("**Altura**" or the "**Corporation**") will be held at the Corporation's offices at 2500, 605 - 5th Avenue S.W., Calgary, Alberta, on Thursday, June 4, 2020 at 10:30 am (Mountain Time) for the following purposes:

1. to receive and consider the consolidated financial statements of the Corporation for the year ended December 31, 2019 and the auditors' reports thereon;
2. to fix the number of directors to be elected at the Meeting at five (5) members;
3. to consider and, if thought appropriate, to pass an ordinary resolution electing five (5) directors of the Corporation, all as more particularly described in the accompanying Information Circular - Management Proxy Statement of the Corporation dated April 30, 2020 (the "**Information Circular**");
4. to consider and, if thought appropriate, to pass an ordinary resolution appointing the auditors of the Corporation and authorizing the directors to fix their remuneration as such;

6. to transact such further and other business as may properly come before the Meeting or any adjournment(s) or postponement(s) thereof.

The nature of the business to be transacted at the Meeting and the specific details of the matters proposed to be put to the Meeting are described in further detail in the accompanying Information Circular.

The Corporation intends to hold the Meeting in person. However, in view of the COVID-19 pandemic and the restrictions on mass gatherings implemented by the Government of Alberta, the Corporation strongly encourages Shareholders to consider voting their Shares via proxy rather than attending the Meeting in person, particularly if they are experiencing any of the described COVID-19 symptoms of fever, cough or difficulty breathing. Access to the Meeting will, subject to the Corporation's by-laws, be limited to essential personnel and registered Shareholders and proxyholders entitled to attend and vote at the Meeting; no external guests will be allowed to attend.

A link to a live audio webcast of the Meeting will be available on the Corporation's website at www.alturaenergy.ca. Following the formal business of the Meeting, the Corporation is planning a brief presentation by management. A recording of the webcast will remain available on Altura's website following the Meeting.

The Corporation may take additional precautionary measures in relation to the Meeting in response to further developments with the COVID-19 outbreak. In the event it is not possible or advisable to

hold the Meeting in person or a decision is made to change the date, time or location of the Meeting, the Corporation will announce, by press release, alternative arrangements for the Meeting as promptly as practicable. Please monitor our website at www.alturaenergy.ca for updated information and check the website one week prior to the date of the Meeting, and each day leading up to the date of the Meeting. As always, the Corporation encourages Shareholders to vote their Shares by proxy not later than (48) hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof.

The record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting is April 30, 2020 (the "**Record Date**"). Shareholders of Altura whose names have been entered in the register of shareholders at the close of business on that date will be entitled to receive notice of and vote at the Meeting, provided that, to the extent a shareholder transfers the ownership of any of his or her shares after such date and the transferee of those shares establishes that he or she owns the shares and requests, not later than 10 days before the Meeting, to be included in the list of shareholders eligible to vote at the Meeting, such transferee will be entitled to vote those shares at the Meeting.

In accordance with the by-laws of the Corporation, all proxies, to be valid, must be deposited at the office of the Registrar and Transfer Agent of the Corporation, Odyssey Trust Company, Stock Exchange Tower, Suite 1230, 300 - 5th Avenue S.W., Calgary, Alberta T2P 3C4, Attention: Proxy Department, no later than 10:30 a.m. (Mountain Time) on June 2, 2020, or not less than 48 hours (excluding Saturdays and holidays) preceding any adjournment(s) or postponement(s) of the Meeting. Registered shareholders may also use the internet site at www.odysseytrust.com/Transfer-Agent/Login to transmit their voting instructions. A proxy must be executed by the Shareholder or his attorney authorized in writing, or if the Shareholder is a corporation, under its seal by an officer or attorney thereof duly authorized.

The persons named in the enclosed form of proxy are directors and/or officers of Altura. Each shareholder has the right to appoint a proxyholder other than such persons, who need not be a shareholder, to attend and to act for such shareholder and on such shareholder's behalf at the Meeting. To exercise such right, the names of the nominees of management should be crossed out and the name of the shareholder's appointee should be legibly printed in the blank space provided.

In the event of a strike, lockout or other work stoppage involving postal employees, all documents required to be delivered by an Altura shareholder should be delivered by facsimile to Odyssey Trust Company at 1-800-517-4553.

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular - Management Proxy Statement (the "**Information Circular**") is furnished in connection with the solicitation of proxies by the management of Altura Energy Inc. (the "**Corporation**" or "**Altura**") for use at the annual general meeting of the holders ("**Shareholders**") of common shares (the "**Common Shares**") of the Corporation (the "**Meeting**") to be held at the Corporation's offices at 2500, 605 - 5th Avenue S.W., Calgary, Alberta, on Thursday, June 4, 2020 at 10:30 am (Mountain Time), and at any adjournment(s) or postponement(s) thereof, for the purposes set forth in the Notice of Annual General Meeting.

Unless otherwise stated, the information contained in this Information Circular is given as at April 30, 2020.

No person has been authorized by Altura to give any information or make any representations in connection with the transactions herein described other than those contained in this Information Circular and, if given or made, any such information or representation must not be relied upon as having been authorized by Altura.

Each outstanding Common Share is entitled to one vote on each resolution voted on at the Meeting. The Board of Directors of Altura (the "**Board of Directors**" or the "**Board**") has fixed the record date for the Meeting at the close of business on April 30, 2020 (the "**Record Date**"). Altura will prepare, as of the Record Date, a list of Shareholders entitled to receive the Notice of Annual General Meeting, showing the number of Common Shares held by each such Shareholder. Each Shareholder named in the list is entitled to vote the Common Shares shown opposite such Shareholder's name at the Meeting except to the extent that such holder transfers ownership of the Common Shares after the Record Date, in which case the transferee shall be entitled to vote such Common Shares upon establishing ownership and requesting, by 10:30 a.m. (Mountain Time) not later than 10 days before the Meeting, to be included in the list of Shareholders entitled to vote at the Meeting.

The Corporation intends to hold the Meeting in person. However, in view of the COVID-19 pandemic and the restrictions on mass gatherings implemented by the Government of Alberta, the Corporation strongly encourages Shareholders to consider voting their Shares via proxy rather than attending the Meeting in person, particularly if they are experiencing any of the described COVID-19 symptoms of fever, cough or difficulty breathing. Access to the Meeting will, subject to the Corporation's by-laws, be limited to essential personnel and registered Shareholders and proxyholders entitled to attend and vote at the Meeting; no external guests will be allowed to attend.

A link to a live audio webcast of the Meeting will be available on the Corporation's website at www.alturaenergy.ca. Following the formal business of the Meeting, the Corporation is planning a brief presentation by management. A recording of the webcast will remain available on Altura's website following the Meeting.

The Corporation may take additional precautionary measures in relation to the Meeting in response to further developments with the COVID-19 outbreak. In the event it is not possible or advisable to hold the Meeting in person or a decision is made to change the date, time or location of the Meeting,

the Corporation will announce, by press release, alternative arrangements for the Meeting as promptly as practicable. Please monitor our website at www.alturaenergy.ca for updated information and check the website one week prior to the date of the Meeting, and each day leading up to the date of the Meeting. As always, the Corporation encourages Shareholders to vote their Shares by proxy not later than (48) hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof.

A quorum for the transaction of business at the Meeting shall be present if two Shareholders holding in the aggregate five percent (5%) of the Common Shares entitled to vote at the Meeting are present in person or represented by proxy.

APPOINTMENT OF PROXIES

Those Shareholders desiring to be represented by proxy at the Meeting must deposit their respective forms of proxy with Odyssey Trust Company at Stock Exchange Tower, Suite 1230, 300 - 5th Avenue S.W., Calgary, Alberta T2P 3C4, Attention: Proxy Department in the enclosed self-addressed envelope, by no later than 10:30 a.m. (Mountain Time) on June 2, 2020 or not less than 48 hours (excluding Saturdays and holidays) preceding any adjournment(s) or postponement(s) of the Meeting. A proxy must be executed by the Shareholder or by his or her attorney authorized in writing, or if the Shareholder is a corporation, under its seal or by an officer or attorney thereof duly authorized. Registered Shareholders may also cast their vote by faxing their proxy to 1-800-517-4553 or by internet (www.odysseytrust.com/Transfer-Agent/Login) by following the instructions provided on the form. If you choose to vote by telephone or internet, your vote must also be cast no later than 48 hours, excluding Saturdays, Sundays and holidays prior to the time of the Meeting. A proxy is valid only at the Meeting in respect of which it is given or any adjournment(s) or postponement(s) of the Meeting.

The persons named in the accompanying proxy are directors and officers of Altura. A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act on such Shareholder's behalf at the Meeting other than the persons named in the proxy. To exercise this right, the Shareholder must strike out the name of the persons named in the proxy and insert the name of his or her nominee in the space provided or complete another appropriate form of proxy and, in either case, deposit the proxy with Altura at the place and within the time specified above for the deposit of proxies.

PERSONS MAKING THE SOLICITATION

The solicitation is made on behalf of the management of Altura. The costs incurred in the preparation and mailing of the Instrument of Proxy, Notice of Annual General Meeting and this Information Circular will be borne by Altura. In addition to solicitation by mail, proxies may be solicited by personal interviews, telephone or by other means of communication and by directors and officers of Altura, who will not be specifically remunerated therefor. While no arrangements have been made to date by Altura, Altura may contract for the distribution and solicitation of proxies for the Meeting. The costs incurred by Altura in soliciting proxies will be paid by Altura.

EXERCISE OF DISCRETION BY PROXY

The Common Shares represented by the Instrument of Proxy enclosed with this Notice of Annual General Meeting and this Information Circular will be voted for or against or withheld from voting, in accordance with the instructions of the Shareholder on any ballot that may be called for. If a choice is specified with respect to any matter to be acted upon, the Common Shares will be voted accordingly, but if no specification is made, they will be voted in favour of the matters set forth in the proxy. If any amendments or variations

are proposed at the Meeting or any adjournment thereof to matters set forth in the proxy and described in the accompanying Notice of Annual General Meeting and this Information Circular, or if any other matters properly come before the Meeting or any adjournment thereof, the proxy confers upon the Shareholder's nominee discretionary authority to vote on such amendments or variations or such other matters according to the best judgment of the person voting the proxy at the Meeting. At the date of this Information Circular, management of Altura knows of no such amendments or variations or other matters to come before the Meeting.

REVOCATION OF PROXIES

A Shareholder who has given a proxy has the power to revoke it. If a person who has given a proxy attends personally at the Meeting at which the proxy is to be voted, such person may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing signed by the Shareholder or his attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal and signed by a duly authorized officer or attorney for the corporation, and deposited at the registered office of Altura at any time up to and including the last day (other than Saturdays, Sundays and holidays) preceding the day of the Meeting at which the proxy is to be used, or any adjournment or adjournments thereof, or with the chairman of the Meeting on the day of the Meeting, or on the day of any adjournment thereof, prior to the commencement of the Meeting.

ADVICE TO BENEFICIAL HOLDERS OF SECURITIES

The information set forth in this section is provided to beneficial holders of Common Shares who do not hold their Common Shares in their own name ("**Beneficial Shareholders**"). Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of shares can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases those shares will not be registered in the Beneficial Shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the Beneficial Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominees for many Canadian brokerage firms). Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. The Corporation does not know for whose benefit the shares registered in the name of CDS & Co. are held.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically provides a scannable voting request form or applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the voting request forms or proxy forms to Broadridge. Often Beneficial Shareholders are alternatively provided with a toll-free telephone number to vote their shares or website address where shares can be voted. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction request or a proxy with a Broadridge sticker on it cannot use that instruction request or proxy to vote Common Shares directly at the Meeting as the proxy must be returned as directed by Broadridge well in advance of the Meeting in order to have the shares voted.**

Accordingly, it is strongly suggested that Beneficial Shareholders return their completed instructions or proxies as directed by Broadridge well in advance of the Meeting.

This Information Circular and accompanying materials are being sent to both registered Shareholders and Beneficial Shareholders. The Corporation does not send proxy-related materials directly to Beneficial Shareholders and is not relying on the notice-and-access provisions of securities laws for delivery to either registered or Beneficial Shareholders. The Corporation will deliver proxy-related materials to nominees, custodians and fiduciaries and they will be asked to promptly forward them to Beneficial Shareholders. If you are a Beneficial Shareholder your nominee should send you a voting instruction form or proxy form along with this Information Circular - Proxy Statement. The Corporation has elected to pay for the delivery of its proxy-related materials to Beneficial Shareholders.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Corporation consists of an unlimited number of Common Shares and an unlimited number of preferred shares, issuable in series. As at April 30, 2020, there were 108,920,974 Common Shares issued and outstanding. The Common Shares are the only issued and outstanding voting securities of the Corporation and the holders thereof are entitled to one vote for each Common Share held.

To the knowledge of the directors and senior officers of the Corporation, as at the date hereof, no person or company beneficially owned or controlled or directed, directly or indirectly, voting securities of the Corporation carrying more than 10% of the voting rights attached to any class of voting securities of the Corporation.

ADVANCE NOTICE BY-LAW

On May 16, 2019, Shareholders ratified the adoption by the Corporation of a By-law regarding advance notice of nominations of directors of the Corporation (the "**Advance Notice By-law**"), which was filed and is available on Altura's website (www.alturaenergy.ca). The Advance Notice By-law provides that advance notice to the Corporation must be made where nominations of persons for election to the Board are made by Shareholders other than pursuant to:

- (i) a "proposal" made in accordance with the *Business Corporations Act* (Alberta) (the "**ABCA**"); or
- (ii) a requisition of a meeting made pursuant to the ABCA.

Among other things, the Advance Notice By-law fixes a deadline by which Shareholders must submit director nominations to the Corporation prior to any meeting of Shareholders. It also outlines the information that a nominating Shareholder must provide to the Corporation to make an effective nomination. No person may be nominated for election as a director unless nominated in accordance with the Advance Notice By-law.

In the case of an annual meeting, notice to the Corporation must be made not less than thirty days prior to the date of the meeting, provided that if the meeting is to be held less than fifty days after the date the annual meeting was made public, notice must be made by the tenth day following that announcement.

In the case of a special meeting of Shareholders (which is not also an annual meeting), notice must be made by the fifteenth day following the announcement of the meeting.

Shareholders making a nomination must also provide certain information to the Corporation regarding themselves and the nominee, including the qualification of the nominee to act as a director and any conflicts that may affect the nominee's ability to discharge the nominee's duties to the Corporation.

The Board of Directors may, in its sole discretion, waive any provisions of the Advance Notice By-law.

RECEIPT OF THE FINANCIAL STATEMENTS AND AUDITORS' REPORT

At the Meeting, Shareholders will receive and consider the consolidated financial statements of the Corporation for the year ended December 31, 2019 and the auditors' report thereon. No formal action is required or proposed to be taken at the Meeting with respect to the financial statements.

FIXING NUMBER OF DIRECTORS

At the Meeting, it is proposed that the number of directors to be elected at the Meeting to hold office until the next annual general meeting of the Corporation or until their successors are elected or appointed, subject to the articles of incorporation or by-laws of the Corporation, be set at five (5). There are presently five (5) directors of Altura, the terms of office of each of which will expire immediately prior to the Meeting or any adjournment thereof. Unless otherwise directed, it is the intention of management to vote proxies in the accompanying form in favour of setting the number of directors to be elected at the Meeting at five (5).

The Board's decision to accept or reject the resignation offer will be disclosed to the public within 90 days of the applicable Shareholders' meeting. The nominee will not participate in any Board deliberations on the resignation offer unless there are not at least three directors who did not receive a majority withheld vote. The policy does not apply in circumstances involving contested director elections.

To the knowledge of the Corporation, other than as set forth below, no proposed director of the Corporation (nor any personal holding company of any such persons):

 - (i) was subject to a cease trade order (including a management cease trade order), an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, in each case that was in effect for a period of more than 30 consecutive days (collectively, an "**Order**") that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or

GasFrac obtained court approval on January 28, 2015 under the Companies Creditors Arrangement Act ("**CCAA**") in respect of a forbearance agreement between GasFrac and its

STATEMENT OF EXECUTIVE COMPENSATION

Set out below is the Statement of Executive Compensation for Altura for the financial year ended December 31, 2019.

The Corporation's compensation program is administered by the Compensation and Governance Committee (the "**Compensation Committee**") of the Board which for 2019 consisted of Robert Maitland, Brian Lavergne and John McAleer. The Compensation Committee's mandate includes reviewing and making recommendations to the Board in respect of compensation matters relating to the Corporation's executive officers, employees and directors. The members of the Compensation Committee are "independent" for the purposes of National Instrument 58-201 - *Corporate Governance Guidelines*. For a description of the relevant education and experience of each member of the Compensation Committee that enables such member to make decisions on the suitability of Altura's compensation policies and practice, refer to the applicable biographies under the headings "*Election of Directors*" and "*Audit Committee Information – Relevant Education and Experience*".

The Compensation Committee's mandate includes reviewing and making recommendations to the Board in respect of compensation matters relating to the Corporation's executive officers, employees and directors, including the named executive officers (as defined below) which are identified in the "*Summary Compensation Table*" below. Without limiting the generality of the foregoing, the Compensation Committee has the following duties:

- (a) to review the compensation philosophy and remuneration policy for employees of Altura and to recommend to the Board changes to improve Altura's ability to recruit, retain and motivate employees;
- (b) to review and recommend to the Board the retainer and fees to be paid to members of the Board;
- (c) to recommend to the Board with respect to officer and director compensation including to review management's recommendations for proposed share option or share purchase plans and other incentive-compensation plans and equity-based plans for officer and director compensation and make recommendations in respect thereof to the Board;
- (d) review and recommend to the Board grants of stock options ("**Options**") or awards in accordance with the terms of the Option Plan thereof;
- (e) to determine and recommend for approval of the Board bonuses to be paid to officers and employees of Altura and its subsidiaries, as applicable, and to establish targets or criteria for the payment of such bonuses, if appropriate; and

- (f) to review the disclosure as to compensation matters included in the information circular and proxy statement of the Corporation as mandated by applicable securities laws including, without limitation, the Statement of Executive Compensation included therein, prior to the Corporation publicly disclosing such information.

The Compensation Committee is required to be comprised of at least three directors, or such greater number as the Board may determine from time to time. The majority of the members of the Compensation Committee are required to be independent; as such term is defined for this purpose under applicable securities requirements. Pursuant to the mandate of the Compensation Committee, meetings of the Compensation Committee are to take place at least one time per year.

Compensation Discussion and Analysis

Executive Compensation Principles

The objectives of the Corporation's executive compensation policy are to:

- align the interests of the executive officers with the long-term interests of Shareholders;
- link compensation to the achievement of business objectives and financial and operational results; and
- attract and retain highly qualified management and key executives for leadership succession.

Compensation of all executive officers is based on the philosophy that compensation should be "performance based" and competitive with the Corporation's peer group and should reflect the experience, performance and contribution of the individuals involved and the overall performance of the Corporation.

The Corporation's compensation policies are comprised of the following principal components: (a) base salary; (b) short-term incentive compensation comprised of discretionary cash bonuses; and (c) long-term incentive compensation comprised of Options. See "*Incentive Plans*".

Short-term compensation, which includes base salary and annual performance bonus, is designed to attract and retain employees. Long-term incentive compensation is used to reward longer term growth in asset value per Common Share. Together, these components support the Corporation's long-term growth strategy. Altura's executive compensation philosophy is to encourage a higher relative level of share ownership with cash compensation, comprised of base salaries and annual performance bonus, targeting the 25th to 50th percentile of Altura's peer group.

When assessing the competitiveness and fairness of the Corporation's compensation program, the compensation practices of the following peer group companies were reviewed: Leucrotta Exploration Inc.; Yangarra Resources Ltd.; Granite Oil Corp.; Hemisphere Energy Corporation; Chinook Energy Inc.; InPlay Oil Corp.; Petrus Resources Ltd.; Journey Energy Inc.; Razor Energy Corp.; Gear Energy Ltd.; and Zargon Oil & Gas Ltd.. These companies are of comparable scope and complexity as Altura, operate in a similar business environment, and compete with Altura for executive talent.

Together with the comparative data, the President and Chief Executive Officer annually assesses the individual performance and development of each executive officer, and recommends to the Compensation Committee the appropriate salary, annual incentive and long-term incentive for each individual. The Compensation Committee then reviews these recommendations, in conjunction with its own review of the Corporation's performance, executive performance, including that of the President and Chief Executive Officer, and comparative data, and thereafter recommends to the Board of Directors the compensation package payable to the executive officers for the Board's review, discussion and approval.

In establishing the Corporation's executive compensation program, consideration is also given to possible risks associated with the compensation program, including:

- the risk of executives taking inappropriate or excessive risks;
- the risk of inappropriate focus on achieving short-term goals at the expense of long-term return to Shareholders;
- the risk of encouraging aggressive accounting practices;
- the risk of excessive focus on financial returns and operational goals at the expense of regulatory requirements; and
- environmental and health and safety risks.

While no program can fully mitigate these risks, many of the risks are mitigated by:

- weighting the Corporation's long-term incentives towards share ownership and vesting the Corporation's long-term incentives over a number of years;
- establishing a uniform incentive program for all executive officers and employees;
- avoiding narrowly focused performance goals which may encourage loss of focus on providing long-term Shareholder return and retaining adequate discretion to ensure that the Board of Directors retain its business judgment in assessing actual performance; and
- establishing a strong "tone at the top" for accounting, regulatory, environmental and health and safety compliance.

Anti-Hedging Policy

The Corporation's Disclosure, Confidentiality and Trading Policy prohibits its directors and officers from engaging in short sales of securities of the Corporation or buying or selling puts, calls or other derivatives that are designed to hedge or offset a decrease in the market value of securities of the Corporation.

Elements of the Executive Compensation Program

Base Salaries

The base salary component is intended to provide a fixed level of pay that reflects each executive officer's primary duties and responsibilities. It also provides a foundation upon which performance-based incentive compensation elements are assessed and established. The Corporation intends to pay base salaries to its executive officers, including the CEO, that are competitive for similar positions within its selected peer group. Generally, the base salary compensation targets the 25th to 50th percentile and are not determined based on benchmarks, performance goals or a specific formula.

Retention of named executive officers is a risk considered by the Compensation Committee. The Compensation Committee views the personal investment of these individuals in the Corporation provides considerable incentive for them to remain as officers of the Corporation.

Short-Term Incentive Compensation - Cash Bonuses

The Corporation has a discretionary bonus plan pursuant to which the Board of Directors may award annual cash bonuses to executive officers and employees if some or all of the corporate performance objectives are achieved. The size of the bonus as a percentage of salary is dependent on achievement of the corporate performance targets achieved.

The Compensation Committee recommends specific performance objectives, which are approved by the Board, and then used along with its experience and judgement in assessing the performance of the executive officers to determine bonuses for the executive officers. The annual performance bonus is designed to reward contributions toward the achievement of the Corporation's goals. The annual performance bonus, if any, is paid after year-end results have been reviewed and approved by the Board of Directors.

For 2019, the corporate performance objectives included: execution of the Corporation's strategic plan; absolute and relative Shareholder return; production per share growth; reserve additions; performance-based metrics commonly used in the oil and gas industry; net asset value growth using the proved plus probable before tax net present value discounted at 10%; and health, safety and environmental metrics. It is the Board of Director's philosophy that an individual bonus should be tied primarily to that individual's contribution to achieving the Corporation's performance objectives.

Long Term Incentive Compensation – Stock Options

Executive officers, along with all of Altura's officers, directors, employees, contractors and other service providers, are eligible to participate in the Corporation's stock option plan (the "**Option Plan**"). The Option Plan and the Common Shares reserved thereunder have been approved by Shareholders. The Option Plan promotes share ownership among executives, encourages the retention of key executives and provides a longer-term incentive to grow Altura's asset value on a per share basis which will increase value for Shareholders. Awards are granted at varying levels depending on the individual's level of responsibility within the Corporation and individual performance. All awards are approved by the Board of Directors. As of December 31, 2019, all employees and directors of the Corporation participated in the Option Plan.

Options are normally awarded by the Board upon the commencement of an individual's employment with the Corporation based on the level of responsibility within the Corporation. Additional grants may be made periodically to ensure that there continues to be sufficient longer-term incentive and to ensure that the number of Options granted to any individual is commensurate with the individual's level of ongoing responsibility within the Corporation, which may change over time. In considering additional grants, the Board evaluates the number of Options an individual has been granted, the exercise price and value of the options and the term remaining on those Options. Generally, all employees, officers and directors are eligible for an annual award of Options. In addition, the Corporation may grant additional Options to employees and officers in lieu of base salary increases. See "*Incentive Plans – Share Option Plan*" for a description of the detailed terms of the Option Plan.

Summary

The Corporation's compensation policies have allowed the Corporation to attract and retain a team of motivated professionals and support staff working towards the common goal of enhancing Shareholder value. The Compensation Committee has reviewed the compensation structure and is satisfied that the current levels of total compensation align pay for performance with the interests of shareholders and support

Altura's objective to attract, retain and motivate highly capable executive talent and are reflective of competitive market practices.

The Board of Directors will continue to review compensation policies to ensure that they are competitive within the oil and natural gas industry and consistent with the performance of the Corporation.

- (1) Reflects Options issued under the Option Plan. Based on the grant date fair value of the applicable awards. The grant date fair value for compensation purposes is calculated using Black-Scholes option pricing methodology. Key assumptions used in the pricing model for 2019 relating to the grant to the NEOs were: dividend yield: nil; expected volatility: 78.6%; risk-free interest rate: 1.44% and weighted average life: 3.5 years. Key assumptions used in the pricing model for 2018 relating to the grant to the NEOs were: dividend yield: nil; expected volatility: 85.9%; risk-free interest rate: 2.17% and weighted average life: 3.5 years. Key assumptions used in the pricing model for 2017 relating to the grant to the NEOs were: dividend yield: nil; expected volatility: 94.6%; risk-free interest rate: 1.66% and weighted average life: 3.5 years.
- (2) Reflects the cash amounts awarded to the NEO under the Corporation's cash bonus plan in the year, regardless of when the bonus was paid. No bonuses were paid to the NEOs in respect of 2019 performance.
- (3) The value of perquisites received by each of the NEOs, including property or other personal benefits provided to the NEOs that are not generally available to all employees, were not in the aggregate greater than \$50,000 or 10% of the NEO's total salary for the financial year.

Incentive Plans

Share Option Plan

The Corporation has an Option Plan which permits the granting of Options to purchase Common Shares to directors, officers, employees, consultants and other service providers ("**Optionees**") of the Corporation and its subsidiaries. The Option Plan is intended to afford persons who provide services to Altura an opportunity to obtain an increased proprietary interest in Altura by permitting them to purchase Common Shares and to aid in attracting as well as retaining and encouraging the continued involvement of such persons with Altura. The Option Plan is administered by the Board of Directors or a committee of the Board of Directors appointed from time to time by the Board to administer the Option Plan (the Board of Directors or, if appointed, such Committee, is referred to as the "**Committee**").

The Option Plan currently limits the number of Common Shares that may be issued on exercise of Options to a number not exceeding 10% of the number of Common Shares which are outstanding from time to time. Options that are cancelled, terminated or expired prior to exercise of all or a portion thereof shall result in the Common Shares that were reserved for issuance thereunder being available for a subsequent grant of Options pursuant to the Option Plan. As the Option Plan is a "rolling" plan, the issuance of additional Common Shares by the Corporation or the exercise of Options will also give rise to additional availability under the Option Plan.

The exercise price of the Options granted pursuant to the Option Plan is determined by the Committee at the time of grant, provided that the exercise price shall not be less than the discounted market price (as determined in accordance with the rules of the TSX Venture Exchange (the "**TSXV**") of the Common Shares on the day preceding the date of grant (the "**Discounted Market Price**").

The policies of the TSXV require that the Option Plan be approved every year by Shareholders. The Option Plan was last approved by Shareholders at the last annual and special meeting held on May 16, 2019.

Annual Incentive Plan

The Corporation has established a discretionary cash bonus plan for its executive officers and employees based and dependent upon, among other things, the performance of both the Corporation and the individual for the applicable period. The amount of any cash bonus awarded is not set in relation to any formula or specific criteria but is the result of a subjective determination of both the Corporation's and the individual's performance by the Board of Directors based upon the recommendations of the Compensation Committee. See "*Statement of Executive Compensation – Elements of the Executive Compensation Program – Short-Term Incentive Compensation - Cash Bonuses*".

Incentive Plan Awards

Outstanding Share-Based Awards and Option-Based Awards

The Corporation did not have any share-based awards outstanding at the end of the most recently completed financial year.

Options are normally recommended by the Corporation's management and approved by the Board of Directors upon the commencement of employment with the Corporation based on the level of responsibility within the Corporation. Additional grants may be made periodically, generally on an annual basis, to ensure that the number of Options granted to any particular individual is commensurate with the individual's level of ongoing responsibility within the Corporation. When determining options to be allocated to eligible

participants, a number of factors are considered including individual performance, the number of outstanding Options held by such individual, the value of such options and the total number of available options for grant.

The following table sets forth for each Named Executive Officer all option-based awards outstanding at the end of the year ended December 31, 2019.

Pension Plan Benefits

The Corporation does not have a pension plan or any other plan that provides for payments or benefits at, following or in connection with retirement. The Corporation does not have a deferred compensation plan.

Termination and Change of Control Benefits

If a "change of control" occurs and if, within six months of such change of control, an event or events occur which constitute "good reason", the executive has the right to terminate his employment with the Corporation upon providing 30 days written notice and to receive a payment of 100% (12 months) of his then annual salary, plus an amount equal to the average of the previous two years' cash bonuses, and an amount for loss of benefits and perquisites equal to 15% of his then annual salary.

- the purchase or acquisition of Common Shares of the Corporation and/or securities convertible into Common Shares of the Corporation or carrying the right to acquire Common Shares of the Corporation ("**Convertible Securities**") as a result of which a person, group of persons or persons acting jointly or in concert, or any affiliates or associates of any such person, group of persons or any of such persons acting jointly or in concert (collectively, the "**Holder**s") beneficially own or exercise control or direction over Common Shares and/or Convertible Securities of the Corporation such that, assuming after the conversion of the Convertible Securities beneficially owned or controlled by the Holders thereof, the Holders would beneficially own or exercise control or direction over more than 50% of all of the outstanding Common Shares or otherwise have the right to cast more than 50% of the votes attached to all Common Shares, provided that, in the event that there is a question as to whether a Change of Control has occurred in any circumstances, the Board of Directors shall determine the matter (provided that the executive shall be entitled to contest such determination through court proceedings or other dispute resolution).

"Good Reason" is defined as one of:

- a materially detrimental change in the executive's position or duties, title or office, which includes any removal of the executive from, or any failure to re-elect or re-appoint the executive to, any such positions or offices; provided that, such term shall not include:
 - a change consistent with the Corporation splitting a position into one or more positions based on the demands of such position so long as there is no reduction in the executive's annual salary or a material reduction in benefits or other remuneration; or
 - a request by the Corporation for the executive to be employed by one of the Corporation's affiliates if such employment would be on substantially the same terms as their employment with the Corporation (including with respect to geographic location) and there would be no reduction in the executive's annual salary or a material reduction in benefits or other remuneration;
- a reduction by the Corporation in the executive's annual salary or benefits of a material nature, or any material change in the basis upon which the executive's annual salary or benefits are determined;
