

Wolf Acquisition Corp.
Management Discussion and Analysis
For the Periods Ended September 30, 2018

November 29, 2018

The following management discussion and analysis (“MD&A”) of the results of the operations and financial position of Wolf Acquisition Corp. (the “Company”) for the periods ended September 30, 2018 should be read in conjunction with the Company’s unaudited condensed interim financial statements for the periods ended September 30, 2018. All figures contained in this MD&A are presented in Canadian dollars.

Forward-Looking Statements

Certain statements contained in this MD&A may constitute forward-looking statements. These statements relate to future events or the Company’s future performance. All statements, other than statements of historical fact, may be forward-looking statements.

Forward-looking statements are often, but not always, identified by the use of words such as “seek”, “anticipate”, “plan”, “continue”, “estimate”, “expect”, “may”, “will”, “project”, “predict”, “propose”, “potential”, “targeting”, “intend”, “could”, “might”, “should”, “believe” and similar expressions. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. The Company believes that the expectations reflected in those forward-looking statements are reasonable but no assurance can be given that these expectations will prove to be correct and such forward-looking statements included in this MD&A should not be unduly relied upon by investors as actual results may vary. These statements speak only as of the date of this MD&A and are expressly qualified, in their entirety, by this cautionary statement. The Company’s actual results could differ materially from those anticipated in these forward-looking statements as a result of various risk factors.

The Company

The Company was incorporated under the Canada Business Corporations Act on January 25, 2018 and is classified as a Capital Pool corporation, as defined in the Policy 2.4 of the TSX Venture Exchange (the “Exchange”).

The principal business of the Company will be the identification and evaluation of assets or businesses with a view to completing a Qualifying Transaction (“QT”). The Company has not commenced operations and has no assets other than cash held in trust and prepaid expenses. The Company’s continuing operations as intended are dependent upon its ability to identify, evaluate and negotiate an acquisition, or business, or an interest therein. Such an acquisition will be subject to the approval of the regulatory authorities concerned and, in the case of a non-arm’s length transaction, of the majority of the minority shareholders.

The proceeds raised from the issuance of share capital may only be used to identify and evaluate assets or businesses for future investment, with the exception that up to the lesser of 30% of the gross proceeds realized by the Company in respect of the sale of its securities or \$210,000, may be used for purposes other than evaluating businesses or assets. These

restrictions apply until completion of a QT by the Company as defined under the policies of the Exchange. The Company is required to complete its QT on or before two years from the date the Company receives regulatory approval.

On October 5, 2018, the Corporation entered into a binding letter agreement dated October 5, 2018 with Abaxx Technologies Inc. (“Abaxx”) to effect a business combination of the two companies (the “Proposed Transaction”). The Proposed Transaction will be a reverse takeover of the Corporation by Abaxx and its shareholders and is intended to constitute the Corporation’s QT under the policies of the Exchange.

The head office and the registered head office of the Company is located at 20 Blue Jays Way, Suite 1406, Toronto, Ontario M5V 3W6.

On November 29, 2018 the Board of Directors approved the unaudited condensed interim financial statements for the periods ended September 30, 2018.

Negative cash flows of \$70,048 were recorded from operating activities during the period ended September 30, 2018. This is primarily due to outflows relating to filing fees and professional fees.

Outstanding Share Data

As of the date of this MD&A, 5,500,001 common shares are issued and outstanding.

On January 26, 2018 and June 11, 2018, the Corporation issued, as seed shares, an aggregate of 2,500,001 common shares at \$0.05 per share for total gross proceeds of \$125,000.05.

On August 20, 2018, the Corporation completed its Initial Public Offering (the "IPO"). The Corporation entered into an agency agreement with Richardson GMP Limited (the "Agent") for the offering of 3,000,000 common shares at \$0.10 per share to raise gross proceeds of \$300,000. Other than a payment of a corporate finance fee and reimbursement of legal fees and other reasonable expenses incurred to the Agent, the Corporation has also paid a commission equivalent to 10% of gross proceeds, and granted an option that entitles the Agent to acquire an aggregate of 300,000 common shares (the "Agent's Warrants") at an exercise price of \$0.10 per share exercisable until August 22, 2020.

On August 20, 2018, the Corporation granted 550,000 incentive stock options to directors and officers, at an exercise price of \$0.10 per share, exercisable for a period of ten years from the date of grant.

The Company's common shares commenced trading on the Exchange under the trading symbol "WOLF" on August 22, 2018.

Off-Balance Sheet Arrangements

The Company has not had any off-balance sheet arrangements from the date of its incorporation to the date of this MD&A.

Related Party Transactions

There are no transactions with related parties and no remuneration was paid to key management personnel during the period ended September 30, 2018.

All common shares issued on January 26, 2018 and June 11, 2018 were subscribed by directors and officers of the Company and corporations with common directors or officers as the Company.

Capital Management

The Company's objective when managing capital is to maintain its ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders.

The Company includes equity, comprised of share capital, contributed surplus and deficit, in the definition of capital.

The Company's primary objective with respect to its capital management is to ensure that it has sufficient cash resources to fund the identification and evaluation of potential acquisitions. To secure the additional capital necessary to pursue these plans, the Company may attempt to raise additional funds through the issuance of equity or by securing strategic partners.

The proceeds raised from the issuance of common shares may only be used to identify and evaluate assets or businesses for future investment, with the exception that not more than the lesser of 30% of the gross proceeds from the issuance of shares or \$210,000 may be used to cover prescribed costs of issuing the common shares or administrative and general expenses of the Company. These restrictions apply until completion of a QT by the Company as defined under the Exchange policy 2.4.

Risk Disclosures and Fair Values

The Company's financial instruments, consisting of cash, approximate fair value due to the relatively short-term maturity of the instruments. It is management's opinion that the Company is not exposed to significant interest, currency or credit risks arising from these financial instruments.

Critical Accounting Estimates

The Company's significant accounting policies are in accordance with the International Financial Reporting Standards ("IFRS") issued by the International Accounting Standards Board ("IASB") and Interpretations of the International Financial Reporting Interpretations Committee ("IFRIC").

Additional Information
