DISTRIBUTION OF MEETING MATERIALS

This Information Circular and related Meeting materials are being sent to both registered and non-registered holders of common shares of the Company.

If you are a non-registered holder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of common shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding common shares on your behalf. “Intermediary” means a broker, a financial institution, an investment firm, a trustee or administrator of a self-administered retirement savings plan, retirement income fund, education savings plan or other similar self-administered savings or investment plan registered under the *Income Tax Act* (Canada), or a nominee of any of the foregoing that holds securities on behalf of a non-registered shareholder.

A shareholder may receive multiple packages of Meeting materials if the shareholder holds common shares through more than one Intermediary, or if the shareholder is both a registered shareholder and a non-registered shareholder for different shareholdings. Any such shareholder should repeat the steps to vote through a proxy, appoint a proxyholder or attend the Meeting, if desired, separately for each shareholding to ensure that all the common shares from the various shareholdings are represented and voted at the Meeting. Please return your voting instructions as specified in the appropriate voting information form.

PROXY INFORMATION

Appointment of Proxyholder

A duly completed form of proxy for the Company will constitute the persons named in the enclosed form of proxy as the shareholder's proxyholder. The individuals whose names are printed in the enclosed form of proxy for the Meeting are directors and/or officers of the Company (the "**Management Proxyholders**"). The persons named in the enclosed form of proxy as Management Proxyholders have indicated their willingness to represent, as proxyholders, the shareholders who appoint them.

A shareholder has the right to appoint a person other than the Management Proxyholders to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder of the Company. Such a shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the shareholder's shares are to be voted.

Voting Of Proxies

Each shareholder may instruct his/her proxyholder how to vote its shares by completing the blanks in the enclosed proxy form. Shares represented by properly executed proxy forms will be voted or withheld from voting on any poll in accordance with instructions made on the proxy forms, and, if a shareholder specifies a choice as to any matters to be acted on, such shareholder's shares shall be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a shareholder as proxyholder, it is intended that such person will vote in favour of the matters to be voted on at the Meeting.

The enclosed form of proxy confers discretionary authority upon the persons named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Each proxy must be dated and executed by the shareholder or its attorney authorized in writing or by an Intermediary acting on behalf of a shareholder (see "*Voting by Non-Registered Shareholders*" below). In the case of a corporation, the proxy must be dated and executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

A proxy will not be valid for the Meeting or any adjournment thereof unless the completed, signed and dated form of proxy is delivered to the office of the Company's registrar and transfer agent, TSX Trust Company, by mail or registered mail at 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, or via the Internet at www.voteproxyonline.com, or by facsimile at 416-595-9593, or as otherwise indicated in the instructions contained in the form of proxy (including, where applicable, through the transfer agent's internet and telephone proxy voting services). All proxies in respect of the Meeting must be completed and received not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the commencement of the Meeting, unless the chairman of the Meeting elects to exercise his or her discretion to accept proxies received subsequently.

Voting by Non-Registered Shareholders

The information in this section is important to many shareholders as a substantial number of shareholders do not hold their shares in their own name.

Shareholders who hold common shares through Intermediaries (such shareholders being collectively called “**Beneficial Shareholders**”) should note that only registered holders of common shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting.

If common shares are shown on an account statement provided to a Beneficial Shareholder by a broker or other Intermediary, then in almost all cases the name of such Beneficial Shareholder **will not** appear on the central securities register of the Company. Such common shares will most likely be registered in the name of the broker or an agent of the broker or other Intermediary. In Canada, the vast majority of such common shares will be registered in the name of “CDS & Co.”, the registration name of The Canadian Depository for Securities Limited, which acts as a nominee for many brokerage firms. Such common shares can only be voted by the Intermediary and can only be voted by them in accordance with instructions received from Beneficial Shareholders. **As a result, Beneficial Shareholders should carefully review the voting instructions provided by their broker or other Intermediary with this Information Circular and ensure that they direct the voting of their common shares in accordance with those instructions.**

Applicable regulatory policies require brokers and other Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. In accordance with the requirements of National Instrument 54-101, the Company will distribute the Meeting materials to Intermediaries and clearing agencies for onward distribution to non-registered holders. The Company does not intend to pay Intermediaries to forward the Meeting materials if the non-registered holders have provided instructions to their Intermediary that they object to the Intermediary disclosing ownership information about the non-registered holders. In this case, such non-registered holder will not receive the Meeting materials if the Intermediary does not assume the cost of delivery. Each Intermediary has its own mailing procedures and provides its own return instructions to clients.

Intermediaries are required to forward the Meeting materials to non-registered holders unless a non-registered holder has waived the right to receive Meeting materials. Generally, non-registered holders who have not waived the right to receive Meeting materials will be sent a voting instruction form which must be completed, signed and returned by the non-registered holder in accordance with the Intermediary’s directions on the voting instruction form. Intermediaries often use service companies to forward the Meeting materials to non-registered holders. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of common shares at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such common shares are voted.**

In some cases, Beneficial Shareholders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of common shares beneficially owned by the Beneficial Shareholder but which is otherwise not completed. This form of proxy does not need to be signed by the Beneficial Shareholder, but, to be used at the Meeting, needs to be properly completed and deposited with TSX Trust Company as described under “*Completion and Return of Proxy*” above.

The purpose of these procedures is to permit non-registered holders to direct the voting of the common shares that they beneficially own. Should a Beneficial Shareholder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Beneficial Shareholder), the Beneficial Shareholder should strike out the names of the persons named in the Proxy and insert the Beneficial Shareholder’s (or such other person’s) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Revocation of Proxies

A proxy may be revoked at any time prior to the exercise thereof. If a registered shareholder who has given a proxy attends personally at the Meeting at which such proxy is to be voted, such shareholder may revoke the proxy and vote

in person. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it, any time before it is exercised, by instrument in writing executed by the registered shareholder or by his/her attorney authorized in writing or, if the registered shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the proxy must be deposited to the office of the Company's registrar and transfer agent, TSX Trust Company, by mail or registered mail at 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, or by facsimile at 416.595.9593, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of such Meeting. **Only registered shareholders have the right to revoke a proxy. Non-registered shareholders (Beneficial Shareholders) who wish to change their vote must arrange for their respective Intermediaries to revoke the proxy on their behalf well in advance of the Meeting.**

RECORD DATE AND VOTING SECURITIES

The directors of the Company have set the close of business on August 2, 2022, as the record date (the “**Record Date**”) for the Meeting.

Only common shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote those shares included in the list of shareholders entitled to vote at the Meeting prepared as at the Record Date, unless any such shareholders transfer shares after the Record Date and the transferee of those shares, having produced properly endorsed certificates evidencing such shares or having otherwise established ownership of such shares, requests not later than 10 days before the Meeting, that the transferee's name be included in the list of shareholders entitled to vote at the Meeting, in which case such transferee will be entitled to vote such shares at the Meeting.

Voting at the Meeting will be by show of hands, with each shareholder present having one vote, unless a poll is requested or required, whereupon each shareholder or proxyholder present is entitled to one vote for each common share held.

The Company is authorized to issue an unlimited number of common shares without par value of which 195,216,806 common shares are issued and outstanding as at the Record Date. The Company has no other class of voting securities.

QUORUM

A quorum for the transaction of business at the Meeting shall be two persons who are, or who represent by proxy, shareholders who are entitled to vote at the Meeting. If any share entitled to be voted at a meeting of shareholders is held by two or more persons jointly, the persons or those of them who attend the meeting of shareholders constitute only one shareholder for the purpose of determining whether a quorum of shareholders is present.

In addition, commencing January 1, 2021, the Company pays an additional retainer of \$12,000 per annum to the Board Chair, \$8,000 per annum to the Audit Committee Chair and \$5,000 per annum to the Compensation Committee Chair. All non-NEO director payments are paid monthly or quarterly as determined by the CFO.
2. Non-NEO directors are entitled to be reimbursed for reasonable expenditures incurred in performing their duties as directors.
3. Non-NEO directors are entitled to participate in the Stock Option Plan.

Oversight and Description of Director and NEO Compensation

Compensation Committee

The Board has appointed a Compensation Committee which is comprised of Gino DeMichele, Jonathan Rubenstein and Eric Zaunscherb. The members of the Compensation Committee are experienced in the oversight of executive and operational management teams as a result of their experience with various private and public sector businesses. The members of the Compensation Committee review compensation policies of similar companies when making determinations about director and executive compensation. Final decisions concerning employment, consulting or other compensation arrangements between the Company and the directors or executive officers of the Company (or between any subsidiary of the Company and any director or executive officer) are considered and approved by the Compensation Committee and then put forward to the independent directors of the Board for final approval.

The Compensation Committee considers implications of the risks associated with the Company's compensation practices and policies as part of its oversight and stewardship of its affairs, and also considers previous grants of incentive stock options when making new grants.

Non-NEO Director Compensation

In December 2020, the Board engaged an independent expert to conduct an assessment of executive and director compensation. In furtherance of the recommendations made by the expert, the Board implemented a formal fee structure with respect to payment of fees to non-NEO directors for serving as directors of the Company such that, effective January 1, 2021, each non-NEO director of the Company is paid a retainer of \$24,000 per annum as directors' fees (pro-rated if services are for less than one year). In addition, commencing January 1, 2021, the Company paid an additional retainer of \$8,000 per annum to the Audit Committee Chair and \$5,000 per annum to the Compensation Committee Chair and commencing July 1, 2021, the Company paid an additional retainer of \$60,000 per annum to the Chairman of the Board. All non-NEO director retainers may be paid in monthly or quarterly installments as determined by the CFO.

The Company anticipates that it will continue with the same non-NEO director compensation for fiscal 2022 except that effective March 1, 2022, the Chairman of the Board will no longer be paid a fee, as Mr. Zaunscherb will instead be paid for his role as CEO of the Company commencing March 1, 2022. Should the Company's financial circumstances change in fiscal 2022, the Compensation Committee will consider and determine if changes are required with respect to compensation payable to the non-NEO directors of the Company, taking into consideration general industry standards for companies similar to the Company and the time and efforts provided to the Company by each non-NEO director, and will make its recommendation to the Board for approval of its non-NEO director compensation proposals.

The Board also believes that the granting of incentive stock options provides a reward to non-NEO directors for achieving results that improve Company performance and thereby increase shareholder value, where such improvement is reflected in an increase in the Company's share price. In making a determination as to whether a grant of long-term incentive stock options is appropriate and if so, the number of options that should be granted, the Compensation Committee considers: the number and terms of outstanding incentive stock options held by each non-NEO director; the aggregate value in securities of the Company that the Board intends to award as compensation; the potential dilution to shareholders; general industry standards and the limits imposed by the terms of the Company's stock option plan and Exchange policies. The granting of incentive stock options allows the Company to reward non-NEO directors for their efforts to increase value for shareholders without requiring the Company to use cash from its treasury. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company's Stock Option Plan, described under "*Stock Option Plans and Other Incentive Plans*" above. The Company is proposing that shareholders approve the adoption of a new Omnibus Long-Term Incentive Plan to replace its current Stock Option Plan. The Omnibus Long-Term Incentive Plan will permit the Board, in its discretion, to grant to eligible persons, including non-NEO directors, additional compensation securities including dividend share units (DSUs), performance share units (PSUs) and/or restricted share units (RSUs). Refer to "*Particulars of Matters to be Acted Upon – 5. Approval of the Omnibus Long-Term Incentive Plan*" below.

Non-NEO directors are also reimbursed for actual expenses reasonably incurred in connection with the performance of their duties as directors.

Named Executive Officer Compensation

The Company is a junior resource company focused on its principal silver and gold properties located in Mexico. The Company has, as of yet, no significant revenues from operations and from time to time operates with limited financial resources to ensure that funds are available to complete scheduled work programs on its properties. As a result, the Compensation Committee and the Board have to consider not only the financial situation of the Company at the time of the determination of executive compensation, but also the estimated financial situation of the Company in the mid and long term.

Compensation paid to NEOs during the fiscal year ended December 31, 2021 is noted in the table above. The Company has contractual agreements/arrangements with its President & COO, CEO, CFO, Vice-President of Corporate Development and Vice-President of Corporate Communications, all of which are described above under "*Employment, Consulting and Management Agreements*". It is anticipated that the compensation due and payable under these agreements/arrangements will remain an obligation of the Company during the next fiscal year.

As the Company advances its exploration properties and grows its business, the general objectives of the Company's compensation strategy will be to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management's interests with the pursuit of the Company's goals and growth strategies and the long-term interests of shareholders; (c) provide a compensation package that enables the Company to attract and retain talent; and (d) ensure that the total compensation package is designed in a manner that takes into account the financial constraints that the Company is under.

In considering the compensation of its NEOs, the Compensation Committee considers how it can best balance the interests of the Company and provide competitive compensation to attract and retain officers who will contribute to the success of the Company, while mindful of the financial constraints of the Company. The Compensation Committee takes into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies. The Compensation Committee will make recommendations to the Board for its final approval of all consulting or other compensation arrangements between the Company and its NEOs. In December 2020, the Board engaged an independent expert to conduct an assessment of executive and director compensation and consequently such compensation was adjusted in fiscal 2021 to reflect the recommendations made by the expert (refer to "*Employment, Consulting and Management Agreements*" for further details on compensation payable to the NEOs).

An important element of executive compensation is that of stock options, which do not require cash disbursements by the Company. The Board also believes that the granting of incentive stock options provides a reward to NEOs for achieving results that improve Company performance and thereby increase shareholder value, where such improvement is reflected in an increase in the Company's share price. In making a determination as to whether a

grant of long-term incentive stock options is appropriate and if so, the number of options that should be granted, the Compensation Committee considers: the number and terms of outstanding incentive stock options held by each NEO; the aggregate value in securities of the Company that the Board intends to award as compensation; the potential dilution to shareholders; general industry standards and the limits imposed by the terms of the Company's stock option plan and Exchange policies. The granting of incentive stock options allows the Company to reward NEOs for their efforts to increase value for shareholders without requiring the Company to use cash from its treasury. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company's Stock Option Plan, described under "*Stock Option Plans and Other Incentive Plans*" above. The Company is proposing that shareholders approve the adoption of a new Omnibus Long-Term Incentive Plan to replace its current Stock Option Plan. The Omnibus Long-Term Incentive Plan will permit the Board, in its discretion, to grant to eligible persons, including NEOs, additional compensation securities including dividend share units (DSUs), performance share units (PSUs) and/or restricted share units (RSUs). Refer to "*Particulars of Matters to be Acted Upon – 5. Approval of the Omnibus Long-Term Incentive Plan*" below.

Other than as described above, there are no other perquisites provided to the NEOs. The Company does not use specific benchmark groups in determining compensation or any element of compensation.

Pension Disclosure

No pension is provided to a non-NEO director or Named Executive Officer of the Company.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No (a) director; (b) executive officer; (c) proposed nominee for election as a director; (d) associate of a director, executive officer or proposed nominee for election as a director; (e) employee; or (f) former director, executive officer or employee of the Company, is, as at the Record Date, or was at any time during the Company's last completed financial year, indebted to the Company or any of its subsidiaries.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than transactions carried out in the normal course of business of the Company or any of its affiliates, no informed person and none of the proposed directors of the Company or any associate or affiliate of any informed person or proposed director had any material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

Applicable securities legislation defines "**informed person**" to mean any of the following: (a) a director or executive officer of a reporting issuer; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of a reporting issuer; (c) any person or company who beneficially owns, directly or indirectly, voting securities of a reporting issuer or who exercises control or direction over voting securities of a reporting issuer or a combination of both carrying more than 10% of the voting rights attached to all outstanding voting securities of the reporting issuer other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) a reporting issuer that has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities.

MANAGEMENT CONTRACTS

During the year ended December 31, 2021, no management functions of the Company were to any substantial degree performed by a person other than the directors or NEOs of the Company.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board is committed to sound corporate governance practices which are both in the interest of its shareholders and contribute to effective and efficient decision making.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("**NI 58-101**") requires that each reporting company disclose its corporate governance practices on an annual basis. The Company's general approach to corporate governance is summarized below.

Board of Directors

Independence

The Company has five directors: Gino DeMichele, Laura Diaz, Marcio Fonseca, Jonathan Rubenstein and Eric Zaunsherb.

Section 1.4 of National Instrument 52-110 – *Audit Committees* ("**NI 52-110**") sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship to the Company.

Applying the definition set out in section 1.4 of NI 52-110, two directors are independent: Gino DeMichele and Jonathan Rubenstein. Eric Zaunscherb is not independent by virtue of the fact that he is an executive officer of the Company (CEO). Marcio Fonseca is not independent by virtue of the fact that he is an executive officer of the Company (President and COO). Laura Diaz is not independent by virtue of the fact that a law firm in which she is a partner has been paid for services provided to the Company during the past two fiscal years.

Other Directorships

Certain directors are presently a director of one or more other reporting issuers or reporting issuer equivalents, as set out below:

Name of Director	Reporting Issuer(s) or Equivalent(s)
Gino DeMichele	Hilo Mining Ltd. Nurosene Health Inc.
Laura Diaz	Magna Gold Corp. Silvercrest Metals Inc.
Jonathan Rubenstein	Sable Resources Ltd.
Eric Zaunscherb	Critical Elements Lithium Corp. Outback Goldfields Corp TriStar Gold Inc.

Orientation and Continuing Education

The Company has not adopted a formalized process of orientation for new Board members. Orientation of new directors has been and will be conducted on an ad hoc basis through discussions and meetings with other directors, officers and employees where a thorough description of the Company's business, assets, operations and strategic plans and objectives are discussed. Orientation activities have been and will be tailored to the particular needs and experiences of each director and the overall needs of the Board.

The Board does not take any formal measures to provide continuing education for the directors. Directors are kept informed as to matters impacting, or which may impact, the Company's operations through periodic discussions and through presentations at the Board meetings. Directors are also provided the opportunity to meet with senior management, advisors and other directors who can answer any questions that may arise.

At this stage in the Company's development, and having regard to the background and experience of its directors, the Board does not feel it necessary to have such policies or programs in place.

Ethical Business Conduct

The Board has not adopted a formal written Code of Business Conduct and Ethics. In recruiting new Board members, the Board considers only persons with a demonstrated record of ethical business conduct.

The Board has concluded that fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, in addition to the applicable corporate legislation restrictions placed on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board has not adopted a written mandate or formal procedure with respect to the nomination of directors. Nominees have historically been recruited by the efforts of existing Board members, and the recruitment process has involved both formal and informal discussions among committee and Board members. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company's mission and strategic objectives and have a willingness to serve.

Compensation

The Board has a Compensation Committee comprised of Gino DeMichele, Jonathan Rubenstein and Eric Zaunscherb.

The Board has not adopted a written mandate with respect to determining compensation for the directors and NEOs. However, the Board has adopted informal procedures such that the primary purpose of the Compensation Committee is to review and make recommendations to the Board regarding all forms of compensation to be provided to officers and employees, including incentive stock option compensation; discharge the Board's responsibilities relating to compensation of executive officers in accordance with applicable rules and regulations; and review and make recommendations to the Board regarding all forms of compensation to be provided to the directors of the Company, including incentive stock option compensation.

Refer to "*Oversight and Description of Director and NEO Compensation*" above for a detailed description of the Company's compensation policies.

Other Board Committees

The Company does not have any committees other than the Compensation Committee and an Audit Committee (see "*Audit Committee*" below).

Assessments

The Board monitors, but does not formally assess, the performance of individual Board members and their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size and its stage of development, the Board considers a formal assessment process to be inappropriate at this time.

Audit Committee

NI 52-110 requires the Company's Audit Committee to meet certain requirements. It also requires the Company to disclose in this Information Circular certain information regarding the Audit Committee. That information is disclosed below.

Overview

The Audit Committee's mandate includes reviewing: (i) the financial statements, reports and other financially-based information provided to shareholders, regulators and others; (ii) the internal controls that management and the Board have established; and (iii) the audit, accounting and financial reporting processes generally. In meeting these responsibilities, the Audit Committee monitors the financial reporting process and internal control system, reviews and appraises the work of the external auditors, and provides an open avenue of communication between the external auditors, senior management and the Board.

The Audit Committee Charter

Accordingly, an executive officer of the Company is not independent, nor is a director that is paid consulting fees for non-director services provided to the Company.
- (2) To be considered financially literate, a member of the Audit Committee must have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

Audit Committee Oversight

Since the commencement of the Company’s most recent financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110 – Audit Committee Composition & Reporting Obligations

Since the Company is a “*venture issuer*” (as such term is defined in NI 52-110), it is relying on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 3 *Composition of the Audit Committee* (as described in “*Composition of the Audit Committee*” above) and Part 5 *Reporting Obligations* of NI 52-110 (which requires certain prescribed disclosure about an audit committee in the Company’s Annual Information Form, if any, and this Information Circular).

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter, attached hereto as Schedule “A”.

The Omnibus Plan was conditionally approved by the TSXV

on July 29, 2022, and is subject to confirmation and approval by the shareholders of the Company and satisfying the requirements of the TSXV, including the filing of applicable documentation.

Prior to the adoption of the Omnibus Plan by the Board on August 2, 2022, the sole security-based compensation plan which the Company had available in order to attract, retain and motivate directors, officers, senior executives and other employees of the Company and its subsidiaries, and consultants and service providers providing ongoing services to the Company and its subsidiaries, was the Legacy Stock Option Plan, pursuant to which the Board was able to grant stock options to such individuals. (Refer to “*Description of the Stock Option Plan*” above for further details of the Legacy Stock Option Plan).

Effective November 24, 2021, the TSXV updated its Policy 4.4 – *Security Based Compensation* (“**TSXV Policy 4.4**”) to allow for other forms of security based compensation, in addition to incentive stock options. Thereafter, the Board determined it was in the best interests of the Company to adopt a new security-based compensation plan which would provide the Board with the ability and flexibility to make broader and different forms of equity rewards as part of its need to retain a competitive compensation structure for its directors, officers, executives, employees, consultants and other eligible service providers. The Omnibus Plan will supersede the Legacy Stock Option Plan and accordingly no further stock options will be granted under the Stock Option Plan.

The Board adopted the Omnibus Plan as a means to grant: (i) stock options (“**Options**”), (ii) restricted share units (“**RSUs**”), (iii) deferred share units (“**DSUs**”), (iv) performance share units (“**PSUs**”) and (v) other share-based awards (the “**Other Share-Based Awards**”, and together with the Options, RSUs, DSUs, PSUs and Other Share-Based Awards, the “**Awards**”) to directors, officers and other employees of the Company and its subsidiaries, and to consultants and other eligible service providers providing ongoing services to the Company and its subsidiaries (collectively, the “**Participants**”).

The following is a summary of the Omnibus Plan and is qualified in its entirety by the text of the Omnibus Plan attached as Schedule “B” to this Information Circular. Any undefined term in this summary has the meaning ascribed to it in the Omnibus Plan.

Administration

The Omnibus Plan is administered by the Board. The day-to-day administration may be delegated to a committee of the Board or an officer or employee of the Company as the Board so determines from time to time. Under the terms of the Omnibus Plan, the Board may grant Awards to eligible Participants, as applicable. Participation in the Omnibus Plan is voluntary and, if a Participant agrees to participate, the grant of Awards will be evidenced by a written Award Agreement with each such Participant. The interest of any Participant in any Award is not assignable or transferable, whether voluntary, involuntary, by operation of law or otherwise, other than by Will or the laws of descent and distribution.

Number of Common Shares Reserved and Other Limitations

The Omnibus Plan is a “rolling up to 10% and fixed up to 10%” plan, as such term is defined in TSXV Policy 4.4, permitting the issuance of:

- (a) Options of up to ten (10%) percent of the issued and outstanding common shares of the Company as at the date of grant of the Options or issuance of any security based compensation (inclusive of shares issuable upon exercise of options previously granted under the Legacy Stock Option Plan); and
- (b) RSUs, DSUs, PSUs (collectively, “**Share Units**”) and Other Share-Based Compensation Awards of up to 19,521,680 in respect of such Awards granted.

Common shares covered by cancelled or terminated Awards will automatically become available shares for the purposes of Awards that may be subsequently granted under the Omnibus Plan.

The maximum number of common shares that may be: (i) issued to Insiders within any one-year period; or (ii) issuable to Insiders at any time, in each case, under the Omnibus Plan alone, or when combined with all of the Company’s other security-based compensation arrangements, including the Legacy Stock Option Plan, cannot exceed 10% of the aggregate number of common shares issued and outstanding from time to time determined on a non-diluted basis.

Stock Options

An Option will be exercisable during a period established by the Board, which will commence on the date of the grant and terminate no later than 10 years after the date of grant of the Option, or such shorter period as the Board may determine. The minimum exercise price of an Option will be determined based on the Market Price of the Company's common shares on the TSXV on the last trading day before the date such Option is granted. The Omnibus Plan provides that the exercise period will automatically be extended if the date on which it is scheduled to terminate falls during a black-out period. In such cases, the extended exercise period will terminate 10 business days after the last day of the black-out period. In order to facilitate the payment of the exercise price of the Options, the Omnibus Plan has a cashless exercise feature pursuant to which a Participant may elect to undertake either a broker assisted "cashless exercise" or a "net exercise" subject to the procedures set out in the Omnibus Plan, including the consent of the Board, where required.

The Board will determine, in its sole discretion and at the time of grant, any and all conditions to the vesting of Options, subject to:

- (a) Options granted to directors and officers of the Company will vest as to 1/3 on their date of grant and 1/3 on each of the first and second anniversaries of their date of the grant; and
- (b) at all times when the Company is listed on the TSXV, Options granted to Participants retained to provide Investor Relations Activities must vest in a period of not less than 12 months from the date of grant of such Options and with no more than 25% of the Options vesting in any three month period.

RSUs, DSUs, PSUs and Other Share-Based Compensation Awards

An RSU is a right to receive a common share issued from treasury upon settlement, subject to the terms of the Omnibus Plan and the applicable Award Agreement, which generally becomes vested, if at all, following a period of continuous employment or engagement. The vesting period and settlement terms of any RSUs will be determined by the Board, in its sole discretion, at the time of grant, subject to the TSXV requirement that no RSU may vest before the date that is one year following the date it is granted or issued. Provided, however, that such vesting may be accelerated for a Participant who dies or who ceases to be an eligible Participant under the Omnibus Plan in connection with a Change of Control, take-over bid, reverse takeover or other similar transaction.

A PSU is a right to receive a common share issued from treasury upon settlement, subject to the terms of the Omnibus Plan and the applicable Award Agreement, which generally becomes vested subject to the attainment of performance criteria established by the Board in its discretion at the time of grant. The vesting period, performance criteria and settlement terms for any PSUs granted will be determined by the Board, in its sole discretion, at the time of the grant, subject to the TSXV requirement that no PSU may vest before the date that is one year following the date it is granted or issued. Provided, however, that such vesting may be accelerated for a Participant who dies or who ceases to be an eligible Participant under the Omnibus Plan in connection with a Change of Control, take-over bid, reverse takeover or other similar transaction.

The only Participants eligible to receive DSUs under the Omnibus Plan are non-employee directors of the Company. A DSU is a right to receive a common share issued from treasury upon settlement, subject to the terms of the Omnibus Plan and the applicable Award Agreement. From time to time, the Board may determine that a fixed portion of the director's fees payable to non-employee directors be paid in DSUs rather than cash. Non-employee directors may also elect to receive an increased number of DSUs in lieu of cash director's fees. No DSU may be settled prior to the date the non-employee director ceases to be a director of the Company for any reason, including change of control, resignation, retirement, death or failure to obtain re-election as a director.

The terms and conditions of grants of Share Units and Other Share-Based Compensation Awards, including the quantity, type of award, grant date, vesting conditions, vesting periods, settlement date and other terms and conditions with respect to these Awards, will be determined by the Board, in its sole discretion, subject to the policies of the TSXV, and will be set out in the Participant's Award Agreement. Notwithstanding the foregoing:

- (a) RSUs and PSUs must vest and be settled no later than the final business day of the third calendar year following the year in which such RSU or PSU was granted (and TSXV Policies mandate that these Awards must vest no earlier than one year from the date of their grant); and
- (b) DSUs will not be settled prior to a Participant's retirement, termination of employment or directorship or death and in the case of a Canadian Participant, no later than one year following the date of the Participant's retirement, termination of employment or directorship or death.

On the settlement date of any Share Unit, each vested Share Unit will be redeemed for (a) one common share of the Company issued from treasury to the Participant or as the Participant may direct; (b) cash; or (c) a combination of common shares and cash, in each case determined by the Board in its sole discretion. Any cash payments made in respect of Share Units to be redeemed in cash will be calculated by multiplying the number of Share Units to be redeemed for cash by the Market Price per common share of the Company as at the settlement date.

Other Share-Based Awards must receive TSXV approval at their time of grant or issue.

Impact of Participant Ceasing to be Eligible Participant

The following table describes the impact of certain events upon the rights of holders of Options and Share Units under the Omnibus Plan, including termination for Cause, resignation, retirement, termination other than for Cause or death, subject to the terms of a Participant's employment agreement, Award Agreement and/or the change of control provisions described in the Omnibus Plan:

Event	Provisions
Termination for Cause	Immediate forfeiture of all unexercised Options and all unvested Share Units
Retirement	All unvested Options and/or Share Units will continue to vest in accordance with their vesting schedules, and all vested Options and/or Share Units held may be exercised until the earlier of their expiry date or one (1) year following the retirement date; provided that if there is a breach of any post-employment restrictive covenants in favour of the Company then all Options and Share Units held by the Participant will immediately expire and the Participant will be required to pay the Company "in-the-money" amounts realized upon exercise following the retirement date.
Other Termination or Cessation	All unexercised unvested Options and Share Units will terminate on the effective date of termination or cessation. With respect to Options and Share Units that are vested and exercisable by the Participant on the effective date of termination or cessation, such Options and/or Share Units will expire on the earlier of: (i) their original expiry date; and (ii) one year after the effective date of termination or cessation of a Participant that is a Director or Officer of the Company or a Subsidiary; or 90 days after the effective date of termination or cessation of any other Participant.
Death	All unexercised unvested Options and Share Units will terminate on the date of death. Options and Share Units that are vested and exercisable by the Participant on the date of death will expire on the earlier of: (i) their original expiry date; and (ii) one year after the date of death.

Change of Control

If a Participant is terminated without Cause or resigns for good reason during the 12-month period following a Change of Control, or after the Company has signed a written agreement to effect a change of control but before the change of control is completed, then any unvested Options and Share Units will immediately vest and may be exercised prior to the earlier of 90 days of such date or the expiry date of such Options and Share Units.

Change of Control

In connection with a Change of Control of the Company, the Board will take such steps as are reasonably necessary or desirable to cause the conversion or exchange or replacement of outstanding Awards into, or for, rights or other securities of substantially equivalent (or greater) value in the continuing entity, as applicable. If the surviving successor or acquiring entity does not assume the outstanding Awards, or if the Board otherwise determines in its discretion, the Company will give written notice to all Participants advising that the Omnibus Plan will be terminated effective immediately prior to the Change of Control and all Awards, as applicable, will be deemed to be vested and, unless otherwise exercised, settle, forfeited or cancelled prior to the termination of the Omnibus Plan, will expire or, with respect to the RSUs and PSUs be settled, immediately prior to the termination of the Omnibus Plan. In the event of a Change of Control, the Board has the power to: (i) make such other changes to the terms of the Awards as it considers fair and appropriate in the circumstances, provided such changes are not adverse to the Participants; (ii) otherwise modify the terms of the Awards to assist the Participants to tender into a takeover bid or other arrangement leading to a Change of Control, and thereafter; and (iii) terminate, conditionally or otherwise, the Awards not exercised or settled, as applicable, following successful completion of such Change of Control. If the Change of Control is not completed within the time specified therein (as the same may be extended), the Awards which vest will be returned by the Company to the Participant and, if exercised or settled, as applicable, the common shares issued on such exercise or settlement will be reinstated as authorized but unissued common shares and the original terms applicable to such Awards will be reinstated.

Adjustments

The Omnibus Plan provides that appropriate adjustments, if any, will be made by the Board in connection with a reclassification, reorganization or other change of the Company's common shares, share split or consolidation, distribution, merger or amalgamation, in the common shares issuable or amounts payable to preclude a dilution or enlargement of the benefits under the Omnibus Plan.

Termination and Amendment of Omnibus Plan

The Board may, in its sole discretion, suspend or terminate the Omnibus Plan at any time, or from time to time, amend, revise or discontinue the terms and conditions of the Omnibus Plan or of any securities granted under the Omnibus Plan and any Award Agreement relating thereto, subject to any required regulatory and TSXV approval, provided that such suspension, termination, amendment, or revision will not adversely alter or impair any Award previously granted except as permitted by the terms of the Omnibus Plan or as required by applicable laws.

The Board may amend the Omnibus Plan or any securities granted under the Omnibus Plan at any time without the consent of a Participant provided that such amendment will: (i) not adversely alter or impair any Award previously granted except as permitted by the terms of the Omnibus Plan; (ii) be in compliance with applicable law and subject to any regulatory approvals including, where required, the approval of the TSXV; and (iii) be subject to shareholder approval, where required by law, the requirements of the TSXV or the Omnibus Plan, provided however that shareholder approval will not be required for the following amendments and the Board may make any changes which may include but are not limited to:

- (a) amendments of a general "housekeeping" or clerical nature that, among others, clarify, correct or rectify any ambiguity, defective provision, error or omission in the Omnibus Plan;

- (b) changes that alter, extend or accelerate the terms of vesting or settlement applicable to any Award (other than in respect of any Options held by persons retained to provide Investor Relations Activities for which prior approval of the TSXV will be required at all times when the Company is listed on the TSXV);
- (c) any amendment regarding the administration of the Omnibus Plan; and
- (d) any amendment necessary to comply with applicable law or the requirements of the Stock Exchange or any other regulatory body having authority over the Company, the Omnibus Plan or the shareholders of the Company (provided, however, that any Stock Exchange will have the overriding right in such circumstances to require shareholder of any such amendments)

At all times when the Company is listed on the TSXV, the Company will be required to obtain prior TSXV acceptance of any amendments to the Omnibus Plan.

Shareholder Approval of the Omnibus Plan

The TSXV requires that the Omnibus Plan Resolution be passed by a majority of the votes cast at the Meeting by disinterested shareholders. Insiders of the Company to whom security based compensation may be granted under the Omnibus Plan and their Associates (as such term is defined in the policies of the TSXV) are not disinterested shareholders and, as a result, they will not vote their common shares with respect to the Omnibus Plan Resolution. Based on available information, these excluded Insiders and their respective Associates and affiliates hold an aggregate of 14,286,036 common shares of the Company, representing 7.3% of the issued and outstanding common shares of the Company as of the Record Date of August 2, 2022.

The form of the Omnibus Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities or stock exchange without further approval of the shareholders of the Company.

The text of the Omnibus Plan Resolution to be passed is set out below:

All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Committee’s Charter, the definition of “financially literate” is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company’s financial statements.

The members of the Committee shall be elected by the Board at its first meeting following the annual shareholders’ meeting. Members shall serve one-year terms and may serve consecutive terms, which are encouraged to ensure continuity of experience. The Committee may hold its meetings, and members of the Committee may attend meetings, by telephone conference if this is deemed appropriate.

The Chairperson shall, in consultation with management and the external auditor and internal auditor (if any), establish the agenda for the meetings and ensure that properly prepared agenda materials are circulated to the members with sufficient time for study prior to the meeting. The external auditor will also receive notice of all meetings of the Committee. This Plan constitutes an amendment to and restatement of the Company’s Predecessor Share Option Plan.

ARTICLE 1—DEFINITIONS

1.1 Definitions.

Where used herein or in any amendments hereto or in any communication required or permitted to be given hereunder, the following terms shall have the following meanings:

- (a) “**Affiliate**” means: a company is an Affiliate of another company if: (a) one of them is the subsidiary of the other; or (b) each of them is controlled by the same Person.

- (3) Notwithstanding any other provision of this Plan, at all times when the Company is listed on the TSXV, the Company shall maintain timely disclosure and file appropriate documentation in connection with Option grants made under this Plan in accordance with TSXV Policy 4.4.

3.3 Exercise Price.

The Exercise Price for Shares that are the subject of any Option shall be fixed by the Board when such Option is granted, but shall not be less than the Market Price of such Shares at the time of the grant, except that at all times when the Company is listed on the TSXV, the Exercise Price shall not be less than the Discounted Market Price.

3.4 Expiry Date; Blackout Period.

Subject to Section 6.2, each Option must be exercised no later than ten (10) years after the date the Option is granted or such shorter period as set out in the Participant’s Option Agreement, at which time such Option shall expire (the “**Expiry Date**”). Notwithstanding any other provision of this Plan, and subject to TSXV Policy 4.4 at all times when the Company is listed on the TSXV, each Option that would expire during or within ten (10) Business Days immediately following a Black-Out Period shall expire on the date that is ten (10) Business Days immediately following the expiration of the Black-Out Period. Where an Option shall expire on a date that falls immediately after

a Black-Out Period, and for greater certainty, not later than ten (10) Business Days after the Black-Out Period, then the date such Option shall expire shall be automatically extended by such number of days equal to ten (10) Business Days less the number of Business Days after the Black-Out Period that the Option expires. For a U.S. Taxpayer, however, any extension of the Expiry Date of an Option under this Section 3.4 shall apply only to the extent permitted by Section 409A of the Code and TSXV Policy 4.4 at all times the Company is listed on the TSXV.

3.5 Exercise of Options.

- (1) Subject to the provisions of this Plan, a Participant shall be entitled to exercise an Option granted to such Participant, subject to vesting limitations which may be imposed by the Board at the time such Option is granted.
- (2) Prior to its expiration or earlier termination in accordance with this Plan, each Option shall be exercisable as to all or such part or parts of the optioned Shares and at such time or times and/or pursuant to the achievement of such Performance Goals and/or other vesting conditions as the Board may determine in its sole discretion.
- (3) No fractional Shares shall be issued upon the exercise of Options granted under this Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the exercise of an Option, or from an adjustment pursuant to Section 6.1, such Participant shall only have the right to acquire the next lowest whole number of Shares, and no payment or other adjustment shall be made with respect to the fractional interest so disregarded.

3.6 Method of Exercise and Payment of Purchase Price.

- (1) Subject to the provisions of this Plan and the alternative exercise procedures set out herein, an Option granted under this Plan may be exercisable (from time to time as provided in Section 3.5 hereof) by the Participant (or by the liquidator, executor or administrator, as the case may be, of the estate of the Participant) by delivering an Exercise Notice to the Company in the form and manner determined by the Board from time to time, together with cash, a bank draft or certified cheque in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Options and any applicable tax withholdings.
- (2) Pursuant to the Exercise Notice and subject to the approval of the Board, a Participant may choose to undertake a “*cashless exercise*” with the assistance of a broker in order to facilitate the exercise of such Participant’s Options. The “*cashless exercise*” procedure may include a sale of such number of Shares as is necessary to raise an amount equal to the aggregate Exercise Price for all Options being exercised by that Participant under an Exercise Notice and any applicable tax withholdings. Pursuant to the Exercise Notice, the Participant may authorize the broker to sell Shares on the open market by means of a short sale and forward the proceeds of such short sale to the Company to satisfy the Exercise Price and any applicable tax withholdings, promptly following which the Company shall issue the Shares underlying the number of Options as provided for in the Exercise Notice.
- (3) In lieu of exercising any vested Option in the manner described in Section 3.6(1) or Section 3.6(2), and pursuant to the terms of this Article 3, a Participant may, by surrendering an Option (“**Surrender**”) with a properly endorsed notice of Surrender to the Corporate Secretary of the Company, substantially in the form of Schedule “B” to the Option Agreement (a “**Surrender Notice**”), elect to receive that number of Shares equal to the quotient obtained by dividing:
 - (a) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the exercise price of the subject Options; by
 - (b) the VWAP of the underlying Shares.
- (4) Upon the exercise of an Option pursuant to Section 3.6(1) or Section 3.6(3), the Company shall, as soon as practicable after such exercise but no later than ten (10) Business Days following such exercise, forthwith cause the transfer agent and registrar of the Shares to deliver to the Participant such number of Shares as the Participant shall have then paid for and as are specified in such Exercise Notice.

ARTICLE 4—SHARE UNITS AND OTHER SECURITY-BASED AWARDS

4.1 Nature of Share Units.

A Share Unit is an Award entitling the recipient to acquire Shares at such purchase price (which may be zero) as determined by the Board, subject to such restrictions and conditions as the Board may determine at the time of grant. Conditions may be based on continuing employment (or other service relationship) and/or achievement of pre-established performance goals and objectives.

4.2 Deferred Share Units.

(1) Granting of DSUs.

- (a) The Board may fix, from time to time, a portion of the Director's Fees that is to be payable in the form of DSUs. In addition, each Electing Person may be given, subject to the conditions stated herein, the right to elect in accordance with Section 4.2(1)(b) to participate in the grant of additional DSUs pursuant to this Section 4.2. An Electing Person who elects to participate in the grant of additional DSUs pursuant to this Section 4.2 shall receive their Elected Amount (as that term is defined below) in the form of DSUs in lieu of cash. The "**Elected Amount**" shall be an amount, as elected by the Non-Employee Director, in accordance with applicable tax law, between 0% and 100% of any Director's Fees that are otherwise intended to be paid in cash (the "**Cash Fees**").
- (b) Each Electing Person who elects to receive their Elected Amount in the form of DSUs in lieu of cash shall be required to file an Election Notice with the Chief Financial Officer of the Company: (i) in the case of an existing Electing Person, by December 31st in the year prior to the year in which the services giving rise to the compensation are performed (other than for Director's Fees payable for the 2022 financial year to any Electing Person who is not a U.S. Taxpayer as of the date of this Plan, in which case such Electing Person shall file the Election Notice by the date that is 30 days from the effective date of this Plan with respect to compensation paid for services to be performed after such date); and (ii) in the case of a newly appointed Electing Person who is not a U.S. Taxpayer, within 30 days of such appointment with respect to compensation paid for services to be performed after such date. In the case of an existing Electing Person who is a U.S. Taxpayer as of the effective date of this Plan and who was not eligible to participate in the Predecessor Plan or in any other deferred compensation plan required to be aggregated with this Plan for purposes of Code Section 409A, an initial Election Notice may be filed by the date that is 30 days from the effective date of this Plan only with respect to compensation paid for services to be performed after the Election Date; and in the case of a newly appointed Electing Person who is a U.S. Taxpayer, an Election Notice may be filed within 30 days of such appointment only with respect to compensation paid for services to be performed after the Election Date. If no election is made within the foregoing time frames, the Electing Person shall be deemed to have elected to be paid the entire amount of his or her Cash Fees in cash.
- (c) Subject to Section 4.2(1)(d), the election of an Electing Person under Section 4.2(1)(b) shall be deemed to apply to all Cash Fees that would be paid subsequent to the filing of the Election Notice, and such Electing Person is not required to file another Election Notice for subsequent calendar years.
- (d) Each Electing Person who is not a U.S. Taxpayer is entitled once per calendar year to terminate his or her election to receive DSUs in lieu of Cash Fees by filing with the Chief Financial Officer of the Company a notice in the form of Appendix "F" attached hereto. Such termination shall be effective immediately upon receipt of such notice, provided that the Company has not imposed a "black-out" on trading. Thereafter, any portion of such Electing Person's Cash Fees payable or paid in the same calendar year and, subject to complying with Section 4.2(1)(b), all subsequent calendar years shall be paid in cash. For greater certainty, to the extent an Electing Person terminates his or her

participation in the grant of DSUs pursuant to this Section 4.2, he or she shall not be entitled to elect to receive the Elected Amount, or any other amount of his or her Cash Fees in DSUs in lieu of cash again until the calendar year following the year in which the termination notice is delivered. An election by a U.S. Taxpayer to receive the Elected Amount in DSUs in lieu of cash for any calendar year is irrevocable for that calendar year after the expiration of the election period for that year, and any termination of the election shall not take effect until the first day of the calendar year following the calendar year in which the termination notice in the form of Appendix "F" delivered.

- (e) Any DSUs granted pursuant to this Section 4.2 prior to the delivery of a termination notice pursuant to Section 4.2(1)(d) shall remain in this Plan following such termination and shall be redeemable only in accordance with the terms of this Plan.
 - (f) The number of DSUs (including fractional DSUs) granted at any particular time pursuant to this Section 4.2 shall be calculated by dividing (i) the amount of any compensation that is to be paid in DSUs (including Director's Fees and any Elected Amount), as determined by the Board, by (ii) the Market Price of a Share on the Date of Grant.
- (2) **DSU Account.** All DSUs received by a Participant (which, for greater certainty includes Electing Persons) shall be credited to the Participant's Account, as of the Date of Grant. The terms and conditions of each DSU grant shall be evidenced by a DSU Agreement.
- (3) **Vesting of DSUs.** The Board shall have the authority to determine the vesting terms applicable to grants of DSUs, except that, at all times when the Company is listed on the TSXV, no DSU issued hereunder may vest before the date that is one year following the date it is granted or issued. However, the vesting required by this Section 4.2(3) may be accelerated for a Participant who dies or who ceases to be an eligible Participant under this Plan in connection with a Change of Control, take-over bid, reverse takeover or other similar transaction.
- (4) **Settlement of DSUs.**
- (a) DSUs shall be settled on the date established in the Award Agreement; *provided, however*, that in no event shall a DSU Award be settled prior to a Participant's retirement, termination of employment or directorship or death, or in the case of a Participant that is a Canadian Participant, later than December 31 in the calendar year following the date of the applicable Participant's retirement, termination of employment or directorship or death. If the Award Agreement does not establish a date for the settlement of the DSUs, then the settlement date shall be the date of the Participant's retirement, termination of employment, or death, subject to the delay that may be required under Section 7.8(4) below in the case of a U.S. Taxpayer. Subject to Section 7.8(4) below in the case of a U.S. Taxpayer, and except as otherwise provided in an Award Agreement, on the settlement date for any DSU, each vested DSU shall be redeemed for:
 - (i) one Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by clauses (i) and (ii) above,in each case as determined by the Board in its discretion.
 - (b) Any cash payments made under this Section 4.2(4) by the Company to a Participant in respect of DSUs to be redeemed for cash shall be calculated by multiplying the number of DSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
 - (c) Payment of cash to Participants on the redemption of vested DSUs may be made through the Company's payroll in the pay period that the settlement date falls within.

4.3 Restricted Share Units.

(1) Granting of RSUs.

- (a) The Board may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, grant RSUs to any Participant in respect of services rendered in the year of grant or subsequent thereto. The terms and conditions of each RSU grant shall be evidenced by an RSU Agreement.
- (b) The number of RSUs (including fractional RSUs) granted at any particular time pursuant to this Section 4.3 shall be calculated by dividing (i) the amount of any compensation that is to be paid in RSUs, as determined by the Board, by (ii) the Market Price of a Share on the Date of Grant.

(2) RSU Account. All RSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Company, as of the Date of Grant.

(3) Vesting of RSUs. The Board shall have the authority to determine the vesting terms applicable to grants of RSUs, except that, at all times when the Company is listed on the TSXV, no RSU issued hereunder may vest before the date that is one year following the date it is granted or issued. However, the vesting required by this Section 4.3(3) may be accelerated for a Participant who dies or who ceases to be an eligible Participant under this Plan in connection with a Change of Control, take-over bid, reverse takeover or other similar transaction.

(4) Settlement of RSUs.

- (a) The Board shall have the sole authority to determine the settlement terms, including time of settlement, applicable to the grant of RSUs and such terms shall be set forth in the applicable RSU Agreement. Subject to Section 7.8(4) below and except as otherwise provided in an RSU Agreement, on the settlement date for any RSU, each vested RSU shall be redeemed for:
 - (i) one Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by clauses (i) and (ii) above,in each case as determined by the Board in its discretion.
- (b) Any cash payments made under this Section 4.3(4) by the Company to a Participant in respect of RSUs to be redeemed for cash shall be calculated by multiplying the number of RSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (c) Payment of cash to Participants on the redemption of vested RSUs may be made through the Company's payroll in the pay period that the settlement date falls within.
- (d) Subject to Section 7.8(4) below and except as otherwise provided in an RSU Agreement, no settlement date for any RSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any RSU, under this Section 4.3(4) any later than the final Business Day of the third calendar year following the year in which the RSU is granted.

4.4 Performance Share Units.

(1) Granting of PSUs. The Board may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, grant PSUs to any Participant in respect of services rendered in the year of grant or subsequent thereto. The terms and conditions of each PSU grant, including time of settlement, shall be evidenced by a PSU Agreement. Each PSU shall consist of a right to receive a Share,

cash payment, or a combination thereof (as provided in Section 4.4(6), upon the achievement of such Performance Goals during such performance periods as the Board shall establish.

- (2) **Terms of PSUs.** The Performance Goals to be achieved during any performance period, the length of any performance period, the amount of any PSUs granted, the termination of a Participant's employment and the amount of any payment or transfer to be made pursuant to any PSU shall be determined by the Board and by the other terms and conditions of any PSU, all as set forth in the applicable PSU Agreement.
- (3) **Performance Goals.** The Board shall issue Performance Goals prior to the Date of Grant to which such Performance Goals pertain. The Performance Goals may be based upon the achievement of corporate, divisional or individual goals, and may be applied relative to performance relative to an index or comparator group, or on any other basis determined by the Board. The Board may modify the Performance Goals as necessary to align them with the Company's corporate objectives, subject to any limitations set forth in a PSU Agreement or an employment or other agreement with a Participant. The Performance Goals may include a threshold level of performance below which no payment shall be made (or no vesting shall occur), levels of performance at which specified payments shall be made (or specified vesting shall occur), and a maximum level of performance above which no additional payment shall be made (or at which full vesting shall occur), all as set forth in the applicable PSU Agreement.
- (4) **PSU Account.** All PSUs received by a Participant shall be credited to the Participant's Account, as of the Date of Grant.
- (5) **Vesting of PSUs.** The Board shall have the authority to determine the vesting terms applicable to grants of PSUs, except that, at all times when the Company is listed on the TSXV, no PSU issued hereunder may vest before the date that is one year following the date it is granted or issued. However, the vesting required by this Section 4.4(5) may be accelerated for a Participant who dies or who ceases to be an eligible Participant under this Plan in connection with a Change of Control, take-over bid, reverse takeover or other similar transaction.
- (6) **Settlement of PSUs.**
 - (a) The Board shall have the sole authority to determine the settlement terms applicable to the grant of PSUs and such terms shall be set forth in the applicable PSU Agreement. Subject to Section 7.8(4) below and except as otherwise provided in a PSU Agreement, on the settlement date for any PSU, each vested PSU shall be redeemed for:
 - (i) one Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by clauses (i) and (ii) above,in each case as determined by the Board in its discretion.
 - (b) Any cash payments made under this Section 4.4(6) by the Company to a Participant in respect of PSUs to be redeemed for cash shall be calculated by multiplying the number of PSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
 - (c) Payment of cash to Participants on the redemption of vested PSUs may be made through the Company's payroll in the pay period that the settlement date falls within.
 - (d) Subject to Section 7.8(4) below and except as otherwise provided in a PSU Agreement, no settlement date for any PSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any PSU, under this Section 4.4(6) any later than the final Business Day of the third calendar year following the year in which the PSU is granted.

4.5 Other Share-Based Awards.

Subject to prior acceptance of the Stock Exchange, the Board may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, grant Other Share-Based Awards to any Participant. The terms and conditions of each Other Share-Based Award grant shall be evidenced by an Award Agreement. Each Other Share-Based Award shall consist of a right (1) which is other than an Option, DSU, PSU or RSU, and (2) which is denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares) as are deemed by the Board to be consistent with the purposes of this Plan; *provided, however*, that such right shall comply with applicable law. Subject to prior acceptance of the Stock Exchange, the terms of this Plan, and any applicable Award Agreement, the Board shall determine the terms and conditions of Other Share-Based Awards. Shares or other securities delivered pursuant to a purchase right granted under this Section 4.5 shall be purchased for such consideration, which may be paid by such method or methods and in such form or forms, including, without limitation, cash, Shares, other securities, other Awards, other property, or any combination thereof, as the Board shall determine in its discretion.

4.6 TSXV Filing.

Notwithstanding any other provision of this Plan, at all times when the Company is listed on the TSXV, the Company shall maintain timely disclosure and file appropriate documentation in connection with grants of Share Units or Other Share-Based Awards made under this Plan in accordance with TSXV Policy 4.4.

ARTICLE 5—GENERAL CONDITIONS

5.1 General Conditions applicable to Awards.

Each Award, as applicable, shall be subject to the following conditions:

- (1) **Employment.** The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ in any capacity. For greater certainty, the granting of Awards to a Participant shall not impose any obligation on the Company to grant any Awards in the future nor shall it entitle the Participant to receive future grants.
- (2) **Rights as a Shareholder.** Neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Awards until the date of issuance of a share certificate or DRS statement to such Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) or the entry of such Person's name on the central securities register for the Shares. Without in any way limiting the generality of the foregoing, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such share certificate or DRS statement is issued or entry of such Person's name on the central securities register for the Shares.
- (3) **Conformity to Plan.** In the event that an Award is granted or an Award Agreement is executed which does not conform in all particulars with the provisions of this Plan, or purports to grant Awards on terms different from those set out in this Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted shall be adjusted to become, in all respects, in conformity with this Plan.
- (4) **Non-Transferability.** Except as set forth herein, Awards are non-transferable and non-assignable. Awards may be exercised only upon the Participant's death, by the legal representative of the Participant's estate, provided that any such legal representative shall first deliver evidence satisfactory to the Company of entitlement to exercise any Award. A Person exercising an Award may subscribe for Shares only in the Person's own name or in the Person's capacity as a legal representative.

- (5) **Hold Period.** The granting of an Award (i) to Insiders, or (ii) where the exercise price is at a discount to the Market Price, shall be subject to a four-month hold period in compliance with the applicable policies of the TSXV.

5.2 **Dividend Share Units.**

When dividends (other than stock dividends) are paid on Shares, as part of a Participant's grant of DSUs, PSUs and/or RSUs, as applicable, and in respect of the services provided by the Participant for such original grant, Participants shall receive additional DSUs, PSUs and/or RSUs, as applicable ("**Dividend Share Units**") as of the dividend payment date. The number of Dividend Share Units to be granted to the Participant shall be determined by multiplying the aggregate number of DSUs, PSUs and/or RSUs, as applicable, held by the Participant on the relevant record date by the amount of the dividend paid by the Company on each Share, and dividing the result by the Market Price on the dividend payment date, which Dividend Share Units shall be in the form of DSUs, PSUs and/or RSUs, as applicable. Dividend Share Units granted to a Participant in accordance with this Section 5.2 shall be subject to the same vesting conditions applicable to the related DSUs, PSUs and/or RSUs in accordance with Article 4 and the relevant Award Agreements. If the maximum number of Awards under Section 2.5(1), Section 2.7(1)(a), Section 2.7(1)(b), Section 2.7(1)(c) and Section 6.2(4)(b) of this Plan are issued, the Dividend Shares Units that would have been granted must be awarded in cash. The foregoing does not obligate the Company to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

5.3 **Termination of Employment.**

- (1) Each Share Unit and Option shall be subject to the following conditions:
- (a) **Termination for Cause.** Upon a Participant ceasing to be an Eligible Participant for Cause, all unexercised vested or unvested Share Units and Options granted to such Participant shall terminate on the effective date of the termination as specified in the notice of termination. For the purposes of this Plan, the determination by the Company that the Participant was discharged for Cause shall be binding on the Participant.
 - (b) **Retirement.** In the case of a Participant's retirement (as defined in the applicable Award Agreement), any unvested Share Units and/or Options held by the Participant as at the Termination Date shall continue to vest in accordance with their vesting schedules, and all vested Share Units and Options held by the Participant at the Termination Date may be exercised until the earlier of the expiry date of such Share Units and Options or one (1) year following the Termination Date, *provided that*, if the Participant is determined to have breached any post-employment restrictive covenants in favour of the Company, then any Share Units and/or Options held by the Participant, whether vested or unvested, shall immediately expire and the Participant shall pay to the Company any "in-the-money" amounts realized upon exercise of Share Units and/or Options following the Termination Date. For greater certainty, any Share Units or Options (vested or unvested) must expire within a reasonable period, not exceeding twelve (12) months from the date of the Participant's retirement.
 - (c) **Other Termination or Cessation.** In the case of a Participant ceasing to be an Eligible Participant for any reason other than for Cause, retirement or death, subject to any later expiration dates determined by the Board, all Share Units and Options shall expire on the earlier of:
 - (i) one (1) year after the effective date of such termination or cessation of a Participant that is a Director or Officer of the Company or a Subsidiary, or the expiry date of such Share Unit or Option, to the extent such Share Unit or Option was vested and exercisable by the Participant on the effective date of such termination or cessation; and
 - (ii) ninety (90) days after the effective date of such termination or cessation of a Participant that is not a Director or Officer of the Company or a Subsidiary, or the expiry date of such Share Unit or Option, to the extent such Share Unit or Option was vested and exercisable by the Participant on the effective date of such termination or cessation,

and all unexercised unvested Share Units and/or Options granted to such Participant shall terminate on the effective date of such termination or cessation.

- (d) **Death.** If a Participant dies while in his or her capacity as an Eligible Participant, all vested Share Units and Options held by the Participant at the date of death of such Participant may be exercised until the earlier of the expiry date of such Share Units and Options or one (1) year following the date of death of such Participant.
 - (e) **Change of Control.** If a Participant is terminated without Cause or resigns for good reason during the 12 month period following a Change of Control, or after the Company has signed a written agreement to effect a Change of Control but before the Change of Control is completed, then any unvested Share Units and/or Options shall immediately vest and may be exercised prior to the earlier of ninety (90) days of such date or the expiry date of such Options.
- (2) For the purposes of this Plan, a Participant's employment with the Company or a Subsidiary is considered to have terminated effective on the last day of the Participant's actual and active employment with the Company or a Subsidiary, whether such day is selected by agreement with the individual, unilaterally by the Company or a Subsidiary and whether with or without advance notice to the Participant. For the avoidance of doubt, no period of notice, if any, or payment instead of notice that is given or that ought to have been given under applicable law, whether by statute, imposed by a court or otherwise, in respect of such termination of employment that follows or is in respect of a period after the Participant's last day of actual and active employment shall be considered as extending the Participant's period of employment for the purposes of determining his or her entitlement under this Plan.
 - (3) The Participant shall have no entitlement to damages or other compensation arising from or related to not receiving any Awards which would have settled or vested or accrued to the Participant after the date of cessation of employment or if working notice of termination had been given.

5.4 Unfunded Plan.

Unless otherwise determined by the Board, this Plan shall be unfunded. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Awards under this Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Company. Notwithstanding the foregoing, any determinations made shall be such that this Plan continuously meets the requirements of paragraph 6801(d) of the Income Tax Regulations, adopted under the Tax Act or any successor provision thereto.

5.5 Discretion to Permit Acceleration.

Notwithstanding the provisions of Section 5.3 but subject to compliance with the policies of the Stock Exchange, the Board may, in its discretion, at any time prior to, or following the events contemplated in Section 5.3, or in an Employment Agreement, Award Agreement or other written agreement between the Company or a Subsidiary and the Participant, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Board and with respect to Awards to U.S. Taxpayers, in a manner that does not result in adverse tax consequences under Section 409A of the Code. Notwithstanding the foregoing, Options granted to Investor Relations Service Providers cannot be accelerated without the prior acceptance of the Stock Exchange.

ARTICLE 6—ADJUSTMENTS AND AMENDMENTS

6.1 Adjustment to Shares Subject to Outstanding Awards.

- (1) In the event of any subdivision of the Shares into a greater number of Shares at any time after the grant of an Award to a Participant and prior to the expiration of the term of such Award, the Company shall deliver to such Participant, at the time of any subsequent exercise or vesting of such Award in accordance with the terms hereof, in lieu of the number of Shares to which such Participant was theretofore entitled upon such

exercise or vesting of such Award, but for the same aggregate consideration payable therefor, such number of Shares as such Participant would have held as a result of such subdivision if on the record date thereof the Participant had been the registered holder of the number of Shares to which such Participant was theretofore entitled upon such exercise or vesting of such Award.

- (2) In the event of any consolidation of Shares into a lesser number of Shares at any time after the grant of an Award to any Participant and prior to the expiration of the term of such Award, the Company shall deliver to such Participant at the time of any subsequent exercise or vesting of such Award in accordance with the terms hereof in lieu of the number of Shares to which such Participant was theretofore entitled upon such exercise or vesting of such Award, but for the same aggregate consideration payable therefor, such number of Shares as such Participant would have held as a result of such consideration if on the record date thereof the Participant had been the registered holder of the number of Shares to which such Participant was theretofore entitled upon such exercise or vesting of such Award.
- (3) If at any time after the grant of an Award to any Participant and prior to the expiration of the term of such Award, the Shares shall be reclassified, reorganized or otherwise changed, otherwise than as specified in Section 6.1(1) or Section 6.1(2) hereof or, subject to the provisions of Section 6.2(3) hereof, the Company shall consolidate, merge or amalgamate with or into another corporation (the corporation resulting or continuing from such consolidation, merger or amalgamation being herein called the “**Successor Corporation**”), the Participant shall be entitled to receive upon the subsequent exercise or vesting of Award, in accordance with the terms hereof and shall accept in lieu of the number of Shares then subscribed for but for the same aggregate consideration payable therefor, the aggregate number of shares of the appropriate class or other securities of the Company or the Successor Corporation (as the case may be) or other consideration from the Company or the Successor Corporation (as the case may be) that such Participant would have been entitled to receive as a result of such reclassification, reorganization or other change of shares or, subject to the provisions of Section 6.2(3) hereof, as a result of such consolidation, merger or amalgamation, if on the record date of such reclassification, reorganization or other change of shares or the effective date of such consolidation, merger or amalgamation, as the case may be, such Participant had been the registered holder of the number of Shares to which such Participant was immediately theretofore entitled upon such exercise or vesting of such Award.
- (4) If, at any time after the grant of an Award to any Participant and prior to the expiration of the term of such Award, the Company shall make a distribution to all holders of Shares or other securities in the capital of the Company, or cash, evidences of indebtedness or other assets of the Company (excluding an ordinary course dividend in cash or shares, but including for greater certainty shares or equity interests in a subsidiary or business unit of the Company or one of its subsidiaries or cash proceeds of the disposition of such a subsidiary or business unit), or should the Company effect any transaction or change having a similar effect, then the price or the number of Shares to which the Participant is entitled upon exercise or vesting of Award shall be adjusted to take into account such distribution, transaction or change. The Board shall determine the appropriate adjustments to be made in such circumstances in order to maintain the Participants’ economic rights in respect of their Awards in connection with such distribution, transaction or change.
- (5) Any adjustment, other than in connection with a security consolidation or security split, to any Awards granted or issued under this Plan must be subject to the prior acceptance of the TSXV, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

6.2 Amendment or Discontinuance of the Plan.

- (1) The Board may amend this Plan or any Award at any time without the consent of the Participants provided that such amendment shall:
 - (a) not adversely alter or impair any Award previously granted except as permitted by the provisions of Article 6 hereof;
 - (b) be in compliance with applicable law and subject to any regulatory approvals including, where required, the approval of the Stock Exchange; and

- (c) be subject to shareholder approval, where required by law, the requirements of the Stock Exchange or the provisions of this Plan, provided that shareholder approval shall not be required for the following amendments and the Board may make any such amendments:
- (i) amendments of a general “housekeeping” or clerical nature that, among others, clarify, correct or rectify any ambiguity, defective provision, error or omission in this Plan;
 - (ii) changes that alter, extend or accelerate the terms of vesting or settlement applicable to any Award (other than in respect of any Options held by Persons retained to provide Investor Relations Activities for which prior approval of the TSXV shall be required at all times when the Company is listed on the TSXV);
 - (iii) any amendment regarding the administration of this Plan;
 - (iv) any amendment necessary to comply with applicable law or the requirements of the Stock Exchange or any other regulatory body having authority over the Company, this Plan or the shareholders of the Company (*provided, however*, that any Stock Exchange shall have the overriding right in such circumstances to require shareholder approval of any such amendments); and
 - (v) any other amendment that does not require shareholder approval under Section 6.2(2).
- (2) Notwithstanding Section 6.2(1)(c), the Board shall be required to obtain shareholder approval to make the following amendments:
- (a) any change to the maximum number of Shares issuable from treasury under this Plan, except such increase by operation of Section 2.5 and in the event of an adjustment pursuant to Article 6;
 - (b) any amendment which reduces the exercise price of any Award, except in the case of an adjustment pursuant to Article 6;
 - (c) any amendment that would permit the introduction or reintroduction of Non-Employee Directors as Eligible Participants on a discretionary basis or any amendment that increases the limits previously imposed on Non-Employee Director participation;
 - (d) any amendment to remove or to exceed the Insider participation limit set out in Section 2.6;
 - (e) any amendment regarding the effect of termination of a Participant’s employment or engagement;
 - (f) any amendment to add or amend provisions relating to the granting of cash-settled awards, provision of financial assistance or clawbacks and any amendment to a cash-settled award, financial assistance or clawbacks provisions which are adopted;
 - (g) any decrease in the exercise price of or extensions to stock options granted to individuals that are Insiders at the time of the proposed amendment; and
 - (h) any amendment to the amendment provisions of this Plan.

At all times when the Company is listed on the TSXV, the shareholder approval referred to in Section 6.2(2)(b) (if any such Award is held by an Insider) and Sections 6.2(2)(d) and 6.2(2)(g) above must be obtained on a “disinterested” basis in compliance with the applicable policies of the TSXV.

- (3) The Board may, subject to applicable regulatory approvals, decide that any of the provisions hereof concerning the effect of termination of the Participant’s employment shall not apply for any reason acceptable to the Board.

- (4) Notwithstanding any other provision of this Plan, at all times when the Company is listed on the TSXV:
- (a) the Company shall be required to obtain prior TSXV acceptance of any amendment to this Plan; and
 - (b) the Company shall be required to obtain disinterested shareholder approval in compliance with the applicable policies of the TSXV for this Plan if, together with all of the Company's previously established and outstanding equity compensation plans or grants, could permit at any time: (1) the aggregate number of Shares reserved for issuance under Awards granted to Insiders (as a group) at any point in time exceeding 10% of the issued Shares; and (2) the grant to Insiders (as a group), within a 12 month period, of an aggregate number of Awards exceeding 10% of the issued Shares, calculated at the date an Award is granted to any Insider.

6.3 Change of Control.

- (1) Notwithstanding any other provision of this Plan, in the event of a Change of Control, the surviving, successor or acquiring entity shall assume any Awards or shall substitute similar options, share units or other share-based awards for the outstanding Awards, as applicable. If the surviving, successor or acquiring entity does not assume the outstanding Awards or substitute similar options, share units or other share-based awards for the outstanding Awards, as applicable, or if the Board otherwise determines in its discretion, the Company shall give written notice to all Participants advising that this Plan shall be terminated effective immediately prior to the Change of Control and all outstanding Awards (and related Dividend Share Units, as applicable) shall be deemed to be vested and, unless otherwise exercised, settled, forfeited or cancelled prior to the termination of this Plan, shall expire or, with respect to Share Units or Other Share-Based Awards be settled, immediately prior to the termination of this Plan. The number of PSUs which are deemed to be vested shall be determined by the Board, in its sole discretion, having regard to the level of achievement of the Performance Goals prior to the Change of Control.
- (2) In the event of a Change of Control, the Board has the power to: (i) make such other changes to the terms of the Awards as it considers fair and appropriate in the circumstances, provided such changes are not adverse to the Participants; (ii) otherwise modify the terms of the Awards to assist the Participants to tender into a takeover bid or other arrangement leading to a Change of Control, and thereafter; and (iii) terminate, conditionally or otherwise, the Awards not exercised or settled, as applicable, following successful completion of such Change of Control. If the Change of Control is not completed within the time specified therein (as the same may be extended), the Awards which vest pursuant to this Section 6.3 shall be returned by the Company to the Participant and, if exercised or settled, as applicable, the Shares issued on such exercise or settlement shall be reinstated as authorized but unissued Shares and the original terms applicable to such Awards shall be reinstated.

ARTICLE 7—U.S. TAXPAYERS

7.1 Provisions for U.S. Taxpayers.

In the case of a Participant who is a U.S. Taxpayer, Options may only be awarded to such Participant to the extent the Participant performs direct services to (A) the Company or any entity (other than the Company), in an unbroken chain of corporations (or other entities) beginning with the Company, in which each of the corporations (or other entities) other than the last corporation or other entity in the unbroken chain owns, directly or indirectly, equity representing at least 50% of the voting power of all classes of equity entitled to vote or at least 50% of the value of all classes of equity in one of the other corporations (or other entities) in such chain, or (B) to an entity that otherwise qualifies as an eligible issuer of service recipient stock pursuant to United States Treasury Regulation Section 1.409A-1(b)(5)(iii)(E)(1). Options granted under this Plan to U.S. Taxpayers may be non-qualified stock options or incentive stock options qualifying under Section 422 of the Code (“ISOs”). Each Option shall be designated in the Award Agreement as either an ISO or a non-qualified stock option, and if no designation is made, the Option shall be a non-

qualified stock option. The Company shall not be liable to any Participant or to any other Person if it is determined that an Option intended to be an ISO does not qualify as an ISO.

7.2 ISOs.

Subject to any limitations in Section 2.5, the aggregate number of Shares reserved for issuance in respect of granted ISOs shall not exceed 19,521,680 Shares, and the terms and conditions of any ISOs granted to a U.S. Taxpayer on the Date of Grant hereunder, including the eligible recipients of ISOs, shall be subject to the provisions of Section 422 of the Code, and the terms, conditions, limitations and administrative procedures established by the Board from time to time in accordance with this Plan. At the discretion of the Board, ISOs may be granted to any Employee of the Company, or of a “*subsidiary corporation*”, as such term is defined in Section 424(f) of the Code. No ISOs may be granted more than ten (10) years after the earlier of (i) the date on which the Board adopts the most recent amendment and restatement of this Plan, or (ii) the date on which the shareholders of the Company approve such most recent amendment and restatement of this Plan. An ISO may be exercised during the Participant’s lifetime only by such the Participant. An ISO may not be transferred, assigned, pledged, hypothecated or otherwise disposed of by the Participant, except by Will or by the laws of descent and distribution.

7.3 ISO Term and Exercise Price; Grants to 10 Shareholders.

Notwithstanding anything to the contrary in this Plan, the term of an ISO shall not exceed ten (10) years, and the exercise price of an ISO shall be not less than (a) one hundred percent (100%) of the Fair Market Value of the Shares on the applicable Date of Grant and (b) the Market Price of the Shares on the applicable Date of Grant; *provided, however*, that if an ISO is granted to a Person who owns Shares representing more than 10% of the voting power of all classes of shares of the Company or of a “*subsidiary corporation*”, as such term is defined in Section 424(f) of the Code, on the Date of Grant, the term of the ISO shall not exceed five years from the time of grant of such ISO and the Exercise Price shall be no less than (a) 110% of the Fair Market Value of the Shares subject to the ISO and (b) the Market Price of such Shares.

7.4 \$100,000 Per Year Limitation for ISOs.

To the extent the aggregate Fair Market Value as at the Date of Grant of the Shares for which ISOs are exercisable for the first time by any Person during any calendar year (under all plans of the Company) exceeds \$100,000, such excess ISOs shall be treated as non-qualified stock options

7.5 Disqualifying Dispositions.

Each Person awarded an ISO under this Plan shall notify the Company in writing immediately after the date he or she makes a disposition or transfer of any Shares acquired pursuant to the exercise of such ISO if such disposition or transfer is made (a) within two years from the Date of Grant or (b) within one year after the date such Person acquired the Shares. Such notice shall specify the date of such disposition or other transfer and the amount realized, in cash, other property, assumption of indebtedness or other consideration, by the Person in such disposition or other transfer. The Company may, if determined by the Board and in accordance with procedures established by it, retain possession of any Shares acquired pursuant to the exercise of an ISO as agent for the applicable Person until the end of the later of the periods described in (a) or (b) above, subject to complying with any instructions from such Person as to the sale of such Shares.

7.6 ISO Status Following Termination of Employment.

An ISO shall be exercisable in accordance with its terms under this Plan and the applicable Option Agreement awarding the ISO. However, in order to retain its treatment as an ISO for U.S. federal income tax purposes, the ISO must be exercised within the time periods set forth below. If an ISO is not exercised within the time periods below, but the Option otherwise would remain exercisable following such time periods pursuant to the terms of the Option Agreement, then, following the expiration of the time periods below without exercise the ISO will be converted to a non-qualified stock option:

- (a) If a Participant who has been granted an ISO ceases to be an Employee for any reason other than the death or disability (within the meaning of Code Section 22(e)) of such Participant, such ISO must be exercised (to the extent such Option was exercisable on the date of termination) by such Participant within 90 days following the date of termination (but in no event beyond the Expiry Date of such ISO).
- (b) If a Participant who has been granted an ISO ceases to be an Employee due to the disability of such Participant (within the meaning of Code Section 22(e)), such ISO must be exercised (to the extent it is exercisable by its terms) by the earlier of (a) such date as determined by the Board, and (b) the date that is one year following the date of such disability, but in no event beyond the Expiry Date of such ISO.
- (c) For purposes of this Section 7.6, the employment of a Participant who has been granted an ISO shall not be considered interrupted or terminated upon (a) sick leave, military leave or any other leave of absence approved by the Company that does not exceed ninety (90) days in the aggregate; *provided, however*, that if reemployment upon the expiration of any such leave is guaranteed by contract or applicable law, such ninety (90) day limitation shall not apply, or (b) a transfer from one office of the Company (or of any subsidiary of the Company as defined in Code Section 424(f)) to another office of the Company (or of any such subsidiary) or a transfer between the Company and any such subsidiary.

7.7 Shareholder Approval for ISO Purposes.

In the event this Plan is not approved by the shareholders of the Company in accordance with the requirements of Section 422 of the Code within twelve (12) months of the date of adoption of this Plan (or the date of any later restatement of this Plan that adds or changes ISO provisions requiring shareholder approval), Options otherwise designated as ISOs will be non-qualified stock options.

7.8 Section 409A of the Code.

- (1) This Plan shall be construed and interpreted to be exempt from, or where not so exempt, to comply with Section 409A of the Code to the extent required to preserve the intended tax consequences of this Plan. To the extent that an Award or payment, or the settlement or deferral thereof, is subject to Section 409A of the Code, it is intended that the Award shall be granted, paid, settled or deferred in a manner that shall meet the requirements of Section 409A of the Code, such that the grant, payment, settlement or deferral shall not be subject to the additional tax or interest applicable under Section 409A of the Code. The Company reserves the right to amend this Plan to the extent it reasonably determines is necessary in order to preserve the intended tax consequences of this Plan in light of Section 409A of the Code. In no event shall the Company or any Subsidiary or Affiliate of the Company be liable for any tax, interest or penalties that may be imposed on a Participant under Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.
- (2) All terms of this Plan that are undefined or ambiguous must be interpreted in a manner that complies with Section 409A of the Code if necessary to comply with Section 409A of the Code.
- (3) Subject to compliance with the policies of the Stock Exchange, the Board, in its sole discretion, may permit the acceleration of the time or schedule of payment of a U.S. Taxpayer's vested Awards in this Plan under circumstances that constitute permissible acceleration events under Section 409A of the Code.
- (4) Notwithstanding anything in this Plan or any Award Agreement to the contrary, to the extent that any amount or benefit that constitutes "*deferred compensation*" to a Participant under Section 409A and applicable guidance thereunder is otherwise payable or distributable to a Participant under this Plan or any Award Agreement solely by reason of the occurrence of a Change of Control or due to the Participant's disability or Separation from Service, such amount or benefit shall not be payable or distributable to the Participant by reason of such circumstance unless the Board determines in good faith that (i) the circumstances giving rise to such Change of Control event, disability or Separation from Service meet the definition of a change in

control event, disability, or separation from service, as the case may be, in Section 409A(a)(2)(A) of the Code and applicable proposed or final regulations, or (ii) the payment or distribution of such amount or benefit would be exempt from the application of Section 409A by reason of the short term deferral exemption or otherwise. In order to comply with both Canadian and U.S. tax rules, RSUs and PSUs will be structured so that the designated settlement/payment date (the “**Scheduled Payment Date**”) for such Award shall in all cases be no later than the final Business Day of the third calendar year following the year in which the Award is granted, and settlement shall in fact occur by such final Business Day. Further, to the extent that any RSU or PSU is deferred compensation under Section 409A of the Code, then as to any Participant: (i) who is a U.S. Taxpayer, (ii) who is a “*specified employee*” within the meaning of Section 409A of the Code at the time of his or her Separation from Service, and (iii) whose RSU or PSU would by its terms be settled/paid pursuant earlier than the Scheduled Payment Date as a result of his or her Separation from Service, then settlement shall not occur earlier than the date that is six (6) months and one day following the date of Separation from Service, or as soon as practical following the date of the Participant’s death, if earlier, all to the extent required by Section 409A of the Code. With respect to DSUs of a U.S. Taxpayer, where settlement is to occur upon such Participant’s Separation from Service, if such Participant is a “*specified employee*” at the time of his or her Separation from Service, then settlement shall occur on the date that is six (6) months and one day following the date of Separation from Service, or, if earlier, as soon as practical following the date of the Participant’s death.

7.9 Section 83(b) Election.

If a Participant makes an election pursuant to Section 83(b) of the Code with respect to an Award of Shares subject to vesting or other forfeiture conditions, the Participant shall be required to promptly file a copy of such election with the Company.

ARTICLE 8—UNITED STATES SECURITIES LAW MATTERS

8.1 United States Securities Law Matters.

No Awards shall be made in the United States and no Shares shall be issued upon exercise, conversion or settlement of any such Awards in the United States unless such securities are registered under the U.S. Securities Act and any applicable U.S. state securities laws, or an exemption from such registration is available. Any Awards issued, and any Shares issued upon exercise, conversion or settlement thereof, will be “restricted securities” (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act). Any certificate or instrument representing such securities shall bear a legend restricting transfer under applicable United States federal and state securities laws in substantially the following form:

“THE SECURITIES REPRESENTED HEREBY [AND THE SECURITIES ISSUABLE UPON EXERCISE / CONVERSION / SETTLEMENT HEREOF] HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “U.S. SECURITIES ACT”), OR ANY U.S. STATE SECURITIES LAWS. THE HOLDER HEREOF, BY ACQUIRING SUCH SECURITIES, AGREES FOR THE BENEFIT OF THE COMPANY THAT SUCH SECURITIES MAY BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED, DIRECTLY OR INDIRECTLY, ONLY (A) TO THE COMPANY, (B) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH THE REQUIREMENTS OF RULE 904 OF REGULATIONS UNDER THE U.S. SECURITIES ACT AND IN COMPLIANCE WITH APPLICABLE LOCAL LAWS AND REGULATIONS, (C) PURSUANT TO THE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE U.S. SECURITIES ACT PROVIDED BY RULE 144 UNDER THE U.S. SECURITIES ACT, IF AVAILABLE, AND IN COMPLIANCE WITH ANY APPLICABLE U.S. STATE SECURITIES LAWS, OR (D) PURSUANT TO ANOTHER EXEMPTION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT AND ANY APPLICABLE U.S. STATE SECURITIES LAWS, AFTER, IN THE CASE OF TRANSFERS UNDER CLAUSE (C) OR (D), THE HOLDER HAS FURNISHED TO THE COMPANY AND ITS TRANSFER AGENT AN OPINION OF COUNSEL OF RECOGNIZED STANDING OR OTHER EVIDENCE REASONABLY SATISFACTORY TO THE COMPANY

AND ITS TRANSFER AGENT TO THE EFFECT THAT SUCH EXEMPTION(S) ARE AVAILABLE. THESE SECURITIES MAY NOT CONSTITUTE “GOOD DELIVERY” IN SETTLEMENT OF TRANSACTIONS ON CANADIAN STOCK EXCHANGES.”

The Board may require that a participant of this Plan provide certain representations, warranties and certifications to the Company to satisfy the requirements of applicable securities laws, including without limitation, the registration requirements of the U.S. Securities Act and applicable state securities laws or exemptions or exclusions therefrom.

ARTICLE 9—MISCELLANEOUS

9.1 Currency.

Unless otherwise specifically provided, all references to dollars in this Plan are references to Canadian dollars.

9.2 Compliance and Award Restrictions.

- (1) The Company’s obligation to issue and deliver Shares under any Award is subject to: (i) the completion of such registration or other qualification of such Shares or obtaining approval of such regulatory authority as the Company shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof; (ii) the admission of such Shares to listing on any stock exchange on which such Shares may then be listed; and (iii) the receipt from the Participant of such representations, agreements and undertakings as to future dealings in such Shares as the Company determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction. The Company shall take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Shares in compliance with applicable securities laws and for the listing of such Shares on any stock exchange on which such Shares are then listed.
- (2) The Participant agrees to fully cooperate with the Company in doing all such things, including executing and delivering all such agreements, undertakings or other documents or furnishing all such information as is reasonably necessary to facilitate compliance by the Company with such laws, rule and requirements, including all tax withholding and remittance obligations.
- (3) No Awards shall be granted where such grant is restricted pursuant to the terms of any trading policies or other restrictions imposed by the Company.
- (4) The Company is not obliged by any provision of this Plan or the grant of any Award under this Plan to issue or sell Shares if, in the opinion of the Board, such action would constitute a violation by the Company or a Participant of any laws, rules and regulations or any condition of such approvals.
- (5) If Shares cannot be issued to a Participant upon the exercise or settlement of an Award due to legal or regulatory restrictions, the obligation of the Company to issue such Shares shall terminate and, if applicable, any funds paid to the Company in connection with the exercise of any Options shall be returned to the applicable Participant as soon as practicable.

9.3 Use of an Administrative Agent and Trustee.

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent to administer the Awards granted under this Plan and to act as trustee to hold and administer the assets that may be held in respect of Awards granted under this Plan, the whole in accordance with the terms and conditions determined by the Board in its sole discretion. The Company and the administrative agent shall maintain records showing the number of Awards granted to each Participant under this Plan.

9.4 Tax Withholding.

- (1) Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant)

under this Plan shall be made net of applicable source deductions. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding obligation may be satisfied by (a) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 8.3 hereof, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which shall in turn remit such amounts to the appropriate governmental authorities, or (b) any other mechanism as may be required or appropriate to conform with local tax and other rules.

- (2) The sale of Shares by the Company, or by a broker engaged by the Company (the "**Broker**"), under Section 8.4(1) or under any other provision of this Plan shall be made on the Stock Exchange. The Participant consents to such sale and grants to the Company an irrevocable power of attorney to effect the sale of such Shares on his or her behalf and acknowledges and agrees that (i) the number of Shares sold shall be, at a minimum, sufficient to fund the withholding obligations net of all selling costs, which costs are the responsibility of the Participant and which the Participant hereby authorizes to be deducted from the proceeds of such sale; (ii) in effecting the sale of any such Shares, the Company or the Broker shall exercise its sole judgment as to the timing and the manner of sale and shall not be obligated to seek or obtain a minimum price; and (iii) neither the Company nor the Broker shall be liable for any loss arising out of such sale of the Shares including any loss relating to the pricing, manner or timing of the sales or any delay in transferring any Shares to a Participant or otherwise.
- (3) The Participant further acknowledges that the sale price of the Shares shall fluctuate with the market price of the Shares and no assurance can be given that any particular price shall be received upon any sale.
- (4) Notwithstanding the first paragraph of this Section 8.4, the applicable tax withholdings may be waived where the Participant directs in writing that a payment be made directly to the Participant's registered retirement savings plan in circumstances to which regulation 100(3) of the regulations of the Tax Act apply.

9.5 Reorganization of the Company.

The existence of any Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

9.6 No Other Benefit.

No amount shall be paid to, or in respect of, a Participant under this Plan to compensate for a downward fluctuation in the price of a Share, nor shall any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

9.7 Conflict.

Subject to compliance with the policies of the Stock Exchange, in the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of this Plan shall govern. In the event of any conflict between or among the provisions of this Plan or any Award Agreement, on the one hand, and a Participant's Employment Agreement with the Company or a Subsidiary, as the case may be, on the other hand, the provisions of this Plan shall prevail.

9.8 Anti-Hedging Policy.

By accepting the Option or Award each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options or Awards.

9.9 Participant Information

Each Participant shall provide the Company with all information (including personal information) required by the Company in order to administer this Plan (including as to whether the circumstances described in Section 7.3 exist). Each Participant acknowledges that information required by the Company in order to administer this Plan may be disclosed to any custodian appointed in respect of this Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of this Plan. Each Participant consents to such disclosure and authorizes the Company to make such disclosure on the Participant's behalf.

9.10 No Representations or Warranties

The Company makes no representation or warranty as to the value of any Award granted or issued under this Plan or as to the future value of the any Shares issued pursuant to any Award.

9.11 Successors and Assigns

This Plan shall be binding on all successors and assigns of the Company and its Subsidiaries.

9.12 General Restrictions on Assignment

Except as required by law, the rights of a Participant under this Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Board.

9.13 Governing Laws.

This Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

9.14 Submission to Jurisdiction

The Company and each Participant irrevocably submits to the exclusive jurisdiction of the courts of competent jurisdiction in the Province of British Columbia in respect of any action or proceeding relating in any way to this Plan, including, without limitation, with respect to the grant of Awards and any issuance of Shares made in accordance with this Plan.

9.15 Severability.

The invalidity or unenforceability of any provision of this Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from this Plan.

9.16 Notices.

All written notices to be given by a Participant to the Company shall be delivered personally, e-mail or mail, postage prepaid, addressed as follows:
