INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

This management information circular and proxy statement (the "**Management Proxy Circular**") is furnished in connection with the solicitation of proxies by the management of eShippers Management Ltd. (the "**Corporation**") for use at the annual general meeting (the "**Meeting**") of the holders (the "**Shareholders**") of common shares ("**Common Shares**") of the Corporation to be held via teleconference, dial in number 1-833-529-0231, on Wednesday, November 4, 2020 at 11:00 AM (Pacific), for the purposes set forth in the notice of annual general meeting (the "**Notice**") accompanying this Management Proxy Circular. Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, internet, facsimile or oral communication by the directors, officers and regular employees of the Corporation, at no additional compensation. Costs associated with the solicitation of proxies will be borne by the Corporation.

Appointment of Proxyholders

Accompanying this Management Proxy Circular is an instrument of proxy for use at the Meeting. Shareholders who are unable to attend the Meeting in person and wish to be represented by proxy are required to date and sign the enclosed instrument of proxy and return it in the enclosed return envelope. **All properly executed instruments of proxy for Shareholders must be mailed so as to reach or be deposited at the offices of Computershare Investor Services (Attention: Proxy Department) at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of British Columbia) prior to the time set for the Meeting or any adjournment thereof.** An instrument of proxy may also be voted using a touch tone telephone at 1-866-732-VOTE (8683). Alternatively, a registered shareholder can complete internet voting by logging on at www.investorvote.com and entering the CONTROL NUMBER located on the address box of the Shareholder's instrument of proxy.

The persons designated in the instrument of proxy are officers and directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons designated in the accompanying instrument of proxy, to attend at and represent the Shareholder at the Meeting.** To exercise this right, a Shareholder should insert the name of the designated representative in the blank space provided on the instrument of proxy and strike out the names of management's nominees. Alternatively, a Shareholder may complete another appropriate instrument of proxy.

Signing of Proxy

The instrument of proxy must be signed by the Shareholder or the Shareholder's duly appointed attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney of the Corporation. An instrument of proxy signed by a person acting as attorney or in some other representative capacity (including a representative of a corporate Shareholder) should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Corporation).

Revocability of Proxies

A Shareholder who has submitted an instrument of proxy may revoke it at any time prior to the exercise thereof. In addition to any manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his or her duly authorized attorney or, if the Shareholder is a corporation, under its corporate seal

or executed by a duly authorized officer or attorney of the corporation and deposited either: (i) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournments thereof, at which the instrument of proxy is to be used; or (ii) with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof. In addition, an instrument of proxy may be revoked: (i) by the Shareholder personally attending the Meeting and voting the securities represented thereby or, if the Shareholder is a corporation, by a duly authorized representative of the corporation attending at the Meeting and voting such securities; or (ii) in any other manner permitted by law.

Voting of Proxies and Exercise of Discretion by Proxyholders

All Common Shares represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the instrument of proxy will be voted in accordance with such instructions. The management designees named in the accompanying instrument of proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing him or her on any ballot that may be called for at the Meeting. **In the absence of such direction, such Common Shares will be voted "FOR" the proposed resolutions at the Meetings. The accompanying instrument of proxy confers discretionary authority upon the persons named therein with respect to amendments of or variations to the matters identified in the accompanying Notice and with respect to other matters that may properly be brought before the Meeting.** In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the management designees to vote in accordance with their best judgment on such matters or business. At the time of printing this Management Proxy Circular, the management of the Corporation knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED ON

Except as disclosed in this Management Proxy Circular, none of the directors or senior officers of the Corporation at any time since the beginning of the Corporation's last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on, other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting Shares, Record Date and Principal Shareholders

As at the date of this Management Proxy Circular, the authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value. The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting is (the "**Record Date**"). As at the Record Date, there were 14,062,158 Common Shares issued and outstanding as fully paid and non-assessable, each carrying the right to one vote.

To the knowledge of the directors and executive officers of the Corporation, the only beneficial owners or persons exercising control or direction over Common Shares carrying more than 10% of the outstanding voting rights as of the Record Date were:

Shareholder	No. of Shares Beneficially Owned, Controlled or Directed	Percentage of Outstanding Shares
Glenn Olnick	1,459,113	10.38%
Peter Damouni	1,855,580	13.20%

Common Shares

The holders of Common Shares are entitled to notice of and to vote at all annual general and special meetings of shareholders (except meetings at which only holders of a specified class or series of shares are entitled to vote) and are entitled to one vote per Common Share. The holders of Common Shares are entitled to receive such dividends as the board of directors of the Corporation (the "**Board of Directors**" or the "**Board**") declares and, upon liquidation, to receive such assets of the Corporation as are distributable to holders of Common Shares.

Voting of Common Shares – General

Only Shareholders whose names are entered in the Corporation's register of shareholders at the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting, provided that, to the extent that: (i) a registered Shareholder has transferred the ownership of any Common Shares subsequent to the Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than ten days before the Meeting, that his or her name be included on the Shareholder list before the Meeting, in which case the transferee shall be entitled to vote his or her Common Shares at the Meeting.

Voting of Common Shares – Advice to Non-Registered Holders

Only registered holders of Common Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a "Non-Registered Holder") are registered either:

- a) In the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRI's, RESPs and similar plans; or
- b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or "**CDS**").

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice, Management Proxy Circular and the instrument of proxy (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, Intermediaries will use a service corporation (such as Broadridge Financial Solutions, Inc. ("**Broadridge**")) to forward meeting materials to Non-Registered Holders.

Generally, Non-Registered Holders who have not waived the right to receive meeting materials will:

- a) Have received as part of the Meeting Materials a voting instruction form which must be completed, signed and delivered by the Non-Registered Holder in accordance with the directions on the voting instruction form;

voting instruction forms sent by Broadridge permit the completion of the voting instruction form by telephone or through Internet based voting procedures; or

- b) less typically, be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with Computershare Investor Services at the address referred to above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. **In either case, Non-Registered Holders should carefully follow the instructions of their intermediaries and their service companies.**

Only registered Shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set above.

ELECTION OF DIRECTORS

Advance Notice

The Corporation's Articles provide for advance notice (the "**Advance Notice**") to the Corporation in circumstances where nominations of persons for election to the Board of Directors are made by Shareholders of the Corporation other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the *Business Corporations Act* (British Columbia) or (ii) a shareholder proposal made pursuant to the provisions of the *Business Corporations Act* (British Columbia).

The purpose of the Advance Notice is to ensure that all Shareholders - including those participating in a meeting by proxy rather than in person - receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. Among other things, the Advance Notice fixes a deadline by which holders of Common Shares must submit director nominations to the Corporation prior to any annual or special meeting of Shareholders and sets forth the minimum information that a Shareholder must include in the notice to the Corporation for the notice to be in proper written form.

The foregoing is merely a summary of the Advance Notice provisions in the Corporation's Articles, is not comprehensive and is qualified by the full text of such Articles which are available under the Corporation's SEDAR profile at www.sedar.com.

As of the date of the Management Proxy Circular, the Corporation has not received notice of a nomination in compliance with the Advance Notice.

Fixing the Number of Directors

At the Meeting, the Shareholders will be asked to fix the number of directors of the Corporation to be elected at 4 members. Approval of the number of directors will require the affirmative votes of the holders of not less than a simple majority of the votes cast in respect thereof by Shareholders present in person or by proxy at the Meeting. Unless otherwise directed, the management designees named in the accompanying instrument of proxy intend to vote in favour of fixing the number of directors at 4.

Nominees

The persons named below are the nominees of management for election as directors. The term of office of each of the present directors expires at the Meeting. Management of the Corporation proposes to nominate the persons named below for election as directors of the Corporation at the Meeting to serve until the next annual meeting of the Shareholders of the Corporation, unless their office is earlier vacated. All of the nominees are currently members of the Board of Directors of the Corporation.

Approval of the election of directors will require the affirmative votes of the holders of not less than a simple majority of the votes cast in respect thereof by Shareholders present in person or by proxy at the Meeting. **Unless otherwise directed, the management designees named in the accompanying instrument of proxy intend to vote in favour of the election, as directors, of the nominees whose names are set forth below.** In the event that prior to the Meeting, any vacancies occur on the slate of nominees submitted herewith, it is intended that discretionary authority will be granted to vote proxies solicited by or on behalf of management for the election of any other person or persons as directors. Management is not currently aware that any such nominees would not be willing to serve as director if elected.

The following information concerning the proposed nominees has been furnished by each of them:

Individual Bankruptcies

No director or proposed director of the Corporation is or has, within the ten years prior to the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

Penalties or Sanctions

No director or proposed director of the Corporation has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or have entered into a settlement agreement with a securities regulatory authority. The directors and officers of the Corporation may, from time to time, be involved with the business and operations of other issuers within the same industry classification, in which case a conflict of interest may arise between their duties as officers and directors of the Corporation and as officer and directors of such other companies. Such conflicts must be disclosed in accordance with, and are subject to such procedures and remedies, as applicable, under the *Business Corporations Act* (British Columbia).

Since the Corporation is currently listed on the NEX, the maximum number of options that may be reserved for issuance or issued in any 12 month period is now limited to ten percent (10%) of the total number of issued and outstanding shares in the Corporation, since the Plan only allows for the issuance of 1,200,000 Common Shares, the current Plan remains in place.

- Options will be exercisable for a term of up to five years, subject to earlier termination in the event of the optionee's death or the cessation of the optionee's services to the Corporation.

- Upon the retirement, resignation, or termination of the optionee's employment, the optionee's options will expire ninety (90) days from the date of termination, subject to the options' date of expiration. In the case of death, the options granted to the optionee will expire twelve (12) months following the date of each, subject to the options' date of expiration.
- Options are non-assignable and non-transferable.

In determining whether a director is independent, the Corporation primarily considers whether the director has a relationship which could or could be perceived to interfere with the director's exercise of independent judgement. For the purposes of this disclosure, a director is independent if he or she would be independent within the meaning of section 1.4 of National Instrument 52-110 *Audit Committees*.

The following table sets forth the nominees for appointment to the Board, their independence or non-independence and the basis for that determination:

Name	Independent	Basis for Determination of Independence ⁽¹⁾
BEREZAN, Leo	No	Material relationship – President
LEUNG, Edward	No	Material relationship – Chief Financial Officer
OLNICK, Virginia	Yes	No material relationship
SHIELDS, Gerald	Yes	No material relationship

Notes:

1. Individuals who are, or have been within the last three years, an employee or executive officer of the Corporation, are considered to have or have had, a material relationship with the Corporation, therefore these individuals do not satisfy the meaning of independence as set forth in section 1.4 of National Instrument 52-110 *Audit Committees*.

Directorships in Other Reporting Issuers

Certain current and proposed directors of the Corporation are also directors of other reporting issuers (or the equivalent) in a jurisdiction or a foreign jurisdiction as set forth in the following table:

BEREZAN, Leo	Canadian Rocky Mountain Properties Inc. Jura Energy Corporation
OLNICK, Virginia	Esstra Industries Inc. Nevado Resources Corporation
SHIELDS, Gerald	Tower Resources Ltd. Miramont Resources Corp.

Orientation and Continuing Education

The Corporation has not developed an official orientation or training program for new directors, but they are encouraged to communicate with other directors, officers and employees as needed. New directors will have the opportunity to become familiar with the Corporation with full access to records, meeting with legal counsel, the auditors and various technical consultants. Orientation activities are tailored to the needs and expertise of each director and the overall needs of the Board. The Corporation does not have a formal program of continuing education for its directors but encourages its directors to attend continuing education seminars at the Corporation's expense, subject to prior approval by management of the Corporation. The Corporation also liaises with its legal counsel, auditors and other advisors to keep apprised of any developments and material changes to corporate governance and reporting policies affecting the Corporation and makes the directors aware of any such developments and changes.

Ethical Business Conduct

The Board encourages, monitors and promotes a culture of ethical business conduct of the Corporation and ensures that the Board complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

The Corporation does not currently have a formal code of business conduct or policy in place for its directors, officers, employees and consultants. The Board believes that the Corporation's size facilitates informal review of and discussions with employees and consultants.

Nomination of Directors

The Board has not appointed a nominating committee as the Board fulfills these functions. When the Board identifies the need to fill a position, either due to a vacancy or as required to carry out the Board's duties effectively and maintain a breadth of experience, the Board requests that current directors put forward potential candidates for consideration.

Compensation

The Board has not appointed a compensation committee; rather, management of the Corporation is responsible for making recommendations to the Board with respect to compensation for the directors and the CEO. The Board has the ability to adjust and approve such compensation.

Market comparisons, as well as evaluation of similar positions in different industries in the same geography, along with individuals experience and the diversity such individual brings to the Corporation's Board, are the criteria used in determining compensation.

Other Board Committees

The Board does not currently have any committees other than the Audit Committee.

Assessments

The Board takes responsibility for monitoring and assessing its effectiveness and the performance of individual directors, its Audit Committees, including reviewing the Board's decision-making processes and the quality of information provided by management.

AUDIT COMMITTEE

In accordance with the requirements of National Instrument 52-110 *Audit Committees*, the Canadian Securities Administrators have issued guidelines on annual disclosure for venture issuers, as set out in Form 52-110F2, concerning the constitution of the Corporation's Audit Committee and the relationship with its independent auditors. Options may not be assigned or transferred.

5.5 Ceasing to be Eligible Person

- (a) If a Participant who is an Officer, Employee or Consultant is terminated for cause, each Option held by such Participant shall terminate and shall therefore cease to be exercisable upon such termination for cause.
- (b) If a Participant dies prior to otherwise ceasing to be an Eligible Person, each Option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the Expiry Date and the date which is six months after the date of the Participant's death, always provided that the Board may, in its discretion, extend the date

of such termination and the resulting period in which such Option remains exercisable to a date not exceeding the earlier of the Expiry Date and the date which is twelve months after the date of the Participant's death.

- (c) If a Participant ceases to be an Eligible Person other than in the circumstances set out in subsection (a) or (b) herein, each Option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the Expiry Date and the date which is 30 days after such event, always provided that if such Participant was not engaged Investor Relations Activities, the Board may, in its discretion, extend the date of such termination and the resulting period in which such Option remains exercisable to a date not exceeding the earlier of the Expiry Date and the date which is 90 days after such event.
- (d) For greater certainty, if a Participant dies, each Option held by such Participant shall be exercisable by the legal representative of such Participant until such Option terminates and therefore ceases to be exercisable pursuant to the terms of this Section.
- (e) If any portion of an Option is not vested at the time a Participant ceases, for any reason whatsoever, to be an Eligible Person, such unvested portion of the Option may not be thereafter exercised by the Participant or its legal representative, as the case may be, always provided that the Board may, in its discretion, thereafter permit the Participant or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the Option that would have vested prior to the time such Option otherwise terminates and therefore ceases to be exercisable pursuant to the terms of this Section. For greater certainty, and without limitation, this provision will apply regardless of whether the Participant ceased to be an Eligible Person voluntarily or involuntarily, was dismissed with or without cause, and regardless of whether the Participant received compensation in respect of dismissal or was entitled to a notice of termination for a period which would otherwise have permitted a greater portion of an Option to vest.
- (f) Notwithstanding the foregoing, if the Corporation is listed on Tier 1 of the Exchange and a Participant ceases to be an Eligible Person in the circumstances set out in subsection (c) herein, the Board may, for any such Participant and in its discretion, extend the date of such termination and the resulting period in which the Option remains exercisable to a date not exceeding the Expiry Date.

ARTICLE 6

EXERCISE PROCEDURE

6.1 Exercise Procedure

An Option may be exercised from time to time, and shall be deemed to be validly exercised by the Participant only upon the Participant's delivery to the Corporation at its registered office:

- (a) a written notice of exercise addressed to the Corporate Secretary of the Corporation, specifying the number of Common Shares with respect to which the Option is being exercised;
- (b) the originally signed option agreement with respect to the Option being exercised;
- (c) a certified cheque or bank draft made payable to the Corporation for the aggregate exercise price for the number of Common Shares with respect to which the Option is being exercised; and

- (d) documents containing such representations, warranties, agreements and undertakings, including such as to the Participant's future dealings in such Common Shares, as counsel to the Corporation reasonably determines to be necessary or advisable in order to comply with or safeguard against the violation of the laws of any jurisdiction;

and on the business day following, the Participant shall be deemed to be a holder of record of the Common Shares with respect to which the Option is being exercised, and thereafter the Corporation shall, within a reasonable amount of time, cause certificates for such Common Shares to be issued and delivered to the Participant.

ARTICLE 7 AMENDMENT OF OPTIONS

7.1 Consent to Amend

The Board may amend any Option with the consent of the affected Participant and the Exchange, including any shareholder approval required by the Exchange. For greater certainty, Disinterested Shareholder Approval is required for any reduction in the exercise price of an Option if the Participant is an Insider at the time of the proposed amendment.

7.2 Amendment Subject to Approval

If the amendment of an Option requires regulatory or shareholder approval, such amendment may be made prior to such approvals being given, but no such amended Options may be exercised unless and until such approvals are given.

ARTICLE 8 MISCELLANEOUS

8.1 No Rights as Shareholder

Nothing in this Plan or any Option shall confer upon a Participant any rights as a shareholder of the Corporation with respect to any of the Common Shares underlying an Option unless and until such Participant shall have become the holder of such Common Shares upon exercise of such Option in accordance with the terms of the Plan.

8.2 No Right to Employment

Nothing in this Plan or any Option shall confer upon a Participant any right to continue in the employ of the Corporation or any Affiliate or affect in any way the right of the Corporation or any Affiliate to terminate the Participant's employment, with or without cause, at any time; nor shall anything in the Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any Affiliate to extend the employment of any Participant beyond the time which the Participant would normally be retired pursuant to the provisions of any present or future retirement plan of the Corporation or any Affiliate, or beyond the time at which he would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any Affiliate.

8.3 Governing Law

This Plan, all option agreements, the grant and exercise of Options hereunder, and the sale, issue and delivery of Common Shares hereunder upon exercise of Options shall be, as applicable, governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada

applicable therein. The Courts of the Province of British Columbia shall have the exclusive jurisdiction to hear and decide any disputes or other matters arising herefrom.
