MANAGEMENT INFORMATION CIRCULAR

(as at August 28, 2018 , except as indicated)

INFORMATION REGARDING ORGANIZATION AND CONDUCT OF MEETING

THIS MANAGEMENT INFORMATION CIRCULAR ("CIRCULAR") IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY OR ON BEHALF OF THE MANAGEMENT OF OCEANUS RESOURCES CORPORATION ("Corporation") for use at the annual and special meeting of the shareholders of the Corporation ("**Shareholders**") to be held at the Halifax Marriott Harbourfront, 1919 Upper Water Street, Halifax, Nova Scotia, B2X 1Z4, on **Friday, September 28, 2018 at 10:00 a.m. (AST) ("Meeting")**, or at any adjournment thereof, for the purposes set forth in the accompanying notice of meeting ("**Notice of Meeting**").

Solicitation of Proxies

Solicitation of proxies will be primarily by mail, but may also be by telephone or other means of communication by the directors, officers, employees or agents of the Corporation at nominal cost. All costs of solicitation will be paid by the Corporation. Pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy-related materials to certain beneficial owners of the shares. See "Appointment and Revocation of Proxies – Notice to Beneficial Holders of Shares" below.

Internet Availability of Proxy Materials

Rules recently adopted by the Canadian securities administrators, known as the "notice and access" distribution option, allow companies to send to shareholders a notice to the effect that proxy materials are available via the Internet, rather than mailing full sets of proxy materials to them. This year, the Corporation chose to mail full sets of proxy materials to shareholders. In the future, the Corporation may take advantage of the "notice and access" distribution option. If in the future the Corporation chooses to send such notices to shareholders, the notices will contain instructions on how shareholders can gain access to the Corporation's notice of meeting and management proxy circular via the Internet. The notices will also contain instructions on how shareholders can ask that proxy materials be delivered to them electronically or in printed form on a one-time or ongoing basis.

Appointment and Revocation of Proxies

General

Shareholders of the Corporation may be "Registered Shareholders" or "Non-Registered Shareholders". If common shares of the Corporation ("**Common Shares**") are registered in the Shareholder's name, they are said to be owned by a "**Registered Shareholder**". If Common Shares are registered in the name of an intermediary and not registered in the Shareholder's name, they are said to be owned by a "**Non-Registered Shareholder**". An intermediary is usually a bank, trust company, securities dealer or broker, or a clearing agency in which an intermediary participates. The instructions provided below set forth the different procedures for voting Common Shares at the Meeting to be followed by Registered Shareholders and Non-Registered Shareholders.

The persons named in the enclosed instrument appointing proxy are officers and directors of the Corporation. **Each Shareholder has the right to appoint a person or company (who need not be a Shareholder) to attend and act for him or her at the Meeting other than the persons designated in the enclosed form of proxy.** Shareholders who have given a proxy also have the right to revoke it insofar as it has not been exercised. The right to appoint an alternate proxyholder and the right to revoke a proxy may be exercised by following the procedures set out below under "*Registered Shareholders*" or "*Non-Registered Shareholders*", as applicable.

If any Shareholder receives more than one (1) proxy or voting instruction form, it is because that Shareholder's shares are registered in more than one form. In such cases, Shareholders should sign and submit all proxies or voting instruction forms received by them in accordance with the instructions provided.

Registered Shareholders

Registered Shareholders have two (2) methods by which they can vote their Common Shares at the Meeting, namely in person or by proxy. To assure representation at the Meeting, Registered Shareholders are encouraged to return the proxy included with this Circular. Sending in a proxy will not prevent a Registered Shareholder from voting in person at the Meeting. The vote will be taken and counted at the Meeting. Registered Shareholders who do not plan to attend the Meeting or who do not wish to vote in person can vote by proxy.

Proxies must be received by the Corporation's transfer agent, **Computershare Investor Services Inc.** ("**Computershare**"), not later than **Wednesday, September 26, 2018 at 10:00 a.m. (Halifax Time)**. A Registered Shareholder must return the completed proxy to Computershare Investor Services Inc., as follows:

- (a) by **mail** in the enclosed envelope; or
- (b) by the **Internet** or **telephone** as described on the enclosed proxy; or
- (c) by **registered mail**, by **hand** or by **courier** to the attention of Computershare Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1.

To exercise the right to appoint a person or company to attend and act for a Registered Shareholder at the Meeting, such Shareholder must strike out the names of the persons designated on the enclosed instrument appointing a proxy and insert the name of the alternate appointee in the blank space provided for that purpose.

To exercise the right to revoke a proxy, in addition to any other manner permitted by law, a Shareholder who has given a proxy may revoke it by instrument in writing, executed by the Shareholder or his or her attorney authorized in writing, or if the Shareholder is a corporation, by a duly authorized officer or attorney thereof, and deposited: (i) at the registered office of the Corporation, Suite 2108, 1969 Upper Water Street, Halifax, Nova Scotia, at any time up to and including the last business day preceding the Meeting at which the proxy is to be used, or at any adjournment thereof, or (ii) with the chairman of the Meeting on the date of the Meeting, or at any adjournment thereof, and upon either of such deposits the proxy is revoked.

Non-Registered Shareholders

Non-Registered Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as "**NOBOs**". Non-Registered Shareholders who have objected to their intermediary disclosing the ownership information about themselves to the Corporation are referred to as "**OBOs**".

In accordance with the requirements of NI 54-101, the Corporation is sending the Notice of Meeting, this Circular, and either the voting instructions form ("**VIF**") or the form of proxy, as applicable, (collectively, the "**Meeting Materials**") directly to the NOBOs and indirectly, through intermediaries, to the OBOs. The Corporation has not paid and does not intend to pay the fees and costs of intermediaries for their services in delivering Meeting Materials to OBOs, therefore OBOs will not receive the Meeting Materials unless the OBO's intermediary assumes the cost of delivery.

Meeting Materials Received by OBOs from Intermediaries

The Corporation has distributed copies of the Meeting Materials to intermediaries for distribution to OBOs. Intermediaries are required to deliver these materials to all OBOs of the Corporation who have not waived their rights to receive these materials, and to seek instructions as to how to vote the Common Shares. Often, intermediaries will use a service company (such as Broadridge Financial Solutions, Inc.) to forward the Meeting Materials to OBOs.

OBOs who receive Meeting Materials will typically be given the ability to provide voting instructions in one of two ways:

- (a) Usually, an OBO will be given a VIF which must be completed and signed by the OBO in accordance with the instructions provided by the intermediary. In this case, the mechanisms described above for Registered Shareholders cannot be used and the instructions provided by the intermediary must be followed.
- (b) Occasionally, an OBO may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of Common Shares owned by the OBO but is otherwise not completed. This form of proxy does not need to be signed by the OBO but must be completed by the OBO and returned to Computershare Investor Services Inc. in the manner described above for Registered Shareholders.

The purpose of these procedures is to allow OBOs to direct the proxy voting of the Common Shares that they own but that are not registered in their name. Should an OBO who receives either a form of proxy or a VIF wish to attend and vote at the Meeting in person (or have another person attend and vote on his or her behalf), the OBO should strike out the persons named in the form of proxy as the proxy holder and insert the OBO's (or such other person's) name in the blank space provided or, in the case of a VIF, follow the instructions provided by the intermediary. **In either case, OBOs who received Meeting Materials from their intermediary should carefully follow the instructions provided by the intermediary.**

To exercise the right to revoke a proxy, an OBO who has completed a proxy (or a VIF, as applicable) should carefully follow the instructions provided by the intermediary.

Proxies returned by intermediaries as "non-votes" because the intermediary has not received instructions from the OBO with respect to the voting of certain shares or, under applicable stock exchange or other rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Common Shares represented by such "non-votes" will, however, be counted in determining whether there is a quorum.

Meeting Materials Received by NOBOs from the Corporation

As permitted under NI 54-101, the Corporation has used a NOBO list to send the Meeting Materials directly to the NOBOs whose names appear on that list. If you are a NOBO and the Corporation's transfer agent, Computershare, has sent these materials directly to you, your name and address and information about your holdings of Common Shares of the Corporation have been obtained from the intermediary holding such shares on your behalf in accordance with applicable securities regulatory requirements.

As a result, any NOBO of the Corporation can expect to receive a scannable VIF from Computershare. Please complete and return the VIF to Computershare in the envelope provided. Computershare will tabulate the results of the VIFs received from the Corporation's NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIF's received by Computershare.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. The intermediary holding Common Shares on your behalf has appointed you as the proxyholder of such Common Shares, and therefore you can provide your voting instructions by completing the proxy included with this Circular in the same way as a Registered Shareholder. Please refer to the information under the heading "*Registered Shareholders*" for a description of the procedure to return a proxy, your right to appoint another person or company as your proxy to attend the Meeting, and your right to revoke the proxy.

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker, a Non-Registered Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. Non-Registered Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the

Registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.

Exercise of Proxies

Where a choice is specified, the Common Shares represented by proxy will be voted for, withheld from voting or voted against, as directed, on any poll or ballot that may be called. **Where no choice is specified, the proxy will confer discretionary authority and will be voted in favour of all matters referred to on the form of proxy. The proxy also confers discretionary authority to vote for, withhold from voting, or vote against amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters not specifically mentioned in the Notice of Meeting but which may properly come before the Meeting.**

Management has no present knowledge of any amendments or variations to matters identified in the Notice of Meeting or any business that will be presented at the Meeting other than that referred to in the Notice of Meeting. However, if any other matters properly come before the Meeting, it is the intention of the persons named in the enclosed instrument appointing proxy to vote in accordance with the recommendations of management of the Corporation.

Voting Shares

The authorized capital of the Corporation consists of an unlimited number of Common Shares, of which 138,147,130 are issued and outstanding as of the date hereof.

The board of directors of the Corporation (the "**Board**" or "**Board of Directors**") has fixed the record date for the Meeting as **August 24, 2018** (the "**Record Date**"). Only Shareholders of record as of the close of business on the Record Date will be entitled to vote at the Meeting. Shareholders entitled to vote shall have one (1) vote each on a show of hands and one (1) vote per Common Share on a poll.

Quorum

Two persons present in person or by proxy holding at least 10% of the outstanding Common Shares of the Corporation and each entitled to vote thereat shall constitute a quorum for the transaction of business at any meeting of shareholders.

Principal Shareholders

To the knowledge of the directors and executive officers of the Corporation, no one shareholder owns, directly or indirectly, or exercises control or direction over, Common Shares carrying 10% or more of the voting rights attached to all outstanding Common Shares of the Corporation.

BUSINESS TO BE TRANSACTED AT THE MEETING

Financial Statements

The financial statements of the Corporation, the Auditor's report thereon and management's discussion and analysis for the fiscal year ended March 31, 2018, which were mailed to Shareholders and filed on SEDAR at www.sedar.com, will be presented to the Shareholders at the Meeting.

Election of Directors

The Articles of the Corporation provide that the size of the Board must consist of not less than one (1) director and not more than ten (10) directors. There are currently six (6) directors.

The persons named in the list that follows are all of the persons proposed to be nominated as directors of the Corporation and are, in the opinion of management, well qualified to direct the Corporation's activities for the ensuing year. They have all confirmed their willingness to continue to serve as directors, if re-elected or to serve as

directors if elected. The term of office of each director elected will be until the next annual meeting of the Shareholders or until the position is otherwise vacated.

Unless the proxy specifically instructs the proxyholder to withhold such vote, Common Shares represented by the proxies hereby solicited shall be voted for the election of the nominees whose names are set forth below. Management does not contemplate that any of these proposed nominees will be unable to serve as a director of the Corporation, but if that should occur for any reason prior to the Meeting, the persons designated in the enclosed instrument appointing proxy will have the right to use their discretion in voting for a properly qualified substitute.

Mr. Holmes is CFO of NSX Silver Inc. The reason for the issuance of the MCTO was the late filing of the audited annual financial statements and MD&A for the year ended December 31, 2015. None of the directors or officers of the Corporation has, within the ten (10) years prior to the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the director or officer.

Appointment of Auditor

PricewaterhouseCoopers LLP, Chartered Accountants of Halifax, Nova Scotia ("**PWC**") has been the Auditor of the Corporation since its incorporation on June 14, 2010.

The Corporation has determined to propose to the Shareholders the appointment of PWC as Auditor of the Corporation.

The Audit committee of the Corporation and the Board recommend to the Shareholders the appointment of PWC as Auditor of the Corporation. The Shareholders will be asked at the Meeting to vote for the appointment of PWC as Auditor of the Corporation to hold office until the next Annual Meeting of Shareholders, at a remuneration to be fixed by the Board.

Greater than 50% of the votes of Shareholders present in person or by proxy are required to approve the appointment of PWC as Auditor of the Corporation.

Annual Re-Approval of Incentive Stock Option Plan

Introduction

The Board of Directors and shareholders of the Corporation approved a 10% "rolling" stock option plan on June 14, 2010. The stock option plan was re-approved at the Corporation's annual meeting on September 28, 2017 (the "**Plan**"). The Plan is a 10% rolling plan pursuant to Policy 4.4 ("**Policy 4.4**") of the TSX Venture Exchange ("**TSX-V**"), subject to annual shareholder approval.

The Corporation is seeking re-approval of the Plan by the Shareholders in accordance with the rules and policies of the TSX-V.

The purpose of the Plan is to attract and retain employees, officers and directors and to motivate them to advance the interests of the Corporation by affording them the opportunity to acquire an equity interest in the Corporation through options granted under the Plan to purchase Common Shares. The Plan is expected to benefit the Shareholders by enabling the Corporation to attract and retain personnel of the highest caliber by offering to them an opportunity to share in any increase in the value of the Common Shares to which they have contributed. The Plan has been drafted to comply with the policies of the TSX-V.

The following information is intended as a brief description of the Plan, and is qualified in its entirety by reference to the Plan itself, which is attached to the Corporation's management information circular dated August 26, 2011, available on SEDAR at www.sedar.com under the Corporation's profile and is incorporated herein by reference. Upon request, the Corporation will promptly provide a copy of the Plan free of charge to any Shareholder. To request a copy of the Plan, Shareholders should contact the Corporation at Purdy's Wharf Tower II, Suite 2108, 1969 Upper Water Street, Halifax, Nova Scotia B3J 3R7.

The Plan

The Plan is administered by the Compensation Committee of the Board of Directors.

Eligible persons entitled to be issued stock options under the Plan are any director, officer, employee, consultant or any other person or entity engaged to provide ongoing services to the Corporation.

The aggregate number of Common Shares that may be reserved for issuance under the Plan shall not exceed ten percent (10%) of the issued and outstanding Common Shares of the Corporation from time to time. The number of Common Shares subject to an option to a participant shall be determined by the Board of Directors, but no participant shall be granted an option which exceeds the maximum number of shares permitted by the TSX-V or any stock exchange on which the Common Shares are then listed, or other regulatory body having jurisdiction.

The total number of Common Shares to be optioned to Optionees under this Plan shall be subject to the following restrictions:

- a) no more than five percent (5%) of the issued and outstanding Common Shares of the Corporation may be granted to any one individual in any twelve (12) month period (unless the Corporation is a Tier 1 Issuer, as defined in the policies of the TSXV, and has obtained Disinterested Shareholder Approval);
- b) no more than two percent (2%) of the issued and outstanding Common Shares of the Corporation may be granted to any one Consultant in any twelve (12) month period;
- c) no more than an aggregate of ten percent (10%) of the issued and outstanding Common Shares of the Corporation may be granted to Insiders of the Corporation in any twelve (12) month period; and
- d) no more than an aggregate of two percent (2%) of the issued and outstanding Common Shares of the Corporation may be granted to persons employed to conduct Investor Relations Activities in any twelve (12) month period, and such options, if issued to a Consultant must vest in stages over a period of no less than twelve (12) months with no more than twenty-five (25%) of the Options vesting in any three (3) month period.

The exercise price of the Common Shares covered by each option shall be determined by the Board of Directors, provided that the exercise price shall not be less than the price permitted by the TSX-V or any stock exchange on which the Common Shares are then listed, or other regulatory body having jurisdiction.

The maximum term of an option is ten (10) years, provided that participant's options expire ninety (90) days after his ceasing to act for the Corporation, except upon the death of a participant, in which case his estate shall have twelve (12) months in which to exercise the outstanding options.

No options are transferable or assignable.

Subject to the approval of the TSX-V, the Board of Directors has the discretion to amend or terminate the Plan; provided however, no amendment shall alter the terms of any outstanding options without the consent of the optionees concerned.

Existing Stock Options

As at March 31, 2018, the Corporation had stock options outstanding under the Plan that were exercisable to acquire, in the aggregate 11,890,000 Common Shares. See "*Securities Authorized for Issuance Under Equity Compensation Plans*" for additional information with regard to the options outstanding as at March 31, 2018.

Re-Approval of the Plan

In accordance with Policy 4.4, Shareholders will be asked to consider and, if thought advisable, approve an ordinary resolution to ratify, confirm and approve the Plan as the Corporation's stock option plan (the "**Incentive Stock Option Plan Resolution**"). A copy of the proposed form of the Incentive Stock Option Plan Resolution is set forth as Schedule "A" to this Circular.

The Shareholders will be asked to re-approve the Plan annually in accordance with the rules and policies of the TSX-V.

The directors of the Corporation believe the Plan is in the Corporation's best interest and recommend that the Shareholders approve the Plan. **It is intended that all proxies received will be voted in favour of approving the Option Plan Resolution, unless a proxy contains instructions to vote against the Option Plan Resolution. Greater than 50% of the votes of Shareholders present in person or by proxy are required to approve the Plan.**

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Corporation, nor any associate of the foregoing, has any material interest, direct or indirect, by way of beneficial ownership of securities of the Corporation or otherwise, in matters to be acted upon at the Meeting other than (i) the election of directors; (ii) eligibility to receive grants of options under the Plan; (iii) the settlement of outstanding debts of the Corporation to certain directors and officers through the issuance of Common Shares; and (iv) the issuance of Common Shares in satisfaction of payment for services rendered or to be rendered to the Corporation by an executive officer of the Corporation, all as described herein.

EXECUTIVE COMPENSATION

Named Executive Officers

Applicable securities regulations with respect to issuers reporting executive compensation information in the form below require that the Corporation give details of the compensation paid to the Corporation's "named executive officers" who are defined as follows:

- (a) the chief executive officer;
- (b) the chief financial officer;
- (c) each of the three most highly compensated executive officers, or the three mostly highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose compensation was, individually, more than \$150,000 for that financial year; and
- (d) any individual who would be a named executive officer under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

During the most recently completed financial year of the Corporation, the Corporation had two named executive officers; namely, the president and chief executive officer ("**CEO**") and the chief financial officer ("**CFO**") (collectively, the "**Named Executives**").

Currency

All references to "\$" or "dollars" set forth in this Circular are in Canadian dollars, except where otherwise indicated.

Objectives of the Corporation's Compensation Strategy

The general objectives of the Corporation's compensation strategy are:

- (a) to compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long term Shareholder value;
- (b) to align management's interests with the long term interests of Shareholders;

- (c) to provide a compensation package that is commensurate with other comparable mineral exploration companies to enable the Corporation to attract and retain talent; and
- (d) to ensure that the total compensation package is designed in a manner that takes into account the Corporation's present stage of development and its available financial resources.

The Corporation's compensation packages have been designed to provide a blend of a non-cash stock option component and a reasonable salary and benefits component based on comparable companies in the same or similar industries as the Corporation, at similar levels of development.

Elements of Compensation

The Corporation's executive compensation program is comprised of three components: (1) base salary, (2) a stock option plan and (3) a deferred share unit plan. Each element of compensation is described in more detail below.

Base Salary or Consulting Fees

The base salary or consulting fee for the Corporation's executives other than the Named Executives is determined based on industry comparables which reflect the responsibilities inherent in their respective positions as well as their experience within the industry. Individual circumstances are also taken into consideration including the individual's relevant competencies or experience and retention risk. The financial performance of the Corporation is also a factor as is the individual performance of the executives.

Non-Cash Option-Based Awards

Option Plan

Incentive stock options are generally awarded to executives, including the Named Executives, at the commencement of employment and periodically thereafter. At the time of commencement of employment, option-based awards generally reflect industry comparables with companies at similar levels of development. During employment, options are granted to reward Named Executives for their current performance, expected future performance and value to the Corporation, and take into account that number of options already held by the Named Executive and others.

All grants of stock options to the Named Executives are reviewed and approved by the Compensation Committee and the Board. The process is initiated by management recommending a grant of option-based awards to the Compensation Committee. The Compensation Committee reviews these recommendations and, if they are approved, recommends them to the Board. In evaluating option grants to the Named Executives, the Compensation Committee and the Board evaluate a number of factors including, but not limited to: (i) the number of options already held by such Named Executive; (ii) a fair balance between the number of options held by the Named Executive concerned and the other executives of the Corporation, in light of their responsibilities and objectives; and (iii) the value of the options as a component in the Named Executive's overall compensation package.

During the fiscal year ended March 31, 2018 the Corporation did not grant any stock options to the Named Executives.

Deferred Share Unit Plan

The Corporation's deferred share unit plan (the "DSU Plan") was adopted for the benefit of employees, officers and directors of the Corporation and related entities of the Corporation (as defined in National Instrument 45-106 – Prospectus Exemptions) designated for the purposes of the DSU Plan (collectively, "Participants"). The DSU Plan has been established to assist the Corporation in attracting and retaining talented employees, officers and directors and to promote a greater alignment of interests between Participants and Shareholders.

The DSU Plan provides that Participants may elect to receive all or a portion of their annual compensation or bonus compensation, if any, in DSUs. The election, if it is made, must be for a minimum of 10%, or a multiple thereof, of

such compensation in DSUs. The number of DSUs received is equal to the amount of compensation elected to be received in DSUs, divided by the volume-weighted average trading price of the Common Shares on the TSX-V for the 5 trading days immediately prior to the payment date ("Market Value"). DSUs awarded under the DSU Plan in lieu of annual or bonus compensation will vest immediately.

For more information on the DSU Plan, see "Securities Authorized for Issuance under Equity Compensation Plans – Deferred Shares Unit Plan".

No DSU's were granted to Named Executives in fiscal year 2018.

Perquisites

The Corporation provides a limited number of perquisites to its employees and executives, including to its Named Executives, which do not account for a material portion of their overall compensation. No perquisites were granted during the fiscal year ended March 31, 2018.

Compensation Committee

The Corporation has established a Compensation Committee, which is responsible for determining the compensation of the executive officers. See "*Corporate Governance – Compensation Committee*" for more information on the composition and role of the Compensation Committee. Each member of the Compensation Committee has direct experience relevant to his responsibilities in relation to executive compensation, including experience resulting from compensation committee involvement or executive experience with other companies. See "*Business to be Transacted at the Meeting – Election of Directors*" for a summary of the skills and experience of the members of the Compensation Committee.

Use of Financial Instruments

The Corporation does not have in place policies which restrict the ability of directors or Named Executives to purchase financial instruments, such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a director or Named Executive. Any such purchases would be subject to applicable insider reporting requirements.

Risk Assessment

The Compensation Committee has reviewed the Corporation's compensation policies and practices and has considered whether there are any potential risks associated with those policies and practices. As a result of such review, the Compensation Committee has determined that the Corporation's compensation policies and practices do not give rise to any risks that are reasonably likely to have a material adverse effect on the Corporation. The Compensation Committee will continue to monitor the Corporation's compensation policies and practices on a regular basis to ensure that potential risks associated therewith are identified and that the appropriate steps are taken to properly manage and mitigate such risks.

Employment Contracts, Termination and Change of Control Benefits

On September 1, 2014, and as amended effective January 1, 2016, the Corporation entered into a consulting agreement (“**Agreement**”) with Aconi Financial Corp Ltd. (“**Aconi**”), a company owned by Glenn Jessome, pursuant to which the Corporation pays Aconi an annual fee of \$250,000. Either party may terminate the Agreement at any time, without cause, upon giving at least 60 days’ advance written notice to the other party. Pursuant to the Agreement with Aconi, if a change of control event occurs at any time during the term of the Agreement and Aconi’s engagement is terminated without cause within an 18 month period following the change of control, then Aconi is entitled to receive a lump sum payment equal to two times the annual consulting fees, such payment to be made within 30 days of the date of termination. Aconi is not entitled to this change of control payment if the Agreement is terminated for cause or Aconi terminates the Agreement. If the consulting contract

with Aconi had been terminated effective March 31, 2018 as a result of a change of control event, the Corporation would have been obligated to pay Aconi a cash payment of \$500,000.

On September 1, 2017, the Corporation entered into a consulting agreement (“Agreement”) with 3286285 Nova Scotia Limited (“3286285”), a company controlled by Glenn Holmes, pursuant to which the Corporation pays 3286285 an annual fee of \$105,000. Either party may terminate the Agreement at any time, without cause, upon giving at least 60 days’ advance written notice to the other party.

Pursuant to the Agreement with 3286285, if a change of control event occurs at any time during the term of the Agreement and 3286285’s engagement is terminated without cause within an 18 month period following the change of control, then 3286285 is entitled to receive a lump sum payment equal to two times the annual consulting fees, such payment to be made within 30 days of the date of termination. 3286285 is not entitled to this change of control payment if the Agreement is terminated for cause or 3286285 terminates the Agreement. If the consulting contract with 3286285 had been terminated effective March 31, 2018 as a result of a change of control event, the Corporation would have been obligated to pay 3286285 a cash payment of \$210,000.

Board Compensation

The Corporation does not pay fees to directors for services in that role, but provides its directors with stock options pursuant to the Plan. Directors are entitled to be reimbursed for travel and other out-of-pocket expenses incurred for attendance at directors’ meetings but are not compensated for travel time in connection with attendance at the board meetings.

The following table presents details of all outstanding option-based awards and share-based awards to members of the Board, other than Named Executives, as at March 31, 2018. The value of the unexercised in-the-money options as at March 31, 2018 has been determined based on the excess of the closing price of the common shares on the TSXV as of March 31, 2018, being \$0.22, over the exercise price of such options.

The insurance coverage is provided pursuant to policies held by the Corporation and is in effect until January 28, 2019. The annual premium for the

INDEBTEDNESS OF DIRECTORS AND OFFICERS

No current or former directors, executive officers or employees of the Corporation, or associates or affiliates of any of these persons, have been indebted to the Corporation or its subsidiaries at any time since April 1, 2017, being the beginning of the Corporation's last financial year, other than "Routine Indebtedness" as that term is defined in applicable securities legislation.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as otherwise disclosed in this Circular, none of the directors, executive officers or principal shareholders of the Corporation, or associates or affiliates of any of these persons, had any material interest, direct or indirect, in any transaction since April 1, 2017, being the beginning of the Corporation's last financial year, or in any proposed transaction which, in either case, has materially affected or would materially affect the Corporation or its subsidiaries.

MANAGEMENT CONTRACTS

No management functions of the Corporation are to any substantial degree performed by a person or company other than the directors or executive officers (or private companies controlled by them, either directly or indirectly) of the Corporation.

NI 58-101 has been adopted by the securities commissions or similar regulatory authorities across Canada ("Canadian Securities Administrators").

The Board endorses the efforts of the Canadian Securities Administrators in continuing the evolution of good corporate governance practices. The Board is committed to adhering to the highest standards in all aspects of its activities.

The corporate governance practices described below are subject to change as the Corporation evolves. Some of its practices are representative of its junior size; however, the Corporation has undertaken to periodically monitor and refine such practices as the size and scope of its operations increase. The Board shall remain sensitive to corporate governance issues and shall continuously seek to set up the necessary measures, control mechanisms and structures to ensure an effective discharge of its responsibilities without creating additional undue overhead costs and reducing the return on shareholders' equity.

Board of Directors

The Board is currently comprised of six (6) directors, three (3) of whom are "independent" within the meaning of National Instrument 52-110, *Audit Committees* ("NI 52-110"). Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the corporation's board of directors, be reasonably expected to interfere with the exercise of the directors' independent judgment. In addition, certain individuals, by definition, are deemed to have a "material relationship" with the Corporation and therefore are deemed not to be independent.

Keith Abriel, Kevin Lindsey, Michael Anaka, Richard Gordon and Wade Anderson are considered independent of the Corporation. Glenn Holmes is not considered independent, as he is the Chief Financial Officer and Secretary of the Corporation.

The strategic planning and business objectives developed by management are submitted to and reviewed by the full Board of Directors on an on-going basis through regular interim reports from management. The Board of Directors does not have a written mandate.

Position Descriptions

The Board has not developed a written position description for each of the Directors of the Corporation or the CEO. Given the relatively small size of the Corporation, the Board of Directors believes that the role and responsibilities have been appropriately communicated through board meetings and in the form of communications between the Board of Directors and Glenn Jessome, the Corporation's CEO.

The Board of Directors has not developed a written position description for the Chair of the Corporation's Audit Committee. The Board believes that the roles and responsibilities of the members of the Audit Committee are appropriately delineated in the Audit Committee's charter.

Orientation and Continuing Education

Given the size of the Board of Directors, there is no formal program for the orientation and education of new members of the Board of Directors. Board meetings may also include presentations or briefings by the Corporation's management and employees to give the directors additional insight into the Corporation's business activities. In addition, the Board of Directors believes that the past and continuing experiences of each director resulting from their past experience and current positions as detailed in this Circular ensure they have the skills and knowledge necessary to serve the Corporation as a member of the Board of Directors on an ongoing basis.

Ethical Business Conduct

The Board supports ethical business practices. To date, the Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and, in particular, the restrictions placed by applicable corporate legislation on an individual Director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

In addition, the Board of Directors believes that the Corporation's size facilitates informal review of discussions with its officers and employees to promote ethical business conduct. Furthermore, the Board has established a Whistle Blower Policy, which is Addendum "A" to the Audit Committee Charter, and establishes the compliant procedure for concerns about any aspect of the Corporation's activities and operations.

Nomination of Directors

The Board has not appointed a nominating committee and does not have a formal process for identifying new candidates for Board nomination. When required, the Board will collaborate with management to identify potential candidates and to consider their appropriateness for membership on the Board.

Compensation Committee

The members of the Compensation Committee are Kevin Lindsey, Keith Abriel and Wade Anderson, all of whom are considered independent. The Compensation Committee is responsible to recommend to the Board the compensation levels of the Corporation's chief executive officer and the chief financial officer. The Compensation Committee also administers the Corporation's Plan, including any stock option grants to the directors and the executive officers. In determining the compensation of the executive officers, the Compensation Committee evaluates their performance in light of the corporate goals and objectives established on an annual basis. Based upon this evaluation, the Compensation Committee makes recommendations to the Board with respect to each executive's compensation including, as appropriate, salary, bonus, incentive compensation and benefit plans. In addition, the Compensation Committee conducts an informal survey of comparable data in the mining industry, taking into account the size as well as the level of activity of the Corporation.

Audit-Related Fees	N/A	N/A
Tax Fees	\$2,500	\$5,500
All Other Fees	N/A	\$56,100

No Reliance on Certain Exemptions

At no time since the commencement of the Corporation's most recently completed financial year has the Corporation relied on the exemption in Section 2.4 of NI 52-110 from the requirement that the Audit Committee pre-approve all non-audit services to be provided to the Corporation by the Corporation's external auditor, or a discretionary exemption from the requirements of NI 52-110 in whole or in part, granted under Part 8 of NI 52-110.

Other Exemptions

The Corporation is relying upon exemptions contained in Section 6.1 of NI 52-110 in connection with the following:

1. Section 6.1 of NI 52-110 exempts the Corporation from the requirement to disclose information relating to the Audit Committee in an annual information form ("**AIF**") as the Corporation, like other venture issuers, is exempt from the requirement to file an AIF under Section 6.1 of NI 51-102, *Continuous Disclosure Obligations*.
2. Section 6.1 of NI 52-110 exempts the Corporation from the requirements in Part 3 of NI 52-110 with regard to the composition of the Audit Committee, including the requirement that all members of the Committee must be independent.

Corporate Governance Committee

The members of the Corporate Governance Committee are Kevin Lindsey, Richard Gordon and Glenn Holmes. All members are financially literate within the meaning of NI 52-110. The education and experience of each Corporate Governance Committee member is described in this Circular under the section entitled "Election of Directors".

Other Board Committees

The Board does not currently have any standing committees other than the Audit Committee, the Compensation Committee and the Corporate Governance Committee.

The Board may, from time to time, create new committees or establish ad hoc committees to address special business issues.

Assessments

The responsibility for assessing directors on an ongoing basis is assumed in full by the Board and every director is entitled to bring the matter to the Board of Directors. The Board does not perform regular assessments; however, the Board believes that the size of the Corporation facilitates informal discussion and evaluation of the Board, its committees and its members.
