

INFORMATION CIRCULAR

As at June 10, 2020, unless otherwise stated.

This information circular (the “**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of **MILLROCK RESOURCES INC.** (the “**Company**” or “**Millrock**”) for use at the annual meeting (the “**Meeting**”) of the shareholders of the Company (the “**Shareholders**”), to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. Except where otherwise indicated, the information contained herein is stated as of June 10, 2020.

In this Information Circular, references to the “Company”, “we” and “our” refer to Millrock Resources Inc. “Common Shares” means common shares without par value in the capital of the Company. “Registered Shareholders” means shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “Non-Registered Shareholders” means shareholders who do not hold Common Shares in their own name. “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions

GENERAL PROXY INFORMATION

Solicitation of Proxies

THE ENCLOSED PROXY IS BEING SOLICITED BY MANAGEMENT OF THE COMPANY. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made, without special compensation, by regular officers and employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their intermediary assumes the costs of delivery. The Company is relying on the Notice-and-Access provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* to send proxy-related materials to Registered Shareholders and Non-Registered Shareholders in connection with the Meeting.

Appointment and Revocation of Proxies

The persons named in the accompanying form of proxy (the “**Proxy**”) are directors or officers of the Company. If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company in place of the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other

person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy. Registered Shareholders electing to submit a Proxy may do so by:

- i) completing, dating and signing the enclosed Proxy and returning it to the Company's transfer agent, Computershare Trust Company of Canada ("**Computershare**"), by fax in North America at 1-866-249-7775, or by mail or hand delivery at 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, Canada;
- ii) using a touch-tone phone to transmit voting choices to the toll-free number given in the Proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll-free number, the Registered Shareholder's account number and the Proxy Control Number; or
- iii) using the internet through the website of Computershare at www.investorvote.com. Registered Shareholders who choose this option must follow the instructions that appear on the screen and refer to the enclosed Proxy for the Registered Shareholder's account number and the proxy control number.

In all cases you should ensure the Proxy is received by 10:00 am PDT on July 16, 2020 before the Meeting or the adjournment thereof at which the Proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- i) executed by the Registered Shareholder or by his/her attorney authorized in writing or, where the Registered Shareholder is a company, by a duly authorized officer or attorney of the company; and
- ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see "Non-Registered Shareholders" below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- i) each matter or group of matters identified therein for which a choice is not specified;
- ii) any amendment to or variation of any matter identified therein;
- iii) any other matter that properly comes before the Meeting; and
- iv) exercise of discretion of proxyholder.

Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Non-Registered

Shareholder's intermediary or an agent of that intermediary. In Canada, the majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co., as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company. If you have declined to disclose your ownership information, you may receive a request for voting instructions from your intermediary if they have assumed the cost of delivering the meeting materials. Every intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada and the United States.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf.

The voting instruction form sent by Broadridge will name the same persons as the Company's Proxy to represent you at the Meeting. Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your intermediary, you, or a person designated by you (who need not be a Shareholder), may attend the Meeting as Proxyholder for your intermediary and vote your Common Shares in that capacity. To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

NOTICE AND ACCESS

The Company is using the notice and access process under NI 54-101 ("**Notice and Access**") for the delivery to Shareholders of the Meeting materials. Accordingly, the Meeting materials will be delivered by posting them on the Company's website at <http://www.millrockresources.com/corporate/2019-agm-materials>. The Meeting materials will be available on the Company's website for one year and will also be available under the Company's profile on SEDAR at www.sedar.com.

Shareholders who wish to receive paper copies of the Meeting materials may request them by calling the Company at 1-877-217-8978. To receive paper copies in advance of the proxy deposit deadline, the Company must receive the request no later than 10 a.m. (Pacific Time) on July 3, 2020.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common Shares without par value. On **June 10, 2020**, 109,262,514 Common Shares without par value were issued and outstanding, each share carrying the right to one vote. At a general meeting of the Company, on a show of hands, every Shareholder present in person shall have one vote and, on a poll, every Shareholder shall have one vote for each share of which he is the holder.

Only Shareholders of record on the close of business on **June 10, 2020** who either personally attend the Meeting or who complete and deliver an Instrument of Proxy in the manner and subject to the provisions set out under the heading "Appointment and Revocation of Proxies" will be entitled to have his or her Common Shares voted at the Meeting or any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the outstanding voting rights of the Company.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, to the knowledge of management of the Company, none of the directors or executive officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or executive officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors, the appointment of the Company's auditor and the approval of the Company's stock option plan.

- (d) the Company if it has purchased, redeemed or otherwise acquired any of its own securities, for so long as it holds any of its securities.

No informed person, no proposed director of the Company and no associate or affiliate of any such informed person or proposed director, has or has had any material interest, direct or indirect, in any transaction since the commencement of the Company's last completed financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Company or any of its subsidiaries.

B. Compensation Discussion and Analysis

The Compensation Committee consisting of Peter Chilibeck, Roland Butler, and Lawrence J. Cooper have the responsibility for determining compensation for the directors and senior management. To determine compensation payable, the Compensation Committee reviews compensation paid to directors and NEOs of companies of a similar size and stage of development in the mining exploration industry and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. In setting the compensation the Compensation Committee periodically reviews the performance of the NEOs in light of the Company's objectives and consider(s) other factors that may have impacted the success of the Company in achieving its objectives.

At the request of the Compensation Committee, other directors may, from time to time, provide recommendations to the Compensation Committee with respect to compensation for the Company's NEOs.

The compensation program's objectives are to:

- Attract and retain qualified and experienced executives to drive the continued development of the Company and its current and future mineral exploration assets, thereby creating shareholder value; and
- Provide executives, through independent research and analysis, with appropriate salaries and incentives and encourage the achievement of specific milestones with respect to the development of the Company.

Compensation for the Company's NEOs consists of: (i) base cash salary or consulting fee; (ii) cash bonus payments for achievement of specific milestones or benchmarks; and (iii) option grants pursuant to the Company's stock option plan.

The compensation is established in such a way as to compensate the executive officers and other key employees considering the Company's objectives and performance. The Compensation Committee has not retained an independent firm to prepare comparative market data in light of its size. However, the Compensation Committee considers the market in determining the overall compensation of executive officers. The analysis conducted by the Compensation Committee includes the publicly traded companies listed below. Emphasis was placed on companies with a similar business approach to mineral exploration. Those noted with an asterisk are considered by the Compensation Committee to be the most closely comparable peers to Millrock.

*Almaden Resources Corp.
 ***Arena Minerals Inc.
 **Balmoral Resources Ltd.
 *Calibre Mining Corp.
 *EMX Royalty Corp.
 **Evrin Resources Corp.
 **Miranda Gold Corp.
 **Mirasol Resources Ltd.
 **Revelo Resources Corp.
 ***Renaissance Minerals Corp.
 **Riverside Resources Inc.
 *Strategic Minerals Ltd.

Analysis of total compensation of Millrock executives in comparison to peer companies shows that:

*Millrock executives are, appropriately, compensated substantially less than executives of companies that have had success following the generative exploration business model and that are now fully sustainable companies with royalty and other positive cash flow.

**Millrock executives are compensated very competitively with the executives of the closest comparable peer companies in terms of market capitalization, stage of development and activity level.

***Millrock executives are compensated, appropriately, at somewhat higher levels than executives of less developed or successful peer companies.

CORPORATE GOVERNANCE DISCLOSURE

A summary of the responsibilities and activities and the membership of each of the Committees is set out below. National Instrument 58-201 – *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all reporting issuers. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the board of directors (the "**Board**") considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices, which disclosure is set out below.

A. Independence of Members of the Board

The Company's Board consists of four directors, three of whom are independent based upon the tests for independence set forth in National Instrument 52-110 – *Audit Committees* ("**NI 52-110**"). Roland Butler, Peter Chilibeck and Lawrence J. Cooper are independent. Gregory Beischer, President and CEO, is not considered independent.

B. Management Supervision by the Board

The size of the Company is such that all the Company's operations are conducted by a small management team which is also represented on the Board. The Board considers that management is effectively supervised by the independent directors on an informal basis as the independent directors are actively and regularly involved in reviewing the operations of the Company and have regular and full access to management. The independent directors are able to meet at any time without any members of management including the non-independent director, being present. Further supervision is performed through the audit committee which is composed of all independent directors who meet with the Company's auditors. The independent directors exercise their responsibilities for independent oversight of management through their majority control of the Board.

C. Participation of Directors In Other Reporting Issuers

The participation of the Company's directors in other reporting issuers is described in the table provided under "Particulars of Matters to be Acted Upon – Elections of Directors" in this Information Circular.

D. Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with:

1. information respecting the functioning of the Board and committees;
2. access to recent, publicly filed documents of the Company; and
3. access to management.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with

management's assistance; and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

E. Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to Shareholders. The Company has adopted a Code of Business Conduct and Ethics, a Whistleblower Policy, and an Insider Trading Policy, copies of which are available upon request.

F. Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mining exploration industry are consulted for possible candidates.

G. Compensation

Compensation paid to NEOs and directors is described in Items B and C of the section entitled "Statement of Executive Compensation".

H. Board Committees

In addition to the Audit Committee and the Compensation Committee, the Board has a Corporate Governance Committee consisting of Peter Chilibeck, Gregory Beischer and Roland Butler. The Corporate Governance Committee reviews corporate policies and has established a code of ethics and conduct for employees to ensure that high business standards are maintained and that the Company is compliant with regulatory requirements.

I. Assessments

The Board does not consider that formal assessments of the effectiveness of the Company's directors would be useful at this stage of the Company's development.

The audit committee meets the requirements applicable to a "venture issuer" (as defined in National Instrument 51-102 – *Continuous Disclosure Obligations*).

The educational background or experience of the respective audit committee members that has enabled each to perform his responsibilities as an audit committee member and has provided the member with an understanding of the accounting principles used by the Company to prepare its financial statements, the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves as well as experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more individuals engaged in such activities and an understanding of internal controls and procedures for financial reporting is summarized below:

Lawrence J. Cooper is a graduate of University of Washington's Pacific Coast Banking School and College of Financial Planning. He is the Chief Financial Officer of Tanadgusix Corporation, an Alaska Native Corporation with worldwide operations. Since the commencement of the Company's most recently completed financial year, the Company's Board has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Since the effective date of NI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110 or an exemption from NI 52-110 in whole or in part, granted under Part 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

The audit committee has specific policies and procedures for the engagement of non-audit services, as described in its audit committee charter.

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees (\$)	Audit Related Fees (\$)	Tax Fees (\$)	All Other Fees (\$)
December 31, 2018	80,137	0	34,350	0
December 31, 2019	87,927	0	42,131	0

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.
