MD&A and any annual and interim earnings, press releases before the Company publicly discloses this information and any reports or other financial information (including quarterly financial statements), which are submitted to any governmental body, or to the public, including any certification, report, opinion, or review rendered by the external auditors.

- (d) Take, or recommend that the full Board of Directors, take appropriate action to oversee the independence of the external auditors.
- (e) Recommend to the Board of Directors the selection and compensation and, where applicable, the replacement of the external auditors nominated annually for shareholder approval.
- (f) At each meeting, consult with the external auditors, without the presence of management, about the quality of the Company's accounting principles, internal controls and the completeness and accuracy of the Company's financial statements.
- (g) Review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Company.
- (h) Review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements.
- (i) Review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - (i) the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of fees paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided;
 - (ii) such services were not recognized by the Company at the time of the engagement to be non-audit services; and
 - (iii) such services are promptly brought to the attention of the Committee by the Company

and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Committee. Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval, such authority may be delegated by the Committee to one or more independent members of the Committee.

In cases where a Nominating Shareholder is not an individual, the notice set forth in paragraph 4 below must be signed by an authorized representative, being a duly authorized director, officer, manager, trustee or partner of such entity who provides such evidence of such authorization that is satisfactory to the Corporation, acting reasonably; and

- (ii) in either case, complies with the notice procedures set forth below in this Policy.
 - 2. In addition to any other requirements under applicable laws, for a nomination to be validly made by a Nominating Shareholder in accordance with this Policy, the Nominating Shareholder must have given notice thereof that is both timely (in accordance with paragraph 3 below) and in proper written form (in accordance with paragraph 4 below) to the Corporate Secretary of the Corporation at the principal executive offices of the Corporation.
 - 3. To be timely, a Nominating Shareholder's notice to the Corporate Secretary of the Corporation must be made:
 - a. in the case of an annual meeting of shareholders, not less than thirty (30) days nor more than sixty-five (65) days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than fifty (50) days after the date (the "**Notice Date**") on which the first public announcement (as defined below) of the date of the annual meeting was made, notice by the Nominating Shareholder may be given not later than the close of business on the tenth (10th) day following the Notice Date; and
 - b. in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made.
- The time periods for the giving of a Nominating Shareholder's notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting and/or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders, or the reconvening of any adjourned or postponed meeting of shareholders, or the announcement thereof, commence a new time period for the giving of a Nominating Shareholder's notice as described above.
- 4. To be in proper written form, a Nominating Shareholder's notice must be addressed to the Corporate Secretary of the Corporation, and must set forth:
 - a. as to each person whom the Nominating Shareholder proposes to nominate for election as a director: (i) the name, age, business address and residential address of the person; (ii) the present principal occupation or employment of the person and the principal occupation or employment within the five years preceding the notice; (iii) the citizenship of such person; (iv) the class or series and number of shares in the capital of the Corporation which are, directly or indirectly, controlled or directed or which are owned, beneficially or of record, by the person as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; and (v) a statement as to whether such person

would be "independent" of the Corporation (within the meaning of sections 1.4 and 1.5 of National Instrument 52-110, *Audit Committees*, of the Canadian Securities Administrators, as such provisions may be amended from time to time) if elected as a director at such meeting and the reasons and basis for such determination;

- b. the full particulars regarding any oral or written proxy, contract, agreement, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has a right to vote or direct the voting of any shares of the Corporation; and
- c. any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws.

The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as a director of the Corporation or that would reasonably be expected to be material to a reasonable shareholder's understanding of the experience, independence and/or qualifications, or lack thereof, of such proposed nominee.

As soon as practicable following receipt of a Nominating Shareholder's notice (and such other information referred to above, as applicable) that complies with this Policy, the Corporation shall publish through a public announcement the names of the nominees named in such notice and such other details of such notice as the Corporation may deem appropriate.

- 5. No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the provisions of this Policy; provided, however, that nothing in this Policy shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter in respect of which such shareholder would have been entitled to submit a proposal pursuant to the provisions of the Act or at the discretion of the Chairman. The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the provisions of this Policy and, if the Chairman determines that any proposed nomination was not made in compliance with this Policy, to declare that such defective nomination shall be disregarded.
- 6. For purposes of this Policy:
 - a. **"public announcement"** shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Corporation under its profile on the System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com; and
 - b. **"Applicable Securities Laws"** means, collectively, the applicable securities statutes of each relevant province and territory of Canada, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, bulletins and notices of the securities commission and similar regulatory authority of each relevant province and territory of Canada, and all applicable securities laws of the United States.
- 7. Notwithstanding any other provision of this Policy, notice given to the Corporate Secretary of the Corporation pursuant to this Policy may only be given by personal delivery, facsimile transmission or by email (at such email address as may be stipulated from time to time by the Corporate Secretary of the Corporation for purposes of this notice), and shall be deemed to have

been given and made only at the time it is served by personal delivery to the Corporate Secretary at the address of the principal executive offices of the Corporation, sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) or received by email (at the address as aforesaid); provided that if such delivery or electronic communication is made on a day which is not a business day or later than 5:00 p.m. (Pacific Time) on a business day, then such delivery or electronic communication shall be deemed to have been made on the next business day.

8. Notwithstanding the foregoing, the Board may, in its sole discretion, waive any provision or requirement of this Policy.
