Re: Mobio Technologies Inc. (the “Company”) – Refiling of Management’s Discussion and Analysis for three months ended April 30, 2020 and 2019.

The Company’s Management’s Discussion and Analysis for three months ended April 30, 2020 and 2019 (“MD&A”) were refiled on July 6, 2020. In the original filing completed on June 25, 2020, the Company’s Financial Statements for the three months ended April 30, 2020 and 2019 were filed instead of the MD&A under the file name *MBO_MDA_Q3_2020.pdf*.

The refiling was made voluntarily once the error was discovered by the Company. Refiling of the MD&A had no changes or impact on any element of such financial statements or the notes thereto.

Yours truly,

Mobio Technologies Inc.
