Re: Quarterly filings for the period ended August 31, 2021

The enclosed Condensed Consolidated Interim Financial Statements, accompanying Management and Analysis and Certification of Interim Filings of the Company for the three and nine month periods ended August 31, 2021 dated November 8, 2021 (the “Q3 Filings”) supersede the previous Q3 Filings on SEDAR on November 2 and November 4, 2021 which will be removed from public access. These previous filings contained a dating error on the Certification of Interim Filings. Other than correcting the dating error, no other amendments have been made to the Q3 Filings. As of November 2, 2021, there were no outstanding filings.
