Re: Correction of QP Certificate

Technical Report for the Plomosas Precious and Base Metal Project, Mexico dated October 7, 2021 with an Effective Date of October 7, 2021, prepared by Dr. Gilles Arseneau, P. Geo and Shane Tad Cowie, P. Eng (the “Technical Report”)

GR Silver Mining Ltd. (the “**Company**”) filed the Technical Report on SEDAR on October 8, 2021, and unfortunately an incorrect Certificate of Qualified Person for Dr. Gilles Arseneau, P. Geo. was filed with the Technical Report.

The Certificate of Qualified Person for Dr. Gilles Arseneau, P. Geo. filed today with this cover letter is being filed to correct the error and should be referenced in place of the prior incorrect Certificate of Qualified Person.

We apologize for any confusion this may have caused.

GR SILVER MINING LTD.
