CERTIFICATE OF QUALIFIED PERSON

Colin Hardie, P.Eng.

This certificate applies to the NI 43-101 Technical Report titled "Pine Point Zinc-Lead Project Mineral Resource Estimate Update" (the "Technical Report"), prepared for Osisko Metals Incorporated ("Osisko") and Pine Point Mining Limited ("PPML"), dated August 9, 2024, with an effective date of May 31, 2024.

I, Colin Hardie, P.Eng., as a co-author of the Technical Report, do hereby certify that:

1. I am a senior consultant within the Mining and Metals Business Line with the firm BBA Inc., located at 2020 Robert-Bourassa Blvd., Suite 300, Montréal, Québec, H3A 2A5, Canada.
2. I graduated from the University of Toronto, Ontario Canada, in 1996 with a B.A.Sc. in Geological and Mineral Engineering. In 1999, I graduated from McGill University of Montréal, Québec Canada, with an M.Eng. in Metallurgical Engineering and in 2008 obtained a Master of Business Administration (MBA) degree from the University of Montréal (HEC), Québec Canada.
3. I am a member in good standing of the Northwest Territories Association of Professional Engineers and Geoscientists (NAPEG Member No. L4147) and of the Canadian Institute of Mining, Metallurgy, and Petroleum (Member No. 140556). I have practiced my profession continuously since my graduation.
4. I have been employed in mining operations, consulting engineering and applied metallurgical research for over 25 years. My relevant project experience includes metallurgical testwork analysis, flowsheet development, cost estimation and financial modeling. Prior to joining BBA, I spent 8 years in multiple roles working at several base metal processing operations and research laboratories for companies including BHP, Noranda, Falconbridge and Xstrata in the United States and Canada. Since joining BBA in 2008, I have worked as a senior process engineer and/or lead study integrator for numerous North American iron ore, precious metal, industrial mineral, and base metal projects.
5. I have read the definition of "qualified person" set out in the NI 43-101 – Standards of Disclosure for Mineral Projects ("NI 43-101") and certify that, by reason of my education, affiliation with a professional association, and past relevant work experience, I fulfill the requirements to be a qualified person for the purposes of NI 43-101.
6. I am independent of the issuer applying all the tests in Section 1.5 of NI 43-101.
7. I am author and responsible for the preparation of Chapter 13. I am also co-author and responsible for the relevant portions of Chapters 1, 2, 3, 25, 26 and 27 of the Technical Report.
8. I have visited the Pine Point Property that is the subject of the Technical Report on October 9, 2019.
9. I have had prior involvement with the property that is the subject of the Technical Report as I contributed to the 2022 Pine Point Lead-Zinc Project Preliminary Economic Assessment, prepared for Osisko Metals Inc., dated August 26, 2022, with an effective date of July 11, 2022.
10. I have read NI 43-101, and the sections of the Technical Report for which I am responsible have been prepared following NI 43-101 rules and regulations.
11. As at the effective date of the Technical Report, to the best of my knowledge, information and belief, the sections of the Technical Report for which I am responsible contain all scientific and technical information that is required to be disclosed to make the portions of the Technical Report for which I am responsible not misleading.

Signed and sealed this 9th day of August, 2024.

Original signed and sealed on file

Colin Hardie, P.Eng.
