MANAGEMENT INFORMATION CIRCULAR

INTRODUCTION

This management information circular (this "**Information Circular**") is furnished in connection with the solicitation of proxies by the management of San Lorenzo Gold Corp. (the "**Corporation**") for use at the annual general and special meeting (the "**Meeting**") of holders ("**Shareholders**") of common Shares ("**Common Shares**") of the Corporation to be held at the office of the Corporation, located at Suite 700, 903 – 8th Avenue SW, Calgary, Alberta, on Tuesday, December 3, 2024 at 11:00 a.m. (Calgary time) and at any adjournment or postponement thereof for the purposes set out in the accompanying Notice of Meeting. Unless otherwise stated, the information contained in this Information Circular is given as at October 29, 2024.

In order to ensure as many Common Shares as possible are represented at the Meeting, Registered Shareholders (as defined below) are strongly encouraged to complete the enclosed form of proxy (the "Form of Proxy") and return it as soon as possible in the envelope provided for that purpose. Beneficial Shareholders (as defined below) are strongly encouraged to complete the voting instruction form received from their respective intermediary/broker ("Intermediary") as soon as possible and to follow the instructions set out under "Advice to Beneficial Shareholders on Voting Their Common Shares" in this Information Circular

Unless otherwise stated, all amounts are reported in Canadian dollars

GENERAL PROXY INFORMATION

Solicitation of Proxies

This solicitation is made on behalf of the management of the Corporation. Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone by directors, officers, employees or agents of the Corporation. Pursuant to National Instrument 54-101 *Communication With Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of Common Shares. The cost of any such solicitation will be borne by the Corporation.

Voting of Proxies

All Common Shares represented at the Meeting by properly executed proxies will be voted and where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the proxy will be voted in accordance with such specifications. **In the absence of any such specifications, the management designees, if named as proxy, will vote FOR of all the matters set out herein.**

The enclosed form of proxy confers discretionary authority upon the management designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters that may properly come before the Meeting. At the date of this Information Circular, the Corporation is not aware of any amendments to, or variations of, or other matters that may come before the Meeting. In the event that other matters come before the Meeting, then the management designees intend to vote in accordance with the judgment of the management of the Corporation.

Appointment and Revocation of Proxies

The information provided in this section applies to Shareholders who hold Common Shares in their own name and have a share certificate or direct registration system (DRS) statement (a "**Registered Shareholder**"). As a Registered Shareholder, you are identified on the share register maintained by the Corporation's register and transfer agent, Odyssey Trust Company, as being a Shareholder.

Accompanying this Information Circular is the form of proxy for holders of Common Shares. **The persons named in the enclosed form of proxy are directors or officers of the Corporation. A Registered Shareholder has the right to appoint a person (who need not be a Shareholder) to represent such Registered Shareholder at the Meeting other than the persons designated in the form of proxy provided by the Corporation.** To exercise this right, the Registered Shareholder should insert the name of the desired representative in the blank space provided in the form of proxy or submit another appropriate form of proxy. In order to be effective, a proxy must be forwarded so as to reach, or be deposited with, the Corporation's registrar and transfer agent, Odyssey Trust Company, at Suite 702 - 67 Yonge St, Toronto, ON M5E 1J8, Attention Proxy Department or by fax at 1-800-517-4553, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, preceding the Meeting or an adjournment or postponement thereof; provided that the Chairperson of the Meeting may, in his or her sole discretion, at the Meeting, elect to waive the

requirement that proxies be deposited prior to the aforementioned time and accept any and all proxies deposited at or before the time of the Meeting or any adjournment or postponement thereof.

A Registered Shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy.

A Registered Shareholder may revoke a proxy by depositing an instrument in writing, executed by the Registered Shareholder or by the Registered Shareholder's attorney authorized in writing, or, if the Registered Shareholder is a corporation, by a duly authorized officer or attorney of the corporation:

1. at the offices of the registrar and transfer agent of the Corporation, Odyssey Trust Company, at Suite 702 - 67 Yonge St, Toronto, ON M5E 1J8, Attention Proxy Department or by fax at 1-800-517-4553 at any time, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, preceding the Meeting or an adjournment of the Meeting at which the proxy is to be used; or
2. at the registered office of the Corporation, Suite 700, 903 - 8 Avenue SW, Calgary, Alberta T2P 0P7, at any time up to and including the last business day preceding the day of the Meeting at which the proxy is to be used; or
3. with the Chairperson of the Meeting on the day of the Meeting or an adjournment of the Meeting.

In addition, a proxy may be revoked by the Registered Shareholder executing another form of proxy bearing a later date and depositing same at the offices of the registrar and transfer agent of the Corporation not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, preceding the Meeting or an adjournment or postponement thereof, or by the Registered Shareholder personally attending at the Meeting and voting the Common Shares represented by the proxy or, if the Registered Shareholder is a corporation, by a duly authorized officer or attorney of such corporation attending at the Meeting and voting such Common Shares. Moreover, a proxy may be revoked by any other manner permitted by law. Only Registered Shareholders have the right to revoke a proxy. Beneficial Shareholders (as defined herein) who wish to change their vote must arrange for their respective intermediary/broker to revoke the proxy on their behalf in accordance with any requirements of the intermediary/broker.

Advice to Beneficial Shareholders on Voting Their Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold their Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Information Circular as "**Beneficial Shareholders**") should note that only Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares or their proxyholders are permitted to vote at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the nominee of The Canadian Depository for Securities Limited, which acts as depository for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically provides a scannable voting instruction form or applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the voting instruction forms to Broadridge. Often Beneficial Shareholders are alternatively provided with a toll-free telephone number to vote their shares or a website address where shares can be voted. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form or a proxy with a Broadridge sticker on it cannot use that voting instruction form or proxy to vote Common Shares directly at the Meeting. The voting instruction form or proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted at the Meeting.**

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as non-objecting beneficial owners or "NOBOs". Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Corporation are referred to as objecting beneficial owners or "OBOs".

Pursuant to NI 54-101, the Corporation has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly to all Beneficial Shareholders. The Corporation is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

The Corporation will not be paying for intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or an agent of the broker), a Beneficial Shareholder who wishes to attend the Meeting and indirectly vote its Common Shares as proxyholder for the Registered Shareholder should enter its own name in the blank space on the proxy form or voting instruction form provided to it and return the same to its broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Beneficial Shareholders should follow the instructions on the forms that they receive and contact their intermediaries promptly if they need assistance.

VOTING COMMON SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares and an unlimited number of preferred shares, of which 71,706,701 Common Shares and nil preferred shares are issued and outstanding.

The holders of Common Shares of record at the close of business on the record date, set by the directors of the Corporation to be October 29, 2024 (the "**Record Date**"), are entitled to vote such Common Shares at the Meeting on the basis of one (1) vote for each Common Share held, except to the extent that:

1. such person transfers his, her or its Common Shares after the Record Date; and
2. the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes his, her or its ownership of the Common Shares,

and makes a demand to the registrar and transfer agent of the Corporation, not later than ten (10) days before the Meeting, that his, her or its name be included on the Shareholders list for the Meeting.

The by-laws of the Corporation provide that one (1) person present and representing in person or by proxy not less than ten percent (10%) of the outstanding Common Shares entitled to vote at the Meeting, constitutes a quorum for the Meeting.

PARTICULARS OF MATTERS TO BE ACTED UPON

Management of the Corporation knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice of Meeting. **However, if any other matter properly comes before the Meeting, the management designees, if named as proxy, will vote on such matter in accordance with the best judgment of the person or persons voting the proxy.**

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or

Mr. Baker was formerly a director of Point Loma Resources Ltd. ("**Point Loma**") (a public oil and gas company). The Orphan Well Association made an application to the Court of Queen's Bench of Alberta (the "**Court**") to appoint a receiver under the *Bankruptcy and Insolvency Act* (Canada). On June 8, 2020, the Orphan Well Association was granted a receivership order by the Court, a cease trade order was issued by the Alberta Securities Commission and other

jurisdictions on or about June 5, 2020 and trading in the common shares of Point Loma was suspended by the TSX Venture Exchange (the "**Exchange**") on August 7, 2020. Mr. Baker resigned as a director of Point Loma on November 25, 2019.

Other than as disclosed above, no proposed director of the Corporation is, as at the date hereof, or has been within 10 years before the date hereof, a director or executive officer of a company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

No proposed director of the Corporation has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

IV. Appointment of Auditors

MNP LLP have been the auditors of the Corporation since their appointment on December 14, 2017. At the Meeting, the Shareholders will be asked to reappoint MNP LLP as auditors of the Corporation to serve until the close of the next annual meeting of Shareholders and to authorize the directors to fix their remuneration.

Unless otherwise directed, the management designees, if named as proxy, intend to vote the Common Shares represented by any such proxy FOR the appointment of MNP LLP as auditors of the Corporation at remuneration to be fixed by the Board.

V. Approval of Stock Option Plan

The TSX Venture Exchange Inc. (the "**Exchange**") requires all listed companies with a 10% rolling stock option plan to obtain annual shareholder approval of such plan on an annual basis. The stock option plan of the Corporation (the "**Stock Option Plan**") was last approved by Shareholders on June 28, 2022. As more particularly described below, the Stock Option Plan contains certain limitations on the aggregate number of Common Shares that may be issued pursuant to Security Based Compensation (as defined in the policies of the Exchange), including Options (as defined below), that may be granted or issued to Eligible Participants (as defined below) by the Corporation, unless disinterested shareholder approval is obtained. In order to approve the Stock Option Plan and permit the Corporation to issue Options in excess of such limitations, at the Meeting, disinterested Shareholders will be asked to vote on an ordinary resolution to approve, for the ensuing year, the Stock Option Plan as described below. For the purpose of this ordinary resolution, the approval by the disinterested Shareholders will exclude votes attaching to Common Shares which, as at the date of this Information Circular, is expected to be a total of 7,315,904 Common Shares, beneficially owned by Insiders (as such term is defined in the policies of the Exchange) to whom Options may be granted under the Stock Option Plan and their Associates and Affiliates (as such terms are defined in the policies of the Exchange).

The Plan provides that the Board may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Corporation and to individuals employed by a company providing management services to the Corporation (collectively, "**Eligible Participants**"), non-transferable options ("**Options**") to purchase Common Shares. The purpose of the Plan is to provide an incentive to the directors, officers, employees, consultants and other personnel of the Corporation or any of its subsidiaries to achieve the longer-term objectives of the Corporation; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation; and to attract to and retain in the employ of the Corporation or any of its subsidiaries, persons of experience and ability, by providing them with the opportunity to acquire an increased proprietary interest in the Corporation.

The aggregate number of Common Shares issuable pursuant to the Plan and any other Security Based Compensation Plans (as defined in the policies of the Exchange) of the Corporation may not exceed 10% at any time of the issued and outstanding Common Shares as at the date of the grant of any Option. The period during which Options granted under the Plan are exercisable may not exceed ten years from the date such Options are granted. The number of Common Shares issuable pursuant to Options granted (or any other Security Based Compensation granted or issued) in any 12-month period to any one person may not exceed five percent (5%) of the issued and outstanding Common Shares. In

addition, the number of Common Shares issuable pursuant to Options granted (or any other Security Based Compensation granted or issued) in any 12-month period to any one consultant must not exceed 2% of the issued and outstanding Common Shares, calculated as at the date any Option is granted to the Consultant, and the number of Common Shares issuable pursuant to Options granted (or any other Security Based Compensation granted or issued) in any 12-month period to all Investor Relations Services Providers (as defined in the policies of the Exchange) in the aggregate must not exceed 2% of the issued and outstanding Common Shares, calculated as at the date the Option is granted to any such Investor Relations Service Provider.

The maximum aggregate number of Common Shares issuable pursuant to Options granted (or any other Security Based Compensation granted or issued) to insiders of the Corporation (as a group) must not exceed 10% of the issued and outstanding Common Shares at any point in time, unless disinterested shareholder approval is obtained. Furthermore, the maximum aggregate number of Common Shares issuable pursuant to Options granted (or any other Security Based Compensation granted or issued) in any 12-month period to insiders of the Corporation (as a group) must not exceed 10% of the issued and outstanding Common Shares, calculated as at the date the Option is granted to any insider, unless disinterested shareholder approval is obtained.

Pursuant to the Plan, the Board determines the price per Common Share and the number of Common Shares which may be allotted to each Eligible Participant and all other terms and conditions of the Options, subject to the rules of the Exchange. The price per Common Share set by the Board may not be less than the last closing price of the Common Shares on the Exchange prior to the date on which such Options are granted, less the applicable discount permitted (if any) by the Exchange.

If a holder of Options ceases to be an Eligible Participant for any reason other than death, such holder may, but only within a reasonable period, not exceeding 12 months, to be set out in the applicable stock option agreement, after the holder's ceasing to be an Eligible Participant (or 30 days in the case of a holder engaged in Investor Relations Activities), or prior to the expiry date of the Options, whichever is earlier, exercise any Options held by the holder, but only to the extent that the holder was entitled to exercise the Options at the date of such cessation. In the event of the death of a holder of Options, the options previously granted to such holder will be exercisable within one (1) year following the date of the death of the holder or prior to the expiry date of the Options, whichever is earlier, but only to the extent that the holder was entitled to exercise the Options at the date of such holder's death.

At the Meeting, the Shareholders will be asked to consider and, if thought fit, pass, with or without variation, the following resolution to approve the Plan.

"BE IT RESOLVED as an ordinary resolution of the shareholders of Stuve Gold Corp. (the "**Corporation**") that:

1. the stock option plan (the "**Plan**") of the Corporation in the form of the Plan attached as Schedule "A" to the management information circular of the Corporation dated October 29, 2024, be and is hereby approved with such modifications as may be required by the TSX Venture Exchange;
2. the maximum number of common shares of the Corporation which may be issued under the Plan, at any time, shall be equal to ten percent (10%) of the then issued and outstanding common shares of the Corporation from time to time; and
3. any director or officer of the Corporation be and is hereby authorized and directed to do and perform all such acts and things and to execute and deliver or cause to be delivered, for, in the name of and on behalf of the Corporation (whether under the seal of the Corporation or otherwise) all such agreements, instruments and other documents as in such individual's opinion may be necessary or desirable to perform the terms of this resolution."

The resolution must be approved by a simple majority approval of the votes cast at the Meeting by the holders of Common Shares. If the Plan is not approved by the Shareholders, the Corporation will have to consider other methods of compensating and providing incentives to directors, officers, employees and consultants.

Unless otherwise directed, the management designees, if named as proxy, intend to vote the Common Shares represented by any such proxy FOR the resolution to approve the Plan.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

For the purpose of this section, a "**CEO**" or "**CFO**" means each individual who acted as Chief Executive Officer or Chief Financial Officer, respectively, of the Corporation or acted in a similar capacity, for any part of the most recently completed financial year. A "**Named Executive Officer**" or "**NEO**" means (a) each CEO; (b) each CFO; (C) each of the three (3) most highly compensated executive officers of the Corporation, including any subsidiary, or the three (3) most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year and whose total compensation was, individually, more than \$150,000; and (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation or its subsidiaries, nor acting in a similar capacity, at the end of the most recently completed financial year.

Compensation Governance

It is the responsibility of the Board as a whole to make decisions regarding executive compensation matters. The Corporation's compensation program is intended to support its commitment to delivering strong performance for Shareholders. The Corporation's overall objective of its compensation philosophy is the attraction, motivation and retention of quality, experienced people to achieve the Corporation's strategic objectives and to align the interests of its executive officers and employees with the long-term interest of the Shareholders.

The Corporation's executive compensation program is comprised of the following components: (i) base salary, (ii) bonus and (iii) incentive stock options. Together, these components are designed to address the key objectives of the Corporation's compensation program.

Compensation Objectives and Philosophy

The Board believes that the Corporation should provide a compensation package that is competitive and motivating, that attracts, holds and inspires qualified executives, that encourages performance by executives to enhance the growth and development of the Corporation and that balances the interests of the executives and the Shareholders. Achievement of these objectives is expected to contribute to an increase in Shareholder value.

Components of Compensation

The Corporation provides its executive officers with both fixed compensation, comprised of base salary, and performance-based variable incentive compensation, comprised of short-term incentives in the form of annual cash bonuses and long-term incentives in the form of Options under the Plan.

Base Salaries

Base salary is designed to provide income certainty and to attract and retain executives, and therefore is based on the assessment of a number of factors such as current competitive market conditions, compensation levels within the peer group and factors particular to the executive, including individual performance, the scope of the executive's role with the Corporation and retention considerations.

Short-Term Incentive Compensation - Bonuses

In addition to base salary, the Corporation may award executives with short term incentive awards in the form of annual cash bonuses. Annual cash bonuses are intended to provide short-term incentives to executives and to reward them for their yearly individual contribution and performance of personal objectives in the context of overall annual corporate performance. The amount is not pre-established and is at the discretion of the Board. While there are no target amount for annual cash bonuses, the Board will review similar factors as those discussed above in relation to base salary. There have been no bonuses awarded to date.

Long-Term Incentive Compensation - Options

Long-term incentive compensation is provided through the granting of Options under the Plan. Equity incentive awards are designed to motivate executives to achieve long-term sustainable business results, align their interest with those of Shareholders and to attract and retain executives. Awards are based on a variety of factors, such as the need to attract or retain key individuals, competitive market conditions and internal equity. Previous grants are taken into account when considering new grants.

Please refer to "*Particulars of Matters to be Acted Upon – Approval of Stock Option Plan*" above for a description of the material features of the Plan.

Compensation Policies and Risk Management

The Board recognizes that certain elements of compensation could promote unintended inappropriate or excessive risk-taking behaviours; however, the Corporation ensures that executive compensation packages appropriately balance short-term incentives, in the form of base salaries, and long-term incentives, in the form of option-based awards. As of the date hereof, the Corporation is not aware of any material risks arising from the Corporation's current compensation policies or practices that would be reasonably likely to have a material adverse effect on the Corporation.

The Corporation does not currently have any policies in place that would prevent Named Executive Officers or directors from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that might be designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by Named Executive Officers or directors.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance refers to the policies and structure of the board of directors of a corporation, whose members are elected by and are accountable to the shareholders of the corporation. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are in the interests of Shareholders and help to contribute to effective and efficient decision-making.

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the "**CSA**") have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides guidelines on corporate governance practices for reporting issuers such as the Corporation. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("**NI 58-101**"), which prescribes certain disclosure by the Corporation of its corporate governance practices. This disclosure is presented below.

Board of Directors

NI 58-101, when taken together with Section 1.4 of NI 52-110, provides that a member is "independent" if the member has no direct or indirect material relationship with the issuer, a "material relationship" being one which could, in the view of the issuer's board of directors, be reasonably expected to interfere with the exercise of a member's independent judgment.

The Board is currently comprised of four (4) members, of which two (2) are independent directors for the purposes of NI 58-101. The independent directors are Kevin Baker and Kelly Kimbley. Al J. Kroontje is not considered to be independent as a result of being the Chairman of the Corporation; Terence Walker is considered to not be independent as a result of being the Vice President – Exploration of the Corporation. Management is nominating the same four (4) individuals for election to the Board at the Meeting.

The Board facilitates its exercise of independent judgement in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Board requires management to provide complete and accurate information with respect to the Corporation's activities and to provide relevant information concerning the industry in which the Corporation operates in order to identify and manage risks. The Board is responsible for monitoring the Corporation's senior officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Directorships

Other than as set forth below, none of the directors hold directorships in other reporting issuers (or the equivalent) in jurisdictions in Canada or a foreign jurisdiction.

<u>Director</u>	<u>Other Reporting Issuers</u>
Al J. Kroontje	Stuve Gold Corp. Lithium Chile Inc. Hoshi Capital Corp.
Kevin Baker	Hoshi Resource Corp Loncor Gold Inc.

Orientation and Continuing Education of Board Members

While the Corporation currently has no formal orientation and education program for new Board members, sufficient information (such as policies, recent financial statements, prospectuses, proxy solicitation materials, filing statements, marketing and business plans and various other operating, financial and budget reports) will be provided to any new Board member to ensure that new directors are familiarized with the Corporation's business and the procedures of the Board. In addition, new directors will be encouraged to visit and meet with management on a regular basis and are given the opportunity to meet with counsel to the Corporation to discuss their legal obligations. The Corporation will also encourage continuing education of its directors and officers where appropriate in order to ensure that they have the necessary skills and knowledge to meet their respective obligations to the Corporation.

Measures to Encourage Ethical Business Conduct

The Board encourages and promotes a culture of ethical business conduct through communication and supervision as part of its overall stewardship responsibility. The Board does not currently have a written code of ethics. The Board is of the view that the fiduciary duties placed on individual directors pursuant to corporate legislation and the common law, and the conflict of interest provisions under corporate legislation which restricts an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

When discussing potential transactions and agreements where a director has an interest, that director will be expected to disclose that interest to the Board and if necessary, the Board may ask that director not to participate in the ensuing discussion and/or voting on that particular transaction and/or agreement

Nomination of Board Members

The Board will consider its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience. While there are no specific criteria for Board membership, the Corporation will attempt to attract and maintain directors with appropriate knowledge and skills which would assist in guiding the officers of the Corporation. As such, nominations will tend to be the result of recruitment efforts by management of the Corporation and discussions among the directors prior to the consideration of the Board as a whole.

Compensation of Directors and Officers

The Board is responsible for determining compensation payable to executive officers and directors of the Corporation. The Board has determined at this time not to establish a compensation committee. See "*Statement of Executive Compensation*".

Other Board Committees

The Corporation has a combined Compensation, Corporate Governance and Nominating Committee comprised of Al Kroontje, Kevin Baker and Kelly Kimbley with Al Kroontje acting as Chair of the Compensation, Corporate Governance and Nominating Committee.

It is the responsibility of the Board as a whole to make decisions regarding executive compensation matters. The Corporation's compensation program is intended to support its commitment to delivering strong performance for Shareholders. The Corporation's overall objective of its compensation philosophy will be the attraction, motivation and retention of quality, experienced people to achieve the Corporation's strategic objectives and to align the interests of its executive officers and employees with the long-term interest of the Shareholders.

Currently the executive compensation is comprised of the following components: (i) base salary, (ii) bonus and (iii) incentive stock options. Together, these components are designed to address the key objectives of the Corporation's compensation program. There are no formal performance metrics or criteria related to either salary or performance bonuses. The Compensation Committee reviews and makes recommendations to the Board for salaries and any performance bonuses on an annual basis.

Assessment of Directors, the Board and Board Committees

The Board have not implemented a formal process for assessing its effectiveness or the effectiveness of its individual members or its committees. As a result of the Corporation's size, its stage of development and the limited number of

individuals on the Board, the Board consider a formal assessment process to be unnecessary at this time. The Board plans to continue evaluating its own effectiveness on an ad hoc basis.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

To the knowledge of the Corporation, no director or officer of the Corporation, nor any proposed nominee for election as a director of the Corporation, nor any other insider of the Corporation, nor any associate or affiliate of any one of them has or has had, at any time since the beginning of the year ended December 31, 2023, any material interest, direct or indirect, in any transaction or proposed transaction that has materially affected or would materially affect the Corporation or any of its subsidiaries.

Subject to Exchange Policies and any limitations imposed by any relevant regulatory authority, the exercise price of an Option granted under this Plan shall be as determined by the Board of Directors when such Option is granted and shall be an amount at least equal to the Discounted Market Price of the Common Shares (provided that while the Corporation is a CPC the exercise price of an Option granted under this Plan may not be less than the greater of (i) the price at which Common Shares are sold pursuant to the initial public offering of the Corporation, and (ii) the Discounted Market Price of the Common Shares).

9. Exercise of Options

An Optionee shall be entitled to exercise an Option granted to him at any time prior to the expiry of the Option Period, subject to Sections 10 and 11 hereof and to vesting limitations which may be imposed by the Board of Directors at the time such Option is granted. Subject to Exchange Policies, the Board of Directors may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

The exercise of any Option will be conditional upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Common Shares in respect of which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised.

Common Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Common Shares pursuant thereto shall comply with all relevant provisions of applicable securities law, including, without limitation, the 1933 Act, the *United States Securities and Exchange Act of 1934, as amended*, applicable U.S. state laws, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or consolidated stock price reporting system on which prices for the Common Shares are quoted at any given time. As a condition to the exercise of an Option, the Corporation may require, among other things, that the person exercising such Option to represent and warrant at the time of any such exercise that the Common Shares are being purchased only for investment and without any present intention to sell or distribute such Common Shares if, in the opinion of counsel for the Corporation, such a representation is required by law.

10. Blackout Extension Period

If an Option is to expire during a period when the Optionee is prohibited by the Corporation from exercising such Option or from trading in Common Shares of the Corporation pursuant to its applicable policies in respect of insider trading (a "**Blackout Period**"), the expiration date of such Option shall be extended for a period of ten (10) business days immediately following the end of the Blackout Period. This Section 10 applies to all Options outstanding under the Plan.

11. Ceasing to be a Director, Officer, Employee or Consultant

If an Optionee ceases to be an eligible Participant for any reason other than death, the Optionee may, but only within a reasonable period, and not greater than twelve (12) months, to be set out in the applicable Stock Option Agreement at the time of the grant, following the Optionee's ceasing to be an eligible Participant (or 30 days in the case of an Optionee engaged in Investor Relations Activities) or prior to the expiry of the Option Period, whichever is earlier, exercise any Option held by the Optionee, but only to the extent that the Optionee was entitled to exercise the Option at the date of such cessation. For greater certainty, any Optionee who is deemed to be an Employee of the Corporation pursuant to any medical or disability plan of the Corporation shall be deemed to be an Employee for the purposes of this Plan.

12. Death of Optionee

In the event of the death of an Optionee, the Option previously granted to him shall be exercisable within one (1) year following the date of the death of the Optionee or prior to the expiry of the Option Period, whichever is earlier, and then only:

- (a) by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or the laws of descent and distribution, or by the Optionee's legal personal representative; and
- (b) to the extent that the Optionee was entitled to exercise the Option at the date of the Optionee's death.

13. Optionee's Rights Not Transferable

No right or interest of any Optionee in or under this Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except by bequeath or the laws of descent and distribution, subject to the requirements of the Exchange, or as otherwise allowed by the Exchange.

Subject to the foregoing, the terms of this Plan shall bind the Corporation and its successors and assigns, and each Optionee and his heirs, executors, administrators and personal representatives.

14. Takeover or Change of Control

The Corporation shall have the power, in the event of:

- (a) any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation, or
- (b) any change in control of the Corporation,

to make such arrangements as it shall deem appropriate for the exercise of outstanding Options or continuance of outstanding Options, including without limitation, to amend any Stock Option Agreement to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction. If the Corporation shall exercise such power, the Option shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Corporation prior to the completion of such transaction.

15. Anti-Dilution of the Option

In the event of:

- (a) any subdivision, redivision or change of the Common Shares at any time during the term of the Option into a greater number of Common Shares, the Corporation shall deliver, at the time of any exercise thereafter of the Option, such number of Common Shares as would have resulted from such subdivision, redivision or change if the exercise of the Option had been made prior to the date of such subdivision, redivision or change;
- (b) any consolidation or change of the Common Shares at any time during the term of the Option into a lesser number of Common Shares, the number of Common Shares deliverable by the Corporation on any exercise thereafter of the Option shall be reduced to such number of Common Shares as would have resulted from such consolidation or change if the exercise of the Option had been made prior to the date of such consolidation or change;
- (c) any reclassification of the Common Shares at any time outstanding or change of the Common Shares into other shares, or in case of the consolidation, amalgamation or merger of the Corporation with or into any other corporation (other than a consolidation, amalgamation or merger which does not result in a reclassification of the outstanding Common Shares or a change of the Common Shares into other shares), or in case of any transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another corporation, at any time during the term of the Option, the Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which he was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which such holder would have been entitled to receive as a result of such reclassification, change, consolidation, amalgamation, merger or transfer if, on the effective date thereof, he had been the holder of the number of Common Shares to which he was entitled upon exercise of the Option.

Adjustments shall be made successively whenever any event referred to in this section shall occur. For greater certainty, the Optionee shall pay for the number of shares, other securities or property as aforesaid, the amount the Optionee would have paid if the Optionee had exercised the Option prior to the effective date of such subdivision, redivision, consolidation or change of the Common Shares or such reclassification, consolidation, amalgamation, merger or transfer, as the case may be.

16. Costs

The Corporation shall pay all costs of administering this Plan.

17. Termination and Amendment

- (a) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder at any time without the approval of the shareholders of the Corporation or any Optionee whose Option is amended or terminated, in order to conform this Plan or such Option, as the case may be, to applicable law or regulation or the requirements of the Exchange or any relevant regulatory authority, whether or not such amendment or termination would affect any accrued rights, subject to the approval of the Exchange or such regulatory authority.
- (b) The Board of Directors may amend or terminate this Plan, or any outstanding Option granted hereunder for any reason other than the reasons set forth in Section 16(a) hereof, subject to the approval of the Exchange or any relevant regulatory authority and the approval of the shareholders of the Corporation if required by the Exchange or such regulatory authority. Subject to Exchange Policies, disinterested shareholder approval will be obtained for any reduction in the exercise price of an Option if the Optionee is an Insider of the Corporation at the time of the proposed amendment. No such amendment or termination will, without the consent of an Optionee, alter or impair any rights which have accrued to him prior to the effective date thereof.
- (c) This Plan, and any amendments thereto, shall be subject to acceptance and approval by the Exchange. Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless and until such approval and acceptance are given.

18. Withholding Tax

Upon exercise of an Option, the Optionee will, upon notification of the amount due and prior to or concurrently with the delivery of the certificates representing the Common Shares, pay to the Corporation amounts necessary to satisfy applicable withholding tax requirements or will otherwise make arrangements satisfactory to the Corporation for such requirements. In order to implement this provision, the Corporation or any related corporation will have the right to retain and withhold from any payment of cash or Common Shares under the Plan the amount of taxes required to be withheld or otherwise deducted and paid in respect of such exercise. At its discretion, the Corporation may require an Optionee receiving Common Shares upon the exercise of an Option to reimburse the Corporation for any such taxes required to be withheld by the Corporation and withhold any distribution to the Optionee in whole or in part until the Corporation is so reimbursed. In lieu thereof, the Corporation will have the right to withhold from any cash amount due or to become due from the Corporation to the Optionee an amount equal to such taxes.

19. Applicable Law

This Plan shall be governed by, administered and construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable therein.

20. Prior Plans

On the effective date (as set out in Section 19 hereof), subject to Exchange approval and, if required, shareholder approval:

- (a) this Plan shall entirely replace and supersede prior stock option plans, if any, enacted by the Corporation; and
- (b) all outstanding options shall be deemed to be granted pursuant to this Plan.

21. Effective Date

This Plan shall become effective as of and from, and the effective date of this Plan shall be December 3, 2024, upon receipt of all necessary shareholder and regulatory approvals.

22. Legends on Hold Periods

If required by the Exchange policies or applicable securities laws, the Common Shares issued on exercise of the Options will be legended.

AUDIT COMMITTEE'S ROLE

The Audit Committee has the oversight role set out in this Charter. Management, the Board of Directors, the independent auditor and the internal auditor all play important roles in respect of compliance and the preparation and presentation of financial information. Management is responsible for compliance and the preparation of financial statements and periodic reports. Management is responsible for ensuring the Corporation's financial statements and disclosures are complete, accurate, in accordance with generally accepted accounting principles and applicable laws. The Board of Directors in its oversight role is responsible for ensuring that management fulfills its responsibilities. The independent auditor, following the completion of its annual audit, opines on the presentation, in all material respects, of the financial position and results of operations of the Corporation in accordance with Canadian generally accepted accounting principles.

FUNDING FOR THE INDEPENDENT AUDITOR AND RETENTION OF OTHER INDEPENDENT ADVISORS

The Corporation shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for the purpose of issuing an audit report and to any advisors retained by the Audit Committee. The Audit Committee shall also have the authority to retain such other independent advisors as it may from time to time deem necessary or advisable for its purposes and the payment of compensation therefor shall also be funded by the Corporation.

APPROVAL OF AUDIT AND REMITTED NON-AUDIT SERVICES PROVIDED BY EXTERNAL AUDITORS

Over the course of any year there will be two levels of approvals that will be provided. The first is the existing annual Audit Committee approval of the audit engagement and identifiable permitted non-audit services for the coming year. The second is in-year Audit Committee pre-approvals of proposed audit and permitted non-audit services as they arise.

Any proposed audit and permitted non-audit services to be provided by the External Auditor to the Corporation or its subsidiaries must receive prior approval from the Audit Committee, in accordance with this protocol. The Chief Financial Officer shall act as the primary contact to receive and assess any proposed engagements from the External Auditor.

Following receipt and initial review for eligibility by the primary contacts, a proposal would then be forwarded to the Audit Committee for review and confirmation that a proposed engagement is permitted.

In the majority of such instances, proposals may be received and considered by the Chair of the Audit Committee (or such other member of the Audit Committee who may be delegated authority to approve audit and permitted non-audit services), for approval of the proposal on behalf of the Audit Committee. The Audit Committee Chair will then inform the Audit Committee of any approvals granted at the next scheduled meeting.
