INFORMATION CIRCULAR

INFORMATION PROVIDED AS AT JULY 13, 2018 FOR THE SPECIAL AND ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD ON AUGUST 17, 2018 (THE “MEETING”).

This Information Circular is furnished in connection with the solicitation of proxies by management (“Management”) of Blackrock Gold Corp. (“Blackrock”) for use at the Meeting (or any adjournment thereof), at the time and place and for the purposes set forth in the Notice of Meeting. It is expected that the solicitation will be primarily by mail. Proxies may also be solicited personally or by telephone by directors, officers or arms-length third parties appointed by Blackrock. Management is unable at this time to accurately estimate what the cost of such solicitation may be.

All costs of this solicitation will be borne by Blackrock. All dollar amounts in this Information Circular are in Canadian currency unless otherwise specified.

This document is available on SEDAR at www.sedar.com and, upon request, a copy of this document will be provided free of charge to any security holder of Blackrock.

RECORD DATE

Blackrock directors have set July 13, 2018 as the record date (the “**Record Date**”) for determining which shareholders shall be entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date, who either attend the Meeting personally or complete and deliver the form of proxy in the manner and subject to the provisions discussed below, will be entitled to vote or to have their shares voted at the Meeting.

APPOINTMENT OF PROXYHOLDERS AND REVOCATION OF PROXIES

The persons named in the form of proxy as proxyholders are directors of Blackrock. **A shareholder desiring to appoint some other person (who need not be a shareholder) to represent him or her at the Meeting may do so, either by striking out the printed names and inserting the desired person’s name in the blank space provided in the form of proxy or by completing another proper form of proxy.** In either case, the completed proxy must be delivered to the office of Computershare Investor Services Inc. (the “**Transfer Agent**”), Computershare Investor Services Inc. (“**Computershare**”). Attention: Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time fixed or any adjournment thereof at which the form of proxy is to be used.

Late proxies may be accepted or rejected by the Chairman of the Meeting at his or her discretion and the Chairman of the Meeting is under no obligation to accept or reject any particular late proxy. The Chairman of the Meeting may waive or extend the proxy cut-off without notice.

A shareholder who has given a proxy may revoke it by an instrument in writing, duly executed by the shareholder or where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation and delivered to Blackrock’s registered office, 2300-1177 West Hastings Street, Vancouver, BC V6E 2K3, at any time up to and including the last business day that precedes the day of the Meeting

or, if adjourned, the day that precedes any reconvening thereof, or to the Chairman of the Meeting, on the day of the Meeting or, if adjourned, any reconvening thereof, or in any manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken before the revocation.

VOTING OF PROXIES

If the form of proxy is completed, signed and delivered as prescribed above, the persons named as proxyholders in the form of proxy will vote or withhold from voting the shares in respect of which they are appointed in accordance with the instructions of the shareholder appointing them. The form of proxy confers discretionary authority upon the proxyholders with respect to all other matters or variations to matters which may properly come before the Meeting or any adjournment thereof. As of the date of this Information Circular, management of Blackrock knows of no such amendments, variations or other matters to come before the Meeting, other than matters referred to in the Notice of Meeting. If other matters should properly come before the Meeting, however, the form of proxy will be voted on such matters in accordance with the best judgement of the person or persons voting the proxy.

If no choice is specified by a shareholder in the form of proxy with respect to a matter identified in the form of proxy or any amendment or variations to such matters, it is intended that the person designated by management in the form of proxy will vote the shares therein represented in favour of each matter identified on the form of proxy and for the nominees of management for directors and auditors.

BENEFICIAL SHAREHOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many shareholders as a substantial number of shareholders do not hold common shares in their own name. Shareholders who do not hold their shares in their own name (“**Beneficial Shareholders**”) should note that only proxies deposited by shareholders whose names appear on the records of Blackrock as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases those common shares will not be registered in the Beneficial Shareholder’s name on the records of Blackrock. Such common shares will more likely be registered under the name of the Beneficial Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks). Common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholders. **Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory policies require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered shareholders by Blackrock; however, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Services (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders

and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote common shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of common shares must be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted.**

Blackrock is not using the “notice-and-access” provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of Reporting Issuers* (“**NI 54-101**”) in connection with the delivery of the meeting materials in respect of the Meeting.

This Information Circular and accompanying materials are being sent to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who object to their identity being known to Blackrock (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to their identity being made known to Blackrock (“**NOBOs**” for Non-Objecting Beneficial Owners). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to its NOBOs. If you are a Beneficial Shareholder, and the Transfer Agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

Blackrock does not intend to pay for intermediaries such as stockbrokers, securities dealers, banks, trust companies, trustees, and their agents and nominees (“**Intermediaries**”) to forward the proxy-related materials to OBOs. Accordingly, OBOs will not receive such documents unless their respective Intermediaries assume the cost of forwarding such documents to them.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of their broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting. Alternatively, a Beneficial Shareholder may request in writing that their broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote their common shares.**

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

As at the Record Date, there were a total of 36,992,518 common shares outstanding. Each common share entitles the holder thereof to one vote.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed in this Information Circular, no director, executive officer, proposed management nominee, or any associate or affiliate thereof has any material interest, direct or indirect, by way of beneficial ownership of shares of Blackrock or otherwise in the matters to be acted upon at the Meeting, other than the election of directors or the appointment of auditors.

FIXING THE SIZE OF THE BOARD OF DIRECTORS

It is intended that the number of directors to be elected by the shareholders be established at six (6). This requires the approval of the shareholders of Blackrock by an ordinary resolution which approval will be sought at the Meeting.

ELECTION OF DIRECTORS

At the Meeting, shareholders will also be called upon to elect six (6) directors for the ensuing year or until their successors are duly elected or appointed, unless the director's office is earlier vacated in accordance with the Articles of Blackrock, or unless that person becomes disqualified to act as a director. While Management does not contemplate that any of its nominees will be unable to serve as a director, if any Management nominee should become unavailable, the form of proxy will be voted for substitute nominees as may be nominated by Management. Set forth below is information regarding each Management nominee for election at the Meeting as a director of Blackrock:

STATEMENT OF CORPORATE GOVERNANCE

National Instrument 58-101 – *Disclosure of Corporate Governance Practices*, requires all companies to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by Blackrock in adopting its corporate governance practices. Blackrock’s approach to corporate governance is set out below.

Board of Directors

The Board of Directors (the “**Board**”) currently consists of six (6) directors: Deepak Malhotra, Hendrik van Alphen, Alan H.C. Carter, Thomas S. Bruington II, Catalin Kilofliski and Gregory L. Schifrin.

The Guidelines suggest that the board of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under Section 1.4 of NI 52-110 which provides that a director is independent if he or she has no direct or indirect “material relationship” with Blackrock. A

“material relationship” is a relationship which could, in the view of Blackrock’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. Mr. Schifrin is not independent as he is the CEO of Blackrock.

Directorships

The following table sets forth the current directors of Blackrock who currently serve as directors of other reporting issuers:

| Name of Director | Other Reporting Issuers |
|-------------------------|---|
| Deepak Malhotra | Canarc Resource Corp. |
| Hendrik van Alphen | Cardero Resource Corp., Centenera Mining, Ethos Gold Corp., Jagercor Energy Corp., Wealth Minerals Ltd. |

Orientation

Blackrock has not yet developed an official orientation or training program for directors. If and when new directors are added, however, they have the opportunity to become familiar with Blackrock by meeting with other directors and with officers of Blackrock. As each director has a different skill set and professional background, orientation and training activities are and will continue to be tailored to the particular needs and experience of each director.

Ethical Business Conduct

The Board conducts itself with high business and ethical standards and endeavours to follow all applicable legal and financial requirements. The Board has not adopted a written code of ethics for its directors, officers, employees and consultants.

The Board has concluded that the fiduciary duties placed on individual directors by Blackrock’s governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director’s participation in decisions of the board in which the director has an interest, are sufficient to ensure that the board operates independently of management and in the best interests of Blackrock and its shareholders.

Board Committees

Blackrock has two standing committees: the Audit Committee and the Nominating and Corporate Governance Committee. For details on the Audit Committee please refer to the “Audit Committee” section. The Nominating and Corporate Governance Committee is discussed below.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is currently comprised of Alan H.C. Carter, Thomas S. Bruington II and Catalin Kilofliski. The Nominating and Corporate Governance Committee is responsible for the development and supervision of Blackrock's approach to corporate governance issues. The Nominating and Corporate Governance Committee assists the Board in developing corporate governance guidelines, including the constitution and independence of the Board, and make recommendations to the Board with respect to corporate governance practices.

The Corporate Governance and Nominating Committee is also responsible for:

- developing and recommending to the Board criteria for selecting board and committee members;
- establishing procedures for identifying and evaluating director candidates, including nominees recommended by shareholders;
- identifying individuals qualified to become board members;
- recommending to the Board the persons to be nominated for election as directors and to each of the Board's committees;
- reviewing and making recommendations to the Board regarding the appointment and succession of Blackrock's directors and officers;

Compensation

Blackrock does not currently have a compensation committee but intends to constitute one after the Meeting. The Board is responsible for determining all forms of compensation, including long-term incentives in the form of stock options to be granted to directors, officers and consultants of Blackrock. The Board is also responsible for reviewing recommendations for compensation of the Chief Executive Officer and other officers of Blackrock, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the Board will consider: (i) recruiting and retaining officers critical to the success of Blackrock and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and Blackrock's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general.

Assessments

Any committee of the directors and individual directors are assessed on an ongoing basis by the Board. The Board has not adopted formal procedures for assessing the effectiveness of the Board, the Audit Committee, or individual directors.

Oversight and Description of Director and Named Executive Officer Compensation

Blackrock relies solely on Board discussion to determine compensation paid to executives and directors, without any formal objectives, criteria or analysis. As Blackrock is still in the developmental stage as a junior mining company, Blackrock’s compensation program will rely heavily on the granting of stock options.

The long-term incentive program is intended to align the interests of the NEOs, directors, consultants and employees with those of Blackrock’s shareholders over the longer term and to provide a retention incentive for each NEO. This component of the compensation package consists of grants of options to purchase common shares. Numerous factors are taken into consideration by the Board in determining grants of options, including: a review of the previous grants (including value both at the current share prices and potential future prices), the remaining time to expiry, overall corporate performance, share price performance, the business environment and the role and performance of the individual in question.

Pension Disclosure

Blackrock does not have any pension, defined benefit, defined contribution or deferred compensation plan in place.

Under Blackrock's Articles and the Business Corporations Act (British Columbia) (the "**BCA**"), the alteration of the Articles must be approved by way of a special resolution requiring a two-thirds majority of the votes cast in favour of the special resolution at the Meeting by Shareholders present in person or by proxy.

Advance Notice Provisions

Purpose of the Advance Notice Provisions

The purpose of the Advance Notice Provisions is to provide Shareholders, directors and management of Blackrock with direction on the procedure for Shareholder nomination of directors. The Advance Notice Provisions are the framework pursuant to which Blackrock fixes a deadline by which holders of record of common shares must submit director nominations to Blackrock prior to any annual or special meeting of Shareholders and set forth the information that a Shareholder must include in the notice to Blackrock for the nomination notice to be in proper written form.

Effect of the Advance Notice Provisions

Subject to the **BCA**, the Advance Notice Provisions to be incorporated into Blackrock's Articles provide that only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of Blackrock. Nominations of persons for election to the Board may be made with respect to any annual meeting of Shareholders or at any special meeting of Shareholders if one of the purposes for which the special meeting was called was the election of directors:

1. by or at the direction of the board, including pursuant to a notice of meeting;
2. by or at the direction or request of one or more Shareholders pursuant to a proposal made in accordance with the provisions of the **BCA**, or a requisition of the Shareholders made in accordance with the provisions of the **BCA**; or
3. by any person (a "**Nominating Shareholder**"):
 - (a) who, at the close of business on the date of the giving of the notice provided for below and on the record date for notice of such meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting; and
 - (b) who complies with the notice procedures set forth below.

In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given timely notice thereof in proper written form to the Secretary of Blackrock at the principal executive offices of Blackrock.

To be timely, a Nominating Shareholder's notice to the Secretary of Blackrock must be made:

1. in the case of an annual meeting of Shareholders, not less than 30 nor more than 65 days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of Shareholders is to be held on a date that is less than 50 days after the date (the "**Notice Date**") on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth (10th) day following the Notice Date; and
2. in the case of a special meeting (which is not also an annual meeting) of Shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of Shareholders was made.

In no event shall any adjournment or postponement of a meeting of Shareholders or the announcement thereof commence a new time period for the giving of a Nominating Shareholder's notice as described above.

To be in proper written form, a Nominating Shareholder's notice to the Secretary of Blackrock must set forth, among other things, the name, age, business address, residential address and principal occupation or employment of the proposed nominee, and the security holdings of Blackrock which are controlled or which are owned beneficially or of record by the person. In addition, the notice by the Nominating Shareholder must also disclose any other information relating to the proposed nominee as well as any proxy, contract, arrangement, understanding or relationship pursuant to which such Nominating

Shareholder has a right to vote any shares of Blackrock and any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the BCA and applicable securities laws.

Blackrock may require any proposed nominee to furnish such other information as may reasonably be requested by Blackrock to determine the eligibility of such proposed nominee to serve as an independent director of Blackrock or that could be material to a reasonable Shareholder's understanding of the independence, or lack thereof, of such proposed nominee. No person shall be eligible for election as a director of Blackrock unless nominated in accordance with the provisions of the Advance Notice Provisions; provided, however, that nothing in the Advance Notice Provisions shall be deemed to preclude discussion by a Shareholder (as distinct from the nomination of directors) at a meeting of Shareholders of any matter in respect of which it would have been entitled to submit a proposal pursuant to the provisions of the BCA.

The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.

Notwithstanding any other provision of the Advance Notice Provisions, notice given to the Secretary of Blackrock pursuant to the Advance Notice Provisions may only be given by personal delivery, facsimile transmission or by email (at such email address as stipulated from time to time by the Secretary of Blackrock for purposes of this notice), and shall be deemed to have been given and made only at the time it is served by personal delivery, email (at the address as aforesaid) or sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) to the Secretary at the address of the principal executive offices of Blackrock; provided that if such delivery or electronic communication is made on a day which is a not a business day or later than 5:00 p.m. (Vancouver time) on a day which is a business day, then such delivery or electronic communication shall be deemed to have been made on the subsequent day that is a business day.

A complete copy of the proposed new Article 27 incorporating the Advance Notice Provisions is attached as Schedule "C" to this Information Circular.

Authorizing Directors to Approve Changes to Blackrock's Shares or Authorized Share Structure

Additionally, the Board is also proposing to amend the Articles to provide the directors with the ability to make alterations to Blackrock's shares or authorized share structure by way of directors' resolution. Such alterations would include subdivisions or consolidations of Blackrock's shares. Such an amendment is consistent with the provisions of the BCA which permit such changes without shareholder approval.

Authorizing Directors to Approve a Change of Name

Additionally, the Board is also proposing to amend the Articles to provide the directors with the ability to change Blackrock's name by way of directors' resolution. Such an amendment is consistent with the provisions of the BCA which permit a corporate name change without shareholder approval.

Approval of the Amendments to Articles requires the approval of the Shareholders by a special resolution, being a majority of at least two-thirds of the votes cast by Shareholders on the Amendments to Articles

Special Resolution. If the Amendments to Articles Special Resolution is not approved by the requisite number of Shareholders, the Articles will not be amended.

Accordingly, Shareholders will be asked to consider, and if thought appropriate, to approve, with or without amendment, the Stock Option Plan Resolution set out in Schedule “A” to this Information Circular.

- (3) A Nominating Shareholder's notice to the Secretary of the Company will be deemed to be timely if:
- (a) in the case of an Annual Meeting, such notice is made not less than 30 nor more than 65 days prior to the date of the Annual Meeting; provided, however, that if the Annual Meeting is to be held on a date that is less than 50 days after the date (the "Notice Date") on which the first public announcement of the date of the Annual Meeting is made, notice by the Nominating Shareholder is made not later than the close of business on the tenth (10th) day following the Notice Date; and

Notwithstanding the foregoing, the Board may, in its sole discretion, waive any requirement of this Article 27.2(3).

For greater certainty, the time periods for the giving of notice by a Nominating Shareholder as aforesaid shall, in all cases, be determined based on the original date of the applicable Annual Meeting or Special Meeting, and in no event shall any adjournment or postponement of an Annual Meeting or Special Meeting or the announcement thereof commence a new time period for the giving of such notice.

 - (v) the amount and material terms of any other securities, including any options, warrants or convertible securities, in the capital of the Company, which are controlled or which are owned beneficially or of record by the person as of the record date of the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and also as of the date of such notice;

The Company may require any proposed nominee for election as a Director to furnish such additional information as may reasonably be requested by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable shareholder's understanding of the independence, or lack thereof, of such proposed nominee.

- (5) No person shall be eligible for election as a director of the Company unless nominated in accordance with the provisions of this Article 27.2; provided, however, that nothing in this Article 27.2 shall be deemed to restrict or preclude discussion by a shareholder (as distinct from the nomination of directors) at an Annual Meeting or Special Meeting of any matter that is properly brought before such meeting pursuant to the provisions of the *Business Corporations Act* or at the discretion of the Chairman of the meeting.
