INFORMATION CIRCULAR

The information contained in this Information Circular, unless otherwise indicated, is as of **July 17, 2019**.

This Information Circular is being mailed by the management of Nubeva Technologies Ltd. (the “**Company**” or “**Nubeva**”) to shareholders of record at the close of business on July 17, 2019, which is the date that has been fixed by the directors of the Company as the record date (the “**Record Date**”) to determine the shareholders who are entitled to receive notice of the annual general and special meeting (the “**Meeting**”) of the Company. The Company is mailing this Information Circular in connection with the solicitation of proxies by and on behalf of the Company for use at the Meeting that is to be held on **Friday August 30, 2019, at 10:00 a.m.** (Pacific Time) at The Westin San Jose, 302 South Market Street, (the Boardroom), San Jose, California, USA 95113. The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

In this Information Circular, references to “the **Company**”, “**we**” and “**our**” refer to **Nubeva Technologies Ltd.**, a British Columbia company. “**Common Shares**” means voting common shares without par value in the capital of the Company. “**Restricted Voting Shares**” refers to Class A Convertible Restricted Voting Shares without par value in the capital of the Company. “**Shares**” means, unless the context otherwise requires, our Common Shares and Restricted Voting Shares, collectively. “**Beneficial Shareholders**” means shareholders who do not hold Shares in their own name and “**intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that hold securities on behalf of Beneficial Shareholders.

Under Nubeva’s Articles, quorum for the transaction of business at the Meeting is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the Meeting.

The Company is **not** relying on the “Notice and Access” delivery procedures outlined in National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), to distribute copies of proxy-related materials in connection with the Meeting by posting them on a website.

SECTION 1 - VOTING

WHO CAN VOTE?

If you were a registered shareholder of the Company as at **July 17, 2019**, you are entitled to notice of and to attend at the Meeting, except as otherwise described herein, and you are entitled to cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf, but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see “**Voting By Proxyholder**” below). If your Shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, financial institution or other intermediary) you should refer to the section entitled “**Non-registered (Beneficial) Shareholders**” set out below.

It is important that your Shares be represented at the Meeting regardless of the number of Shares you hold. If you will not be attending the Meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your Shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by appointing someone who will attend to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return the completed form of proxy to the Company's transfer agent, Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 (Fax: (866) 249-7775 or by Internet voting at www.investorvote.com, not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof.

What Is A Proxy?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing A Proxyholder

You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder (the "**Management Proxyholders**"). Those persons are directors, officers or other authorized representatives of the Company.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors or officers of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act on your behalf at the Meeting. You may do so either by inserting the name of that other person, and that person may be you, in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy. If your Common Shares are actually registered in your name, then you are a registered shareholder. However, if like most shareholders you keep your Common Shares in a brokerage account, then you are a beneficial shareholder and the manner for voting is different for registered and beneficial shareholders. Please read the instructions below carefully.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that may properly come before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may use one of the following methods:

- (a) complete, date and sign the enclosed form of Proxy and return it to the Company's transfer agent, Computershare Trust Company of Canada ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at 1-416-263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1; or
- (b) use a touch-tone phone to transmit voting choices to a toll free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy form for the toll free number, the holder's account number and the proxy access number; or

- (c) the internet via the website voting page of Computershare at www.investorvote.com. Registered Shareholders must follow the instructions provided at the voting page and refer to the enclosed Proxy form for the holder's account number and the proxy access number.

In all cases a Registered Shareholder must ensure that the completed Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Instructing Your Proxy

You may indicate on your form of Proxy how you wish your proxyholder to vote your Shares. To do this, simply mark the appropriate boxes on the form of Proxy. If you do this, your proxyholder must vote your Shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your Shares as he or she thinks fit. If you have appointed the persons designated in the form of Proxy as your proxyholder they will, unless you give contrary instructions, vote your shares IN FAVOUR of each of the items of business being considered at the Meeting.

For more information about these matters, see *Section 3 – Particulars of Matters to be Acted Upon*. **The enclosed form of Proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting.** At the time of printing this Information Circular, the management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of Proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of Proxy with respect to such matters.

Changing Your Mind

If you want to revoke your Proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the Meeting and voting in person; (b) signing a Proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your Proxy and delivering this signed written statement to the Company at Suite 1080, 789 West Pender Street, Vancouver, BC, V6C 1H2; or (d) in any other manner permitted by law.

Your Proxy will only be revoked if a revocation is received by 5:00 p.m. (Vancouver time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your Proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person. **Only registered shareholders may revoke a Proxy. If your shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your Proxy on your behalf (see below under "Non-Registered Shareholders").**

NON-REGISTERED (BENEFICIAL) SHAREHOLDERS

Only registered holders of Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Shares beneficially owned by a holder (a "Non-Registered Holder") are registered either:

- (a) in the name of an Intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFFs, RESPs and similar plans; OR
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (CDS)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as "Non-Objecting Beneficial Owners" or "NOBOs". Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as "Objecting Beneficial Owners" or "OBOs".

Pursuant to NI 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), of the Canadian Securities Administrators, the Company has distributed copies of proxy-related materials (including

this Information Circular) in connection with this Meeting indirectly or directly to the NOBOs and to the Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries that receive the proxy-related materials are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the proxy-related materials to Non-Registered Holders.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO's Intermediary assumes the costs of delivery.

Generally, Non-Registered Holders who have not waived the right to receive proxy-related materials (including OBOs who have made the necessary arrangements with their Intermediary for the payment of delivery and receipt of such proxy-related materials) will be sent a voting instruction form which must be completed, signed and returned by the Non-Registered Holder in accordance with the Intermediary's directions on the voting instruction form. In some cases, such Non-Registered Holders will instead be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of Proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare as described under "**Voting By Proxy**" above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or Proxy form is to be delivered.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being affected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. Compensation Components

Nubeva’s executive compensation program is comprised of the following components: (a) base salary; (b) consulting fees; (c) commission based payments and (d) long-term incentive compensation comprised of incentive stock options and restricted share units (“**RSUs**”).

The compensation components are designed to address the following key objectives:

- align compensation with shareholders’ interests;
- attract and retain highly qualified management;
- focus performance by linking incentive compensation to the achievement of business objectives and financial and operational results; and
- encourage retention of key executives for leadership succession.

The aggregate value of these principal components and related benefits are used as a basis for assessing the overall competitiveness of the Company’s executive compensation package. When determining executive compensation, including the assessment of the competitiveness of the Company’s compensation program, management and the board of directors rely on their concurrent and past experiences and collective knowledge. With that background, ultimate determinations as to executive compensation are based on (i) informal discussion among board members and management, (ii) negotiation with the executive in question and (iii) a view to what is in the best interests of the Company and its various stakeholders. The Company does not employ any formal benchmarking procedures in determining executive compensation.

Base Salaries and Consulting Fees

The base salary or consulting fee component is intended to provide a fixed level of competitive pay that is established at the time when an officer, employee or consultant joins Nubeva. The Board periodically reviews compensation levels to determine if adjustments are necessary.

Long Term Incentive Compensation

Stock options and RSUs used to align the goals of the Company employees and Management with other equity stakeholders of the Company. As investor relations consultants and non-executive directors are not eligible to receive RSUs the Company anticipates continuing both its Option Plan as well as the RSU Plan as important components of its long-term incentive compensation.

SECTION 6 - CORPORATE GOVERNANCE

GENERAL

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting companies such as the Company. In addition, National Instrument 58-101 - *Disclosure of Corporate Governance Practices ("NI 58-101")* prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

COMPOSITION OF THE BOARD OF DIRECTORS

The board, at present, is composed of four (4) directors, two (2) of whom are not executive officers of the Company and are considered to be "independent", as that term is defined in applicable securities legislation. Messrs. Warner and Wu are considered to be independent. Mr. Chou is not considered independent by reason of his office as Chief Executive Officer and President of the Company. Mr. Bannister is not considered independent by reason of his office as Chief Technology Officer of the Company. In determining whether a director is independent, the board chiefly considers whether the director has a relationship which could, or could be perceived to interfere with the director's ability to objectively assess the performance of management.

The Board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

DIRECTORSHIPS IN OTHER PUBLIC COMPANIES

Board nominees do not serve as directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction.

ORIENTATION AND CONTINUING EDUCATION

The Company has not yet developed an official orientation or training program for new directors. As required, new directors will have the opportunity to become familiar with the Company and its business by meeting with the other directors and with officers and employees. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the board.

ETHICAL BUSINESS CONDUCT

The board monitors the ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The board has found that the fiduciary duties placed on individual directors by our governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the board in which the director has an interest, have been sufficient to ensure that the board operates independently of management and in the best interests of the Company.

NOMINATION OF DIRECTORS

The Company has not yet implemented a nominating committee. Accordingly, the board of directors, as a whole, is responsible for considering the board's size and the number of directors to recommend to the Company's shareholders for election at annual meetings of shareholders, taking into account the number of directors required to carry out the board's duties effectively, and to maintain a majority of independent directors and a diversity of view and experience.

COMPENSATION OF DIRECTORS AND CHIEF EXECUTIVE OFFICER

The Board of Directors as a whole has the responsibility of determining compensation for the Chief Executive Officer and Chief Financial Officer and of determining compensation for directors and senior management.

As at the financial year ended April 30, 2018, the Company had four directors, two of whom were also named executive officers. For a description of the compensation paid to the Named Executive Officers of the Company who also act as directors, see Section 4 – Statement of Executive Compensation – Director and NEO Compensation.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of directors does not currently have any other committees other than the Audit Committee. A description of the function of the Audit Committee can be found in this Information Circular under Schedule “A” Audit Committee Charter”.

ASSESSMENTS

The board has not, as yet, established procedures to formally review the contributions of individual directors. The Board annually reviews its own performance and effectiveness as well as reviews the Audit Committee Charter and recommends revisions as necessary. Neither the Company nor the Board has adopted formal procedures to regularly assess the Board, the Audit Committee or the individual directors as to their effectiveness and contribution. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board of Directors monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company’s corporate governance practice allows the Company to operate efficiently, with checks and balances that control and monitor management and corporate functions without excessive administrative burden.
