- 8.15 Until the Corporation completes a Qualifying Transaction, the Corporation will comply in all material respects with all applicable provisions of the CPC Policy.
- 8.16 The Corporation will use its commercially reasonable efforts to maintain its status as a reporting issuer not in default of any Applicable Securities Laws in the Offering Jurisdictions for a period of 24 months following the date that its Common Shares are listed for trading on the Exchange and will use its best efforts to maintain its listing on the Exchange during such 24 months and to complete a Qualifying Transaction within 24 months of the date the Offered Shares are listed on the Exchange.

dissemination in the United States” and “This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any state in the United States in which such offer, solicitation or sale would be unlawful. The securities referred to herein have not been and will not be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.”

- 8.18 The Closing shall occur at the Time of Closing on the Closing Date at the offices of the Corporation’s counsel, or such other location as may be agreed to between the Corporation and the Agent.

9. EXPENSES

- 9.1 All reasonable costs and expenses of or incidental to the transaction herein contemplated and the issue and sale of the Offered Shares hereunder, including the reasonable expenses of the Agent and the reasonable fees, charges and expenses of the Agent’s counsel pursuant to sections 2.3 hereof, the fees and expenses payable to the Exchange and the Commissions, the fees and disbursements of qualifying the offering of the Offered Shares for sale to the public under the Applicable Securities Laws, the preparation of the Preliminary Prospectus and the Prospectus and the printing of the Prospectus, and the fees, charges and expenses of the counsel and auditors of the Corporation are to be assumed and paid by the Corporation, whether or not the offering of the Offered Shares is completed.

10. INDEMNIFICATION OF AGENT

- 10.1 The Corporation hereby covenants and agrees to protect and indemnify and save harmless the Agent and each of its subsidiaries and affiliates, and each of their respective directors, officers, partners, employees, agents, each shareholder of the Agent any of their respective subsidiaries or affiliates, and the successors and assigns of all the foregoing persons and any other registrants retained by the Agent as sub-agents pursuant to section 2.2 hereof (collectively the “**Indemnified Persons**”), from and against all actual or threatened claims, actions, suits, investigations and proceedings (collectively the “**Proceedings**”) and all losses, claims, damages, liabilities, costs or expenses (except loss of profits) (collectively “**Liabilities**”) caused or incurred by reason of or resulting directly or indirectly from:

- (a) any Misrepresentation or alleged Misrepresentation contained in the Preliminary Prospectus or in the Prospectus, or in any Supplemental Material or other document that may be filed by or on behalf of the Corporation under the Applicable Securities Laws, or in any written or oral representation made by the Corporation to a Subscriber, except any Misrepresentation which is based upon information relating solely to the Agent and furnished to the Corporation by the Agent expressly for inclusion in the Preliminary Prospectus or the Prospectus or any Supplementary Material;
- (b) any order, inquiry or investigation related to the Offering arising out of any statement contained in the Prospectus (except any statement which is based upon information relating solely to the Agent and furnished to the Corporation by the Agent expressly for inclusion in the Prospectus), or in any written or oral representation made by the Corporation to a Subscriber, and brought by the Commissions, the Exchange or any other securities commission, stock exchange or similar regulatory authority, except such orders, inquiries and investigations relating solely to the Indemnified Persons or any one of them;

- (c) any breach of the representations, warranties and covenants of the Corporation contained herein;
- (d) any prohibition or restriction of trading in the Offered Shares or the Common Shares received upon exercise of the Agent's Option, or any prohibition affecting the distribution of the Offered Shares or the Common Shares received upon exercise of the Agent's Option which may be ordered by any one or more competent authorities if such prohibition or restriction of trading is based on any Misrepresentation in the Preliminary Prospectus, Prospectus or any Supplementary Material, or in any written or oral representations made by the Corporation to a Subscriber, except any Misrepresentation which is based upon information relating solely to the Agent and furnished to the Corporation by the Agent expressly for inclusion in the Preliminary Prospectus or the Prospectus or any Supplementary Material;
- (e) any Subscriber effectively rescinding its subscription for the Offered Shares pursuant to a right of rescission under which a Subscriber may rescind a contract on the grounds that the Prospectus contains a Misrepresentation, or in the event a determination is made by any competent authority setting aside the sale of the Offered Shares, except any Misrepresentation which is based upon information relating solely to the Agent and furnished to the Corporation by the Agent expressly for inclusion in the Prospectus or any determination that arises out of any act or omission of the Agent; and
- (f) the Prospectus or any Supplementary Material failing to comply with the requirements of the Applicable Securities Laws so as to permit the lawful sale of Offered Shares or by reason of the Corporation having failed to take or cause to be taken such steps or proceedings as were necessary to permit the lawful sale of Offered Shares as contemplated by the Prospectus and this Agreement;

provided that if and to the extent that a court of competent jurisdiction in a final judgment from which no appeal can be made shall determine that such Proceedings or Liabilities resulted solely from the fraud, gross negligence or wilful misconduct of the Indemnified Person, this indemnity shall cease to apply to such Indemnified Person with respect to such Proceedings or Liabilities.

10.2 If any matter or thing contemplated by this section 10 shall be asserted against any Indemnified Persons, the Agent shall notify the Corporation as soon as possible of the nature of such claim and the Corporation shall be entitled (but not required) to assume the defence of any suit or proceeding brought to enforce such claim; provided however, that the defence shall be through legal counsel acceptable to the Indemnified Person, acting reasonably, and that no settlement may be made by the Corporation or the Indemnified Person without the prior written consent of the other, acting reasonably. If the Corporation assumes the defence of any such suit, each of the Indemnified Persons shall continue to have the right to employ their own counsel, who shall be acceptable to the Corporation, in any proceeding relating to the claim contemplated by this section 10 and the fees and expenses of a reasonable number of such counsel shall be recoverable by the Indemnified Persons from the Corporation to the extent that the same shall be covered by the indemnity in this section 10 if:

- (a) the Indemnified Persons have been advised by such counsel that there may be legal defences available to them which are different from or additional to defences available to the Corporation (in which case the Corporation shall not have the right to assume the defence of such proceedings on their behalf);

- (b) the Corporation shall not have undertaken the defence of such proceedings and employed counsel within fifteen (15) days after receiving written notice of commencement of such proceedings; or
- (c) the employment of such counsel has been authorized by the Corporation in connection with the defence of such proceeding.

10.3 In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in this Agreement is due in accordance with its terms but is (in whole or in part), for any reason, held by a court to be unavailable from the Corporation on policy grounds or otherwise, each of the Corporation and the Indemnified Persons shall contribute to the aggregate Liabilities (or Proceedings in respect thereof) to which they may be subject or which they may suffer or incur:

- (a) in such proportion as is appropriate to reflect the relative benefit received by the Corporation on the one hand and by the Indemnified Persons on the other hand from the offering contemplated herein; or
- (b) if the allocation provided by subsection (a) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in subsection (a) above, but also to reflect the relative fault of the Indemnified Persons, on the one hand, and the parties from whom indemnity is sought, on the other hand, in connection with the statement, omission, Misrepresentation or alleged Misrepresentation, order, inquiry, investigation or other matter or thing which resulted in such Liabilities, as well as any other relevant equitable considerations.

The relative benefits received by the Corporation, on the one hand, and the Indemnified Persons, on the other hand, shall be deemed to be in the same proportion that the total proceeds of the offering contemplated herein received by the Corporation (net of fees but before deducting expenses) and the fees received by the Agent. In the case of liability arising out of the Prospectus, the relative fault of the Corporation, on the one hand, and of the Indemnified Persons, on the other hand, shall be determined by reference, among other things, to whether the statement, omission, Misrepresentation or alleged Misrepresentation, order, inquiry, investigation or other matter or thing referred to in section 10.1 which resulted in such Liabilities relates to information supplied or which ought to have been supplied by, or steps or actions taken or done on behalf of or which ought to have been taken or done on behalf of, the Corporation or the Indemnified Persons, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement, omission, Misrepresentation or alleged Misrepresentation, order, inquiry, investigation or other matter or thing referred to in section 10.1.

The amount paid or payable to an Indemnified Person as a result of any Proceedings or Liabilities shall, without limitation, include any legal or other expenses reasonably incurred by the Indemnified Person in connection with investigating or defending such Proceedings or Liabilities, whether or not resulting in any formal action, suit, proceeding or claim.

The Corporation agrees that it would not be just and equitable if contributions pursuant to this Agreement were determined by pro rata allocation or by any other method of allocation which does not take into account the equitable considerations referred to in the immediately preceding paragraphs. Any liability of the Indemnified Persons under this section 10.3 shall be limited to the amount of the fees payable to the Agent pursuant to section 2.5 hereof.

- 10.4 The rights to indemnify and right of contribution provided in the foregoing sections shall be in addition to and not in derogation of any other right to contribution which the Indemnified Persons may have by any statute or otherwise at law or in equity. The Corporation waives all rights of contribution that it may have against any Indemnified Persons relating to any Liability or Proceeding in respect of which the Corporation has agreed to indemnify the Indemnified Persons hereunder.
- 10.5 It is the intention of the Corporation to constitute the Agent as trustee for the Indemnified Persons for the purposes of section 10.1 to 10.4, inclusive, and the Agent shall be entitled, as trustee to enforce such covenants on behalf of any other Indemnified Persons.
- 10.6 If any Proceeding is brought in connection with the transactions contemplated by this Agreement and the Agent is required to testify in connection therewith or is required to respond to procedures designed to discover information relating thereto, it will have the right to employ its own counsel in connection therewith, and the fees and disbursements of such counsel in connection therewith and any other reasonable costs and out-of-pocket expenses incurred by them in connection therewith as well as its reasonable fees at the normal per diem rate for the Agent's directors, officers, employees and agents involved in preparation for and attendance at such Proceedings or in so responding will be paid by the Corporation as they are incurred, provided that the Corporation shall not be liable to pay any such fees, costs or expenses if the Proceedings is brought solely in relation to activities or alleged activities of the Agent or its sub-agents retained pursuant to section 2.2 hereof.
- 10.7 The obligations under the indemnity and right of contribution provided for herein shall apply whether or not the transactions contemplated by this Agreement are completed and shall survive the completion of the transactions contemplated under this Agreement and the termination of this Agreement.

11. TERMINATION AND ADDITIONAL CONDITIONS TO THE AGENT'S OBLIGATIONS

- 11.1 If at any time prior to the Time of Closing:
- (a) in the opinion of the Agent, acting reasonably, there shall have occurred any material change or change in material fact in relation to the Corporation or there shall be discovered any previously undisclosed material fact in each case which would be expected to result in a material adverse change in relation to the Corporation or have a material adverse effect on the market price or value of the Common Shares;
 - (b) any inquiry, action, investigation or other proceeding (whether formal or informal) is made, announced or threatened or any order is issued by any federal, provincial, state, municipal or other governmental department, commission, board, bureau, agency, regulatory authority or other instrumentality including, without limitation, the Exchange or any other stock exchange or quotation or any securities regulatory authority involving the Corporation's securities, directors or officers (except for any inquiry, action, investigation or other proceeding based upon activities of the Agent and not upon activities of the Corporation) or any law or regulation is enacted or changed, which, in the opinion of the Agent, acting reasonably, prevents or restricts trading in or the distribution of the securities of the Corporation or the Offered Shares or materially and adversely affects or might reasonably be expected to materially and adversely affect the market price or value of the securities of the Corporation or the Offered Shares;

- (c) there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence of national or international consequence (including terrorism) or any law or regulation which, in the opinion of any of the Agent, acting reasonably, materially adversely affects or involves, the Canadian financial markets or the business, operations or affairs of the Corporation;
- (d) the Agent becomes aware of, as a result of its due diligence review or otherwise, of any material adverse change, or a change in any material fact or any material fact with respect to the Corporation (in the sole opinion of the Agent, acting reasonably) which has not been disclosed to the Agent prior to the date hereof; or the Agent is not satisfied, acting reasonably, with the results of its due diligence review in respect of the Corporation, its directors and officers, its securities, assets or operations, the tax attributes of the Offered Securities or otherwise;
- (e) any new or amended Prospectus discloses information which, in the Agent's opinion, acting reasonably, results at any time prior to the Time of Closing in the Subscribers of a material amount of the Offered Shares exercising their rights under the Applicable Securities Laws to withdraw from or rescind their purchase thereof;
- (f) an order to cease or halt trading in the Offered Shares or any other securities of the Corporation has been made by the Commissions, the Exchange or any other securities commission, stock exchange or other regulatory authority having jurisdiction over the Corporation and has not been rescinded, revoked or withdrawn;
- (g) there is any material breach or non-performance of any of the covenants, representations and warranties of the Corporation contained in this Agreement that has not been rectified or remedied to the satisfaction of the Agent, acting reasonably;
- (h) there is any amendment to Applicable Securities Laws which will, in the Agent's opinion, acting reasonably, increase the costs and expenses incurred or to be incurred by the Agent in connection with the offering of Offered Shares, or impose any limitations or restrictions on the exercise of the Agent's Option or on the subsequent trading of the Common Shares acquired, or which may be acquired, by the Agent pursuant to the exercise of the Agent's Option; or
- (i) the state of financial markets in Canada is such that, in the reasonable opinion of the Agent, the Offered Shares cannot be marketed profitably or successfully.

The Agent shall be entitled, at its option, acting reasonably, to terminate and cancel its obligations under this Agreement with no liability on the Agent's part, by written notice to that effect given to the Corporation not later than the Time of Closing. In the event of any such termination pursuant to the provisions of this section 11, the Corporation's obligations under this Agreement shall be at an end save and except that the Corporation shall be liable to make payment of such of the costs and expenses provided for in sections 2 and 9 to be payable by the Corporation, as shall previously have been incurred by the Agent and the indemnities contained in section 10 shall remain in full force and effect.

AGENT'S OPTION AGREEMENT

MEMORANDUM OF AGREEMENT dated the _____ day of _____, 2018.

BETWEEN:

RICHARDSON GMP LIMITED., a corporation with an office in the City of Calgary, in the Province of Alberta (the "**Agent**")

- and -

WOLF ACQUISITION CORP., a corporation incorporated under the laws of Ontario, with its head office in the City of Toronto, in the Province of Ontario (the "**Corporation**")

WHEREAS the Corporation has agreed pursuant to an agreement dated the 2nd day of August, 2018 (the "**Agency Agreement**") to grant the Agent an option to purchase 300,000 Common Shares in the capital of the Corporation in consideration of the Agent's services performed under the Agency Agreement;

NOW THEREFORE, THIS AGREEMENT WITNESSETH that in consideration of the premises, mutual covenants and agreements herein contained, it is hereby agreed by and between the parties hereto as follows:

1. OPTION

The Corporation hereby grants to the Agent, subject to the terms and conditions hereinafter set out, an irrevocable option to purchase 300,000 Common Shares in the capital of the Corporation.

2. EXERCISE DATE

The option granted hereunder shall be exercised on or before the expiration of 24 months from the date of the listing and posting of the Common Shares on the Exchange (the "**Expiry Date**"), after which all rights granted hereunder shall terminate. The Agent agrees that only up to a total of 150,000 Common Shares obtained by the Agent pursuant to the exercise of this option may be sold prior to the Completion of a Qualifying Transaction (as that term is defined in the CPC Policy) by the Corporation. The remaining 150,000 Common Shares may only be sold after Completion of a Qualifying Transaction. The Exchange may vary these requirements in exceptional circumstances upon the application by the Agent.

3. EXERCISE PRICE

The exercise price shall be the sum of \$0.10 per Common Share.

4. EXERCISE OF OPTION

The option granted hereunder may be exercised in whole or in part, at any time and from time to time, on or prior to 4:30 p.m. (Toronto time) on the Expiry Date, by the Agent giving a notice to the Corporation in writing at the address specified in the Agency Agreement, specifying therein the number of optioned shares in respect of which the option is being exercised, accompanied by payment in cash, certified cheque or bankers' draft payable to the Corporation in full payment of the purchase price for such number of optioned shares so specified therein.

5. SHARE CERTIFICATES

Upon exercise of the option, the Corporation shall forthwith cause the Transfer Agent to deliver to the Agent or as the Agent may otherwise in writing direct in the notice of exercise of option, within three (3) business days following the receipt by the Corporation of payment for the number of optioned shares so exercised, a certificate or certificates representing in the aggregate such number of optioned shares as the Agent may have paid for.

6. NO RIGHTS OF SHAREHOLDER UNTIL EXERCISE

The Agent shall have no rights whatsoever as a shareholder (including any right to receive dividends or other distributions to shareholders or to vote at a general meeting of the shareholders of the Corporation) other than in respect to shares in respect of which the Agent shall have exercised its right to purchase hereunder and which the Agent shall have actually taken up and paid for.

7. NON-TRANSFERABLE

The rights conferred hereunder shall be non-transferable.

8. NO FRACTIONAL COMMON SHARES

No fractional Common Shares will be issued on exercise of this option, or any compensation made for such fractional Common Shares, if any.

9. DILUTION

In the event of any reclassification, subdivision or redivision of the issued Common Shares of the Corporation at any time prior to the Expiry Date into a greater number of Common Shares (including the declaration or payment of any stock dividend), the Corporation shall deliver at the time of any exercise thereafter of the option hereby granted, at no additional cost to the Agent, but only as to the Common Shares in respect of which the option is then exercised, the number of Common Shares which the Agent would have been entitled to if it had exercised the option and held the Common Shares immediately prior to the date of reclassification, subdivision or redivision. The Agent shall pay for the number of Common Shares delivered upon exercise as aforesaid an amount calculated by multiplying the exercise price by the number of Common Shares over which the right would have been exercised if such exercise had been made prior to the date of such reclassification, subdivision or redivision.

In the event of any consolidation or change in the Common Shares of the Corporation at any time prior to the Expiry Date into a lesser number of Common Shares, the Corporation shall deliver at the time of any exercise thereafter of the option hereby granted, but only as to the Common Shares in respect of which the option is then exercised, the number of Common Shares which the Agent would have been entitled to if it had exercised the option and held the Common Shares immediately prior to the date of

such consolidation or change. The Agent shall pay for the number of Common Shares delivered upon exercise as aforesaid, an amount calculated by multiplying the exercise price by the number of Common Shares over which the right would have been exercised if such exercise had been made prior to the date of such consolidation or change.

In the event that the Corporation shall at any time prior to the Expiry Date, amalgamate, consolidate with or merge into another corporation, the Agent shall thereafter receive, upon the exercise of its option, but only as to the Common Shares in respect of which the option is then exercised, the securities or property which the Agent would have been entitled to if it had exercised the option and held the Common Shares immediately prior to the amalgamation, consolidation or merger, and the Corporation will take steps in connection with such amalgamation, consolidation or merger as may be necessary to ensure that the provisions hereof shall thereafter be applicable, as near as reasonably may be possible in relation to any securities or properties thereafter delivered upon the exercise of the option hereby granted. A sale of all or substantially all of the assets of the Corporation for a consideration (apart from the assumption of obligations) consisting primarily of securities, shall be deemed a consolidation, amalgamation or merger for the foregoing purposes.

Adjustments shall be made successively whenever any event referred to in this paragraph shall occur. Upon any adjustment of the number of Common Shares which may be purchased hereunder, the Corporation shall give written notice to the Agent, giving particulars of such adjustment. In the event the Corporation agrees to sell all or substantially all of the assets of the Corporation for cash, it shall give the Agent at least thirty (30) days' notice prior to the date of finalization of such proposed sale, determined as of the date of notice. In the event of the liquidation, dissolution or winding-up of the affairs of the Corporation, the right to exercise this option shall terminate ten (10) days before the earliest day fixed for the payment of any distribution amount on the Common Shares of the Corporation, provided at least thirty (30) days' notice of such payment date shall be given to the Agent, determined as of the date of notice.

10. RESERVATION OF TREASURY SHARES

The Corporation shall at all times, during the term of this Agreement, reserve and keep available a sufficient number of unissued Common Shares to satisfy the requirements hereof.

11. FURTHER ASSURANCES

The parties hereto covenant that they shall and will from time to time and at all times hereafter do and perform all such acts and things and execute all such additional documents as may be required to give effect to the terms and intention of this Agreement.

Capitalized terms used herein that are not otherwise defined shall have the same meaning as provided in the Agency Agreement.

15. ENUREMENT

Subject to the other provisions hereof, this Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, administrators, successors and permitted assigns.

16. COUNTERPART

This Agreement may be executed in several counterparts, each of which when so executed shall be deemed to be an original, and all such counterparts together shall constitute one and the same agreement. The parties hereto shall be entitled to rely on delivery of a facsimile or other electronic copy of the executed counterpart.

IN WITNESS WHEREOF the parties hereto have executed this Agreement as of the day and year first above written.
