SOMA GOLD CORP.

INFORMATION CIRCULAR

(as at November 7, 2025, unless indicated otherwise)

This Information Circular is furnished to you in connection with the solicitation of Proxies by the management of Soma Gold Corp. (“we”, “us” or the “Company”) for use at the Annual General Meeting (the “Meeting”) of shareholders of the Company to be held on Friday, December 12, 2025, at 10:00 a.m. and at any adjournment or postponement of the Meeting. The Company will conduct its solicitation by mail, and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit Proxies. We do not reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign Proxies. We will pay the expenses of this solicitation.

APPOINTMENT OF PROXIES

The persons named as proxy holders in the enclosed Proxy are the Company’s directors or officers. As a shareholder, you have the right to appoint a person who need not be a shareholder in place of the persons named in the Proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the Proxy and strike out the other names or complete and deliver another appropriate Proxy.

A Proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

COMPLETION AND VOTING OF PROXIES

Voting at the Meeting will be by a show of hands, each shareholder having one vote, unless a poll is requested, in which case each shareholder is entitled to one vote for each share held. In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “**ordinary resolution**”), unless the motion requires a special resolution, in which case a majority of two-thirds (2/3) of the votes cast will be required.

A shareholder or intermediary acting on behalf of a shareholder may indicate the manner in which the persons named in the enclosed Proxy are to vote with respect to any matter by checking the appropriate space. On any poll required by a shareholder or proxyholder requesting a poll, those persons will vote or withhold from voting the shares in respect of which they are appointed in accordance with the directions, if any, given in the Proxy provided such directions are certain.

If you or an intermediary acting on your behalf wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **IN SUCH INSTANCE, THE PROXYHOLDER, IF ONE PROPOSED BY MANAGEMENT, INTENDS TO VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.** The enclosed Proxy, when properly signed, also confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may be properly brought before the Meeting. At the time of printing this Information Circular, our management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. If, however, other matters which are not now known to management should properly come before the Meeting, the persons named in the Proxy intend to vote on such other business in accordance with their best judgment.

The Proxy must be dated and signed by you or by your attorney authorized in writing or by the intermediary acting on your behalf. In the case of a corporation, the Proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

COMPLETED PROXIES TOGETHER WITH THE POWER OF ATTORNEY OR OTHER AUTHORITY, IF ANY, UNDER WHICH IT WAS SIGNED OR A NOTARIALY CERTIFIED COPY THEREOF MUST BE DEPOSITED WITH THE COMPANY'S TRANSFER AGENT, COMPUTERSHARE TRUST COMPANY OF CANADA, PROXY DEPT., 100 UNIVERSITY AVENUE, 8TH FLOOR, TORONTO, ONTARIO, M5J 2Y1, AT LEAST 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT OR POSTPONEMENT THEREOF. UNREGISTERED SHAREHOLDERS WHO RECEIVED THE PROXY THROUGH AN INTERMEDIARY MUST DELIVER THE PROXY IN ACCORDANCE WITH THE INSTRUCTIONS GIVEN BY SUCH INTERMEDIARY. YOU MAY ALSO VOTE BY TELEPHONE AND INTERNET. PLEASE SEE THE PROXY FOR INSTRUCTIONS REGARDING TELEPHONE AND INTERNET VOTING.

REVOCATION OF PROXIES

You or an intermediary acting on your behalf who has been given a Proxy may revoke it at any time before it is exercised.

Revocation can be effected by an instrument in writing signed by the intermediary or shareholder or his attorney authorized in writing, and, in the case of a corporation, executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation and either delivered to the registered office of the Company's registrar and transfer agent or to the Company's counsel's office at Suite 1200 – 750 West Pender Street, Vancouver, British Columbia, V6C 2T8, at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment or postponement, or to the Chairman of the Meeting preceding the day of the Meeting or any adjournment or postponement thereof.

ADVICE TO NON-REGISTERED HOLDERS OF COMMON SHARES

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are "non-registered" shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "**Nominee**"). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as "NOBOs". Those non-registered shareholders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as "OBOs".

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Information Circular, and the Proxy directly to NOBOs and to the Nominees for onward distribution to OBOs.

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting materials sent to non-registered holders who have not waived the right to receive Meeting materials are accompanied by a Request for

Voting Instructions (a “VIF”), instead of a Proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIFs, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the shares of the Company which they beneficially own. Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.**

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the appointment of auditors, and the approval of the Company’s 2021 equity incentive plan, all described in this Information Circular.

VOTING SHARES AND PRINCIPAL SHAREHOLDERS

The Company is authorized to issue an unlimited number of common shares without par value, of which 117,265,298 common shares are issued and outstanding as of November 7, 2025. There is one class of shares only.

Persons who are registered shareholders at the close of business on November 7, 2025 will be entitled to receive notice of, attend, and vote at the Meeting. On a show of hands, every shareholder and proxyholder will have one vote and, on a poll, every shareholder present in person or represented by proxy will have one vote for each share.

Stock Option Plans and Other Incentive Plans

The Company has an equity incentive plan (the “**Equity Incentive Plan**”) that was approved by the shareholders of the Company at its Annual General Meeting on December 9, 2024.

The following summary of the Equity Incentive Plan does not purport to be complete and is qualified in its entirety by reference to the Equity Incentive Plan.

The Equity Incentive Plan is a “rolling plan” that provides for the grant of both stock options (“**Options**”) and restricted share units (“**RSUs**”) to eligible directors, officers, employees and consultants of the Company (collectively, “**Awards**”). Pursuant to the Equity Incentive Plan, the maximum number of common shares of the Company which may be authorized for reservation for the grant of Awards from time to time will be equal to 10% of the Company’s issued and outstanding common shares as of the date of each grant.

Significant terms of the Equity Incentive Plan are as follows:

1. The total number of common shares to be reserved for issuance over the previous one-year period for any participant shall not exceed 5% of the issued common shares of the Company at the time of grant and the total number of common shares that may be reserved for issuance over the previous 12 month period for individuals engaged in an investor relations capacity shall not exceed 2% of the issued common shares of the Company at the time of grant. In addition, the total number of common shares to be

reserved for issuance over the previous 12-month period for any one consultant, shall not exceed 2% of the issued common shares of the Company at the time of grant.

2. While the Company's common shares are listed on the TSXV, the purchase price or exercise price per common share for any Award granted under the Equity Incentive Plan shall not be less than the market price of the Company's common shares less any applicable discount in accordance with the policies of the TSXV.
3. RSUs granted must expire not later than a maximum of 3 years from the date of the grant.
4. Options granted must expire not later than a maximum of 10 years from the date of the grant.
5. Awards will vest at the discretion of the board of directors.

In addition to Options, the Company may issue up to 400,000 RSUs under the Equity Incentive Plan. That number does not replenish and may only increase following shareholder approval of an amended equity incentive plan with a new number of RSUs. An RSU consists of the grant of a right to receive common shares at a later date, which may vest in installments in accordance with performance criteria specified by the Board. The common shares underlying RSUs will be issued from the treasury. The RSU portion of the Equity Incentive Plan will only be issuable to employees and officers of the Company or its subsidiaries. To December 31, 2024, the Company has granted 75,000 RSUs and DSUs.

All unvested Awards held by such participant shall immediately cease and terminate on the earlier of:

- (i) the termination date,
- (ii) the date on which notice of termination is given by the Company, or
- (iii) the date on which notice of termination of any consulting arrangement is given by the Company or the participant, as the case may be.

References to DSUs herein refer to securities created out of the Company's existing Equity Incentive Plan. The Equity Incentive Plan provides for the grant of RSUs and the Company wishes to grant RSUs which vest on that date immediately prior to the retirement, death, or termination without cause of the recipient on the same basis as DSUs (such RSUs defined herein as "**DSUs**").

Oversight and Description of Director and Named Executive Officer Compensation

The Company formed a Compensation Committee on December 22, 2020, currently consisting of Yannis Tsitos (Chair), Glenn Walsh and C. Geoffrey Hampson. Mr. Tsitos is considered an independent member of the Compensation Committee. The Compensation Committee is required to review annually, and submit to the Board for its approval, the total compensation paid to each officer and director. Any compensation paid to an officer must be approved by the independent members of the Compensation Committee.

Remuneration plays an important role in attracting, motivating, rewarding, and retaining knowledgeable and skilled individuals to the Company's management team. The main objectives the Company hopes to achieve through its compensation are:

- to attract and retain executives critical to the Company's success, who will be key in helping the Company achieve its corporate objectives and increase shareholder value;
- to motivate the Company's management team to meet or exceed targets;
- to recognize the contribution of directors to the overall success and strategic growth of the Company; and
- to align the interests of management and the Company's shareholders by providing performance-based compensation in addition to salary.

The Company's Compensation Committee and Board of Directors determine an appropriate compensation package for each executive officer, reflecting the need to provide incentive and compensation for the time and effort expended by the executives while taking into account the financial and other resources of the Company.

The Compensation Committee is currently undertaking a review of executive and director compensation levels to establish an updated market benchmark. This review will assist the Committee in ensuring that the Company's compensation practices remain competitive and aligned with the Company's performance goals and long-term growth strategy.

Pension Disclosure

The Company does not offer any pension plan benefits to its NEOs or directors.

Unless otherwise instructed, the proxies given in this solicitation will be voted for the appointment of PricewaterhouseCoopers LLP, Chartered Professional Accountants ("**PWC**"), of Vancouver, British Columbia, as our auditor of the Company to hold office until the next annual general meeting. The Board of Directors proposes that it be authorized to fix the remuneration to be paid to the auditor.

PWC was appointed as the Company's auditor effective July 5, 2025, following the resignation of Doane Grant Thornton LLP (formerly Grant Thornton LLP) ("**DGT**"). DGT had served as the Company's auditor since June 19, 2012. There have been no reportable events between the Company and DGT and no modified opinions by DGT for the purposes of NI 51-102. A "reportable event" is defined in NI 51-102 as a disagreement, a consultation or an unresolved issue. CORPORATE GOVERNANCE

The Board of Directors believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 *Corporate Governance Guidelines* provide non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) prescribes certain disclosure by the Company of its corporate governance practices. The disclosure required by NI 58-101 is presented below.

1. Board of Directors

The Board of Directors facilitates its independent supervision over management through regular meetings of the Board of Directors. The non-management Directors of the Board of Directors do not hold regularly scheduled meetings at which non-independent Directors are not in attendance. However, the size of the Board of Directors and the nature of the Company’s operations ensure that open and candid discussion among the independent Directors is possible.

Glenn Walsh, Ioannis Tsitos, Terry Krepiakovich and Natascha Kiernan, as of the date of this Information Circular, are not and have not been an executive officer or employee of the Company in the past three years and are therefore independent. The non-independent Director is C. Geoffrey Hampson, President and CEO of the Company.

The mandate of the Board of Directors, as prescribed by the *Business Corporations Act* (British Columbia) is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board of Directors oversees the management of the Company’s affairs directly and through its committees.

2. Directorships

As of the date of this Information Circular, certain of the Company’s Directors were also Directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

<u>Name</u>	<u>Other reporting issuer (or equivalent in a foreign jurisdiction)</u>
Natascha Kiernan	Empress Royalty Corp. (TSXV:EMPR)
Ioannis Tsitos	Altamira Gold Corp. (TSXV:ALTA); ACME Lithium Inc (CSE:ACME), Colossus Resources Corp. (TSXV:CLUS), Troy Minerals Inc. (CSE:TROY), Blue Lagoon Resources Inc (CSE:BLLG)
Glenn Walsh	Marksmen Energy Inc. (TSXV:MAH)
C. Geoffrey Hampson	IBC Advanced Alloys Corp. (TSXV:IB)
Terry Krepiakovich	Cordoba Minerals Corp. (TSXV:CDB), Sama Resources Inc. (TSXV:SME)

3. Orientation and Continuing Education

The Corporate Governance Committee is responsible for providing orientation for all new recruits to the Board of Directors. Each new Director brings a different skill set and professional background, and with this information, the Corporate Governance Committee is able to determine what orientation to the nature and operations of the Company’s business will be necessary and relevant to each new Director. The Corporate Governance Committee is also responsible for providing continuing education for its Directors as the need arises.

4. Ethical Business Conduct

The Board of Directors has adopted a formal written code of business conduct and ethics. The Board of Directors is of the view that the fiduciary duties placed on individual directors by the Company's governing legislation and common law together with corporate statutory restrictions on an individual director's participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

5. Nomination of Directors

The Board of Directors considers its size each year when it considers the number of Directors to recommend to the shareholders for election at the annual meeting of shareholders. The Board of Directors takes into account the number required to carry out the Board of Directors' duties effectively and to maintain a diversity of views and experience.

The Company's Corporate Governance Committee is responsible for identifying individuals qualified to become new directors and to recommend to the Board proposed nominees for Board membership.

6. Compensation

The Compensation Committee of the Board of Directors is responsible for reviewing and submitting to the Board of Directors for approval the total compensation paid to each officer and director of the Company. When determining the compensation of its officers, the Compensation Committee considers: (a) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (b) providing fair and competitive compensation; (c) balancing the interests of management and the Company's shareholders; (d) rewarding performance, both on an individual basis and with respect to operations in general; and (e) permitted compensation under TSXV rules.

7. Other Board of Directors Committees

As of the date of this Information Circular, the Board of Directors has appointed an Audit Committee, the members of which are Terry Krepiakovich (Chair), Natascha Kiernan and Ioannis Tsitos. A description of the function of the Audit Committee can be found in this Information Circular as Schedule "A". The Company has also appointed a Compensation Committee which, at the date of this Circular, is comprised of Ioannis Tsitos (Chair), C. Geoffrey Hampson and Glenn Walsh. The Company has also appointed a Corporate Governance Committee which, at the date of this Circular, is comprised of Natascha Kiernan (Chair), C. Geoffrey Hampson and Terry Krepiakovich.

The Company does not have any other committees.

8. Assessments

The Corporate Governance Committee is responsible for annually reviewing the performance of the Board as a whole and of its individual members. The Committee has not adopted formal assessment procedures and effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual Directors are informally

monitored by the Committee, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board of Directors.

The Board of Directors monitors the adequacy of information given to Directors, communication between the Board of Directors and management and the strategic direction and processes of the Board of Directors and its committees.

The Board of Directors believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor management and corporate functions without excessive administrative burden.

MANAGEMENT CONTRACTS

The management functions of the Company are not to any substantial degree performed by any person other than the executive officers and Directors of the Company. The Company has not entered into any contracts, agreements or arrangements with parties other than its Directors and executive officers for the provision of such management functions other than as disclosed herein.

PARTICULARS OF MATTERS TO BE ACTED ON

Re-Approval of Equity Incentive Plan

The only equity compensation plan which the Company currently has in place is its 2021 equity incentive plan (the "**Equity Incentive Plan**"), which was last approved by the shareholders of the Company on December 9, 2024. The Equity Incentive Plan is a 10% "rolling plan" that provides that the number of common shares that may be issued pursuant to stock options granted under such plan, together with the common shares issuable pursuant to the grant of restricted share units (RSUs), being a maximum of 400,000, may not exceed 10% of the Company's issued and outstanding common shares, on a non-diluted basis, at any time. A copy of the Equity Incentive Plan will be available at the Meeting or to shareholders who request a copy in advance of the Meeting.

The Equity Incentive Plan permits the grant of stock options ("**Options**"), and in addition to Options, the grant of RSUs (restricted share units) to eligible directors, officers, employees and consultants of the Company.

An RSU consists of the grant of a right to receive common shares at a later date, which may vest in installments in accordance with performance criteria specified by the Board. The common shares underlying RSUs will be issued from treasury. The Board believes that by providing this additional form of equity-based compensation, the Company will be able to continue to provide incentives that attract, retain and motivate employees, officers, directors and consultants. The RSU portion of the Equity Incentive Plan will only be issuable to employees and officers of the Company, or its subsidiaries. Options will be available to directors, officers and employees.

The Equity Incentive Plan provides for the grant of both Options and RSUs (collectively, "**Awards**"). Pursuant to the Equity Incentive Plan, the maximum number of common shares of the Company which may be authorized for reservation for the grant of Awards from time to time will be equal to 10% of the Company's issued and outstanding common shares as of the date of each grant. As of the date hereof, there are 400,000 common shares reserved for issuance pursuant to the grant of RSUs under the Equity Incentive Plan, which number does not replenish and may only increase following shareholder approval of an amended equity incentive plan with a new number of RSUs. To December 31, 2024, the Company has granted 75,000 RSUs under the

Equity Incentive Plan. Awards that are Options may increase as the Company's outstanding share capital increases. Under the Equity Incentive Plan, the Board may from time-to-time grant to directors, senior officers, employees and consultants of the Company, as the Board shall designate, Awards to acquire from the Company such number of its common shares as the Board shall designate. Some of the significant terms of the Equity Incentive Plan are as follows:

1. The total number of common shares to be reserved for issuance under one or more Awards over the previous one year period for any participant shall not exceed 5% of the issued common shares of the Company at the time of grant and the total number of common shares that may be reserved for issuance over the previous 12-month period for individuals engaged in an investor relations capacity shall not exceed 2% of the issued common shares of the Company at the time of grant. In addition, the total number of common shares to be reserved for issuance over the previous 12-month period for any one consultant, shall not exceed 2% of the issued common shares of the Company at the time of grant.
2. While the Company's common shares are listed on the Exchange, the purchase price or exercise price per common share for any Award granted under the Equity Incentive Plan shall not be less than the market price of the Company's common shares less any applicable discount in accordance with the policies of the Exchange.
3. A Restricted Share Unit may not vest before the date that is one (1) year following the date it is granted or issued. The vesting period of any Restricted Share Unit shall not exceed a period of three (3) years from the date of the grant.
4. Options granted must expire not later than a maximum of 10 years from the date of the grant.
5. Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting restriction shall exist. Options granted to participants performing investor relations activities will contain vesting provisions such that vesting occurs over at least 12 months with no more than 1/4 of the Options vesting in any 3-month period. Providers of investor relations activities shall only be entitled to receive Options and shall not be entitled to receive Restricted Share Units.
6. All Awards granted pursuant to the Equity Incentive Plan shall be non-assignable.
7. If the holder of Awards ceases to be eligible to hold the Awards for any reason other than death or termination for cause, then all unvested Awards will immediately cease and terminate and all vested Awards will cease and terminate on the earlier of the 90th day following the termination date or the expiry date of the Awards, subject to the terms of the Equity Incentive Plan.
8. Options granted to participants engaged in investor relations activities shall cease and terminate on the earlier of: (i) the 30th day following the termination date, (ii) the 30th day following the date on which notice of termination is given by the Company, (iii) the 30th day following the date on which notice of termination of any consulting arrangement is given by the Company or the participant, or (iv) the expiry date of the Options, and thereafter shall be of no further force or effect whatsoever as to the shares in respect of which such Options have not previously been exercised.
9. In the event of the death of a participant on or prior to the expiry time of Options, the beneficiary of the participant may exercise Options (if vested) held by the participant at the time of death within a period after the date of the participant's death as determined by the Board, provided that, such period shall not extend beyond 12 months following the death of the participant with respect to any Option held by the participant.
10. The approval of the disinterested shareholders of the Company will be obtained for (a) for Awards which will result in the number of Awards granted to insiders (as a group) within a 12-month period exceeding 10% of the issued and outstanding Shares of the Company, when aggregated with security based compensation grants to such person under any

other security-based compensation plans of the Company, calculated as at the date any Award is granted or issued to any Insider; and (b) for Awards which will result in the number of Awards granted to insiders (as a group) at any point in time exceeding 10% of the issued and outstanding Shares of the Company, when aggregated with security based compensation grants to such person under any other security-based compensation plans of the Company, calculated as at the date any Option is granted or issued to any Insider.

11. In no event shall the option exercise price be less than C\$0.05. The exercise of any Option will be contingent upon receipt by the Company at its head office of a written notice of exercise, specifying the number of shares with respect to which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such shares with respect to which the option is exercised.

The Equity Incentive Plan is consistent with TSXV Policy 4.4 as it relates to the grant of Options and RSUs.

Management of the Company intends to place before the Meeting for renewal, approval and adoption, with or without variation, a resolution (the “**Equity Incentive Plan Resolution**”) to approve the Equity Incentive Plan. The complete text of the Equity Incentive Plan Resolution which management intends to place before the Meeting for approval and adoption, with or without variation, is set forth below:

“IT IS RESOLVED as an ordinary resolution that:

1. The Equity Incentive Plan, as more particularly described in the Information Circular dated November 7, 2025, is approved and the Board of the Company is authorized in their absolute discretion to establish and administer the Equity Incentive Plan in accordance with its terms and conditions;
2. The maximum number of common shares of the Company reserved for issuance under the Equity Incentive Plan, inclusive of previous Option grants and the number of shares reserved under RSUs (which will be reserved at 400,000), shall be equal to 10% of issued and outstanding common shares from time to time;
3. The Board is authorized on behalf of the Company to make any amendments to the Equity Incentive Plan from time to time as may, in its discretion, be considered appropriate, provided that such amendments be subject to the approval of all applicable regulatory authorities; and
4. Any one (or more) director or officer of the Company is authorized and directed, on behalf of the Company, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things (whether under corporate seal of the Company or otherwise) that may be necessary or desirable to give effect to this ordinary resolution.”

Recommendation of Board – Equity Incentive Plan Resolution

The Board of Directors recommends that the Company’s shareholders vote in favour of the Equity Incentive Plan Resolution to approve and adopt the Equity Incentive Plan as set out above. In order for the Equity Incentive Plan Resolution to be effective, it must be approved by an ordinary resolution, being the affirmative vote of a majority of the votes cast in respect thereof by Shareholders present in person or by proxy at the Meeting.
