

CONSENT OF QUALIFIED PERSON BRIAN THOMAS

I, Brian Thomas, state that I am responsible for preparing and supervising the preparation of the technical report titled “**National Instrument 43-101 Initial Technical Report for the Wawa Gold Project**” with an effective date of: July 16, 2019, as signed and certified by me (the “Technical Report”).

Furthermore, I state that:

- (a) I consent to the public filing of the Technical Report by Red Pine Exploration Inc. (“Red Pine”);
- (b) The document that the Technical Report supports is the press release titled “**Red Pine Announces New Mineral Resource Estimate for the Surluga Gold Deposit at its Wawa Gold Project, Ontario**” (the “Document”) dated June 13, 2019;
- (c) I consent to the use of extracts from, or a summary of, the Technical Report in the Document disclosed by Red Pine.
- (d) I confirm that I have read the Document being filed by Red Pine and that it fairly and accurately represents the information in the Technical Report for which I am responsible.

Dated at Sudbury, Ontario this 16th day of July 2019.

(original signed and sealed) Brian Thomas

Brian Thomas, P. Geo.
Senior Resource Geologist
Golder Associates Ltd.
