(the “Company”) is providing this information circular (the “Information Circular”) and a form of proxy in connection with management’s solicitation of proxies for use at the annual general meeting (the “Meeting”) of the Company to be held at 11:00 A.M. Unless the context otherwise requires, when we refer in this Information Circular to the Company, its subsidiaries are also included (if applicable). The Company will conduct its solicitation by mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company will pay the cost of solicitation.

Date and Currency

The date of this Information Circular is September 21, 2018. Unless otherwise stated, all amounts herein are in Canadian dollars.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or Directors of the Company (the “Management Proxyholders”).

A shareholder has the right to appoint a person other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company’s registrar and transfer agent Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, by fax to 1-866-249-7775, by telephone (toll free within North America) 1-866-732-8683 or via internet at www.investorvote.com, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

IMPORTANT INFORMATION FOR NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such

as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners ("NOBOs"). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("OBOs").

The Company is not sending the Meeting materials directly to NOBOs in connection with the Meeting, but rather has distributed copies of the Meeting materials to the Nominees for distribution to NOBOs.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting Materials unless their Nominee assumes the costs of delivery.

NOTICE-AND-ACCESS

The Company is **not** sending the Meeting materials to Shareholders using "notice-and-access", as defined under NI 54-101.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value. As of the record date, determined by the Board to be the close of business on September 13, 2018, a total of 30,496,716 common shares were issued and outstanding. Each common share carries the right to one vote at the Meeting.

Only registered Shareholders as of the record date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company no person beneficially owns, directly or indirectly, or exercised control or direction over, Shares carrying more than 10% of the voting rights attached to all outstanding Shares of the Company.

As of the date of this Information Circular, the directors and executive officers of the Company, as a group, own beneficially, directly or indirectly, or exercised control or direction over, approximately 2,545,000 common shares, representing approximately 8.3% of the outstanding common shares.

ADVANCE NOTICE POLICY

At the Company's annual general and special meeting held on November 21, 2013, the Shareholders ratified, confirmed, authorized and approved the Company's Advance Notice Policy with respect to the timing and format of director nominations. The full text of the Advance Notice Policy is attached as Schedule B and filed on SEDAR on September 27, 2013. The following information is intended as a brief summary of the Advance Notice Policy and is qualified in its entirety by the full text of the Advance Notice Policy.

To be timely, a Nominating Shareholder (as defined in the Advance Notice Policy) must send notice to the Corporate Secretary of the Company:

- (a) in the case of an annual meeting of Shareholders, not less than 30 days nor more than 65 days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of Shareholders is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be given not later than the close of business on the 10th day following the notice date; and

- (b) in the case of a special meeting (which is not also an annual meeting) of Shareholders called for the purpose of electing directors, not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of Shareholders was made.

- (c) any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the Business Corporations Act (British Columbia) and applicable securities laws.

NUMBER OF DIRECTORS

The Articles of the Company provide for a Board of no fewer than three directors and no greater than a number as fixed or changed from time to time by majority approval of the Shareholders. At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at four (4). The number of directors will be approved if the affirmative vote of the majority of Shares present or represented by proxy at the Meeting and entitled to vote are voted in favour of setting the number of directors at four (4). Management recommends the approval of the resolution to set the number of directors of the Company at four (4).

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting, or until their successors are duly elected or appointed in accordance with the Company's Articles or until such director's earlier death, resignation or removal. In the absence of instructions to the contrary, the enclosed form of proxy will be voted for the nominees listed in the form of proxy. All of the nominees listed in the Form of Proxy are presently members of the Board.

Pursuant to the Advance Notice Policy of the Company adopted by the Board of Directors on September 23, 2013, any additional director nominations for the Meeting must have been received by the Company in compliance with the Advance Notice Policy, as noted above. As of the date of this information circular, the Company has not received notice of a nomination in compliance with the Advance Notice Policy.

STATEMENT OF EXECUTIVE COMPENSATION

The following information is presented in accordance with National Instrument Form 51-102F6V – *Statement of Executive Compensation*, and sets forth compensation for each of Dusan Berka (the “CEO”) and Zahara Kanji (the “CFO”) (together, the “NEOs”) and Jonathan M. Rich and Paul A. Smith, the directors of the Company as at February 28, 2018.

General

For the purposes of this Statement of Executive Compensation:

“CEO” means an individual who acted as chief executive officer of the Company, or acted in a similar capacity, for any part of the most recently completed financial year;

“CFO” means an individual who acted as chief financial officer of the Company, or acted in a similar capacity, for any part of the most recently completed financial year;

“Named Executive Officer” or “NEO” means each of the following individuals:

- (a) a CEO;
- (b) a CFO;
- (c) each of the three most highly compensated executive officers of the Company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year and whose total compensation was, individually, more than \$150,000 as determined in accordance with applicable securities laws; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity at the end of the most recently completed financial year.

Based on the foregoing definition, during the last completed fiscal year of the Company, the Company had two NEOs, namely, Dusan Berka, CEO, and Zahara Kanji, CFO.

Compensation Discussion and Analysis

The Company’s compensation philosophy for its Named Executive Officers is designed to attract well qualified individuals in what is essentially an international market by paying competitive base management fees plus short and long term incentive compensation in the form of stock options or other suitable long term incentives. The Board of Directors meets to discuss and determine executive compensation without reference to formal objectives, criteria or analysis. In making its determinations regarding the various elements of executive compensation, the Board of Directors does not benchmark its executive compensation program, but from time to time does review compensation practices of companies of similar size and stage of development to ensure the compensation paid is competitive within the Company’s industry and geographic location while taking into account the financial and other resources of the Company.

The duties and responsibilities of the President and CEO are typical of those of a business entity of the Company’s size in a similar business and include direct reporting responsibility to the Board, overseeing the activities of all other executive and management consultants, representing the Company, providing leadership and responsibility for achieving corporate goals and implementing corporate policies and initiatives.

Elements of Compensation

The Company's executive compensation policy consists of an annual base salary and long term incentives in the form of stock options granted under the Company's Stock Option Plan.

The base salaries paid to officers of the Company are intended to provide fixed levels of competitive pay that reflect each officer's primary duties and responsibilities and the level of skill and experience required to successfully perform their role. The Company intends to pay base salaries to officers that are competitive with those for similar positions in the same industry to attract and retain executive talent in the market in which the Company competes for talent. Base salaries of officers are reviewed annually by the Board of Directors.

Compensation Policies and Risk Management

The Board of Directors considers the implications of the risks associated with the Company's compensation policies and practices when determining rewards for its officers. In 2012, the Board of Directors conducted its initial review and the Company intends to review at least once annually the risks, if any, associated with the Company's compensation policies and practices.

Executive compensation is comprised of short-term compensation in the form of a base salary and long-term ownership through the Company's Stock Option Plan. This structure ensures that a significant portion of executive compensation (stock options) is both long-term and "at risk" and, accordingly, is directly linked to the achievement of business results and the creation of long term Shareholder value. As the benefits of such compensation, if any, are not realized by officers until a significant period of time has passed, the ability of officers to take inappropriate or excessive risks that are beneficial to their compensation at the expense of the Company and the Shareholders is extremely limited. Furthermore, the short-term component of executive compensation (base salary) represents a relatively small part of the total compensation. As a result, it is unlikely an officer would take inappropriate or excessive risks at the expense of the Company or the Shareholders that would be beneficial to their short-term compensation when their long-term compensation might be put at risk from their actions.

Due to the small size of the Company and the current level of the Company's activity, the Board of Directors is able to closely monitor and consider any risks which may be associated with the Company's compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings during which financial and other information of the Company are reviewed. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

Hedging of Economic Risks in the Company's Securities

The Company has not adopted a policy prohibiting Directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Company's securities granted as compensation or held, directly or indirectly, by Directors or officers. However, the Company is not aware of any Directors or officers having entered into this type of transaction.

Share-Based and Option-Based Awards

The Company's Stock Option Plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact or contribution to the longer-term operating performance of the Company. In determining the number of options to be granted to the executive officers, the Board takes into account the number of options, if any, previously granted to each executive officer, and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the TSX Venture Exchange, and closely align the interests of the executive officers with the interests of Shareholders.

The Board of Directors as a whole has the responsibility to administer the compensation policies related to the executive management of the Company, including option-based awards.

Compensation Governance

Options are granted at the discretion of the Board of Directors, which considers factors such as how other junior exploration companies grant options and the potential value that each optionee is contributing to the Company. The number of options granted to an individual is based on such considerations.

Stock Options and Other Compensation Securities

During the financial year ended February 28, 2018, no NEO or directors of the Company were issued any compensation securities.

Exercise of Stock Options

During the financial year ended February 28, 2018, no NEO or directors of the Company exercised compensation securities.

Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the “Option Plan”) pursuant to which the Board may grant options (the “Options”) to purchase common shares of the Company (the “Shares”) to NEOs, directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Option Plan is to attract, retain, and motivate NEOs, directors, employees and other service providers by providing them with the opportunity, through options, to acquire an interest in the Company and benefit from the Company’s growth. Under the Option Plan, the maximum number of Shares reserved for issuance, including Options currently outstanding, is equal to 10% of the Shares outstanding from time to time (the “10% Maximum”). The 10% Maximum is an “evergreen” provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of Shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future Option grants.

The number of Shares which may be the subject of Options on a yearly basis to any one person cannot exceed 5% of the number of issued and outstanding Shares at the time of the grant. Options may be granted to any employee, officer, director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the market price of common shares of the Company on the date of the grant. The directors of the Company may, by resolution, determine the time period during which any option may be exercised (the “Exercise Period”), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Shares may be listed. All Options will terminate on the earliest to occur of (a) the expiry of their term; (b) the date of termination of an optionee’s employment, office or position as director, if terminated for just cause; (c) 90 days (or such other period of time as permitted by any rule or regulation of such exchange on which the Shares may be listed) following the date of termination of an optionee’s position as a director or NEO, if terminated for any reason other than the optionee’s disability or death; (d) 30 days following the date of termination of an optionee’s position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee’s disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

Options are non-assignable and are subject to early termination in the event of the death of a participant or in the event a participant ceases to be a NEO, director, employee, consultant, affiliate, or subsidiary of the Company, as the case may be. Subject to the foregoing restrictions, and certain other restrictions set out in the Option Plan, the Board is authorized to provide for the granting of Options and the exercise and method of exercise of options granted under the Option Plan.

The TSX Venture Exchange requires listed companies that have “rolling” stock option plans in place to receive shareholder approval for such plans on a yearly basis at the company’s annual Shareholders meeting. The last shareholders meeting was held on July 21, 2017 and approval was granted.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company.

Neither the Company, nor its subsidiaries, has a contract, agreement, plan or arrangement that provides for payments to a NEO following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change of control of the Company or its subsidiaries, or a change in responsibilities of the NEO following a change in control. However, the Company has entered into the following agreements with management:

Dusan Berka – Effective January 1, 2013 the Company amended its management agreement with Dusan Berka and Duster Capital Corp. wherein a management fee of \$3,000, plus taxes would be payable. The agreement is in good standing.

Zahara Kanji - Effective March 1, 2013 the Company amended its management agreement with Zahara Kanji wherein a management fee of \$2,000, plus taxes would be payable. The agreement is in good standing.

Oversight and Description of Director and NEO Compensation

Compensation of Directors

Compensation of directors of the Company is reviewed annually and determined by the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers Option grants to directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long term incentive plans, share compensation plans or any other such benefit programs for directors.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for NEOs.

Elements of NEO Compensation

Salary

The Company's CEO and CFO receive consulting/management/administration fees. The Board reviews salaries annually to ensure that they reflect each respective NEO's performance and experience in fulfilling his/her role. Due to the relatively small size of the Company, limited cash resources, and the early stage and scope of the Company's operations, NEOs receive limited salaries relative to industry standards. The Board does not currently have any plan in place to materially increase NEOs' salaries.

Option Plan

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Pension Disclosure

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

MANAGEMENT CONTRACTS

No management functions of the Company are performed to any substantial degree by a person other than the Directors or executive officers of the Company.

CORPORATE GOVERNANCE DISCLOSURE

National Policy 58-201 establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and, therefore, these guidelines have not been adopted. National Instrument 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

Independence of Members of Board

The Company's Board consists of four Directors, three of whom are independent based upon the tests for independence set forth in National Instrument 52-110 ("NI 52-110"). Dusan Berka is not independent as he is an officer of the Company. Jonathan M. Rich, Paul A. Smith and David M. Jones are independent.

Management Supervision by Board

The operations of the Company do not support a large Board of Directors and the Board has determined that the current constitution of the Board is appropriate for the Company's current stage of development. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent Directors are however able to meet at any time without any members of management including the non-independent Directors being present. Further, supervision is performed through the audit committee which is composed of a majority of independent Directors who meet with the Company's auditors without management being in attendance. The independent Directors also have access to the Company's legal counsel and its officers.

Risk Management

The Board of Directors is responsible for adoption of a strategic planning process, identification of principal risks and implementing risk management systems, succession planning and the continuous disclosure requirements of the Company under applicable securities laws and regulations.

Participation of Directors in Other Reporting Issuers

The participation of the Directors in other reporting issuers is described in the table provided under "Election of Directors" in this Information Circular.

Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with:

1. information respecting the functioning of the Board of Directors, committees and copies of the Company's corporate governance policies;
2. access to recent, publicly filed documents of the Company, technical reports and the Company's internal financial information;
3. access to management and technical experts and consultants; and
4. a summary of significant corporate and securities responsibilities.

Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to Shareholders. The Board has adopted a Code of Conduct and has instructed its management and employees to abide by the Code.

Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the Company's industry are consulted for possible candidates.

Compensation of Directors and the CEO

The independent Directors Jonathan M. Rich, Paul A. Smith and David M. Jones. These Directors have the responsibility for determining compensation for the Directors and senior management

To determine compensation payable, the independent Directors review compensation paid for Directors and CEOs of companies of similar size and stage of development in the mineral exploration industry and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the Directors and senior management while taking into account the financial and other resources of the Company. In setting the compensation the independent Directors annually review the performance of the CEO in light of the Company's objectives and consider other factors that may have impacted the success of the Company in achieving its objectives.

Board Committees

As the Directors are actively involved in the operations of the Company and the size of the Company's operations does not warrant a larger board of Directors, the Board has determined that additional committees beyond the audit committee and corporate governance committee are not necessary at this stage of the Company's development.

Assessments

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board conducts informal annual assessments of the Board's effectiveness, the individual Directors and each of its committees. To assist in its review, the Board conducts informal surveys of its Directors.

Nomination and Assessment

The Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President and CEO. The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions.

Expectations of Management

The Board expects management to operate the business of the Company in a manner that enhances Shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

3. Confirmation and Approval of Advance Notice Policy

Background

On September 23, 2013, the board of directors of the Company adopted an advance notice policy (the “Advance Notice Policy”) with immediate effect, a copy of which is attached to this Information Circular as Schedule “B”. The Company’s shareholders approved the Advance Notice Policy at the 2013 Annual General Meeting.

At the Meeting, the shareholders of the Company will be asked to approve a motion to include in the Articles of the Company the Advance Notice Policy such that the Company receive adequate notice of nominations of people to be elected to serve as directors of the Company, as set forth more fully below.

Purpose of the Advance Notice Policy

The directors of the Company are committed to: (i) facilitating an orderly and efficient annual general or, where the need arises, special meeting, process; (ii) ensuring that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (iii) allowing shareholders to register an informed vote having been afforded reasonable time for appropriate deliberation.

The purpose of the Advance Notice Policy is to provide shareholders, directors and management of the Company with a clear framework for nominating directors. The Advance Notice Policy fixes a deadline by which holders of record of common shares of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form in order for any director nominee to be eligible for election at any annual or special meeting of shareholders.

Terms of the Advance Notice Policy

The following information is intended as a brief description of the Advance Notice Policy and is qualified in its entirety by the full text of the Advance Notice Policy.

The terms of the Advance Notice Policy are summarized below:

The Advance Notice Policy provides that advance notice to the Company must be made in circumstances where nominations of persons for election to the Board are made by shareholders of the Company other than pursuant to: (i) a “proposal” made in accordance with the *Business Corporations Act* (British Columbia) (the “Act”); or (ii) a requisition of the shareholders made in accordance with the Act.

Among other things, the Advance Notice Policy fixes a deadline by which holders of record of common shares of the Company must submit director nominations to the secretary of the Company prior to any annual or special meeting of shareholders and sets forth the specific information that a shareholder must include in the written notice to the secretary of the Company for an effective nomination to occur. No person will be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Advance Notice Policy.

In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 nor more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting of shareholders (which is not also an annual meeting), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

The board of directors of the Company may, in its sole discretion, waive any requirement of the Advance Notice Policy. Amendments are allowed to be made by the Board to adopt such laws, regulations, forms, rules or policies as required or recommended or allowed by securities regulatory agencies or stock exchanges, or as otherwise determined by the Board to meet or exceed industry standards.

Confirmation and Approval of Advance Notice Policy by Shareholders

If the Advance Notice Policy is approved at the Meeting, the Advance Notice Policy will continue to be effective and in full force and effect in accordance with its terms and conditions beyond the termination of the Meeting. Thereafter, the Advance Notice Policy will be subject to an annual review by the board of directors of the Company, and will be updated to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges or so as to meet industry standards.

If the Advance Notice Policy is not approved at the Meeting, the Advance Notice Policy will terminate and be of no further force or effect from and after the termination of the Meeting.

At the Meeting, shareholders will be asked to approve the following by ordinary resolution (the “Advance Notice Policy Resolution”):

“BE IT RESOLVED, as an ordinary resolution of the Shareholders of the Company, that:

1. the Company’s Advance Notice Policy (the “Advance Notice Policy”) attached hereto as Schedule “B”, be and is hereby ratified, confirmed and approved;
2. the Articles of the Company be altered by adding the text substantially as set forth in Schedule “B” to the Articles of the Company;
3. the board of directors of the Company be authorized in its absolute discretion to administer the Advance Notice Policy and amend or modify the Advance Notice Policy in accordance with its terms and conditions to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges, so as to meet industry standards, or as otherwise determined to be in the best interests of the Company and its shareholders;
4. the Company be authorized to revoke this resolution and abandon or terminate the alteration of the Articles of the Company if the Board deems it appropriate and in the best interests of the Company to do so without further confirmation, ratification or approval of its shareholders; and
5. any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his or her opinion may be necessary or desirable to give effect to the foregoing resolutions.”

The Company’s board of directors recommends a vote “FOR” the approval of the Advance Notice Policy Resolution. The Corporation is committed to: (i) facilitating an orderly and efficient process for holding annual general meetings and, when the need arises, special meetings of its shareholders; (ii) ensuring that all shareholders receive adequate advance notice of the director nominations and sufficient information regarding all director nominees; and (iii) allowing shareholders to register an informed vote for directors of the Corporation after having been afforded reasonable time for appropriate deliberation.

PURPOSE

The purpose of this Advance Notice Policy (the "**Policy**") is to provide shareholders, directors and management of the Corporation with a clear framework for nominating directors of the Corporation. This Policy fixes a deadline by which director nominations must be submitted to the Corporation prior to any annual or special meeting of shareholders and sets forth the information that must be included in the notice to the Corporation for the notice to be in proper written form in order for any director nominee to be eligible for election at any annual or special meeting of shareholders.

It is the position of the board of directors of the Corporation (the "**Board**") that this Policy is in the best interests of the Corporation, its shareholders and other stakeholders. NOMINATIONS OF DIRECTORS

1. Only persons who are qualified to act as directors under the *Business Corporations Act* (British Columbia) (the "**Act**") and who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation.  - a. by or at the direction of the Board, including pursuant to a notice of meeting;

 - c. pursuant to a requisition of the shareholders that complies with and is made in accordance with section 167 of the Act, as such provisions may be amended from time to time; or
 - d. by any person (a "**Nominating Shareholder**") who:
 - (i) at the close of business on the date of the giving by the Nominating Shareholder of the notice provided for below and at the close of business on the record date fixed by the Corporation for such meeting, (a) is a "registered owner" (as defined in the Act) of one or more shares of the Corporation carrying the right to vote at such meeting, or (b) beneficially owns shares carrying the right to vote at such meeting and provides evidence of such ownership that is satisfactory to the Corporation, acting reasonably. In cases where a Nominating Shareholder is not an individual, the notice set forth in paragraph 4 below must be signed by an authorized representative, being a duly authorized director, officer, manager, trustee or partner of such entity who provides such evidence of such authorization that is satisfactory to the Corporation, acting reasonably; and
 - (ii) in either case, complies with the notice procedures set forth below in this Policy.
2. In addition to any other requirements under applicable laws, for a nomination to be validly made by a Nominating Shareholder in accordance with this Policy, the Nominating Shareholder must have given notice thereof that is both timely (in accordance with paragraph 3 below) and in proper written form (in accordance with paragraph 4 below) to the Corporate Secretary of the Corporation at the principal executive offices of the Corporation.
3. To be timely, a Nominating Shareholder's notice to the Corporate Secretary of the Corporation must be made:
 - a. in the case of an annual meeting of shareholders, not less than thirty (30) days nor more than sixty-five (65) days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than fifty (50) days after the

date (the "**Notice Date**") on which the first public announcement (as defined below) of the date of the annual meeting was made, notice by the Nominating Shareholder may be given not later than the close of business on the tenth (10th) day following the Notice Date; and

- b. in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

The time periods for the giving of a Nominating Shareholder's notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting and/or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders, or the reconvening of any adjourned or postponed meeting of shareholders, or the announcement thereof, commence a new time period for the giving of a Nominating Shareholder's notice as described above.

4. To be in proper written form, a Nominating Shareholder's notice must be addressed to the Corporate Secretary of the Corporation, and must set forth:

- a. as to each person whom the Nominating Shareholder proposes to nominate for election as a director: (i) the name, age, business address and residential address of the person; (ii) the present principal occupation or employment of the person and the principal occupation or employment within the five years preceding the notice; (iii) the citizenship of such person; (iv) the class or series and number of shares in the capital of the Corporation which are, directly or indirectly, controlled or directed or which are owned, beneficially or of record, by the person as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; and (v) a statement as to whether such person would be "independent" of the Corporation (within the meaning of sections 1.4 and 1.5 of National Instrument 52-110, *Audit Committees*, of the Canadian Securities Administrators, as such provisions may be amended from time to time) if elected as a director at such meeting and the reasons and basis for such determination;
- b. the full particulars regarding any oral or written proxy, contract, agreement, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has a right to vote or direct the voting of any shares of the Corporation; and
- c. any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws.

The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as a director of the Corporation or that would reasonably be expected to be material to a reasonable shareholder's understanding of the experience, independence and/or qualifications, or lack thereof, of such proposed nominee.

As soon as practicable following receipt of a Nominating Shareholder's notice (and such other information referred to above, as applicable) that complies with this Policy, the Corporation shall publish through a public announcement the names of the nominees named in such notice and such other details of such notice as the Corporation may deem appropriate.

5. No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the provisions of this Policy; provided, however, that nothing in this Policy shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter in respect of which such shareholder would have been entitled to submit a proposal pursuant to the provisions of the Act or at the discretion of the Chairman. The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the provisions of this Policy and, if the Chairman determines that any proposed nomination was not made in compliance with this Policy, to declare that such defective nomination shall be disregarded.

6. For purposes of this Policy:

- a. "**public announcement**" shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Corporation under its profile on the System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com; and
- b. "**Applicable Securities Laws**" means, collectively, the applicable securities statutes of each relevant province and territory of Canada, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, bulletins and notices of the securities commission and similar regulatory

authority of each relevant province and territory of Canada, and all applicable securities laws of the United States.

7. Notwithstanding any other provision of this Policy, notice given to the Corporate Secretary of the Corporation pursuant to this Policy may only be given by personal delivery, facsimile transmission or by email (at such email address as may be stipulated from time to time by the Corporate Secretary of the Corporation for purposes of this notice), and shall be deemed to have been given and made only at the time it is served by personal delivery to the Corporate Secretary at the address of the principal executive offices of the Corporation, sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) or received by email (at the address as aforesaid); provided that if such delivery or electronic communication is made on a day which is not a business day or later than 5:00 p.m. (Pacific Time) on a business day, then such delivery or electronic communication shall be deemed to have been made on the next business day.

8. Notwithstanding the foregoing, the Board may, in its sole discretion, waive any provision or requirement of this Policy.
