INFORMATION CIRCULAR
dated August 5, 2022

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of Colibri Resource Corporation (the “**Company**”) for use at the annual general meeting of the shareholders of the Company to be held at the Company’s office at 105 Englehart St., Suite 700, Dieppe, New Brunswick E1A 8K2 at 10:00 a.m. (Atlantic time) on Friday, the 9th day of September, 2022 (the “**Meeting**”), and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual General Meeting (the “**Notice of Meeting**”). Unless specified otherwise, the information contained in this Information Circular is current as at August 5, 2022.

PROXIES

Appointment of Proxies

The persons named in the enclosed Form of Proxy (the “Proxy”) are nominees of the Company’s management. **A shareholder wishing to appoint a person (who need not be a shareholder) to attend and act for him on his behalf at the Meeting, other than the persons designated as proxy holders in the enclosed Proxy, may do so by striking out the printed names and inserting the name of such other person in the blank space provided in the Proxy or by completing another proper form of proxy.** The completed Proxy or other proper form of proxy must be delivered or faxed to Computershare Investors Services Inc., or as otherwise instructed in the form of proxy, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting. The Chairman of the Meeting has the discretion to accept proxies on the day of the Meeting.

Revocation of Proxies

A shareholder who has given a Proxy may revoke it at any time before it is exercised by an instrument in writing (a) executed by the shareholder or by his attorney authorized in writing, or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation; and (b) delivered or faxed to Computershare Investors Services Inc., 100 University Avenue, 8th floor, Toronto, ON M5J 2Y1, by mail, fax or by hand (fax: 1-866-249-7775), or to the registered office of the Company at #1500 - 701 West Georgia Street, Vancouver, BC V7Y 1C6, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, before any vote in respect of which the Proxy is to be used shall have been taken, or in any other manner provided by law. Attendance at the Meeting and participation in a poll by a shareholder will automatically revoke the Proxy.

Voting of Proxies and Exercise of Discretion by Proxyholders

The shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. **IF A CHOICE IS NOT SO SPECIFIED, IT IS INTENDED THAT THE PERSON DESIGNATED BY MANAGEMENT IN THE ACCOMPANYING PROXY WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED ON THE PROXY.**

The Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to any matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations, or other matters to come before this Meeting.

Solicitation of Proxies

Solicitations of proxies will be made by mail and may be supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokerage houses holding shares on behalf of clients) for the cost incurred in obtaining their authorization to execute forms of proxy. The cost of solicitation will be borne by the Company.

Notice to Beneficial Owners

Most beneficial owners of the Company's shares are NOT listed on the Company's register of shareholders. Beneficial owners will not be listed if they hold their shares through an intermediary, such as a brokerage firm, bank, trust company, RRSP, RRIF, TFSA, or other firm, financial institution or company. In this discussion, such owners are referred to as "you" or as a "Beneficial Owner", and the firm, financial institution or company through which you hold your shares are referred to as "Intermediaries". This discussion does not apply to owners of shares of the Company who hold their shares directly instead of through an Intermediary and who are therefore listed directly on the Company's register of shareholders.

The Company can only recognize votes and take instructions from shareholders who are listed on its register of shareholders. Therefore, in order to vote at the Meeting, you will either need to instruct your Intermediary on how to vote your shares or instruct the Intermediary to authorize you or someone you appoint to attend and vote at the Meeting. To do so, you will need to complete a form of proxy sent to you by or on behalf of your Intermediary (the "Form of Proxy"), sign it and return it to your Intermediary or to another party directed by your Intermediary. If you want to attend and vote at the Meeting yourself, then you will need to strike out the names of the Management nominees just before the blank space on the Form of Proxy and insert your own name in the blank space. You can also appoint someone else to attend the Meeting and vote on your behalf by inserting that person's name in the blank space instead of your own on the Form of Proxy.

The Company will be providing Meeting materials to the Intermediaries listed on its register of shareholders (or listed by the depository or other agent used by the Intermediary) as requested. Unless you have waived the requirement to do so, the Intermediaries are required to forward these Meeting materials to you. In addition to the Form of Proxy, the Meeting materials will include this Information Circular. The Company does not intend to pay for Intermediaries to forward meeting materials to the objecting beneficial owners ("OBOs") pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Therefore, OBOs will not receive materials unless their Intermediary assumes the cost of delivery.

Again, if you wish to give voting instructions to your Intermediary to vote on your behalf at the Meeting or if you wish to attend the Meeting and vote in person or have someone else attend and vote on your behalf, you must complete the Form of Proxy and return it in accordance with the instructions and time limits provided. This will enable your Intermediary either to vote your shares as you have directed or to give formal notice to the Company that you or someone you have appointed has the authority to attend and vote at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the Directors or Executive Officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue unlimited common shares without par value, of which the Company has outstanding 96,726,625 common shares as at August 5, 2022, each common share carrying the right to one vote. Shareholders of record at the close of business on August 5, 2022, are entitled to vote at the Meeting or adjournments thereof.

To the knowledge of the Directors and Executive Officers of the Company, relying on publicly available information, there are no shareholders who beneficially own, directly or indirectly, or exercise control or direction over, voting shares of the Company carrying more than 10% of the voting rights attached to all of the issued and outstanding voting shares of the Company, other than as follows:

(3) 1,950,213 of these shares are held through a family trust.

FINANCIAL STATEMENTS

At the Meeting, shareholders will receive and consider the audited consolidated financial statements of the Company for the year ended December 31, 2021 and the auditor's report on such statements. The Company's audited consolidated financial statements have been filed on SEDAR at www.sedar.com. Shareholders are not required to vote on this matter.

Effective August 3, 2021, the Company changed its fiscal year end from November 30 to December 31 for both financial reporting and income tax purposes and to align the Company's financial year with that of its operating subsidiaries.

APPOINTMENT OF AUDITORS

On August 30, 2021, the Company announced that, following the recommendation of the Audit Committee, the Board accepted the resignation of MNP LLP as the auditor of the Company and approved the appointment of Wasserman Ramsay, Chartered Professional Accountants, as successor auditor effective August 31, 2021. In accordance with applicable securities laws, the Company filed a

notice of change of auditor as well as letters from each of MNP LLP and Wasserman Ramsay, Chartered Professional Accountants on SEDAR at www.sedar.com. Copies of the notice and letters are attached to this Information Circular as Schedule “B”. There were no “reservations” in the auditor’s reports on the Company’s financial statements or “reportable events” as defined in section 4.11 of National Instrument 51-102 *Continuous Disclosure Obligations*.

Shareholders are being asked to approve an ordinary resolution appointing Wasserman Ramsay, Chartered Professional Accountants, as auditor of the Company to hold office until the close of the next annual general meeting of the shareholders, at a remuneration to be fixed by the board of directors. In order to be effective, the ordinary resolution requires the approval of the majority of the votes cast at the Meeting in respect of the resolution.

Unless instructions are given to abstain from voting with respect to the appointment of auditors, the persons named in the enclosed form of Proxy intend to vote FOR: (i) the appointment of Wasserman Ramsay, Chartered Professional Accountants, as auditor of the Company; and (ii) authorizing the directors of the Company to determine the compensation of Wasserman Ramsay, Chartered Professional Accountants, in such capacity. For the resolutions to be passed, approval by at least a majority of the Common Shares voted in respect thereof at the Meeting voted in respect thereof at the Meeting, whether present in person or by proxy, is required.

As at the date of this Information Circular, other than as follows, no proposed director was, or has been within 10 years before the date of this Circular,

- a director or executive officer of a company that, while that person was acting in that capacity,

- (i) was the subject of a cease trade or similar order, or an order that denied the issuer access to any exemptions under applicable Securities Laws, for a period of more than 30 consecutive days;
 - (ii) was subject to an event that resulted, after the director or executive officer ceased to be a director or executive officer, in the company being the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
 - (iii) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- has, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Mr. Goguen and Mr. MacDonald were formerly directors of Landdrill International Inc. (“Landdrill”). Mr. Goguen was also the Chairman and Chief Executive Officer. In May 2013, Landdrill was petitioned into bankruptcy by its secured creditor, Norrep Credit Opportunities Fund, LP, and was declared bankrupt as of May 30, 2013 pursuant to the *Bankruptcy and Insolvency Act*. Prior thereto, Landdrill was the subject of an order issued under the provisions of the *Companies' Creditors Arrangement Act* (“CCAA”) by the Court of the Queens Bench of New Brunswick dated August 31, 2012 under which Landdrill attempted to stabilize its business and restructure its financial affairs in an orderly, court-supervised process under the direction of the monitor, Ernst & Young. As a result of the bankruptcy, the CCAA proceedings were terminated. Immediately prior to the bankruptcy, all directors of Landdrill including Mr. Goguen and Mr. MacDonald, tendered their resignations. The TSX-V delisted the common shares of Landdrill as at the close of market on September 27, 2012 for failure to meet the continued listing requirements of the TSX-V. Cease trade orders issued by securities regulatory authorities in Alberta, British Columbia and New Brunswick remain in effect as at the date of this Circular.

On May 11, 2022, the New Brunswick Financial and Consumer Services Commission issued a Failure-to-File Cease Trade Order against the Corporation (“FFCTO”). The FFCTO was issued as a result of the Corporation's failure to file its audited annual financial statements for the year ended December 31, 2021, accompanying management discussion and analysis together with the related certifications on or before the prescribed filing deadline as required by National Instrument 51-102, Continuous Disclosure Obligations, and NI 52-109, Certification of Disclosure in Issuers' Annual and Interim Filings, respectively. The FFCTO was revoked on August 2, 2022 after the Corporation had filed all required documents on SEDAR. All the current directors and officers named in this Circular were directors and officers of the Corporation at the time of the FFCTO.

Except as disclosed below, to the knowledge of the Company, no nominee for director of the Company has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director:

In a settlement agreement made with the staff of the New Brunswick Financial and Consumer Services Commission and approved by the New Brunswick Financial Services Tribunal on July 22, 2014, Mr. Goguen agreed that, in connection with the bankruptcy of Landdrill International Inc. (“Landdrill”) (see above), he failed to cause Landdrill to satisfy its continuous disclosure obligations, and in doing so, he failed to discharge his corporate obligation in a manner consistent with New Brunswick securities laws. As part of the settlement, Mr. Goguen agreed to refrain from disseminating to the public continuous disclosure on behalf of a reporting issuer until such time as he attended a timely disclosure course with TMX. Mr. Goguen completed this requirement.

Stock Option Plan

The Company has in place a “rolling” stock option plan (the “Plan”) pursuant to which the Directors are authorized to grant options equal up to 10%, determined from time to time, of the issued and outstanding shares of the Company. As at the date of this Information Circular, the Company is entitled to issue 9,672,662 options under the Plan of which there are a total of 6,525,000 options outstanding and a further 3,147,662 available for issuance (also see *Securities Authorized for Issuance Under Equity Compensation Plan* below).

Options are granted primarily to provide an incentive to achieve the Company’s goals by aligning the interests of optionees (including NEOs) with those of shareholders, attracting and retaining personnel, and acting as a longer-term incentive to such personnel to encourage commitment to the Company and its objectives. All securities under option are common shares.

The Plan is administered by the Board of Directors or a committee thereof, who, subject to Board confirmation, have the authority to grant options to directors, officers, employees, and consultants. At the time an option is granted, the Board will determine the exercise price, the term, and any vesting criteria or other restrictions with respect to the exercise of the options pursuant to the policies of the TSX Venture Exchange. Subject to the restrictions contained in the Plan, the Board of Directors or a committee thereof may also impose such other terms and conditions as it shall deem necessary or advisable at the time of the grant.

Summary of Terms and Conditions of the Plan

- the Plan reserves for issue pursuant to stock options, a maximum number of Common Shares equal to 10% of the outstanding Common Shares of the Corporation determined from time to time, with no mandatory vesting provisions;
- the number of Common Shares reserved for issue to any one person in any 12 month period under the Plan may not exceed 5% of the outstanding Common Shares at the time of grant without Disinterested Shareholder Approval (as defined in TSX-V Policy 4.4);

- the number of Common Shares reserved for issue to any Consultant (as defined by the TSX-V) in any 12 month period under the Plan may not exceed 2% of the outstanding Common Shares at the time of grant;
- the aggregate number of Common Shares reserved for issue to any Employee (as defined by the Exchange) conducting Investor Relations Activities (as defined by the TSX-V) in any 12 month period under the Plan may not exceed 2% of the outstanding Common Shares at the time of grant;
- the number of Common Shares issued to any one person within a 12 month period on the exercise of stock options may not exceed 5% of the outstanding Common Shares at the time of exercise without Disinterested Shareholder Approval as such term is defined in TSX-V Policy 4.4;
- the exercise price per Common Share for a stock option may not be less than the Discounted Market Price (as calculated pursuant to TSX-V policies), subject to a minimum of \$0.10 per share;
- stock options may have a term not exceeding ten years;
- stock options are non-assignable and non-transferable; and
- the Plan contains provisions for adjustment in the number of Common Shares or other property issuable on exercise of stock options in the event of a share consolidation, split, reclassification or other relevant change in the Common Shares, or an amalgamation, merger or other relevant change in the Corporation's corporate structure, or any other relevant change in the Corporation's capitalization.

Employment, Consulting and Management Agreements

The Company has not entered into formal service contracts with its Named Executive Officers or Directors.

The Company's Directors are entitled to receive compensation for acting as directors or for providing extra services to the Company, in the form of stock options, bonuses or other compensation as the Board of Directors of the Company may determine from time to time. Directors of the Company are also entitled to reimbursement for any expenses incurred by them on behalf of the Company. In fiscal 2021 the directors and NEOs of the Company received compensation as set out in the *Director and Named Executive Officer Compensation* table above.

The Company has no arrangements with the NEOs or directors with respect to termination or change of control, and the NEOs and directors do not receive benefits upon termination of their position, other than pursuant to the terms of the Company's Stock Option Plan.

Pursuant to the terms of the Plan, in the event of termination of a Named Executive Officer or a person ceasing to be a director, options shall terminate as follows: (i) for any reason other than cause, all options to purchase common shares then held by the Named Executive Officer or director will terminate on the earlier of the original expiry date(s) of such options and the 30th day following termination; (ii) In the event of the death of a Named Executive Officer or director, all options will terminate on the earlier of the original expiry date(s) of such options and the date six months after death; and (iii) for termination for cause all options expire immediately. However, in the event of (i) or (ii) above, the Board may extend the options to the earlier of the original expiry date(s) of such options and one (1) year from the date of termination or death. In the event that a portion of an option has not vested at the time an NEO or

director ceases to be eligible under the Plan, for any reason, then such unvested options terminate immediately provided however that the Board may permit the exercise of such unvested options.

Other than disclosed above, the Company has no plans or arrangements in respect of remuneration received or that may be received by the Named Executive Officers, or any other director or officer of the Company in the Company's most recently completed fiscal year or current fiscal year in respect of compensating such officers in the event of termination of employment as a result of resignation, retirement, a change of control of the Company, or a change in an individual's responsibilities.

The Company indemnifies its directors and officers against any and all claims or losses reasonably incurred in the performance of their service to the Company, to the extent permitted by law, and has entered an Indemnity Agreement with its directors and NEOs.

Compensation Oversight

The Compensation Committee of the Board of Directors considers and determines all compensation matters for the NEOs and Directors, subject to approval by the full Board. From time to time, the Compensation Committee evaluates the compensation of the executives and ensures that they are compensated fairly in a manner consistent with the compensation strategy of the Company, internal equity considerations, and the competitive environment.

The Compensation Committee would consider that an executive's compensation package consists of a salary or fee and long-term incentive in the form of stock options, at the discretion of the Board. While the Company currently has no formal executive bonus plan the executives may receive bonuses from time to time.

In determining compensation, the Board considers in addition to the financial resources of the Company, industry, local and national standards. Compensation is not tied to specific performance criteria or goals. While the Company is generally aware of industry compensation standards, the Company does not benchmark with a specific group of comparable companies.

Salaries - NEO's salaries are reviewed on a regular basis by the Board. Such salaries negotiated with the NEOs based on the Company's evaluation of the responsibilities inherent in the position held and the individual's experience and past performance, as well as by reference to the competitive marketplace for management expertise. The Board recognizes that the size and stage of development of the Company may prohibit executive compensation from matching those of larger companies in the mining industry. The Board also believes that long-term equity interests, in the form of options (described above), will compensate for no or lower base fees. This compensation strategy is similar to the strategies of many other companies within the Company's peer group. For fiscal 2021, the NEOs received salaries as set out in the *Table of Compensation Excluding Compensation Securities* above.

Stock Options - Options to purchase common shares are granted from time to time, pursuant to the Company's Plan, as a means of aligning the interests of NEOs with those of shareholders, attracting and retaining personnel, and acting as a longer-term incentive to such personnel to encourage commitment to the Company and its objectives. The Company does not have a program or regular annual grant of options.

The Company is not intending to make any significant changes to its compensation policies and practices in the current financial year.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Policy 58-201 *Corporate Governance Guidelines* and National Instrument 58-101 *Disclosure of Corporate Governance Practices* set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Company's required annual disclosure of its corporate governance practices.

Board of Directors

Of the current Board of Directors of the Company, Ronald J. Goguen, Sr. is not an independent director by virtue of his position as an officer of the Company. All other Directors of the Company are considered independent.

Directorships

The following directors of the Company are also directors in the following reporting issuers:

Director	Other Reporting Issuer(s)	Name of Exchange or Market (if applicable)
Kevin O'Connor	Silver Spruce Resources Inc.	TSX-V
Jamie Lavigne	Jaxon Mining Inc.	TSX-V

Orientation and Continuing Education

Management of the Company takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers, committee members and the Company as a whole. The Company continually reviews the latest securities rules and policies and is on the mailing list of the TSX Venture Exchange to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Company's Board either by way of Director or Committee meetings or circulated in a memorandum.

Ethical Business Conduct

In August 2011, the Company adopted a Code of Business Conduct and Ethics (the "Code"), which is available under the Company's profile at www.sedar.com. The Code sets out the principles that should guide the behavior of the Company's directors, officers and employees. The Code addresses issues such as the following:

- (a) conflicts of interest, including transactions and agreements in respect of which a director or executive officer has a material interest;
- (b) protection and proper use of corporate assets and opportunities;
- (c) fair dealing with the Company's security holders, competitors and employees;
- (d) compliance with laws, rules and regulations; and
- (e) reporting of any illegal or unethical behavior.

The Board is responsible for monitoring compliance with the Code. One tool used for monitoring compliance is the Company's Whistleblower Policy. Any person can report complaints or concerns, which may be on an anonymous basis, through the procedures of the Whistleblower Policy.

In addition, the Board must comply with conflict of interest provisions in Canadian corporate law and relevant securities regulatory instruments in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Pursuant to corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the

contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Company's management is continually in contact with individuals involved in the mining industry and public sector resource issuers. From these sources the Company has made numerous contacts and in the event that the Company were in a position to nominate any new directors, such individuals would be brought to the attention of the Directors of the Company. The Company conducts due diligence, reference and background checks on any suitable candidate and if selected to be appointed as a Director. The Corporate Governance Committee is involved in the selection process and the Board is then involved to review any proposed compensation.

Compensation

The Compensation Committee is responsible for the development, implementation and monitoring of the Corporation's compensation policy for executive officers and members of the Board. See *Statement of Executive Compensation* above for information regarding the Company's compensation of its Directors and CEO.

Other Board Committees

The Company currently has no committees other than the Audit Committee and Compensation, Corporate Governance Committee. The Audit Committee Charter and additional disclosure related to the Audit Committee is attached hereto in Schedule "A".

Assessments

Being a venture issuer with limited administration resources, the Directors of the Company work closely with management, and each other, and as a consequence are in a position to assess the performance of the Board, its Committee and individual directors on an ongoing basis.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the Directors or Executive Officers of the Company or associates or affiliates of such persons is or has been indebted to the Company or its subsidiaries at any time since the beginning of the last completed financial year of the Company.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as otherwise set out in this Information Circular and other than transactions carried out in the ordinary course of business of the Company, no insider or proposed nominee for election as a director of the Company, and no associate or affiliate of the foregoing persons, has or had any material interest, direct or indirect, in any transaction since the commencement of the Company's last completed financial year, or in any proposed transaction which in either such case has materially affected or will materially affect the Company.

PARTICULARS OF MATTERS TO BE ACTED UPON
