MANAGEMENT INFORMATION CIRCULAR

(as at September 5, 2025)

PART 1: VOTING PARTICULARS

MANAGEMENT SOLICITATION OF PROXIES

This management information circular (the “**Circular**”) is furnished in connection with the solicitation of Proxies (as defined below) by the management of Tribe Property Technologies Inc. (the “**Corporation**” or “**Tribe**”) for use at the Annual General Meeting (the “**Meeting**”) of shareholders of the Corporation (the “**Shareholders**”) on October 15, 2025, at 1:00 p.m. (Pacific Standard Time) for the purposes set forth in the Notice of Annual General Meeting of Shareholders (the “**Notice**”) accompanying this Circular.

The Corporation will be holding the Meeting entirely by teleconference, which is accessible to all our Shareholder’s regardless of physical location. As with an ordinary meeting of Shareholders held at a physical location, only registered Shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting. This year, such registered Shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting by calling the number below and instructions will be provided as to how Shareholders entitled to vote at the Meeting may participate and vote at the Meeting. Non-Registered Shareholders who have not duly appointed themselves will be able to attend the Meeting as guests, but guests will not be able to vote or ask questions at the Meeting.

To access the Meeting by teleconference, dial toll free at 1-587-328-1099. Participants are encouraged to vote on the matters before the Meeting by Proxy and join the Meeting via teleconference. Participants should dial in five to ten minutes prior to the scheduled start time and ask to join the call.

If you are a Non-Registered Shareholder and wish to vote at the Meeting, you must appoint yourself as proxyholder by inserting your own name in the space provided for appointing a proxyholder on the voting instruction form sent to you and follow all of the applicable instructions, including the deadline, provided by the Intermediary (as defined below).

Proxies may also be solicited personally by directors, management and regular employees of the Corporation. It is anticipated that the solicitations will be made primarily by mail in relation to the delivery of the Circular. Proxies may also be solicited personally or by telephone, e-mail, internet, facsimile, or other means of communication by directors, officers or employees of the Corporation at nominal cost. The cost of solicitation of proxies will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy (the “**Proxy**”) are directors or officers of the Corporation. **A registered Shareholder has the right to appoint, as proxyholder or alternate proxyholder, a person, persons or company (who need not be a Shareholder) other than the persons named as the proxy of the Shareholder and may exercise this right either by inserting the name of the Shareholder’s chosen nominee in the space provided for that purpose on the form and striking out the other names on the form, or by completing another proper form of proxy. A Proxy must be executed by the Shareholder or by his or her attorney authorized in writing, or if the Shareholder is a body corporate, by an officer or attorney thereof duly authorized.** To be effective, Proxies must be deposited by mail or by fax at the office of the Corporation’s registrar and transfer agent, TSX Trust Company, 301-100 Adelaide Street West, Toronto, ON, M5H 4H1; or by fax number: 416-595-9593; or online with your 12-digit control number at www.voteproxyonline.com, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting or an adjournment thereof. Shareholders may contact TSX Trust toll free at 1-866-600-5869 or 416-342-1091, or by email at tsxtis@tmx.com, with questions regarding how to vote their Shares.

Proxies given by registered Shareholders for use at the Meeting may be revoked at any time before their use. In

addition to revocation in any other manner permitted by law, a Proxy may be revoked by depositing an instrument in writing signed by the registered Shareholder, or by the registered Shareholder's attorney duly authorized in writing, at the registered office of the Corporation, Scotia Plaza, Suite 2100, 40 King Street West, Toronto, ON, M5H 3C2, at any time up to and including on the last business day preceding the day of the Meeting, or with the secretary of the Meeting on the day of the Meeting, or any adjournment thereof.

VOTING AND DISCRETION OF PROXIES

The Shares (as defined below) represented by the Proxies solicited by management of the Corporation pursuant to this Circular will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. **If no directions are given, the Shares will be voted FOR the approval of such matter. The Proxy confers discretionary authority on the persons named therein in respect of amendments or variations to the matters referred to in the Notice and in respect of other matters that may properly come before the Meeting, or any adjournment thereof.**

As at the date of this Circular, management knows of no such amendments or variations or other matters that may properly come before the Meeting but, if any such amendments, variations or other matters are properly brought before the Meeting, the Shares represented by the Proxies hereby solicited will be voted thereon in accordance with the best judgment of the person or persons voting such Proxies.

NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Corporation are "non-registered" Shareholders because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. More particularly, a person is not a registered Shareholder in respect of Shares which are held on behalf of that person (the "**Non-Registered Shareholder**") but which are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Shareholder deals with in respect of the Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as the Canadian Depository for Securities Limited), of which the Intermediary is a participant.

Non-Registered Shareholders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as "NOBOs." Those Non-Registered Shareholders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as "OBOs." In accordance with applicable securities laws, the Corporation has elected to send Meeting materials directly to the NOBOs, and indirectly through Intermediaries to the OBOs. The Intermediaries (or their service companies) are responsible for forwarding Meeting materials to each OBO unless the OBO has waived the right to receive them.

The Meeting Materials are being made available to both registered Shareholders and Non-Registered Shareholders. If you are a Non-Registered Shareholder and the Corporation or its agent has sent Meeting materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. In this event, by choosing to send Meeting materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) making available the Meeting materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Corporation intends to pay for the Intermediary to deliver the Meeting materials to OBOs. Intermediaries will frequently use service companies to forward the Meeting materials to the Non-Registered Shareholders. Generally, a Non-Registered Shareholder who has not waived the right to receive Meeting materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the Non-Registered

Shareholder and must be completed, but not signed, by the Non-Registered Shareholder and deposited with TSX Trust Company; or

- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow.

In either case, the purpose of this procedure is to permit Non-Registered Shareholders to direct the voting of the Shares which they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Shareholder should strike out the names of the management proxyholder named in the form and insert the Non-Registered Shareholder's name in the blank space provided. Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the Proxy or proxy authorization form is to be delivered.

VOTING SHARES

The record date for the determination of Shareholders entitled to receive notice of and vote at the Meeting has been fixed as of September 5, 2025 (the "**Record Date**"). Each Shareholder is entitled to one vote for each Share shown as registered in such Shareholder's name on the list of Shareholders prepared as of the close of business on September 5, 2025 with respect to all matters to be voted on at the Meeting. However, in the event of a transfer of Shares by any such registered Shareholder after such date, the transferee is entitled to vote those Shares if such transferee produces satisfactory evidence in accordance with the provisions of the *Business Corporations Act* (Ontario) (the "**OBCA**") not later than ten (10) days before the Meeting that the transferee owns Shares of the Corporation.

Except as may be otherwise indicated herein and in the Notice, the affirmative vote of a majority of the votes cast at the Meeting is required for approval of each matter set forth in this Circular.

To the knowledge of the directors or executive officers of the Corporation as of the Record Date, no person beneficially owns or exercises control over, directly or indirectly, Shares carrying more than 10% of the voting rights attached to the outstanding Shares except as follows:

Name	Number of Shares	Percentage of issued and outstanding Shares ⁽¹⁾
Round 13 Growth II, L.P. (PROPELR Growth)	8,425,385	16.84%

Notes:

- (1) Share percentages are shown on a non-diluted basis based on 50,020,740 Shares outstanding.

Shares

The authorized capital of the Corporation consists of an unlimited number of Shares without par value. As at the date of this Circular, 50,020,740 common shares are issued and outstanding (the "**Shares**"). Each Share carries the right to one vote, and all Shares may be voted at the Meeting.

PART 2: BUSINESS OF THE MEETING

PRESENTATION OF FINANCIAL STATEMENTS

The audited consolidated financial statements of the Corporation for the financial year ended December 31, 2024 and the auditor's report thereon will be placed before the Meeting. The Corporation's audited financial statements and related MD&A for the year ended December 31, 2024 are available on SEDAR+ at www.sedarplus.ca as well as on

the Corporation's website at <https://tribetech.com/investors/financials/annual-disclosure/>.

ELECTION OF DIRECTORS

Management of the Corporation is supervised by the board of directors of the Corporation (“**Board**”) as per the OBCA. The members of the Board are elected annually and hold office until the next annual general meeting of the Shareholders or until their successors are duly elected. You can vote for all of these proposed directors, vote for some of them and withhold for others, or withhold for all of them.

The Corporation entered into an investor rights agreement (the “**Investor Rights Agreement**”) with Round 13 Growth II, L.P. (“**Round13**”) dated January 14, 2022, pursuant to which Round13 was granted with certain rights to nominate two (2) directors to the Board for so long as Round13 holds 5% or more of the outstanding Shares. Under the Investor Rights Agreement, Round13 is entitled to nominate: (a) one (1) person (the “**Investor Director**”) for election to the Board at each annual general meeting of Shareholders; and (b) one (1) person (the “**Independent Director**”) who is “independent” under National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”) of the Corporation and Round13, and mutually agreed by the Corporation and Round13, acting reasonably, for election to the Board at each annual general meeting of Shareholders. Round13 nominated Mr. Sanjiv Samant as the Investor Director for election at the Meeting and waived its right to nominate an Independent Director at the Meeting. See “Election of Directors” below.

Concurrent with the execution of the Investor Rights Agreement, certain Shareholders executed voting agreements with Round13, pursuant to which the Shareholders agreed so long as the Investor Rights Agreement remained in force, they would vote their Shares for the election of the Investor Director and Independent Director. As of the Record Date, not including Shares held by Round13, Shareholders holding 10,112,598 have agreed to vote their Shares for the election of Mr. Sanjiv Samant as director of the Corporation.

The following tables set out information about each director's career profile, their Board committee (“**Committee**”) memberships, principal directorships with other reporting issuers and the number of securities they hold, either in the form of Shares or incentive stock options of the Corporation (“**Options**”).

Management recommends a vote FOR the nominees listed herein. In the absence of instructions to the contrary, the enclosed Proxy will be voted for the seven (7) nominees listed herein.

MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF THE NOMINEES WILL BE UNABLE TO SERVE AS A DIRECTOR. IN THE EVENT THAT, PRIOR TO THE MEETING, ANY VACANCIES OCCUR IN THE SLATE OF NOMINEES HEREIN LISTED, IT IS INTENDED THAT DISCRETIONARY AUTHORITY SHALL BE EXERCISED BY MANAGEMENT TO VOTE THE PROXY FOR THE ELECTION OF ANY OTHER PERSON OR PERSONS AS DIRECTORS.

The Corporation expects all directors to demonstrate leadership and integrity and to conduct themselves in a manner that reinforces the Corporation's corporate values and culture of transparency, teamwork and individual accountability.

Above all, the Corporation expects that all directors will exercise their good judgment in a manner that keeps the interests of Shareholders at the forefront of decisions and deliberations. Each candidate must have a demonstrated track record in several of the skills and experience requirements deemed important for a balanced and effective Board.

Stock Option Plans and Other Incentive Plans

The Company currently maintains a 20% fixed stock option plan, equal to 6,645,561 Shares, which was approved by the Board on August 12, 2024 (the “**Stock Option Plan**”) and the shareholders of the Company on September 17, 2024. Pursuant to the policies of the TSX Venture Exchange (the “**TSXV**” or the “**Exchange**”), the Stock Option Plan must be approved by the Company’s shareholders at such time as the number of Shares issuable under the Stock Option Plan is amended.

The purpose of the Stock Option Plan is to permit the Company to grant stock options exercisable to acquire Shares (each, an “**Option**”) to any director, executive officer, employee or consultant of the Company or any of its subsidiaries (each, an “**Eligible Participant**”) to increase the interest in the Company’s welfare of those Eligible Participants, who share responsibility for the management, growth and protection of the business of the Company or a subsidiary; to provide an incentive to such Eligible Participants to continue their services for the Company or a subsidiary and to encourage such Eligible Participants whose skills, performance and loyalty to the objectives and interests of the Company or a subsidiary are necessary or essential to its success, image, reputation or activities; to reward Eligible Participants for their performance of services while working for the Company or a subsidiary; and to provide a means through which the Company or a subsidiary may attract and retain able persons to enter its employment or service

The maximum number of Shares issuable at any time pursuant to outstanding Options under the Stock Option Plan and any other share compensation arrangement, shall be equal to 6,645,561 Shares. The Stock Option Plan is a “fixed” plan. The number of Options that may be granted under the Stock Option Plan does not increase if the total number of issued and outstanding Shares of the Company increases and Shares of the Company covered by Options which have been exercised or settled, as applicable, are not available for subsequent grant under the Stock Option Plan. Options which are settled in cash, expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised or settled in Shares, however, will be available for subsequent grant under the Stock Option Plan. Shares will not be deemed to have been issued pursuant to the Stock Option Plan with respect to any portion of an Option that is settled in cash.

Under the Stock Option Plan, the board of directors of the Company (the “**Board**”) shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive Options under the Stock Option Plan, (ii) fix the number of Options, if any, to be granted to each Eligible Participant and the date or dates on which such Options shall be granted, (iii) determine the price per Share to be payable upon the exercise of each such Option (the “**Option Price**”) and the relevant vesting provisions (including performance criteria, if applicable) and the Option term, the whole subject to the terms and conditions prescribed in the Stock Option Plan or in any Option agreement, and any applicable rules of the TSX.

The Option Price for Shares that are the subject of any Option shall be determined and approved by the Board when such Option is granted but shall not be less than the Discounted Market Price (as defined in the policies of the Exchange) of such Shares at the time of the grant.

The Board shall determine, at the time of granting the particular Option, the period during which the Option is exercisable, which shall not be more than ten (10) years from the date the Option is granted. Prior to its expiration or earlier termination in accordance with the Stock Option Plan, each Option shall be exercisable at such time or times and/or pursuant to the achievement of such performance criteria and/or other vesting conditions as the Board at the time of granting the particular Option, may determine in its sole discretion. For greater certainty, any exercise of Options by a participant shall be made in accordance with any insider trading policies implemented by the Company.

Each Option granted under the Stock Option Plan shall vest in accordance with the terms of the grant agreement entered into in respect of such Option. The Board has the right to accelerate the date upon which any Option becomes exercisable notwithstanding the vesting schedule set forth for such Option, regardless of any adverse or potentially adverse tax consequence resulting from such acceleration.

Subject to the rules and policies of the Exchange, the Board may, in its discretion and at any time, determine to grant a participant the alternative, when entitled to exercise an Option, to deal with such Option on a “cashless exercise” basis, on such terms as the Board may determine in its discretion (the “**Cashless Exercise Right**”). Without limitation, the Board may determine in its discretion that such Cashless Exercise Right, if any, grants a participant the right to terminate such Option in whole or in part by notice in writing to the Company and in lieu of receiving Shares pursuant to the exercise of the Option, receive, without payment of any cash:

- (1) that number of Shares, disregarding fractions, which when multiplied by the market value on the day immediately prior to the exercise of the Cashless Exercise Right, have a total value equal to the product of that number of Shares subject to the Option multiplied by the difference between the market value on the day immediately prior to the exercise of the Cashless Exercise Right and the Option Price; or
- (2) a cash payment equal to the difference between the market value on the day immediately prior to the date of the exercise of the Cashless Exercise Right, and the Option Price, less applicable withholding taxes as determined and calculated by the Company, excluding fractions.

In the event of a potential “Change of Control” (as defined in the Stock Option Plan), the Board shall have the power, in its sole discretion, to modify the terms of the Stock Option Plan and/or the Options to assist the participants to tender into a take-over bid or to participate in any other transaction leading to a Change of Control.

If the Company completes a transaction constituting a Change of Control and within twelve (12) months following the Change of Control (i) a participant who was also an officer or employee of, or consultant to, the Company prior to the Change of Control has their position, employment or consulting agreement terminated, or the participant is constructively dismissed, or (ii) a director ceases to act in such capacity, then all unvested Options shall vest and become exercisable. Any Options that become exercisable as a result of the applicable provisions of the Stock Option Plan related to a Change of Control shall remain open for exercise until the earlier of their expiry date as set out in the award agreement and the date that is 90 days after such termination or dismissal.

Notwithstanding any other provisions in the Stock Option Plan, any Options which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement). Without limiting the generality of the foregoing, the Board may provide in any case that outstanding Options (whether or not vested or exercisable) and the proceeds from the exercise or disposition of Options or Shares acquired under Options will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the participant to whom the Option was granted violates (i) a non-competition, non-solicitation, confidentiality or other restrictive covenant by which he or she is bound, or (ii) any policy adopted by the Company applicable to the participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Options under the Stock Option Plan. In addition, the Board may require forfeiture and disgorgement to the Company of outstanding Options and the proceeds from the exercise or disposition of Options or Shares acquired under Options, with interest and other related earnings, to the extent required by law or applicable stock exchange listing standards, including and any related policy adopted by the Company. Each participant, by accepting or being deemed to have accepted an Option under the Stock Option Plan, agrees to cooperate fully with the Board, and to cause any and all permitted transferees of the participant to cooperate fully with the Board, to effectuate any forfeiture or disgorgement required under the Stock Option Plan.

Each Option shall be subject to the following conditions:

- (1) *Termination for Cause.* Upon a participant ceasing to be an Eligible Participant for Cause, any vested or unvested Option granted to such participant shall terminate automatically and become void immediately. For the purposes of the Stock Option Plan, the determination by the Company that the participant was discharged for Cause shall be binding on the participant. “Cause” shall include, among other things, gross misconduct, theft, fraud, breach of confidentiality or breach of the Company’s codes of conduct and any other reason determined by the Company to be cause for termination.
- (2) *Termination not for Cause.* Upon a participant ceasing to be an Eligible Participant as a result of his or her employment or service relationship with the Company or a subsidiary being terminated without Cause, (i) any unvested Option granted to such participant shall terminate and become void immediately and (ii) any vested Option granted to such participant may be exercised by such participant. Unless otherwise determined by the Board, in its sole discretion, such Option shall only be exercisable within the earlier of 30 days after the termination date, or the expiry date of the Option set forth in the grant agreement, after which the Option will expire. Notwithstanding the above, such Option shall only be exercisable within twelve (12) months after the participant ceasing to be an Eligible Participant.
- (3) *Resignation.* Upon a participant ceasing to be an Eligible Participant as a result of his or her resignation from the Company or a subsidiary, (i) each unvested Option granted to such participant shall terminate and become void immediately upon resignation and (ii) unless otherwise determined by the Board, in its sole discretion,

each vested Option granted to such participant will cease to be exercisable on the earlier of the 30 days following the termination date and the expiry date of the Option set forth in the grant agreement, after which the Option will expire. Notwithstanding the above, such Option shall only be exercisable within 12 months after the participant ceasing to be an Eligible Participant.

- (4) *Permanent Disability/Retirement.* Upon a participant ceasing to be an Eligible Participant by reason of retirement (in accordance with any retirement policy implemented by the Company from time to time) or permanent disability, (i) any unvested Option shall terminate and become void immediately, and (ii) any vested Option will cease to be exercisable on the earlier of the 90 days from the date of retirement or the date on which the participant ceases his or her employment or service relationship with the Company or any subsidiary by reason of permanent disability, and the expiry date of the Option set forth in the grant agreement, after which the Option will expire.
- (5) *Death.* Upon a participant ceasing to be an Eligible Participant by reason of death, any vested Option granted to such participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the participant for that number of Shares only which such participant was entitled to acquire under the respective Options (the “**Vested Awards**”) on the date of such participant’s death. Such Vested Awards shall only be exercisable within twelve (12) months after the participant’s death or prior to the expiration of the original term of the Options whichever occurs earlier.

Additional limits with respect to the grant of Options under the Stock Option Plan include, but are not limited to:

- (1) The maximum number of Shares issuable to Eligible Participants who are insiders, at any time, under the Stock Option Plan and any other share compensation arrangement, shall not exceed ten percent (10%) of the outstanding issued and outstanding Shares from time to time.

Non-executive directors also receive \$5,000 per annum for serving on certain committees of the Board, with the Chair of those committees receiving an additional \$2,500 per annum. In addition, directors are to be reimbursed for expenses incurred in carrying out their duties as directors.

Oversight and Description of Director and NEO Compensation

Director and NEO compensation is initially considered by the compensation committee of the Board (the "**Compensation Committee**"), which is currently comprised of Charmaine Crooks (Chair), Raymond Choy and Sanjiv Samant. After the Compensation Committee has reviewed the executive compensation, they then provide a recommendation to the Board for approval. Director and NEO compensation is reviewed annually by the Compensation Committee and the Board.

The Compensation Committee assists the Board in fulfilling its obligations relating to compensation issues. The Compensation Committee considers the compensation of executive officers, seeking information and feedback from management of the Company, when needed. The proposed executive compensation is then presented to the Board for approval and/or ratification, as applicable. The Compensation Committee also makes recommendations to the Board respecting the Company's incentive compensation plans, including administration of the Stock Option Plan. It also has the responsibilities of reviewing and recommending director compensation, overseeing the Company's base compensation structure and equity-based compensation program, recommending compensation of the Company's officers and employees to the Board, and evaluating the performance of officers generally and in light of annual goals and objectives.

The compensation of the Company's executives is designed to provide market-competitive compensation to attract and retain executives with the management skills required to execute on the Company's objectives and to reward executive team members for their contribution to the overall success of the Company and for achievement of planned business objectives in their own area of responsibility, while also encouraging teamwork and the building of a high performing organization. The compensation of the Company's executive includes three major elements: (a) base salary; (b) an annual cash bonus; and (c) the Stock Option Plan. The Company does not currently have any other long-term incentive plan or pension plan in place.

Base Salary

Base salaries are intended to provide an appropriate level of fixed compensation that will assist in employee retention and recruitment. Base salaries will be based on an assessment of factors such as the executive's performance, a consideration of competitive compensation levels in companies similar to the Company and a review of the performance of the Company as a whole and the role such executive played in such corporate performance.

Cash Bonus

The Company may award cash bonuses in order to motivate executives to achieve short-term corporate goals. The success of executives in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their cash bonus. To date, cash bonuses have been awarded based on revenue-focused targets.

Stock Option Plan

The Company utilizes its Stock Option Plan as an equity-related mechanism to attract, retain and motivate qualified directors, officers, employees, consultants, and contractors, to provide an incentive to such individuals to contribute toward the long-term goals of the Company, and to encourage such individuals to acquire Shares as long-term investments.
