MANAGEMENT INFORMATION CIRCULAR

CURRENCY PRESENTATION

Unless otherwise indicated, all dollar amounts in this management information circular (the “**Circular**”) are expressed in Canadian dollars.

SOLICITATION OF PROXIES

This Circular is furnished in connection with the solicitation of proxies by the management of Golconda Gold Ltd. (the “**Corporation**”) for use at the annual and special meeting (the “**Meeting**”) of holders (collectively, the “**Shareholders**” or individually, a “**Shareholder**”) of common shares in the capital of the Corporation (“**Common Shares**”) to be held at the time and place and for the purposes set forth in the attached Notice of Annual and Special Meeting of Shareholders (the “**Notice**”). The solicitation will be primarily by mail, but proxies may also be solicited personally or by telephone by regular employees of the Corporation. The cost of solicitation will be borne by the Corporation.

Except as noted below, the Corporation has distributed or made available for distribution, copies of the Notice, the Circular and form of proxy or voting instruction form (if applicable) (the “**Meeting Materials**”) to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**” and each, an “**Intermediary**”) for distribution to Beneficial Shareholders (as defined below) whose Common Shares are held by or in custody of such Intermediaries. Such Intermediaries are required to forward such documents to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Corporation has elected to pay for the delivery of the Meeting Materials to objecting Beneficial Shareholders by the Intermediaries. The Corporation is sending proxy-related materials directly to non-objecting Beneficial Shareholders, through the services of its transfer agent and registrar, TSX Trust Company. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Corporation if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Corporation will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of the Meeting Materials. The Corporation is not relying on the notice-and-access provisions of securities laws for delivery of the Meeting Materials to registered Shareholders or Beneficial Shareholders.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act for such Shareholder and on his, her or its behalf at the Meeting other than the persons designated in the enclosed form of proxy (the “Appointee”).** Such right may be exercised by inserting in the blank space provided for that purpose the name of the Appointee or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Corporation’s transfer agent and registrar, TSX Trust Company, 100 Adelaide Street West, Ste. 301, Toronto, Ontario, M5H 4H1 not later than 10:00 a.m. (Toronto time) on Thursday, June 8, 2023. A proxy must be executed by the registered Shareholder or his, her or its attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies given by Shareholders for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder's attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing at the registered office, 181 Bay Street, Suite 1800, Toronto, Ontario, M5J 2T9, at any time up to and including Monday, June 12, 2023; or
- (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the passing of the matters set out in the Notice. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting or any adjournment thereof.** At the time of the printing of this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of the Corporation should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

ADVICE TO BENEFICIAL SHAREHOLDERS

Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares, or non-objecting beneficial owners whose names has been provided to the Corporation's registrar and transfer agent, can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of Shareholders who do not hold their Common Shares in their own name (referred to in this section as "**Beneficial Shareholders**"). If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries. Common Shares held by Intermediaries or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Corporation to the Intermediaries. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails the voting instruction forms or proxy forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the voting instruction forms or proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy or voting instruction form from Broadridge cannot use that proxy to vote Common Shares directly at the Meeting -

the proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the Intermediary should enter their own names in the blank space on the management form of proxy or voting instruction form provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary or agent well in advance of the Meeting. **Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies.**

All references to shareholders in this Circular and the accompanying form of proxy and Notice are to Shareholders of record unless specifically stated otherwise.

NOTE TO NON-OBJECTING BENEFICIAL OWNERS

The Meeting Materials are being sent to both registered and Beneficial Shareholders. If you are a Beneficial Shareholder, and the Corporation or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of Common Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send the Meeting Materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation has fixed the close of business on Friday, May 5, 2023 as the record date (the “**Record Date**”) for the purposes of determining Shareholders entitled to receive the Notice and vote at the Meeting. As at the Record Date, 71,273,309 Common Shares carrying the right to one vote per share at the Meeting were issued and outstanding.

In accordance with the provisions of the *Business Corporations Act* (Ontario), the Corporation will prepare a list of the holders of Common Shares on the Record Date. Each holder of Common Shares named on the list will be entitled to vote the Common Shares shown opposite his, her or its name on the list at the Meeting.

On October 21, 2022, the Corporation changed its name from “Galane Gold Ltd” to “Golconda Gold Ltd.” and consolidated its outstanding common shares on the basis of one new common share for every five existing common shares (the “**Consolidation**”). All Common Share, Option (defined below), DSU (defined below), RSU (defined below), PSU (defined below) and share purchase warrant numbers referenced in this Circular are expressed on a post-Consolidation basis, as have any associated Common Share prices or conversion prices.

To the knowledge of the directors and executive officers of the Corporation, as at the date of this Circular, no person beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to the Common Shares.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The general objectives of the Corporation's compensation strategy are to: (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interests of shareholders; and (c) attract and retain highly qualified executive officers.

Elements of Compensation

1. Base Salary

Each Named Executive Officer (as such term is defined below) receives a base salary, which constitutes a significant portion of the Named Executive Officer's compensation package. Base salary is recognition for discharging day-to-day duties and responsibilities and reflects the Named Executive Officer's performance over time, as well as that individual's particular experience and qualifications. A Named Executive Officer's base salary is reviewed by the board of directors of the Corporation (the "**Board**") on an annual basis and may be adjusted to take into account performance contributions for the year and to reflect sustained performance contributions over a number of years.

2. Incentive Plans

Omnibus Equity Incentive Plan

Officers, directors, employees and consultants are eligible under the Corporation's Omnibus Equity Incentive Plan (the "**Omnibus Plan**") to receive grants of stock options ("**Options**"), deferred share units ("**DSUs**"), restricted share units ("**RSUs**"), performance share units ("**PSUs**") and other share-based awards ("**Other Share-Based Awards**") and together with Options, DSUs, RSUs, and PSUs, the "**Awards**") to attract, retain and motivate Employees, Directors, Officers and Consultants of the Corporation (as such terms are defined in the Omnibus Plan). The Board believes that the Omnibus Plan aligns the interests of the Named Executive Officers and the Board with Shareholders by linking a component of executive compensation to the longer term performance of the Common Shares.

Awards are granted by either the Board or the Compensation Committee of the Corporation (the "**Compensation Committee**"). In monitoring or adjusting the Award allotments, the Board or the Compensation Committee, as the case may be, takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous grants and the objectives set for the Named Executive Officers. The scale of Awards is generally commensurate to the appropriate level of base compensation for each level of responsibility. The Board or the Compensation Committee will make these determinations subject to and in accordance with the provisions of the Plan.

As at the date of this Circular, Options to purchase up to 1,283,652 Common Shares are currently outstanding (representing approximately 1.80% of the issued and outstanding Common Shares) and DSUs to acquire up to 1,434,009 Common Shares (representing approximately 2.01% of the issued and outstanding Common Shares) are currently outstanding under the Omnibus Plan. No other Awards are issued and outstanding.

The Corporation is required to seek annual shareholder approval of the Omnibus Plan, as set out in “Particulars of Matters to be Acted Upon - Approval of Omnibus Equity Incentive Plan”. The Omnibus Plan is also subject to TSXV approval.

Share Purchase Plan

The purpose of the Share Purchase Plan is to advance the interests of the Corporation by encouraging equity participation in the Corporation by its directors, officers and employees. The Share Purchase Plan allows directors, officers and employees of the Corporation and its subsidiaries to participate in the Share Purchase Plan once they have completed six months of service (the “**Qualifying Participants**”). On June 15 and December 15 of each year, Qualifying Participants are entitled to purchase Common Shares up to a maximum amount of \$12,500. Accordingly, the maximum amount that can be invested by a Qualifying Participant under the Share Purchase Plan in any calendar year is \$25,000. The subscription price of the Common Shares under the Share Purchase Plan is the Market Price (as such term is defined in the Corporate Finance Manual of the TSX Venture Exchange (the “**Exchange**”)) prior to the applicable June 15 or December 15 date. The Qualifying Participants will be required to hold the Common Shares purchased under the Share Purchase Plan for a minimum period of three months or, if applicable, for the requisite Exchange hold period.

On each of June 15 and December 15, a Qualifying Participant will be entitled to receive a matching number of Common Shares (the “**Matching Shares**”) as were subscribed for by such Qualifying Participant at no cost to the Qualifying Participant. The Matching Shares will be issued to Qualifying Participant in equal annual installments over a three year period following the date of the subscription of the Common Shares by the Qualifying Participant, as long as the Qualifying Participant is a director, officer or employee of the Corporation at that time.

No Common Shares will be issued under the Share Purchase Plan at any time to any insider of the Corporation if such issuance, together with all of the Corporation’s previously established or proposed share compensation arrangements, including the Share Purchase Plan, could result at any time in: (i) the number of Common Shares issued to insiders pursuant to the Share Purchase Plan, together with all of such other share compensation arrangements, within any one year period exceeding 10% of the issued and outstanding Common Shares; or (ii) the number of Common Shares issuable to insiders at any time pursuant to the Share Purchase Plan and all such other share compensation arrangements exceeding 10% of the issued and outstanding Common Shares.

Further, the total number of Common Shares issued under the Share Purchase Plan in any fiscal year of the Corporation cannot exceed 2% of the number of Common Shares issued and outstanding at the commencement of such fiscal year.

Under the Share Purchase Plan, the Corporation may issue Common Shares to Qualifying Participants who meet certain conditions as set out in the Share Purchase Plan. The Corporation has the ability, in its discretion, to provide Common Shares to Qualifying Participants under the Share Purchase Plan through open market purchases as well as through issuances from treasury.

If the Common Shares are increased, decreased, changed into or exchanged for a different number or type of shares or securities of the Corporation through a re-organization, plan of arrangement, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, an appropriate and proportionate adjustment shall be made by the Board, in its discretion, to: (a) the aggregate number of Common Shares reserved for issuance under the Share Purchase Plan; and (b) the number of Matching Shares issuable to Qualifying Participants. Determinations by the Board as to what adjustments shall be made, and the extent thereof, are subject to any necessary approvals of the Exchange. The Corporation

shall not be obligated to issue fractional securities in satisfaction of any of its obligations under the Share Purchase Plan.

In the event that a “take-over bid” (within the meaning of applicable Canadian securities laws) is made for all of the issued and outstanding Common Shares, then all Matching Shares which have not yet been earned by Qualifying Participants as of the date of the bid will be deemed to have been earned and the Corporation will immediately issue and deliver such Matching Shares to each Qualifying Participant. In the event that a take-over bid is made for a portion of the issued and outstanding Common Shares, the Board may, in its discretion, determine that all Matching Shares which have not yet been earned by Qualifying Participants as of the date of the bid will be deemed to have been earned and the Corporation will immediately issue and deliver such Matching Shares to each Qualifying Participant. Subject to any required Exchange or Shareholder approvals, the Share Purchase Plan may be amended from time to time by the Board.

The aggregate number of Common Shares reserved for issuance under the Share Purchase Plan is 200,000 Common Shares. As at the date of this Circular, an aggregate of 101,749 Common Shares have been purchased and 96,641 Matching Shares have been issued under the Share Purchase Plan.

3. Performance Bonus

Bonus

Each of Nicholas Brodie, the Chief Executive Officer of the Corporation, and Wayne Hatton-Jones, the Chief Operating Officer of the Corporation, is eligible, at the discretion of the Compensation Committee, to receive a performance based bonus based on the achievement of certain key performance indicators (“KPIs”) established by the Compensation Committee on an annual basis. Mr. Brodie’s maximum amount of bonus payment is 75% of his annual base salary. Mr. Hatton-Jones’ maximum amount of bonus payment is 50% of his annual base salary.

Andrew Bishop started as Chief Financial Officer of the Corporation on February 21, 2022. Mr. Bishop is eligible for an annual bonus of up to 60% of his annual base salary, subject to the discretion of the Chief Executive Officer and the Compensation Committee. The annual bonus, if awarded, is to be paid within two weeks from the date of approval by the Board of the annual audited financial statements of the Corporation for the year for which the bonus was achieved.

Benchmarking research was conducted on management compensation for similar companies to determine compensation for 2021 relative to the KPIs. The KPIs were based on a number of short term and long term goals and objectives.

Gavin Vandervegt, the former Chief Financial Officer of the Corporation, was eligible for an annual bonus of up to 50% of his annual base salary, subject to the discretion of the Compensation Committee or upon the achievement of specific milestones as mutually agreed upon between Mr. Vandervegt and the Chief Executive Officer of the Corporation and as approved by the Compensation Committee. The annual bonus, if awarded, was to be paid within two weeks from the date of approval by the Board of the annual audited financial statements of the Corporation for the year for which the bonus was achieved.

Compensation of Directors

The following table illustrates the compensation structure for the non-executive directors. The directors may also be reimbursed for out-of-pocket expenses incurred in carrying out their duties as directors in addition to the compensation as set out below.

Annual Retainer	
Chairman of the Board	US\$180,000
Non-executive director	US\$25,000
Chairman – Audit Committee	US\$15,000
Chairman – Compensation Committee	US\$5,000
Chairman – Corporate Governance and Nominating Committee	US\$5,000
Member – Audit Committee	US\$5,000
Member – Compensation Committee	US\$2,500
Member – Corporate Governance and Nominating Committee	US\$2,500

Officers of the Corporation who also act as directors will not receive any additional compensation for services rendered in such capacity, other than as paid by the Corporation in their capacity as officers.

Compensation Risk

The Board and, as applicable, the Compensation Committee, considers and assesses the implications of risks associated with the Corporation’s compensation policies and practices and devotes such time and resources as is believed to be necessary in the circumstances. The Corporation’s practice of compensating its officers primarily through a mix of salary, bonus, stock options and DSUs is designed to mitigate risk by: (i) ensuring that the Corporation retains such officers; and (ii) aligning the interests of its officers with the short-term and long-term objectives of the Corporation and its shareholders. As at the date of this Circular, the Board had not identified risks arising from the Corporation’s compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

Financial Instruments

Pursuant to the terms of the Corporation’s Insider Trading Policy, the Corporation’s officers and directors are prohibited from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by an officer or director.

Compensation Governance

In order to assist the Board in fulfilling its oversight responsibilities with respect to compensation matters, the Board has established the Compensation Committee and has reviewed and approved the Compensation Committee’s Charter. The Compensation Committee is composed of Amar Bhalla, Ken Crema and Dino Titaro. Each member of the Compensation Committee is independent as such term is defined in National Instrument 52-110 – *Audit Committees*.

The Compensation Committee meets on compensation matters as and when required with respect to executive compensation. The primary goal of the Compensation Committee as it relates to compensation matters is to ensure that the compensation provided to the Named Executive Officers and the Corporation’s other senior officers is determined with regard to the Corporation’s business strategies and objectives, such that the financial interest of the senior officers is aligned with the financial interest of shareholders, and to ensure that their compensation is fair and reasonable and sufficient to attract and retain qualified and experienced executives. The Compensation Committee is given the authority to engage and compensate any outside advisor that it determines to be necessary to carry out its duties.

As a whole, the members of the Compensation Committee have direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the Compensation Committee in making informed decisions on the suitability of the Corporation’s compensation policies and practices. Each of the members of the Compensation Committee has experience on the board of directors and related committees of other public companies, as described under “Particulars of Matters to be Acted Upon – Election of Directors” in this Circular.

Corporate Cease Trade Orders

Except as disclosed herein, to the knowledge of the Corporation, no proposed director is, as at the date of this Circular, or has been, within 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation) that:

- (a) was subject to a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under applicable securities legislation, and which in all cases was in effect for a period of more than 30 consecutive days (an “**Order**”), which Order was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer of such company; or
- (b) was subject to an Order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer of such company.

On April 16, 2014, the Ontario Securities Commission issued a management cease trade order against the Interim Chief Executive Officer and the Chief Financial Officer of Carpathian Gold Inc. (“**Carpathian**”) in connection with Carpathian’s failure to file its audited annual financial statements (and related management’s discussion and analysis and certifications) for the period ended December 31, 2013. The management cease trade order was lifted on June 19, 2014, following the filing by Carpathian of the required continuous disclosure documents. Mr. Titaro was a former director of Carpathian (did not stand for re-election and ceased to be a director of Carpathian on August 12, 2014) but was a director of Carpathian during the period relating to the management cease trade order.

The Corporation was delisted from the Botswana Stock Exchange (the “**BSE**”) effective August 14, 2017 for failure to pay certain fees required by the BSE’s listing requirements. The delisting of the Corporation from the BSE followed a temporary suspension of the Corporation’s listing on the BSE that was imposed on July 13, 2017.

The foregoing information, not being within the knowledge of the Corporation, has been furnished by the proposed directors.

Bankruptcies, or Penalties or Sanctions

Except as disclosed herein, to the knowledge of the Corporation, no proposed director:

- (a) is, as at the date of this Circular, or has been within 10 years before the date of this Circular, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets;
- (b) has, within 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or become subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold his assets;
- (c) has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (d) has been subject to any penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Ravi Sood was a director of Eve & Co Incorporated (“**Eve**”) until March 22, 2022, following which, on March 25, 2022, Eve and its subsidiaries, Natural MedCo Ltd. and Eve & Co International Holdings Ltd. (collectively, the “**Eve Group**”) announced that it had sought and obtained an order for creditor protection (the “**Initial Order**”) from the Ontario Superior Court of Justice (Commercial List) under the *Companies’ Creditors Arrangement Act*. The Initial Order includes, among other things: (i) a stay of proceedings in favour of the Eve Group; (ii) approval of a debtor-in-possession loan from Deans Knight Capital Management Ltd., on behalf of its clients; and (iii) the appointment of BDO Canada Limited as monitor of the Eve Group. On April 1, 2022, the Initial Order was amended and restated by the Court and an order was granted authorizing the Eve Group to undertake a sale and investment solicitation process for the sale of, or investment in, all or part of the assets, shares or business operations of the Eve Group. The sale and investment solicitation process has been completed.

The foregoing information, not being within the knowledge of the Corporation, has been furnished by the proposed directors.

2. Appointment of Auditor

Management proposes to nominate BDO LLP (“**BDO**”) as auditor of the Corporation to hold office until the next annual meeting of Shareholders. BDO was appointed as auditor of the Corporation effective November 28, 2022.

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF BDO LLP AS

AUDITOR OF THE CORPORATION AND THE AUTHORIZING OF THE DIRECTORS TO FIX ITS REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF.

3. Approval of Omnibus Equity Incentive Plan

Under TSXV policies, the Corporation is required to obtain shareholder approval of the Omnibus Plan on an annual basis. The Omnibus Plan was last approved by shareholders on June 23, 2022 when it replaced the Corporation's rolling stock option plan and fixed DSU plan. The Board determined that it is desirable to have a wide range of incentive Awards to attract, retain and motivate Employees, Directors, Officers and Consultants of the Corporation (as such terms are defined in the Omnibus Plan). The Omnibus Plan permits the grant of Options, DSUs, RSUs, PSUs, and Other Share-Based Awards to eligible Participants (as defined in the Omnibus Plan). The following summary of the Omnibus Plan is qualified in its entirety by reference to the full text of the Omnibus Plan, attached as Schedule "B" to this Information Management Circular.

Purpose

The purpose of the Omnibus Plan is to provide the Corporation with a share-related mechanism to attract, retain and motivate qualified Directors, Officers, Employees and Consultants to reward such of those Directors, Officers, Employees and Consultants as may be granted Awards under the Omnibus Plan by the Board from time to time for their contributions toward the long term goals and success of the Corporation and to enable and encourage such Directors, Officers, Employees and Consultants to acquire Common Shares as long term investments and proprietary interests in the Corporation.

Types of Awards

The Omnibus Plan provides for the grant of Awards which may be denominated or settled in Common Shares, cash or in such other forms as provided for in the Omnibus Plan. All Awards will be evidenced by an agreement or other instrument or document (an "**Award Agreement**").

Plan Administration

The Omnibus Plan will be administered by the Board, which may delegate its authority to any duly authorized committee of the Board (the "**Plan Administrator**"). The Plan Administrator has sole and complete authority, in its discretion, to:

- (a) determine the Participants to whom grants of Awards under the Omnibus Plan may be made;
- (b) make grants of Awards under the Omnibus Plan, whether relating to the issuance of Common Shares or otherwise (including any combination of Options, RSUs, PSUs, DSUs or Other Share-Based Awards), in such amounts, to such Participants and, subject to the provisions of the Omnibus Plan, on such terms and conditions as it determines, including, without limitation:
 - (i) the time or times at which Awards may be granted;

- (ii) the conditions under which: (A) Awards may be granted to Participants; or (B) Awards may be forfeited to the Corporation, including any conditions relating to the attainment of specified performance goals;
 - (iii) the number of Common Shares to be covered by any Award;
 - (iv) the price, if any, to be paid by a Participant in connection with the purchase of Common Shares covered by any Awards;
 - (v) whether restrictions or limitations are to be imposed on the Common Shares issuable pursuant to grants of any Award, and the nature of such restrictions or limitations, if any; and
 - (vi) any acceleration of exercisability or vesting, or waiver of termination regarding any Award, based on such factors as the Plan Administrator may determine;
- (c) establish the form or forms of Award Agreements;
 - (d) cancel, amend, adjust or otherwise change any Award under such circumstances as the Plan Administrator may consider appropriate in accordance with the provisions of the Omnibus Plan;
 - (e) construe and interpret the Omnibus Plan and all Award Agreements;
 - (f) adopt, amend, prescribe and rescind administrative guidelines and other rules and regulations relating to the Omnibus Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws or for qualifying for favorable tax treatment under applicable foreign laws; and
 - (g) make all other determinations and take all other actions necessary or advisable for the implementation and administration of the Omnibus Plan.

Common Shares Available for Awards

The Omnibus Plan is a “rolling up to 10% and fixed up to 10%” Security Based Compensation Plan, as defined in Policy 4.4 - *Security Based Compensation* of the Exchange. The Omnibus Plan is a: (a) “rolling” plan pursuant to which the number of Common Shares that are issuable pursuant to the exercise of Options (including the existing Options) granted under the Omnibus Plan shall not exceed 10% of the issued and outstanding Common Shares as at the date of any Option grant; and (b) “fixed” plan under which the number of Common Shares that are issuable pursuant to all Awards other than Options granted under the Omnibus Plan and under any other security based compensation arrangement, in aggregate is a maximum of 7,127,330 Common Shares, in each case, subject to adjustment as provided in the Omnibus Plan and any subsequent amendment to the Omnibus Plan.

The aggregate number of Common Shares: (a) issued to Consultants within any one-year period, under all of the Corporation’s security based compensation arrangements may not exceed 2% of the Corporation’s total issued and outstanding Common Shares; (b) issued to any one individual within any one-year period, under all of the Corporation’s security based compensation arrangements may not exceed 5% of the Corporation’s total issued and outstanding Common Shares, unless disinterested shareholder approval has been obtained; (c) issued to Persons employed to provide investor relations services within any one-year period, under all of the Corporation’s security based compensation arrangements, may not exceed 2% of

the Corporation's total issued and outstanding Common Shares; (d) issuable to Insiders (as defined in the Omnibus Plan) at any time under all of the Corporation's security based compensation arrangements may not exceed 10% of the Corporation's total issued and outstanding Common Shares, unless disinterested shareholder approval has been obtained; and (e) issued to Insiders within any one-year period, under all of the Corporation's security based compensation arrangements may not exceed 10% of the Corporation's total issued and outstanding Common Shares, unless disinterested shareholder approval has been obtained.

Blackout Period

In the event that the Award Date (as defined in the Omnibus Plan) occurs, or an Award expires, during a Black-Out Period (as defined herein), the effective Award Date for such Award, or expiry of such Award, as the case may be, will be no later than 10 business days after the last day of the Black-Out Period, and the Market Price (as defined in the Omnibus Plan) with respect to the grant of such Award shall be calculated based on the VWAP of the five business days after the last day of the Black-Out Period. For the purposes hereof, a "**Black-Out Period**" means that period during which a trading black-out period is imposed by the Corporation to restrict trades in the Corporation's securities by a Participant.

Description of Awards

Subject to the provisions of the Omnibus Plan and such other terms and conditions as the Plan Administrator may prescribe, including with respect to performance and vesting conditions, the Plan Administrator may, from time to time, grant the following types of Awards to any Participant.

(a) Options

An Option entitles a holder thereof to purchase a Common Share at an exercise price set at the time of the grant, such price must in all cases be not less than the Market Price on the relevant date. Each Option will expire on the expiry date specified in the Award Agreement (which shall not be later than the 10th anniversary of the date of grant) or, if not so specified, means the 10th anniversary of the date of grant.

A Participant or the Personal Representative of the Participant (as defined in the Omnibus Plan) may elect to exercise such Options on a cashless basis, which means the exercise of an Option where the Corporation has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to the Participant to purchase the Common Shares underlying the Option and then the brokerage firm sells a sufficient number of Common Shares to cover the exercise price of the Option in order to repay the loan made to the Participant and receives an equivalent number of Common Shares from the exercise of the Options as were sold to cover the loan and the Participant then receives the balance of the Common Shares or the cash proceeds from the balance of the Common Shares.

A Participant or the Personal Representative of the Participant, other than a Participant whose roles and duties primarily consist of Investor Relations Activities, may elect to exercise an Option without payment of the aggregate exercise price of the Common Shares to be purchased pursuant to the exercise of the Option (a "**Net Exercise**") by delivering a net exercise notice to the Plan Administrator. Upon receipt by the Plan Administrator of a net exercise notice from a Participant or Personal Representative of a Participant, the Corporation shall calculate and issue to such Participant or Personal Representative of such Participant that number of Common Shares as is determined by application of the following formula:

$$X = [Y(A-B)]/A$$

Where:

X = the number of Common Shares to be issued to the Participant upon the Net Exercise

Y = the number of Common Shares underlying the Options being exercised

A = the VWAP as at the date of the net exercise notice, if such VWAP is greater than the exercise price

B = the exercise price of the Options being exercised

(b) Deferred Share Units

A DSU is a unit that vests one year or more following a grant but does not settle until a future date after the vesting, generally as established in the Award Agreement, or if not so established, then upon termination of service with the Corporation. The number of DSUs (including fractional DSUs) granted at any particular time will be calculated by dividing (a) the amount of any compensation that is to be paid in DSUs, as determined by the Plan Administrator by (b) the Market Price on the relevant date.

DSUs shall be settled on the date established in the Award Agreement; provided, however that in no event shall a DSU be settled prior to, or later than one year following, the date of the applicable Participant's separation from service. Subject to the terms of the Omnibus Plan, and except as otherwise provided in an Award Agreement, on the settlement date for any DSU, the Participant will redeem each vested DSU for a Common Share, a cash payment, or a combination thereof.

Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, DSUs will be credited with dividend equivalents in the form of additional DSUs as of each dividend payment date in respect of which normal cash dividends are paid on Common Shares. Dividend equivalents will vest in proportion to the DSUs to which they relate and will be settled in the same manner as the DSUs.

(c) Restricted Share Units

An RSU is a unit equivalent in value to a Common Share that does not vest until after a specified period, or satisfaction of other vesting conditions as determined by the Plan Administrator. The number of RSUs (including fractional RSUs) granted at any particular time will be calculated by dividing (a) the amount of any compensation that is to be paid in RSUs, as determined by the Plan Administrator, by (b) the Market Price of a Common Share on the relevant date.

The Plan Administrator will have the sole authority to determine the settlement terms applicable to the grant of RSUs. Subject to the terms of the Omnibus Plan, and except as otherwise provided in an Award Agreement, on the settlement date for any RSU, the Participant will redeem each vested RSU for a Common Share, a cash payment, or a combination thereof.

Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, RSUs will be credited with dividend equivalents in the form of additional RSUs as of each dividend payment date in respect of which normal cash dividends are paid on Common Shares. Dividend equivalents will vest in proportion to the RSUs to which they relate and will be settled in the same manner as the RSUs.

(d) Performance Share Units

The Plan Administrator will issue performance goals prior to the date of grant to which such performance goals pertain. The performance goals may be based upon the achievement of corporate, divisional or individual goals and may be applied to performance relative to an index or comparator group, or on any

other basis determined by the Plan Administrator. The Plan Administrator may modify the performance goals as necessary to align them with the Corporation's corporate objectives, subject to any limitations set forth in an Award Agreement or other agreement with a Participant. The performance goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur) and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur), all as set forth in the applicable Award Agreement.

Each PSU will consist of a right to receive a Common Share, cash payment, or a combination thereof, upon the achievement of such performance goals during such performance periods as the Plan Administrator may establish.

(e) Other Share-Based Awards

Each Other Share-Based Award shall consist of a right (a) which is other than an Award or right described above, and (b) which is denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Common Shares (including, without limitation, securities convertible into Common Shares) as are deemed by the Plan Administrator to be consistent with the purposes of the Omnibus Plan; provided, however, that such right will comply with applicable law. Subject to the terms of the Omnibus Plan and any applicable Award Agreement, the Plan Administrator will determine the terms and conditions of Other Share-Based Awards.

Effect of Termination on Awards

The following table describes the impact of certain events upon the Participants under the Omnibus Plan, including termination for cause, resignation, termination without cause, disability, death or retirement, subject, in each case, to the terms of a Participant's employment agreement, Award Agreement or other written agreement:

Event Provisions	Provisions
Termination for cause	Forfeiture of any unexercised Option or other Award.
Resignation	Forfeiture of any unexercised Option or other Award
Termination without cause	Any Option or other Award that is not vested as of the termination date shall be cancelled. Vested Options or other Awards may be exercised at any time during the period that terminates on the earlier of: (A) the expiry date of such Award; and (B) 90 days after the termination date (or such other period as may be determined by the Board, provided such period is not more than one year following the termination date).
Death	Any Option or other Award that has not vested as of the date of the death of such Participant shall terminate. Vested Options or other Awards may be exercised at any time during the period that terminates on the earlier of: (A) the expiry date of such Award; and (B) the six month anniversary of the date of the death of the Participant.

Disability	Any Option or other Award that has not vested as of the date of the disability of such Participant shall terminate. Vested Options or other Awards may be exercised at any time during the period that terminates on the earlier of: (A) the expiry date of such Award; and (B) the six month anniversary of the date of disability of the Participant.
------------	---

Notwithstanding the foregoing, the Plan Administrator may, in its discretion, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator.

Except as may be set forth in an employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant or as set out in the Omnibus Plan, the Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause:

- (a) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control (as defined in the Omnibus Plan);
- (b) outstanding Awards to vest and become exercisable, realizable or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control;
- (c) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the Participant (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction, the Plan Administrator determines, in good faith, that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights net of any exercise price payable by the Participant, then such Award may be terminated by the Corporation without payment);
- (d) the replacement of such Award with other rights or property selected by the Board in its sole discretion; or
- (e) any combination of the foregoing. In taking any of the foregoing actions, the Plan Administrator will not be required to treat all Awards similarly in the transaction.

Notwithstanding the foregoing, and unless otherwise determined by the Plan Administrator or as set out in the Omnibus Plan, if, as a result of a Change in Control, the Common Shares will cease trading on a stock exchange, the Corporation may terminate all of the Awards granted under the Omnibus Plan at the time of and subject to the completion of the Change in Control by paying to each holder an amount for each Award equal to the fair market value of the Award held by such Participant as determined by the Plan Administrator, acting reasonably.

Assignability

Except as required by law, the rights of a Participant under the Omnibus Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

Amendment, Suspension or Termination of the Omnibus Plan

The Plan Administrator may from time to time, without notice and without approval of the Shareholders, amend, modify, change, suspend or terminate the Omnibus Plan or any Awards granted pursuant thereunder as it, in its discretion, determines appropriate, provided, however, that: (a) no such amendment, modification, change, suspension or termination may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Omnibus Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or Exchange requirements; and (b) any amendment that would cause an Award held by a U.S. taxpayer to be subject to the additional tax penalty under the U.S. tax code will be null and void with respect to the U.S. taxpayer unless his or her consent is obtained.

Without limiting the generality of the foregoing, but subject to the below, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Omnibus Plan for the purposes of making:

- (a) any amendments to the general vesting provisions of each Award;
- (b) any amendments to fix typographical errors; or
- (c) any amendments to clarify existing provisions of the Plan that do not have the effect of altering the scope, nature and intent of the provision.

Notwithstanding the foregoing and subject to any rules of the Exchange, shareholder approval will be required for any amendment, modification or change that:

- (a) increases the percentage of Common Shares reserved for issuance under the Omnibus Plan, except pursuant to the provisions in the Omnibus Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (b) increases or removes the 10% limits on Common Shares issuable or issued to Insiders;
- (c) reduces the exercise price of an Award, except pursuant to the provisions in the Omnibus Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (d) extends the term of an Award beyond the original expiry date (except where an expiry date would have fallen within a blackout period applicable to the Participant or within five business days following the expiry of such a blackout period);
- (e) permits an Award to be exercisable beyond 10 years from its date of grant (except where an expiry date would have fallen within a blackout period);

- (f) increases or removes the non-employee director participation limits;
- (g) permits Awards to be transferred to a person;
- (h) changes the eligible participants of the Omnibus Plan; or
- (i) deletes or reduces the range of amendments which require shareholder approval.

The Board has unanimously approved the Omnibus Plan and recommends that Shareholders vote FOR the resolution regarding the Omnibus Plan. The complete text of the resolution which management intends to place before the Meeting for approval, confirmation and adoption, with or without modification, is as follows:

“WHEREAS the policies of the Exchange require annual shareholder approval of the Omnibus Equity Incentive Plan of the Corporation (the “**Omnibus Plan**”);

BE IT RESOLVED THAT:

1. the Omnibus Plan, in the form attached as Schedule “B” to the management information circular dated May 10, 2023 of the Corporation, is hereby authorized and approved; and
2. any one officer and director of the Corporation be and is hereby authorized for and on behalf of the Corporation to execute and deliver all such instruments and documents and to perform and do all such acts and things as may be deemed advisable in such individual’s discretion for the purpose of giving effect to this resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination.”

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF THE RESOLUTION TO APPROVE THE OMNIBUS PLAN IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM. AN AFFIRMATIVE VOTE OF A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS AT THE MEETING IS SUFFICIENT FOR THE APPROVAL OF THE OMNIBUS PLAN.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person or company who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation’s last completed financial year, no proposed nominee for election as a director of the Corporation and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

Except as may be otherwise set forth in any written employment agreement, consulting agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant, any decision made or action taken by the Board, the Committee or any sub-delegate to whom authority has been delegated pursuant to Section 3.2 arising out of or in connection with the administration or interpretation of this Plan is final, conclusive and binding on the Corporation and all subsidiaries of the Corporation, the affected Participant(s), their respective legal and personal representatives and all other Persons.

3.4 Eligibility

All Employees, Consultants, Directors and Officers are eligible to participate in the Plan, subject to Section 10.1(e). Participation in the Plan is voluntary and eligibility to participate does not confer upon any Employee, Consultant, Director or Officer any right to receive any grant of an Award pursuant to the Plan. The extent to which any Employee, Consultant, Director or Officer is entitled to receive a grant of an Award pursuant to the Plan will be determined in the discretion of the Plan Administrator. The Board shall determine in its sole discretion whether any Person is a bona fide Employee, Consultant, Director or Officer, as applicable.

3.5 Plan Administrator Requirements

Any Award granted under this Plan shall be subject to the requirement that, if at any time the Corporation shall determine that the listing, registration or qualification of the Shares issuable pursuant to such Award upon any securities exchange or under any Securities Laws of any jurisdiction, or the consent or approval of the Exchange and any securities commissions or similar securities regulatory bodies having jurisdiction over the Corporation is necessary as a condition of, or in connection with, the grant or exercise of such Award or the issuance or purchase of Shares thereunder, such Award may not be accepted or exercised, as applicable, in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Plan Administrator. Nothing herein shall be deemed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval. Participants shall, to the extent applicable, cooperate with the Corporation in complying with such legislation, rules, regulations and policies.

3.6 Total Shares Subject to Awards

- (a) The Plan is a “rolling up to 10% and fixed up to 10%” Security Based Compensation Plan, as defined in Policy 4.4 - *Security Based Compensation* of the Exchange. The Plan is a: (a) “rolling” plan pursuant to which the number of Shares that are issuable pursuant to the exercise of Options (including the Predecessor Options) granted hereunder shall not exceed 10% of the issued and outstanding Shares as at the date of any Option grant; and (b) “fixed” plan under which the number of Shares that are issuable pursuant to all Awards (including the Predecessor DSUs) other than Options granted hereunder and under any other Security Based Compensation Arrangement, in aggregate is a maximum of 7,127,330 Shares, in each case, subject to adjustment as provided in Article 11 and any subsequent amendment to this Plan.
- (b) To the extent the Shares are no longer listed on the Exchange, and subject to any additional and applicable approval by other stock exchange on which the Shares are then listed, the limits set forth in Section 3.6(a) shall no longer be applicable.
- (c) To the extent any Awards (or portion(s) thereof) under this Plan are terminated or are cancelled for any reason prior to exercise in full, any Shares subject to such Awards (or portion(s) thereof) shall be added back to the number of Shares reserved for issuance under this Plan and will again become available for issuance pursuant

to the exercise of Awards granted under this Plan. To the extent any Options (or portion(s) thereof) under this Plan are exercised, any Shares subject to such Options (or portion(s) thereof) shall be added back to the number of Shares reserved for issuance under this Plan and will again become available for issuance pursuant to the exercise of Options granted under this Plan.

- (d) Any Shares issued by the Corporation through the assumption or substitution of outstanding stock options or other equity-based awards from an acquired company shall not reduce the number of Shares available for issuance pursuant to the exercise of Awards granted under this Plan.

3.7 Limits on Grants of Awards

Notwithstanding anything in this Plan, the aggregate number of Shares issuable at any time under all Security Based Compensation Arrangements:

- (a) awarded in a one-year period to any one Consultant shall not exceed 2% of the issued and outstanding Shares (calculated at the time of award);
- (b) awarded in a one-year period to any one Participant (other than a Consultant) shall not exceed 5% of the issued and outstanding Shares (calculated at the time of award), unless disinterested shareholder approval has been obtained;
- (c) awarded in a one-year period to Persons employed to provide Investor Relations Activities services shall not exceed 2% of the issued and outstanding Shares (calculated at the time of award). For greater certainty, a Person conducting Investor Relations Activities shall only be entitled to receive Options as a form of Award under the Plan;
- (d) awarded to Insiders in a one-year period shall not exceed 10% of the issued and outstanding Shares (calculated at the time of award), unless disinterested shareholder approval has been obtained; or
- (e) awarded to Insiders in aggregate shall not exceed 10% of the issued and outstanding Shares at any point in time, unless disinterested shareholder approval has been obtained,

provided that the acquisition of Shares by the Corporation for cancellation shall not constitute non-compliance with this Section 3.7 for any Awards outstanding prior to such purchase of Shares for cancellation.

3.8 Award Agreements

Each Award under this Plan will be evidenced by an Award Agreement. Each Award Agreement will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Plan Administrator may direct. Any one officer of the Corporation is authorized and empowered to execute and deliver, for and on behalf of the Corporation, any Award Agreement to a Participant granted an Award pursuant to this Plan.

3.9 Non-transferability of Awards

Except as permitted by the Plan Administrator, and to the extent that certain rights may pass to a beneficiary or legal representative upon the death of a Participant by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards or under this Plan whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect.

ARTICLE 4 OPTIONS

4.1 Granting of Options

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant Options to any Participant. The terms and conditions of each Option grant shall be evidenced by an Award Agreement.

4.2 Exercise Price

The Plan Administrator will establish the Exercise Price at the time each Option is granted, which Exercise Price must in all cases be not less than the Market Price on the relevant date.

4.3 Term of Options

Subject to any accelerated termination as set forth in this Plan, each Option expires on its Expiry Date.

4.4 Vesting and Exercisability

- (a) The Plan Administrator shall have the authority to determine the vesting terms applicable to grants of Options.
- (b) Once an instalment becomes vested, it shall remain vested and shall be exercisable until expiration or termination of the Option, unless otherwise specified by the Plan Administrator, or as may be otherwise set forth in any written employment agreement, consulting agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant. Each vested Option or instalment may be exercised at any time or from time to time, in whole or in part, for up to the total number of Option Shares with respect to which it is then exercisable. The Plan Administrator has the right to accelerate the date upon which any instalment of any Option becomes exercisable.
- (c) Subject to the provisions of this Plan and any Award Agreement, Options shall be exercised by means of a fully completed Exercise Notice delivered to the Corporation.

- (d) The Plan Administrator may provide at the time of granting an Option that the exercise of that Option is subject to restrictions, in addition to those specified in this Section 4.4, such as vesting conditions relating to the attainment of specified Performance Goals.
- (e) Options issued to any Person retained to provide Investor Relations Activities must vest in stages over a period of not less than 12 months such that: (A) no more than 1/4 of the Options vest no sooner than three months after the Options were granted; (B) no more than another 1/4 of the Options vest no sooner than six months after the Options were granted; (C) no more than another 1/4 of the Options vest no sooner than nine months after the Options were granted; and (D) no more than another 1/4 of the Options vest no sooner than 12 months after the Options were granted.

4.5 Payment of Exercise Price

- (a) Unless otherwise specified by the Plan Administrator at the time of granting an Option and set forth in the particular Award Agreement, the Exercise Notice must be accompanied by payment of the Exercise Price. Except as otherwise provided below, payment of the Exercise Price for the number of Shares being purchased pursuant to any Option shall be made (i) in cash, by cheque or in cash equivalent; (ii) if permitted by the Plan Administrator, applicable law and Exchange policies, by means of a Cashless Exercise (as defined herein), a Net Exercise (as defined herein), or by such other consideration as may be approved by the Plan Administrator from time to time to the extent permitted by applicable law and Exchange policies, or (iii) by any combination thereof. The Plan Administrator may at any time or from time to time grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the Exercise Price or which otherwise restrict one or more forms of consideration.
- (b) Subject to the Corporation having established a program or procedure pursuant to this Section 4.5(b), a Participant or the Personal Representative of the Participant may elect to exercise such Options on a cashless basis (a “**Cashless Exercise**”). A “Cashless Exercise” means the exercise of an Option where the Corporation has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to the Participant to purchase the Shares underlying the Option and then the brokerage firm sells a sufficient number of Shares to cover the exercise price of the Option in order to repay the loan made to the Participant and receives an equivalent number of Shares from the exercise of the Options as were sold to cover the loan and the Participant then receives the balance of the Shares or the cash proceeds from the balance of the Shares. Pursuant to a Cashless Exercise, a Participant shall deliver a properly executed Exercise Notice together with irrevocable instructions to a broker providing for assignment to the Corporation of the proceeds of a sale or loan with respect to some or all of the Shares being acquired upon the exercise of the Option. The Corporation reserves the right, in the Corporation’s sole and absolute discretion, to establish, decline to approve or terminate any program or procedures for the exercise of Options by means of a Cashless Exercise, including

with respect to one or more Participants specified by the Corporation notwithstanding that such program or procedures may be available to other Participants.

- (c) A Participant or the Personal Representative of the Participant, other than a Participant whose roles and duties primarily consist of Investor Relations Activities, may elect to exercise an Option without payment of the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option (a “**Net Exercise**”) by delivering a Net Exercise Notice to the Plan Administrator. Upon receipt by the Plan Administrator of a Net Exercise Notice from a Participant or Personal Representative of a Participant, the Corporation shall calculate and issue to such Participant or Personal Representative of such Participant that number of Shares as is determined by application of the following formula:

$$X=[Y(A-B)]/A$$

Where:

X = the number of Shares to be issued to the Participant upon the Net Exercise

Y = the number of Shares underlying the Options being exercised

A = the VWAP as at the date of the Net Exercise Notice, if such VWAP is greater than the Exercise Price

B = the Exercise Price of the Options being exercised

The Corporation may, but is not obligated to accept, any Net Exercise of which it receives notice. If the Corporation does accept such Net Exercise, no fractional Shares will be issued to any Participant or the Personal Representative of the Participant electing a Net Exercise. If the number of Shares to be issued to the Participant in the event of a Net Exercise would otherwise include a fraction of a Share, the Corporation will pay a cash amount to such Participant equal to (i) the fraction of a Share otherwise issuable multiplied by (ii) the value attributed to “A” in the formula set out above.

- (d) Unless otherwise required by applicable laws, or as determined in the discretion of the Board or the Plan Administrator, the Exercise Price for Options shall be designated in Canadian dollars. A foreign Participant may be required to provide evidence that any currency used to pay the Exercise Price of any Option was acquired and taken out of the jurisdiction in which the Participant resides in accordance with applicable laws, including foreign exchange control laws and regulations. In the event the Exercise Price for an Option is paid in another foreign currency, if permitted by the Plan Administrator, the amount payable will be determined by conversion from Canadian dollars at the exchange rate as selected by the Plan Administrator on the date of exercise. For Participants subject to United States income tax, such conversion shall be determined in a manner which does not

result in any adverse tax consequences to the Participant pursuant to Section 409A of the Code.

ARTICLE 5 DEFERRED SHARE UNITS

5.1 Granting of DSUs

- (a) The Plan Administrator may fix, from time to time, a portion of the Director Fees that is to be payable in the form of DSUs. In addition, subject to the approval of the Plan Administrator, each Electing Person is given, subject to the conditions stated herein, the right to elect in accordance with Section 5.1(b) to participate in the grant of additional DSUs pursuant to this Article 5. An Electing Person who elects to participate in the grant of additional DSUs pursuant to this Article 5 shall receive their Elected Amount (as that term is defined below) in the form of DSUs in lieu of cash. The “**Elected Amount**” shall be an amount, as elected by the Director, in accordance with applicable tax law, between 0% and 100% of any Director Fees that are otherwise intended to be paid in cash (the “**Cash Fees**”).
- (b) Each Electing Person who elects to receive their Elected Amount in the form of DSUs in lieu of cash will be required to file a notice of election in the form of Schedule “C” hereto (the “**Election Notice**”) with the Chief Financial Officer of the Corporation: (i) in the case of an existing Electing Person, by December 31 in the year prior to the year to which such election is to apply; and (ii) in the case of a newly appointed Electing Person who is not a U.S. Taxpayer, within 30 days of such appointment with respect to compensation paid for services to be performed after such date. In the case of an existing Electing Person who is a U.S. Taxpayer as of the Effective Date of this Plan, an initial Election Notice may be filed by the date that is 30 days from the Effective Date only with respect to compensation paid for services to be performed after the Election Date; and, in the case of a newly appointed Electing Person who is a U.S. Taxpayer, an Election Notice may be filed within 30 days of such appointment only with respect to compensation paid for services to be performed after the Election Date. If no election is made within the foregoing time frames, the Electing Person shall be deemed to have elected to be paid the entire amount of his or her Cash Fees in cash.
- (c) Subject to Section 5.1(d), the election of an Electing Person under Section 5.1(b) shall be deemed to apply to all Cash Fees that would be paid subsequent to the filing of the Election Notice, and such Electing Person is not required to file another Election Notice for subsequent calendar years.
- (d) Each Electing Person who is not a U.S. Taxpayer is entitled once per calendar year to terminate his or her election to receive DSUs in lieu of Cash Fees by filing with the Chief Financial Officer of the Corporation a notice in the form of Schedule “D” hereto. Such termination shall be effective immediately upon receipt of such notice, provided that the Corporation has not imposed a “black-out” on trading. Thereafter, any portion of such Electing Person’s Cash Fees payable or paid in the same

calendar year and, subject to complying with Section 5.1(b), all subsequent calendar years shall be paid in cash. For greater certainty, to the extent an Electing Person terminates his or her participation in the grant of DSUs pursuant to this Article 5, he or she shall not be entitled to elect to receive the Elected Amount, or any other amount of his or her Cash Fees in DSUs in lieu of cash again until the calendar year following the year in which the termination notice is delivered. An election by a U.S. Taxpayer to receive the Elected Amount in DSUs in lieu of cash for any calendar year is irrevocable for that calendar year after the expiration of the election period for that year and any termination of the election will not take effect until the first day of the calendar year following the calendar year in which the termination notice in the form of Schedule "D" is delivered.

- (e) Any DSUs granted pursuant to this Article 5 prior to the delivery of a termination notice pursuant to Section 5.1(d) shall remain in the Plan following such termination and will be redeemable only in accordance with the terms of the Plan.
- (f) The number of DSUs (including fractional DSUs) granted at any particular time pursuant to this Article 5 will be calculated by dividing (i) the amount of any compensation that is to be paid in DSUs (including Director Fees and any Elected Amount), as determined by the Plan Administrator, by (ii) the Market Price of a Share on the Award Date.
- (g) In addition to the foregoing, the Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant DSUs to any Participant.

5.2 DSU Account

All DSUs received by a Participant (which, for greater certainty includes Electing Persons) shall be credited to an account maintained for the Participant on the books of the Corporation, as of the relevant date. The terms and conditions of each DSU grant shall be evidenced by an Award Agreement.

5.3 Vesting of DSUs

Except as provided in Sections 10.1 and 11.2, no DSUs issued to a Participant may vest before the date that is one year following the date they are granted.

5.4 Settlement of DSUs

- (a) DSUs shall be settled on the date established in the Award Agreement; provided, however that in no event shall an Award in the form of a DSU be settled prior to, or later than one (1) year following, the date of the applicable Participant's separation from service. If the Award Agreement does not establish a date for the settlement of the DSUs, then the settlement date shall be the date of separation from service, subject to the delay that may be required under Section 12.6(d) below in the case of a U.S. Participant. Subject to Section 12.6(d) below in the case of a U.S. Participant, and except as otherwise provided in an Award Agreement, on the

settlement date for any DSU, the Participant shall redeem each vested DSU for:

- (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
- (ii) a cash payment, or
- (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above,

in each case as determined by the Plan Administrator in its sole discretion.

- (b) Any cash payments made under this Section 5.4 by the Corporation to a Participant in respect of DSUs to be redeemed for cash shall be calculated by multiplying the number of DSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (c) Payment of cash to Participants on the redemption of vested DSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.

ARTICLE 6 RESTRICTED SHARE UNITS

6.1 Granting of RSUs

- (a) The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant RSUs to any Participant in respect of services rendered in the year of grant. The terms and conditions of each RSU grant shall be evidenced by an Award Agreement.
- (b) The number of RSUs (including fractional RSUs) granted at any particular time pursuant to this Article 6 will be calculated by dividing (i) the amount of any compensation that is to be paid in RSUs, as determined by the Plan Administrator, by (ii) the Market Price of a Share on the relevant date.

6.2 RSU Account

All RSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Award Date.

6.3 Vesting of RSUs

Except as provided in Sections 10.1 and 11.2, no RSUs issued to a Participant may vest before the date that is one year following the date they are granted.

6.4 Settlement of RSUs

- (a) The Plan Administrator shall have the sole authority to determine the settlement terms applicable to the grant of RSUs. Subject to Section 12.6(d) below and except as otherwise provided in an Award Agreement, on the settlement date for any RSU, the Participant shall redeem each vested RSU for:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above, in each case as determined by the Plan Administrator in its sole discretion.
- (b) Any cash payments made under this Section 6.4 by the Corporation to a Participant in respect of RSUs to be redeemed for cash shall be calculated by multiplying the number of RSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (c) Payment of cash to Participants on the redemption of vested RSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.
- (d) Subject to Section 12.6(d) below and except as otherwise provided in an Award Agreement, no settlement date for any RSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any RSU, under this Section 6.4 any later than the final Business Day of the third calendar year following the year in which the RSU is granted.

ARTICLE 7 PERFORMANCE SHARE UNITS

7.1 Granting of PSUs

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant PSUs to any Participant in respect of services rendered in the year of grant. The terms and conditions of each PSU grant shall be evidenced by an Award Agreement. Each PSU will consist of a right to receive a Share, cash payment, or a combination thereof (as provided in Section 7.6(a)), upon the achievement of such Performance Goals during such performance periods as the Plan Administrator shall establish.

7.2 Terms of PSUs

The Performance Goals to be achieved during any performance period, the length of any performance period, the amount of any PSUs granted, the termination of a Participant's

employment or consulting arrangement and the amount of any payment or transfer to be made pursuant to any PSU will be determined by the Plan Administrator and by the other terms and conditions of any PSU, all as set forth in the applicable Award Agreement.

7.3 Performance Goals

The Plan Administrator will issue Performance Goals prior to the Award Date to which such Performance Goals pertain. The Performance Goals may be based upon the achievement of corporate, divisional or individual goals, and may be applied relative to performance relative to an index or comparator group, or on any other basis determined by the Plan Administrator. The Plan Administrator may modify the Performance Goals as necessary to align them with the Corporation's corporate objectives, subject to any limitations set forth in an Award Agreement or an employment agreement, consulting agreement or other agreement with a Participant. The Performance Goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur), and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur), all as set forth in the applicable Award Agreement.

7.4 PSU Account

All PSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Award Date.

7.5 Vesting of PSUs

Except as provided in Sections 10.1 and 11.2, no PSUs issued to a Participant may vest before the date that is one year following the date they are granted.

7.6 Settlement of PSUs

- (a) The Plan Administrator shall have the authority to determine the settlement terms applicable to the grant of PSUs. Subject to Section 12.6(d) below and except as otherwise provided in an Award Agreement, on the settlement date for any PSU, the Participant shall redeem each vested PSU for:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above, in each case as determined by the Plan Administrator in its sole discretion.
- (b) Any cash payments made under this Section 7.6 by the Corporation to a Participant in respect of PSUs to be redeemed for cash shall be calculated by multiplying the number of PSUs to be redeemed for cash by the Market Price per Share as at the

settlement date.

- (c) Payment of cash to Participants on the redemption of vested RSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.
- (d) Subject to Section 12.6(d) below and except as otherwise provided in an Award Agreement, no settlement date for any PSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any PSU, under this Section 7.6 any later than the final Business Day of the third calendar year following the year in which the PSU is granted.

ARTICLE 8 OTHER SHARE-BASED AWARDS

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant Other Share-Based Awards to any Participant. The terms and conditions of each Other Share-Based Award grant shall be evidenced by an Award Agreement. Each Other Share-Based Award shall consist of a right (1) which is other than an Award or right described in Article 4, Article 5, Article 6, and (2) which is denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares) as are deemed by the Plan Administrator to be consistent with the purposes of the Plan; provided, however, that such right will comply with applicable law. Subject to the terms of the Plan and any applicable Award Agreement, the Plan Administrator will determine the terms and conditions of Other Share-Based Awards. Shares or other securities delivered pursuant to a purchase right granted under this Article 8 will be purchased for such consideration, which may be paid by such method or methods and in such form or forms, including, without limitation, cash, Shares, other securities, other Awards, other property, or any combination thereof, as the Plan Administrator shall determine in its discretion.

ARTICLE 9 ADDITIONAL AWARD TERMS

9.1 Dividend Equivalents

- (a) Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, as part of a Participant's grant of DSUs or RSUs (as applicable) and in respect of the services provided by the Participant for such original grant, DSUs and RSUs (as applicable) shall be credited with dividend equivalents in the form of additional DSUs or RSUs, as applicable, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be computed by dividing: (i) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of DSUs or RSUs, as applicable, held by the Participant on the record date for the payment of such dividend, by (ii) the Market Price at the close of the first business day immediately following the dividend record date, with fractions

computed to three decimal places. Dividend equivalents credited to a Participant's account shall vest in proportion to the DSUs or RSUs, as applicable, to which they relate, and shall be settled in accordance with Section 6.4. In the case that the Corporation is not be able to issue DSUs or RSUs as dividend equivalents due to the limitations in Sections 3.6 or 3.7, then the Corporation shall make such payments in cash for each DSU or RSU at the same rate as such dividends were paid on the Shares.

- (b) The foregoing does not obligate the Corporation to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

9.2 Blackout Period

In the event that the Award Date occurs, or an Award expires, during a Black-Out Period, the effective Award Date for such Award, or expiry of such Award, as the case may be, will be no later than 10 business days after the last day of the Black-Out Period, and the Market Price with respect to the grant of such Award shall be calculated based on the VWAP of the five business days after the last day of the Black-Out Period. For the purposes hereof, a "Black-Out Period" means that period during which a trading black-out period is imposed by the Corporation to restrict trades in the Corporation's securities by a Participant.

9.3 Withholding Taxes

Notwithstanding any other terms of this Plan, the granting, vesting or settlement of each Award under this Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or an Affiliate of the Corporation is obliged to withhold or remit to the relevant taxing authority in respect of the granting, vesting or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or an Affiliate of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or any Affiliate to the Participant, (b) require the sale of a number of Shares issued upon exercise, vesting, or settlement of such Award and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount, or (c) enter into any other suitable arrangements for the receipt of such amount.

9.4 Recoupment

Notwithstanding any other terms of this Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or the relevant subsidiary of the Corporation and in effect at the Award Date of the Award, or as set out in the Participant's employment agreement, Award Agreement or other written agreement, or as otherwise required

by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 9.4 to any Participant or category of Participants.

ARTICLE 10 TERMINATION OF EMPLOYMENT OR SERVICES

10.1 Termination of Employees, Consultants, Directors and Officers

Unless otherwise determined by the Plan Administrator or as set forth in an employment agreement, consulting agreement, Award Agreement or other written agreement (but in no event shall Options or Awards exceed one year following the Termination Date, death, or Disability of a Participant):

- (a) where a Participant's employment agreement, consulting agreement or arrangement is terminated, or the Participant ceases to hold the office of his or her position, as applicable, by reason of voluntary resignation by the Participant or termination by the Corporation or a subsidiary of the Corporation for Cause, then any Option or other Award held by the Participant that has not been exercised as of the Termination Date shall be immediately forfeited and cancelled as of the Termination Date;
- (b) where a Participant's employment agreement, consulting agreement or other position is terminated, or the Participant ceases to hold the office of his or her position, as applicable, by the Corporation or a subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice) then all unvested Options or other Awards shall terminate, and all vested Options or other Awards may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the date that is 90 days after the Termination Date (or such other period as may be determined by the Board, provided such period is not more than one year following the Termination Date). Any Option or other Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;
- (c) where a Participant becomes Disabled, then any Option or other Award held by the Participant that has not vested as of the date of Disability of such Participant shall terminate, and all Options or other Awards that are vested as of the date of Disability may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the date that is six months after the date of Disability. Any Option or other Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;
- (d) where a Participant's employment agreement, consulting agreement or

arrangement is terminated, or the Participant ceases to hold office of his or her position, as applicable, by reason of the death of the Participant, then any Option or other Award held by the Participant that has not vested as of the date of the death of such Participant shall terminate, and all Options or other Awards that are vested as of the date of death and may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the six month anniversary of the date of the death of such Participant. Any Option or other Award that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;

- (e) a Participant's eligibility to receive further grants of Options or other Awards under this Plan ceases as of:
 - (i) the date that the Corporation or a subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment, consulting agreement or arrangement is terminated, notwithstanding that such date may be prior to the Termination Date; or
 - (ii) the date of the death, or Disability of the Participant; and notwithstanding Section 10.1(b), unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options or other Awards are not affected by a change of employment or consulting agreement or arrangement, or directorship within or among the Corporation or a subsidiary of the Corporation for so long as the Participant continues to be a Director, Employee or Consultant, as applicable, of the Corporation or a subsidiary of the Corporation.

10.2 Discretion to Permit Acceleration

- (a) Notwithstanding the provisions of Section 10.1, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in such Section, or in an employment agreement, consulting agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator; provided that Awards may not be accelerated earlier than one year from the Award Date.
- (b) Notwithstanding the provisions of Section 10.2(a), the Plan Administrator may not permit the acceleration of vesting of any Options granted to any Persons employed to provide Investor Relations Activities without the prior written approval of the Exchange.

10.3 Participants' Entitlement

Except as otherwise provided in this Plan, Awards previously granted under this Plan are not

affected by any change in the relationship between, or ownership of, the Corporation and an Affiliate of the Corporation. For greater certainty, all grants of Awards remain outstanding and are not affected by reason only that, at any time, an Affiliate of the Corporation ceases to be an Affiliate of the Corporation.

ARTICLE 11 EVENTS AFFECTING THE CORPORATION

11.1 General

The existence of any Awards does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Article 11 would have an adverse effect on this Plan or on any Award granted hereunder.

11.2 Change in Control

Except as may be set forth in an employment agreement, consulting agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant:

- (a) The Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause (i) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iii) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the Participant (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights net of any exercise price payable by the Participant, then such Award may be terminated by the Corporation without payment); (iv) the replacement of such Award with other rights or property selected by the Board in its sole discretion; or (v) any combination of the foregoing. In taking any of the actions permitted under this Section 11.2(a), the Plan Administrator will not be

required to treat all Awards similarly in the transaction. Notwithstanding the foregoing, in the case of Options held by a Canadian Taxpayer, the Plan Administrator may not cause the Canadian Taxpayer to receive (pursuant to this Section 11.2(a)) any property in connection with a Change of Control other than rights to acquire shares of a corporation or units of a “mutual fund trust” (as defined in the Tax Act), of the Corporation or a “qualifying person” (as defined in the Tax Act) that does not deal at arm’s length (for purposes of the Tax Act) with the Corporation, as applicable, at the time such rights are issued or granted.

- (b) Notwithstanding Section 11.2(a), and unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on an Exchange, then the Corporation may terminate all of the Awards granted under this Plan (other than Options held by Canadian Taxpayers) at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such Participant as determined by the Plan Administrator, acting reasonably, or in the case of Options held by a Canadian Taxpayer by permitting the Canadian Taxpayer to surrender such Options to the Corporation for an amount for each such Option equal to the fair market value of such Option as determined by the Plan Administrator, acting reasonably, upon the completion of the Change in Control (following which such Options may be cancelled for no consideration).
- (c) It is intended that any actions taken under this Section 11.2 will comply with the requirements of Section 409A of the Code with respect to Awards granted to U.S. Taxpayers.

11.3 Reorganization of Corporation’s Capital

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

11.4 Other Events Affecting the Corporation

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve

proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange (if required), authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

11.5 Immediate Acceleration of Awards

In taking any of the steps provided in Sections 11.3 and 11.4, the Plan Administrator will not be required to treat all Awards similarly and where the Plan Administrator determines that the steps provided in Sections 11.3 and 11.4 would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Plan Administrator may, but is not required, to permit the immediate vesting of any unvested Awards.

11.6 Issue by Corporation of Additional Shares

Except as expressly provided in this Article 11, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards or other entitlements of the Participants under such Awards.

11.7 Fractions

No fractional Shares will be issued pursuant to an Award. Accordingly, (whether as a result of any adjustment under this Article 11, a dividend equivalent or otherwise), a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 12 U.S. TAXPAYERS

12.1 Provisions for U.S. Taxpayers

Options granted under this Plan to U.S. Taxpayers may be non-qualified stock options or incentive stock options qualifying under Section 422 of the Code (“**ISOs**”). Each Option shall be designated in the Award Agreement as either an ISO or a non-qualified stock option. The Corporation shall not be liable to any Participant or to any other Person if it is determined that an Option intended to be an ISO does not qualify as an ISO.

12.2 ISOs

Subject to any limitations in Section 3.6(a), the aggregate number of Shares reserved for issuance in respect of granted ISOs shall not exceed 7,127,330 Shares, and the terms and conditions of any ISOs granted to a U.S. Taxpayer on the Award Date hereunder, including the eligible recipients of ISOs, shall be subject to the provisions of Section 422 of the Code, and the terms, conditions, limitations and administrative procedures established by the Plan Administrator from time to time in accordance with this Plan. At the discretion of the Plan Administrator, ISOs may be granted to

any employee of the Corporation, or of a “parent corporation” or “subsidiary corporation”, as such terms are defined in Sections 424(e) and (f) of the Code.

12.3 ISO Grants to 10% Shareholders

Notwithstanding anything to the contrary in this Plan, if an ISO is granted to a person who owns shares representing more than 10% of the voting power of all classes of shares of the Corporation or of a “parent corporation” or “subsidiary corporation”, as such terms are defined in Section 424(e) and (f) of the Code, on the Award Date, the term of the Option shall not exceed five years from the time of grant of such Option and the Exercise Price shall be at least 110% of the Market Price of the Shares subject to the Option.

12.4 \$100,000 Per Year Limitation for ISOs

To the extent the aggregate Market Price as at the relevant date of the Shares for which ISOs are exercisable for the first time by any person during any calendar year (under all plans of the Corporation) exceeds \$100,000, such excess ISOs shall be treated as non-qualified stock options.

12.5 Disqualifying Dispositions

Each person awarded an ISO under this Plan shall notify the Corporation in writing immediately after the date he or she makes a disposition or transfer of any Shares acquired pursuant to the exercise of such ISO if such disposition or transfer is made (a) within two years from the Award Date or (b) within one year after the date such person acquired the Shares. Such notice shall specify the date of such disposition or other transfer and the amount realized, in cash, other property, assumption of indebtedness or other consideration, by the person in such disposition or other transfer. The Corporation may, if determined by the Plan Administrator and in accordance with procedures established by it, retain possession of any Shares acquired pursuant to the exercise of an ISO as agent for the applicable person until the end of the later of the periods described in (a) or (b) above, subject to complying with any instructions from such person as to the sale of such Shares.

12.6 Section 409A of the Code

- (a) This Plan will be construed and interpreted to be exempt from, or where not so exempt, to comply with Section 409A of the Code to the extent required to preserve the intended tax consequences of this Plan. To the extent that an Award or payment, or the settlement or deferral thereof, is subject to Section 409A of the Code, the Award will be granted, paid, settled or deferred in a manner that will meet the requirements of Section 409A of the Code, such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Section 409A of the Code. The Corporation reserves the right to amend this Plan to the extent it reasonably determines is necessary in order to preserve the intended tax consequences of this Plan in light of Section 409A of the Code. In no event will the Corporation or any of its subsidiaries or Affiliates be liable for any tax, interest or penalties that may be imposed on a Participant under Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.

- (b) All terms of the Plan that are undefined or ambiguous must be interpreted in a manner that complies with Section 409A of the Code if necessary to comply with Section 409A of the Code.
- (c) The Plan Administrator, in its sole discretion, may permit the acceleration of the time or schedule of payment of a U.S. Taxpayer's vested Awards in the Plan under circumstances that constitute permissible acceleration events under Section 409A of the Code.
- (d) Notwithstanding any provisions of the Plan to the contrary, in the case of any "specified employee" within the meaning of Section 409A of the Code who is a U.S. Taxpayer, distributions of non-qualified deferred compensation under Section 409A of the Code made in connection with a "separation from service" within the meaning set forth in Section 409A of the Code may not be made prior to the date which is six months after the date of separation from service (or, if earlier, the date of death of the U.S. Taxpayer). Any amounts subject to a delay in payment pursuant to the preceding sentence shall be paid as soon practicable following such six-month anniversary of such separation from service.

12.7 Section 83(b) Election

If a Participant makes an election pursuant to Section 83(b) of the Code with respect to an Award of Shares subject to vesting or other forfeiture conditions, the Participant shall be required to promptly file a copy of such election with the Corporation.

ARTICLE 13 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

13.1 Amendment, Suspension, or Termination of the Plan

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that:

- (a) no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable Securities Laws or Exchange requirements; and
- (b) any amendment that would cause an Award held by a U.S. Taxpayer be subject to the additional tax penalty under Section 409A(1)(b)(i)(II) of the Code shall be null and void *ab initio* with respect to the U.S. Taxpayer unless the consent of the U.S. Taxpayer is obtained.

13.2 Shareholder Approval

Notwithstanding Section 13.1 and subject to any rules of the Exchange, approval of the holders of the Shares shall be required for any amendment, modification or change that:

- (a) increases the percentage of Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (b) increases or removes the limit on the number of Shares issuable or issued to Insiders as set forth in Section 3.7(d) and Section 3.7(e);
- (c) reduces the exercise price of an Award (for this purpose, a cancellation or termination of an Award of a Participant prior to its Expiry Date for the purpose of reissuing an Award to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Award) except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (d) extends the term of an Award beyond the original Expiry Date (except where an Expiry Date would have fallen within a blackout period applicable to the Participant or within five business days following the expiry of such a blackout period);
- (e) permits an Award to be exercisable beyond 10 years from its Award Date (except where an Expiry Date would have fallen within a blackout period of the Corporation);
- (f) increases or removes the limits on the participation of Directors or Officers;
- (g) permits Awards to be transferred to a Person;
- (h) changes the eligible participants of the Plan; or
- (i) deletes or reduces the range of amendments which require approval of shareholders under this Section 13.2.

13.3 Disinterested Shareholder Approval

Disinterested shareholder approval will be obtained:

- (a) for any reduction in the Exercise Price or extension of the term of an Option if the Participant is an Insider of the Corporation at the time of the proposed amendment; and
- (b) for any changes to the aggregate number of Shares reserved for issuance pursuant to all Awards, other than Options, granted under the Plan, together with any other Security Based Compensation Arrangement, as set out in Section 3.6(a).

Disinterested shareholder approval will also be required as specified in the Plan.

13.4 Permitted Amendments

Without limiting the generality of Section 13.1, but subject to Section 13.2, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;
- (b) making any amendments to fix typographical errors; or
- (c) making any amendments to clarify existing provisions of the Plan that do not have the effect of altering the scope, nature and intent of the provision.

ARTICLE 14 MISCELLANEOUS

14.1 Legal Requirement

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

14.2 No Other Benefit

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

14.3 Rights of Participant

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as an Employee, Consultant, Director or Officer. No Participant has any rights as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

14.4 Corporate Action

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Corporation from taking corporate action which is deemed by the Corporation to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

14.5 Conflict

In the event of any conflict between the provisions of this Plan and an Award Agreement, the

provisions of the Award Agreement shall govern. In the event of any conflict between or among the provisions of this Plan or any Award Agreement, on the one hand, and a Participant's employment agreement or consulting agreement with the Corporation or a subsidiary of the Corporation, as the case may be, on the other hand, the provisions of the employment agreement, consulting agreement or other written agreement shall prevail.

14.6 Anti-Hedging Policy

By accepting the Option or Award, each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options or Awards.

14.7 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

14.8 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Shares. The Corporation does not assume responsibility for the income or other tax consequences for the Participants and they are advised to consult with their own tax advisors.

14.9 International Participants

With respect to Participants who reside or work outside Canada, the Plan Administrator may, in its discretion, amend, or otherwise modify, without shareholder approval, the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the provisions of local law, and the Plan Administrator may, where appropriate, establish one or more sub-plans to reflect such amended or otherwise modified provisions.

14.10 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its subsidiaries.

14.11 General Restrictions on Assignment

Except as required by law, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

14.12 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

14.13 Notices

All written notices to be given by a Participant to the Corporation shall be delivered personally, e-mail or mail, postage prepaid, addressed as follows:

Golconda Gold Ltd.
181 Bay Street, Suite 1800
Toronto, Ontario M5J 2T9
Attention: Chief Financial Officer

All notices to a Participant will be addressed to the principal address of the Participant on file with the Corporation. Either the Corporation or the Participant may designate a different address by written notice to the other. Such notices are deemed to be received, if delivered personally or by e-mail, on the date of delivery, and if sent by mail, on the fifth business day following the date of mailing; provided that in the event of any actual or imminent postal disruption, notices shall be delivered to the appropriate party and not sent by mail. Any notice given by either the Participant or the Corporation is not binding on the recipient thereof until received.

14.14 Effective Date

This Plan becomes effective on a date to be determined by the Plan Administrator, subject to the approval of the shareholders of the Corporation.

14.15 Governing Law

This Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the internal laws of the Province of Ontario and the federal laws of Canada applicable therein, without reference to conflicts of law rules.

14.16 Submission to Jurisdiction

The Corporation and each Participant irrevocably submits to the exclusive jurisdiction of the courts of competent jurisdiction in the Province of Ontario in respect of any action or proceeding relating in any way to the Plan, including, without limitation, with respect to the grant of Awards and any issuance of Shares made in accordance with the Plan.

AUDIT COMMITTEE CHARTER

(Implemented pursuant to National Instrument 52-110 – Audit Committees)

National Instrument 52-110 – Audit Committees (the “**Instrument**”) relating to the composition and function of audit committees was implemented for reporting issuers and, accordingly, applies to every TSX Venture Exchange listed company, including the Corporation. The Instrument requires all affected issuers to have a written audit committee charter which must be disclosed, as stipulated by Form 52-110F2, in the management information circular of the Corporation wherein management solicits proxies from the security holders of the Corporation for the purpose of electing directors to the board of directors. The Corporation, as a TSX Venture Exchange-listed company is, however, exempt from certain requirements of the Instrument.

This Charter has been adopted by the board of directors in order to comply with the Instrument and to more properly define the role of the Committee in the oversight of the financial reporting process of the Corporation. Nothing in this Charter is intended to restrict the ability of the board of directors or Committee to alter or vary procedures in order to comply more fully with the Instrument, as amended from time to time.
